COLTS OF KENT.

Hop County's Second String Meet Norfolk on the Great Lines.

TWO CENTURIES.

TWO CENTURIES.

Buccessful from every standpoint the cricibat match between Kent second eleven and Norfolk on the R.N. and R.M. Ground, Great Lines, on Monday, and again on Tweeday, ended in a draw. In reply to Norfolk's 224, Kent made 189. The visitors declared their second innings closed at 252 for 4 wickets, the Hop County compiling 209 for 2 wickets when stumps were finally drawn. The outstanding performance was that of M. Falcon, Norfolk's skipper and England player. In his side's first kneck, he rollected 56 runs, was not not 107 in the second, and had bowling figures of 5 for 52. Hubble, of Kent, also had the distraction of making a century, after scoring 53 in the opening innings. Ames, his conferer, was responsible for the useful batting totals of 67 and 50. There were good attendances on both days, and the atmosphere and playing conditions were of the best. Among the spectators were many civic, military and naval celebrities.

THE PLAY DESCRIBED.

Norfolk won the toes and batted first on a plumb wicket, Nichols and H. P. Low opening to the bowling of Phillips and Hever respectively. Off his third lowl, Nichols got the bull way to the off boundary. Hever's opening over was a maiden, so was his second, third, fourth, and fifth. Longfield, a medium-paced trundler, superseded Phillips when the score steed at 15, and emulated Hever with another miden. His next was the same. Low hit the first run off Hever's bowling from the fifth hall of his sixth over. Nichols obtained a boundary from Hever's last ball. Lieut. E. S. de Brett arrived late, his place for the time being being taken by Everett, considered to be Norfolk's best fielder. Hever's seventh and ninth overs were also of the maiden variety. Nichols attracted marked attenting—Bull displaced Hever at the Memorial end. Bull is on the small side, and is not yet eighteen. He has good recommendations. The rate of scoring increased, and at 84 de Brett was brought on to bowl from the Memorial end. With his third ball he had the satisfaction of seeing Nichols caught at cover by Watson, who covered some ground before making the catch. It was a smart achievement and in keeping with Watson's high standard of fielding. Nichols made 48, which included a 6 and seven 48. Covill, the next man in, sent up the 100 in about 90 minutes.

With only 23 added, Low was out to a catch at second slip by de Brett, off Fenner's howling. In his 49 the amateur had five 4's. Falcon had only scored a single when he lost Covill, who gave a catch at second slip to Longfield. 108 for 3. Stevens and Falcon carried the score to 113, when the luncheon interval was taken. Falcon wasted no time, and soon set about the bowling in his usual whole-hearted and vigorous way. Ho saw Stevens go down to Phillips off a rising ball, Ames making no mistake. 139 for 4.

his usual whole-hearted and vigorous way. Ho saw Stevens go down to Phillips of a rising ball, Ames making no mistake. 139 for 4.

Hever maintained an admirable length, and often had the batsmen guessing. The fifth wicket fell at 177, Coldham playing on to Fenner. Falcon nchieved the halt-century off Fenner's next ball with a lashing hit for four. He repeated the feat twice more from successive balls, and in attempting another big effort skied the ball, and was caught by the bowler for a bright 56. Thus the 6th wicket went down at 109. Fulcon hit nine 4'a. After his departure the scoring alackened. Ultimately, Hever tempted Everett, who as brilliantly caught at square leg by Hul..., with his left hand. The score-board now read 198 for 7. Only two more runs were added when another wicket was captured. Beadsmoore being clean bowled by Hever for a duck. 200 for 8. Hever was given a rest, Bull taking over. Mower claimed two four's off successive deliveries from the little man.

At the other end, Phillips went on for Tenner, and his first ball brought about Dougill's departure, a confident and general appeal for "caught behind wicket" being upheld. 220 for 9. Hever was recalled. Mower directed the first of the over to fine leg boundary, but had his bails upset the second ball in an effort to drive. Norfolk were all out for 224, shortly before four. G. Watson faced Falcon, and seen broke his duck, scoring thre. off the fanous amateur's third ball. There was a change in the weather about this time. It became dull, cold and showery. The conditions, however, brightened in a short space of time, Early disasters befol the Hop County. Off his first ball, Beadsmoore disturbed Watson's leg stump, and in his fifth sent back Moseley. Beadsmoore was making the ball turn a lot, and a slight wind helped him. The first and second wickets fell for 3 runs.

Ames and Hubble now became associated, Hubble had rather a close shave of Falcon's bowling, Stevens just failing to make a catch at s'ip. Both batsmen were sometimes beaten by Falcon for pace. Hubble survived an appeal by Williamson behind the wicket. Beadsmoore was giving a great deal of trouble to the Kent pair. He had four men fielding at close leg. A rather lucky boundary snick through the slips and a four to fine leg in successive balls off Falcon by Hubble was refreshing, from Kent's point of view. Ames then obtained a four (all run) at Falcon's expense. Owing to leg trouble, Hubble had had to leave the field, coming back within a few minutes. Ames off drove Beadsmoore for four, and the tea interval was taken. Hubble was not out 21 and Ames 16.

coming back within a few minites. Ames off drove Beadsmoore for four, and the tea interval was taken. Hubble was not out 21 and Ames 16.

Falcon took himself off for Mower with the score 48 for 2. Covili took charge of the bowling, at the opposite end. The newcomer nearly caused Hubble being stumped off Williamson's pads. The score mounted steadily, both Hubble and Ames bringing off excellent shots. A cut by Hubble hoisted the hundred, and a three off a no ball from Mower gave him his fifty. Hereabouts Nichols took over from Covill, and Dougill was given a turn. Nichols' slows kept the batsmen comparatively quiet. The score had been taken from 3 to 108 when Hubble was beaten by the first ball of Dougill's second over. He had made 53 (five 4's) by competent all-round stroke play. E. S. de Birett came next. His stay was brief. He survived the remainder of Dougill's over, but succumbed to Nichols in his first ball, making the mistake of playing back. The fourth wicket fell at 109. Falcon returned at Dougill's end, and had Fenner caught at mid-on for 1. 17 for 5. With a four off Nichols, Ames attained the half-century. A smart catch by Covill at third slip dismissed Longfield, Falcon being the successful bowler. 125 for 6. Longfield made 3. Three wickets had fallen for the addition of but 17 runs. Captain Weigell, who is nearing the sixties, then joined Ames, and took the score to 152, at which total play for the day ceased, Ames being undefeated with 67 and Weigell 9.

YESTERDAY'S PLAY.

Amos was out in Falcon's first over without adding to his score of over-night. Weigall did most of the scoring after this. Bull stayed for an over or two, but before he could open his account he was bowled middle-stump by Falcon. Hever shaped well, and Phillips knocked three off Falcon, only to be clean bowled shortly afterwards. Falcon took 3 of the 4 wickets that fell. Kent finished 35 runs behind. Nichols and Low looked pretty well set in the commencement of Norfolk's second innings, but when do Brett was put on he broke up the partnership in his first over. Falcon was missed in the slips before scoring. To show his appreciation he went for the bowling, and gathered runs apace. He kept the fielders buy leather chasing all over the field. He was lendly cheered when he completed a glorious century in 83 minutes by a four to the on off Hubble. Watson received an ovation for a brilliant stop near the boundary. He cevered a lot of ground to gather the ball on the ground with the left hand. Watson, by his agility and sureness, saved innumerable runs. Cab ham copied the hitting habit of his captain, and Norfolk were able to declare at 3.45 with 252 for 4 wickets. Falcon was not out 107 and Coldham 43. The former hit a 6 and sixteen 4's, Coldham a 6 and five 4's. Kent were left with 288 to get for victory in less than three hours. Amos and Moseley opened to Beadsmoore and Covill. Moseley had two lives in an overfrom Mower, being dropped by Covill and behind the wicket. Runs came slowly at 'he start against accurate bowling. The arsthalf-hour produced but twenty runs. The sore was 28 for no wicket at the tea interval. Moseley and Ames carried the score on, resuming to 65, when the former got infront of a straight ball off Falcon, who had put himself on for the first time. Moseley mads 31. Nichols caused some amusement by exploiting the boundary, but despite this Ames and Hubble found loopholes in the human barrier. Hubble gave two chances off Falcon, who had put himself on for the first time. Moseley in the same hubb

The wicket, in the opinion of Mr. Weigall, is the best in Kent-a big compliment to the energetic and capable groundsman (Mr. Williams). Source:—

The visitors batted first, and totalled 127, but it was not until some time after the tea interval that the innings was closed. The papermakers did not have too much time to spare, but they set about their lask resolutely, and by bright balting knocked up 130 for the loss of only three wickets. G. E. Garrett and R. CRICKET

KENT H. v. NORFOLK

FALCON'S FIREWORKS: HUBBLE'S HUNDRED.

Two brilliant centuries were recorded in the Minor Counties game between Kent II. and Norfolk, which was concluded on the R.N. and R.M. ground on Tuesday. These were credited to Michael Falcon, the North Counties of the Michael Falcon, the Michael Falcon, the North Counties of the Michael Falcon, the Michael Falcon R.N. and R.M. ground on Tuesday. These were credited to Michael Falcon, the Norfolk captain, and Jack Hubble, the young kentish bataman. Falcon's 107, not out, was a hurricane affair, compiled in a little over 80 minutes, and with his two partners, betwens (37) and Coldham (43, not) scoring at the same rapid rate. a rungetting pace of over two a minute was being maintained. Needless to say, Falcon's fireworks were greatly appreciated by the spectators. Hubble's 102, not out, compiled in about 85 minutes, was not quite so thrilling, but once he had passed the half-way stage the batsman galloped along to three figures at a rollicking pace. As was the case last year, the game ended in a draw, with Norfolk taking three points for a first-innings lead.

The match did not attract more than 4,000 spectators on both days, and probably came a little too soon after the first-class game with Derbyshire.

Norfolk's Capital Start

Nichols and H. F. Low opened the Norfolk innings, Phillips taking up the attack at the moat end. Everett, the best Norfolk field, turned out as substitute for E. S. de Brett. Hever was the bowler at the Mignorial end, and he opened with three maiden overs, the first ten runs coming of the bowling of Phillips. At 15, Longiteld relieved Phillips. Hever was bowling an immaculate length and frequently had the batsmen guessing. The calibre of his bowling can be estimated by the fact that his first five overs failed to produce a run. Longfield also pegged the batsmen down, and several minutes passed without the scorers being troubled. His sixth over, however, saw Nichols cut him beautifully through the covers for 4. De Brett arrived and relieved Everett of his substitution duties. Nichols obtained two fine atte cuts off Longfield, and then lifted the same bowler over the square-leg boundary for 6. This brought on Fenner, but the batsmen continued to score at a steady pace. The half-hundred was hoisted in a like number of minutes, and this brought on Bull for Hever.

PARTNERSHIP BROKEN.

PARTNERSHIP BROKEN.

At 84 de Brett relieved Bull, and with his third ball got Nichols weil caught at cover by Watson, who had to run several yards to make the catch (84—1—48). The outgoing batsman had hit one 6 and seven 4's. His mission fulfilled, de Brett retired in favour of Hever. Covill sent the 100 up with a four to leg off Fenner, when the innings had been in progress 85 minutes. With 25 runs added Low was dismissed when within one of his half-hundred, de Brett taking him at second slip off Fenner (107—2—49). Low hit five 4's, three 3's and six 2's. Falcon, the Norfolk capitain, joined Covill, who promptly fell a second victim to Fenner, Longfield holding an easy chance at first slip (108—3—6). G. A. Stevens, who played so well in the corresponding game last season, was the new batsman. Lunch was taken with the total at 113 for three wickets.

Phillips took over at Fenner's end on resuming, de Brett continuing at the Memorial wicket, but was soon relieved by Hever. Falcon hit merrily, but in stealing a short single he narrowly escaped running his partner out. Stevens did not survive long, however, Ames taking him behind the wicket off a rising ball from Phillips (139—4—8). Falcon was severe on Phillips and straight drove the fast bowler for two boundaries and two 2's. This brought on Fenner, but the Norfolk captain showed his impartiality by treating the new bowler in the same manner. Coldinan was beginning to launch out as a smiter, but somewhat unluckily played on to Fenner (177—5—17).

FALCON'S SMASHING DRIVES.

With Everett in, Falcon reached his individual 50 with three smashing boundary drives off successive balls from Fenner, but in attempting a fourth big hit was saught and bowled (190-6-56). Falcon obtained 36 of his 56 runs from boundary strokes, and his innings was a delightful one to watch, his straight driving being both brilliant and forceful. With Everett and Dougill together the scoring slackened down perceptibly, and maiden overs were not infrequent. Attempting one big hit off flever, Everett was nicely caught, at square leg by Hubble, who took the ball with one hand (198-7-7). A lucky snip through the slips by Dougill, now joined by Beadsmoore, sent up the 200 in 177 minutes. Hever took advantage of the new ball to beat and bowl Beadsmoore before that player had opened his account (200-8-02- Mower came in and quickly enlivened things with some big hitting. This brought Phillips on, and off his first ball to Dougill there was little doubt when the field appealed for a catch behind the wicket (220-9-4). Mower made one more big hit and was then clean bowled by Hever. His 22 was obtained in six strokes—five 4's and one 2. The innings thus closed for 224. With Everett in, Falcon reached his indi-

closed for 224.

A SENSATIONAL START.

G. S. Watson and Ames opened the Kent innumes. Falcon bowling with the breeze behind him. Beadsmoore came on at the opposite end, and with his first ball disturbed Watson's leg stump (3-1-1). Moseley ioined Ames, but could not time Beadsmoore, and the fifth ball swung in to take the leg stump again (3-2-0). Thus in his first over Beadsmoore had taken two wickets without having a run scored off him. Beadsmoore was bowling on to the leg stump and he had four men close in and one deep on that side of the field. Hubble and Ames played steadily, but the former had a narrow escape from being caught at backward point by Coldham off Falcon. The latter was bowling at his fastest, and Hubble was fortunate to see a snick pass safely through "the gully." The same batsman, however, scored a second boundary off the Norfolk skipper with a grand foreing shot to leg.

With the arrival of the tea interval the pair had carried the total to 40. Mower took over at Falcon's end with the total at 48. The Kentish batsmen continued to hit with great free-lon, Hubble, in particular, scoring at a rapid rate. Covill was put on at 70, and in his first over Ames survived an appeal for stumped by Williamson. Although becoming a triffe more subdued, the batsmen still obtained runs steadily, and the century was hoisted without a separation being effected. Hubble reached 50, and both he and Ames (40) looked well set. A double bowling change brought on Nichols and Dougill's second down. The first ball of Dougill's second over beat and bowled Hubble, who had batted for 90 minutes for 53, which included five 4's. His partnership with Ames had realised 105 badly-needed runs (108 3-53). De Brett did not survive long, for in playing back to one of Nichol's slows he was bowled for a duck (109-4-0). Femer joined Ames, but on Falcon relieving Dougill the newcomer was well taken at mid-on by Everett (117-5-1). With Longfield in, Ames reached 50 out of 120. Falcon soon met with a further success by inducing Longfield

Tuesday's Play

Ames faired to add to his overnight score on resuming on Tuesday, being smartly taken by Stevens at second slip off the last ball of Falcon's opening over. The latter was bowling with rare pace, and Beadsmoore's in-swingers also kept the batsmen almost entirely on the defensive. Buil bowled round one from Falcon and was bowled aviddle stump, two wickets then having fallen for the addition of only eight runs (158-8-0). Weigall, the yeterms fient cantain, gays an excellent

display subsequently and obtained 27 by a nice variety of strokes until he was well taken behind the wicket by Williamson off Mower (178-9-27). Falcon closed the innings at 189 by clean bowling Phillips, Hever being not out 15. Falcon, who bowled really well, came out with the excellent analysis of 5 for 52.

Norfolk started their second innings with a lead of 35. Fenner, in the slips, just touched a hot one from Low and hurt his hand so badly that he had to change his position in the field. As in the first innings, de Brett was brought on when Low and Nichols appeared set for a big firstwicket stand, and his fifth ball of his first over was mis-hit by Nichols for Weigall to take an easy chance at mid-on (26-1-15). Low and Covill carried the score along briskly, but at 60 Low turned a ball from Fenner into his wicket, and at the same total Covill fell an lbw victim to Phillips when 17. Falcon, missed in the slips before he had scored, and Stevens indulged in a free and easy partnership bristling with scintillating boundary shots. Stevens overhauled his captain, and so powerfully and accurately did he "punch" the ball that his first 30 rups contained seven boundary hits. He had only added 7, however, when he was caught brilliantly at first man off Fenner (132-4-37). "Stevens hit no fewer than eight 4's.

FALCON'S FIERCE HITTING.

FALCON'S FIERCE HITTING.

Falcon continued to smash the leather to all parts of the field, but when 49 was dropped in the long field by de Brett.
Profiting by this, Falcon delighted the crowd with even fiercer hitting, and quickly entered the nineties with a mighty hit for 6 off de Brett. Hubble was given a turn with the ball for the first time at 214, but with r. bit to the en for four off the new bowler, Falcon reached his century after batting only 80 minutes. This achievement was warmly acknowledged by the crowd and players alike. Coldham, who had been emulating his captain, hit de Brett into the pavilion for 6, and with the total at 252 (Falcon 107, Coldham 422, the Norfolk innings was declared closed for the loss of only four wickets. Falcon's hurricane annings, which lasted altogether. 90 minutes, included one 6 and sixteen 4's. Coldham hit one 6 and five 4's.

GOOD START BY KENT.

Coldham hit one 6 and five 4's.

GOOD START BY KENT.

Kent were set to get 288 to win in just under three hours. Moseley and Ames opened and played defensive cricket. In one over from Mower, Moseley had two "lives," being missed behind the wicket off successive balls by Covill and Stevens. Tea was taken with the score at 28. The batsmen opened out after the interval, and the half-hundred was quickly hoisted. Nichols came on and caused somewhat of a sensation by bowling lobs. Falcon also came on for the first time, and in his opening over Moseley paid the penalty of stepping in front of a straight one (85-1-31). Nichols' lob bowling was not proving successful, both Ames and Hubble getting him to the boundary, and Beadsmoore soon relieved him. Hubble had two escapes, being badly dropped on the second occasion by Mower at square leg. The hundred was hoisted without further loss, but Falcon was again unfortunate to see Ames missed behind the wicket. In fact, the fast bowler was frequently beating the bat, but just failing to carry the wicket. Ames reached a very sound fifty for the second time during the match. The play was, on the whole, of a sedate character and brought cricket down to the easy-going plane from which Falcon's fireworks had temporarily raised it. Colvill eventually got Ames caught at first slip by Stevens at 132, the outgoing batsman having failed to add to his half-hundred. At this stage there seem a little prospect of a definite finish being arrived at, although Hubble was now opening his shoulders to anything loose and quickly reached his fifty. Hubble continue to bat attractively against some mediocre bowling, and when half-past six arrived wanted only one for his century. An extra over was played, and this enabled the young batsman to attain the coveted distinction after only 33 minutes' batting. The second fifty, during which Hubble had practically all the howling, was scored much quicker than the first, and he hit altogether thirteen 4's. Time was called with the Kent total at 209 for two w

Benefit Fund for Frank Hearne

APPEAL BY LORD HARRIS.

APPEAL BY LORD HARRIS.

Sir,—I shall be grateful if you will help the County Cricket Club to advertise the collection of a benefit fund for Frank Hearne, who is in sore need of help. Frank is the brother of George and Alick Hearne, and played for the County from 1879 to 1889, when owing to ill-health he had to retire prematurely and to emigrate to South Africa, where his health improved and he was able to play with success. But he is now so secously crippled with sciatica that he is unable to attend to his business and is dependent on his son. On retirement from county cricket he did not have a benefit health, but a sum of £144 98. 10d was collected for and presented to him. A bright but and brilliant field, he contributed very much to the county eleven's success in the 'tighties, when we were forging our way to a prominent position, and materially to our victories over the Australian elevens of 1884 and 1836. Those who played with him and knew him will bear me out that a more charming, unassuming, earnest little cricketer never lived; he won the affection of all, and it distresses us to think that he should in his later years be suffering so much in health and pocket.

From the benefit funds in their possession the Committee will be able to send him a small amount annually, and are heading the subscription list. The following contributions have been promised:

KENT 2nd XI. v. WILTSHIRE.

KENT 2nd XI. v. WILTSHIRE.

When these sides met on the Bat and Ball Ground on Monday the cricket was very slow. Hearn captured four wickets for 23 runs, Reslee three for 44, Fenner two for 43, and Piper one for 17. E. G. Munford, who was included in the Kent side, made three very smart catches. Kent were largely indebted to Ames for the fact that they had put together 141 for 9 wickets 12 the close. Ilis brilliant 87 included one 6 and thirteen 4's. No play was possible on Tuesday owing to the rain and the match thus resulted in a draw. Scores:—

LLOYD'S BANK v. GRAVESEND.

Played at Beckenham on Saturday, the homestern winning by three wickets. Rain seriously interfered with play at one period, an interval of an hour and twenty minutes being necessary before the game could be resumed on a hastily prepared new wicket.

Gravesend, batting first, were mainly indebted to J. W. Hodsoll (69 not out) for being in a position to declare. However, Lloyd's Bánk went all-out for the runs, and scoring at the rate of about a hundred an hour, won just before time. R. T. Bryan, the Kent player, and H. O. Bloomfield laid the foundation for their side's wictory by quickly putting on 110 for the first wicket.

NORTHFLEET F.C. AT CRICKET.

ATTRACTIVE GAME ON THE BAT AND BALL GROUND.

VISIT OF FAMOUS FOOTBALLERS.

VISIT OF FAMOUS FOOTBALLERS.

There is likely to be a very large crowd on the Bat and Ball Ground on Saturday, when Gravesend Cricket Club entertain the Northfleet United Football Club at cricket. Mr. J. B. Lingham, J.P., the chairman of the Northfleet Club, has got together a strong side, and all the football enthusiasts of Gravesend, Northfleet and district should make a point of being in attendance to witness what should prove a very enjoyable game. The charge for admission is only sixpence, and all the proceeds will be devoted to the funds of the Gravesend Cricket Club. Every provision has been made to accommodate the large crowd, and tens and other refreshments may be obtained on the ground during the afternoon and evening. The Northfleet Silver Band will be in attendance and will give selections throughout the game.

The Northfiest Silver Band will be in attendance and will give selections throughout the game.

Some disappointments have occurred in connection with Northfleet's side. Arthur Grimsdell and Seed, of Tottenham, who were both to have played, have been prevented by practice games on the date arranged for the match. Grimsdell, it will be recollected, met with a scrious accident in the early part of last senson, and it was assumed that he would not be able to play active football for some months to come. But his form in the trial match last Friday was such that Mr. McWilliam decided to put him in the full practice game.

The team, however; without these notabilities, is still strong, and supporters of the Club will have the opportunity of seeing John Mackesey, Northfleet's new half-back who was with West Ham last season. He captained the West Ham cricket team last year and is a good all-round cricketer. There will also be Nicholl, the new goal-keeper, who is a cricketer of parts. His 6ft, 2ins, should help him a lot.

Other members of the team who are playing to-morrow are Arthur Seccombe, who will keep wicket; A. Cook, who came out so well at the end of last season as centre-forward and outside-right; and C. Alton, who has had several representative games for Middlesex.

FAMOUS PLAYERS.

games for Middlesex.

FAMOUS PLAYERS.

FAMOUS PLAYERS.

In addition to these local players, there will be Charles Buchan, the International lootballer and Durham County cricketer. Everyone who knows anything about sport in England recognises the name of Buchan as that of one of the finest athletes and aportsmen who ever played the game. Another well-known name is that of David Barnfather, who played full back for Northficet a few seasons ago and represented Essex County on the cricket field on a number of occasions last season. Business reasons have prevented him taking the field this summer, or undoubtedly he would have been in the side.

Northfleet will further have the assistance of young Fairservice, and all old cricketers will be cager to see this very promising Kent Colt, who is the son of one of the Hop County's best remembered bowlers. There will also be Todd, and Phillips, of the Colts. Last, but not least by any means, is the redoubtable Frank Cox as well known to all

County's best remembered bowlers. There will also be Todd, and Phillips, of the Colts. Last, but not least by any means, is the redoubtable Frank Cox, so well known to all habitutes of the Bat and Ball. He played back for Northfleet on several occasions prior to the war, and was formerly treasurer of the Northfleet Football Club. No more popular choice of a captain for the side could have been made. Mr. Cox is genial and tactful, and at the same time he possesses those qualities a good captain should have. He will be a happy man if he leads his side to victory.

Every attempt has been made by the Northfleet Club to ensure success so far as There have been some disappointments, but it is not improbable that Joe Hills, Northfleet's former goalkeeper, who went to Cardiff City and is the shade is well known by local enthusing her also will be able to turn out.

No. laying County cricket for Glamorgan, and, if able to play, should prove an added attraction. He is not included in the certainties, as he will not be able to say, until, to-day (Friday) whether he can get off.

Mr. Bob Morris, a former Swanscombe and Greenhithe umpire, has volunteered his services.

services.

THE TEAM.

The Northfleet team will be selected

Frank Cox (captain), a vice-president of the Northfleet Club.

- C. Buchan, the Arsenal International forward, and a Durham County cricketer.

 D. Barnfather, former Northfleet player, and now on the Essex County Ground
- J. Mackesey, the new Northfleet left-half, and also on the Essex County Ground staff.
- A. Seccombe, Northfleet's left-winger, and good wicket-keeper. . O'Callaghan, the popular little North-fleet inside-right.
- Alton, Northfleet's right-back, and an all-round cricketer.
- W. Nicholl, Northfleet's new goalkeeper, and a capital bat and bowler.
- A. Cook, Northfleet's reserve forward, and a useful man in the cricket field.
- Fairservice, son of the well-known Kent bowler, and now a colt.

Todd, a promising Kent colt. Phillips, a Kent colt.

Such a side should be certain of a great welcome on the famous Bat and Ball Ground. Gravesend will also place a representative team in the field. Programmes will be on sale, so that the spectators may have the opportunity of picking out the players as they go to the wicket. Given a fine afternoon, this should prove in every way a memorable game.

MINOR COUNTIES MATCH

KENT AND SURREY SECOND ELEVENS.

EASY WIN FOR SURREY.

Kent 2nd XI and Surrey 2nd XI met in their annual Minor Counties Championship match at Hythe on Monday and Tuesday, and the game resulted in a win for Surrey by 8 wickets.

Play on the first day opened with a rather heavy fog overhanging the ground, and in the bad light Kent quickly lost two good wickets. With only two runs on the board, Hearn was caught off his glove by Summers in the slips. That was in the second over of the game. In the following over Valentine rell to a catch by the same fielder, Ames and Fennor then came together and there followed some careful batting, as indeed the occasion demanded. The score was taken to 31, when Fenner was out to a smart piece of stumping by Mobey. He had contributed 15. Ames found a useful partner in Mosaley, who helped him to carry the score to 90. It was the stand between Ames and Bull, however, which put the Kent side in a comparatively favourable position, after a somewhat sorry start. Bull's was a very valuable innings, although his score, 39, was not a large one. Sixth out at 228, Ames had kutted splendidly, scoring most of his runs in front of the wicket.

None of the later batsmen gave much trouble, and the innings closed at tea-

runs in front of the wicket.

None of the later batsmen gave much trouble, and the innings closed at teatime for 255.

Surrey made the most of the time at their disposal before the close of play, and before stumps were drawn they had scored 136 for the loss of one wicket. Baldwin and Barling gave the side an excellent start, putting on 109 for the first wicket. With the score at that stage, Baldwin, who was eight short of his fifty, gave an easy catch to Longfield at cover point. Barling hal just previously reached the fifty mark, and at the end of the day's play was not out wth 76 to his credit. Daily's not out score was 15.

When play commenced again on Tuestime 15 to 15 to

the day's play was not out wth 76 to his credit. Daily's not out score was 15.

When play commenced again on Tuesday morning it was evident that the overnight rain, followed by the warm sunshine, had affected the wicket. Barling, who was not out the previous night with 76, without adding a run was bowled by Hearn. Daily, the other not out, added nine more runs and then was smartly stumped by Ames off Hearn's bowling. The remaining batsmen did not offer much resistance and the innings closed for 229, 26 runs behind Kent's total. A feature of the innings was the splendid bowling of Hearn, who sent down 29 overs and claimed 6 wickets for 62 runs.

Kent's batsmen upon going in a second time soon found themselves in difficulties, O'Gorman and Baldwin bowling with great success. Once again it was left to Ames to make a stand against the Surrey bowling, and whilst other batsmen were being quickly accounted for he stopped at the wicket and collected a valuable 70. It was a grand display and completely overshadowed everything else. When 70 he was caught and bowled by Baldwin. Fenner was the only other batsman to offer any resistance. Baldwin claimed 4 wickets for 14 runs, and O'Gorman 6 for 71.

Surrey had to get 170 runs to win in about two hours. Baldwin and Barling

O'Gorman 6 for 71.

Surrey had to get 170 runs to win in about two hours. Baldwin and Barling gave them another fine start, 83 runs being on the board before Barling was bowled by Taylor for 46. Daily then becare associated with Baldwin and the score was taken to two short of the required 170 when Baldwin was completely deceived by a ball from Long-field. The outgoing batsmen had played a valuable knock, scoring 63 by some delightful strokes. Sorenson then went in and with the first ball he received scored three through the slips. Surrey thus emerged easy victors by eight wickets. Daily, who was undefeated, had scored 55.

HYTHE CRICKET WEEK.

THE CONCLUDING FIXTURE.

The third and final match of the Hytae Cricket Week was concluded on Saturday last, the result being a ten-wickets win for Hythe against the Band of Brothers. On Friday Hythe had compiled the total of 346, thanks mainly to J. Britain-Jones and D. W. Perese, and to this the visitors replied with 212 and 165, thus leaving Hythe with thirty runs to get to win. These were obtained without loss by Loup and Hardy. T. Beeching was the most prominent man in both the visitors' innings, scoring a brilliant not-out century in the first innings, and 46 when his team followed on:—
