

**Harmsworth v. Perry Street  
Conservative.**

**Gravesend Borough Cricket League.**

This match was played on the Overcliffe Ground, and resulted in the first League defeat of Perry Street. The home team won the toss, and decided to bat first. Connolly and Tuck opened, and both made some good outs. H. Kelly batted well for his 20, including a six, which went over the garden wall. H. Dance, the latest recruit to Perry Street, bowled well, taking five wickets for nine runs; Wright took five for 24. Doubtless the news of England's defeat upset the Tariff Reformers, of whom only Wright and Mann could stand against the bowling of Kelly and W. Phillips. The latter bowled exceedingly well, taking six for 16. The fielding on both sides was good, Hodgo being especially prominent for Perry Street. This match leaves the League table in a very interesting position.
