WEST WILTS LEAGUE.

Leigh Leather Works' Big Score.

Good batting and bowling performances were seen in last Saturday's games. In the first division "local Derby" between Broughton Gifford and Great Chalfield H. Dunford and R. Scrinie earned the bowling honours, each taking half-a-dozen wickets. B. Hobbs, the Westwood fast bowler, created disaster amongst the Shaw batsmen on their own wicket. His figures were 6 for 0, and all obtained without any assistance from fieldsmen. Some good batting was seen from E. Potter and L. Hobbs. Harding was the only Bradley player to share in their game with Hinton, and but for his batting, followed by a deadly spell with the ball, Hinton's victory would have been considerably larger. Harding took 5 wickets for 22 runs. Spectators at Chapmanslade appreciated the merry battling by their players against Wingfield. R. Laurence, V. Merritt and Chris. Dunning all had good figures, and when Wingfield replied E. Woods continued the entertainment with a smart 26, including a couple of 6's. This game was also notable for a remarkable bowling performance by C. Culverhouse, who had 6 wickets for only 8 runs.

Bearfield's victory over Trinity was very narrow. In the Trinity innings there were no fewer than three run outs, indicating the players' keenness for runs. Westbury Leigh's second string gave Spencer-Moulton a strenuous afternoon in the field, knocking up no fewer than 182, to which score seven batsmen contributed double figures. S. Sheppard topping the list with 37. Moulton's feebly responded, and a total of 43 saw them all dismissed. E. Allford was largely responsible for this, taking 6 for 5. Bratton took maximum points from Winsley, despite good bowling for the latter by Smith, who took 9 for 20. Wesley Road, by defeating Rode, had the honour of gaining their first 10-points victory since they entered the competition. Scores:—

WEST WILTS LEAGUE. Knock-Out Cup Business.

A meeting of the League Committee was held at the Rose and Crown Clubroom, Trowbridge, on Monday evening. Mr. Alan Young (chairman) presided. Also present: Mr. F. Moore (secretary) and the following club representatives:—Messrs. C. E. Beasley (Winsley), W. Abrams and W. L. Billings (Shaw), T. E. Hobbs and C. Culverhouse (North Bradley), B. Huntley (Wingfield), W. J. Pratten and C. Eyras (Spencer-Moulton), E. Harris (Westwood), H. Wilkinson and C. E. White (Bearfield), W. E. Jones and T. Wheeler (Chapmanslade), C. Colborne and A. E. Harmon (Hinton Charterhouse).

The Chairman referred to the death of Mr. H. S. Aston. He said the late Mr. Aston was at one time a prominent player for the Holt and Chalfield clubs, and was for a few years chairman of the League, in which he was always keenly interested. By his true sportsmanship and courtesy he had endeared himself to them all, and village cricket, in common with other associations, was the poorer by his passing. He moved that an expression of the League's regret be recorded in the minutes and that the Secretary convey their condolence to the relatives.—The meeting concurred, all present standing.

An unfinished game between Spencer-Moulton's 2nd and Bearfield, when the scores stood: Spencer-Moulton's 2nd 151, Bearfield 42 for 4, was ordered to be replayed.

The postponed cup-match between Spencer-Moulton's 2nd and Wingfield is to be played this Saturday.

The draw for the semi-finals, to be played on July 14th, resulted as follows:—Spencer-Moulton's 2nd or Wingfield v. Hinton Charterhouse, at Westwood. Umpires, Messrs. R. Harris and H. Lovetick.

Chapmanslade v. North Bradley, at Westbury Leigh (if possible) or Hinton Charterhouse. Umpires, Messrs. Sealey and Noakes. The final will be played at Spencer-Moulton's ground, Bradford, on August 4th, the umpires chosen being Messrs. W. Norris and G. Mortimer. The clubs concerned were allowed seven days in which to arrange the unplayed match between Chapmanslade 2nd and Wesley Road Wesleyans.

SALISBURY CRICKET WEEK.

Three clubs were entertained by Wiltshire County Cricket Club at the South Wilts Club Ground, Bemerton, during the Salisbury Cricket Week, which extended from Friday to yesterday. Each was a two-days' match. On Friday and Saturday, when the attendance was good, the visitors were Eton Ramblers. On Monday, when the attendance was over 1600, the match with the Surrey 2nd XI in the Minor Counties Championship opened in fine weather, and continued the following day, when after tea the game had to be abandoned owing to rain. For the last two days Dorset were the visitors.

THE SOUTH WILTS PLAYERS.

In aid of the funds of the County Cricket Club and the South Wilts Cricket Club, the South Wilts Players, a company of amateurs, gave dramatic entertainments at the Victoria Hall on Friday, Saturday and Monday evenings. In a pleasantly varied programme, humour predominated. Of four short plays presented, only one, "The Brass Door Knob," had the dramatic note. The secret of a new armoured car invented by a naval architect is sought by an enemy spy, who is cleverly outwitted by the wife of the inventor. Only the wife and the spy appear on the stage. The characters were interpreted by Mrs. Ellison and Major Ellison with great effect. They produced the tense atmosphere and dramatic turns of fortune with a skill that was heartily applauded by the audience. The first of the humorous sketches was "Five Birds in a Cage," an incident in a London tube lift, with humorous dialogue and the beginnings of a romance in humble life, in which the characters were capably taken by Mrs. McClure ("Susan, Duchess of Wiltshire"), Captain Fenwick ("Lord Porth"), Mrs. Fenwick ("Nelly"), Mr. Busbridge ("Bert") and Mr. McClure ("Horace"). In "That Brute Simmonds," Major and Mrs. Ellison scored another success as "Bob Ford" and "Mrs. Simmonds" respectively, and were assisted in the production of humorous situations by Major Montanaro, who made "Thomas Simmonds" an appropriately docile, conciliatory husband of a shrewish wife. The concluding sketch was "The Ministering Angel," in which the chief character that of the amazingly garrulous "Nurse Doodah," was cleverly portrayed by Miss Edith Olivier. Miss Rosemary Olivier played naturally in the minor part of "Mildred," the wife of the very patient invalid "Herbert," in which Captain Buckley added materially to the fun. An orchestra, under the direction of Mr. Randall Ellison, played the incidental music.

AN EXCELLENT "GATE."

At the concluding performance on Monday evening, Colonel R. W. Awdry (captain of the Wilts county team) expressed his thanks to all who had assisted in helping to make the Cricket Week in Salisbury a success. He said that work on behalf of county cricket in Wilts had been an uphill task. They had to thank the South Wilts Club for the help they had given in this direction. During the past three years the Committee had put in a great amount of work. They were disappointed last year in consequence of the bad weather, but this year the attendance was a great reward and some compensation for their labours. It was a wonderful thing to see 1600 persons at a cricket match in Wiltshire. Colonel Awdry congratulated Viney, the South Wilts groundsman, on the excellent wicket he had prepared. He said he had known the ground for a great number of years, and he thought it was impossible to conceive the improvement which had been brought about. (Applause.)

THE MATCHES.

WILTSHIRE CLUB AND GROUND v. ETON RAMBLERS.

On Friday and Saturday Wiltshire Club and Ground played Eton Ramblers and lost by five wickets. Batting first in a bad light, Wiltshire lost nine wickets for 86 runs. The total was brought to 156 by a splendid last wicket stand by C. E. Awdry and Captain E. G. Bartlett. The visitors made a good start and scored 86 before the first wicket fell. Only 27 runs were produced from the next three wickets, and the score quickly mounted with Benson and Taunton together. Eton Ramblers scored 252 in the first innings. On Saturday Wiltshire did much better in their second innings. A. A. Bankier made 62 and R. W. Awdry knocked up a useful 37. The total for the second innings was 204. Eton Ramblers obtained the required number of runs for the loss of five wickets. Scores:—

WILTSHIRE v. SURREY 2ND XI.

Surrey 2nd XI., who were entertained on Monday and Tuesday, last year secured a first innings win, and they scored a similar advantage this year. They were strongly represented, their team including no fewer than eight professionals. Surrey won the toss and elected to bat first. Pearce, a member of the South Wilts Club, took Cook's wicket when only one run had been scored, and when four runs had been secured Baldwin was caught. Pearce in his fifth over cleverly bowled Daily, who took nearly half-an-hour to make eight, and Cole fell before the same bowler with the score of 25. Runs were not easily obtained when Squires partnered Wilson, though the visiting team stood up better to the Wiltshire bowling. Between them Squires and Wilson made 42, when the latter was bowled by Smith. The score at the luncheon interval, when Squires and Mobey were together, was 96 for five wickets. For Wiltshire, Butler and Fuller started at the wickets, and were dismissed before the score had reached 14. Matters improved with Waters and Lovell-Hewitt batting, 31 runs being added before Lock bowled Waters. The score was 53 for four wickets when Bankier fell to A. Geary, and after adding seven more runs Lovell-Hewitt was dismissed by the same bowler. In spite of several changes in bowlers, Nash and Newman added 57 runs, and were unbeaten when the stumps were drawn on Monday evening. On Tuesday morning, however, when these two batsmen continued, Newman was bowled by Lock without adding to the score. R. W. Awdry, who then joined Nash, scored only four runs, being easily caught behind the wicket by Cole. Nash met a similar fate, and the innings soon closed. Before lunch Surrey had an hour's batting in their second innings. They lost three wickets for 44 runs, but by the interval Baldwin and Cole had increased the score to 71. Baldwin and Squires were the outstanding batsmen of the afternoon, the former registering 52 and the latter 68. At the tea interval the visitors, having scored 251 for the loss of six wickets, declared. Drizzling rain prevented Wiltshire from starting their second innings for an hour, and then Butler and Fuller made 15 runs. They were still batting when further rain forced the teams to abandon play. WILTSHIRE v. DORSET.

The concluding match of the week took place on Wednesday and yesterday, when in the Minor Counties Championship Wiltshire beat Dorset by an innings and 21 runs. Wiltshire disposed of the visiting batsmen for a total of 201 on Wednesday, and in starting their first and only innings made 180 for four wickets before the day's play closed. The Wiltshire innings was opened by Butler and Fuller. Fuller, however, was out lbw to Harrison before a run had been scored. Then Waters was clean bowled by Harrison before the scoring had started. Butler had made four runs when he was dismissed by Jowett. A change took place when Lovell-Hewitt and Bankier were partners at the wickets. The Dorset bowlers found it no easy task to separate them. Lovell-Hewitt scored freely, and after making 81, which included nine fours, he was caught by White. Lovell-Hewitt and Bankier brought the score from 8 to 157. Nash joined Bankier, who still batted effectively, and when stumps were drawn in the evening the pair were undefeated. Both batsmen continued yesterday morning to score rapidly. The score was at 221 when Bankier was caught at the wicket off Harrison, his 83 runs including seven boundaries. Wickets now fell more easily, but Nash stayed on long enough to make 136, this score including 20 fours. Wiltshire's innings closed at lunch time for 390. Batting again, Dorset started 189 runs behind. Four wickets fell for 75, and it seemed as though Wilts would have an easy victory. After two hours' batting the score reached 100. When Phillips was caught out after tea, five wickets were down for 119. White, who then joined his captain, Elderton, took 40 minutes to collect 11, when he was bowled by Butler. When Elderton, after making 54, was brilliantly caught in the slips by Butler, Wiltshire's chance of victory improved. Dorset then collapsed, Jowett being dismissed after making one and Harrison being cleaned bowled by Butler after scoring five. The game concluded with Sewell being lbw. Scores:—

CRICKET WEEK.

ATTRACTIVE FIXTURE AT BEMERTON.

THREE GOOD MATCHES.

Despite the bad weather which invaded Salisbury during the Cricket Week last year, the Wilts County Cricket Club again decided to make the South Wilts Ground at Bemerton the venue of a similar event this year. Three attractive matches were arranged and the organisers must have been more than satisfied with the large attendances of spectators. Everything was done to ensure that visitors to the ground could see the games in comfort and even on August Bank Holiday when 1,600 people were present there was plenty of room for all. The wicket all through played magnificently and it was most favourably commented on. Rain slightly interfered with the play but a full week's cricket was possible.

WILTS C. AND G. v. ETON RAMBLERS.

The week commenced on Friday when the Wilts Club and Ground were opposed to Eton Ramblers, that fine touring club. Last year the game ended in a draw but this year the match was fought out to an exciting finish, the Ramblers winning right on the stroke of time by five wickets. Rain delayed the start, but play was possible soon after mid-day, Wiltshire, captained by Col. R. W. Awdry, taking first knock. Against the bowling of Newman and Norris, the Moonrakers fared badly and wickets fell cheaply. The drying wicket made run getting difficult and in attempting to get the bowlers away, simple chances in the way of catches were given and accepted. Nine wickets were down for 86 but a fine stand was made for the last wicket by Capt. E. G. Bartlett and C. E. Awdry. These two went for the howling and, despite changes, runs continued to mount up. With the score at 156, the partnership, which had produced 60 valuable runs, was broken up, Hubble, the well known Kent wicket-keeper taking Bartlett at the wicket, Awdry carrying his bat for 41. None of the Wiltshire side were clean bowled, all falling to catches.

Eton opened with Hubble and Capt. Misa, who were well set, but after tea, Fielden, a Salisbury youth, who plays for South Wilts, got Hubble caught off his third ball, the first wicket falling at 66. Fielden continued to bowl well and five wickets were down for 83 when C. G. Benson and H. P. Taunton, another well known local cricketer, became associated. The rot was stopped and at close of play the former was not out for 65 and the latter 39. On Saturday they continued to bat, but Taunton was caught before scoring and Benson was out when he had added one to his overnight score, the whole side being dismissed for 252. Wilts batting a second time put together 204, thus leaving Eton to get 109 in 65 minutes. Hubble and Hoare saw 79 on the board before they were separated but wickets fell fairly frequently, and time was growing short. With Norris and Taunton together the Wilts' total had still not been passed and the last over was being bowled. Norris, however, off the fourth ball hit the winning run amidst cheers and great excitement. Amongst those watching the game were the Bishop, the Dean (Bishop Randolph) and Archdeacon Carpenter. WILTSHIRE v. SURREY SECOND XI.

The second game of the week commenced on Bank Holiday when Surrey 2nd XI were the visitors, and they brought a strong side which included no fewer than eight professionals. Unlike last year when the incessant rain prevented a ball being bowled, the ground was bathed in brilliant sunshine and there was a good attendance which gradually increased throughout the day. Surrey, who won on the first innings last year, won the toss and batted first on a drying wicket. Pearce, a member of the South Wilts Club, bowled from the bottom end and with only one run scored he got Cook caught by Newman. Baldwin, three runs later, was sent back by C. Awdry. Pearce's left-hand slow* had the batsmen guessing all the time, Daily who had taken almost half an hour to make eight being his next victim while with the score at 25 J. R. Cole was clean bowled. H. S. Squires then joined Wilson and he proved to be the only visiting batsman to get on top of the bowling. He was only two runs short of his century when he was caught by Lovell-Hewitt off Smith and without his invaluable 98 Surrey would have been in a sorry plight, for their total score was only 202.

Wiltshire started badly, Butler and Fuller, the opening pair, being dismissed before the score had reached 14. Lovell-Hewitt then went in for some merry hitting and 31 runs were added before he lost Waters, his partner. Bankier did not stay long and when Lovell-Hewitt's wicket fell to Geary (A.) things looked ominous. Nash and Newman (A.) then became associated in a timely stand and the partnership had produced 57 runs when stumps were drawn. On Tuesday the overnight not-out batsmen were soon parted, the Wilts professional being sent back before he had added to his score. The remaining batsmen were soon out and the innings closed for 158. Surrey batting again scored steadily Baldwin putting together 52 and Squires 68. The visitors continued to bat 'till almost tea time and then with the score at 251 for six wickets they declared. Wiltshire facing a difficult task started confidently but shortly after tea, rain made further play impossible, the match thus ending in a win for the visitors on the first innings. WILTSHIRE v. DORSET.

The last match of the "week" and the second Minor Counties Championship game began on Wednesday when Wilts were opposed to Dorset who were out to avenge the defeat they sustained last year. The visitors batted first and their cricket on the whole was slow. The earlier batsmen were soon disposed of but R. D. Busk got hold of the bowling successfully and he had scored one over the half century when he fell a victim to Smith. Freeman and White played cautiously and although the latter was eventually clean bowled by Newman the former defied all the efforts of the Wilts bowlers. Pearce eventually took the ball and with his first delivery put down his wicket, the outgoing batsman having secured 45. The tail failed to wag, Wally alone playing anything like confidently, the visitors score eventually totaling 201.

Butler and Fuller opened Wiltshire's innings and there was a sensational start, for before a run was scored the latter was out leg before wicket to Harrison. Waters was bowled by the same bowler, two wickets being down for no runs. Butler was bowled by Jowett when he had scored four, and then Lovell-Hewitt and Bankier came into partnership and an amazing change took place. Both batsmen went for the bowling in fine style, and despite several bowling changes they defied all efforts to separate them. Lovell-Hewitt scored freely all round the wicket, and as fast as the field was moved to suppress his run getting methods he got his shots away to the unguarded parts of the ground. After collecting an attractive 81, which included nine fours, he was caught by White, he and Bankier having brought the score from eight up to 157. Bankier continued to bat steadily when Nash joined him and the pair were undefeated when stumps were drawn, Bankier being not out 74, and Nash not out 18. On play being resumed yesterday (Thursday) morning, the overnight batsmen went on to score freely but with the score at 221 Bankier was caught at the wicket off Harrison for a perfect 83 which included seven boundaries. Wickets now fell more easily but Nash got well on top of the bowling and hit freely, but when in the 80's he gave a chance which should have been accepted. He signalled this escape by going on to complete the first century compiled during the week. Although he was again let off soon afterwards he stayed to make 155 before he was caught and bowled by Harrison, his fine innings including 20 fours. Wiltshire continued to bat until lunch time when the innings closed for 390. Harrison bowled no fewer than 53.4 overs and secured five wickets. Dorset batting again needed 189 runs to avenge the innings defeat, and when four wickets were down for 75 Wiltshire looked like securing an easy victory. Elderton (who had gone in first) and Phillips by cautious batting carried the score along, the hundred being hoisted after almost two hours' batting. Phillips was out soon after tea and White joined his captain, five wickets being down for 119. The incoming batsman played the right game for the occasion and was batting 40 minutes for 11 when he was bowled by Butler. Dorset were fighting hard for runs, but Wiltshire's chance was improved when Elderton, who had been batting since the innings commenced, was brilliantly caught in the slips by Butler for a magnificent 54 acquired by patient batting. A collapse now set in, Jowett leaving after making one and A. Harrison being clean bowled by Butler with the score at 159. The end soon came the total reaching 168, so that Wiltshire secured a creditable victory by an innings and 21 runs. The return game takes place to-day (Friday) and to-morrow, at Sherborne. WILTSHIRE v. DORSET.

At Salisbury on Wednesday and Thursday of last week Wiltshire met Dorset. An excellent game resulted in a win for Wiltshire by an innings and 21 runs. Dorset opened the batting, and compiled 201 on their first innings. There were no phenomenal scores, Captain R. D. Busk (51) being the highest, with E. J. Freeman (45) next. Wiltshire, however, did remarkably well, and E. M. Nash excelled in his batting performance by making 135, at which figure he was caught and bowled by Harrison. This is the highest score made by a Wiltshire batsman this season. Other scorers were by no means insignificant, A. A. Bankier and W. Lovell Hewitt making 83 and 81 respectively. Wiltshire compiled 390, and then placed Dorset in for a second innings. In their second innings Dorset were not so successful as in their first, and only succeeded in compiling 168.

DEVIZES 1st XI. v. R.A.F., NETHERAVON

Devizes First Eleven sustained a heavy defeat on their visit to Netheravon to meet the R.A.F. team on Saturday. The home team batted first, Squadron-Leader Cummings and Corpl. Klyne opening. Cummings remained in for 16 before he was bowled by Jotcham, but Klyne was unable to score. A./C. Cockle made top score with 39, at which figure Jotcham held a catch from him off Salmon's bowling. With the addition of 15 "extras" the team compiled 138. Devizes were, however, unable to stand up to A./C. Cockle's bowling, which, without doubt, was the feature of the day. He took nine wickets for 16 runs, and can therefore take full credit for the result of the match. It was significant that of the nine wickets for which he was responsible eight were catches (one by himself) and the other (W. W. Ellis) was stumped. N. M. Balchin opened the batting in partnership with J. O. Salmon. Salmon, however, opened the disastrous train of unbroken "ducks," but Balchin stayed in for nineteen. Every other man in the team, with the exception of two, followed his example and hit up catches. Balchin was the only batsman to hit up double figures, and the team came all out for 35. Scores:—

DEVIZES 1st XI v. MR. C. BAX'S 1st XI.

The week-end was rather a disastrous one for Devizes First Eleven, for they sustained heavy defeats in both matches they played. Following their match with the R.A.F. at Netheravon on Saturday, the eleven entertained Mr. C. Bax's Eleven on Monday, but were unable to record a win here. Mr. Bax's Eleven opened the batting, and having compiled 160 for seven wickets declared. B. W. O'Donnell made a fine stand, totalling 58 before he was clean bowled by Vincent. P. Knox Shaw also did well, making 31 before he succumbed to Short's bowling. T. Burt and G. Ferris opened the batting for Devizes. Ferris came out rather abruptly through hitting up a catch off Lowe's second ball, but Burt stayed in for four. W. H. Short improved matters by hitting up 14, and later W. W. Ellis topped the list with 22. The team were all out for 85, thus losing the game by three wickets and 75 runs. Scores:—

PEWSEY XI. v. DEVIZES ROVER SCOUTS.

Played at Pewsey on the Pewsey Vale ground on Friday evening whilst in camp, and resulted in a fine win for the visitors by 81 runs. R./S. N. R. Perry, for the visitors, was by far the best bowler, reminding one of "P. G. H. Fender" or "Tich Freeman." His analysis was six wickets for nine runs, including the "hat trick." K. Kemp and R. Stokes bowled well for the Rovers. The Pewsey Eleven were a fine sporting team, and on both sides some excellent fielding was witnessed. Giles for Pewsey, bowled well, keeping a good length all through. R./M. A. J. Daniells dominated the batting, making 61 runs in just over an hour. Many of his runs came from 4's and 2's. The partnership between A. J. Daniells and R. Kemp was well worth watching. A. Sutton-Few was out to a spectacular catch in the outfield by S. Clarke. The tail end of the Rovers' wugged merrily, yielding 26 runs (S. Wiltshire 12 and H. Burt 14 not out). Scores:—

DEVIZES 2nd XI. v. SAXBY SIGNAL CO. 2nd XI.

Saxby Signal Co. Second Eleven from Chippenham, who were without several of their regular players, lost at Devizes last Saturday by 71 runs. Saxbys' batted first, and although the first wicket pair stayed together some time, only forty had been scored when the ninth wicket fell. Then some determined, if lucky, play by the last pair took the total to 55. Haines, who kept one end going almost throughout, was difficult to play, and took three wickets for 25 runs; Neate had a deadly spell and took four for eight, and Vincent three for 17.

Cookman and Traylen, the opening pair of Devizes, gave an exhilarating display. The former hit four 4's, and the total had reached 27 in ten minutes before he was caught for 19. Traylen followed soon after for nine. Neate scored 11, but five wickets had fallen at 50, both Rolfe and Ellen being dismissed for two, Ellen playing on in the most unlucky manner. Vincent made the winning hit and Reeves got six 4's in 32. Towards the end Fear made a lively 21 not out, and the innings totalled 126. Perrett, with five for 46, had a good record, but at times was hit freely. Scores:—

WILTS COUNTY MENTAL HOSPITAL v. CHIPPENHAM.

On Saturday a cricket eleven from Chippenham visited the Mental Hospital, and an interesting game resulted. The Hospital won the toss and decided to bat first. They started well, for although A. L. Adams made only two, H. Tilley did well and played a fine innings. He had made forty when he was finally caught out by Martin. The two batsmen that followed, J. S. Deavin and A. Day, also did well by scoring 14 each. The other batsman to reach double figures was F. Brindle, who compiled 15 not out. The batting of the Hospital was good, practically all doing well. By the tea interval the score stood at 119, and after tea it was carried to 141 for nine wickets. At this figure the Hospital declared; J. G. Long did not bat. Facing a quite substantial total, T. Neate and C. H. Martin opened the innings for Chippenham, the latter making ten before being bowled by Adams. F. R. Sanders was the most successful batsman with 19. The remaining batsmen did little until R. Jones went in to bat. He was well backed up by R. Couzens, and altogether the last wicket partnership realised 20 runs before stumps were drawn. Jones made nine and Couzens 11, both being not out. Thus the game ended with Chippenham 62 runs behind, the result being a draw. For Devizes, A. E. Turner was the most successful bowler, securing five wickets for 19 runs; A. F. Day was next-best with 3 for 25. For Chippenham, Sanders was the best, taking three wickets for 16 runs. Northover took three for 28 and Martin two for 31. Scores:—

WILTSHIRE POLICE CRICKET.

OFFICERS BEATEN BY CONSTABLES AT TROWSLIDGE.

A "special" Police match, arranged as a kind of trial for the county contest with Somerset to be played at the end of the month, was played at the County Ground, Trowbridge, on Thursday. The teams were selected from the officers—who for this occasion included sergeants — and constables. Naturally, the constables were the younger side, and they won comfortably, but the officers had some very bad luck in their first venture, and on going in a second time showed what they were capable of in the way of run-getting.

The "evergreen" Insp. Shaw opened the innings, with Sergt. Hatchman, and carried his bat through for 33. Sergt. Wright, who came in on the fall of the first wicket at eight, helped the Inspector to carry the total to 28 before he was bowled off his pads for 14. Disaster followed disaster, for Supt. Smith was out for a "duck," and Inspectors Gibson and Zebedee followed suit, three wickets falling at the same

total. Sergt. Gurd made a stand and scored 10, the total when he left having been advanced to 61. After he was out the innings was soon over, for 77, of which seven were extras. In his 33 Inspector Shaw scored only three 4's and a couple of 2's, the remainder being all singles.

The Constables put together the very good score of 161. P.C. Hatchman, the first in, scored 45, including four 4's, before being well caught by Sergt. Austin in the long field, and P.C. Giles' 43 also included four boundaries. In their second innings for the officers, Inspector Shaw and Sergt. Hatchman each scored 29 not out, and the total was 92 for one wicket at the drawing of stumps. Scores:—

MINOR COUNTIES CHAMPIONSHIP

DORSET v. WILTSHIRE.

Wiltshire scored a great victory over Dorset at Sherborne on Friday and Saturday in the return match, thus following up their win at Salisbury on the preceding two days. All the early Wiltshire batsmen did well, W. Lovell Howitt being top scorer with 90 to his credit. C. Awdry and C. Pearce got Dorset out cheaply, and though the batsmen did better in their second venture scoring was low, and the bowlers were always on top. Scores:—

KENT 2nd v. WILTSHIRE.

CORSHAM v. MR. CLIFFORD BAX'S XI.

This match, which is looked forward to with keen interest, was played at Corsham on Saturday and attracted a large crowd. This was the first match of the visitors' tour. They are making Bath their headquarters, and came on to Corsham before luncheon, and were received at Corsham Court by Field Marshal Lord Methuen, G.C.B., who personally conducted them through the famous picture gallery and rooms and also around the grounds, which privilege was greatly appreciated by the tourists. His Lordship, with Alderman Codric Chivers (Mayor of Bath) was afterwards among the interested spectators.

Batting first, the visitors lost Peters for 1 run with the last ball of the over, but 70 runs were put on before the next wicket fell, O'Donnell, who went in first wicket down, getting a 6 off Powell with his first stroke. Knox-Shaw joined O'Donnell and they put on 90 for the 4th wicket, which fell at 192. Four wickets then fell quickly, and with the tea interval coming the visiting captain declared at 234 for 8 wickets, which had been made in about 2½ hours. R. W. O'Donnell hit four 6's and eleven 4's and Knox-Shaw one 6 and eight 4's, both playing beautifully free cricket. W. Smith (4 for 42), J. T. Newman (2 for 40), and R. Gale (2 for 49) took the wickets. When Corsham went in Powell was bowled first ball of the innings, and though useful scores were made by W. Smith (36, seven 4's), L. Scott (31, six 4's), and R. R. Colman (20), the home side never looked like making the runs after Smith and Colman were parted, the visitors winning their first match comfortably. O'Donnell took 4 for 24; Lowe, 3 for 31; and Peters, 3 for 43.

MELKSHAM v. TROWBRIDGE.

This match at Melksham on Saturday was left drawn in a most interesting state, Melksham having scored 240 and Trowbridge 122 for five wickets. Trowbridge were without G. A. Leverton and W. Lovell Hewitt, and they must have missed the latter sorely as he is a most dependable bat and may always be relied upon to keep the score down and take wickets. It is significant that during Melksham's big innings Trowbridge relied on three bowlers only, and at the end A. G. Hurn, who is a Melksham bowler, was logging the third Trowbridge bowling to the extent of 52 personal runs. Apart from this the chief batting honours go to J. McEwan (30) and R. Coles (26), but "Mr. Extras" accounted for the tremendous score of 46. Turns are easy to get on the Melksham ground, and Trowbridge set about their task with a will. J. Rawlings and W. H. Payne scored 60 between them before the latter was caught, having made 47. F. Vallis gave a catch to the bowler at the same score, and A. J. Bullock and F. H. Moore hoisted the hundred. At 123 for five wickets the latter and E. F. Hulcoop were not out, and Trowbridge still had a lot of runs up their sleeves. Scores:—

This game was left unfinished at Chippenham on Saturday. Swindon compiled 114, of which J. C. Fido was top scorer with 25, Upton, Millard and S. Taylor also getting into double figures. Chippenham, for seven wickets, made 75, J. Dyke contributing 30 and C. Kennet 20 not out.

POLICE MATCH.

TROWBRIDGE DIVISION v. CHIPPENHAM DIVISION.

At the County Ground at Trowbridge on Tuesday the Chippenham Police Division secured a good win over the Trowbridge Division by five wickets and 82 runs. Showers interfered considerably with the play, and a heavy downpour just before play commenced no doubt had something to do with the poor show of the Trowbridge batsman. Supt. Underwood made a gallant stand, but nobody else reached double figures. Supt. Zebedes took four wickets for 18 runs in 12 overs, of which four were maidens, and P.C. Hoare took five wickets for 28 runs. The wicket had dried somewhat when Chippenham went in, and P.C.'s Nicholas and Hoare batted well for 20 and 32 respectively. Scores:—

LACOCK v. MR. C. BAX'S XI.

Lacock were unfortunate in not winning this game on Tuesday by a substantial margin. When stumps were drawn the visitors were 70 runs behind and the last pair in. Lacock batted first and hit up 120, mainly thanks to T. Newman, who carried his bat for a useful 61. The innings was declared closed at 120 for seven wickets. The visitors' batting was not up to the standard of their previous matches this week. Scores:—

TROWBRIDGE v. CLIFFORD BAX'S XI.

Mr. Clifford Bax's XI. visited Trowbridge on Wednesday and were given a hearty welcome, for they are good sportsmen and useful cricketers. Trowbridge batted first, and C. N. Valsey and A. J. Bullock gave them a good start with 47 for one wicket. Thereafter the batting was fairly consistent, and the score mounted to 173 for six wickets when the innings was declared closed. Chief honours for Trowbridge go to D. R. Lloyd, who played an excellent not out innings of 43, and A. H. Dunn, who scored 41. When the visitors went to the wickets they found themselves unable to withstand some accurate bowling by C. N. W. Blair, who in 12 overs took five wickets for 16 runs, four of the batsmen being clean bowled. R. K. Henderson, who carried his bat for 31, was the only visiting batsman to do anything, and at 58 for 5 wickets stumps were drawn. Scores:—

WEST WILTS LEAGUE.

Leading Teams All Victorious.

Chapmanslade increased their advantage at the head of the senior section by a victory at Chalfield on Saturday, a game in which C. Culverhouse once more played a conspicuous part. His contribution of 40 runs out of a total of 60 was obtained in hurricane fashion, and he fully merited the applause he received at the conclusion. The bowling of H. Merritt was very deadly, eight overs securing for him half-a-dozen victims for only seven runs. Hinton Charterhouse, opposed to a weak Bradley eleven, were able to secure an easy win, and so maintain second position in the table. Bradley were dismissed for 15, E. Withers taking 6 wickets for 3 runs and C. Colborne 4 for 6. Of the other first division games Wingfield gained a creditable victory at Broughton Gifford, and Westwood at home defeated Shaw and Whitley by 10 runs. In this game B. Hobbs bowled remarkably well, claiming 6 for 8.

A feature of the second division game between Holy Trinity and Westbury, in which the Trowbridge side enhanced their championship chances, was the fine innings of A. Morris, who scored 44 out of his side's aggregate of 77. He scored 10 of the first two half-centuries. Worthy of mention also is the brilliant catch by which Gurnstone dismissed Neisigh, the fielder securing the ball after running a considerable distance round the outfield.

In the third division Bratton wound up their League fixtures by an exciting one-run victory over Rode, A. Shirley taking 5 wickets for 8 runs. Bratton deserve commendation for the punctual way in which they have fulfilled all their games. Several times this season, owing to circumstances unavoidable in an agricultural district like Bratton, the side was considerably depleted, and a good excuse for "scratching" was offered. Bather than resort to this course, however, the club filled the vacancies and carried on according to fixture-card dates. Their present position of second place in the table is, therefore, a credit to the players who have done duty.

Monkton Farleigh, who are performing in great style this season, knocked up the week's highest aggregate at Chapmanslade 2nd team's expense. A. Bancroft made 49 before being run out, and Roland Sunnison and L. Norris also did well. Bowling for Winsley against Neston Glove Co., S. Smith took 7 wickets for 8 runs, but this success did not give him the satisfaction of being on the winning side, Neston scoring 43 runs to Winsley's 20.

WILTSHIRE v. BERKSHIRE.

HEAVY SCORING BY WILTSHIRE.

Playing Berkshire, at Reading, on Wednesday and Thursday of last week, Wiltshire recorded a win on the first innings by 31 runs. Wiltshire opened the batting with G. S. Butler and E. H. F. Fuller. Fuller was dismissed at 20, by hitting up a catch which Lewis held, but Butler carried his bat for a useful 55. On this innings the most successful batsman was that well-known footballer, F. N. S. Creek, who made top score with 65, A. E. Sawyer coming a good second with 62. Wiltshire concluded their innings with 351. Berkshire opened strongly with Stokes and Sayles, the latter staying in for 75, while Stokes made 42 before he was bowled by Smith. J. E. G. Rowland set out to beat Sayles' score, which he did by three runs, thus making the best score of the match. The average score by other batsmen, however, was not high, and the total was 320, Wiltshire thus winning on the first innings by 31 runs. In a second innings Wiltshire made 200 for four wickets. WILTSHIRE v. KENT 2nd XI.

Following on their victory over Berkshire, at Reading, on Thursday, Wiltshire journeyed to Swindon, where they met Kent 2nd XI. on Friday and the following day. Kent batted first, and put up a total of 297. Generally speaking, individual scores were not high, with the exception of J. C. Hubble, who made 106 before he was bowled by Pearce. Of the other batsmen only one (Todd) was able to exceed 80. Wiltshire were not able to equal this, however, and seven players failed to reach double figures. Newman made a useful 57, however, and with Sawyer (38) and Awdry and Bankier (20 each), the score totalled 175. On a second innings Kent made 133 for one wicket, and Wiltshire made 253 for a complete innings. The result was a victory for Kent Second Eleven by nine wickets. Scores:—

WILTSHIRE (UNDER 16) v. HANTS HOGGETTS.

Played at Andover on August 17th, and resulted in a win for the Wiltshire boys by six wickets. Hants made 170 and Wiltshire 174 for four. Each of the Wiltshire batsmen made double figures: W. J. Armitage (not out 59), R. Love (33), J. Harrison (not out 25), P. Donson (17), R. Hurn (16), and M. Wall (15). A. Morgan was the most successful of the Wiltshire bowlers, taking three wickets for 45 runs.

WILTSHIRE (UNDER 19) v. DEVONSHIRE (UNDER 19).

In this match, played at Bemerton, on August 13th and 14th, Wiltshire won by 26 runs. Devonshire made 160 and 135 and Wiltshire 86 and 265. F. V. Flay was the most successful of the Wiltshire batsmen, making 10 and 71 (not out).

DEVIZES 1st XI. v. BOX.

Box visited Devizes on Saturday, and the game, which was played in ideal weather, resulted in a win for Box by 21 runs. The visitors batted first, and after a good display compiled a total of 130. J. Browning was in good form, scoring 30 before he was bowled by Salmon. The seventh man in, J. Eyles, was also in fine form, and scored freely. At the end of the innings he was undefeated, having compiled the creditable score of 40. Two other batsmen (A. Benjamin and C. Lambert) reached double figures, scoring 14 and 12 respectively. Thus Devizes were set a formidable task. H. M. Balchin and W. H. Short opened the innings, but the beginning was disastrous, Balchin being clean bowled for a "duck." The next man in, P. B. Wickham, somewhat livened matters by a vigorous innings of 23 before he succumbed to the good bowling of Benjamin. Short also played well, scoring 18, with the result that when the two were separated, the score stood at 50 for two wickets, an exceedingly good score in spite of the disastrous start. J. O. Salmon and J. E. Hopkins played well, both reaching double figures; the former scored 10 and the latter 19. The remaining batsmen did not score many runs, but nevertheless the score mounted to 100 before the last wicket fell. The most successful Devizes bowlers were E. J. Hopkins, who secured one wicket for three runs, and H. Vincent, who took four wickets for 35 runs. Hopkins only bowled one over. J. Salmon took two wickets for 35 runs, and W. Short one for 37. The best bowlers in the Box team were Benjamin, who took six wickets, and J. Bradfield (three). G. Grosvenor took the other wicket. Scores:—

WILTS COUNTY MENTAL HOSPITAL v. WARMINSTER.

On Saturday Warminster visited the Mental Hospital and a good game was witnessed, the result being a win for the Hospital by 48 runs. The home team batted first, and the innings was opened by H. Tilley and J. S. Deavin. They started well, and 70 runs were on the board before they were parted. Both batsmen finally succumbed to the bowling of A. J. Webster, Tilley being clean-bowled for 48 runs and Deavin being caught by Waddy for 16. The third man in, A. F. Day, scored 18 before being caught and bowled by Waddy. The other batsmen to reach double figures were F. Brindle (10) and G. H. Buckle (16). The remaining batsmen were dismissed cheaply, and the last wicket fell with the score at 130. For Warminster, Waddy was the most successful bowler, taking seven wickets for 15 runs. A. H. Coates took one wicket for 17 runs, and A. J. Webster two for 60.

S. Davis and F. Lovett opened the innings for the visitors, and the latter made 12 before being caught by Burt. H. Nicholls and H. Gunning mastered the bowling for some time, but finally both were clean bowled by Day. Nicholls made 22 and Gunning 15. The bowlers found little difficulty in disposing of the remainder of the batsmen, although T. H. Hughes made a quick nine. He hit two 4's and a single, and was then caught by Tilley off Day's bowling. When the innings came to an end the visitors had compiled 82, thus losing by 48 runs. The Devizes bowling was very good, A. F. Day and A. E. Turner being the only two bowlers tried. The former was slightly the better of the two, securing six wickets for 44 runs. Turner took four wickets for 33 runs. Scores:—

DEVIZES 2nd XI. v. BOX 2nd XI.

At Box on Saturday Devizes Second Eleven won by 86 runs. Box batted first, opening with Hawkins and Toy, who scored 25 before the latter was bowled for 17. Forty went up for the loss of another wicket, and the homesters seemed set for a good score when Reeves went on to bowl and brought about a sensational collapse. He took six wickets for nine runs, and with Cookman bowling well at the other end, the last eight wickets fell while 16 were scored, the whole side being out for 64. Snily, who went in first wicket down and was ninth out, was the only player to face the bowling with real confidence, and did well to make 21. Cookman's record was three for 15 and Neate took the other wicket at a cost of 16.

Neate and Cookman gave Devizes a good start by putting on 30 before the skipper was bowled for 19. Traylen made only two before being bowled by Cottrell, but Ellen, in scoring ten, helped to increase the total to 46. Matters looked serious when the next two players failed to score, and five were out at 48, but at this point Haines joined Cookman in a big stand. Haines soon made victory sure with some neat leg strokes, and then Cookman who had been more subdued than usual, hit powerfully. With a

boundary hit which gave him his fifty, Cookman took the total to 101, but off the next ball was brilliantly caught at mid-on by Ponting, the partnership having yielded 53. The Devizes total finally reached 140, Haines increasing his score to 32 and Poole getting 15. Cottrell (five for 46) and Butt (four for 36) did good work for Box. Scores:—

**DEPOT THE WILTSHIRE REGIMENT
v. DEVIZES ROYER SCOUTS.**

The Devizes Rover Scouts visited the Barracks on Thursday, and the game ended in a draw, the Depot, with one wicket to fall, needing 18 runs to win. The Rovers batted first, A. J. Daniells and H. G. Bolwell being the opening pair. A very poor start was made, Bolwell being unfortunately run out with only two runs on the board. The partnership of Daniells and N. R. Perry added 24 before the latter was caught out off Rowley's bowling. He hit three 4's in his innings of 15. A. J. Daniells batted finely for his 44, and he hit five 4's before he was bowled by Smith. The four batsmen who followed added a few runs only, two of them securing "ducks." With the entry of the eighth man, W. G. Phillips, matters began to improve however, and after making 14 he was caught by Griffith off Webb's bowling. J. E. G. Cork also played a fine innings, scoring 15 before being clean bowled by Clifford. The last wicket fell with one run added to the score and the whole side was out for 99. Rowley took four wickets, Clifford two, Smith two, and Webb one. Clifford and Smith opened the innings for the Depot, and made a fair start, both scoring seven. Harris scored nine before he succumbed to Perry's bowling. The game seemed lost until Rowley went in to bat. In his 22 he hit four 4's and one three. The remaining batsmen did little, but managed to play out time with one wicket to fall. For the Scouts, Perry took four wickets, Stokes two, and Russ, Phillips and Few one each. Scores:—

MINOR COUNTIES CRICKET.

Wiltshire v. Berkshire.

This fixture opened on the Wiltshire County Ground, Trowbridge, on Wednesday. Although no great quantity of rain fell, play was not possible until after lunch. All the morning the light also was very indifferent. It was two o'clock before a start was made, Wiltshire going in to bat. Butler, who was first partnered by Lovell-Hewitt, and later by Newman, the Wilts pro., knocked up the respectable total of 38, when he was caught out by Remnant. Newman's end came with lbw, having added 25 to the total then compiled. The sixth wicket had fallen before the century was reached, the skipper of the team (Col. R. W. Awdry) contributing the major share. When Sawyer was dismissed the score stood at 167, and from thence by slow stages the final total of 223 was reached. Of the bowlers, Relf had 36 overs to his credit with 70 runs, Nash 15 for 46 and Woodburn 29 for 69.

Berkshire took up the batting at 6.20, Stokes partnering Sales, the Berkshire pro. The former judiciously dealt with the swift balls sent down by Smith, sending one to the boundary, and when the sixth run was registered he succumbed, his middle stump being sent clean out of the ground. Lewis followed on, but as the light was fading the umpires called off the game after 20 minutes' play.

A splendid partnership between H. L. Lewis and E. F. Remnant which lasted the greater part of the morning, placed Berkshire in a favourable position as regards the first innings of their Minor Counties' match with Wiltshire at Trowbridge on Thursday.

At lunch-time they were within nine runs of the home county's total of 223, with four wickets yet to fall.

When Lewis and Remnant came together, Berks had lost two wickets for 38. This pair then carried the total to 182 before Remnant was smartly caught at cover point by Ling. Remnant was then within eight of a century. His best hits were a six and 13 fours. His first seven scoring strokes were all fours.

Lewis continued his innings until just before lunch, when he was bowled by Smith, having made 80. His performance included eight fours.

Four wickets produced 76 runs for Berkshire after lunch, thus giving them a lead of 67 in the first innings.

Wiltshire had scored 38 for the loss of two wickets at tea-time.

In the second innings, Butler made a good start for Wiltshire with 26, but after his dismissal, runs came slowly. At six o'clock, stumps were drawn, the total then compiled being 118 for seven wickets. Scores:—

BATH'S LAST HOME MATCH.

Wiltshire Club and Ground at North Parade To-day.

Those who remember the last visit of Wilts Club and Ground to Bath, will recall the exciting finish, when Bath won by one run after Captain Stanley Amor had extended the time in order to get a result. Colonel Awdry is again bringing a strong side of Wiltshire cricketers to Bath to-day, to meet the home side in what is their last home fixture on the ward this season.

It is practically the same side that has been appearing in the Minor Counties' Championship lately, and besides the popular skipper himself, includes such well known cricketers as C. E. Awdry, O. N. W. Blair, the Wiltshire fast bowler, A. A. Bankier, A. E. Sawyer, a good bat and magnificent field, and F. N. S. Creek, the old Corinthian. Those who are fortunate enough to be on holiday, or who can match a hour or so this (Friday) afternoon to visit the North Parade should witness some good cricket.

Bath: S. L. Amor (capt), W. S. Whiting, H. H. Humphries, E. G. U. Considine, R. Northway, L. St. V. Powell, H. F. T. Buse, H. G. Pruett, K. T. Holmes, V. L. Woodward and P. D. Biggs.

Wilts Club and Ground: Lieut.-Col. R. W. Awdry (capt), E. A. C. Forrester, C. N. W. Blair, J. Ellerton, A. A. Bankier, G. S. Butler, C. E. Awdry, Col. J. Master, A. E. Sawyer, F. N. S. Creek and A. J. P. Ling.

Gloucester Club and Ground v. Wiltshire.

The following team has been chosen to represent Gloucestershire Club and Ground against Wiltshire on Monday and Tuesday next at Trowbridge: S. Freeman, E. T. Benson, J. Robinson, F. G. Wills, P. H. C. Staples, W. B. Guy, D. Stephens, Lieut. Maxwell-Gumbleton, G. Chatham, Dacre, and Abrams.

Avon Sports v. Swindon St. John's.

Played at Melksham on Saturday and resulted in a draw in favour of the home XI, mainly due to the fine batting of J. Oram who contributed 77 runs in fine style.

Avon Sports 209 for five (G. Burchell 27, F. Burchell 27, J. Oram 77, E. Price 14, A. Hadfield not out 46); Swindon St. John 111 for eleven (H. Moody 33, G. Whitfield not out 25, W. Wells 18). Price took five wickets.

CRICKET.

THE SEASON'S AVERAGES.

Trowbridge.

During the season just closed Trowbridge played 24 matches, won 5, lost 7, and drew 12, which most people will agree are remarkable figures if only from the fact that exactly half the matches were drawn. The number of matches in which a decision in Trowbridge's favour was reached is disappointing, but some exceedingly good performances were achieved, and several of the drawn games had strong indications of a Trowbridge victory. F. Vallis, the Monkton Combe cricket coach, is top of the batting averages, having played eight innings and scored two centuries, his average being 39.87. A. J. P. Ling, a young batsman who shows promise of great things, follows him close with 39.40 for six innings, while in comparison with these two W. Lovell Hewitt has played 47 innings, scored more runs than anyone else (472) and has an average of 22.50. W. H. Payne, who has proved a valuable opening batsman, is further down the list with an average of 21.52, but next to W. Lovell Hewitt he has scored the largest number of runs (409) in 19 innings. C. N. W. Blair has again proved himself to be the club's most reliable bowler, and is top of the bowling averages with 62 wickets for 820 runs in 307.1 overs—or about 60 more overs than anyone else. His wickets cost him 13.32 runs each. A. A. Batley and E. F. Hulcoop follow him close, but they each bowled more than 100 overs less.
