ALBION CUP SEMI-FINAL
N.A.L.G.O. Give Ruston's a Shock

N.A.L.G.O., by reason of an excellent performance in the first night of their Albion Cup semi-final with Ruston's C.C. last night, on Robey's ground, Lincoln, will be in a strong position when they take their innings to-night.

Last night Ruston's took their innings, and were dismissed for the comparatively small total of 72.

T. Barr and R. Eaglen opened the Ruston's innings to the bowling of C. Elmer and Cox, and with the score at two Eaglen was snapped at the wicket off Cox. Rowlands, who joined Barr, did not stay long, and at 10 snicked a ball from Cox into the hands of Harris. Wright was clean bowled by the next ball, playing right outside a straight one, and three wickets were down for 10, a disastrous start for Ruston's.

Musson and Barr took the score to 23, when Barr was caught in the slips off Cox, just when he looked to be set for a good score. With only one run added, two more wickets fell, Greenwood giving Cocking an easy catch off Elmer, and Parkinson being clean bowled by the same bowler.

GRAND INNINGS.

Musson and Newton added 19 runs for the seventh wicket, Musson especially being in good form and playing the bowling confidently. Newton was eventually caught, Cox being the successful bowler. Musson continued to bat well, and, with Fox, added 28 runs for the eighth wicket, and made the scoreboard look more presentable.

Musson was at length caught off Elmer, having played a grand innings of 27, out of 51 added while he was at the wickets. His driving stood out in startling contrast to the remainder of his colleagues, and the innings closed soon after his dismissal for 72 runs.

N.A.L.G.O. will take their innings to-night and there is every prospect of a rousing finish. Details:-

ALBION CUP SEMI-FINAL SHOCK

N.A.L.G.O. Collapse In Face Of Ruston's Attack

Ruston's C.C. last night qualified to meet Robey's in the final of the Albion Cup competition on August 10 and 11, by defeating N.A.L.G.O. in surprisingly easy fashion.

Harris and Warriner opened the innings for N.A.L.G.O. against the attack of Dalton and Musson, and play ran on quiet lines until Dalton's second over, when he gave N.A.L.G.O. a heavy blow by clean bowling Harris, and one wicket was down for four runs. Cocking was caught in the slips off the same bowler, Pickering was run out, and then Warren, who had batted extremely well, was snapped at the wicket also off Dalton. His share of the 15 runs scored was 13. Four wickets were down and the position was almost hopeless from the N.A.L.G.O. point of view.

L. Franklin, who is a mighty hitter when in the mood, was not allowed to get going, falling a victim to Dalton. Begg and Rose put up a little resistance and with six wickets down for 23 N.A.L.G.O. were in about the same position as Ruston's were at the same period on the previous night, but their "tail" faltered and only four more runs were added before the last wicket fell.

FIRST LEAGUE MATCH VICTORY

Old Clee B's total of 113 against L.N.E.R. II was the highest they have yet scored in League cricket, but A. Enderby once again failed to break his long sequence of ducks. F. Brown was top scorer with 28. Marshall (L.N.E.R.) was brilliantly caught in the outfield by Eastmead, and when the score was 108 for eight (A. Smith 37), the two last wickets fell without further runs being added, giving Old Clee B their first victory in League cricket this season.

BENTLEY TOO STRONG FOR ROVERS.

Bentley defeated Clee Rovers, in their League match on Saturday, for the loss of only one wicket. Top scorer for the Rovers was Sells with 17 (not out), the innings closing for 39 after Dorking had taken 4 for 6. Butler (9 not out), Scrivener (15) and Thompson (17 not out), assisted by five extras, among them passed the Rovers' total.

WHO WILL BE THE LOWEST?

Grimsby Gas Co. are running a close second to Humberstone Lindums in the stakes for the lowest League match score. Meeting Grimsby Fish Meal on Monday they were dismissed for 10—P. Dixon and H. Blow were top scorers with two apiece. The averages of the Fish Meal bowlers went soaring—Standidge took 3 for 6 and Walker 5 for 3. Fish Meal, however, did not have it all their own way, being dismissed for 52 after some steady bowling by Clarke (7 for 22), H. Blow taking the other three wickets for 29.

RUSTONS DECLARE AT 209

Rustons scored the excellent total of 209 for 5 (declared) in their League match with Healing on Saturday, two fine innings being played by S. Musson (64) and C. Gilbert (63 not out). T. Barr, with 16, also did well. For Healing, F. R. Coghlin was not out for a useful 36, but the innings closed at 76 for 2.

TOWN v. FRODINGHAM.

As on the previous occasion when the Town met Frodingham, the weather was wintry, rain and a cold wind, but this time the match was played out, but sawdust had to be provided, and near the close the umpires considered whether they should stop play owing to bad light. Town had five of the regular side absent, but the deputies did well.

Frisby won the toss and sent Frodingham in to bat, and the move would have been successful at once had not both opening batsmen been missed in the slips off Robinson's first over. With the score at 25 Brown sent a hot return to Falconer, who safely held it. Bennett, the county player, showed confidence, but when he had scored seven he was l.b.w. to Robinson.

Charlesworth joined Goy, who had opened the innings, and the pair carried the score to 68, at which total Goy was dismissed, he having made a useful, but lucky, 37. Charlesworth followed him to the pavilion five runs later. Another wicket fell cheaply, and half the side were out in 80 minutes for 92 runs. Hunt, one of the newcomers to the XI, was given a chance with the ball. He proved his merit with three wickets for two runs, and as Holmes took the other two for eight runs. Frodingham were all out for 104 runs.

Tea was then taken, after which the Town opened their innings with Stainsby and Ron. Thomas, the latter making his first appearance with the first team. Unfortunately a hit by him that looked well set for the boundary was smartly taken, and he returned without scoring. Bennett was bowling with deadly accuracy, so much so that Falconer, Lloyd, Taylor and Emerson all made but a temporary appearance at the wickets, and with five wickets down for 13 runs, the Town seemed to have struck the unlucky number.

Frisby came in and stopped the rot; the score was carried to 47, of which Frisby had contributed 23 before he left. But Bennett, with victory looming ahead, again played havoc, wickets falling quickly, and the score stood at 70 for 8.

Two wickets only to fall, 35 runs needed, and only Stainsby apparently, capable of defying Bennett! Stainsby is joined by young Hunt, and a bye gives the latter a chance against the bowling of Bavin. Evidently the

latter's bowling was to his liking, for the first ball he despatched to the boundary, and followed this quickly with three two's. Thereafter Stainsby became diplomatic, seeing to it that Hunt should avoid Bennet as much as possible. In this way the century was reached. Then came a single. Hunt must needs face Bennett. What odds! He cut the county player for a single, which an overthrow multiplied into five, and the Town had won by two wickets after fighting through the innings to stave off what looked like certain defeat.

Too much praise cannot be given to Col. Stainsby, who went in first and played a most heroic innings in a biting wind and rain at times, batting extremely well for two hours. True, his score was only 38 (not out), but he won the game for the Town with support from Frisby and Hunt.

TOWN TRAVELLERS AT ELSHAM.

Rain stopped the match between the Town travelling team and Elsham, at Elsham on Saturday. Elsham batted first and closed at 131, of which Marris scored 43, for nine wickets, leaving the Town just over an hour and a half in which to obtain the runs. When rain stopped play, 81 had been scored for four wickets. Bettany (31) and Normandale (26) being the highest scorers.

OLD WINGHAMS LUCKY TO WIN.

Waltham met the Old Wingham in the knock-out on Monday and should have entered round three but for their bad fielding, which lost them the game. The Old Wingham put up a very poor show except for Hall, the "hit or come out man" of the side. He had amazing luck in running a total of 73, being dropped at least once a dozen times, some of them the easiest of catches. The Old Wingham batted first and five of their best batsmen were out for 25 in nine overs. Then Hall came in and should have shared the same fate as the rest but bad fielding let him go on and on, ably supported by Basil Bennett who was keeping his end up by making singles, and the score was taken from 25 for 5 to 110 for 1. Jackson then came in and he and Bennett added seven more runs, making the total 117 for 8 wickets.

Waltham soon lost Thornton, but Riley and Richardson got going. They took the score to 43, when Richardson was caught by Lloyd on the boundary. When Riley went at 56 Thornton and Kirkland wasted over after over scoring singles, the score being 100 for 6, on their dismissal. Burgess tried to make up for lost time, hitting out at every ball, and scored 16 (not out) but it was too late and at the end of the 20 overs the Old Wingham had won by the narrow margin of five runs and now meet Elsham (Paper Mills) on Monday, 26th July.

WORTLEY BEATEN BY GRASSHOPPERS.

Although the Grasshoppers, in the knock-out match against Wortley on Tuesday, lost Wiseman with only one run scored, the Wortley attack was effectively smothered. Falconer in particular was in good form, his 79 including one 6 and 12 fours; Heyworth scored 18 in ten minutes, and Turner's 12 (not out) off the last three balls of the match were scored in four minutes—a good finish to a fine display of bright cricket. Falconer followed up his 79 by taking 4 for 49, his average at one time being 4 for 3, and Hunt (4 for 21) spectacularly caught and bowled Smith for the last wicket. For Wortley, only McKay (29), Cuthbert (23) and Kirman (18) reached double figures.

KNOCK-OUT FIXTURES.

Next week's fixtures in the third round of the knock-out competition are as follows:—

Monday: St. James' O.B. v. Phantom Swifts.

Thursday: Y.M.C.A. v. Grasshoppers. Friday: Strathmore v. Town Footballers or Seacrofters.

TWO-MAN TEAM.

The Cleethorpes 1st XI, even without several of their leading players, proved far too strong for the R.A.F. Hemswell, on Saturday, their total of 165, including 49 by R. Sleight and 30 by G. Hirst. The R.A.F. consisted of Flower, Griffiths and nine others, Flower (43) and Griffiths (20) contributing all but six of the total of 69. Bardsley, Comber and Thomas each scored a single and there were four ducks. Sims, after the fast bowler (Semple) had skittled down seven of the Airmen's wickets, declined to bat, and though the score closed for the loss of nine wickets, the match was won by Cleethorpes.

CLEETHORPES' THREE ELEVENS.

Cleethorpes fielded three elevens on Saturday and all played winning cricket. The 1st XI, as reported above, heavily defeated the R.A.F. Hemswell. The "An" XI (N. Maslin 42 and R. Lythe 7 for 13) scored 89 to Humberstone's 39, and the other team, which included Marper and Storey, lost with the masters and boys of Clee Grammar School. Cleethorpes declared at 127 for 7 (Marper not out 33) and the school finished with 57 for 7.

LINES POACHERS' POOR SCORE

Louth and District defeated Lines Poachers for the first time at Louth on Saturday, this being the fourth match between the teams. Fridlington, Cook, Jones and Forman reached double figures for Louth, who were dismissed for 67, Pearson taking 6 for 17, but the Poachers could muster only 32 against the bowling of Cook (5 for 22) and Forman (4 for 7).

**POLICE COLLEGE GAIN
LEAD**

**Lincolnshire Gentlemen Bat
Unevenly**

On a wearing wicket, Lincolnshire Gentlemen were left to make 151 runs in the fourth innings to defeat the Metropolitan College on the Lindum ground, Lincoln, to-day. But for a last wicket stand of 66 between Major Wilson and the Rev. V. S. Bell, Lincolnshire Gentlemen would have had an even more formidable task. During this stand, five catches offered by Bell were dropped. In the College second innings Wynne and Blenkin batted well, but eight wickets were down for 92 runs. Then a magnificent stand for the ninth wicket realised 39. Major Wilson, whose bowling was a feature of the college's first innings, again proved difficult to play and finished up with 5 for 30.

NEW PLAYER'S SUCCESS.

Johnson, whom Scunthorpe United F.C. recently signed from Exeter, made his first appearance with the Town cricket team on Saturday against Lincoln Claytons, and met with considerable success with the ball. He took six wickets for 20 runs, including the "hat trick," and was largely instrumental in Clayton's being dismissed for the small total of 53. This player, who has had experience in Lancashire League cricket, clean bowled the last three visiting batsmen in successive balls. Clayton's batted first, and after losing their first two batsmen cheaply, Wright (22) and Jeffries (21) took the score to fifty, but the remaining seven batsmen added only three runs between them. The Town team were not long in knocking off the required runs, although the wickets of Holt and Todd were lost before they had done so. When the winning hit came, Francis was not out 32, and Hatfield not out 12. By this victory Scunthorpe have now eight points clear lead over Appleby-Frodingham but they have played one match more, but it is almost certain now that the championship of the Grimsby League will rest in Scunthorpe for another year.

APPLEBY-FRODINGHAM AT CLEETHORPES.

Visiting Cleethorpes last Saturday in the Grimsby and District League, Appleby-Frodingham won by seven wickets, thanks chiefly to good bowling by Pogson and Bennett and a useful "knock" by Goy. Cleethorpes batted first, but Pogson dismissed their first four batsmen for half a dozen runs. Seabrook (25) and Croft (15) however, improved matters greatly, putting on over thirty runs for the eighth wicket. When the last man was out, Cleethorpes had 76 runs on the board, 27 of which were extras. No less than six players in the side failed to score. Pogson had an analysis of five wickets for 22 runs, while Bennett had a similar number of victims at a cost of 27 runs. Goy batted in good style and was unbeaten at the close with 40 to his credit. Three wickets had been lost when Appleby-Frodingham passed Cleethorpes' total.

TWO WINS FOR NORMANBY.

Normanby Park played two games at home over the Bank Holiday, and won each of them with wickets to spare. On Saturday, Wentworth were the visitors, and batted first, collecting 128 runs for four wickets, at which score they declared. Their principal scorers were the opening batsmen, Sylvester and Whittaker, who contributed 54 and 34 runs respectively. They put on nearly seventy runs before being separated. After losing two

wickets rather cheaply, Normanby went on to pass the visitors' total for the loss of only six wickets. For their recovery they had to thank J. C. Coulthurst, who was not out with 54 runs to his credit. He was given admirable support by his brother E. J. Coulthurst (25), A. Sutton (29) and B. Gillatt (18).

Grimsby Town visited Normanby on Monday, each side playing twelve men. Grimsby had first knock and were dismissed for 106. Only three players out of the twelve met with any success against the good bowling of Atkinson-Clark and Sutton, namely Hunt (31), Robinson (27) and Harbord (18). Reverting, the home side soon set about the Town attack and quickly knocked off the required runs with four wickets in hand. Tomlinson (51), Coulthurst (21), and Sutton (16) were the main scorers. When stumps were drawn Normanby had collected 137 for seven wickets.

GRANTHAM'S VISIT TO OAKHAM

Worth Celebrating About

When Grantham visited Oakham on Thursday, and first took the field, runs came so freely from the home team's earlier batsmen that 110 were registered on the score-board with only three men disposed of. The introduction of Skerritt, the captain of the second XI, and young Porter, of the King's School, and, later, when "M.W." took over for a second time, saw wickets fall so rapidly that the whole side was disposed of for 129.

Porter, whose home is at Normanton, bowled magnificently, and had 5 wickets for 23. M. W. Appleby also did well when he bowled Lubbock with a fizzer. This batsman recently scored a century for Charterhouse against Eton.

Grantham, with an opening stand of 49 by Tilzey—a most improved batsman—and Skerritt, eventually won in brilliant style. Skerritt's 51 was a fine exhibition, whilst Pacey, this year's captain of the King's School, made a gratifying appearance, being top scorer. With one exception, all the batsmen reached double figures, but "Pat" atoned by an excellent show behind the stumps.

It is interesting to note that there were no fewer than 35 boundaries included in Grantham's total. Five of these came from the skipper out of 11 scoring strokes.

A jolly party celebrated the victory at the "Crown," where Mrs. Barnacle greeted many old friends from her native town.

It is interesting to learn that the two highest scorers in the Grantham team will be in opposition in the Hospital Cup final on the London-road ground today. Pacey, whose home is at Dry Doddington, will assist Claypole, and Skerritt, of course, will lead the Grantham side to—well, we shall see!

GRANTHAM v. LINCOLN LINDUM

Lincoln Lindum, led by that fine sportsman, Dr. G. C. Wells-Cole, visited London-road on Saturday, and avenged the defeat inflicted upon them by Grantham at Lincoln on May 15th.

Curiously Lindum's total on Saturday was exactly the same as that scored by Grantham in the first encounter.

In response to this the local side made a very poor show, Tilzey alone showing any real formidable opposition. "John" certainly enlivened the proceedings with some hefty drives, and the quite goodly ring showed warm appreciation. M. W. Appleby, coming on late, in consequence of a strain, had a very fine analysis of four wickets for 15 runs, the product of 10 overs. Score:—

BURTON HUNT LEAGUE PRESENTATIONS
Champions Defeated at Lincoln

Waddingham, champions of the Burton Hunt League, playing the Rest of the League in a two-night match on the Lindum ground, Lincoln, were beaten by 100 runs when the game was concluded last night.

The champions were faced with a total of 201. Britteliffe and Cousins opened the innings and the Rest met with an early success, Britteliffe being caught by Richardson off Knapton's bowling with the total five for one wicket.

Reeder joined Cousins, and the pair batted confidently, taking the score to 48 before Reeder was caught by Tee off Taylor after making 25. Barwick joined Cousins, but was out lbw to Spittlehouse for 10, which included two fours. Three wickets then fell for five runs, until Phillipson made a stand but when at 13, owing to a misunderstanding, he was run out.

Cousins was caught by Cook off Taylor, who was bowling well, and the innings closed for 101.

After the match Major Wilson presented to Sir Julien Cahn Cup for the league champions to Waddingham and the runner-up trophy to Bishop Norton.
