

COLTS AT BARNSLEY.

Yorkshire Council XI. Carry Off Honours.

(From Our Special Representative.)

BARNESLEY, Monday.
The team selected by the Yorkshire Cricket Council to oppose the County Second Eleven for the opening fixture of the Colts' programme gave a highly creditable account of themselves on the Shaw Lane ground to-day. They bowled and fielded so well that the young County aspirants were always fighting hard for runs, and the attack was never mastered.

The first fifty actually occupied an hour and twenty minutes, in which time four wickets fell, and the Colts were batting five minutes under three hours for the modest total of 145.

The most impressive of the Council bowlers was C. Nuttall, of South Kirkby, whose left-arm, medium-paced deliveries swung with the arm across the wicket in a way which the left-handed batsmen particularly found disconcerting. He took two wickets in his first four overs for five runs, and altogether bowled 21 overs for 25 runs and four wickets, while even these figures might have been improved had an easy chance off his bowling near the end of the innings been taken. Nuttall may owe something of his success to the way in which he runs from behind the umpire, but he certainly bowled very skilfully. Dennis, of Hockleton, and Bentley, of Rotherham, both bowling quite fast, lent valuable assistance in the attack.

Just as Nuttall had provided the bowling feature of the day, it was left to a Council batsman, R. Shaw, who now plays for Horsforth, to give the brightest and most confident exhibition at the wicket. In his 50 not out, made at the end of the day in an hour and a quarter, he played with a freedom which no other batsman attained, and was little troubled with the best bowling that the Colts could bring against him. When stumps were drawn for the day, the Council were only 54 runs behind with seven wickets in hand, despite the fact that two of their batsmen had failed to score.

COLTS TOO ANXIOUS.

Match With Council Spoilt by Weather.

(From Our Special Representative.)

Few members of the Yorkshire Colts team have enhanced their reputation in the opening match of the season against the Council XI. The majority of the young players undoubtedly felt the importance of the trial, and did not play their natural game, while the Council gained confidence from their successful start; but it would not be surprising to find one or two of the players who have done so well on the latter side gain places in the Second eleven before long.

The bitterly cold, blustery weather robbed the cricket of almost all pleasure, both for the players and the few spectators, while discomfort was increased to-day by a drizzling rain, which fell for fully an hour during the latter part of the Council's innings.

The Council were batting three hours and fifty minutes—exactly an hour longer than the Colts—for a total of 298, which gave them a lead of 155. The outstanding contribution was R. Shaw's 72, made without fault, and including twelve boundaries. It was a most attractive exhibition of accomplished batsmanship, marked particularly by its scoring defensive strokes and spectacular, well-timed pulls. Bentley hit seven fours in his 59, but was less interesting to watch than either Shaw or the young Leeds Clarendon player, Jaques.

JUNIOR ROSES.

Vigorous Batting by Lancashire Tail.

The Second Elevens of Lancashire and Yorkshire had a keen struggle for first innings lead at Old Trafford yesterday, where the bowling as a rule was better than the batting. Yorkshire, batting first, were in for two hours and three-quarters for 139, and even this poor total on such wicket would probably have been reduced had Holroyd been put on to bowl earlier. He only had four overs, but in that period he took three wickets for nine runs.

Lancashire's batting was uneven, and when eight wickets had fallen for 102 their chance of establishing a lead looked remote. However, Preston batted admirably for 31, and after he had left, with Lancashire six runs ahead, Rushton found a useful partner in Holroyd, the pair putting on 73 runs for the last wicket. Rushton was particularly severe on Nuttall and hit him for a six, two fours, and a single in one over. Lancashire's last two wickets put on 112 runs in 55 minutes, and the innings closed in exactly the same time as Yorkshire's, with Lancashire claiming a lead of 79 runs.

LANCASHIRE TAKE JUNIOR GAME.

After a Slow Start to Get the Runs.

Both Lancashire and Yorkshire seconds had completed innings at the end of their first day's play at Old Trafford, with the result that Lancashire had been left with a lead of 79 runs.

Yesterday the Yorkshiremen, thanks mainly to Shackleton's innings, which lasted two hours and forty minutes, and yielded 76 runs, improved on their first venture, and, after butting three hours and forty minutes, left Lancashire with 150 to get to win, and, with the extra half-hour's play, if required, three hours in which to get them.

Twenty minutes was taken for ten, and Lancashire, batting with a total lack of enterprise and imagination, provoked the spectators by their slowness on a hard wicket. The hints had a marked effect upon Houseman and Poynter, and in the end Lancashire won with 20 minutes and 7 wickets to spare.

CAMBRIDGESHIRE FARE BADLY AT LINCOLN.

Cambridgeshire fared disastrously in their match with Lincolnshire in the Minor Counties Championship match, which opened on the Lincoln Lindum C.C. ground yesterday. Winning the toss, the visiting captain elected to go to the wicket first, but they found the pitch rather on the slow side and run getting a very difficult matter. H. D. Hart and S. Handscomb opened against the bowling of H. Hawley and Major Wilson, both of whose first overs were maidens. Handscomb was struck on the head with the ball, and play was stopped for a few minutes.

Handscomb had made two runs when he was caught by Worman off Hawley's bowling. Parfitt, who followed him, had only scored one when he was caught by Shaw, again off Hawley's bowling. Five wickets were down for 19 runs, and the side was all out for 45. None of the batsmen succeeded in reaching double figures, and the highest score was 8 by R. Edwards. Major Wilson bowled splendidly, taking six wickets for 17. Hawley also bowled well, taking three wickets for 17.

Lincolnshire batted for three and a quarter hours, scoring the good total of 220. Three wickets fell for 86, and a further three wickets took the score to 170. Covill (R. J.) secured five wickets for 61 runs, and P. S. Morton four for 55. Cambridgeshire opened their second innings 175 runs in arrears, and had collected 33 for the loss of one wicket when stumps were drawn for the day. Scores:-

YORKS. II. BEATEN.

Cautious Batting Against
Notts II.

Yorkshire second were not seen to advantage in their game with Notts second at Hucknall. They had first use of a capital wicket, but did not shape well and were all dismissed in two hours and a half for the modest total of 121.

Barber and Whitehead opened the innings, and from the start displayed great caution, though Whitehead well turned the fast bowler Matthews to the leg boundary. He showed wise discrimination in the ball he selected for punishment, but was dismissed at 41. Barber scored at a slow rate, but remained until the total had been raised to 77, and was third to leave. Bedford and Shaw made a slight stand and the hundred was passed in 2 hours 5 minutes, the bowling of Heane and Voce was excellent. Heane claimed five victims for five runs each and Voce secured three wickets for 20.

Gunn and Keeton opened the Notts innings and scored forty before the former, who had batted with great care, was bowled. Harris and Keeton offered a stubborn resistance to the attack. Later Keeton hit in merry fashion.

By An Innings and 32 Runs.

Yorkshire II. were again outplayed by Notts II. at Hucknall yesterday, and suffered defeat by an innings and 32 runs. Holding a lead of 32 with six wickets in hand, Notts were not disposed of until they had put on 72. Keeton added only nine to his total, and upon his departure wickets fell fast. Copley and Matthews, the last pair, added 58. Matthews hit with great power, and was credited with two 6's and eight 4's. Dennis had the commendable record of five wickets for 46. He took three wickets without a run being scored off him, the three victims being dismissed with four balls. Notts were left with a lead of 111.

Upon entering upon their second innings Yorkshire again met with disaster. Barber and Whitehead were dismissed with only 20 runs scored. Six wickets were down for 35, and with six added Bentley and Nuttall were dismissed. Dennis showed resolution and determination, sending Heane to the boundary three times in one over, and upon Reddish going on he pulled him over the ropes for six. The inning, however, closed for the poor total of 79. Matthews took five wickets for 16 runs. The fielding of both sides was excellent.

WELSH TEAM AT LORD'S.

With the later batsmen doing splendid service, Wales at Lord's were able to set the M.C.C. the task of scoring 304 to win. At the close of the Club, after about three hours, got within 105 of victory for the loss of three batsmen. Wales had half the second innings wickets down for 96 within 70 minutes of the resumption, but the rest of the side added 157.

Brown, by drives and well-timed leg strokes, scored 59 out of 92 in 70 minutes for the M.C.C., and in an unbroken fourth stand Barnes and Fenner added 94 in an hour and a half.

PROMISING BRADFORD PLAYERS.

Addressing the Bradford Umpires' Association last night, Mr. J. Clifton Town, of Leeds, congratulated the Bradford League upon producing three such promising young players as A. Mitchell, Wood, and Shackleton. He watched Mitchell play at Sheffield, and he had seen no better defence for a long time. Wood, he felt, was the right man in the right place, and Shackleton had a great future before him. Mr. Town emphasised the important part which umpires can play in keeping the game clean, and, by their example, in giving encouragement to young players.

COLTS HELD UP.

THE COLTS' MATCH

Only an Hour's Play in New/ Run of Misfortune Continues Leicester Fixture.

(From Our Own Correspondent.)

HINCKLEY, Wednesday.

The Yorkshire Colts' first experience of Hinckley in their Minor Counties match with the Leicestershire second team was most unfortunate, for owing to interruptions by thunderstorms, little more than an hour's cricket was possible. The fixture with Leicestershire is a new one this season, and promises to be an agreeable addition to the rather restricted programme of the second team.

The Hinckley ground is delightfully situated, though the playing area has a decided slope and is rather small.

Yorkshire, on winning the toss, were able to begin batting at the proper time. Barber and Whitehead opened the innings, and before he had scored the first named was badly missed in the slips, the fieldsmen dropping the ball. The pair afterwards batted in good style for 35 minutes, when rain caused an interruption of over an hour. Fifteen minutes' more play was possible before lunch, and just before the adjournment Whitehead was given out on an appeal for a catch at the wicket. Actually he did not touch the ball, but he was using a bat which was rather badly sprung and makes an undoubted click when he plays a stroke. He had been warned against the fate which now overtook him, the umpire naturally being misled by the sound.

During lunch there was a storm of quite tropical intensity, and a wait until 20 minutes to five ensued for the next instalment of cricket, a quarter of an hour, and later more rain fell. Stumps were drawn for the day. Yorkshire had made 60 for the loss of one wicket. The Colts' team is quite strong, with Rendell included as fast bowler. Leicestershire are under the captaincy of E. G. Hayes, the famous old Surrey batsman, who is now coach to the county club. Present scores:—

IRISH DISTINCTION.

First Side to Defeat the Tourists.

THRILLING FINISH.

After a thrilling finish, Ireland had the distinction of being the first side to defeat the West Indies, their victory yesterday at Dublin being achieved four minutes from time by 60 runs.

Left in a strong position as the result of the overnight's play, Ireland eventually set the tourists 356 to get to win. McVeagh, the Irish left-hander, who only wanted 15 to get his 100, obtained them yesterday morning, and carried out his bat. He had not given a chance, and hit 10 fours.

Roach and Fernandes gave the West Indies a good start, putting on 117 for the opening partnership, and the second hundred went up with only two men out. Subsequently, however, matters went badly, and the innings closed for 291.

COLTS AT BARNSLEY.

Notts II Set Up Good Total.

The two days' match between Yorkshire II and Notts II, commenced at the Shaw Lane ground, Barnsley, yesterday. The Yorkshire colts, who included Taylor, of Lightcliffe, in the absence of Cyril Turner, playing in the County side was captained by Clifford Hesketh, the Barnsley skipper, with Major Chichester Constable unable to take up his accustomed position.

The wicket played easily, and the Notts Colts, though at times not forcing the game, scored the formidable total of 298, and the Colts with only an hour's batting before the close had lost two wickets with their total 52.

The most notable partnership for the visitors was the stand for the third wicket between Keeton and Harris, who had a nearly life, the pair adding 97. Keeton, who left with the total at 157, had scored 87 before he was leg before to Nuttall. He gave no chance, and his display was marked by strong driving, particularly off Dennis, and he claimed 11 boundaries.

Hearne and Copley gave trouble, despite several changes in the attack, but after the tea interval they hit out more freely, though the last two wickets fell cheaply. Bedford, the Barnsley bowler, coming on a second time meting with quick success.

Of the five bowlers engaged Dennis, the Hickleton fast bowler, was the least successful on a pitch which gave him little help. Bedford had the best average of two for 23.

For Yorkshire, Bedford and Whitehead made a promising start against the attack shared by Harris and Bowman. Whitehead showed the fullest confidence, and runs were coming smartly until at 42 Whitehead was dismissed when Kirk took a brilliant catch low down at mid-off, the batsman retiring with 31 to his credit. Taylor and Fisher in the closing stages showed marked patience. Scores:—

COLTS' GAME DRAWN.

Yorks II Reply Just Short of Notts Total.

The Yorkshire Colts v. Notts Colts' game at Shaw Lane, Barnsley yesterday ended in a draw. Notts Colts had piled up 23 on the first innings. Yorkshire Second batted soundly and pluckily, but their response fell short of the Notts total by 49. The game lost interest afterwards.

The response of the Yorkshire Colts represented 4½ hours at the wicket. Yesterday the resumed partnership of Taylor and Fisher promised well, for both showed good defence and eventually enterprise, in spite of several bowling changes. Fisher reached his 50 in rather less than an hour's stay, but Taylor was the first to leave, being smartly taken in the slips off Copley with the total at 139. The third partnership had produced a valuable 94.

Fisher's innings was soon afterwards ended when he was beaten by a good ball from Bowman, seven boundaries being included in his total of 65.

When Gunn was given his first trial with the ball he bowled Shaw, middle stump with his third delivery. He also claimed Hesketh as his victim whom he caught off his own bowling, the young member of the famous Gunn family having taken two wickets for but three runs in the three overs he bowled. The 200 was not reached until after lunch.

COLTS PLAY DURHAM

Splendid Stand by Fisher and Shackleton.

Yorkshire II. placed themselves in a sound position as the result of the first day's play in the match against Durham at Darlington in the Minor Counties' Championship. Their first innings totalled 272, and when stamp ^{was} withdrawn their opponents had replied with 56 for no wickets. Moon, the Darlington player, having retired hurt. The attendance was only about 500.

While the Yorkshiremen gave a sound bat-
ting display, it was not characterised by enter-
prise. At periods it became tame and rudi-
cule in only at a very slow rate. The Durham
side was reputed to be strong in bowling, but
though the Durham captain tried all his
resources, it did not create much impression on
the batting, although the Yorkshire batsmen
were never able to take liberties, punishable
balls being rare. The wicket was absolutely
plumb, but the blustery breeze caused the ball
to play queer tricks.

The main feature of the Yorkshire innings was a splendid stand by Shackleton and Fisher, which changed the complexion of the game. Numerically half the batting strength had been exhausted when these two became associated, when the score was at 120, and when the partnership was severed the total had been carried to 240.

Shackleton's innings of 106 was a thoroughly sound display and he gave no chance. He made use of a number of excellent and stylish strokes, notably on the leg side. The Keighley player's innings occupied about 200 minutes, and his big included 8 fours.

Fisher also batted in excellent style for 55, his score containing seven boundary hits. The end of the partnership came about rather unfortunately. Shackleton was only one short of his hundred and when taking a close run to complete the century over-eagerness resulted in Fisher being run out.

Durham's 452 for 7 Wickets.

The Minor Counties Championship match between Durham and Yorkshire II. at Darlington ended yesterday in a draw, but Durham were able to claim points on first innings advantage.

Butting with great freedom, Durham ran up a total of 452 for the loss of 7 wickets and then declared. Thus Yorkshire were left 180 behind. But, profiting by the example, they adopted more forcible batting on the easy wicket.

Not for years have the Yorkshire Colts had so large a score made against them, and Durham last passed the four hundred mark in 1921, in the match against Northumberland at Newcastle.

The batting on both sides yesterday was exhilarating, close upon 600 runs being scored in 6 hours.

BOWLING FEAT FOR THE CRAVEN GENTLEMEN,

Leeds Grammar Staff Lose.

Playing on the school ground yesterday, Craven Gentlemen defeated Leeds Grammar School Staff by 93 runs after an exciting finish. With 5 wickets intact and 10 minutes to play it appeared likely that the Staff would force a draw, but W. King, the Craven fast bowler, had a remarkable last over in which he accomplished the "hat trick" and took 4 wickets in 5 balls, his full analysis being 6 for 35, the Grammar Staff's innings ending a few minutes before 6 o'clock for 133.

A bright feature of the Staff batting was the performance of L. Hardy, who compiled a useful 61 before succumbing to a "jorker" from King.

For the Gentlemen G. H. Smith played a good innings, carrying out his bat for 60. The Staff included "Tommy" Eirtlos, the ex-Yorkshire County reserve player, who is the school coach. He captured 4 wickets for 76 and S. Cook secured 4 for 39. Details:—

IRISH ADVANTAGE.

The Scottish eleven, resuming against Ireland at Edinburgh, were at a considerable disadvantage, the weather conditions being a marked contrast to those of Saturday.

The wind was so strong that the balls had to be removed.

The Irish captain had a good and varied attack at his disposal, and the Scottish batsmen from the outset found runs hard to get. After a stand for the seventh wicket between Alexander and Melville, who saved the follow on, both men were sent back at 210, the last two wickets falling for 1 run more. Ireland, 135 runs to the good, scored 111 for the loss of 4 wickets.

COLTS AT NEWCASTLE.

Home County Get a First Innings Lead.

Glorious weather favoured the opening of the Minor Counties' match between Northumberland and Yorkshire Seconds at Jesmond, Newcastle, yesterday. The wicket favoured the batsmen, and more runs would have been scored had the batsmen been more enterprising.

Both sides completed an innings, and the home county gained a lead of 61, thanks chiefly to the score of 82 by W. G. Mackay and a good stand of 43 for the ninth wicket by J. K. Craig and Hetherton. Mackay opened the innings with J. B. Bruce, and was fifth out with the last ball before lunch.

Without playing brilliantly, his was an invaluable contribution. When four short of his half-century he had a "life," for a ball from Shackleton struck his body and rolled on to the wicket but did not dislodge the bail. Then he developed the habit of playing back, and this proved his undoing, for he broke his wicket in guarding a well-pitched delivery from Bedford.

With Ord, Mackay put on 45 for the fourth wicket, and when he had gone there was something of a collapse, until Craig and Hetherton came together. These two showed the bowling could be hit, and when their partnership was broken the end soon came. Bedford had the best bowling analysis with 5 for 40, but Hall, in his first spell, had 2 for 12. Then he developed leg weakness and was rested for a time, and though he resumed later he was not so effective, and his 3 wickets cost 44. He was the second cripple on the Colts' side, for Major Chichester-Constable sprained a ligament and fielded under a big handicap.

The Yorkshire batting was not very convincing. Turner had the top score with 31, but he was missed on the boundary by Ord when he had scored 7. M. C. Reynolds came in at the sixth wicket, and with Fisher put on 32, and was last out for 28.

Altogether the Yorkshire innings lasted 2 hours and 25 minutes.

Hetherton troubled the Yorkshire batsmen with his medium pace bowling, and he had 5 wickets for 52. In 25 minutes' batting before stumps were drawn, Northumberland scored 33 without loss.

COLTS DEFEATED.

Barnsley Bowler a Success at Newcastle.

After an interesting day's cricket, the Yorkshire colts were defeated by Northumberland by 107 runs at Newcastle yesterday.

Overnight the home county had built up a strong position, having a lead of 84 with all their wickets standing in the the second innings. Their batting to-day was brighter, and honours again went to W. G. Mackay, who was at the wicket 1½ hours for 86, which included 14 fours. He gave no chance and his only bad stroke was one which brought about his downfall. He then played over a ball from Fisher in attempting a big hit on the leg side.

As far as Northumberland was concerned it was Mackay's match, for, in addition to scoring 168, he took 5 catches.

A valuable stand for the eighth wicket was made by I. C. Macdonagh and J. K. Craig, who put on 67 in 35 minutes, providing the brightest cricket of the day.

The young Barnsley professional, Bedford, was the success for Yorkshire in bowling. Keeping a good length, he mixed the balls with skill and his googly had most batsmen in trouble and took a couple of wickets.

Yorkshire had nearly four hours in which to get 303 to win, but they did not look like accomplishing this. The most they could hope for was to save the points. There were one or two useful stands, notably between Turner and Shackleton, which put on 45 for the third wicket, and Fisher and Reynolds, who added 34 for the seventh.

Fisher had a life when he was dropped at the wicket, but otherwise he played confidently, his defence being good. When he had gone the end soon came. Chichester-Constable, still under the disability of a sprained leg, being bowled without scoring. The innings lasted 4 hours. Macdonagh's fast bowling got him 4 wickets for 33.

DISTINGUISHED SIDE
AT DURHAM.

County's Good Display.

Durham County, who had been undefeated for three seasons, put up an excellent performance against a powerful eleven brought by Mr. H. D. G. Leveson-Gower.

To the disappointment of 4,000 spectators, Hobbs was unable to play, but the side included five players with Test match experience. After a full day's cricket, Mr. Leveson-Gower's XI left off 80 in arrears, with 3 wickets outstanding. H. M. Moon, the Darlington amateur, followed up his century against Yorkshire Colts on the previous day with a faultless 100. Scores:-

CITY POLICE RIVALS.

Leeds Beat Bradford in Return League Game.

Leeds City Police gained a very creditable victory over Bradford City Police in the return West Riding Police League match at Park Avenue yesterday.

Batting first on a hard wicket, the Bradford side made 173 in 24 hours by laborious methods, but the visitors, left with only 14 hours in which to pass this total, set about their task in masterly fashion, and had obtained the necessary runs within an hour and a half, with three of their wickets intact.

The early Leeds batsmen gave only an indifferent display, but some lively batting by Cooper, Kendrew, Bennett, and Russell turned the tide in Leeds' favour. When Russell and Pickard became associated at the fall of the seventh wicket, Leeds were 37 runs behind the Bradford total, and had 25 minutes at their disposal, but this pair hit freely and obtained the runs in ten minutes. A feature of the match was the brilliant work in the field by the Bradford team. Scores:—

COLTS BAT FINELY. WIN FOR THE COLTS.

And Hall Takes 6 Leicester II. Wickets for 25.

Major Chichester Constable had the good luck to win the toss for Yorkshire Colts against Leicestershire II. in the Minor Counties Championship, at Doncaster, yesterday, for the wicket crumbled later in the day, and the visitors found themselves in a bad position.

Whitehead and Bedford put on 116 for the first wicket for Yorkshire, and both left at the same total. Afterwards Fisher, the East Leeds batsman, played a great innings, although he was missed twice. He scored 86 not out, most of his hits being hard driven shots between point and cover and leg glances. Together with Davidson he put on 84 for the fifth wicket. The innings was declared closed at 275 for 8.

Hall had the Leicestershire batsmen in difficulties. He took six wickets for 25. Goulder, of Sheffield, playing in his first match for the Yorkshire Colts, took one wicket. He bowled a very deceptive ball, left arm, and though the wicket was hard he found he could turn the ball a great deal. Leicester had lost seven wickets for 88, which included 26 extras at the close.

The best bowler on the visitors' side was Bowley, who flighted the ball well with the assistance of a strong cross wind. He took five wickets for 49 in 21 overs. The fielding was not good, though E. A. Broughton earned applause for one or two smart pieces of work.

Leicestershire will find it hard to avoid a big defeat to-day.

Hall Again Bowls Finely at Doncaster.

Yorkshire County Second XI. won their first match of the season in the Minor Counties Championship at Doncaster yesterday, beating Leicestershire Second XI. by an innings and 55 runs.

Leicestershire started the second day requiring 88 runs to avoid the follow on. Overnight they had scored 88 for 7 in reply to Yorkshire's 275. Before lunch H. Bedford, of Barnsley, got the remainder of the side out at a cost to himself of five runs, and the side was all out for 129.

After lunch Hall bowled at his fastest pace for Yorkshire, and quickly got two wickets. Riley was the only man to stand up to him with confidence, and he went on to 46. Goulder, of Sheffield, got three wickets for 13.

Leicester's total in the second innings was 91. Hall had a good match, taking in all 10 for 69. Full score:-

A COUNTY SIDE PLAY BRADFORD LEAGUE.

Holmes' Benefit Match.

While Percy Holmes was upholding the good name of Yorkshire cricket in the Gentlemen v. Players' match at Lord's, yesterday, a game was being played for his benefit at Undercliffe, where a side which included six of the Yorkshire side drew with the Bradford League.

In spite of the leaden sky and cold wind there was a good "gate," and the receipts amounted to £26 6s.

Holmes' son, Stanley, played with the Yorkshire side, and took a wicket. The county players in the side were Rhodes, Sutcliffe, Robinson, Barber, Wood, and Mitchell.

The League team batted first, J. C. Lee and H. Taylor beginning well against the bowling of Rhodes and Mitchell. Lee, at 12, was caught off Robinson, and Taylor, who batted very cautiously at first, taking 2 hours to reach his 50, hit out later and scored 94 before he fell to the wiles of Rhodes.

He was splendidly supported by E. G. Coates, the young Bradford player, who knocked up a merry 32 in 20 minutes off loose bowling before Rhodes thought he had had his share of the scoring and had him caught.

Robinson and J. R. Hardcastle (Bingley) played excellent cricket in scoring 55, and before the tea interval the League had made 224 for 6 wkt., before declaring.

Robinson and Rhodes were obviously resting and bowled very few overs. Sutcliffe and Mitchell opened slowly for the county team, and smart Fielding kept scoring down. At 30 Sutcliffe bruised his thumb and retired. Scores:

INTER-COUNTY POLICE MATCH.

The annual police charity match for the benefit of the Northern Police Orphanage and local medical charities was contested at Headingley yesterday when the Yorkshire County Police were opposed by the Notts County Police.

The Notts men made a poor show against the good bowling of P.C. Waters (Leeds), Sgt. Talbot (Huddersfield), and P.C. Taylor (East Riding), and were dismissed for 45. P.C. Upton (Notts) batted through the innings for 22.

Waters had the excellent analysis of 5 for 16, Taylor captured 2 for 0, and Talbot 2 for 21.

The Yorkshiremen passed the visitors' total with three wickets down, and declared at 184 for five, P.C. Brooke contributing a not-out innings of 63. P.C. Lunn made 60 in good style.

The Notts men fared little better in their second innings, losing six wickets for 55 before the match was drawn. P.C. Taylor took four wickets for 18. Details:-

MAX WOOSMAN DEBUT.

To the Rescue of Cheshire in a Collapse.

Staffordshire were without Barnes, and Cheshire had also a weakened team. The latter included for the first time Max Woosnam, the famous tennis and football player.

Staffordshire made a bad start, but Fitton and Ikin retrieved the position. The former's defence was serviceable, and at long intervals he made clever strokes. Ikin played attractive cricket, and he and Lockett were batting with confidence when their wickets were foolishly thrown away by mistakes in running.

Cheshire made a disastrous start, losing five wickets for 11. Wilson and Woosnam changed the aspect. Woosnam played an excellent innings.

YORKSHIRE GENTLEMEN

Beaten by the Northern Command.

Play in the second match of the Yorkshire Gentlemen's cricket week was resumed yesterday at York, with the Northern Command 55 runs ahead of the Yorkshire Gentlemen's first innings score and seven wickets in hand.

Becher was bowled when the score stood at 269. Ho and Hudson added 109 in an hour, and Bochor's score included a five—all run—and 9 fours, and Hudson's included a six and 6 fours. The Command's innings closed at 380, made in four hours. The Yorkshire Gentlemen followed on, and were all dismissed for 119, the only man offering any resistance being Burton 29 and Lister-Kaye 34. COUNTY COLTS.

Yorkshire Cricketers' Good Start at Doncaster.

TWO DAYS' MATCH.

A big cricket attraction at Doncaster this week is the Minor Counties match between Yorkshire and Leicestershire Second XI's on the Town ground on Wednesday and today (Thursday). Yorkshire finished off on Wednesday with a big advantage. Yorkshire declared at 275 for 8 and then got seven of the Leicestershire side out for 88.

Major Chichester-Constable won the toss for Yorkshire.

Whitehead and Bedford opened the Yorkshire innings quietly to the bowling of Bale and Tyler. Bale, bowling medium pace and left-handed, got in an occasional ball which "kicked." A cross wind helped him, but the batsmen had ten on the board in as many minutes. Whitehead made one confident leg glance which was smartly stopped by Broughton.

A regular rate of a run a minute was maintained. Bedford's first four was a leg shot off Tyler. York displaced Bale at 36, and Astill, a younger brother of the All-England player, went on for Tyler at 38. Bedford soon put Astill through the covers for a four.

Whitehead thumped a full toss from York to the boundary, and got two more fours off Astill. Yorkshire rounded the 50 mark in just under 45 minutes. It was good cricket now, and the batsmen kept their scores together, being "all square" at 37 each, and the question arose in the minds of many of the spectators whether these young men would emulate their more famous seniors with first wicket century! They did. They had scored 81, at the end of an hour, and Whitehead reached his 50 with a pull to leg off Bowley, who had taken York's place. The same player soon afterwards sent up the hundred with a boundary shot off Astill.

With the score at 116, Yorkshire lost both these batsmen, Bedford, returning an easy "caught and bowled" to Tyler, while Whitehead played on to Bowley. With three more added, Turner, who followed Bedford, skied a ball from Bowley and was caught.

Whitehead's 69 included nine 4's. Shackleton and Spicer seemed to be in for a good stand when Shackleton played forward to one from Bowley, missed it, and was easily stumped. Four men were out for 134. At lunch the score was 136 for four, and Leicester had done very well.

In Bowley's first over after lunch Spicer found himself "yorked" by Bowley, and half the side were out for 141.

Fisher was missed by Bale at first slip when he had scored 30, but otherwise his batting was confident and good to watch. Davidson sent up the 200 with a mighty hit to the leg boundary.

He got several balls on the leg side from Tyler, but was too late with most of them. Bale and Tyler bowled maiden overs with the new ball, and the next 10 overs produced only 2 runs. Fisher stood at 48 when Brown relieved Tyler and bowled Davidson with his fourth ball.

The sixth wicket added 82 runs. Fisher reached his 50 with his captain as partner. The Major hit a two into long field, and then put up a simple catch to mid-off.

Fisher continued at his ease, and McReynolds, the Hickleton Main wicket-keeper, held on at the other end. Fisher put 250 on the board with a hard punch out of Point's reach. He now became top scorer.

Fisher went on to make 86 not out, and the innings was declared at 275 for 8.

Hall's "Bumpers."

When Leicester opened their innings it was soon evident that they would have trouble in dealing with the fast bowling of Hall, who made the ball bump awkwardly. He got six wickets for 25 during the evening and Leicestershire had lost seven wickets for 88 at the close.

The match will be continued to-day and, if it lasts, it is intended to draw stumps at 6 p.m.

at Doncaster.**

COLTS IN FAVOURABLE POSITION.

Yorkshire Colts finished up in a sound position on Wednesday night in their two-days' match with Leicestershire II. After the opening partnership of 116 by Whitehead and Bedford, there was a succession of failures, but Davidson and Fisher made a stand of 82 for the sixth wicket. Fisher went on to make 86, being unbeaten when the Colts declared shortly after tea with 273 runs for 8 wickets.

On a batsmen's wicket, the opening Yorkshire pair sent up the hundred in just under seventy minutes. Bale, a left-hander, who has played for the Leicestershire first team, opening the bowling to Whitehead, Tyler being the bowler at the other end.

E. A. Broughton earned applause for several pieces of smart fielding in the slips, on one occasion stopping a leg-glance by Whitehead which was wide of him and which would easily have reached the boundary. The first four of the match was a beautiful glance to leg by Bedford. York then went on to bowl for Bale, with the total standing at 36, and Astill at the other end for Tyler.

By York's first ball, Whitehead was sorely puzzled, but the last delivery of the over—a full toss—was sent by him to the leg boundary. Far from decreasing the rate of scoring, the double-howling change was the herald of a more vigorous display of hitting, and whereas the first forty came in as many minutes, in the five minutes immediately after the change of bowlers seventeen was scored.

Astill, who is a brother of the Leicestershire first team all-rounder, was not giving too even a display of bowling, for in one over he was knocked for eleven and the next was a maiden. York, off whom 22 had been scored in four overs, was displaced by Bowley at 87. Only sixteen runs had been added to the century when the first wicket fell, Bedford being caught and bowled by Taylor. At the same total Whitehead played on to Bowley, and three runs later the third wicket fell, Turner being caught by York, off Bowley, before he had scored.

Those ten minutes had been rather tragic ones for the Yorkshire team and had resulted in a vast change in the Colts' outlook. After the fall of the third wicket the batsmen—Shackleton and Spicer—showed considerably more restraint, but there was soon another setback, for in playing forward to Bowley, Shackleton misjudged the ball and was cleverly stumped by Correll. At lunch the score stood at 136 for 4.

SLOW SCORING.

In the first over after lunch, Spicer was clean bowled by Bowley, the fifth wicket thus falling at 141. After the departure of Whitehead and Bedford the batting was anything but confident, although Davidson, unscathed with Fisher, had several pretty boundary shots. Generally speaking, the fielding of the Leicestershire men was smart, and a number of potential fours were restricted to singles. There were mistakes, however, and several runs were conceded by loose work in the outfield.

Davidson and Fisher seemed then to have settled down, offering a steady resistance to what was for the most part good-length bowling. After 200 had been scored, the bowlers, by reason of the new ball, kept the batsmen extremely quiet, and a period of real inactivity followed. Indeed, Fisher and Davidson were irritably cautious and for eight successive overs not a run was scored. In ten overs two singles had been registered—and with what a burst of ironic acclamation were they received by the crowd!

What a contrast the batsmen's attitude was to their former policy can be judged when it is said that up to the 200 mark both had been employing enterprising and productive strokes. Particularly was that so with Fisher, who had three successive boundary hits off Bowley. At that stage of the match it was strange to see how ineffective was Bowley, who, immediately before lunch, had been responsible for the collapse in the Colts' batting.

FISHER'S FINE INNINGS.

Davidson's somewhat tedious innings, in which he had compiled 24, ended when his partnership with Fisher had realised 82. Brown claiming the wicket immediately after having displaced Tyler. Despite its slowness, the partnership was invaluable for the runs were needed badly. In subsequent partnerships with Major R. C. Chichester-Constable and MacReynolds, Fisher went on to make 86, and when the total had reached 275, with eight wickets down, the Yorkshire captain applied the closure.

If the Colts' batting had been uninspiring, it was not nearly so much so as that of the Leicestershire team, and after Hull, the young fast bowler who played for the Yorkshire first team against Middlesex at Lord's a few weeks ago, dismissed Tyler, little resistance was offered. Developing considerable speed, and making the ball get up disconcertingly, Hull had the batsmen fairly tied down.

A typical example of his quickness of perception and his readiness to seize opportunities was given when following up his delivery and smartly holding it, he surprised both batsmen and stump by flinging the ball back to the wicket, with the batsman well out of the crease. Unfortunately the throw in was inches wide, but apart from the smartness of the action, it was an opportunity which would have gone by unobserved by many.

HULL'S HAVOC.

Allowing for what MacReynolds had to contend with when stumping to Hull, his work was not satisfactory, as 26 extras out of a total of 88 shows.

When play closed Hull had secured six wickets at a cost of 25 runs, and Leicestershire, then 88 for seven wickets, required 93 to avert the follow-on.

DURHAM'S BIG SCORE. DURHAM WIN BY 26.

Yorkshire II.'s Hard Task.

(By Our Special Representative.)

YORK, Monday.
The strong Durham side, which did so well against the Yorkshire first team in a missionary match at Sunderland last week, had distinctly the better of the opening day's play in the return Minor Counties' Championship match with the Yorkshire Second Eleven on the Yorkshire Gentlemen's ground here, and unless the Colts' tail is better than has been the case in recent matches the young Yorkshirians are likely to be called upon to follow-on to-morrow morning.

Perens and Moon are absent from the Durham side, but the reserves have proved quite efficient, and early in the visitors' innings it was obvious that the Colts were in for a stern time in the field. Askew and Oliver, the opening batsmen, were confident and aggressive from the start, but there was a time when Hall and Bedford seemed to be bowling well enough to get the upper hand, and, when four wickets were down for 87, the outlook for Yorkshire was promising enough.

Then Adamson and Howell got together and carried their side over a period when the Yorkshire attack was at its best, on a wicket that was on the tricky side. Howell's innings of 56 included one six and 3 fours, while Adamson in his 76 had one five, 6 fours, and 5 threes. Together they carried the score to 200, and did much towards giving Durham their present advantageous position. Quite the brightest bit of batting in the day's play, however, was provided by Carr, who scored 24 in fifteen minutes, hitting a six and 3 fours.

Hall came out with the best analysis—four wickets for 56 runs (at one time he had three for 15)—while Fisher, the East Leeds man, had three for 62, and Bedford two for 66. Bedford, however, bowled better than his figures indicate, and several chances were missed off him, particularly behind the wicket, where Boyes, of Thornaby, was making his first appearance with the side.

Durham took a little over four hours to score 279, and in the two and a half hours left for play the Colts totalled 138, at a cost of seven wickets. Their batting was far from enterprising, and but for a patient innings by Turner, who served his side well with 43 runs, and some sound work by Fisher, who got 32 before being 1 b. w. to Brooks, the Durham captain, they would have been in a sad way indeed. Speak, the Leeds Clarendon batsman, who goes to Russia with the Yorkshire Amateurs A.F.C. at the end of the week, played one of his best innings with the Colts, scoring 20 before falling to one of the best balls of the match, sent down by Carr.

Yorkshire Colts' Brave Fight for Victory.

(By Our Special Representative.)

YORK, Tuesday.
In a really fine finish on the Yorkshire Gentlemen's ground here to-day, Durham beat the Yorkshire Second Eleven by 26 runs. The Colts made a brave fight for victory, when they went all out against time and good bowling, and in the end they were only just beaten. Durham owed much to the fine bowling of Cook.

Yorkshire had to fight to save the follow-on in the morning, and it was only the sound work of W. E. Harbord, the Etonian, that prevented his side batting again before lunch. He played a straight bat against the Durham attack at its best, and, picking the right ball to hit, added 29 to the overnight score of 50. Quite a few good judges are watching the work of this young man with more than ordinary interest. Goulder, of Sheffield, was the man who made the run which actually saved the follow-on. He was last man in, and when he went to the wicket the field closed in, but he did his work manfully, and when he was bowled by Cook Durham were 87 on.

The Yorkshire attack was shared by Hall, Fisher, and Bedford, and once again slips behind the stumps cost Bedford wickets. The young Barnsley man, however, had the satisfaction of bowling Gibbon, Carr, and Sadler. He suffered somewhat when the Durham batsmen were forcing the pace prior to the declaration, and again his analysis did not do justice to his bowling. Fisher, the fast Leeds man, took the other two wickets at a cost of 47 runs, and the Durham captain declared his side's innings at 144 for 5 wickets. Dobson was 38 not out, but the brightest batting was provided by the long-limbed Carr, who hit 4 fours in his short innings.

This sporting declaration left the Colts to get 232 in just over three hours, and right well did Whitehead and Bedford start. The former who comes from Friarmere, scored a very quick 23, before being bowled by Cook. Bedford was unlucky in being stumped off the wicket-keeper's pads, and three wickets were down for 50 runs. Then Turner and Speak, a former Leeds University captain, carried the score to 123—they added 73 runs in 42 minutes—and brought the prospect of a Yorkshire victory into sight.

Speak, who is now with the Leeds Clarendon Club, played his best innings for the Colts. He dealt with the bowling on its merits, and was especially hard on the loose ball. He took less than an hour to get his 74 runs, and altogether played as good an innings as has been seen on the ground for many a day. In his total there were 11 fours and one 6, and while he was at the wicket there was always a chance of victory for the Colts.

A stand by Harbord and Boyes roused hopes, until Cook got the wicket of the Thornaby stumper, and then the Colts captain hit 15 to help the total along. When Goulder joined Harbord 31 runs were required for victory, and at 6.15, with the total at 205, Goulder was bowled by Cook, and Durham won by 26 runs. Again Harbord carried out his bat. This time he had 18 to his credit, and has every reason to be satisfied with his debut with the Second Eleven.

YORKSHIRE TO TRY A LEEDS BOWLER.

In the return match at Harrogate to-morrow between the Yorkshire and Northamptonshire teams, a trial will be given to N. Fisher, in place of Dennis, who is to be rested. Fisher is a left arm slow bowler and left hand bat, of the East Leeds eleven, one of the Leeds League clubs. He has done good service with the Yorkshire Second Eleven this season. In the recent match at Doncaster against Leicestershire Second he carried out his bat for 86.

The team will be:—Capt. W. A. Worsley, Holmes, Sutcliffe, Oldroyd, Leyland, Mitchell, Robinson, Macaulay, Rhodes, Wood, and Fisher.

Lancashire II's Poor Reply to Northumberland.

In the return match with Lancashire II, at Old Trafford, Northumberland made an excellent start when J. B. Bruce and W. G. Mackay scored 52 together in 50 minutes for the first wicket, but afterwards on a drying wicket there was a collapse and seven wickets fell for 100 runs. C. F. Stanger-Leathes and J. N. Craig effected a rally by scoring 43 in 70 minutes for the eighth wicket, but was missed no fewer than four times. After an hour and twenty minutes delay by rain the innings closed for 158.

In the last hour and a half of the day Lancashire put a very poor figure, and lost six wickets for 82 runs. Present score:—

LANCS II. WIN.

Northumberland Beaten by Six Wickets.

Lancashire Second defeated Northumberland at Old Trafford yesterday by a margin of six wickets. Lancashire started with only four wickets left and 76 runs in arrears, but a partnership between Paynter and Horridge producing 61 runs for the seventh wicket altered the complexion of things, and enabled the home county to make a capital rally. Allan was Northumberland's most successful bowler, taking half the wickets for 44 runs.

Northumberland were dismissed a second time for 139. C. F. Stanger-Leathes again making a great effort, but the remainder made a poor show against the deliveries of Holroyd, who captured six wickets for 44 runs and made his aggregate for the match into ten for 97. Lancashire were set to get 141 to win, and they obtained the required number with 30 minutes to spare. Scores:—

Tonbridge Easily Defeat Clifton.

Although Clifton gave a much better display in their second innings, they suffered a heavy defeat at Lord's yesterday, Tonbridge winning by ten wickets.

In arrears on the first innings of 221, Clifton ran up 233 at their second venture, thus compelling Tonbridge to score 13 to win. K. W. Nuttle batted steadily for 2 hours and 55 minutes and he had just reached his hundred when he was given out for obstruction. His best hits were 7 fours.

R. H. Rutter again bowled well taking 5 wickets for 61 runs. R. W. Owen hit a ball from Davies out of the ground for six, and scored his 33 in 20 minutes. Scores:

COLTS IN DIFFICULT POSITION.

Overshadowed in the Match at Halifax.

23 WICKETS FALL.

HALIFAX, Monday.

There was a vast difference in the work of the second elevens of Yorkshire and Lancashire in the opening day's play in the Minor Counties Championship match at the Thrum Hall ground of the Halifax club, and the young Yorkshiremen were so overshadowed in bowling and batting, at all events, that they are in grave danger of an innings defeat.

In a full day's cricket 23 wickets fell, and as the 13 Yorkshire wickets only produced 119 runs against the Lancashire first innings total of 214, it will be seen that there is a stern fight in front of the home side to-morrow. Their work, however, was never as distinguished as that of the members of the Lancashire second team, and from the very first ball of the match the Yorkshire Colts were playing second fiddle.

Yorkshire's second string had first use of a wicket which had no terrors for the Lancashire batsmen an hour and three-quarters later, and Whitehead, a Huddersfield League player, who has previously distinguished himself by sound work with the Colts, was completely baffled by Booth's opening ball. Bedford, of Barnsley, followed Whitehead with only 3 runs, on the board, and from that point the Lancashire Colts supremacy was clearly established. Harbord, the Etonian; quite one of the most promising amateur bats seen with the Colts for several seasons, and Turner set up a resistance which carried the score to 30, but judicious use of the effective visiting bowlers broke this partnership, and the Colts were all out in 90 minutes for 78 runs—less than half the total expected of them.

Senior, who plays with Huddersfield, was the one member of the side to face the bowling of Preston with any assurance. He went to the wicket after Preston had claimed two victims in an over, and he hit the Lancashire fast bowler for 2 fours and a two in his first over. Boyes, the Thornaby wicket-keeper, also reached double figures, but the innings was a comfortless one from Yorkshire's point of view.

The ease with which the visitors tackled the Colts' bowling afterwards was none too encouraging either. Hore Paynter played the part in the betting that Booth had played in the Lancashire attack. He went out at Bedford from the start, hit 5 fours in the Barnsley man's first three overs, and had 50 of the first 68 to his credit in something like 40 minutes. His bright and courageous innings produced 62 and included 10 fours, and as Booth and Higson, the Lancashire Colts' captain, shared 90 between them, the young Yorkshire bowlers had none too happy a time.

Shackleton, who plays with Keighley, came out with the best analysis—3 wickets for 37. Horbury, the Harrogate all-rounder, who was making his first appearance with the side, bowled six overs for 28 runs and no wickets, and Bedford, despite his severe treatment by Paynter, finished with three for 58. But generally speaking the Yorkshire attack was undistinguished against that of their opponents.

Booth, who had three wickets for eight runs in the first innings, showed his merit in the Yorkshire Colts' second innings, taking the wickets of Whitehead and Bedford again for 11 runs. Again Harbord played a sound little innings, and the day ended with Turner and Horbury batting stubbornly and Yorkshire's second eleven, with seven wickets standing, needing 95 runs to avoid an innings defeat.

TWO MORE OVERS.

Lancashire Colts Baulked at Halifax.

The Lancashire Second Eleven had a disappointing experience in their match with the Yorkshire Colts at Halifax yesterday, when the rain robbed them of what appeared a certain victory. In their first innings they scored 214, while the young Yorkshiremen totalled 78 and, with three wickets down, had only rubbed 41 of the arrears off in their second innings.

Yesterday it was not possible to make a start until half-past three and then, when two overs had been bowled, and Horbury, the Harrogate all-rounder, had added one to his score, the rain began to fall again and no further play was possible. The Lancashire Colts took points for a first innings lead.

LINCOLNSHIRE v. CAMBRIDGESHIRE.

In the Lincolnshire v. Cambridgeshire match at Wisbech yesterday, Cambridge, batting first on a soft wicket, fared badly against good bowling and fielding. The total was 71 for 9, but thanks to a fine last wicket stand the total reached 114.

Lincolnshire opened their innings at 3.45. Freeman and Ross, playing cautiously, put on 42 for the first wicket, despite bowling changes. Ross then found a useful partner in Scurr. Drakes batted carefully and assisted Ross to put on 42 for the sixth wicket. Scores:—

EXCITING FINISH.

Lincolnshire Beaten on Time.

At Wiesbach yesterday, Cambridgeshire defeated Lincolnshire by 30 runs after an exciting finish.

The visitors took their overnight total to 179, thus leading by 65. After losing six wickets for 71 Cambridgeshire, thanks to an invaluable innings of 83 by Saxon, made 156. Lincolnshire being left with 92 to get in two hours. The early batsmen failed badly, six wickets being down for 29. Dodds made a useful stand and was eighth man out, having scored 17. The remaining wickets added only 9, and Pask bowled the last man seven minutes from time.

DRAW AT PORTSHILL.

Staffs and Notts Both Declare.

Rain during the night made the wicket at Portshill kick awkwardly for a time when the game was resumed with Staffordshire requiring 138 for the first innings lead with six wickets standing. Heath was caught behind the wicket from a ball that reared waist high at 146, the fifth wicket having added 87. Lockett continued to score cleverly and completed his century in an hour and fifty minutes, after being missed at the wicket at 89, his only fault.

Barnes, owing to an injured finger, was unable to bowl. Gunn and Keeton, in a bright partnership, scored 113. Notts declared at tea-time, but rain prevented further play.

The Rest Save the Game Against Lord's

A keen and interesting struggle between Lord's Schools and the Rest at Lord's yesterday resulted in a draw, the latter side, with two wickets to fall in their second innings being 14 runs on. The Rest gave a weak display of batting in the first innings and were all out for 164, Colling being top scorer with 29. Following on the Rest made a poor start, Benn and Adams being cheaply dismissed. Brett batted soundly for his 81 and received good support from Moore, who added 20. Human put up a stout resistance and scored 54 before being stumped. Collins fell a victim to Dawson with his total at 21, but Skinner could not be beaten and carried out his bat for an invaluable 30. COUNTY COLTS ON TOP

59 Ahead with Five Wickets to Fall.

BRIDLINGTON. Monday.
The members of the Yorkshire Second XI have had some disappointing experiences in their annual matches on the Recreation ground here, and one or two of them have been against Northumberland; but to-day the Colts have shown work equal to their best of the season. They got Northumberland out in two hours and fourteen minutes for 111 runs, and took the first-innings lead with half a dozen wickets standing.

It is a long time since the Colts did so well against Northumberland in Yorkshire; for those experienced and capable bowlers, Milne and Hetherton, generally have had the upper hand. Milne has not been able to make the journey for this Minor Counties Championship game, and to-day Hetherton has been handicapped in bowling by an injured leg. Still, the Colts have earned their commanding position.

The visitors won the toss and had first use of a wicket which proved to be by no means so good as it looked. The opening bowling of Fisher, the young East Leeds all-rounder, was altogether too good for the Northumbrian batsmen, and with four quick wickets he gave his side a hold on the game which they never lost.

Fisher's bowling at the start was as good as anything he has done with the Second XI. He swung the ball in deceptive fashion, and took the first wicket before a run had been scored. Bruce was beaten with Fisher's first two balls, and the third upset the stump. Hall and Turner made first-class catches to help Fisher dismiss Mackay and Broadbent. Then Fisher bowled McKinnell—at this point he had taken 4 wickets for 13 runs—and Ord played a ball from Lamb on to his wicket. Lamb has been doing well with Bradford in recent times, and this is his first match with the Colts.

Half the Northumberland wickets were down for 32 runs, and it was left to Stanger-Leathes, the captain, and Craig, the wicket-keeper, to make the one stand of the innings. Craig was never quite at home, but the visiting captain played a stalwart's innings, and in his 43 he had 5 fours. The only flaw was the shot he made at the ball which got his wicket—one of the worst balls of the day. Craig and his captain put on 56 runs, and in 14 minutes after lunch the last three Northumberland wickets fell for a couple of runs.

Shackleton, the Keighley all-rounder, had the following most satisfactory return:—

O.	M.	R.	W.
3	3	0	2

Fisher had 4 for 34, and Hall, of York, who has played with the first team, finished with 3 for 13. The Colts made full use of the wicket, and their fielding was an improvement on their work in some of this season's matches.

Whitehead, the Huddersfield League player, and Harbord, the old Etonian, gave the Colts' innings a fair start, but there was a time when the Northumberland bowlers threatened to follow in the footsteps of Fisher. Atkinson, playing his first match for his county, got the wickets of Whitehead and Turner, but Harbord and Shackleton altered the outlook.

Harbord hit 6 fours in a well-played 41 and justified his promotion to the position of opening batsman. He has played in three matches with the Second XI, and in each innings has acquitted himself creditably. He has a sound style, and promises well. To-day he lost his wicket after a downpour of rain. F. J. Cooper, a Bridlington man who has played with Essex, was caught in the slips off a rising ball which he tried to avoid.

Shackleton followed up his bowling with a sound innings, in which he completed his 50 with a four—all run—and he had the satisfaction of making the stroke which gave the Colts the lead. The Colts are 59 on with five wickets to fall.

Northumberland tried four bowlers—Atkinson, Ord, Allan, and Hetherton—but Lee, who received a nasty knock whilst batting, was unable to take a turn with the ball. Present score:—

COLTS DEFEATED.

Batting Collapse Against Northumberland.

EXCITING FINISH.

BRIDLINGTON. Tuesday.
After holding a winning position for three-quarters of the time, the Yorkshire Second XI were beaten here to-day by Northumberland in as exciting a finish as has been seen on the Recreation ground for many a day. Set to get 104 for victory, the Colts' batting collapsed, and the Northcountrymen won by 11 runs. It was a meritorious performance, for Northumberland were 103 behind on the first innings.

The Colts added 44 to their overnight score to make their first innings total into 214, and of these 44 runs, which cost 5 wickets, 21 were put to the account of Smith, of Bradford, who has kept wicket for the Craven Gentlemen. In his first innings for the Colts he went out boldly against an attack that was carrying all before it, and he got his runs quickly and well—he took 10 in one over from Hetherton. Allan got the five Yorkshire wickets in less than eight overs at a total cost of 12 runs, and in the complete innings he had 7 wickets for 71 runs.

The Northumberland bowlers had made the wicket appear none too easy, for the ball had got up awkwardly, but Bruce and Mackay found run getting a simple sort of a matter, and had 60 runs on the board in half an hour. A brilliant catch in the slips by Horbury dismissed Bruce, and Shackleton, bowling well, followed with a couple of cheap wickets. Four wickets were down for less than a hundred, but a partnership by Broadbent and McKinnell altered the outlook once again. In his 51 the former had five 4's, while McKinnell, in the best innings of the match, hit eight 4's, and was well bowled by Shackleton when three short of his 50.

Shackleton, who is 20 years old and has played with Keighley since he was 17, has had a most satisfactory game. He is a right arm slow bowler, with a fair command of length, and he can bowl a googly. In both innings he took seven wickets for 58 runs, and he batted soundly each time he went to the wicket. Hall, the York man, bowled at a fair pace this afternoon, and was hardly rewarded with four wickets for 53 runs.

There was an unfortunate happening near the end of the Northumberland innings. Smith, the Colts' wicket-keeper, left the field with a hand which had been damaged two overs earlier in taking a sharp return from the field. A doctor was called for, and it was found that the trouble was a compound fracture of the third finger of the left hand. This, of course, put Smith out of the game, and he was missed in the thrilling closing half hour, when his hitting powers might have pulled the match out of the fire for his side.

The young Yorkshiremen would have won with ease had their batting been as steady as in the first innings. They wanted 104 for victory, and had just over two hours in which to make the runs, but their nine wickets could only total 92. While it had to be remembered that they had the worst of the pitch, the task was one which seemed well within their power, until Atkinson started his third over. Shackleton and Cooper had carried the score from 32 to 71, and there were six wickets standing. Five runs were scored off the first four balls in this all-important over, and the last two got the wickets of Shackleton and Fisher. Lamb was caught off the second ball of Atkinson next over—three wickets in four balls—and Northumberland were definitely on top. Cooper, the Bridlington amateur, looked like saving the game, but he, too, fell a victim to Atkinson. But for his contribution of 34, the Colts' second innings total would have been a poor one. Full scores and analysis:—

PUBLIC SCHOOLBOYS AGAINST COLTS.

Batting Superior to Attack.

COUNTY OPENING PAIR STILL TOGETHER.

HARROGATE, Wednesday.

Some of the most promising of the public schoolboys born in the county are included in a Yorkshire Public Schoolboys XVI, which opened a two days' fixture with the Colts on the Harrogate club's ground to-day, a match which seems likely to be as successful as the first of the series, played at York last season, which drew attention to one or two young amateur batsmen.

What is more, the match is shaping a similar course, for, once again, the members of the Public Schoolboys' side, while showing an ability to get runs quickly and well, have not so far produced a bowler of sufficient ability to trouble the Colts seriously. The weakness of the schoolboys' team last season was in the bowling, and though no fewer than nine young men with vastly different styles were tried in the 105 minutes the Colts' opening pair were at the wicket this evening, the young professionals were never in difficulties.

The fact that Whitehead and Davidson scored 183 runs off this varied attack demonstrates just how completely they were masters of the situation. They—Whitehead especially—took full toll off the medium fast bowlers called upon by Mr. Hesketh, of Barnsley, who is acting as captain of the Public Schoolboys' team, and they might have scored even more heavily off some of the slow break bowlers. The schoolboys' bowlers, as is only to be expected, lacked control of length, and in all the overs the nine of them sent down there was only one maiden, and that was placed to the credit of Haigh-Lumby.

In at least one over runs were made off every ball, and the pace of the scoring is revealed by the book, which shows that Whitehead hit 16 fours in his 94, while Davidson had five in his 73. These capable young professionals—Whitehead, of course, has had considerable experience in Huddersfield League cricket, and Davidson is one of the most consistent batsmen in the Bradford League—are well on the way to the completion of a first wicket stand of 200, and their batting has placed the Colts in a very strong position, for the Public Schoolboys, who had first use of the wicket, are only 87 on.

The sixteen members of the schoolboys' team totalled 270, and the best innings was that of C. C. Garthwaite, who is at the Royal Military Academy at Woolwich. He tackled the Colts' attack in a very efficient style, and displayed a commendable inclination to get runs on the off-side. He had 9 fours in his total. Troup, of York St. Peter's, who is the wicket-keeper, gave his side a good start, for he hit a six off Goulder and batted soundly for 21.

Another St. Peter's boy, Elliott, played a pleasing innings of 28, while Bader, Barker, Place, and Barwick helped the total along in good fashion. The side from a batting point of view was confident and enterprising, and there was some enthusiastic running in the innings, which lasted just over four hours. If the bowling had been as good as the batting and the fielding the Colts' batsmen would have had a vastly different experience.

MINOR COUNTIES.

Wickets for Veteran Lincoln Bowler.

Some interesting play was seen in the Minor Counties match between Lincolnshire and Notts II., which was commenced at Skegness yesterday.

Gunn and Keeton made full use of a well-nigh perfect wicket, and runs rippled quickly, the half-century being reached in 37 minutes. The partnership was dissolved at 60, after which the rate of scoring slowed down.

A big total appeared probable, but J. N. Worman, a veteran of Goberton, the South Lincolnshire club, and who played for the County thirty years ago, bowled finely throughout his 41 overs, coming out with an analysis of 8 for 76. Thanks to Worman's ability Notts were dismissed for a total of 190 after an innings of exactly four hours.

Pearson and Bashforth, who opened for Lincolnshire, were parted at 15, Bashforth being bowled, but Pearson batted confidently, and was hitting out well when he was out l.b.w. When stumps were drawn Lincolnshire were 85 behind with 7 wickets in hand.

INTER-LEAGUE MATCH.

Century by Bradford Player Against Leeds.

Yesterday afternoon at Park Avenue, the Bradford League eleven met a team selected from the Leeds League, and had an opportunity of avenging the defeat at Hunslet last year, the unofficial "Championship" depending on the result of the match. There were two exceptions to the picked teams, J. W. Lamb and J. Hill replacing Shackleton and Davidson in the Bradford team.

There was again a poor attendance at this fixture.

H. Taylor and J. Hill opened for Bradford on a drying wicket. Taylor put up a splendid stand, particularly in his partnership with Kennie, and was responsible for some of the best batting in the match, scoring over half of the total of his side. With their score at 220 for 4 wickets, Bradford declared, not a single extra having been given during the whole innings.

Leeds went in at 5.45 p.m., W. Maskill and R. Grigg opening against Douglas and Render. The pace was quickened, Maskill opening with a cutting five from an overthrow from Douglas. However, the Leeds men slowed down to a careful pace, and put on only 71 after an hour's batting, and with the loss of three wickets. Maskill was brilliantly caught by Waterhouse, and dismissed for 38. The light was not too good at this time, and Lee and Parkinson could put on only 34 in half an hour, the match ending in a draw, Leeds being 84 runs behind with 3 wickets to fall.

During the tea interval Mr. J. J. Booth (president, Bradford Cricket League), made a presentation of caps to those Bradford players who had been selected on three occasions to play in the inter-league match, the recipients being Harry Taylor (Lightcliffe), S. Douglas (Bradford), and D. Waterhouse (Windhill). Scores:

YORKSHIRE 2nd v. PUBLIC SCHOOLBOYS.

Although glorious weather prevailed on Wednesday for this two days match on the Harrogate Cricket Ground, there was not a large attendance of spectators. Those who were present, however, witnessed some bright play there being some promising players in the 16 Public Schoolboys' team, which included three York St. Peter's students, C. L. Troup (who plays football with Harrogate Old Boys), W. Elliott, and H. Haigh-Lumby, and the side also included W. Lupton, son of the former Yorkshire captain, Major Lupton. The Public Schoolboys' had first use of the pitch. C. L. Troup and C. Thornley opening the innings, the former giving a good display for 21; a feature of his hitting being a big drive for six. C. C. Garthwaite (R.M.A., Woolwich) was top scorer with 54, other double-figure scores including D. R. S. Bader (64), W. Elliott (28), C. C. Barker (26), H. N. Place (25), G. M. Barwick (not out 25). The innings finally closed for 270. The County eleven made a good start, Whitehead and Davidson, the opening batsmen, scoring freely, and at drawing time they had put on 183 without losing their wickets, their respective scores being 91 and 73.

Whitehead and Davidson resumed their innings on Thursday morning in dull, cool weather, the former adding 16 to his overnight score before he was caught by Baker off Parkinson. Davidson augmented his score by 11, and was then run out. This brought Turner and Spicer together, and they treated the onlookers to some lively cricket, and they carried the score to 411 by lunch time, Turner's score including three sixes, and Spicer had 16 boundaries in his score of 88; Turner having made 101. How easily he got the runs was shown by the fact that in five successive strokes he made 26. The 2nd XI, decided to declare at the lunch interval.

The Schoolboys opened their second innings with Troup and Thornley, with Hall on the attack. The latter batsman hit Hall through the slips for one, and Troup to leg for a single in the first over. Downes, who is a left-hand bowler, was driven to the boundary by Troup, but he had his revenge, bowling him with the next ball, and one wicket was down for 0. The new bowler had a further success, clean bowling Elliott before he had scored. Thornley scored freely off the York bowler (Hall), and Turner supplanted him. Bader hit the newcomer for two boundaries and two singles in his first over, and Thornley sent the 50 up with a three hit off the same bowler. Thornley and C. C. Garthwaite were quite at home with the bowling, and hit all round the wicket with confidence. Wickets, however, continued to fall, and the side was out just upon six o'clock, the schoolboys having run up a score of 262, which was 121 ahead of their opponents, and the match was drawn.

HARROGATE v. BRADFORD.

In a friendly match against Bradford on the St. George's Road ground on Saturday, Harrogate won by six wickets, thanks to the fine stand by C. L. Whincup, who scored 53 before being neatly stumped by Chester, and to the excellent bowling by Laycock, who took six wickets for 29 runs. Harrogate again lost the toss for the sixth time in succession. Bradford had such batsmen as R. F. Holdsworth, late of Yorkshire Second Eleven; Bowden, Cummings, Barker, and Pickles. Harrogate had F. W. Dent, and R. Alderson in place of A. Simpson and H. T. Morphet. Bowden and Rhodes faced Holdsworth and Horbury. Two wickets fell with only six runs on the board. Holdsworth claiming them both. Laycock relieved Horbury at 29. Bowden was at the wicket 28 minutes before he scored his first run. Laycock soon claimed two victims, but the cricket was very slow, and at 62 Holdsworth, after bowling 14 overs gave way to Thompson at the entrance end. Bradford batted 2 hours and 15 minutes to score 99. Harrogate sent in Whincup and Horbury, and Noble and Holdsworth were in charge of the attack. Holdsworth had Horbury caught by Chester before he had scored, behind the wicket. Alderson joined Whincup and 24 runs were scored before Alderson was bowled by Noble. Whincup and Woods made the game safe—only 10 runs were wanted when Whincup was stumped by Chester. He had played good cricket for his score of 53. Before the winning hit was secured, however, Nicholson was caught by Holdsworth. Thompson joined Woods. Woods with a straight drive to the boundary off Barker, scored the winning hit.

BEN RHYDDING v. HARROGATE "AN ELEVEN."

The Harrogate "An XI" succeeded on Saturday in beating Ben Rhydding for the first time, and this by the splendid margin of seven wickets. Much of the credit for this success goes to Don Jackson, who scored a brilliant 63 not out, including 11 fours. He also made two splendid catches off H. Sutill's bowling, and took one wicket for 14 runs. The "An Eleven" was in good form. H. Sutill took 4 wickets for 21, which makes his total of 48 wickets for 256 runs.

Addison, presented the cup to the winners and remarked upon the splendid sportsmanship that had prevailed during the game. Both sides were congratulated upon their work in the field. Mr. G. Johnson (captain of Bilton C.C.), on receiving the trophy, made a characteristic little speech, and paid a warm tribute to his colleagues who had rendered such valuable assistance to him. Mr. G. Hurst (captain of Woodlands C.C.), replied. Mr. Needham responded to thanks accorded the umpires.

COUNTY COLTS SEASON.

Promising Talent Among the Batsmen.

FAST BOWLER NOT FOUND.

Yorkshire Second Eleven closed their season's work in the Minor Counties Championship competition with a defeat by Northumberland at Bridlington, and once again they are nearer the bottom of the table than the top. The winning of matches, however, is not the first aim of those who select the Colts' side, and though the season has been disappointing in a playing sense, it cannot be doubted that the mission of the side has been fulfilled in producing certain promising talent.

This is a point made by Major R. C. Chichester-Constable, the captain, and he says that among the thirty young men who have been given trials with the side are several distinctly good batsmen. W. E. Harbord, the old Etonian, came into the team for the last three matches in the Minor Counties Championship, and he showed himself to be probably the best amateur bat the Colts have had for some time. His defence is extremely good, and he has shown—in the games with Durham and Lancashire Second, for instance—that he has the right temperament. His work has been so good that he was promoted to be opening batsman with Whitehead, of Friarniere, who is a left-handed batsman of much more than average ability.

Speak, a former captain of the Leeds University XI, has made a favourable impression, and as a forcing bat more must be heard of him. He demonstrated his mettle in the second innings of the Durham match at York, and while he was at the wicket there was always a possibility of the Colts gaining a great victory. A lack of steadiness in batting has given rise to an opinion that an "old hand" or two in the team would stiffen the batting and help to give the youngsters confidence.

The work of Bedford, Turner, and Shackleton is well known—they are all-rounders with a future before them—and Barber, the batsman, who was discovered in the Colts team the season before last, is regarded as the man who should be able to fill any vacancy in the first team's batting list which may occur. Dennis and Hall have been the bowlers who have provided the pace, Bedford, Shackleton, and Goulder the slow spin bowlers, and Fisher and Turner the medium pace. Nuttal is a good bat with promise as a left arm bowler, while Lamb, of Bradford, who came in for the last match, bowled a good length.

It has to be admitted, however, that the batsmen are more promising than the bowlers. Douglas, who has done so well with the Second Eleven for four or five seasons, has been handicapped with an injury this season, and the Colts captain sums up the situation by saying that while there has been much promise in the bowlers tried it cannot be said that the man for whom Yorkshire seeks has been found.

"The crying need of Yorkshire," he says, "is for a really fast bowler, or, alternatively, one who can take his share of the donkey work and keep an end going, and we have not yet discovered him."

The Colts work in the field has been good, and Major Chichester-Constable says he is happy to be able to speak well of their enthusiasm and deportment.
