MINOR COUNTIES' CHAMPIONSHIP. BUCKS V. HERTS. HAZLETON & EDWARDS BOWL WELL.

The return match between these counties was played at Walford on August 13th and 14th. When they met at Bletchley, lierts gained 3 points for leading on the first innings, but Bucks were able to turn the table at Walford after an exciting finish. Herts won the toss and decided to bat. After the rain that had fallen the wicket was very dead so that for a time Edwards was not able to get much spin on the ball. Three wickets fell quickly, but when Cowley joined Bland both players scored freely and put on 87 runs before the former was well-caught by Jackson from a lural drive. In his 64 were I six and 11 fours, Bland was out soon after for 66, being caught and bowled by Powell from his first ball, When Ilalsey and Meyer were together they made things lively for the fielders, scoring 70 runs in 20 minutes, 19 off one over from Ilazleton. Hasley had 2-sixes and 5 fours and Meyer 2 sixes and 4 fours. After these players left, the game slowed down and the total reached 218. The fielding of the Bucks team was smart; especially Jackson. Bucks commenced batting at 5.25, Franklin taking Jackson with him to open the innings. Neither player took any risks and the score mounted slowly. Meyer and Burton were bowling well and the fielding was keen. Holsey and Reid being frequently applauded. The first wicket fell at 73, when Franklin was smartly taken at the wicket. Le Gros joined Jackson and the score was taken to 122 when the former mis-hit and was caught and bowled. Baker was bowled first ball, and Powell followed soon after, Three wickets fell followed soon after, the being his best innings the season. His 49 contained 5 fours. Hazelton garden for the score was 138 for 5 wickets, Jackson being undefeated. Play was continued on Thursday, the not onlies, Jackson and Payne-being opposed by Meyer and Burton. The score fours in the morning sell set innings closed for 192, a smaller score than the opening suggested. Meyer took 3 wickets for 14 runs in the morning. Being Stirms to the good, Herts opened with Bland and Fordham. The

SPORTING NOTES.

MORE FOOTBALL PROSPECTS IN WYCOMBE & DISTRICT.

Wycombe C.C. Reserves had a pleasant game with Chesham Reserves at Chesham on Saturday last, and it was a pity that "Father Time" prevented a definite result being attained. The official score sheet records: — "Time started, 2.40; innings closed, 4.45; Chesham started innings, 5.20; time closed, 7.15." A lot of wasted time somewhere. However, Wycombe knocked up 156; runs for 7 whekets and then declared, and a feature was the 72 not out by T. H. Redington. The previous week against North Middlesex at Crouch End, Redington scored 33, and now has to be added his 72 against Chesham, and in both games he did not give a semblance of a clance, and later on I notice he caught ent two opponents. Others who batted well were H. E. Page (22) 5nd J. Brickwell (20). Chesham Reserves replied with 127 for 8 wickets, A. Puddsphatt (32), A. Reynolds (26), G. Stone (22), F. Rust (12) and L. Fullings (12) being the chief contributors. Brickgell again proved his worth as a bewler (5 wickets for 53 runs), G. H. Baker taking 2 for 29, and W. Tibbles I for 17. The game ended in a draw, slightly in Wycombe's favour. When the teams at tie, each team scoring 80.

Last week I referred to the doings in the cricket field of Mr. C. V. Raffety, son of Mr. H. V. Raffety, of Benedisfield, and grandson of Mr. C. W. Raffety, J.P., of fligh Wycombe. On Saturday last at Orlenna Park, "C.V.R." pinyed for the Public Schools against the Exiles, and scored 30 runs and took 6 wickets for 31 runs. "A.P.," in his Public School notes in the "Sportsunn" on Tuesday, writes:
—"Raffety, who was no doubt assisted by the pitch, kept an excellent length with his slow leftshus, deliveries." With regard to his batting the same writer goes on:—"C. V. Raffety, the Crawleigh left-hander, made beautiful strokes all round the wicket, carried the score to 50 before he left to a wonderful atch by Carr at short leg." I hope scale day he will find his way into the Wycombe C.C. eleven.

Hearty congratulations to Wycombe Alexandra on winning, for the first time, the Championship of Division I of the Wycombe and District Cricket League. The Alexs, are one of the oldest members of the competition and during their long carrer they have on more than one occasion been near to winning the trophy and on others near the danger point of religation to a lower Division. I expectator on the Alexs, will celebrate the event. No wonder President Beckett is all smiles!

One does not often find two teams of the same Club making identical scores. Last Saturday Wycombe Wanderers Sports Club entertained Great Kingshill in the Lengue, and knocked up 86 to 17 by Kingshill. The Reserves of both teams were at Kingshill, and there the Wanderers second string compiled 86 runs and Kingshill Res, obtained 17.

The position of the Bucks County Cricket Club in the Minor Counties' Championship table up to Wednesday morning is:—Played 6, won 2, won 1 on the 1st innings, lost 1 on the 1st innings, and drawn 1. They occupy 10th place in the table, Northumberland being 1st, Dorset 2nd, and Berkshire 3rd.

Cricket dies hard in Beaconsfield; the Club has still 5 more matches on their programme, and although the football season proper will soon be here. Club ericketers, old and young, will be able to play their favourite game during the winter months at the school where tuition and practice are given under the guidance of Messrs. Pat Hendren and J. Durston, of Middlesex. Considering the number of Club cricketers in and around London, this opportunity to keep in trim during the close season will be a source of pleasure and recreation to many, as well as instructive. Students at this Acton School should produce some starting performances with bat and ball during the season 1925.

MORE MINOR COUNTIES' CHAM-PIONSHIP MATCHES.

BUCKS COUNTY C.Q. v. SURREY II AT HIGH WYOOMBE

This match had been allotted by the County Club to Edwards, their only professional, as his "Benefit" match. There was an excellent attendance, amounting to about 500 throughout, and as the county had been freely circularised on Edwards' behalf it is keeped that the latter will reonive an amount commensurate with his services to the county.
Once again Bucks were without two of

their bests bats, Roe and Wells, and as for the sixth consecutive time their Captain lost the toss, it may be said that fortune lest the toss, it may be said that fortune did not favour them from the start. But if fortune had stopped there Bucks would have grumbled a little and won the match. Unfortunately it did not; after Surrey had had first innings on a beautiful and easy wicket with a fast outfield, a torrent of rain came down and the rest of the match was played on a wicket that gave every one advantage to the bowlers and with an outfield so slow that runs were far harder to obtain. Even so, Bucks made a magnificent fight against adversity. W. T. Cook, the left-hander, and H. A. Packham, opened for Surrey and the former quickly showed that his object was to knock Edwards off his length and so de-

mer quickly showed that his object was to knock Edwards off his length and so demonstrate to the rest of his team that their destroyer of last year was but human. It must be said at once that he played his part most admirably, hitting with great force and judgment, whilst Edwards displayed his humanity by bowling anything but the excellent length that one has come to expect from him. It is only fair to say, however, that both he and Hazelton, particularly the latter, were undoubtedly tired after their two long spells of bowling against Herts in the preceding match. Packham and Summers were quickly disposed of, but then Qook and Daily rapidly took the score to 81 before the former was caught at the wicket off a good ball from Payne; his admirable innings of 53 was of the greatest value to his side. Sorensen and Gulland continued the good work with Daily, until good catches by Aubrey-Flotcher disposed of the two last, whilst Bakor snapped up the Surrey Captain at forward short leg. The innings then came rapidly to an end, curiously enough for the same total as that compiled by Herts in their first innings—248. It was a good score, but on the easy wicket not an overpowering one. Then, however, came the rain, and after an hour's delay, Bucks had to bat under conditions that told heavily against them. The Surrey bowlers made admirable use of their opportunity, Jennings, the left-hander, keeping an immaculate length, whilst Goary swung sharply from leg and occasionally brought the ball back from the off. Franklin and Carlton were out in the first 5 overs. Jackson stayed for a short time, but Baker and Payne were also out before stumps were drawn. In the meantime Le Gros was hitting out most gallantly, not perhaps with the best judgment, but with quite admirable luck, for he was missed on several occasions.

On Saturday morning Le Gros found an excellent partner in Aubrey-Fletcher, who undertook the defence of one wing knock Edwards off his length and so de-monstrate to the rest of his team that their

several occasions.

On Saturday morning Le Gros found an excellent partner in Aubrey-Fletcher, who undertook the defence of one wing whilst Le Gros attacked from the other. The score was rapidly taken to 151 before Le Gros' plucky and invaluable innings was brought to an end just short of the century. Undoubtedly he was lucky, but no less undoubtedly Bucks would not have made a hundred without him. As it was they reached the useful total of 169.

Surrey's lead of 79 was a very formidable one under the low-scoring conditions that now obtained. Still, Bucks were by no means disheartened, knowing that if they could once get rid, of Cook they might well dispose of Surrey cheaply. In their first object they were at once successful, for Cook sent his second ball from Hazelton through the slips, aid his sixth into the hands of Le Gros in the same position. Gulland was again caught off a skier by Aubrey-Fletcher, Daily well taken low down by Carlton at short leg and Summers admirably caught by Powell in the deep. Had Carlton held Bullock off a big drive soon after he came in anything might have happened, but the Surrey batsman, profiting by his escape, hit so freely that the score was rapidly taken to 91, at which point Surrey were 170 runs on with six wickets in hand—an apparently hopeless position for Bucks. But the champions nover admit defeat until the last ball is bowled. Sorensen, who had ably partnered Bullock, was caught and bowled by Hazelton, and then followed a really remarkeble collapse, Jennings being run out and Bullock, Brooks, Geary and Lock all being stumped by Franklin off the bowling of Edwards. Packham snatched a few useful runs while these things were happening, but Burrey were all out for 114.

The task of getting 194 in the fourth innings would be a serious one at the best

were all out for 114.

The task of getting 194 in the fourth innings would be a serious one at the best of times, but with the wicket sticky and worn, the outfield dead alow, and the light bed, it appeared almost impossible. When the three best Bucks batsmen, Franklin, Jackson and Le Gros were out for 37, the metal and the control of Jackson and Le Gros were out for 37, the match appeared practically over, but two young players, E. Carlton and L. G. Baker, made such an excellent stand that 37 runs were added before they were separated, and Bucks once more appeared to have a remote chance. Carlton, in particular, batted like a veteran, showing excellent defence and picking the right ball to hit. Baker made some capital scoring strokes but he is not yet a sound bat and was bowled playing a very weak stroke to a good length ball from Gulland.

Hazelton again played a fine forcing

length ball from Gulland.

Hazelton again played a fine forcing innings, taking few risks but losing no opportunity of scoring, and he was ably supported first by Aubrey-Fletcher and then by Powell. When Edwards, the last man, went in 45 runs were still required, but even then Bucks were not done with, 20 runs being added before Edwards was bowled hitting rather wildly at a good length ball from Jennings.

Edwards was bowled hitting rather wildly at a good length ball from Jennings. Surrey thus won an extremely interesting match by 24 runs. Particular credit is due to Jennings who bowled unchanged throughout both Bucks innings and kept an almost immaculate length all the time. Bucks were beaten for the first time in two seasons, but they fought an uphill battle most gamely and it was particularly encouraging to see the promising form of young players like Carlton, Baker and Fuller. The fielding was not so good as usual and the catching most uncertain, a fault which contributed seriously to their defeat, but the Wycombe ground is notoriously difficult in this respect and Surrey did little, if any, better. SPLENDID VICTORY FOR BUCKS AT WYCOMBE YESTERDAY. LE GROS AND AUBREY-FLETCHER'S FINE STAND.

LE GROS AND AUBREY-FLETCHER'S FINE STAND.

On Wednesday and Thursday (yesterday) this match took place on the Wycombe ground, and it was marked by some of the most sensational cricket one could wish to see. On a true bowlers' wicket, Leicester had first knock on Wednesday, and Edwards (6 for 12) and Hazelton (4 is 20), skittled out the visitors for the meagre total of 33 runs—Ruddle being top scorer with 9. A greater sensation was in store, as Bucks were dismissed for 24, Snary bowled 10 maiden overs in succession, and took five wickets for 6 in ins, and Benskin the remaining 5 for 15. The spectators were kept on tenter-hooks, and when Leicester had completed their 2nd innings, they had scored 118—Hazelton 5 for 46, Edwards 3 for)41, and Payne 2 for 16. Bucks went in again, and shaped disastrously at the outset, and when stumps were drawn on Wednesday night they had lost 3 wickets for 27 runs. Yesterday, with a very little improved wicket, Bucks resumed their innings, Le Gros and Aubrey-Fletcher (the not outs of the previous night) again, defying the attack. Every hit was cheered to the echo, owing to the critical position in which Bucks were placed as they required 101 runs to win. Le Gros, who hit 11 fours, played very stylish cricket, and while Aubrey-Fletcher was mainly on the defensive, Bucks succeeded before luncheon in knocking off the necessary runs without further loss, and winning amidst a tunult of cheers by 7 wickets. Scores and bowling analysis:—

MARLOW.

A very interesting match was played between the above teams on the Borinso School ground on Saturday Inst. The Old Borlasians were successful on the first innings by a margin of 6 runs, although had it been possible to complete the second innings the result may have been reversed, for Little Marlow, with two wickets to fall, only required four runs for victory. BUCKS v. BEDFORDSHIRE.

BUCKS v. BEDFORDSHIRE.

Rain again spoiled this match, which was played on Friday and Saturday last at Ascott. For the eighth time in succession, the Bucks captain lost the toss and had to take the field. The rain of the previous night had affected the wicket and made it very slow. Beds made a very moderate start, 5 wickets being down with only 35 runs on the board. Itain then came on (12.25) and play was not resumed till 5.10. Pacey was playing carefully, and when stumps were drawn at 6.30 he was still undefeated, the ecore being 93 for 8 wickets, Edwards having captured them all. Payne took the remaining 2 in the morning and the total reached 102, of Payne took the remaining 2 in the morning and the total reached 102, of which Pacey obtained 26. Franklin and Jackson were the first pair of batsmen for Bucks and before they were parted the score had reached 53, when Franklin was smartly stamped. The rate of scoring continued and Jackson had the satisfaction of being the highest scorer (28), which contained one five, all run. The Beds total was passed before the 5th wicket fell, and at lunch time the score was 119 for 5 wickets. As time was precious, the batsmen had orders to make runs as fast as possible and conse-119 for 5 wickets. As time was precious, the batsmen had orders to make runs as fast as possible and consequently the score was not so many as might have been the case had the players played their usual style. With a lead of 48 runs and 4 hours for play, Bucks took the field. The Beds Captain opened the innings, and playing his usual game quickly scored 22, when he was splendidly caught by Aubrey-Fletcher. At the tea interval the score was 101 for 4 wickets, but after tea wickets fell quickly and the total only reached 128, leaving Bucks 81 runs to obtain for victory. Rain, which had threatened during the afternoon, fell before the innings could begin, and after waiting till 6.15 it was decided to close the play. The fielding of the home team was excellent, but Wells and Aubrey-Fletcher were most prominent. The latter made two splendid catches which few players would have reached; Robinson, for the visitors, fielding splendidly at cover point, saving many runs. Edwards and Payne bowled well, though the letter had not much luck in the first innings. Bedfordshire.—First innings.
