Notes:

Durham won this return match by ten wickets in a single day, after rain prevented play on the first day.

The match between the two sides in June at Grimsby had also been won by Durham. On the first day the rain did stop until 1.45 pm and, after an inspection at 3.00 pm, it was agreed a start be made at 4.30 pm. However, at that time four of the Lincolnshire team were absent and it was decided to delay the start until the second day. For the winners, Morris took 12 wickets in the match for 74 runs, including 8 wickets for 28 runs in the Lincolnshire second innings. Harrison scored 95 which included 2 sixes and 12 fours. For the losers there 2 fours and 1 four respectively in Thompson's two innings of 20 and 20 not out. Lincolnshire played with only ten men.

[Missing: In Durham first innings boundaries in Harrison's 95 and who bowled fifth no ball; who dropped out of Lincolnshire team; time completed.]

THE ENCYCLOPEDIA OF SPORT.*

More than once it has been our duty to refer in these columns to the new edition of this standard work, which Messrs. Heinemann have been issuing in fortnightly parts at one-shilling net each, and the publication of the third bound volume enables us to say once more that the work is one which everybody interested in sports of the world should make an effort to possess, for not only are the articles from the pens of authoritative writers, but the illustrations are numerous, interesting and instructive. Furthermore, the get-up of the production is admirable, the clear type, the paper and the arrangement of the matter leaving nothing to be desired.

Vol. III., which contains 448 pages and about 500 illustrations, deals with all sports in alphabetical order from Hunting to Racing. There is also a most interesting section devoted to obsolete sport, wherein details are given of badger, bear and bull-baiting, cockfights and tournaments.

OLD ROSSALLIAN CRICKET.†

A neatly-produced pamphlet, dealing in detail with the recent tour of the Old Rossallians, and referring to their previous ones, has just been published at the office of this journal. The edition is strictly limited.

From Messrs. S. Ray & Co., of Esplanade, Calcutta, we have received a copy of the Fieldmarshal Cricket Score Book. The compiler—Mr. S. Ray, M.A.—is evidently an enthusiast, for, although the methods he suggests would entail extra labour on the scorers, they would certainly make a club's record more complete and interesting to peruse at the end of the season than is generally the case. A paper-covered book (32 innings) can be had for As. 8, in full cloth (64 innings) for Re. 1 or for 200 innings, gilt letters, with club name on, for Rs. 3-8.

Notes: Durham won this return match by ten wickets at 7 pm in a single day, after rain prevented play on the first day. The match between the two sides in June at Grimsby had also been won by Durham. On the first day the rain did stop until 1.45 pm and, after an inspection at 3.00 pm, it was agreed a start be made at 4.30 pm. However, at that time four of the Lincolnshire team were absent and it was decided to delay the start until the second day. For the winners, Morris took 12 wickets in the match for 74 runs, including 8 for 28 in the Lincolnshire second innings. There were 4 fours in Harrison's 95. For the losers, there were 2 fours and 2 four's respectively in Thompson's two innings of 20 and 20 not out. Lincolnshire played with only ten men.
 [Missing: In Lincolnshire first innings boundaries in Thompson's 20; in Lincolnshire second innings boundaries in Thompson's 20 not out, check batting order, and confirm Bewick bowled 3.2 overs; in Durham first innings boundaries in Harrison's 95, confirm bowling order as in DSB with Gibson bowling first, etc, and who bowled fifth no ball; in Durham second innings check opening batting order, and confirm Riley bowled 4.2 overs not 4; time completed; who dropped out of Lincolnshire team.]
