HALF-BACK JAMES STARS AS BOWLER AGAINST C.A.V.

George Eastham Hits Out, Makes Highest Score

SOUND LAST WICKET STAND

AT EAST ACTON C.A.V. 235, BRENTFORD 225.

BRENTFORD F.C. were a popular attraction on C.A.V.'s ground last Sunday, and a large crowd saw good sporting cricket. Dismissing C.A.V. for 235, Brentford owed much to Joe James, the centre-half, who came out with the fine analysis of 7 wickets for 97—very good bowling. F. Newberry made 52 for the home side. The "Bees" started off well, having 40 on the board without loss, but struck a bad patch after tea and were 112 for 7. Then George Eastham, the star from Bolton, hit out and scored 43 in very good style. James and Muttitt put on 31 for the last wicket, and a good game ended with C.A.V. winners by 10 runs.

Brilliant 81 By Ahl Saves Brentham

At Fairlop. South Essex 119, Brentham 133.

Winning the toss, Brentham asked South Essex to bat, a gamble which looked safe when six men were out for 40 runs. By adding 60 for the seventh wicket, Mackenzie (54) and Gulliver (19) checked Brentham's progress, but, with another collapse, the score only reached 119. With the wicket improved, but much faster, Brentham fared disastrously, and it was entirely due to F. Ahl making a splendid 81, on his first appearance for Brentham that they won by 11 runs.

Thurland and Gray, batting stubbornly in a crisis, stayed long enough to enable Ahl to make the score respectable, but the rest of Brentham's batting was weak.

Wicket Dries Out, Dean "A" Get The Runs

At Perivale. Shepperton 85, Ealing Dean 213.

The Dean won the toss and put the visitors in on a soft wicket. This decision, a rare one at Perivale, was fully justified, for, with the exception of Lilywhite, the Shepperton eleven could not cope with the slow bowling of B. Harrold, and were all out for 85 runs. When the home team batted the wicket had dried out, and the Shepperton score was passed for the loss of three wickets, thanks to L. Young and F. Clarke, whose 51 included 2 sixes.

LIVERPOOL VICTORIA KEEP RECORD

At Acton Town. Liverpool Victoria 148, Boston Ramblers 135.

Liverpool Victoria maintained their unbeaten Sunday record by defeating Boston Ramblers at Gunnersbury-lane last Sunday. The home team, after an uncertain start, scored 148, F. Kirton contributing an excellent 69. G. Underwood bowled unchanged for the visitors, his final figures being 6 for 71.

Boston Ramblers also started shakily and 5 wickets were down for 54. A fine stand by H. Bostock and W. Lost put on 65 for the sixth wicket, and the innings closed at 135, giving Liverpool Victoria a narrow victory by 13 runs, mainly due to some fine bowling by D. Stott, who took 7 wickets for 30 runs.

Gunnersbury Park Employees Passed In Last Over

At Gunnersbury Park.—Gunnersbury Park Employees, 90 for 8; Acton Council Officers, 94 for 6.

On Wednesday in last week, Gunnersbury Park Employees entertained a team from the Acton Council Offices, captained by the Mayor's macebearer, E. Labrum. In the Acton team were Cirs. Hawes and Finnerty. Cirs. Hawes put in some good fielding, and Cirs. Finnerty batted in fine style. The Park team batted first, and declared at 90 for 8 wickets, C. Attridge contributing 35 of the runs, and Cooper, of Acton, bowled consistently, and finished with an analysis of 6 for 45.

The Acton team managed to pass the home side's score in the last over of the game, retaining 94 for 6. Fisher batted carefully and defied the excellent bowling for his 51. Claypole, for the home side, had a good bowling spell, taking three wickets for 19.

After the game, Cirs. Hawes congratulated the home team on a most enjoyable and exciting game, and expressed the hope that the match should be made an annual fixture.

HAS MADE 100 CENTURIES YET ALWAYS FAILS AT CASTLEBAR PARK

At Castlebar Park.—Old Friskians, 149; G.W.R., 109.

The wicket was much affected by the heavy rain. Old Friskians won the toss, and elected to bat on a pitch which did not give the bowlers any assistance. Weil succeeded in getting P. Ogilvie, and it is curious how this famous bat, who has scored over 100 centuries, fails so consistently at Castlebar Park.

Dolman should have been run out early in his innings, but on the whole the fielding was excellent. Allwright making two fine catches. The score of 149 was quite good, as the ball was performing all sorts of antics.

G.W.R. started badly, two wickets being down for two runs, but Fitzgerald and Radnage put on 50 in 30 minutes by bright cricket. Bad batting was responsible for the collapse in the middle, although the wicket did not improve as the day went on. The last wicket partnership put on 29, but a fine catch in the deep by Dolman ended it.

At Boston Manor. Maclean 105, Grove 109.

This game was keenly contested and had an exciting finish. Batting first, Macleans lost 4 wickets for 19, but thanks to a stand by Garth and Webb, their score reached 105. On batting Grove opened steadily, but after 22 were on the board three wickets fell at that total. GAGE FORCED THE PACE AND MADE WINNING HIT

At Wembley. Wembley A 101, Old Actonians 126.

When Wembley batted first on a rain affected wicket there was the unusual sight of two spin bowlers opening with the new ball. This policy proved so successful that 2 wickets fell for 4 runs, and Wembley were finally dismissed for 101, with Herbert (6 for 38) and Champion (4 for 55) sharing the wickets.

The Old Actonians fared even worse, with the first 3 wickets falling for 8 runs. Despite a valuable 22 by Thornton, 8 wickets were down for 66. J. J. Gage, who had been batting confidently, then hit Stoye for 5 fours and one six in one over, and shortly afterwards obtained the winning hit in an exciting finish. Wage's 65 not out included 10 fours and 2 sixes.
