

WARWICKSHIRE v. DERBYSHIRE.
Played at Coventry on June 12, 14 and 15.

WEEK-END CRICKET.

Derbyshire won by six wickets.

On Saturday the weather for this match was very cold indeed, but the wicket was good and those who were present saw some very bright cricket. Warwickshire were without Field, who was suffering from rheumatism, and, as it happened, he was much missed. The feature of the play was furnished by Chapman, who went in when two wickets had fallen for 75 and made 195 out of 345 in three hours and a-half. He hit two 6's and twenty-nine 4's and made nothing like a mistake until 172, when Santall missed him at mid-off. His runs were made all round the wicket and he scored so briskly that he reached 50 in 55 minutes and completed his 100 forty minutes later. With Morton, who made his 50 out of 141 in 125 minutes and hit five 4's, he added 66 for the third wicket, with Lawton 113 for the fourth in 55 minutes, and with Warren 35 for the fifth. In reply to the total of 436 Warwickshire made 13 without loss before stumps were drawn. On Monday nine players reached double figures, but the total was only 235. The brightest cricket was shown by Fishwick, who made 44 in 40 minutes and hit seven 4's. In the follow-on an improvement took place, but at the end of the day Warwickshire with five wickets down were only 5 runs on. Charlesworth played bright cricket for 50 minutes for 53, which contained as many as eleven 4's, and, after the fifth wicket had fallen at 137, Baker and Pridmore added 69 without being parted. On Tuesday the pair remained together until they had put on 85, and then Pridmore was caught and bowled for 49. At 241 Baker was taken at point for a very useful 56, in which were nine 4's, and, with the others doing little, the innings closed for 251. Derbyshire, set 51 to win, lost four wickets for 16, but Rickman and Chapman made the remaining runs without further loss. Score and analysis:—

LEAD FOR MONMOUTH.

E. S. PHILLIPS IN GOOD FORM AT LLANELLY.

The two-days' match between Carmarthenshire and Monmouthshire opened at Stradey, Llanelly, on Tuesday in glorious midsummer weather. The home team's team was somewhat disorganised, and the major portion of it comprised some of the Llanelly eleven. The first innings for Carmarthenshire was opened by Ike Evans and Hugh Howell, who had to face the trundling of F. G. Phillips and A. Silverlock. The fielding of the visitors was admirable, and their bowling was also good, especially that of W. A. Williams, who took five wickets for 11 runs in 5.3 overs. Carmarthenshire were all out for 96. The Monmouthshire innings was opened by Silverlock and H. O. Butler, who confronted the bowling of Hugh Howell and G. T. Gravelle. The Monmouthshire men had surpassed the Carmarthenshire score when their second wicket fell, which left the score at 101. Gravelle took four wickets for 124, D. H. Davies three for 63, and Hugh Howell three for 114.

The second innings was opened for Carmarthenshire by Hubert John and Captain Hughes-Morgan, the former being disposed of for 22. He was in splendid form, his last three strokes securing three 4's. Scores:—

CARMARTHENSHIRE V. MONMOUTHSHIRE.

MINOR COUNTIES' CHAMPIONSHIP.

(Last year Monmouthshire won by an innings and 171 runs).

The two days' match between Carmarthenshire and Monmouthshire, in connection with the Minor Counties Championship, was begun at Llanelly on Tuesday in favourable weather. Carmarthenshire was unable to field a representative team, a few of the players being members of the Llanelly 2nd XI. The home side batted first and only three men got into double figures, viz., Percy Rees, the captain of the Llanelly 1st XI, with 29 to his credit, Hubert John, the new secretary of the Carmarthenshire team, who scored 22, and G. T. Gravelle, who by hitting three boundaries scored 12. Percy Rees and H. E. John batted steadily, and without them the side would have completely fallen to pieces. As it was Carmarthenshire scored 36. W. A. Williams bowled splendidly, taking five wickets for eleven runs. With only two wickets down and 101 runs scored, Monmouthshire had an easy task. E. S. Phillips along with Butler punished the bowling, and before being caught out Phillips scored 88. The total was at 359 when the last wicket fell. Carmarthenshire opened their second innings, the batsmen being Capt. Hughes-Morgan and Hubert John. The latter was batting particularly well and had made three consecutive drives for fours in one over when he was dismissed after having made 22 runs. With the total at 48 for two wickets the game was adjourned. Scores:—

The match was continued at Stradey today Carmarthenshire, who had scored 48 runs for two wickets over night, again went to the wicket. It was realised that the home-side's chances of making anything like a formidable stand were very remote, seeing that in their first innings they had only scored 96 runs against Monmouthshire's 359, and that their two best wickets had been lost in the second innings before they adjourned on Tuesday night when the score stood at 48. They were all disposed of for 133 runs, Monmouthshire thus winning a decisive victory by an innings and 130 runs. Carmarthenshire were hopelessly outclassed in all phases of the game, and it seemed a

pity that they could not field a stronger and more reliable team. Silverlock was the most successful trundler to-day, taking four wickets for 17 runs. Scores:—
