NOTTS. II. v. YORKSHIRE II.

**A Great Game at Hucknall
Titchfield Park.**

Hucknall people felt honoured on Wednesday and to-day by having in their midst a cricket match only one stage removed from a first-class county match, Notts. II. and Yorkshire II. being in opposition on Titchfield Park in a Minor Counties match. The result was one of the largest crowds were gathered for a cricket match at Hucknall, people—amongst whom were some ladies—standing two deep round the oval. They were rewarded with a good display of the national pastime.

Thanks to some excellent bowling by Heane and Voce, the former claiming six victims at a cost of only five runs apiece, and the latter three for 20, plus a great innings by Keeton who, at the close, was still undefeated with 84 to his credit, Notts. II. finished up possessing a lead of 32, and having six wickets still to fall.

The visitors opened promisingly, Barber and Whitehead putting on 41 before the latter, a left-hander, was bowled by Voce, but apart from them and Bedford, who collected 17 not out, none of the others offered any really serious fight to Heane, the amateur working havoc with his good length swinging deliveries, which clean bowled four batsmen.

Gunn, who began the Notts. innings with Keeton, had helped to put on 40 before being beaten by a delivery from Bentley, but his downfall, and the subsequent dismissal of Harris and Heane, had no terrors for Keeton, who completely mastered the bowling, and playing beautiful cricket, never really appeared to be in difficulty. Towards the finish he found a valuable ally in Kirk, his captain, and the pair were still together when stumps were drawn for the day.

MATTHEWS' GREAT DAY.

**NOTTS. II. BEAT YORKSHIRE II.
BY AN INNINGS.**

A SMART PERFORMANCE.

Notts. II., 32 runs to the good with six wickets in hand as the result of the first day's play in the Minor Counties match with Yorkshire II., at Titchfield Park, Hucknall, performed so well yesterday that before three o'clock they had won by an innings and 32 runs.

Nuttall and Dennis shared the attack when Keeton (84) and L. Kirk (11) resumed the Notts. innings, but with 14 added the professional, who had batted brilliantly and did not give a chance, was smartly taken behind the wicket, his great effort including eleven 4's. Dennis, the bowler responsible for his downfall, proceeded to work havoc with the home county's batsmen, disposing of Kirk, Reddish, and Voce without a run being made off him. In fact, he actually took four wickets in six deliveries. There, fortunately for Notts., his success ended, because with the total standing at 173 for nine, Matthews and Copley became associated, and the former, hitting freely all round the wicket, soon lifted a ball from Dennis over the ropes for 6, followed up with a similar effort at the expense of Nuttall, and going on to treat all bowling changes alike had scored a further eight 4's before he was caught on the edge of the boundary by Whitehead in attempting another huge drive at the expense of Bentley. It was a short but merry innings and enabled Notts. to set their opponents to get 112 to avert an innings defeat.

That task, thanks to some splendid bowling by Matthews and keen fielding, proved beyond Yorkshire's powers. With only 20 on the board they had lost their two mainstays—Barber and Whitehead—seven runs later Shaw took his departure, and the rest continuing six men were in retirement at the luncheon interval for 36. Dennis, a hard-hitting left-hander, did something to retrieve his county's fortunes, punishing Heane for three 4's in one over, and when Reddish came on log-driving him for 6, but no one could stand up for long against Matthews who wound off the innings in quick style by taking all the last four wickets. The fast bowler had a great day, his five victims being obtained for 18 runs. Score:

BOWLERS HOLD THEIR OWN ON RUN-GETTING WICKETS.

R. H. MIDGLEY TAKES 9 FOR 10 RUNS — A FINE CENTURY BY A. S. CUTTS.

In striking contrast to last week, club cricket in the Notts. district was curiously devoid of incident on Saturday.

Ideal as the conditions were for batsmen, individual performances were far below the usual, an exception being provided by A. S. Cutts who scored 106 for Inland Revenue against Chilwell C.O.D. Despite his big contribution, however, Inland Revenue won by only eight runs. S. Buckley was another successful batsman, contributing 92 for Forster-street Primitives.

Eastwood inflicted a heavy defeat upon Notts. Harrington, for which they had largely to thank J. Stapleton for coming along with a fine knock of 84, and at Mansfield the Colliery team had a spirited encounter with Kiveton Park. W. Keeton figured in the home side and through his contribution of 73 they were able to declare at 175 for seven. Kiveton, however, made a bold response and were only two runs short of the home total when their last wicket fell.

Nottingham University are proving themselves a formidable combination this season, and there

was no doubt about the manner in which they beat Leicester Nomads, for the latter were out for 88 and the 'Varsity' ran up 125 for eight before stumps were drawn.

At Radcliffe, A. F. Brodbeck and Ike Waterall, noted exponents of rugby and soccer, displayed their ability at the summer game by scoring 64 and 61 (both not out) for Radcliffe and The Ramblers respectively.

HIGH SCORING GAME.

Gedling Colliery, who scored a striking victory last week, were brought off their perch in abrupt manner by Banks, who totted up 243 for the loss of only half their wickets and then dismissed the Colliery men for 109.

Hucknall, Gedling's victims last week, had another set-back in a nine wickets defeat by Olterton Colliery, and Calverton trounced Hucknall Baptist with 205 for six as against 78. E. Sablin deserves high credit, however, for getting no fewer than 55 of Hucknall's tally.

Casuals also beat Boots' by six wickets in a

high-scoring match, and Cranmer scored 156 runs in 75 minutes to beat Nottingham Catholic. L. Chew and A. Sadler, their opening pair put on 69 in 35 minutes, and G. Freeman came in to carry on the good work.

However, in no instance were the individual performances in any way startling, and the same must be said of the bowlers.

There were some low totals. Lenton Athletic and Cooper and Roe II had a particularly brief game. Though Lenton were skittled out for 49, Cooper and Roe fared even worse, being all out for 23!

Notts. Unity also got a shock at Carlton, losing five wickets for 43 after the home side had declared at 143 for eight, but it was not so bad as that of Old Nottinghamian's II, who were all out for 32 and then saw Mansfield Amateurs II. run up 239 for six!

One of the few outstanding feats was that of R. H. Midgley in capturing nine L.N.E.R. wickets for 10 runs. L.N.E.R. were all out for 22.

CLUB CRICKET FEATURES.

BATSMAN SCORES 29 IN ONE OVER.

PEEBLES WITH THE FOREST.

I. A. R. Peebles, who figured in the Gentlemen's team against the Players recently, played his first game with Notts Forest on Saturday and soon made his presence felt by taking six and scoring nine wickets for 15 runs. Loughborough Town wickets for 15 runs. With Peebles, Lyndley, Cutts, and Silver, the Forest were nearer Minor Counties than the Forest strength at bowling than club Championship, and it is not surprising that Loughborough were dismissed for 75. In fact 32 of the runs were extra! The Forest had not their runs over their own way, however, for apart from a stand for the fourth wicket, none of their batsmen did too well and the side were out for 145.

Ruddington and Bestwood Park had a low-scoring game, the former being out for 30, and the latter dismissed for 19. Marshall was the dominating figure, taking eight Bestwood wickets for 10 runs. Banks, who won by two wickets, but Nottingham University squared accounts with our neighbours by having Leicester Banks in capital style after a stand for 125 for six was beginning to look a risky business. A stand for the fourth wicket put Leicester in a winning position, but Porter and Merrifield, by capturing three wickets for two and three for six respectively, won the match for the home side.

Billy Joyce, who are frequent visitors to Nottingham, were beaten by 33 runs by Notts Nottingham, and at Newark, where Lenton United paid their first visit, the home side were beaten in an uncertain manner. Reddish, who had already captured 11 wickets in last week, brought his tally to 16 and with the home side out for 105, the necessary runs were soon knocked off. The necessary Commercial Travellers' Notts, and Leicester Commercial Travellers' Association had a match on Mr. Julien Cahn's ground, the former winning in the easiest possible manner. By consistent batting Nottingham scored 189 for six, and then trundled Leicester out for 42. Kitson, of the Leicester side, however, deserves credit for not allowing a bye in a score of 180.

One of the best knocks of the day was J. W. Rutherford's 115 not out for the City Mental Hospital against Cliverton. His innings included 50 fewer than 25 fours. Rutherford put some force behind his shots for Mansfield-road Wesleyan. His secretary wants to know if this player's 29 in one over is a record. The strokes were actually made off five balls. His knock of 40 included five sixes and a five.

W. H. Lowe, who since 1920 has been Kimberley's most dependable batsman, gave another good display batting through the innings for 66 not out. He also scored 60 last Wednesday without giving a chance, so that he may have every satisfaction with his week's work. Among the bowlers the performance of G. Brown, the Canaan Church veteran, was very good. He is the grandfather of G. H. Brown, the popular 'Casuals' cricketer and Notts. hockey player, who, we understand, is to play for Notts. II, as an amateur, and the father of the Notts. Cricket Association's former chairman, who has been a missed figure in local cricket since he went to London. Mr. Brown, senior, bowled 12 overs, four maidens, taking eight wickets for 21 runs.

HAPPY DAY FOR BATSMEN.

CLUB CRICKET'S HEAVY SCORES.

PLAYER REACHES HIS 1,000 RUNS.

Saturday was a batsman's day pure and simple as far as local club cricket was concerned...

Forman's Athletic thoroughly mastered the bowling of Thomas Adams and totalled 320. Their batting was consistent...

WIN FOR THE FOREST.

Forest sustained another defeat from Notts. Forest for whom W. H. Vaulkhard's 85 was the focal contribution...

With P. Powell's return Radcliffe found themselves up against one of the strongest teams in local cricket...

Local Kirk found his form with Forest and shared in a big opening stand with B. Forman...

Old Nottinghamians came to grief against Mansfield Amateurs scoring only 80 against the North Notts men's 128 for eight...

QUICK-FIRE SCORING.

An even better scoring feat was that of Ellerslie, whose opening batsmen knocked off 164 runs in 65 minutes to beat East Leake...

Nottingham Catholics also did well to score 166 runs to beat West Bridgford, though they had two hours in which to do it...

At the other extreme was Chilwell C.O.D.'s performance against Bramcote, the whole side being out for 16. S. Willoughby took seven wickets for five runs.

A GREAT ALL-ROUNDER.

G. H. Brown, one of the best local 'all-rounders' completed his thousand runs for the season whilst playing for the South Nottingham Hockey Club...

NOTTS. II. BOWLING FLOGGED.

BRILLIANT CENTURY BY TAYLOR.

At Worksop yesterday Notts. II. opened disastrously, four wickets being down for nine runs. Heane played very careful cricket, and W. Copley and Silverberg managed to get something like a hold on the bowling, while Matthews, the last man in, ran up an invaluable 25, making the score respectable if not formidable.

Lancashire II. started none too well, and at one time it was thought unlikely that they would top their opponents' score, but Taylor rose to the occasion and hit up 100, playing a very fine innings, and creating all bowling alike. He occupied only 55 minutes, in taking his score from 40 to 100, and hit two 6's and twenty-three 4's, carrying out his bat for a brilliant 100. Score:
