Dear Julian,

Thank you for your letter of 1st November last, please accept my apologies for not replying earlier, but having attended dinners, meetings and researching, time is flying by.

Make no mistake, I am enjoying it all.

According to the notes from the Trent Bridge meeting, it appears to have gone well, I am pleased for that.

I was very disappointed to have missed the meeting.

Yes, I will be delighted to make an attempt on writing a biography for Richard Steeples.

I do have some details relating to him, but am happy to research for some more.

When will you want it by, and who do I send it to, you or Peter, (Griffiths) ?

Thanks for keeping me informed of everything.

Regards and Best Wishes,

Cyril R Waite

8th March 2013.

Dear Sullivan,

Hope all is well with you.

I have become a little restless for a while, as there has been no news regarding the 1907 Minor Counties Book.

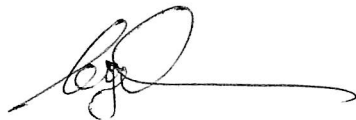

I was under the impression that final draft sheets, and Summary County Pages, would be sent to the relevant County Statisticians for checking, as I have not received any, it has got me wondering what has happened.

Now having received the A G M agenda, which states the 1907 is to appear, I am more confused than ever.

Was any correspondence relating to the above sent to me, or is there a plausible reason...?

Please can you let me know.

Regards and Best Wishes

3rd October 2013

Dear Julian,

Many thanks for your two letters, sorry for not replying earlier.

Unfortunately, I will not be at Trent Bridge on 12th October.

I am afraid my judgement was totally miscalculated.

For some reason I had assumed the meeting would be the first Saturday in October, (StL), so I shall be away, much to my bitter disappointment of missing such an important meeting.

I am happy to continue to support the Minor Counties Book Project, and to continue to research the Welsh Minor County Teams.

Please let me know, if I can be of any more help to you, and could you please relate the same to Peter, (Griffiths),.

I hope the meeting goes well, please accept my apologies for missing it, and give my regards to everyone.

Please keep me informed of progress and developments of the 1908 Book.

Did the 1907 Book reach expectations?., and no, I have not had a copy.

P.S Please accept me writing, but my printer cartridge has run out, and am unable to obtain one locally.

Regards and Best Wishes.
