Carmarthenshire v. Bucks.

HOME COUNTY'S BIG SCORE.

Carmarthenshire's last match in the Minor Counties' Competition was commenced at Llanelly on Wednesday, Bucks. being the visitors. The home county, who have hitherto been unable to win a single match, batted first and gave an excellent display, putting on 553 for the first innings. All down the side the scoring was consistent, only two of the men being unable to reach double figures. Ike Evans, who opened the Carmarthen innings with B. Percy Rees, contributed 65 to the score. He gave an admirable display, not making a single mistake. He secured with equal power all round the wicket, his contribution, which included ten 4's, taking a little over half an hour to make. The last partnership—C. P. Lewis and A. R. Melhuish—was a remunerative one, yielding 64 runs. The veteran, who suffered from an injury to the leg, batted with an ease and confidence that was delightful. Among his hits were five 4's. With nearly two hours to bat, Bucks. opened their first innings. The rate of scoring was painfully slow, 60 runs being registered in the first hour. When stumps were drawn the visitors had lost five wickets, and were 238 runs behind the Carmarthen total. Present scores—

week, Hayes and Bush being unchanged whilst more than 170 runs were added. It made me more sad than angry. It was not cricket as it should be played. Did the batsmen like it? Perhaps they regarded it as the reverse of a compliment. One shudders to think of the greeting the captain would have received from old Mr. Grimston on his return to the pavilion: it would not have lacked force, you may be sure. "The rigour of the game," Mrs. Battle's motto in whist, should always be our watchword in cricket. Slackness is to be avoided as a pestilential thing.

A word in the ear of all captains. Whenever a youngster is played for his bowling, be sure never to toss him the ball until the batsmen have got thoroughly set, for then his bowling will be hit all over the field, and so all conceit will be knocked out of him. Never, under any circumstances, depute him to bowl to a new batsman, especially if he can bowl a fast yorker; for if you do he may get a wicket in his first over, and that may encourage him to think that he can bowl a bit. "It was the misfortune of the colt Skinner to bowl to W.G. when he was well set." (See Wisden's report of the M.C.C. v. Surrey match at Lord's in 1871.) W.G. scored 181 in that innings. Poor colt!

Several batsmen are finishing very strong; Warner, for instance, as in last season; so too are Tarrant, Seymour, Sharp and Rhodes, all of whom have been in harness all the season through. Rhodes' two centuries against the M.C.C. a week since put the seal on his reputation as a great batsman.

A novel coincidence. In the Notts v. Derbyshire match at Blackwell, both Wass and Morton dismissed nine batsmen in one innings for their respective sides. Have two bowlers ever been credited with this feat in one and the same Championship match before?

CARMARTHENSHIRE v. BUCKS.—Played at Llanelly on August 16 and 17 and won by Bucks. by five wickets. Score:—

THE LANCASHIRE COUNTY C.C.

At a meeting of the Committee of the above club held in Manchester on the 1st inst., it was decided that a letter be written to Warwickshire, congratulating them on winning the Championship. It was reported that fixtures had been completed with the Australians and South Africans to play matches against Lancashire at both Liverpool and Manchester next season. The Middlesex match is allotted to Liverpool. The Colonial fixtures are as follows: Lancashire v. Australians, at Manchester, in June; Lancashire v. Australians, at Liverpool, early in July; Lancashire v. South Africans, at Liverpool, August 1st, 2nd and 3rd; Lancashire v. South Africans, at Manchester, about the middle of August. The Lancashire v. Yorkshire match next year will be played at Bradford.

Mr. T. J. Matthews, the secretary, was presented with a handsome silver salver, the gift of the Committee, on the occasion of his silver wedding. Mr. James Horner, who for many years was hon. treasurer, added a personal present, consisting of a set of Russian salters.

SUSSEX v. WORCESTERSHIRE.

Played at Hastings on August 31, September 1 and 2 and won by Worcestershire by six wickets. The Sussex batting in this match was somewhat disappointing, only Relf (A. E.) making much headway in either innings. He drove particularly well and offered no chance. Worcestershire had half their wickets down for 95, but Burns and G. N. Foster put on 73 together and the latter and Cuffe 114. Foster hit a 6 and thirteen 4's. Left with 152 to win, Worcestershire, in obtaining the number, owed much to a fourth-wicket stand of 99 by Bowley and Burns. Score and analysis:—
