although Appleton's entry was at first accepted, subject to its being practicable to arrange the fixtures, the Lesgue Secretary finds that, having regard to the programmes of the other clubs concerned, it is impossible to make suitable fixtures for a section of five clubs. In the circumstances, therefore, Appleton's entry has been very reluctantly declined.

COUNTY MAKE A START.

NEW PLAYERS MEET WITH SUCCESS.

There is always something in the nature of a lottery about an Oxfordshire side in the early part of the season, so many players having to refuse invitations to play. But the new skipper, B. J. Henry, inaugurated his reign of office by leading quite a useful side, which was probably the youngest, if least experienced, put in the field by the County since the war. And he did what all good captains would always like to do, win the toss, a total of 310 being the result. Walters got his usual runs in the Parks and made them in a stylish manner, while G. Walker, of Horspath, G. L. Pisher, a Northerner, now of Southern domicile, and Joe Rogers, each in his different way, also made runs. Pisher looks a really good bat, with the necessary patience, strokes and correct style. Rogers is a grandson of Joe Rogers, so long connected with Magdalen College as groundsman. It is pleasant to find the name being carried on by yet another generation of a family which has brought so much credit to Oxfordshire cricket. At one time in the R.A.F., Rogers now contemplates adopting cricket as his profession, and he seems to have everything in his favour. At any rate he can point to a 50 in his debut match, and a good slashing 50 at that. The 'Varsity ''A'' innings fell only 25 short of that of the County, Rogers followed up his good batting by taking two wickets. He bowls quite fast and has more control of the ball than when he was in the City School team and bowling for Cowley St. John a faw years ago. Used discreetly he may fill the void created by the premature retirement of Aubrey Howells. Tucker, of Tonbridge School, appeared to trouble the batsmen most, and Thomas. Walters and Harris each got wickets. W. M. Martin, the new wicket-keeper, was up at Herfford College a few years ago, and considering the bowlers were new to him his form was excellent. Rain spoilt the game op Tuckeday, when Fisher played another good innings, and the match had to be left drawn. Sufficient was seen of the play and the players to augur a successful season

OXFORD CITY.

In their three matches last week the City drew two and lost the other. On Thursday, against Hertford, Draper was again to the fore, being highest scorer with 44. Bradfield took 4 for 48 and Harbert 5 for 77. There was an exciting game at Reading against the Biscuit Factory, who got to within four of the City total after the latter had declared. Jack King hit lustily for 86 and Heymeson gave him the necessary support when the City had lost 5 for 59. Against Trinity College the bowlers appear to have been helpless on one of Will Hodgkins' best wickets, but Bowell probably lost 'me game through his ultra-careful methods. In half-day cricket no one can afford to sit on the splice on a pitch made for quick scoring. Ask Dick Thomas, who in his 37 not out hit nine fours! Trinity went for the 22+ runs and got them for the loss of two wickets, Vidler, the old Oxford Blue, had a fine knock of 85 for the City, and most of the other batsmen went in for hitting when Bowell had wasted so much valuable time.

COWLEY ST. JOHN.

COWLEY ST. JOHN.

Cowley St. John, who have one or two new players and if they can find another bowler, should have a useful side, were much too strong for Hertford College, who could only get 154 on a really good pitch. For a slow left-hander to get 5 for 53 was excellent work on Pickering's part; while with the bat H. Walker, Davies, Jackman and Carter each played well in his own style. Davies is an aggressive type, and when he came out had scored 31 out of 54 for the first wicket.

THE GAME AT BANBURY

THE GAME AT BANBURY

Banbury paid their annual visit to Stratfordon-Avon during the latter's cricket week on Friday last. Winning the toss, Stratford hatted
first on an excellent wicket, and helped by
several useful scores, including 58 from Commander Willoughby, who had a very hard and
clean square-cut, and 30 from Curle, their score
totalled 219. Banbury commenced to bat at
4 o'clock, and wickets falling cheaply three were
down for 17, and by tea-time 6 for 89. At this
point Belcher was the only one who showed any
confidence and was out to the last hall before
tea for a useful 42. Two further wickets fell
directly after tea, and when Smith joined
Maurice Passmore the score was 8 for 114. These
two batsmen kept up their ends and Passmore
made some excellent boundary drives. Evenfunlly he was out to a brilliant one-handed cateh
by Willoughby for an invaluable 71, the ninth
wicket baving added 86 runs. The score stood
at 20) when the Banbury captain joined Smith
and 20 runs were wanted to win. By careful
cricket these two batsmen made the necessary
ru is to win and put on 42 for the last, wicket
betors Smith was lowled. This is the first cause.

sion on which Banbury have beaten Stratford, and probably this game was the most exciting which the club has experienced during its existence. The creditable performance of the later batsmen augurs well for the future of the club, showing that runs can be obtained throughout the side. On Saturday Banbury drew with an Exeter College team. au Exeter College team.

THE GAME AT THE DEPOT.

The Depot beat the 100th (B) Squadron, R.A.F., lost to Headington and also to Warrens Gorse. In the former game Capt. Smyth was to the fore with 52 and with the ball Cpl. Brown took 5 for 9 and Lieut. Bayley 5 for 29. Against Headington, Brown again took five wickets and E. Grant carried his bat for 46, while Gurl had 7 for 58 for Headington. Massey was to the fore in both games, scoring 44 against University and taking 6 for 22 against Pembroke. I notice he again clean bowled Garland-Wells, as he had done in a previous game, and the Pembroke butsman must regard "Ted" as his "bête noire."

LITTLEMORE HOSPITAL.

If any cricketer cared to glance at the files of the "Oxford Times" of 20 to 25 years ago he would find the name of E. Miles as a stumper in the Littlemore Hospital side. Happily, like Charley's Aunt, Miles is still running, and in the game against the Church Army Pross he showed he is still capable of "keeping" quite well. The Hospital had an easy win, thanks to the batting of Payne, Langridge and A. Walton, the latter of whom also took 7 for 17. Another of the "young" old brigade in Glanville made 31 of the 57 for the Church Army, and Malyon opened hie 1928 campaign with 7 for 77.

OXFORDSHIRE CRICKET LEAGUE.

WITNEY SWIFTS BEATEN—COWLEY

DIVISION I.

WITNEY SWIFTS BEATEN—COWLEY

DECLARE AND THEN LOSE.

The Clarendon Press, minus Nurser, Weller and Collett, sway on one of the numer us departmental outings that worry the cricket secretary on much, had a capital win of six wickets over the Witney Swifts, who beat them at Witney on Jone 9. Nor have the Witney club any complaint, I am sure, on the score that the luck ran-against them. It was their batting that let them down. A. Hoster, who hit ten fours in has 45, and 8mith, the wicket-keeper, showed that the Press attack was not invincible, excellent as were the figures of Cross (5 for 18), Collina (2 for 21 and Clements & for 53). A total of 123 was, in the circumstances, very poor, and the Swifts could have had little hope of winning. After teaching set two cheap wickets, but Cross, Fathers and A. E. Foster backed up Kislingbury so well that the fate of the game was never in doubt. Nathing is said in the lactes sent to me of Kisheburg knock used I give him the credit of seeing a straight but to the good once and withing the father of the bad ball. I expect on the life fiction the Swifts miss their last seas at a grant, Buckingham, who appears to have him in file let with Morrie Motors. Lloyd, with for 51, was the most successful of the Swifts bowlere.

CENTURY BY E. E. COOKE.

the second not bowl as well as ever. It will be noticed that all the Summertown team were lowled.

E. E. Cooks, an old City Schoolboy now up at st. Catharine's, achieved quite a personal triumph in the League match between T.M.C.A. and South Oxford on the Christ Church ground. The Y.M. had gone in Arst, and thanks mainly to a stand by Hunnisett and Greenwood, put together the fairly good score of 176, despite the pod bowling of L. Frewer with 6 for 51. When both Oxford went in Cooks carried them almost on his shoulders. He scored at a regular pace, among his hita being eleven fours and eight three, and when the winning hit was made still with two wickbu, to 'fall. Cooke's share was 118 not ut. He can rarely, if ever, have played better or a more useful team innings.

There is righter a "veteranish" look about the Cowley team, and though some of therm may still be capable of running up a good score, the rouble comes when the fielding has to be done. DIVISION II

CUMNOR AND WYTHAM AT VARIANCE.

Though I printed last week, especially for the benefit of umpires and teams, a rule from the League which insists that a match shall go on till the light is too bad, I am informed that Cumnor, in their game with Wytham, declined to go on after 7.15, at least an hour and a quarter before they need have given up. The matter is to be reported to the League, so I will not prejudge the case. Wytham made a fine recovery after being dismissed for eight runs. J. Walker took 5 for 3 and R. Bennett 5 for 4 in the Wytham first, innings.

On Trinity ground Elsfield batted first and put together 110, the eighth wicket making the biggest stand. J. Godsell and W. Hodgkins, jun., bowled well for Cowley II., the former hitting the stumps four times. Cowley owed a lot to L. Price, who went in first wicket down and stayed till the game was won. The next highest was W. Wallen with 13. F. Painter and C. Brown did the damage with the ball, the former getting six for 30, five being clean bowled.

On Brasenose ground South Oxford won by 41 uns. W. T. Sanders and S. Phinne betted will CUMNOR AND WYTHAM AT VARIANCE.

getting six for 30, five being clean bowled.

On Brasenose ground South Oxford won by 41 runs. W. T. Sanders and S. Phipps batted well for the home side, but the other batsmen found K. Grant a difficult proposition, Grant taking seven wickets for 27 runs in less than ten overs. M. C. King made a steady 30 for Y.M.C.A., and R. Ward (4 wickets for 16) and H. R. Henton (4 for 7) bowled well for South Oxford.

The Victoria Juniors had a fine in over Church Army Press II. by three wickets, thanks to some capital hitting by Atkinson and Mendows. Other features of this game were the bowling of Keene (4 for 25) and the latting of Windscheffel and Gurden for the Church Army.

J. R. F. Turner, jun., Dick's youngest son,

and Gurden for the Church Army.

J. R. F. Turner, jun., Dick's youngest son, greatty distinguished himself in the game between the second teams of the Servants and Headington by scoring 44 out of 79 and taking 7 for 29 in an innings of 131. Despite 'this very creditable achievement Headington, a strong all-round and keen side, won by 52 runs.

Summertown II. beat the Clarendon Press II. by 18 runs, and this 'game was very similar to that recorded above, inasmuch as Jarvis' good work for the Press, like Turner's for the Servants, was all to no purpose. Jarvis made 30 and took 6 for 31. For the winners, Hunt and Long were to the fore with the bat and Hutton Stadhampton's win over the Pressed of the Stadhampton's win over the Stadhampton's win ov

took 5 for 13.

Stadhampton's win over the Pressed Steel Co.
Works team was due in the main to a not out 39
by R. E. Wood and to the bowling of Ingram,
who took five wickets for five runs.

Wolvercote journeyed to Eynsham and did well
to win by 19 runs. E. Lee made 22 when his
side were doing badly, and Sanders and Ody
shared the wickets. The Eynsham batting was
very feeble, but with the ball F. Ayres took 4
for 31 and J. Watkins 3 for 29.

Thrup played on St. Catharine's ground against the Morris Garages and won by 143 runs. B. Coppock played a nice innings of 68 not out, and Gurl and Baughan took most of the Garage wickets.

MINOR COUNTIES' CHAMPIONSHIP.

OXFORDSHIRE'S GOOD START.
Oxfordshire made a promising start in their Minor Counties' Championship programme for 1928 when, at Aberearn on Thursday, they beat Monmouthshire by an innings and four runs. Captain Henry will receive many congratulations on this fine debut as a County captain, and the future performances of the team, who appear at Oxford on Monday and Tuesday next, will be followed with the keenest interest. The return of Frank Hartley naturally made an enormous difference, and other pleasant features of the game' were the bowling of Walters, a very fine innings of 93 by Lee, of Thame, who is in great form with the ball of "Young Joe" Rogers, recalling the 'deeds of his great-uncles, Peter and "Brusher," many years ago. OXFORD BOYS CENTRAL SCHOOL V. THE

OXFORD BOYS CENTRAL SCHOOL v. THE OLD BOYS.

On Tuesday the Central School and some of the staff played the Old Boys' team at cricket. The match, which is the second that has been played this season, was won easily by the Old Boys, thus avenging their defeat in the former match. For the Old Boys, Jackman made 45 and Veal 20. The Old Boys' team consisted of Messrs. Jackman, Clarke, Arlett, Gray, Parton, Canning, Robins, Veal, Harris, Simms and Dalton, and the School team, which was made up of four members of the staff to balance the teams, consisted of Messrs. Hill, Beynon, Biggers and Elliott, and Brown, Varney, Foster, Strange, Parton, Stagg and Battersley. The scorers were: Old Boys, 119; School team, 52.

QUESTION OF VILLAGE WICKETS.

Writing without having seen a match or even without information of a match is often the unerviable lot of the critic. I cannot help thinking, however, that the League game between Witneys Swifts and Cowley must have been a bit farcical. Witney were admitted to the League on the understanding that their pitch was up to standard requirements. The Swifts were loaned the Mills' ground for their League games last summer, and as this had been treated with marlit passed muster. This season, however, the Swifts have gone to the Recreation ground on the Leys, and I presume gave the League notice of this change. It is very obvious, however, that the pitch is not yet fit for good-class cricket, and another year the Swifts will have to give an undertaking that they are prepared to spend money on improving it. Village clubs are proverbially hard pressed for money, and an one wants to see them deprived, of blaying the betterclass cricket when they are so very keen on improving their status. But they obviously owe something to the Oxford clubs who play on good grounds and to the League authorities, one of whose duties is to see that the League is maintained at the highest possible level. I hope the Swifts will accept these remarks in the spirit in which they are written—the true interests of the game. Little comment is necessary on the match in which the scores were ridiculously low. The fastish bowling of Lloyd and Herman was at times positively dangerous.

For their home League match against South Oxford, Morris Motors had out rather a stronger team than was the case when they met Heading ton earlier in the season. For instance both George Sturges and Eaglee were included, the latter after two or three seasons of friendly cricket with the City. The result was an easy win for the Motors by 137 runs. Fathers played the highest innings, and received valuable help from Sturges, Clarke and Eaglee. Morriman and Massey were the best of the South Oxford bowlers.

a left-hand bowler, took 6 for 27 and Sturges 6 for 45.

The Cowley St. John and Church Army match started at 2.30 and went on till 3.15. The former took 24 hours to soore 250 for 3, and the Church Army 24 hours to get 21. There was some excuse for this slow scoring on the part of the conquered as they had no forcing batsman, their team was much below strength, and all that was left for them to do was to try and save the game. But it was desperately dull cricket both for the fieldsmen and the lookers-on, and few could have been corry when it was eyer. Walker made yet shother century for the winners, who only utilised five batsmen, 211 of whom scored with some freedom. Had early catches been held the story might be quite different. In getting the Church Army out for 91, despite about half a dosen missed catches at the wicket and in the slips, Cowley St. John were indebted to Trodd (3 for 51), Howelle (3 for 13) and L. Walker, who came on late (4 for 2). Of the 56 overs no less than the correspondent to was at the surgestored their first contract with war at the express of Sume.

34 were maidens!

The College Servants registered their first League win, and it was at the expense of Summertown. Summertown fared very ill against the bowling of Field, who in the course of 17 evers took six wickets for \$8 runs, which represents good work on a cast-iron pitch. The Servants batemen made light of their task, six of the team getting into double figures, with Spindler's 30 as the highest. I notice that Parker sent down 17 overs and took 8 wickets for 74. He probably kept one end going the whole time. He sends down some loose balls on the leg at times, but flights his leg swinger well, and onever knows when one may get the unplayable one. He is quite an interesting bowler and is never so happy as when the ball is in his hand.

DISPUTE.

It will be remembered that a fortnight ago in a League II. game between Cumnor and Wytham the former refused to go on after 7.15 and so broke one of the rules of the competition. A subcommittee, consisting of Messres. J. E. F. Turner. A. E. B. Underwood and W. E. Parker, considered the matter on Saturday, representatives of both clubs being present. Wytham stated that their agreement to draw at 7.15 was conditional on Cumnor having got the runs required for victory before that time. The sub-committee ruled that the teams had no right to make any sort of arrangement to draw stumps before a definite decision had been reached on the double innings, and that therefore the match must be considered as unfinished and drawn, each side having one point.

as unfinished and drawn, each side having one point.

It seems again necessary to make the following point clear: These Oxfordshire Leavue matches are played under the Laws of Cricket governing one-day matches (by-law 20), which means that they are only to be considered decided on the first innings if two innings each cannot be completed. Where the first 'unings' of each side are concluded round about 5 o'clook (as was the case in the match in question), the match must proceed to a second innings, and must then continue "as long as the light holds good, until a definite result is reached" (by-law 21). The umpires decide as to the question of light, and no arrangement to draw stumps before the "definite result" is permissible. Another very erroneous idea, apparently held by some country clubs, is that four hours' cricket is all that the League rules require, but it should be distinctly understood that matches are to be played out to two innings each, if possible.

One of the best games on Saturday was that between the second teams of the Victoria and Morris Motors, which the former won by I wicket after requiring some 30 runs when the last two came together. Simms. Neale and Toylor did best for Morris, and Walker, Reene and Florry for the Victoria, the latter two, besides howling stall, abowing great statistics of bestdes howling

Headington II. had another good win in beating the College Servants II. R. White was to the fore with a fine 68 for the winners, and he was well supported by Taylor. Douglas and J. Gurl, and by the bowling of W. Morris & For 57). For the Servants "Dick" Turner, jun., cost his father another 1s., and his 63 was good, indeed, for a lad who has only just passed his 16th birthday.

Y.M.C.A. second eleven received a drubbing at the hands of Summertown II., on Christ Church ground on Saturday, when Summertown batted for 2½ hours and declared at 217 for two wickets. The Town lost Ward and Hobinson with only 28 on the board, when W. Hunt (not out 197) and W. Long (not out 84) made a big stand. Hunt batted very steadily, and although he gave a chance or two in the field, he never looked like being bowled. His hits included 13 fours. The Y.C.A. were all out for 63. Ward took four wickets for seven runs, his 13 overs including nine maidens.

Elsfield registered their first League was, and

nine maidens.

Elsfield registered their first League win, and this after being 13 in arrears on the first innings. When they went in a second time they were set 6 to win, after being dismissed in the first innings for 19, and their task looked pretty hopeless. But Brown and Colwell rose to the occasion and the runs were hit off with three wickets to spars. The bowling figures of Brown (6 for 11) and Howse (6 for 2) apeak for themselves.

The Clarendon Press II beat South Oxford II. on the B.N.C. ground by 22 runs. Massey showed up with the highest score of 28 and a bowling analysis of 4 for 28. Frewer, Tipping and Henton did best for South Oxford.

The Cowley St. John 2nd XI. captain was rather disappointed with the batting of his team against the Church Army Press, and thinks they will do a great deal better in future engagements if they will remember the first principle of batting, viz., to keep the bat straight and not try to imitate a wind-mill. Butler mede highest score for the losers, and Windscheffel reached 50 for the winners. Levitt, in taking 7 for 30, brought his record in the last three games up to 20 wickets for 100 runs. Both he and Windscheffel are "Telegraph" boys.

Titup, one of the strongest of the 2nd division

Changel are "Telegraph" boys.

Titup, one of the strongest of the 2nd division sides, won against Cowley II. E. Coppock scored a fine 105 not out and the Titup innings was declared at 216 for 7. In reply Cowley made 125, Plumley taking 6 for 29. L. Price played his third successive big innings for Cowley, and is a young batsman who deserves promotion if he desires it, which rumour says he doesn't.

Horspath won against the Pressed Steel Company team at Cowley by 61 runs. Munt took 8 for M and F. Coppock hit up 33. What a family of cricketers these Coppocks are.

MINOR COUNTIES CRICKET CHAMPIONSHIP.

OXFORDSHIRE'S "DOUBLE." MONMOUTH AGAIN BEATEN.

Oxfordshire followed their innings win over Monmouth at Aberearn last week by a seven wickets win at Merton ground on Monday and Tuesday.

Monmouth fielded without their captain, the old Oxonian, K. C. Raikes, who damaged his knee in the game with Oxford at Aberearn hast week. A. E. Hodges opened condidently and had scored ten in three overs before he lost G. A. Webb, who was smartly stumped by E. R. Smith, the young Kidlington player, in playing over a good length ball from Walters. Frank Hartley at the other end was bowling at a fast pace and making the ball come smartly off the pitch. Hodges was joined by Hugh Jones, and the pair raised fitty before Hodges was bowled off his pads by Rogers with the fourth ball of his first over. Rogers had prelaced Walters, and Tucker had gone on in place of Hartley. Rogers had further success with his last ball of the over, taking T. B. Williams wicket with a ball which came back; the Monmouth captain, losing his wicket with no addition to the score. Hugh Jones settled down well when joined by L. Lewis, and in scoring 37 saw Lewis caught at point by S. C. B. Lee for eleven runs, and Dolman caught and bowled by Walters for eight. Oxfordshire's attack still proved dangerous, and after a stand by Balph and Jones, four of the visitors' wickets fell for eight. Oxfordshire, and played sound cincket to raise the century in just over an hour and a half, Walkor being just ahead of Lee with 50 t Lee's 43 though Lee was the more forceful, scoring some particularly fine off shots. The pair went on to score 136, when Walker was smartly taken behind the wocket by Wilcox off floyd Jones with his score at 61. Next over E. J. Lowe, the Banbury batsman, was stumped off Dolman's bowling with only one run added. After this Walters and Hartery made the only resistance, each reaching 22. Wilcox, the Banbury batsman, was stumped off Dolman's bowleng with a low of the previous day was the mainstay of the inmigs, was unable to take his accoust med position, owing to a wrist injury, and went in near

Monmouth were all out before lunch, and Oxford went in with 32 to got to win. Lowe was clean bowled by 1.1byd Jones, and lunch time was called when Oxford had two wiokets down for 12.

SCHOOLBOYS' CRICKET.

By J. R. F. TURNER,

FROM "THE BOYS" OWN PAPER."

Reports Lists, etc., Received — "The seventh annual report of the Cricket Scheme for Oxford Elementary behoods strikes mean being a little hapharard, not to say confused, in arrangement; but the important fact is that the committee in charge of the scheme is still carrying on its good work. With the willing co-operation of a number of colleges, they have been able to provide the elementary school beams, of Oxford with their primary need-playing fields—so many times a week; white many undergraduates have giadly given up part of their time to assist in the work of coaching the young idea. The results should be far deeper and more wide-spreading than simply the improvement of crucaet in the elementary schools; the scheme is proving itself as a step towards a better national physique and a more enlightened understanding between classes, to quote only two of its effects. Long may it continue and of all—spread to district at present less favoured."

favoured."

In spite of the opening criticisms this reference to the report pleases me more than the other many references in the Press, if only because it appears in the leading boys' paper.

641 REPURTS SEXT OUT.

The report has been in considerable demand, as the additional copies aske." for and sent, as enumerated below, clearly prove:—

22.RUNS, SIX WICKETS FOR 32.

Capt. B. J. Heppy, M.C., who has been such a sterking friend to Oxford and Cuanty endes — whatever would be do without him i—is to be heartaly congratulated on the County's tine victory over Monmouthshine. Joey Rogers made the third highest score, viz., 22, and captured six wickets for 22 runs!

Another product of the scheme, Sam King, a son of Percy King, the New College groundsman, whose services to the boys' cause have been so variable—played a great innings of 92 for Oxford City against the City Police on Monday.

On Saturday, on the school ground, Erio Turner scored 48 runs for the City of Oxford School and obtained six wickets for 25 runs against Leighton Park School, which was easily defeated. In his last four school matches on July 5, 7, 11, and 14 he has scored 249 runs (twice not out) and captured 21 wickets for 133 runs.

Three of these matches were played on the school ground. It is quite easy for any average bowler to obtain wickets there; getting runs there is quite another story, as the Old Boys found out on July 5.

MR, AND MRS. RROWNEIGG TO THE

MR. AND MRS. BROWNRIGG TO THE FORE.

setting runs there is quite another as the Old Boys found out on July 5.

MR. AND MRB. BROWNRIGG TO THE FOLE.

The boys' XI. had a very interesting game with the Magdalen College School Juniors on the school ground on Saturday. On a capital wicket the boys could only compile 37. There were such a log of batting failures on both sides. Thus the juniors lost two wickets for no runs and six were out for 11 and seven for 17. Then Woods came in and, hitting out fearlessly, scored 33, he and Close not out 15, taking the score to 60. They were all out for 62.

At their second attempt the boys, collected 50. The wicket was very fast, and fat too many played back when they should have played forward—this was their undoing.

Another boys' match was taking place on the same ground at the same time, it was such a ripping idea, Mrs. C. E. Brownrag's XI., the 22 participating being the babes of the school.

We all had tea together on the lawn, and those 44 kiddies did indeed enjoy it all. Mr. and Mrs. Brownrigg were the incarnation of kindness to everybody. The babes were a real nice lot of kiddies, and were so pleased with the sincere interest taken in them. They felt, too that they were engaged in a sort of needle cricket match; quite a numbor of them sewardship, of course, in quite a humorous way, and every one of them, smilling all over, readily faced the music.

A prettier cricket picture than those 44 youngsters assembled on the lawn those 44 youngsters assembled on the same in 1921 that I rist concerved the inequality schoolboys seemed to have few friends. I suddenly thought of my old cricket friend Mir. C. E. Browning, and they all readily came in. This was the beginning of breaking down class conventions re the boys and cricket

OXFORDSHIRE COUNTY C.C.

OXFORDSHIRE COUNTY C.C. fordshire County C.C. have started on their campaign in much more auspicious style last year, when it will be recalled they do have not match outright. At Abercarn week they heat Monmouth by an innings, on Morton ground on Tuesday gained almost ecisive a vietory, the margin on this occabing one of seven wickets. No doubt Monh, especially without K. C. Raikes, are not ly a formidable side. Any team which fails the Merton pitch for less than 200 runs lends open to a charge of weakness in the batting timent, and no me who saw Monmouth at ticket ou Monday and Tuesday will disagree the view that this is where the Welsh by's weakness lay. To say this is not to at from the merit of the Oxfordshire perfince, and particularly that of the bowlers, ially when it is borne in mind that Thomas mable to play and that owing to an infect with while he was bowling in the I innings. Rogers could only send down four The attack was therefore in the hands stey. Walters, Tucker and Lee, of whom Hartley can be described as fast. It was, ore, something in the nature of a feat to something the sould only send down four the sould only

Oxfordshire commenced with Harry Walker and Lee, two of the most censistent latismen in Oxfordshire cricket, and so well did these two play that the score was 136 before Walker was caught. He had played his usual careful cricket, studiously declining to take risks and yet never lesing a charce of advancing the interests of his side. Lee was equally impressive in a different manner. It is easy to inderstand his success on fast wickets as his but is quite straight and he lets very few balls pass him. The two butsmen put the side on the road to a hig score, but the others scarcely kept it up and there was a suggestion of a "tail." Lowe, of Banbury, had the unfortunate experience of being dismissed twice, in each innings, without scoring, his first failure being due to a very smart piece of stumping on the part of Wilcox. In the second Monmouth innings the bowlers were also well on top, and Oxfordshire had an easy task to get the required runs. All the bowlers did well, with Walters and Lee the most successful. On Wednesday evening the team travelled to Cambridge, where Thomas, Coppock, the Rev. Caldwell and Clark (Banbury) were invited to play in place of G. Walker, Fisher, Smith and Lowe.

AIREY CUP-1ST ROUND.

YOUNG PLAYERS TO THE FORK

The competition for possession of the Airey Cup, the holders of which are the College Servants, began on Saturday, and considerable interest was taken in the various matches. There were, of course, the usual surprises, the greatest of which was the success of the Pressed Steel, newcomers to the competition, over Titup, in which the captaincy of the losers left much to be desired. The other matches panned out much as expected, though one rather inclined to the view that the Police would do better against the Press. The Y.M.C.A. have every reason to feel disappointed. They put up the fine score of 259, and nine times out of ten this would have been enough. Their's was the exception to the rule, and thanks to a fine innings by S. King, a son of Percy King, the New College groundsman. Cowley got home by four wickets. The second round will be played on Saturday week, and the draw is:

College Servants v. Pressed Steel.

Wolvercote v. Clarendon Press.

Headington v. Cowley St. John.

Morris Motors v. Cowley II. match was played.

Morris Motors v. Cowley.

The Y.M.C.A. and Cowley II. match was played on the Trinity College ground, a batsman's paradise, and it was not surprising the scoring was high. The Y.M.C.A. reached 259, a total that looked big enough to stall off defeat. The scores show it was very much a two-man performance. Greenwood scored 94, in which were 14 fours, and Thomas 61, 40 of which came from boundaries. Dyer bowled well, and in taking 7 for 59 accomplished a really good performance. Cowley, however, made light of their task. F. Arnold and Payne set them going with a good first-wicket partnership, and with the Y.M. bowlers losing their length King and Collins scored at a great pace. The former had the satisfaction of passing the hundred, no mean achievement in a cup-tie, and the nature of his cricket is shown by his hitting 16 fours. After this showing Cowley will probably be made cup-favourities by some.

this showing Cowley will probably be made cupfavourites by some.

The Polico by this time regard the Airey Cup as their pet aversion. From their point of view it is as clusive as the Scarlet Pimpernel, and on Saturday they met their usual fate, the Clarendon Press beating them by two wickets. The Police batting broke down and they were all out for 110, Collins taking 4 for 31 and Cross 2 for 13. It was Collins' first Airey Cup-tic, and he took his four wickets in five balls and incidentally accomplished the "hat-trick." These cup-tics are nervy affairs, and when the Press lost half their wickets for 35, the Police must have wondered if after all they were not going to win. Enter, at this stage, a son of Arthur Foster, with a good eye and a stout heart. Poster, jun., realised that pottering about was uscless. He went for the bowling, and with so much success that the anxious Press supporters were soon put out of their misery. His 53 not out was a most courageous innings, and undoubtedly it won the match. Massey (4 for 33) and Whirthurst (3 for 41) did the lion share of the Pelice bowling, and it was only Foster who spoilt their figures.

bowling, and it was only Foster who spoilt thoir figures.

Cowley St. John "A" have a stronger Aircy Cup side this season than at any period since the war, the inclusion of two or three new players having made all the difference. Burrin is the ceptain, and he sent in Davies and E. Pulker to open against the Church Army Press, and so well did this pair shape that 66 was up before the first wicket fell. Davies is an aggressive type with a penchant for off-driving. He is generally attacking, and is a most useful man to have on a cup-tic side. There were other useful scores, and one of the best of the many stands was by two young players, Butler and Jack Axtell, who put on 44 when six had fallen for 147. Afterwards the later batenen failed and the score only just reached 200. Coulson bowled well for his 6 for 68. The Church Army had only two out for 76, but six of the team were back for 110. Then came a stand by C. Greenaway and J. Gurden, but despite this, and some plucky hitting by Coulson, Cowley St. John got home by 19 runs. Davies and Butler followed up their success with the bat by bowling well, Butler taking four wickets for 18 runs. Both teams fielded very well, and Fletcher kept wicket in his usual quiet manner.

It is often the fate of the holders to fall in the first round, but the College Servants escaped

usual quiet manner.

It is often the fate of the holders to fall in the first round, but the College Servants escaped this indignity by their victory over Summertown on the Running Ground. Summertown started very well, Ward, Panting and Hodge scoring with some freedom, but the others made a poor fight of it, and had it not been for the fact that Fletcher was injured while keeping wicket and had to leave the field, it is doubtful if the Summertown score would have been as good as it was. Field found a spot on a pitch which appeared to give him some help and returned the good analysis of T for 31. The runs were hit off for the loss of four wickets, Parker and Martin shaping extremely well. ing extremely well.

The Victoria were beaten at Headington by 182 runs, and there was much jubilation "over the hill" at this easy win. Heymeson and Pictersen jeined the Headington team for the occasion, and the former made his presence felt with 41 off the bat and 4 wickets for 44. Very few of the Headington batsmen failed and a total of 233 was the result. Bert Harley (4 for 50) and Keen (4 for 51) howled with success for the Victoria, for whom Ward played a good innings of 43. Headington and Cowley St. John in the next round ought to be a real tit-bit.

No details of the Wolvercote and South Oxford game, won by Wolvercote, or of Titup v. Pressed Steel, won by the latter, have been forwarded. I am told that the Wolvercote pitch, in the present dry weather, is not fit for a cup-tie, and that Tribus lost against the Present Coup-tie, and

that Titup lost against th	ie Pressed Steel through
over-confidence.

"TELEGRAPH" CUP_1ST ROUND.

Five matches were played in the first round of the "Telegraph" Cup. Summertown beat the "Telegraph" Cup. Summertown beat the "Y.M.C.A. in a match in which Crumley took 6 for 21 and Jones 6 for 10. The Clarendon Press scored over 300 against Morris tlarages. Evans 680 and Day (185) putting on 142 for the second wicket. Day, who is the son of an old cricketer, probably created a new individual record for the competition. The two batsmen were splendidly backed up by Rawlings (4 for 23), while for the Garages Temple took 5 for 97. Morris Motors beat the Servants by five wickets, thanks to a hard-hit 39 not out by Neale.

DIVISION I.

Both matches in the first division of the Witney League were won after the successful sides had declared their innings. Combe scored 191 for 5 and then dismissed Handborough for 40.

W. Busby had a capital match with 67 not out and 8 wickets for 23. The Witney Swifts put the declaration in force even earlier, calling in their opponents when eight were out for 120. A partner-thip between Vickers and Keates was the feature of the innings, and then Lloyd got on the spot with six wickets and sent Milton back for 62.

OXFORD CITY-COTTON COMES BACK.

OXFORD CITY—COTTON COMES BACK.

Quite the most interesting incident of the week-end so far as Oxford City are concerned, was the return of Elmer Cotton, whose style as a bateman I have always personally envised and held up as a pattern to all young cricketers. A few weeks ago it was stated that Cotton was either too busy or had lost his keenness. It is a sort of hardly annual, and before long Cotton tires of his passiveness and emerges from his retirement. I am told that for a lateran out of practice Cotton's 90 not out against Reading Biscuit Factory was an extraordinary good innings. Five of the team had been dismissed for 85 when Cotton came in, and was joined by Jackman, of Cowley St. John. These two put on 125 and were still together when the innings was declared. The City bowlers just failed to accomplish their object, as when time was called the Factory had lost nine wickets for 125. Thomas and Bickerton bowled remarkably well. The former took 6 for 32, and when he came on a second time was quite irresistible, taking five wickets for nine runs in four overs. Bickerton's figures were 3 for 42.

At Halton, against the R.A.F., whose team included three of the R.A.F. XI. which beat the Army, the City gained a victory by 131 runs. The batting was consistently good. After Lewendon had been dismissed cheaply, H. Walker and the Rev. W. S. Caldwell put on 140 for the second wicket, and both made the same number of runs—84. After they had been parted Walters, Regers and Fred Spiller hit out well and the innings was declared at 307 for 6. The Airmen made a poor show, only Faweus, the Bucks County player, and Mundy, staying in any length of time. Walters took 4 for 66, Rogers 2 for 42, and Caldwell 2 for 29.

C. W. WYATT IN FORM.

C. W. WYATT IN FORM.

North Oxford journeyed to Purley on Saturday for their return match and, though they had the worst of the bargain, had a most enjoyable outing. Purley batted first on a perfect pitch and stayed in till their score had been taken to over 300. The Watsons, pere et fils, were, as usual, well to the fore, and Gadsden made a nice 74. The North Oxford bowling did not appear to be equal to the task of keeping the batsmen quiet, and the fielding was not too crisp and clean. C. W. Wyatt and Bowtell started well for North Oxford, the score being 56 before the first wicket was captured. Then, however, five went down for 20, and had Chamberlain been taken from more than the one chance he offered, North Oxford would probably have been beaten. Chamberlain profiting from his good luck, stayed in to the end with Cecil Wyatt, and the game was drawn. Wyatt was at his best, and in carrying his bat for 91 did much towards saving his team from a heavy defeat.

Neither Morris Motors nor Shipton was at full strength in this friendly game at Shipton, the latter owing to their sports meeting. R. Hartley and Hambridge gave the home side a good start, and Longshaw weighed in with a useful 25, but a total of 146 was disappointing. Buckingham, Miles and F. Thornton deserve credit for a good performance. The Motors hit the runs for the loss of six wickets, and it was R. Thornton who had a very big share in the victory. His 71 not out was a really good innings. SHIPTON.

THAME IN TWO DRAWS.

THAME IN TWO DRAWS.

At Headington or Thursday in last week Thame were robbed of victory by the clock, and in the Saturday game at Aylesbury the clock came to their assistance. In the Headington match Bailey and Currill were the chief run-getters, and Pieterson and T. Cox did best for Headington, but equally praiseworthy was Hymeson's feat of taking five wickets. Against Aylesbury C. Wells and A. J. Kirtland saved the game with a good stand when Thame were in a rather prearious position. At Hurst, who also scored 75 runs, took the whole of the eight Thame wickets.

MINOR COUNTIES CRICKET CHAMPIONSHIP.

OXFORDSHIRE v. CAMBRIDGESHIRE. A DRAWN GAME.

Oxfordshire's meeting with their Cambridge rivals on Thursday and Friday of last week, at Cambridge, created a great deal of interest.

Cambridge went in to but first, but it must be said now that it was their tail end men that held up the first innings' score, for three of the top of the side players went back to the pavilion with "ducks." end men that held up the first innings score, for three of the top of the side players went back to the pavilion with "ducks." A stand was made with Ling, who hit out merrily, with Hart as partner, and he put 34 on the board before being well caught by Thomas off Lee's bowling. The top score of the imings, however, was by Pask, whose 60 not out, was a credit both to himself and to his side. P. S. Morton was better with the bat than with the ball, and he had quickly knocked up 25 when he was caught off Walters by Piper.

Oxford declared when they had scored 188, four more than their rivals, thanks mannly to a contribution by H. Walker, who as first man in, scored 42—and, incidentally, the same total to the second innings. Walters and Hartley added 44 and 33 respectively before they had returned to the pavilion, after being appealed against successfully for Low.

The second minings was even more interesting, and high scoring was the order of the day. Falkner evidently found the bowling to his liking, for his score of 143 was the result of a magnificent effort. He was eventually clean bowled by Capt. Heary. Ling again showed a fondness for the bowling and was happy with 35 to his credit, when Thomas neatly caught him off Walters. Edwards scored a faultless 37 not out, and the limings was declared closed with 26 extras and 276 at the cost of six wickets.

Oxford were out to make a draw, and with two helpful scores of 42 and 41 from Walker and Caldwell respectively, eventually finished with three wickets down for 160 runs.

Of the bowlers, Hartley was the more successful for Oxford, taking six wickets for 75 in the first minings. In the second innings Thomas took four wickets for 83. Pask showed a fine analysis for the visitors, taking four for 21. F. Morton took two for 41, and Ridgeon two for 44.

LITTLEMORE HOSPITAL'S FINE DRAW.

Littlemore Hospital did well to make a drawn game with Oxford City on the former's ground on Saturday. The bat was so superior to the ball that 421 runs were soored in just under four hours for the loss of eight wickets. The Otty batting was very consistent, and Spiller finished up the innings by using the long handle and scored sixteen boundaries in his 75, which took thirty minutes. With such a score against them, the Hospital put Payne and Langridge in, and the former was caught off Bickerton with 59, and when Langridge was bowled with three, Elliott went in to score 71. Burnett added 27, and with a score of extras, the total was brought up to 180 for two wiokets. Wickets fell dearly A. Walton and R. THE OXFORDSHIRE COUNTY C.C

THE OXFORDSHIRE COUNTY C.C

After winning their first two matches outright and so getting on the 100 per cent, mark, the County went to Cambridge last week and on the famous Fenner's ground had rather the worst of a drawn game, and yet got the points for first innings lead. On the opening day (Thursday) the cricket was very even. When the home County won the toss the pitch looked good enough for any number of runs. So well did Frank Hartley bowl that seven of the side were out for 67, four falling to Hartley in 12 overs for 31 runs, extunely good work. The eighth wicket, however, have a lot of trouble and was responsible for the addition of 69 runs, while the last wicket put on 41, and instead of a small score, Cambridgeshire reached 184. Hartley finished with an analysis of 7 for 65, and it is prolable that with another fast bowler in the side Oxfordshire would have captured the last three Cambridge wickets for less than 17 runs, which was what they made. Oxfordshire started by losing Lee with 11 on the board, after which Walker and Caldwell took the ecore to 50. With only four out for 128 it looked as if the Cambridgeshire total would be

casily passed, but the instability of the batting in the middle of the team again showed itself, five wickets falling for 39 runs. Walker, Walters and Hartley all played well. The game was left in an interesting position on Thursday evening. Oxfordshire, with two wickets in hand, wanting 14 for the first innings lead. These were obtained on Friday by Clarke, of Banbury, and Tucker, and as soon as the home County total had been passed Henry declared. The Cambridgeshire second innings was a triumph for D. K. Falkner, whose 143 was a fine, forcing innings. It was the first time the Oxfordshire bowling had been collared this season, and great credit is due to Falkner, who was well supported by Ling and Edwards. Oxfordshire were left with 273 to win in roughly two hours, and scored 150 for 3. The batting was strengthened by the inclusion of Caldwell and Cotton, but the bowling of Rogers was missed. The veteran, Piper, stepped into the breach as wicket-keeper, as Coppock could not play.

into the breach as wicket-keeper, as copposited not play.

Next week the County play two games in the championship on the Merton ground, on Monday and Tuesday against Cambridgeshire (return), and on Thursday and Friday against Bodfordshire.

LOCAL CLUBS DO WELL AGAINST THE CITY

Local clubs are always keen to do well against the City, and last week the College Servants and Littlemore, Hospital, in their games against our premier club, gave great pleasure to their members and supporters. The Servants won, and though it is true that owing to the Oxfordshire fixture at Cambridge the City were not strongly represented, the victory was thoroughly well destryed. One expects Field and W. Allen to be to the fore on these occasions, and it was pleasing to find two younger players. Eric Turner and Guilfoyle, doing well. Turner kept up his school reputation by making over 50, and, as usual, he did not try to emulate Scotton. On Saturday the City drew with Littlemore Asylum, and there was not much in it wheat stumps were drawn at 7 o'clock. Reg Spiller was highest scorer for the City with 75 not out, and he made his runs in half an hour, hitting 16 boundaries. The venture was closed at 241 for 6, and then the Hospital had a turn and with fine batting by Payne and Elliott they saved the game, losing only two wickets for 180. Elliott was especially severe on Thomas, who bowled twenty overs without taking a wicket. Thomas, who bowled twenty overs without taking

Thomas, who bowled twenty overs without taking a wicket.

A stronger City team went to Knowle and Dorridge (Warwickshire) on Saturday and won by 63 runs. The bowling of Vidler and Walters was responsible for the distainsal of the home side for 1.9, Vidler taking 6 for 31 and Walters 3 for 41. Thanks to a typical innings by Harry Walker and some hard hitting by Wylie, as well as a last wicket stand by Lewendon and Henry, the City total reached 202. I imagine from the comparatively low scores and the large number of extras that the pitch was not exactly a batsman's paradise.

MORRIS-MOTORS V. ENGINES.

MORRIS—MOTORS v. ENGINES.

The Morris Motors team from Cowley visited Coventry on Saturday to meet the Engines team and came home with the spoils. The Engines were dismissed by Miles, Thomas and Bennett for 104, and apparently the Motors' captain thought he had an easy task as he altered his usual order of going in, with the result that six were out for 30. As it happened it was as well such as Miles, Guy Sturges and Thornton were kept back, as these three made themselves responsible for 80 runs and enabled the Motors to win by 25. Bailey was responsible for the collapse of the Motors at the commencement of the innings, and he took 6 wickets for 39. The Motors, by the way, had three teams in the field on Saturday and two of them won.

TWO THAME CENTURIES.

Not many teams go to the Depot at Cowley and do as Thame did last week, dismiss the usually consistent Soldiers' side for a score of 77. P. Smith, the Thame left-hand bowler, had a day out, his sharply-rising deliveries being responsible for an analysis of 6 for 22. The Thame opening batsmen quickly knocked off the runs and then Higgins and Currill indulged in some hard hitting, the old Watlington batsman having the satisfaction of passing the century. In Saturday's game at Thame against Wallingford the Thame batsmen were again in form, Lee scoring 126 and Currill 51, both not out. Lee must have an unusual sort of average for the Thame club. Hunt, the old Berks County player, and Commander Villiers saved the game for Watlington after the Thame captain had declared.

THE BLENHEIM CLUB.

THE BLENHEIM CLUR.

The Blenheim club, which plays on the lawn in front of the Palace, is run by an enthusiast in A. Harbert. They have accomplished some capital performances this season, and I am told have one or two very good young cricketers. Last week the club beat Lloyd's Bank team from London and the Bicester "A" side. In the former match the club had the assistance of Henry, the County captain, and Holiday, of Bicester, and both places left their mark on a game which Blenheim won. Holiday made 56 and Henry 48, while Young and Harbert backed them up with the ball. In the Bicester match Harbert made 43 and T. Hastings 53, while for the visitors Holiday hit up 55 and took eight wickets, despite which Blenheim won by II runs.

Elvaston put up their best performance of the season last Thursday, when on the Corpus ground they beat Woodstock by 29 runs. Coles and Humphreys put on 105 for the first wicket, and Stepherd also batted well, also taking most wickets with Cooper. The Buckinghams made a big effort to pull off the game for Woodstock, Guy scoring 68 and his father taking five wickets. Entertaining Kidlington II. on the Magdalen College ground Shell Mex won easily. There was some good batting by Neale, English and Horne, while Burch took 5 for 36.

OXFORDSHIRE CRICKET LEAGUE. DIVISION, I.

CENTURY BY JACKMAN-GOOD CRICKET IN SEVERAL GAMES

With the approach of August one begins to weigh up the chances of the various clubs in the Oxfordshire Senior League, and though the unexpected is always liable to happen it looks as if Morris Motors (the League holders), the Clarendon Press, and either Cowley St. John or the College Servants will be in the running when the scini-final falls due on August 25. If the Press still lead then, they will be one of the finalists, as they have a bye in the semi-final. The present positions in the League are:

19). South Oxford still have a chance to do the unexpected.

In Section "B" Witney Swifts wired on Saturday morning to the Cowley Secretary that they were unable to raise a team and so the match was not played. If this is allowed to stand it will jeopardise the chances of the Swifts of finishing on top with the Clarendon Press. The latter were concerned in a really exciting match with the Victoria on the old Pembroke ground. Thanks to Welbury, the son of an old Victoria player, and Harley, the old City goalkeeper, the Victoria ran up the useful score of 165. Both butsmen shaped well, and it was a misunderstanding that cost Welbury his wicket. Despite some fierce hitting by Clements, who made 50 out of 69, the Press lost 8 for 128, and looked to be on the losing side. Weller and Day rose to the occasion with 30 for the ninth wicket, and when Collins came in last and eight runs were wanted for a win, these were obtained. Day has been making a lot of runs for the Press 2nd XI., and it was a feather in his cap to lat so well in a nerve-trying test. Allaway, with five wickets, did well with the ball for the Victoria, as did Cross (4 for 27) and Collins (1 for 18 in 15 overs) (4 for 27) and Columns (1 for 18 in 15 overs)

Cross (4 for 27) and College Servants visited the for the Press.

In Section "C the College Servants visited the Church Army Press and this was another keen game. As is their invariable custom, the Church Army took plenty of time over their runs, and it was getting on for six when their innings closed for 214 J. Greenaway again played well, as did G. Buckingham and the elder Fletcher. Guilfoyle (6 for 59) worked with his usual untiring zeal. When the Servants went in their position was acute as several of the players had to return to duty, and two of them had to retire hefore their innings was completed. Six were thus down for 68 and the game locked as good as over. But Allen played a true captain's innings, and with Fletcher and Stonard rising to the occasion the Servants unexpectedly got home by two wickets—a thoroughly well deserved win.

Another team to have a narrow escape was

wickets—a thoroughly well deserved win.

Another team to have a narrow escape was Cowley St. John. For the third match in succession their captain was able to declare with only half his wickets down. This was due to a fine innings by Jackman, who scored 113 not out, and in doing so made his first century for a club for which he first played round about 1899 or 1900. Needless to say his success was very popular. Summertown had plenty of time to get the

runs, and thanks to Leslie King nearly brought off a surprise. King adopted his natural game, that of a hitter, and he hit terrifically hard, sending the ball to the boundary 21 times in his 99. Keblo is a small ground and handicaps the field, but this does not detruct from King's innings, which for fierce slogging could not be excelled. Barrett also played well, and Stone stuck in some time, but when the ninth wicket fell—the tenth man was absent—Summertown were still 14 short of the Cowley St. John total.

DIVISION II.

I. Combe's performance against the College Servants II. on an Oxford ground is any criterion, they must be one of the strongest of the village clubs. Their performance on this occasion was very workmanlike and their all-round cricket admirable. They scored 195 and dismissed the Servants for 84, and it will be seen from the score that most of the team, and not merely one or two, were responsible for the points being won. The Y.M.C.A. put up a very poor fight against South Oxford, for whom Ward took 4 for 21 and Tipping 5 for 18. Wheatley and Cumnor also had runaway wins, but (owley St. John only got home against Morris Motors by four wickets, due to the capital latting of Jack Axiell, a son of the club's old captain. The best game of the series was that between Summertown and the Charendon Press. Going in against 191 Summartown lost 7 r 101. but the tail-enders got very "horsey" and a most thrilling game was won by eight runs. The Headington and Kidlington match was keen and played in a good spirit. Headington won the toss and commenced batting on a good wicket. Headington scored 115, and A. Bustin took 5 wickets for 41. Headington used seven bowlers, the most successful being W. Taylor, who took three wickets for 11 runs in fivo overs. Neither team fielded up to their usual form, a number of runs Leing given away and several catches were not held.

THE COUNTY CLUB.

Cambridgeshire won Minor County Championchip points for first-innings lead against Oxfordchire on the Merton ground on Monday and Tuesday. They had the advantage of batting during
most of their first innings on a good Merton pitch,
and they made the most of their opportunity.
Some said—they were mostly non-cricketers—that
their cricket was slow during the partnerships
of Handscomb and Ridgeon and of F. Morton and
Smith, but it is better to have on your side men
who can keep an end up when the bowling is
keen and a high first-innings is essential in a
kwo-day match, than the happy adventurer type,
who is in his element in a half-day match. This
Palpable fact must have been driven home to a
good many when Oxfordshire were batting on
Tuesday and when experienced cricketers were
throwing away their wickets. The Cambridge
batting was sound and slow, just of the methodical kind so suited to the occasion. It was fully
justified, as events proved, and those who see
nothing in cricket except the slam and the breeze,
should not overlook the fact, that the game is
full of science, and that even when it appears to
the untutored mind, dull, it is sometimes even
more clucative and useful, than when runs are
coming at the rate of 150 an hour. Whether Oxfordshire would have headed the total had no
zain fallen on Monday night to turn the virgin

Merton turf into something that was almost horrible, is a matter of opinion. Oxfordshire were called on to face a big score, with the certainty that later in the day the turf would yield to the wiles of the bowler. Harry Walker and Lee gave them a splendid start. They are an unemotional, staid pair, just the type required for an opening stand. They had the 100 up before lunch, and when Walker was caught the score board read 109-1-42.

It was now that Oxfordshire's troubles began. There was a masty "spot" at one end, from which the ball kicked badly. The bowlers were the masters unless Oxfordshire had a pair of batsmen who delight in putting their backs to the wall and could hold up their end. Lee would have filled the role admirably, but he had a beast of a ball which got up somewhere near his face and came to slip off the glove of his right hand. Both he and Walker had, however, done their bit. The others failed to follow the example set them. Some were in too great a hurry, and it was rather sad to see an experienced cricketerlike Walters throwing away his wicket. Walters is, of course, first and foremost a balsman of the aggressive type, but there are times when it is essential to keep one's impetuosity under control, especially when there are several youngsters to follow. On this occasion Walters, on whom so much depead d, temporarily forgot himself, as cricketers sometimes do, and I suppose always will. His example was copied by the younger element, who wanted to knock the cover off the ball before they had had a look at it, and this merely played into the astute hands of the Cambridge skipper, who managed his bowling with great skill, and was backed up by a keen and energetic fielding side.

Of the Oxfordshire bowlers, Cotton was by far the most difficult. He bowled off-breaks and legible bards and the genuine "googly," and with a bit of luck, would have had even better figures than 5 for 47. Regers, carefully handled, took 3 for 47. There were two newcomers to the County side: W. W. Inge, a son of the Vi

I hear that Kidlington have protested to the Lague against the result of their match with Combe being allowed to stand. They were 38 in arrears when an innings had been completed, but going in again scored 28, and left Combe 51 to win. Combe scored 28 for 7, and it is said refused to continue owing to the light, which at nine o'clock they assert was very bad. Horspath and Wheatley appear to have played their game in a very friendly spirit. When each side had completed an innings Horspath led by 21, and going in again scored 99, leaving Wheatley 121 to win. Wheatley made such a fine fight that Horspath only got home by six runs at five minutes to nine.

COLLEGE SERVANTS' CUP-FINAL.

As was expected the Queen's College Servants won the Servants' Cup final on Monday and Thesday, beating Worcester Servants by 10 wickets. Gillam, Field, Carter and Guilfoyie did best for the winners, and Johnson, Wyatt and Buller for Worcester. Johnson and Gillam do not play regularly in local cricket, but their feats show that they can still teach the young idea something. The Queen's side is quite strong for a College Servants XI.

SENSATIONAL CRICKET-THE OVERKEEN PLAYER AND SPECTATOR.

As a result of the 2nd round ties in the popular Airey Cup Competition, the following clubs have reached the semi-finals and will be paired as under, on the ground of the first-named club, on August 11:

Morris Motors v. Clarendon Press.

Headington v. College Servants (holders).

Morris Motore v. Clarendon Press.
Headington v. College Servants (holders).
That there would be some peculiar cricket on Saturday was almost a foregone conclusion. The groundsmen had been busy most or the week watering the pitches to get them into condition, and then came Friday's soaking rain to turn most of the pitches into a paradise for the bowler. Coming straight off cast-iron turf, to soil that was of varied paces, the batsmen were in most instances at a great disadvantage, and as the scores show the bowlers came into their own. From the reports of the matches sent in it is evident the cricket was of the usual keen, cuptig description. Two or three reports are not exactly complimentary to some of the spectators or to certain players. It is not everyone who likes playing in a cup-tic, and I know men who dislike it very much. But with the right kind of player it can be almost enjoyable. Sometimes it is just the opposite. I do not want to mention names, but one or two players on Saturday were guilty of appealing much too often, while on one of the grounds the spectators apparently could not see any virtue in the work of the opposing team. For the good of Oxford local cricket one hopes that in the next round the geme will be put before the result, and that it will be played in the right spirit by everyone, and not least by those looking on.

The Clarendon Press met Wolvercote on the Balliol ground and won by 98 runs, not, however.

The Clarendon Press met Wolvercote on the Balliol ground and won by 98 runs, not, however, quito such an easy win as it looks on paper. Cross, Clements, Nurser and A. E. Foster batted well for the Press, whose total reached 232. The pitch played as though there had been no such thing as Friday's heavy rain. When Wolvercote went in Saunders and Warmington gave them a splendid start and when the first wicket fell the total was 92. It looked like being anyone's game, but some remarkable bowling by Collins completely changed the aspect, the next nine wickets falling for 42 runs. Collins achieved a personal triumph. When he went on the first time he bowled seven overs for eight runs and did not take a wicket. In his second spell he took 10 for 15 (eight clean bowled), and his full analysis was:

₩. 6 17 23

17 6 25 10

In the first round against the Police he did the "hat-trick," a performance he again accomplished on Saturday, an unprecedented feat for a player still in his teens. He bowls round the wicket with a low delivery and seems to pull the ball back. Another personal triumph was that of Saunders in carrying his bat through the innings

Saunders in carrying his bat through the innings for 58.

At Headington the home side beat Cowley St. John by 19 runs. So well did Pickoring and Davies bowl that they had eight of the Headington side out for 49, but then the fielding became slack and Heymeson and the Rew W. S. Thomas taking full advantage of this, raised the total to 108. Heymeson, like Saunders, of Wolvercote, carried his but through the innings. The task of Cowley St. John did not appear difficult and they had only two men out with 55 on the board. The team, however, then went completely to pieces and were all out for 87. In the bowling line Trafford took 4 for 9, Heymeson 4 for 25, Pickering (who bowled nine maidens in his first 12 overs) 4 for 41, and Davies 4 for 29.

At Cowley, Morris Motors beat Cowley by 112 runs, scoring 143 and dismissing their opponents for 31. Perhaps the pitch had been cut up when Cowley's turn came, but it was surprising to find a side which relied on its latting, failing so hadly. Ferryman seems to have bowled with some inspiration to get 6 for 17, and he was well supported by Eagles with 3 for 7. This result was a great surprise to everyone.

The College Servants still live to uphold their title of hulders, and they probably will not take

The College Servants still live to uphold their title of holders, and they probably will not take part in a more remarkable game than that in which they defeated the Pressed Steel. Their visitors were all order in about an hour for 33, and it looked "all over har the shouting." But

directly the Servants went in things went wrong and when six were out for 20 the atmosphere was decidedly nervy. Guilfeyle and Eric Turner, the next two batsmen, were both missed before they had scored. Neither was an easy chance, and the two youngsters remained to carry the total post that of the Pressed Steel, whose good fight in their first season has been one of the features of the competition. I am told their fielding is excellent. With the ball Field took 5 for 9. Guilfoyle 2 for 13, Turner 3 for 8, Shepherd 4 for 20, and Kenilworth 3 for 25.

OXFORD CITY.

OXFORD CITY.

Both City teams were victorious on Saturday, the one on the Merton ground against the Warwickshire club. Knowle and Dorridge, and the other at Abingdon. In the former match the pitch was a bit tricky at the start and improved later. The City lost five of their best wickets for 71 runs and were saved from collapse by Lewendon and Jack King, whose methods are so disimilar. Both batted extremely well in their different ways, and it was entirely through their fine efforts that the score reached 218, which, in the circumstances was extremely good. The two opening Knowle batsmen also played well and were not parted till the total was 87. Afterwards, however, six wickets fell for 34 runs, and though the tail did a bit better, the City won by 42 runs. Walters took 6 for 63 and Vidler 4 for 52, and the visiting lutsmen made the nistake of playing too carefully when the pitch was acting quite normally.

The feature of the game at Abingdon was a fine innings of 105 by G. L. Pisher, and the medium right-hand bowling of Upstone, who took four wickets for one run. Mortimore had a capital knock for the Berks Club, who collapsed rather badly.

NORTH OXFORD

NORTH OXFORD

North Oxford put two teams in the field on Saturday. The lat XI, journeyed to Faringdon and won a most exciting game by five runs. The pitch was in favour of the bowlers, and Wyatt (7 for 26) and Ricketts (7 for 40) were in their element. The match against Lechlade has caused some comment in the camp of the Gloucestershire club, and I have received a letter couched in rather strong terms. I understand, however, that North Oxford have since fully explained their position to their old opponents, who will, no doubt, "forgive and forget."

OXFORD DOWNS v. SUMMERTOWN.

OXFORD DOWNS v. SUMMERTOWN.

A Summertown correspondent writes:

"Thanks to 'Captain,' Summertown were able to arrange a fixture with the Oxford Downs at Standlake on Saturday last. The Downs have a delightful little ground and a well-kept natural wicket. Here we found cricket played in the true sporting spirit, and the game probably ranks as the most enjoyable and interesting match Summertown has played. The Howns baited first and had a strong side in the field. G. Holiday was got rid of cheaply, King holding a hot one at point. R. P. Abrahams batted soundly for his 46 not out, and Davies, the Down's captain, got five nice fours. King caused considerable amusement with his high dropping deliveries, but the laugh was on his side when he accomplished the sauciest 'hal-trick' imaginable—two' from the clouds' and the third a ball the latiman probably did not see. Buns worm nover, easy, nevertheless it was good work to dispose of easy, nevertheless it was good work to dispose of Jowne for 121, and the Summertown team sat down to tea quite satisfied. The earlier Summertown batsmen did splendidly and the 100 was hoisted with only five wickets down, and it looked

an easy win for the visitors, but Holiday got on the spot and four men were out for an addition of 11 runs—two wickets to fall and 31 runs wanted! Hodge was still in when Barrett joined him, and the score went up steadily. Then Holiday got a good one past Hodge, but the captain remained to pull his side through, and Edic Thurland, who kept wicket well for Summertown, had the satisfaction of making the winning hit. Holiday took six wickets, all clean bowled, for 51."

HEADINGTON THURSDAY TEAM.

There is great enthusiasm for the game in the Thursday section of the Headington Club, who run two teams weekly, and have a splendid programme. Last Thursday week they paid a visit to Bicester and, after dismissing their hosts for 121, proceeded to put together the fine score of 270 for 7. W. Parriman, a useful all-rounder, made 46 and teok 5 for 20, but outstanding was Geoffrey Walker's not out innings of 152, eaid to be the highest individual score made on the Bicester ground. It included three sixes and 24 fours.

MOIRRIS' AT MAIDENHEAD.

A Morris Motors team visited Maidenhead, where Stone took the occasion to bowl in sensational form. On certain wickets he is one of the most dangerous bowlers in local cricket, and I can well believe he was almost unplayable, as his figures of 8 for 31 suggest. It was not at all a "nice" wicket on which to bat, and this makes the runs of R. Thornton, J. Senior and M. Gumbrill all the more noteworthy. Guy Sturges did not bat and Len. Rogers was not playing, so Morris can be well satisfied with their three-wicket win.

THE CHURCH ARMY PRESS.

On Saturday the Church Army Press entertained the Battleaxe C.C. (London Headquarters). The party arrived by motor-coach and, after a visit to the works at Cowley, lunch was served at the Cadena Cafe, and was followed by a short tour of several of the colleges, after which the team journeyed to the Wadham College ground to meet the Press XI. The visitors won the toss and put together the useful score of 144, and are to be congratulated upon their cricket, the bowling and fielding being much improved since their last visit. At 4.40 tea was taken, and a few words of welcome given by the President of the Works? Club (Mr. Montague Rose). After the interval the Press could only muster 137 runs, the visitors winning an interesting and exciting game by seven runs.

THE OLD COLFEIANS.

THE OLD COLFEIANS.

The Old Colfeians have commenced their annual tour of this district and are proving themselves a good lot of cricketers and, what we have always considered them, a sporting lot of follows. How enjoyable these tours can be if you only have the right type, as the Old Colfeians have in abundance. Their first match was at Woodstock, where they led off with a Sorun win, thanks to the capital bowling of Wise, who took 6 for 18 rui

THE "TFI.EGRAPH" CUP-2ND ROUND.

The matches in the second round of the "Telegraph" Cup were also completed on Saturday, and the semi-finalists are:
Clarendon Press v. South Oxford.

Headington v. Wolvercote.

Thus the Press and Headington have representatives in the semi-finals of both competitions. Headington won against the Church Army Press through the bowling of tireen and Smith, and it was also the bowling of Phipps (5 for 14) and Wiggins (5 for 20) that enabled South Oxford to dispose of Summertown. The Clarendon Press got home by four wickets, Rawlings taking 7 for 20 and Day 3 for 24, while Cowley St. John were unfortunately obliged to scratch to Wolvercote.

MINOR COUNTIES' CHAMPIONSHIP.

OXFORDSHIRE v. BERKSHIRE.

OXFORDSHIRE v. BERKSHIRE.

Oxfordshire were heaten by three wickets by Berks at Reading yesterday, after a most interesting match. On the first day the visiting County completed an innings of 249. L. Rogere playing a fine innings of 63. Berks replied with 182 for 8, and so were 67 in acrears. These 67 runs were forthcoming on Thursday, principally ewing to a fine forcing innings by Reg. Palmer. Oxfordshire, however, missed some catches, and the result was the first innings ended in a tic. At their second attempt Oxfordshire, thanks mainly to Walker and Walters, again reached 200, and set Berkshire 200 to win. The game fluctuated. At one time four of the Berkswickets were down for 62, and though Reli and Woodburn made a long stand, the fifth and sixth wickets in hand, Berks were still 80 short of the required aggregate. It was now that Woodburn played a real captain's innings, and it was appropriate that he should still be in at the close, for his 73 was not only a very fine innings, but it went a long way towards turning the tide in favour of Berks and enabling them to achieve victory, which at one time seemed improbable. OXFORD CITY.

Oxford City played four games during the holiday period, winning one, losing two and drawing the other. The Beaumont Pilarims, a team of old Boys of Beaumont School, came to the Merton ground on Wednesday week, and won an exciting game on the post by one wicket. Henry scored 42 not out, Walters took 5 for 51 and Bradfield 2 for 24. On Saturday against Bath the visitors just raved the game, the City being unable to separate the two last batsmen, but Bath were extremely slow, taking 24 hours to reore 109 runs. Walters, in 23 overs, took 5 for 22, and Henry had 4 for 32. The other City team went to Heyford. "Billy "Smart, the old Corporation player, was pressed into service, and despite the fact that he has played very little cricket since the war, he had the remarkable analysis of 6 for 20. Swindon were the visitors on Monday, and they beat the City by 89 runs, despite the good bowling of Caccia (5 for 31) and Bradfield (4 for 40). Idoyd, of Swindon, knocked up 53 in 46 ininites, in striking contrast to Hart; who took over an hour to get 19.

North Oxford played the first of their two games against Shipton, where they were the visitors, on Saturday. Batting first the Oxford side made a poor show against Hambidge ?? for 47) and Longshaw (3 for 56), who bowled unchanged, and then when the home side went in Bartlett, who made 60, was missed three times in one over, and other changes were put on the floor. No wonder, in the circumstances, that North Oxford, who entertain Shipton to-morrow in the last match of their "week," were beaten.

I am sorry that owing to heavy pressure on our space this week it is not possible to set out all the scores. Those cut out are summarised in the usual column. Elvaston met the P.O. last Thursday and lost a fine game by three runs. W. Dalton had a good match for the firm, scoring 42 and taking 6 for 48, while he was well supported by Illumphries and Moore. The feature of the P.O. innings was a 56 by A. R. Coles, who used to play for Cowley St. John several years ago.

Continuing their tour the Old Coffeians met the Witney Old Grammarians on Wednesday, North Oxford on Thursday, the College Servants on Friday, and Morris Motors in Saturday. For the Grammarians Busby and Jennings were to the fore with the bat, and for the tourists Peterson hit up 63 and Curnow took 9 for 37. For North Oxford Wyatt hit up 119 and Murari 85, and the two Curnows were again to the fore, "It." making 60 and "V." 22 not out, the latter at a critical period. The Servants had the pleasure of lowering the tourists colours, T. Allen hitting well for 57 and Field taking five wickels. The match against Morris Motors was drawn, and in this It. Curnow was not out 119. I.e.n. Rogers made 62 and Guy Sturges 85. It goes without eaving that the tour has been most enjoyable and that the tourists will experience no trouble in getting opponents if they decide to come to Oxford another year. THE OLD COLFEIANS.

OXFORDSHIRE CRICKET LEAGUE. DIVISION I.

DIVISION I.

At Headington the pitch seems to have been in very poor condition, otherwise it is hard to account for the low scoring and to the fact that no less than nine players failed to open their account. There were also three players run out, which suggests that it was no easy matter to judge the pace of a hit on the slow turf. Heymeson met this fate after scoring 25, and except for a stand between E. Cox and T. Gurl, there was nothing else in the Headington batting that calls for comment. Rowland Ward returned an analysis of 4 for 28, and Massey and Merriman each took two wickets for, respectively, 7 and 5. Cook and Stonebridge gave the visitors a capital start and Ward played with his usual steadiness. The success of these batsmen was very timely, as afterwards the wickets tumbled down and the Headington total was only exceeded by 19 runs, sufficient, however, to keep South Oxford at the top of their division with the Motors, who they have still to meet. Heymeson (3 for 23) and A. Gurl (3 for 33) took most of the South Oxfords.

Gurl (3 for 33) took most of the South Oxford wickets.

In the match on the Running Ground Cowley St. John were heaten by the College Servants by five wickets, and both clubs now have the same record, three wins and one loss. The Cowley St. John hatting, on a wet wicket, was not very convincing, but Carter and L. Walker showed that the bowling was not so terrible as some of the others made out. Still Allen (2 for 53) and Field (5 for 34) made all the batsmen fight for runs, and the veteran Gillam (3 for 19) came on to show that his hand has not yet lost its cunning. W. Allen and Field gave the Servants a fine start, having 91 on the board before they were parted, but there was then a bit of a collapse and five of the side were out for 106. At this juncture Parker and Gillam became associated, and putting on 51 won the game for their side, both showing confidence and skill. The Cowley St. John bowling, on an improving pitch, was not so good as that of their opponents, who preved themselves the stronger all round side, with Field the outstanding figure.

The Y.M.C.A. made a poor show against Morris Meters on the Christ Church, ground, and part

the outstanding figure.

The Y.M.C.A. made a poor show against Morris Motors, on the Christ Church ground, and met with their third defeat in four games. The Motors made light of the Y.M. bowling, treating it at times as if it was on a level with 2nd Division cricket, and the result was that at 194 for 6 their captain declared, after dashing innings by Grorge Sturges, Gun.orill, Eagles, Clarke and Ferryman, With the bat-the Y.M. did little better, being dismissed for the poor score of 50. Ferryman was again to the fore, taking 7 for 25, while Sturges had two for 21.

taking 7 for 25, while Sturges had two for 21.

A fine stand by J. Gurden and Justice, coupled with the good bowling of Malyon (4 for 25) and Coulson (5 for 19) enabled the Church Army Press to beat Summertown by 155 runs, and so return their best League win of the ceason. The Church Army are probably a much more effective side on a bowlers' wicket, and they may yet give the leaders of their section a shock. The Summertown batting suffered a bad break-down, and it will be noticed that eight of the side were clean bowled, which suggests that the Keble wicket was a bit tricky.

In the Second League Kidlington had another win, beating the College Servants by 63 runs. Mellor, the old Balliol College cricketer, took six wickets for the winners, whose batting was better than that of the Servants, for whom S. Smith took 8 for 58. Cowley St. John host to the Victoria by 25 runs. Allaway batted nicely for the winners, as did R. Pulker for Cowley St. John, but the feature of this game was the feat of Florry, who, coming on when six were out for 73, took four wickets in one over for one run. Meadows backed him up well with 4 for 22. Cumpor were successful against Eynsham by 32 runs. Fleet (3 for 11), Walker (3 for 12) and Bennett (4 for 30) bowled well for the winners, and Fleet made the highest score. Axtell with the ball and Pimm with the bat fared best for Eynsham. Titup beat Cowley by 24 runs. Wright and Baugham made a long stand for the ninth Titup wicket, when nine had fallen for 90, and with the ball Plumley took 6 for 64. Hodgkins had a capital match for Couley with 55 off the bat and 6 for 44. Summertown II, visited South Oxford on B.N.C. ground and took revenge for their "Telegraph" Cup failure, and at the same time practically made a rain of the headship of their division. Ward (51 and Green (20) put on 59 for the first wicket, and other good batting display-helped to swell the total to 161. Despite a good hard knock by Badge (43), South Oxford were all out for 97. Merr. Garages turned up with only nine men at Essf id, who made the occasion one in which to score the highest total on their ground. C. Brown teak 4 for 6 and F. Painton 3 for 6. Church Army Press II, boat Morris Motors II, by 17 runs, the feature of the game being a good innings of 74 by W. Levett, a youngster who has only just left school. The scores of the Wolvercote and Wytham match have not been sent in.

A meating of the sub-committee of the League met on Saturday to settle the dispute between Combe and Kidlington, the secretary of this Pression.

OXFORDSHIRE COUNTY C.C.

OXFORDSHIRE COUNTY C.C.

The County conclude their 1928 Minor County Championship fixtures on Merton ground next Monday and Tuesday, when they meet Berkshire in a return engagement. Owing to holidays, several players invited to assist have had to send back refusals, while Harry Walker will be on his honeymoon. A. H. Phillips, the Soccer Blue, will, however, be making a first appearance. The eleventh place has not yet been filled. The selected team is: Captain Henry, S. C. B. Lee, F. Hartley, A. H. Phillips, J. A. Rogers, J. A. Howells, G. Coppock, with Rogers (L.), Thomas and Walters.

Since writing above I hear R. A. Phayre will complete the County side.

OXFORD CITY.

OXFORD CITY.

Some members of the Oxford City Club are at the moment on tour in Hampshire, under the management of Mr. J. R. Benson. This neighbourhood is breaking new ground for the club, who, as in former years, have not been able to command their full strength and have had to enist outside help. Cricket tours are always enjoyable, and this one should be no exception to the rule. The stay-at-home team wom against Lechlade last Thursday and lost to Banbury on Saturday. The former match was notable for the success of Kyd, who played good cricket for his E. In this match were three players whose aggregate ages were 197—T. F. Meade (68), J. R. Benson (65) and J. W. Piper (64). That there is still cricket in them was shown by Meade, who batted 90 minutes without giving a chance, and Piper, who besides keeping in his best form, made the winning hit, a four, off the only ball he received. The scoring in the match on Saturday was singularly low, bearing in mind that the pitch had fully recovered from the rain. There were two good all-round performances by R. P. Thomas (22 and 6 for 45) for the City, and by P. Bullock (28 and 4 for 21) for Banbury.

Previous to opening their bour the City travelled to Aldershot on Saturday and met a very strong side of the R.A.S.C. They did well to dispose of their hosts for the comparatively low score of 204, and for this achievement they were indebted to Walters (4 for 62) and Blackwell (5 for 60). At the outset of the City innings the batsmen were on top, but the tail failed and the R.A.S.C. won a good match by 32 runs. Walters played a fine innings of 42. The opening match of the tour was against the Hampshire Hoge at Southampton on Monday and Tuesday, Johnny Arnold assisting the home side. The Hoge had first knock and were dismissed for 189, Weltare taking 5 for 48. The City replied

with 160, Rogers, Bowell and Wood all being to the fore. Going in a second time the City dis-missed their opponents for 193, Henry taking five wickets for 34. The City, left with 172 to win, had very little time, but Rogers and Walters, scoring 120 runs in 55 minutes, brought off the seemingly impossible and enabled the City to open the tour with a success of eight wickets.

THE OXFORD DOWNS.

The Oxford Downs visited Faringdon on Saturday and took part in one of those games which make oricket what it is. The home side went in first, and thanks to Barton and G. Weaving scored 109, Pickford, K. Florey and Holiday bowling quite well. The Downs got off the mark allright and then collapsed a bit, and when No. 11 came in four were required to win. Ricketts found his way through Pickford's defence without addition to the total, and so Faringdon got home by four runs.

NORTH OXFORD CRICKET WEEK.

NORTH OXFORD CRICKET WEEK.

The North Oxford Club held its first cricket week from Monday, August 6, to Saturday, August 11. A very attractive fixture list was arranged, and a few of the members working away from Oxford managed to come and play. The club won all six matches, which was a distinctly encouraging start to what they hope will become a recognised annual event, not only with North Oxford members, but also with other clubs. Fine weather prevailed during the whole of the week, and not once was play stopped because of the rain. H. C. Halliday (captain of the club) and Cecil Wyatt proved themselves invaluable in their experience and play on the field, and Basil Rogers, the groundsman, prepared splendid wickets. The following is a summary of the matches:

AIREY CUP-SEMI-FINALS.

HEADINGTON AND MORRIS MOTORS IN THE FINAL.

HEADINGTON AND MORRIS MOTORS IN THE FINAL.

As a result of the semi-finals of the Airey Cup on Saturday, the final, on August 24 and 25 will be between Headington and Morris Motore, who should put up a very good match. The most unbooked for result on Saturday was the way in which the Clarendon Press allowed themselves to be overwhelmed by the Morris Motors. In some quarters a popular "tip" for the cup, the Press collapsed like a pack of cards, and can offer no excuse, save nerves, for their worst performance of the season. I had been told that the team that despised the Motors at Cowley was asking for trouble. I do not know if this is the attitude of mind in which the Press went into the field, but if so they had a rude chock. There was one moment at the start when the Press supporters had visions of victory, and this was when Colling, the hero of the Wolvercote and Police matches, clean bowled the first Motors bateman with only a few on the board. But Simms, himself the son of an old Press cricketer—the irony of it—and Clarke offered a stout resistance, and by tiring out the bowlers made it easier for Eagles and Ferryman, who in a large pertnership made the Press bowling look easy and the Press catching become epidemic. The result was the visiting team had te go in to get 265. The moral effect was too much, and Ferryman and Buckingham went through them for 58. Ferryman took 6 for 32 and Buckingham 4 for 20. Both these players are old country cricketers, Forryman halling from Leafield and Buckingham from Witney.

"Wheever wins the toss will win the match. The Headington pitch breaks up very quickly from Leafield and Buckingham from Witney."

are old country cricketers, Ferryman halling from Leasied and Buckingham from Witney.

"Whoever wins the toes will win the match. The Headington pitch breaks up very quickly and can be quite beastly." was a remark dropped by a cricketer discussing the prospects of the Headington and Servants tie on Saturday. Well, Headington went in first and won by 33 ruas. Three were out for ten, after which Heymeson and Burch pub on 67, a stand which went a long way towards winning the game, as afterwards the bowlers got on top again, the last five wickets falling for 2. The Servants started as badly as their oppone. losing their first three wickets for 12, and though Fletsher showed a lot of pluck and Guilfoyle (who was out to quite a brilliant catch by Dougles) and Dick Turner made a useful stand, the whole side were out for 68. Heymeson and Trafford sharing the ten wickets, the former's analysis being 5 for 26 and Trafford's 5 for 32. Parker, of the Servants, took 4 for 24 and Field 3 for 19.

"TELEGRAPH" CUP-SEMI-FINALS.

The semi-finals of the "Telegraph "Cup were also played on Saturday, resulting in wins for Headington over Wolvercote, and for South Oxford over the Clarendon Press. The final between Headington and South Oxford is due to be played this week-end. Headington overwhelmed Wolvercote, and the match was a personal triumph for R. White, who scored 49, and for H. S. Garrett, the son of an old cricketer, who took nine wickets for 12 runs. In the other match the result was much closer. South Oxford, with only three wickets down for 50, looked to have the game well in hand, but with the score at 56 three more wickets fell, all to Day, who did the "hat-trick," and eventually with the last two together the game was a tie. The ball was hit to mid-wicket and both went to make the run. It was a very close thing, the ball was thrown to the wicket-keeper rather wide, and as he got the bails off Wale just got in. Most of the Press players took the decision badly. There were no neutral umpires available, those who had been asked were unable to do it and the game was umpired.

OXFORDSHIRE CRICKET LEAGUE. DIVISION I.

DIVISION I.

The matches in the Oxfordshire League on Saturday had some bearing on the question of the semi-finals. For instance, by beating South Oxford, Morris Motors are practically certain to figure in this stage, in which they will ment either the College Servants or Cowley St. John, who having identical records will not know their fate till to-morrow evening. The Clarendon Press, who have a bye in the semi-final, will, however, have to wait still another week before they know their opponents for August 31 and September 1, that is if they beat Cowley to-morrow. If they lose they will have to replay with Witney Swifts.

Morris Motors met South Oxford on B.N.C. ground and ran up a score of 172. This was due almost entirely to two partnerships, one between Stone and Herman and the other for the last wicket by Adams and Clack. The bowling of Jones was one of the chief features of the South Oxford cricket, and he deserved every one of his six wickets. The collapse of the home side with the bat was quite unexpected, but Stone (6 for 20) and Sturges (4 for 17) bowled really well on a pitch which unexpectedly gave them some assistance.

By calling up some of the "old Guard" the Servants were able to fulfil their League engagement against Summertown, and the veterans did being beaten by 79 runs. Bateman played as well as ever for his 75, Ted Sims showed that practice is not always a necessity, and Crumley hit quite hard for his 63. The result was a for King to get his eye in, but Gillam bowled him for nine, and though several creditable efforts followed, the innings closed for 151. This was a very good performance, which clearly shows that some players, who lose their zest for the pensable.

Cowley St. John had critis

Cowley St. John had quite an easy task against the Church Army Press. H. Walker and Carter put on 110 for the first wicket, and the innings was closed at tea-time for 260 for S. Harry

Walker, in his 146, hit 19 fours. The Church Army never recovered from a bad start—three	Servanta sant a run si	wickets, and Cowley St.

MINOR COUNTIES CRICKET CHAMPIONSHIP.

OXFORDSHIRE v. BURKSHIRE.

OXFORDSHIRE v. BERKSHIRE.

Oxfordshire entertained Petkshire in a Minor Counties Championship game on Monday and Thesday. The first day's weather was pood, but the wicket tavoured the bowlers, and but for good innings by Walters. A. G. Best, A. H. Phillips, and Thomas for Oxfordshire, and by D. W. Stokes and Sayles for the visitors, rims would have been scarce. Batting first, Oxfordshire made 203, of which Walters made an invaluable 39. Best 45 not out, and Phillips 37. Thomas had a lively knock of 22. being at the wicket less than ten manutes. Reli took six wickets for 72 roms for Berkshire and Woodburn tour for 63. Relf bowled forty-two overs. After a good start by D. W. Stokes and Sayles Borkshire failed completely and were all out for 110 to a varied attack. Tuesday proved dull, and rain twice drove in the players before lunch. Woodburn and Relf again bowled well, and the former claimed four wickets in the morning. Frank Hardey, not out overnight, made free with Woodburn's bowling before being caught in the deep field for a lively 27. After Hartley's dismissal Oxford were quickly all out for the small total of 94, Woodburn taking six wickets for 55 runs and Reif three for 34. This left he visitors to get 188 to win, and they did so before five oclock P. F. Remnant, R. C. Homan, D. W. Stokes and Relf getting most of the runs. Score:—

OXPORDSHIRE,
F. Hartley b. Woodburn.

MINOR COUNTIES' CHAMPIONSHIP.

COUNTY LOSE LAST MATCH.

WINOR COUNTIES' CHAMPIONSHIP.

COUNTY LOSE LAST MATCH.

Up to a point the County were doing remarkably well in their last match of the season against Berkshire on the Merten Ground on Monday and Tuesday, but had batting on Tuesday turned a likely victory into a four wickets defeat. A feaure of Oxfordshire's innings, however, was the sound latting display given by Aubrey Best, the South Oxford cricketer. Going in first on Monday the County's opening batsmen found runs difficult to get against the bowling of Relf and Woodburn, and Hartley. Rogers and Lee all left early, but Walters and Aubrey Best then settled down'to play attractive cricket and after the former had left Best found an admirable pastner in A. H. Phillips, the old 'Varsity Blue. Thomas also hit lustily and the good score of 203 was the result, Best carrying his bat for a fine innings of 45. With the exception of Stokes and Sayles the Berkshire men could do little against the County bowlers, and Captain Henry varied his attack to such good purpose that the visitors were all out for 110. Sales (37) and Stokes (29) were the chief contributors to this total. On Tuesday, however, Woodburn bowled to such effect that Oxon's second innings only realised 94 runs, Hartley (27) and Best (20) being the principal rungetters. Woodburn secured six of the County's wickets. Berkshire were jet 188 to win and Sayles left early, heing out to a good eatch by Thomas. The same player brought off a spectacular catch in the slips to dispose of Woodburn and J. Rogers took a catch low down to dispose of Stokes who was batting well. Three more Berkshire wickets fell, but Remnant and Human dug themselves in and hit off the necessary runs.

CITY C.C. SUCCESSFUL TOUR. UNBEATEN IN ALL MATCHES.

UNBEATEN IN ALL MATCHES.

The City C.C. concluded a most successful tour, the fifth of its kind, on Saturday, and remained unbeaten, a distinctly creditable performance. Another feature of the tours have been that at least one century has been ecored on each. In the match against Deanery at Southampton on Weslnesslay week the City won by four wickets. Deanery made 183, of which R. C. H. Connolly claimed 81 and T. V. Hollingworth 40. Henry took four for 44 and Arnold four for 17. Young Arnold hatted soundly for his 63 ir the City's innings and Walters helped to knock off the necessary runs. The following day the City played Ryde and the match proved to be an exciting one. Consistent secring enabled Ryde to total 165, and five runs were required when Briscoe, the City's eleventh man went in and these were obtained. The United Services (Portsmouth) provided very poor of position on the Friday. H. T. Lewendon and Arnold gave the City a good send off and Bowell and Pickering put on 115 for the seventh wicket, and the City captain declared with his score 264 for six. The United Services fared badly acainst the bowling of Walters and Henry and were dismissed for 101. K. A. Sellar, the Rugby international, turned out for the Services. The City's were in a strong position in their match with Havant when stumps were drawn. Havant put together 257, Henry being the most successful with the ball, claiming five for 75. The City's first wicket put on 131, and Lewendon played faultlessly for his 114 not out.

OXFORDSHIRE CRICKET LEAGUE. DIVISION I.

DIVISION I.

The College Servants gained one of the most brilliant victories of the season over Cowley St. John. Batting first, they kept in until 5.30 on a perfect wicket for the fine score of 224 for three, one of the highest of the season. Allen and Spindler dug themselves in early and to continue the simile reoted and sproated like the prosperous vine. When Allen left the core was 139—1—85. The Servants' skipper played well, coming down hard on the ball and using, when his eye was well in, a few andactone strokes. Spindler pressed the cent my before he was out to a good catch. He is a left-hander, very watchful, with strong defence an occasional hard off-drive and a clever deflection to leg. Neither he nor his skipper gave a chance and both are to be congratulated on a praiseworthy achievement. The end of the innings was enlivened with some sparkling strokes f om Field in an effort to force the pace. The Cowley St. John bowling, despite the heavy toll taken from it was never really "collared" but all who went on, save perhaps young Buller, seemed unable to get any life out of the wicket. Their batting, on the other hand, was feeble. The pitch remained good to the end and they only had the lowering sun to bother them. Most of them got themselves out with unorthodox strokes, the result one fears of a too pronounced levity in the nets. The fielding of the Servants was splendidly keen, and in fact in every department they showed themselves vastly superior to their opponents, whose heaviest defeat this must surely be.

be.

Morris Motors found run-getting easy against the Y.M.C.A. R. Thornton (73), B. Herman (60) and George Sturges (57) all helped materially towards Morris' huge total of 319 for nine wickets, Thomas, Hunnisett and Hutchins shared the Y.M.C.A. attack, which proved very ineffective against a strong batting combination. The Young Men replied with 77, Greenwood and Hutchins being the only two batsmen to stay any lergth of time. George Sturges obtained five wickets for 40 and Stone secured the same number for 32 runs. ber for 32 runs.

ber for 32 runs.

By beating Cowley, the Clarendon Press qualified to enter the final stage of the League. It is several years since the Press hav figured in the final and I wish them every luck. A well-varied Press attack, in which young Collins again did well, taking four wickels for 27, proceeded to send back Cowley for the moderate total of 117. H. Stroud and S. King were the only two Cowley batsmen to provide any opposition. On the Press going in they lost two or three good wickets very cheaply, but Nurser, the captain, set an example to his side, scoring 22, and Weller contributed an invaluable balf century, when runs were badly needed. Two runs were needed to win when Collins (No. 10) went in and he was foolishly run out before scoring and the last man was hadly missed without addition. It was left to Cowley to give the Press victory, four byes doing the trick before Collins clean bowled the last man. R. Collins (five for 51) was the most successful Cowley trundler. Cowley trundler.

Thanks to a fine not out innings by Aubrey Best, who has made a welcome return to the side. South Oxford were able to beat Headington by 47 runs. T. Gurl bowled well for the losers, but Best carried the score along at a fast pace and had two good partners in P. Cooper and H. R. Mace. Headington found the varied attack of South Oxford's too good to get the necessary runs but made a good fight of it. Neither side was at anything like full strength.

Summertown put up a poor show against Church Army Press. Malyon, the Printers' bowler, was in irresistible form, and with the exception of Barratt, the Summertown batsmen could do little. Barratt opened the innings and was undefeated at the close with 51 to his credit. In the Church Army Press' innings Fletcher left early, but Glanville and Malyon found runs were easy to get with the result that Summertown were beaten by nine wickets. Malyon followed in his bowling success with a brilliant 65.

feature of the game between Kidlington and the College Servanta on the latter's ground. With the exception of Darlow, none of the Servanta played the Kidlington bowling with any degree of confidence and the village team found themselves in the position of having to get 71 runs to win, an easy task on the small Servants' ground. Smith retired after completing his century, his innings including one five and 18 fours. Wilsdon did the same after he had collected 50 runs, and when stumps were drawn Kidlington had scored 190 for six.

Cowley St. John second eleven suffered the fate of their seniors in their game with Morris Motors which the latter won by 22 runs. George Arlett showed his side that the bowling could be "collared" in his 63, and Washington and Hornblow got into the twenties and a total of 123 was the result, not a very formidable task. Lyn and England put on 70 runs for the first Cowley St John wicket and it looked odds on an easy victory for the "Jacks." but Burgess, getting on the mark, brought about a startling collapse and the rest of the side were out for 30 runs.

The game between the Church Army Progrand

The game between the Church Army Press and The game between the Church Army Press and Victoria resulted in a runaway victory for the latter. R. Gurden was the only player on the Church: Army side who ever looked like getting runs against Keene and Meadows. Keene took 5 wickets for 14 runs and a similar analysis was returned by Meadows. Goodby, Reynolds and Belcher made merry at the expense of the Church Army bowling and with "Mr. Extras" wading in with 29 Victoria registered 201 for five. Elsfield finished their League programme with a win over Cowley. Elsfield scored 51, after Cowley had got nine down for 25. Watts, the last man, hilting out hard. Hodgkins took five for 20. Cowley started well, but most of the battsmen got themselves out; Payne went in first and was last out after it looked as though the last wicket might pull it off. M. Newell (four for 23) and Brown (four for 14) were the Elsfield lowlers.

Extraordinarily low scoring in the match be-tween the Clarendon Press and South Oxford on the good Balliol wicket was due to very poor bat-ting on both sides, coupled with the fact that the bowling was always on the wicket. Very few losse balls came down during the game and the fielding on both sides was very keen. A strange coincidence was that G. Shorter for South Oxford and F. Jacobs for the Press returned the same bowling analysis, seven for 13.

Wolvercote were no match for Cumpor in their Wolvercote were no match for Cumnor in their Division II, game. In the Cumnor innings F. Bennett hit hard and freely and retired after making 52. Holorough and R. Bennett howled well for the winners and P. Collett batted steadily for his 17 not out for Wolvercote.

Horspath got the batter of Stadhampton, due to some consistent batting by G. Walker, L. Hinton and P. Coppock. Cooper also batted well for Stadhampton. A correpondent writes stating it is a pity there are not neutral umpires in the league, as "some of the decisions in the match were appalling."

TELEGRAPH CUP—FINAL.

The Telegraph Cup goes to Headington this year by virtue of their win over South Oxford on Friday and Saturday. Last year they reached the final only for it to be snatched from their grasp by the Victoria. Batting on a nice wicket South Oxford compiled the useful gover of 167, thanks to some fine cricket by L. Brown, who remained undefeated at the close with 42 to his credit, L. Hedge 32 and W. Hiera 30. Morris (six for 29) did most damage with the ball. Headington did better than their opponents in their first knock, Niewman and Taylor putting on 63 for the second wicket. But Headington have to thank Berry and Smith for their first innings lead, as with five wickets down 83 runs were equired to equal the Scuth Oxford score. Berry and Smith took the score to within ten of their opponents' before they were parted. Headington held an advantage of 37 runs on the first innings. South Oxford collapsed in their second venture and could only collect 83 runs. Over-eagerness on the part of some of the batsmen resulted in three teing run out. Set 47 to win, Headington made light of the task and with the early dismissal of White, Newman and Taylor carried the score along until the negressary runs were obtained, the Hillmen thus winning decisively by nine wickets.

WITNEY LEAGUE. DIVISION L

Combe are largely indebted to A. Collier for their win over the Witney Swifts. Collier contributed 52 towards his side's total of 118 and Bushy and Margetts ekittled out Witney for 55. The Swifts' groundsman had evidently taken advantage of the recent showers and prepared quite a good pitch, all the Combe players being enamoured by it.

MORRIS MOTORS BEAT OXPORD CITY. Morris Motors Airey Cup team played Oxford City on Merton on Saturday and declared very sportingly at 153 for eight, leaving the City plenty of time to obtain the runs. For the Motors II. Simms batted well for 51 before he was run out. Y. J. Draper and F. V. Spiller, both old City footballers, were the only two City batsmen to put up a score, and Ferryman again proved his worth with the hall, taking five wickets for 58. MORRIS MOTORS. O. Ward, c. RAIN THE VICTORS.

What promised to be a good game between the City and Witney Mills was curtailed by rain. Witney, where the game was played, suffered in this respect more than Oxford. The City took a strong team over, Pickering bowling well for them. R. Early and J. Hill batted well for the Mills, and the City had lost one wicket for 18 runs when a downpour of rain drove the players inside.

A good game was that between Cooper and Stevens and Woodstock Clothiers. For the former Wastia butted well for 31 not out, and Kempster took five for 22. Hoare, going in late, hit up 18 in very quick time for the losers. A high scoring game was that between the County Council Staff and Adderbury, the fatter proving too strong for the Staff. Thame were in a winning position in their game with Wallingford when stumps were drawn. Some bright batting by the brothers Reiss enabled Wallingford to score 133 and Thame had lost six wickets for 123 when the game was stopped. THE AIREY CUP FINAL.

THE AIREY CUP FINAL.

The Airey Cup this year has found a home at Headington, who beat Morris Motors in the final, on the Christ Church ground, on Friday and Saturday, by an innings and 36 runs. This makes the "double" for Headington, who, the week previous, secured the "Telegraph" Cupplayers. The Headington bowlers carried all before them on Friday, and with only R. Neale (18), E. Buckingham (17) and B. Ferryman (11) getting into double figures the very poor score of 75 was made. Faced with such a total the Headington batsmen started their innings with every confidence, and 203 runs were piled on. E. Cox gave them a good start, and Burch and Thompson carried on the good work. Going in seventh wicket Douglas hat tremendously hard for his 55, but he could afford to take risks. Contrary to expectations, Ferryman, who has been taking a lot of wickets lately, did not meet with very much success, his two wickets costing over 50 runs. B. Bennett was the most successful Morristrundler. Going in again on Saturday Morristrundler. Going in again on Saturday Morristrundler. Going in again on Saturday Morristrundler. Heymeson and Trafford did most effective work with the ball for Headington, the former taking ten wickets and the latter eight. At the conclusion of the game the Mayor presented the cup to the winners and congratulated them on their success. The gate receipts for the final amounted to £12 4s. 6d. MORRIS MOTORS.

OXFORDSHIRE CRICKET LEAGUE. SEMI-FINAL.

The best of cricketers may fail at the crucial moment, and this was evidenced in the game between the College Servants and Morris Motors in the semi-final of League I. on Saturday. Morris Motors, who had a particularly strong eleven in the field, got the Servants out very cheaply on a good wicket, G. Sturges and Stone being unplayable. The former returned the excellent analysis of 6 for 30 and Stone's four wickets cost 36 runs. Five of Morris' first batsmen left for 28 runs, and things began to look ominous for them. But J. Senior and M. Gumbrill came together and by steady and good cricket put on 40 runs and won the game. Parker batted soundly for the Servants. w.Cx

DIVISION II.

DIVISION II.

A keen game was that between Cowley St. John and Victoria on the Lincoln ground. At one time the Cowley St. John score was 48 for seven, and then Gallop and Newport came together and hit at everything. Uallop should have been run out when 22 and Newport was also missed. Keene bowled really fast, his four wickets costing 48 runs. The Victoria batted consistently and played more as a team. Florey, the captain again kept his end up, while Meadows batted soundly under excitement, to win a good game.

Morris Motors gained an easy victory over the Church Army Press. Batting first the former compiled 128, to which Borgess and Clark hoth contributed 25 each. Carter and Burgess then proceeded to skittle the Church Army out for 47.

Kidlington and Combe played their sectional final on Saturday, the former winning fairly comfortably. A feature of the match was the good innings by C. Bowerman, whose 43 included three fours and one six. There was some good fielding by both elevens, and also smart catching by the Kidlington players. Eight of the Comba players were caught.

OXFORDSHIRE LEAGUE-I-FINAL.

ANOTHER WIN FOR MORRIS MOTORS.

FINE BATTING BY ROGERS AND CLEMENTS.

Morris Motors won the final of the Orfordshire League, Division I., for the season 1828. It was their third success in four years, and though this achievement would be more creditable perhaps to a purely cub side, as distinct from one for which there is such a wide selection, there can be no two opinions that the honours went to the club that most deserved them. Cowley St. John placed the Lincoln ground at the disposal of the O.C.A., and it was generally felt that given fine weather the game would go into the third day, as, indeed, it did. Lincoln wickets are not merely good, they last well, and it is a tribute to its condition that in the course of the three days over 900 runs were scored and even then the turf showed no signs of breaking.

The Motors had the luck to win the toes, and their total of 214 was not as large as was to be expected. The highest and by far the best innings was played by Senior, a really good-class har. Guy Sturges and Herman also made runs, but neither was quite at the top of his form. There appeared to be a decided "tail" to the bestting, but throughout some of the men were very nervy, and credit is due to Collins and Numer for plugging away so well with the ball. The Press lost Cross with only one run on the loard, and then Kislinghury and Clements took the score to 72 before the former was caught. Clements continued to play well, and at the closs of play was 75 not out, and the score was 124 for 3. Nurser being dismissed for a stubborn 28. Then on Saturday Cloments found another useful partner in Piper, 31 being put on by these two for the third wicket. Clements' fine 'innings was terminated by a catch at 208. It was in overy respect a creditable innings, full of good strokes, played with considerable confidence. It is always an achievement to ccore a certury in a finul tio, and it is fitting that Clements should have won fama in this way, as he has for a long time been regarded as the best bat on the Press side. With only four out for 208 the Press had a mood chance to get well on top and Nurser would prehably have been wiser to promote Foster, as the howlers were probably a bit tired, and a hitter can be of inestimable value. Foster did his best later on, but no one save Weller could stay with him. Be that as it may, the Press wound up with the useful lead of 59, and then got rid of three of the Motors' hatsmen for 76 runs.

Therefore the wame was still in their favour, and if Rogers had been caught off a very hard return early in his great innings anything might have happened. The association of Rogers and George Sturges was really the turning point of the game, as this pair took the toal from 76 for 3 to 218 for 4, an addition of 142. Gumbrill proved another useful partner, and Stone went in for hitting. Rogers rea

In the 35 matches in the Senior League this season, up to and including the semi-final, the total runs secred reached the big figure of 10,091. The record score of 960 in the final makes a grand total of 11,051 runs for the season. In the ordinary sectional games there was one team innings of over 300 (by Morris Motors), 13 of 200 and over, and no fewer than 36 innings of more than a century. Thanks to the splendid weather, it was easily the most successful season in the League's experience, and on all hands there is testimony to the keenness and enjoyment of the cricket. To wind up with, the final also beat all records in several ways. Never before has so huge an aggregate of runs been scored in it. The Clarendon Press totalled exactly 400 in the two innings—a score which in nineteen out of twenty such finals would have made them easy winners. But their opponents, Morris Motors, came along with 560 and so won handsomely, Len. Rogers creating another League final record (if my memory serves aright) by scoring a double century not out. It was a most pleasantly-fought and sporting game, and the cricket was undoubtedly first-class. Yet the fact remains, that the "gate" for the three days amounted to only £6 16s. With football "gate-grabbing" in August and the first weeks of September, there is apparently no hope for cricket finance in Oxford!

DIVISION II. EXTRA ROUNDS.

EXTRA ROUNDS.

There were so many sections (six) in the second division of the Oxfordshire League that extra rounds were necessary before the semi-finals. These took place on Saturday between Kidlington and Titup and Horspath and Wolvercote. The game between Kidlington and Titup was played on the St. Catharine's ground, where Kidlington won by 56 runs, due to a stand by Wilsdon and Bowerman and to the capital bowling of Buetin, who took six wickets for 24. The failure of Plumley with the ball was a serious handscap to the Titup side.

In the other match Horspath beat Wolvercote at Wolvercote by 70 runs. The Hintons and Walker dismissed the home club for 80, Warmington being the only batsman to face their deliveries with confidence. Horspath replied with 150, Walker, P. Coppock and Cooper being to the fore in the batting line. In the semi-finals this weekend Horspath meet Kidlington and the Victoria II. EXDLINGTON.

OXFORDSHIRE COUNTY C.C.

THE AVERAGES.

The Averages.

The record of the Oxfordshire County C.C. for the season 1928 in the Minor Countios' Championship was: Played, 8; won, 3; lost, 3; won on the 1st innings, 1. It was the first season of the captainey of Capt. B. J. Henry, who was the successor of A. F. Alington. The usual difficulty was experienced in getting together a side, but on the whole the team was often more representative than last season, and the record is by no means discouraging. Perhaps the chief features were the discovery of two young players of whom a great deal may be expected. One was Joev Rogers, an ex-City schoolboy, as a fast bowler, and the other, a wicket-keeper, in W. W. Inge, a son of the Vicar of St. Giles'. It will be noticed that Rogers heads the bowling averages, no mean feat for a young player. That he is a really fast bowler for a few overs cannot be denied, but his action is rather laboured and his arm too low, and if he intends following cricket as a career he will be well advised during the winter to eradicate these faults. I would suggest his being put under a first-class pro, at the Faulkner School of Cricket, or at Durston's School. Some crities scoff at action and form in a bowler, but a high delivery with perfect body work are really the first essentials in any successful bowler. Inge was not discovered till late in the season, and he is the most promising keeper the club have had for many years. As to the batting of the side, Harry Walker and S. C. B. Lee, the latter of whom returned after a season's absence, were the chief rungetters, and they received capital support from Walters (whose average, however, fell from 36.00 to 25.2). Len. Rogers, Hartley and Caldwell, a newcomer, by no means a young man. In the howling, Hartley, Thomas and Walters did yeoman service, but it is doubtful if Thomas and Walters were quite so good as in 1927. Frank Hartley's welcome return made a big difference to the side, and this dashing cricketer was equally good as bowler, batsman and fieldsman. As will be seen from the averag

Bowtell, of North Oxford, and Spindler, of the Servants, would be more likely to be successful than one or two of the young players tried this season by Oxfordshire. The need of a really good spin-bowler is still as great a necessity as ever. The standard of bowling in local cricket is lower than the batting, and the art of bowling is rapidly dying out, because the young fellows will not get the net habit and bowl two or three nights a week. Directly we develop our batting on sounder lines and bowlers begin to practice seriously. Oxfordshire will get the talent of which it is badly in need. Capt. Henry has been an enthusiastic and popular captain, but he would be well advised to insist on a stronger committee and not leave the selection of the team to those who see very little local cricket. There is a feeling in some quarters, under the present system, that in order to get into the County side you must be a member of the City Club. It may be quite unjustified. Still the assumption is there, and the only way to remove it is to put on the committee keen players of other clubs, with no axe to grind and with the interests of the County their sole objective. In this way there would be a wider interest in the O.C.C.C. and more subscribers.

JESSOPIAN INNINGS ON MERTON GROUND. A DOCTOR'S SEVEN SIXES.

A DOCTOR'S SEVEN SIXES.

Oxford City were concerned in two games last week, one on Thursday against the Northants Amateurs; and the other on Saturday against Andy Kempton's side, which included several Surrey pres. In the Northampton match the City howlers did quite well till Dr. Humphrey, who has played for Northannts, paned Holland. Then the trouble began. The doctor, who was born in Oxford and has expressed his willingness to assist Oxfordshire next season, at once began to hit out, and in the course of a really brilliant innings reached his 100 in less than three-quarters of an hour. He achieved the quite unprecedented feat of hitting seven sixes, four into South Parksroad gardens, one into Mansfield, another on to the bowling green, and the biggest of the let into Balliol ground at the corner near Merton pavilion. The doctor, who is an eye specialist, seems to be

the bowling green, and the biggest of the lot into Balliol ground at the corner near Merton pavilion. The doctor, who is an eye specialist, seems to be a very good advertisement for his profession. The spectators on the Merton ground said they had never seen such clean hitting, which apparently demoralised the City fieldsmen, who put on the ground all the chances offered them. Evidently there will be some competition for the "basket." In the circumstances the City scarcely deserved to save the game, more especially as the skipper does not appear to have made the best use of Walters, who in an innings of 286 took three wickets for 37.

Kempton's side on Saturday was composed of Shepherd, Barling, Geary (A.), Fenley, Daily and Baldwin, of Surrey 1st, Geary (H.), of Surry H., and A. Blackwell and S. Herbert, of R.A.F., Holton, and G. Coppeck, the Oxfordshire and Headington wicket-keeper a very formidable side. With Barling, Daily, Baldwin and Geary out for 114 the City were doing well, but Shepherd and Kempton put on 140 for the fifth wicket. Both batted with restraint at the start. Shepherd got his runs in 2 hours 19 minutes, and except for a hard drive to cover when 112 gave no chance, the same may be said of Kempton, who hatted for 75 minutes. Rogers, when howling weil, unfortunately strained his leg after seven overs, but Pickering, coming on when the score was 210, took 5 for 34 in nine overs. Both Shepherd and Kempton were brilliantly cought in

the long field by Clayton off his bowling. Thomas howled well without luck. The City responded with 183 for 5, of which a sound innings of 67 by Lewendon was the feature. He batted 1½ hours without giving a chance. The City never looked like getting out and feel very satisfied with the result. During the day 493 runs were scored for the loss of 15 wickets in 5 hours 13 minutes. Both sides fielded well, the ground fielding of the pros. and their returns to the wicket being an object lesson.

and their fecturits to the lesson.

FEAST MONDAY AT WITNEY.

FEAST MONDAY AT WITNEY.

For many years past there has been a cricket match in connection with Witney Feast, and these have always proved enjoyable events. Many of those present on Monday could remember when Dr. W. G. Grace and G. L. Jessop and other famous players used to be regular visitors, and although the services of such stalwarts are not now available, the annual match retains much of its popularity, but at the same time it warrants more support. The Witney Mills go to much expense to provide attractive cricket, and this year they secured the services of Parker, Mills, Bloodworth and Stevens of Gloucestershire; C. W. Dacro, the New Zealander, was unable to appear owing to the call of representative cricket. Very excellent arrangements were made by Mr. M. W. Fyfield.

Oxford City took over a fairly strong side and had first knock, but against the bowling of Parker and Mills they could only muster 55 runs, Clayton and Walters alone recording double figures. The left-hander took seven wickets for 19 runs, and Mills the remainder. the cost of 35 runs, It was anticipated the Mills would easily pass the City total, but the innings and the Gloucestershire pros. only mustered eight runs between them. Rogers took 2 for 6, Walters 4 for 14, and Pickering 4 for 10. In Oxford City's first innings. T. Smith, the Witney Swifts' wicket-keeper, had the satisfaction of stumping three batsmen. Considering he is not used to it he took the spin bowling remarkably well. The City fared little better in their second innings, and they were mainly indebted to Clayton, Blackwell and Rogers for their total of 66. The batsmen were never at home with Parker, whose seven wickets cost 35 runs. The Mills opened their second venture, and with the total at 48 for 3 the match ended, the not outs being Parker and Mills, and the three wickets having fallen to Rogers for 12 runs.

OXFORD FRIENDLY SOCIETIES' FINAL

ONFORD FRIENDLY SOCIETIES' FINAL
The final of this competition of the
"Zacharias" Challenge Bowl was played on the
Running Groun I by permit in of the College
Servants on Saturday, between the Manchester
Unity of Oddfellows and the Ancient Order of
Foresters. Two useful sides had been got together and a keen game was acticipated, but the
Oddfellows proved too strong for their opponents.
The Oddfellows batted first and knocked up a
useful total, their captain, C. Hore, being top
scorer with 44. W. Couling (3, 47). Trafford
(3, 16), Geo, Sturges (3-51) and Macready (1-14)
shared the bowling. The coresters found the
bowling of T. Gurl (5-33) and Plumley (5-35)
almost unplayable, the Oddfellows winning a
sporting game by 81 runs.
Bro. F. J. Archer (Foresters) said an endeavour had been made to revive this competition
after a lapse of seven years. He saw many old
faces among the players, but he hoped that some
of the younger members would come forward to
take their places and so keep the competition on
the move. He congratulated the Oddfellows on
their success.

AMOS GEORGE CUP FINAL.

COLLEGE SERVANTS AGAIN WIN.

COLLEGE SLEVANTS AGAIN WIN.

The game was played or Christ Church ground by permission of the Christ Church Amalgamated Clubs and the Y.M.C.A. C.C. The College Servants, winning the tosa, batted first on a good wicket. After a slow start they lost two wickets quickly, but Turner and Darlow added 50 by sound and careful batting. Later L. E. Chaundy hit well, and eight wickets were down for 100 runs. At this point T. Waller joined Haynes, and this pair surprised their admirers by adding 50 for the 9th wicket. Haynes was especially strong on the leg side, hitting the ball to the haundary four times. The innings eventually closed for 154, a good score. Of the College Servants hatsmen, Turner, Darlow, Chaundy and Haynes made the runs, and Varney kept a good length for South Oxford, claiming four wickets for 21 runs. The South Oxford fielding was excellent, especially their ground fielding. After the tea interval South Oxford commenced to bat. Their opening pair looked well set when Turner got two cheap wickets in two overs. Then followed a procession, the remaining lutsmen failing badly against the bowling of Chaundy and Darlow, and the innings closed for 34. South Oxford were unfortunate in only having 16 men, their last man being ill. The fielding of both sides was the heat seen in the competition since Oxford City won it the first season. Darlow took 3 for 17, Turner 2 for 10, and Chaundy 4 for 7.

Mr. Eric Turner introduced Mr. George, jun., who gave away the cup and medals in the absence of his father, who was unfortunately too ill to attend. Mr. J. R. F. Turner perposed a vote of thanks to Mr. George, and it was seconded by Mr. Sawyer, the College Servants General Secretary. Both capitains said a few words, and finally a message was conveyed from both elevens to Mr.

Thanks are due to the two gentlemen. Mr. Launchbury and Mr. Potter, who gave ap an afternoon to umpire.

OXFORDSHIRE LEAGUE_DIV. II. SEMI-FINAL.

Total 154

Only one of the semi-finals of the Second Division of the Oxford League was played on Saturday, this being between the second XI.'s of Victoria and Summertown, on the St. Catharine's ground, where a very poor wicket spoilt the game. Atkinson played a good innings for the Victoria, who won the match with seven wickets to spare. With the hall Mendows took six for 257 and Parsons six for 29.

The reason why the other semi-final between

Parsons six for 29.

The reason why the other semi-final between Horspath and Kidlington was not played is explained in the following letter from Mr. A. E. B. Underwood, the League II. secretary: "Horspath, who were engaged in the final of the Wyfold Cup, preferred playing in that final. The Oxford League Secretary had informed them that the semi-final of Division II. must take place on September 8, and after making all arrangements the Secretary of Horspath informed him that it was impossible to fulfil that engagement. Horspath, being one of the oldest clubs in the competition, should know that a League match under the Association's rules stands first. Mr. Underwood regrets this incident and had no option but to inform the O.C.A., who met on Saturday and after fully going into the matter decided that Horspath forfeit the game, and Kidlington enter into the final."

The final between the Victoria II. and Kidlington will be on the Christ Church ground to-morrow at 2.15. Umpires: Messrs. Drowitt and Underwood.

HORSPATH'S PROTEST.

HORSPATH'S PROTEST.

Mr. J. W. Rowley, hon secretary of the Horspath C.C., writes:

The action of the Oxfordshire Cricket Association in making Horspath forfeit the semi-final match with Kidlington (Oxford League, Division II.) because they could not play on September 8, is considered most unfair by the Horspath Club. The Wyfold Cup Final was arranged and edvertised weeks previous to September 8 and the Oxford League Secretary notified that Horspath would be engaged in that final on that date, careful attention having been paid to the Oxford League fixtures, which read (according to the list supplied to club secretaries) extra rounds August 25, semi-final September 1 (with no mention of the date of the final). Then, through the negligence of the League in not compelling Combo and Kidlington to play their sectional tie in midweck, as Horspath and Titup had to do last year, the dates of the extra rounds and semifinals were put a week later. Also on August 25 Horspath ought to have played Wolvercote, but the League allowed Wolvercote to postpone this match to September 1; Horspath being without a match on August 25. Then, at the last moment, the League wanted Horspath to postpone, their Wyfold Cup Final to play the semi-final with Kidlington. As all arrangements had been made for this final it was found impossible to postpone it, and the Oxford League was notified to this effect, and also that the Horspath Club was willing to play the semi-final any day the following week (har Sunday, there being a rumour that that they might be asked to play on that day).

The playing of the match in mid-week evidently did not suit Kidlington, who seem to be able to get their matches to suit themselves. This action of giving semi-final matches to any team is not conducive to good feeling among the clubs, and is certainly not in the interests of cricket. May I point out that the Oxford League programme is so short (with four teams in a section it only means six matches, with a possibility of extra round, semi-final and final), that country clubs, who are outside the radius for the Airey and "Telegraph" Cups, must enter some other competition or play mostly friendly matches. Had Combe and Kidlington played their tie in midweek (as I understand Combe were willing to do), the extra rounds and semi-finals could have been played on the dates as in the fixtures and the final on September 15 as at present arranged. Horspath have reached the final of the Oxford League (Division II.) three times and the semifinal twice in the last five years, but have never yet won the trophy.—J. W. Rowley, hon, secretars.

WITNEY LEAGUE.

DIVISION I. FINAL

Combe easily won the Witney League Final on the Mills ground at Witney on Saturday. Batting consistently well they ran up the good score of 238. A. Collier and W. Busby each contributing 59. Townsend and J. Pratley were the most successful of the Leafield bowlers. Against W. Busby, Winterbourne and Margetta, Leafield were dismissed for 90 and so Combe won the cup by the substantial margin of 148 runs. Score:

WYFOLD LEAGUE. FINAL

Horspath and Sandford-on-Thames met in the final on the Oriel ground on Saturday. Sandford won the toss and put Horspath in. It looked at first as if this was the right policy for Sandford, as C. Stone and F. Smith howled so well that the first three overs were maidens and with the score at seven C. Hedges was howled by Stone. He also bowled L. Hinton with his next ball, and got L. Munt Ibw with the last ball of the same over three wickets for seven runs. In his next over Stone got two more wickets, five Horspath men heing out for 9 runs. Then F. Coppock joined G. Walker, who was steadily playing himself in, and the score slowly mounted up. F. Coppock, a recruit from the 2nd XI., was playing one of his best innings of the season, and he Horspath and Sandford-on-Thames met in the

OXFORDSHIRE LEAGUE_DIV. II. FINAL

VICTORIA II. v. KIDLINGTON.

This final, left unfinished on September 15, was replayed on Christ Church Ground on Saturday. Victoria played the same team, whilst Kidlington made one change, P. Connor coming in in place of C. Bennett, who had met with a motorcycle accident and was not able to play. Kidlington batted first and made a bad start, two wickets falling for only 19 runs. The next wicket added 58 runs through good batting by S. R. Smith and R. Meilor. The total of 129 was not a big score on such a good wicket. Victoria II. had half an hour's batting before tea and made a disastrous start, four wickets falling for 13 runs. In the first over after tea another wicket fell (5 for 14), and eventually the side were dismissed for 58 runs. Kidlington winning by a good margin of 71 runs. For Kidlington S. R. Smith (33) and R. Mellor (40) batted well, and in bowling C. Bowerman (5 for 19) and A. Bustin (5 for 29) did all that was required. Off Bustin's first seven overs only three runs were scored and these were off the first ball sent down. In these overs he took three wickets. For Victoria Allaway and Meadows bowled best and only Reynolds and Barrett looked like making runs—a great contrast to the previous game, when nearly all the team batted well. The fielding on both teams was good, perhaps Gardner, of Kidlington, being the best. Kidlington have now won the cup two years in succession, a feat not previously accomplished by any club. Six of their team have figured in three finals and this number would have been increased if C. Bennett had been available.

At the conclusion of the match the trophy and medals were presented by Mr. J. R. F. Turner. Mr. Turner regretted that Mr. Claude Bippon could not be present, as he had always taken such a great interest in the working of the Oxford Cricket Association. He congratulated both teams on the splendid spirit in which the game had been played. Kidlington, he suggested, should enter for Division I., as having won the League, Division II. two years running they ought to enter better club cricket. He pointed out that the Victoria team included several players who had previously been connected with the Oxford schools' cricket scheme, and that they lad shown the value of that training both in playing and in their good sportsmanship. They certainly were to be congratulated on reaching the final, as they were quite a young team.

Mr. Palmer briefly responded on behalf of the Kidlington Club.

Afterwards the cup was put to its proper purpose and the success of the team was duly celebrated in the village.
