**Hull Head Yorkshire League**

**PARKIN'S 9 WICKETS**

Hull, Leeds, and Rotherham, the only unbeaten teams in the Yorkshire League, all improved their positions on Saturday with excellent away victories. Hull were close pressed at Savile Park, where they only beat Castleford by 16 runs, but Leeds and Rotherham left no doubt as to their superiority over Doncaster and Wakefield.

Hull with 10 points from four games—their match against Barnsley on Coronation Day was washed out and counts as a draw—now head the League table. Leeds and Rotherham share second place with nine points.

Leeds, who had the biggest score against them this season, 113, at Doncaster, ran comfortably to victory by nine wickets. This was chiefly due to a splendid innings of 58 not out by G. A. Wilson.

P. Brayshay opened with three Doncaster wickets for six runs in seven overs, and finished with 4 for 13. G. A. Wilson had 3 for 21, H. Bedford 2 for 22, and E. Pickup 1 for 29.

The best stand for Doncaster Town was made by R. V. Kain (36) and H. Hayes (18), and both fell to catches off Bedford's slow.

C. N. Corry and G. A. Wilson put on 63 for the Leeds first wicket, of which Corry, missed twice, at 11 and 13, made 37. Wilson then carried on with meticulous care, taking good practice for the Colts' match at Wakefield on Monday. Later, with D. A. Shepherd as his partner, he batted more freely and gave his side victory with three glorious boundary shots.

C. Vickers, of Doncaster, at one spell bowled 10 overs, five of them maidens, for eight runs.

Castleford suffered their first reverse of the season at the hands of Hull, their batting breaking down against the bowling of F. Wilkinson, who took six wickets for 40 runs. The home skipper, F. W. Ambler, and K. Beavers put on 52 runs for the seventh wicket, but the Castleford total fell short of Hull's by 16. J. Tomlinson bowled well for Castleford, sending down 24 overs, and taking four wickets for 54 runs.

R. E. Parkin, the Rotherham captain, had a good afternoon at College Grove after winning the toss and sending Wakefield in to bat. He found the wicket to his liking and captured nine wickets for 51 runs.

Parkin began his destructive work by dismissing Daphne and Harrison, the Wakefield opening batsmen, without a run scored, and took the next six wickets. It looked as though he might take all 10, but Stainrod spoiled his chance when he took the ninth. Parkin's full figures were:—

15.4 overs, 2 maidens, 51 runs, 9 wickets. Wakefield were dismissed for 85, of which R. Harris was responsible for 36 not out. Rotherham got the runs for the loss of three wickets, but Wakefield's fielding was poor, and three distinct chances were missed.

The League table up to date is:—

Club	P	W	L	D	Pts
Hull	4	3	0	1	10
Rotherham	4	2	0	2	9
York	4	2	1	1	6
Sheffield United	4	1	2	1	6

Wakefield	4	1	2	1	3
King Cross	4	1	2	1	3
Barnsley	4	1	2	1	3
Whitwood Colliery	4	1	2	1	3
Doncaster	4	0	3	1	0

VARIED FARE IN LEEDS LEAGUE

First Tie of the Season at Pudsey

BIG HITTING AT GLEDHOW

Bright performances delighted large crowds at Leeds League matches yesterday. Windsor and G. Stones, the Leeds bowlers, easily disposed of Woodhouse, who survived only 21 overs to these two, who bowled unchanged to take 7 for 21 and 3 for 24 respectively.

The opening pair for Leeds were A. H. Booth and L. Dalton, who played confidently. Leeds won by nine wickets.

G. W. Horner again came to the rescue of Shadwell with steady batting against a clever North Leeds attack. He was unbeaten for 40. L. Milner (4 for 18) was the most successful bowler in the dismissal of Shadwell for 113.

After the early loss of W. E. Walker, P. Elsworth and R. G. Wescoe (50) replied in spirited style, but R. F. Charge started a rot when he clean bowled the dashing Wescoe. W. Bates then got to work to such purpose that North Leeds were beaten by 12 runs. Bates, in six overs, took six wickets for 17 runs—three clean bowled.

At Whitkirk C. Haywood (20) and F. Walton (20) gave the home side a steady start against Kirkstall Educational but M. Carlton, who took seven cheap Shadwell wickets on Saturday, proved himself to be a much improved bowler by taking 4 for 18, and assisted by E. Skirrow (3 for 18) helped in the dismissal of the champions for 96.

As though determined to end Whitkirk's bad run H. Minns bowled brilliantly to take the first three Kirkstall wickets for only 10 runs, but C. Skirrow and M. Carlton with 27 and 33 not out respectively put an end to Minns' supremacy and the Educational finished up worthy winners by two wickets.

Elliott's Long Stay

J. Elliott, of Gildersome, went in at the fall of the first wicket and scored 94 out of 187 off Rotiwell's seven bowlers, most successful of whom was H. Broadley who last season played for Hunslet Nelson. In seventeen overs Broadley had only 32 runs scored off him and half the wickets fell victim to him.

Rothiwell's innings started shakily, and again F. Atkinson (3 for 11) and C. Rhodes (4 for 14) they were put out for 68.

Leeds Police again delighted with a big win at Gledhow, where Middleton Park were the visitors. A. Cooper, who narrowly missed a century on Saturday, indulged in some big hitting on a good wicket to compile a sound 77, which included 16 boundaries. W. Oxley and H. Russell assisted him in helping the Police score along to 193 for nine, declared.

This total proved far too big for Middleton, who shaped badly against J. Holland (five for 19) and H. Russell (two for 7). Middleton were all out for 39—the lowest score of the afternoon.

B. Gill, of Calverley, made 73 runs against Methley out of a total of 207 for seven wickets, but the visitors batted stolidly to force a draw with 186 for eight.

The first tie of the season thrilled the spectators at Pudsey, where the Britannia batted first and scored 110 for the loss of eight wickets.

The first five Castleford batsmen made 106, and the visitors looked well set for the points; but R. Shaw started a collapse, and after an exciting battle Glover clean bowled Pell with the score at 110.

## Low Scoring in Northern Cricket

### GIGGLESWICK'S START

#### Rugby Beaten by the Butterflies

By Our Special Representative

So far this term has been notable for the extremely low scoring in Northern school cricket although wickets have not been unduly difficult, and almost the only exception was furnished by Sedbergh when they scored over two hundred against an unimpressive Durham bowling side last week.

The majority of the sides are, I think, a good deal weaker in batting than in the average year, and Giggleswick, whom I watched a few days ago, provide a typical instance. They have won three matches already, but in no department of the game could they be described, yet, as a good eleven.

A scratch team captained by an Old Boy, B. Pape, got seven of their wickets down for less than 50 runs, and only charitable use of change bowling allowed their tail to carry the score to 97. Their opening bowlers had little command of length, but a long hop often claims a wicket, and they were fortunate to dislodge the former Yorkshire captain, F. E. Greenwood, with one before he had scored.

The School bowling improved as the innings went on, but their achievement in dismissing their opponents for 80 flattered an attack in which Roberts, an off spin bowler who can turn the ball a lot, and maintains reasonable accuracy, seemed much the best player.

Giggleswick cricket is now in the hands of the lawn tennis Blue, Mr. L. H. A. Hankey, who has taken over from Mr. A. P. H. Aitken. Mr. Hankey has had a difficult task in getting a side together, as the season started without a single old colour, but the School's initial success should give them plenty of confidence, and with the advent of harder wickets their early batsmen may show more convincing form.

#### Sedbergh at Rossall

St. Bees, who were beaten by the Northern Nomads earlier this week, begin a two-day game with Cheshire Wayfarers this afternoon, and to-morrow there is a long and interesting list of fixtures.

Sedbergh visit Rossall, whom they beat by 100 runs last season, A. S. Henderson, with 6 for 28, playing the chief part in dismissing Rossall for 115. G. Sharp, the Rossall batsman, played a remarkably fine innings of 57 that day; he was included in the Rest XI against Lord's Schools at the end of the term.

Giggleswick are at home to St. Peter's, York, and Leeds Grammar School, who beat St. Peter's a week ago, play old rivals in Bradford Grammar School. Further afield Durham make their annual journey to Castle Eden, and King William's College have a fixture with the Isle of Man, while, returning to the Midlands, one notes Worksop v. Trent, Bedford v. Oundle, Uppingham v. Leicester Gentlemen, and Wrekin v. Stafford.

#### Worksop's Game With Trent

The game between Worksop and Trent was not played owing to illness, in 1936, and when the sides last met the game ended in a draw, Trent scoring 151 and then claiming six Worksop wickets for just over a hundred.

Richards made a splendid 81 for Trent on that occasion, and R. S. Rennie, one of the best cricketers Worksop have turned out—he was playing in the Seniors' match at Cambridge last month—was top scorer for their opponents with 40.

A special report of this game will be included in Tuesday's column.

RUGBY were beaten by the Butterflies by four wickets in their opening match. Batting first the School scored 156, this total being largely due to Kerahaw and Whitlock. The former was at the wicket two hours for a patient 22, and Whitlock hit up a useful

39 in 20 minutes, his innings including a fine 6 and a number of powerful hits to leg. C. P. Diver, an Old Carthusian, took 6 for 30 with his medium-paced bowling. The Butterflies got the runs for the loss of six wickets, J. D. Eggar batting very well for his 71. E. F. Longrigg, the Somerset left-hander—and an Old Rugbeman—was clean bowled by a fine ball from Inglis when he had made 4. Six wickets were down for 134, and right to that point the Butterflies might have won, but the School lost their grip on the game. Inglis bowled very fast left hand, and he was unlucky on a number of occasions.

AMPLEFORTH COLLEGE were beaten by the Royal Corps of Signals at Catterick by six wickets. Ampleforth batted first, and Haigh (18) and Garbett (17) opened very nicely against E. Cole, the formidable Army bowler, and put on 35 before the first wicket fell. T. Redfern followed and made 19, but never looked really comfortable, and did not bat in the way he can. But the bowling was good, and the wicket not easy. The School were eventually dismissed for 101. P. Haywood-Farmer being top scorer with 27 not out. Captain Cole took 6 wickets for 17. The Royal Corps of Signals lost four wickets for 40 runs, and at this stage it looked as if they would have difficulty in making the required runs, but Captain Cole began to hit vigorously, and very much aided by catching errors by the School, he obtained 50 not out, and thus the Signals won without further loss. Lieut. Freeman making 29 not out. The School ground fielding was good, and A. Sutton bowled well for 2 for 24.

ST. PETER'S, YORK, beat Catterick Garrison by one wicket in an exciting finish. The Garrison had four wickets down for 36 runs at lunch time, but eventually scored 174, thanks to a good innings of 68 by Corporal Foster. St. Peter's had plenty of time to get the runs, and R. C. Lynch played very patiently for 56 before being run out. H. A. S. Hobson also batted steadily for 50. Four wickets were down for 122, but some foolish calling led to a collapse, and when the last man came in two runs were needed to win. The spectators were kept in suspense for two overs before Rimmer scored the winning hit.

STONYHURST drew their match with Mr. F. Duttall's XI. The visitors totalled 226. Windle (65), Dyson (35), and Hardacre (30) batted well, and Amar Singh had a short but aggressive innings. Russell-Jones took 5 wickets for 67. Stonyhurst replied with 125 for eight wickets, the 100 being on the board for the loss of 4 wickets. McQuaid was top scorer with 37, and Amar Singh took 4 wickets for 36.

OUNDLE declared at 217 for 7 in the match with Old Oundellians. Butler was top scorer with 78. Ringrose scored 46 and Nicholls 35. Old Oundellians replied with 170 for eight, Spragg making 60 and Walters 59. Gilbert took four of their wickets for 23.

REPTON lost to Lincolnshire Gentlemen by one wicket. Repton batted first. Laing appeared well set when he mistimed a cut. Of the others Riches batted very steadily for 32. The innings closed at 106, Wells-Cole getting 8 wickets for 44. Lincolnshire Gentlemen had 7 wickets down for 31, Fisher claiming 6, and ten wickets down for 86, but it was a 12 aside match, and the last wicket managed to get the runs. Fisher, who was very dangerous with the new ball, took 7 for 39.

An "A" team was played against Denstone and beat them by 40 runs in the last over. Repton found the bowling very steady. Laing batted very well for his 51. The innings closed for 143. The Denstone batting was not very strong, only Burrow and Campbell doing well. Fisher got 5 wickets for 28.

HYMERS were unlucky only to draw with Wakefield G.S. at Hymers. The home team declared at 185 for 6, to which Wakefield had replied with only 85 for 6 when stumps were drawn. The outstanding feature was a brilliant not-out century, which included 18 fours, by D. C. King. Progett was Wakefield's most successful bowler with 4 for 19. W. L. Bell (3 for 17) and K. C. Bradley (3 for 24), were the successful College bowlers.

WOODHOUSE GROVE made a good beginning to their cricket season in the match against Rishworth. J. A. Thompson (capt.),

and Brown opened for the Grove, the former scoring, before the first wicket fell, a faultless 50 which he had increased to 82 when bowled by Giedhill. Brown was succeeded by J. Thompson, who carried his bat for 44, the innings being declared at 149 for 6 Donaldson, in 11 overs, 7 of which were maidens, took 3 wickets for 12 runs. Rishworth had scored 98 for 8 when stumps were drawn.

DENSTONE beat Notts. Amateurs by 21 runs. After losing three wickets for seven Denstone recovered very well to total 168, thanks chiefly to Dickson (48) and Pegler (45). Deighton bowled right through the visitors' innings, taking six for 35.

SILCOATES won their away match with Bradford G.S., totalling 125 and dismissing their opponents for 49. Silcoates did not start too promisingly, three wickets falling for 13, but Pearson came to the rescue with a brilliant 61. Bradford found nobody to stay in, except Padgett (19) and Jowett (12). Musson claimed 4 wickets for 8, and Pearson 3 for 9.

EASY FOR PUDSEY BRITANNIA

Hepworth Cup Bid

GILDERSOME ADVANCE

Pudsey Britannia's win over Rothwell in the second round of the Leeds League's Hepworth Cup competition was the easiest victory in the four matches played, and if they can reproduce this form, they will make a bold bid to win the trophy for the first time.

On a good wicket at Pudsey, 30 overs shared by R. Glover and I. Shaw sufficed to clinch Rothwell for a total of 70 runs.

Half the side was out for only 20 odd runs, and despite a dour innings by W. Rollinson of 16, which defied for three-quarters of an hour the wiles of Glover and Shaw, the others could do little. Glover had four for 28, and Shaw six for 32. Rothwell's score was passed by Pudsey for the loss of only one wicket.

Gildersome defeated East Ardsley by seven wickets, thanks to a century first-wicket stand by M. Coope and A. Walker. Coope went to his 50 in an hour, and was eventually stumped after making 71 out of 139.

Such a start gave the Gildersome bowlers fine encouragement, and S. Wheatley, the fast bowler, took the first four East Ardsley wickets and finished with four for 50, to help in the dismissal of the visitors for 167. A. Seaton was their highest scorer with 45.

At Shadwell, Middleton Park, who have made some big scores this season, disappointed when they scored only 119 against H. Haw, who took six wickets for 44 in 15.3 overs. Only a brave eighth-wicket stand between G. Nassau (24) and J. Ramsden (23) enabled Middleton to top the 100 mark. Shadwell started only moderately, and four wickets were down for only 41 to G. Nassau, one of the six bowlers tried by Middleton. He was so successful that the later Shadwell batsmen could make nothing of his varied bowling, and the side was all out for 94. Nassau had five for 28.

The game at Whittkirk (to be continued this evening) is in an interesting position. North Leeds, who batted first, suspended their innings at 150 for 5, and Whittkirk replied with 151 for the loss of seven wickets. R. E. Wescoe and W. Walker put on 54 runs for the first North Leeds wicket, and in Whittkirk's reply, E. McKinna compiled a dashing 59 before being run out.

LEEDS STRENGTHEN LEAD

Methley Men Well Beaten at Headingley

Leeds strengthened their hold on the Leeds League leadership with a seven-wickets' win over Methley, at Headingley, where the visitors were all out to S. Robinson and L. Windsor for 100 runs.

Four wickets were down for only 19, but H. Roberts stopped the rot with a knock of 41, which included five boundaries. Apart from L. Green (14), however, no one stayed long enough to produce a defiant partnership, and Robinson, better known as a batsman, claimed three for 15 in six overs.

Leeds lost three wickets in passing Methley's total, L. Windsor hitting an attractive 52 not out after the first two wickets had fallen for 31.

Out of a total of 188, J. Kellest, of Loft-house, who went in after the first wicket had fallen against Castleford, hit 19 boundaries in a brilliant innings of 113 not out. This fine innings failed to give Lofthouse the victory, however, for their rivals produced sound batting form to win by seven wickets.

H. Worsley and E. Aldred opened in attractive style for Castleford and put on nearly 70 runs for the first wicket. Then C. Norton showed a variety of strokes in an innings of 73, which helped materially in Castleford's comfortable win.

Kirkstall Educational, at Meanwood, found H. Brown in deadly form, and half the side was out for only 16 runs.

M. Carlton (67) hit cut lustily, and reached the boundary 11 times in a "breezy" innings which enabled his side to total 128. Brown, in 14 overs, took seven for 52, and his keen bowling was ably supported by H. Hepworth, whose innings of 32 assisted in Woodhouse's win by two wickets. C. Skirrow took five of the Woodhouse wickets at a cost of seven runs apiece.

100 NOT OUT AND "HAT-TRICK"

Fine Feat by Bishop Auckland Player

NORTON IMPROVE LEAD

The rare performance of a player scoring 100 not out and taking three wickets with consecutive balls was a feature of the North Yorkshire and South Durham League games.

This feat was performed by R. A. Nichol, whose double accomplishment enabled Bishop Auckland to gain a substantial win over Normanby Hall, who defeated Bishop Auckland only three days previously in the Kerridge Cup.

Bishop Auckland knocked up a total of 209 for the loss of six wickets and declared. There was only 20 minutes to go when Normanby's seventh wicket fell, but Nichol took the last three wicket with consecutive balls, and closed the innings at 133.

Norton consolidated their position at the head of the League table by a substantial win over Darlington at Feethams by 141 runs. Norton reached the 200 mark in two-

England's Captain

R. V. Robins (Middlesex), has been chosen to captain England in the first Test match against New Zealand which will begin at Lord's on June 26. Robins has accepted the invitation.

By his appointment, Robins joins Sir Pelham Warner, P. A. Ferrin, T. A. Higson and E. R. T. Holmes on the Test Match Selection Committee, who will announce the complete England team next Sunday.

Robins was a member of G. O. Allen's team in Australia last winter.

and-a-half hours—the fastest scoring on the Darlington ground this season—and declared at 224 for six wickets. Both Towns- end and Carter hit up half-centuries, the latter completing his score in 45 minutes. Darlington's first two wickets fell for no runs and the side was out for 83, 21 of this total being secured by G. W. Willmott.

Last-Minute Win

An exciting finish marked the game at Billingham between Synthonia and Guisborough. Guisborough declared at 186 for eight wickets.

The chemical workers began well, a half-century by R. Govan helping them to stand at 112 for the loss of two wickets. After this, wickets fell quickly. Brown, the home captain, however, got the winning hit with a four just a minute before time was called with the last two men in.

Stockton gave an impressive display against Darlington, but were beaten by two wickets. T. D. Oliver, their captain, was again in form and scored a stylish half-century. Darlington owed their success mainly to the bowling of L. Hill, who took six of the Stockton wickets for 50 runs.

Saltburn made a disastrous start at Blackhall, their first four batsmen being dismissed for 16. Blackhall won with two wickets to spare, Carr, their professional, scoring 70 runs. Eight of the Saltburn wickets were taken by E. Hutchinson for 70 runs.

At home to Thornaby, the bottom club in the League table, Middlesbrough failed because there was no one capable of staying long enough with R. Hunt, who for the last four innings has an average of well over 70. He made 52, but when he was out Middlesbrough were soon disposed of.

## SHEFFIELD UNITED TAKE LEAD

### In Yorkshire League Championship

## KILVINGTON SHINES FOR ROTHERHAM

Defeats for King Cross and York enabled Sheffield United, who won by six wickets at Whitwood, to take the lead at the head of the Yorkshire League table. The champions, Hull, who have played one game more than Sheffield, are close on their heels, only a point behind.

Another fine bowling performance by F. Wilkinson helped Hull to gain a seven wickets victory at York. The county colt, who finished with seven for 24, took three wickets in his last over.

The outstanding feature of the match between Rotherham and Barnsley was the bowling of Kilvington. A slow-medium left-hander, with an easy action, he was making his first appearance for Rotherham, and took six wickets for 38 runs. Rotherham won comfortably by four wickets.

Castleford returned to winning form, having seven wickets to spare when they finished their game with Leeds at Hightown. Against keen bowling and fielding the Leeds batsmen had to fight for their runs, and they occupied two and a quarter hours making 110. Castleford lost two men with the total at 10, but J. W. Firth came to the rescue with an unbeaten 59. He had one slice of luck, being missed in the slips at eight.

## SYKES CUP SHOCK FOR RASTRICK

### Meltham Romp Into Third Round

## PADDOCK'S BIG WIN

Out of the eight second round games of the Huddersfield League's Sykes Cup competition, only one of them was undecided on Saturday. The exception was the Slaithwaite-Elland game—regarded as the tit-bit of the round—and this was brought to a premature end by bad light and rain. It will be resumed this evening.

The following successful clubs will go forward to the next stage, to be played on July 3: Holmfirth, Linthwaite, Paddock, Meltham, Lascelles Hall, Thongsbridge, Broad Oak.

A real "bombshell" was the six-wickets rout of Rastrick at home by Meltham. The section "B" leaders, who were hot favourites, batted first, and made only 93 runs. Arnold Carter, one of their opening batsmen, failed for the first time this season.

The only Rastrick batsmen to offer opposition were N. Ridsdale, the captain, who scored 35, and S. Farrer, 30. After their sorry batting display, the Round Hill men fielded weakly, and missed several early chances, but it was Meltham all the way, and Joe Brook, the former Partown footballer, not only took three Rastrick wickets for six runs, but also took a couple of catches and scored 24 with the bat.

Paddock sailed through with a nine-wickets victory over Primrose Hill. Bating first, Primrose Hill could only muster 56 runs. F. Berry, the Paddock professional, who took six for 24, and F. Barlow, sharing the wickets.

Visiting Shepley, Linthwaite won by five wickets. The home side were sent back for a mere 72 runs. A. Bastow taking four for 25, and J. Stead four for 35. At home to Armitage Bridge, Holmfirth had an easy four-wickets success.

A feature of this game was the bowling of R. Clayton, of Holmfirth, who had seven for 29. Of late, Clayton has bowled very fast, but in this game he reduced his speed and paid more attention to length—with excellent results. Armitage Bridge, after being hit for seven wickets, were all out at 93.

Broad Oak, a stern cup-fighting side, beat Kirkheaton by three wickets, and Thongsbridge gained an eight-wickets victory at Meltham Mills. H. Beaumont, one of their opening batsmen, scoring an undefeated 74.

109 RUNS IN 45 MINUTES

Hurricane Hitting By East  
Leeds Pair

The Leeds Central League's Shuttleworth Cup second round ties played under the "innings suspended" rule, produced much interesting cricket.

Sparkling batting was seen in the Holbeck-East Leeds game. East Leeds batted first and lost five wickets for 150. They got half the Holbeck batsmen out for 152, and then rolled back along to 267 for seven at which stage they will continue their innings this evening.

In the first spell, E. Thackray made 60 of his 65 by boundary hits. Similarly J. Stacks was in forceful mood in Holbeck's reply and in his innings of 70 hit 11 fours. With A. Tillotson (41) as his fourth wicket partner he put on 60 runs.

These big-hitting displays were put into the shade by L. Burton and R. Robinson, who added 109 runs for the sixth East Leeds wicket in 45 minutes. Burton scored 93 and Robinson 31.

Stanley Newmarket declared at 152 for 2 and then put out their Hunslet Nelson visitors for 149. A. Sharpe, Nelson's opening batsman, played right through the innings for a stylish 71, and was unbeaten at the end.

J. Hampshire and J. Butcher were in deadly form with the ball for Carlton against another lowly-placed club, Altofts. They took five for 25 and four for 23 respectively, and dismissed Altofts for 68. Altofts' score was passed for the loss of three wickets.

R. Newell, of Burmantofts, produced shocks for Hunslet, at Parkside, in taking five wickets for 41. The first three Hunslet wickets fell for 16 and five were down with 50 on the board. W. Bedford, the opening batsman, however, was in defiant mood, and along with K. Gadsby, the Leeds United footballer, checked the collapse in a sixth wicket stand, which put on 74 runs. Bedford's 42 included five 4's, while Gadsby, who improves week by week, was unbeaten with an attractive 55. This enabled Hunslet to suspend their innings at 152 for six.

The Burmantofts opening pair, Desmond and Roynance began confidently, but after they had been dismissed, and L. Illingworth and H. Burton had defied the attack in a sixth wicket stand of 40 runs, the other batsmen could do little, and Burmantofts were all out for 150 to give Hunslet a win by four wickets.

Leeds Rally to Defeat Burmantofts

In the resumed Leeds Evening League match last night, Leeds made a bad start against Burmantofts, at Headingley, against the bowling of R. J. Newell, who had a spell of four wickets for nine runs. Subsequently, however, C. Ingham, S. Child and D. Farrow batted well in enabling Leeds to win by 5 wickets.

At Elland Road, Hunslet showed steady batting to beat Holbeck by 4 wickets.

East Leeds defeated Kirkstall Educational at Kirkstall, lack of enterprise being responsible for the defeat of the home club. M. Carlton and E. Townsley were the only batsmen to realise the possibilities of the task set their side in requiring 196 to win. M. Carlton, in hitting up a bright 53, had eight 4's to his credit.

## SPORT AT PUBLIC SCHOOLS

### Harrow's Chance at Lord's To-day

### ALL ROUND STRENGTH

### Eton Relying on Spin Bowlers

By Our Special Representative

Twenty-nine years have passed since Harrow last won at Lord's, and Harrovians are wondering whether this long spell will be broken in the match which begins to-day.

Of the 107 games between the two schools, Eton lead with 42 victories; Harrow have won 35; and the remaining 30 have been drawn. The last time that a definite result was reached was in 1931, when Eton gained an overwhelming triumph by an innings and 16 runs.

One of the most disappointing matches of recent years was that of last July, when only 3½ hours' play was possible in the two days. Harrow, batting first, made 180, M. D. Watson—who captains them at Lord's to-day—scoring a fine 64, and torrential rain put an end to the game at lunch time on the Saturday, after Eton's opening pair had put on 26 runs.

Two outstanding features of that rain-ruined match were the bowling of D. H. Macindoe, who showed such splendid form for Oxford in the University match this week, and the wicket-keeping of R. M. England. The latter is still at Eton, and if he does as well this time he should be one of the first choices for the Public Schools side against the Army in a month's time.

### Varied Harrow Bowling

The prospects of Harrow to-day are very encouraging. They are a sound batting side, with two consistent run-getters in Watson and R. A. A. Holt, who have excellent temperaments for the big occasion. C. A. Halliday is a dangerous forcing batsman who has already made a century against Charterhouse and 75 v. Marlborough, while W. S. P. Lithgow got 110 not out in the Winchester match.

The bowling has plenty of variety. D. W. Stuart and W. G. Stewart are a useful opening pair, and two leg-break bowlers, Watson and D. E. Hayward, might prove dangerous if the wicket is hard. C. J. Sage is a left-hander who keeps a good length and can make use of a wicket that takes spin.

The fielding has been good all through the term, with Halliday and Lithgow outstanding in this respect.

### Eton Lack a Fast Bowler

Eton are handicapped by the lack of a fast bowler, though J. L. Darrell and H. O. Huntingdon-Whiteley have been effective on hard wickets. They will chiefly rely, however, on their spin bowlers; J. P. Mann's leg breaks and R. C. de Rougemont's googlies have met with considerable success.

As a batting side they are definitely strong, and Mann—son of the old Middlesex captain—has set an inspiring example this season. D. L. Curling made a hundred against Winchester, and F. T. Barnado is "full of shots," and should be most attractive to watch if he gets going.

Eton are not such a smart side as Harrow in the field, but they have improved, and they are not likely to be let down by dropped catches.

AMPLEFORTH had a most exciting match with Durham which ended in a tie. The school opened steadily. Wells was out at 24 and Garbett at 47. After this wickets fell steadily, and nine men were out for 104, but 34 invaluable runs were added in the last gallant stand. The Durham innings opened disastrously, Buttie and Cunningham falling with only 15 on the board. Hall and Orwin added 42 before Hall was out, and Orwin soon followed. Sylvester and Sutton ran themselves out, and when the ninth

wicket fell 16 were needed for victory. Burchhall and Bouchier, both batting well, put on 15 to equalise the scores. Then Bouchier, walking yards across the pitch, swung aimlessly at a ball from Horner and was stumped.

ST. BEES lost to a strong team brought by J. S. Hardy. The School had four opponents out for 28, but the next wicket did not fall till 159, when the innings was declared. Whitehead, the old Lancashire professional, batted extremely well for 75 not out, and Turner made 63. The School batting was again poor. Pickavance batted very well for 28, and Buxton, last in, made 29 not out, including three sixes. Halstead took 3 for 49 for the School, and Fallows four for 45 for the visitors.

In the match with Workington the School had to bowl with a wet ball. The first wicket put on 110, and Workington declared at 163 for 5. In reply the School made 92 for 7 wickets, Rickerby scoring 32 and Thom-Postlethwaite 35.

DENSTONE won their match with Workop. The visitors were all out before lunch for 105, of which P. E. F. Rhodes hit a quick 45, after being missed at the wicket before scoring. B. H. Fegler, the Denstone captain, had the good figures of six for 24. Denstone had a shock at the beginning of their innings, Burrow being caught in the slips off the first ball, and Watson and Jones were also out with only 16 up. R. F. K. Innes (56) and F. J. P. Wardell (32) then came together and hit off the runs.

GIGGLESWICK were soundly beaten in the match with C. A. Milford's XI, totalling only 73 in reply to the visitors' 259 for five wickets. Milford's XI opened on a wet wicket and their first wicket soon fell. Pickering (59) and Lavery (81), however, batted very strongly, and hit the bowling hard and Davies (54) and Ingham (24) also did well. Cook took three wickets for 85. Giggleswick opened badly, the first two wickets falling for one run. Park resisted the bowling for a short time, making 11, and Cook played a forcing innings, scoring 18, but the others did little. Merritt bowled extremely well, his six wickets costing only 30, and Pemberton took the others for 33.

WOODHOUSE GROVE lost to the Old Boys by three wickets. The Old Boys' bowling, especially Maraden's (4 wickets for 8 runs) permitted no liberties, and the School were out for 58.

SILCOATES drew with Fulneck. Batting on a good wicket, Fulneck made 136 for 8 wickets before declaring. Lees scoring 48, Musson took 5 for 50. Silcoates, left with 70 minutes to play, scored 85 for 8.

RIPON G.S. gave a feeble exhibition of batting against Bootham, and were beaten by nine wickets. The total reached 59 only by virtue of some resistance from the tail, and the score was far too small to extend the Bootham batsmen.

RISHWORTH drew with Crossley and Forters School. Rishworth declared at 170 for three wickets, K. Hargreaves scoring 35, J. A. Woodhead 44 and R. Gledhill 47 not out. Crossleys scored 73 for 4 wickets.

**COUNTY POLICE**  
**Yorkshire Secure Halifax Trophy**  
**at Leeds**

After rain had delayed the start of their game with Lancashire Police, at Headingley, Leeds, yesterday, until after lunch, the Yorkshire Police team had no difficulty in holding their opponents to a draw, and this assured them of possession of the Halifax trophy for twelve months. The cup was provided by a Yorkshreman, Major A. H. Richardson, for annual competition between the Yorkshire and Lancashire police teams, but this is the first occasion on which the Yorkshreman have captured the trophy.

Yorkshire had first use of the wicket, but the first hour's play produced only 29 runs with one wicket down. P.C. Meetham then dealt confidently with the bowling and carried his bat for 65.

Lancashire made little headway against the bowling of P.C.s Booker and Bullard, Booker taking three wickets for 7 runs. Against the Yorkshire total of 144 (for nine wickets, dec.), the Lancashire Police had lost five wickets for 55 runs.

Mr. F. Swaby (Chief Constable of Leeds) presided over a representative luncheon gathering.

## YORKSHIRE LEAGUE Resignation of Wakefield Club

At a meeting of the Management Committee of the Yorkshire Cricket League held in Leeds, last night, the Wakefield club gave notice of their resignation from membership, to take effect from the end of the present season. Explaining the reason, the Wakefield representative, Mr. S. Wilkes, said they felt they were no longer strong enough to hold their own in the League.

"We have no grouse," said Mr. Wilkes, "and we think everything connected with the League has been most satisfactory." He emphasised, however, that due to lack of support they were being forced to play an all-amateur side, and they did not feel they could hold their own against teams that had two or three professionals.

Wakefield proposed, continued Mr. Wilkes, to apply for membership to the Heavy Woollen section of the Yorkshire Council. They hoped that this would increase local interest and reduce travelling costs.

### Change of Dates for Colts' Matches?

On the proposition of Mr. R. Derbyshire (Leeds), it was decided to ask the Yorkshire County Club if they would play their Whitsuntide and August Bank Holiday second team matches against the Lancashire second team on other dates. Mr. Derbyshire pointed out that the County authorities drew largely upon the resources of the League, and that many of the clubs had to field their weakest teams just when they had their biggest "gates."

The suggestion of a second team competition was held over in the absence through illness of Mr. E. R. Beecroft (King Cross), who had sponsored the scheme.

SPORT AT PUBLIC SCHOOLS

Holiday Matches at Ilkley

SEPTEMBER "WEEK"

Canadian Tourists Visit St. Peter's and Ampleforth

By Our Special Representative

The Yorkshire Public Schools cricket week, which the Craven Gentlemen are running in conjunction with the Yorkshire County Club at Ilkley from September 6-10, has attracted a large number of applications, and as requests for inclusion in these games are still coming in it is necessary to emphasise that the sides have been completed for the first two matches.

These are both trials, and after the second the team will be chosen to play against a Craven Gentlemen's XI, captained by the hockey international, B. M. Schofield, on the following day.

The next two days will also be occupied by representative matches for the School's side against club elevens led by G. J. Sellers, brother of the Yorkshire captain, and the Craven Gentlemen's president, Dr. H. P. Shackleton.

Among those taking part in the "week" are D. J. P. Watson (Sedburgh), R. F. K. Innes (Denstone), F. W. Cogz and D. M. Chadwick (Giggleswick), M. G. Crawford (Shrewsbury), R. N. Rimmer and E. V. Elgey (St. Peter's, York), M. Fenwick (Harrow), M. P. Robinson (Stowe), G. R. Skinner (Cranleigh), D. Warburton (Leeds G.S.), F. W. Thomas (Dulwich), and G. A. Turner (Fettes).

The side to represent the North Public Schools against the Craven Gentlemen at Ilkley on August 10-11 will be published in this column on Friday.

As Friday's article will be the last of the Summer Term match reports and reviews of the season should reach "The Yorkshire Post" by Thursday morning.

ST. PETER'S, York, turned out a full first eleven side against the touring side of Canadian schoolboys, whom they beat by seven wickets. The Canadians won the toss and decided to bat on a dry wicket. The first pair put on 25 before W. Mood was caught behind the wicket off Gossop. Two more wickets fell for 46, bringing the score to 71 for 3, when the bowling of Cole and Gossop brought about a collapse, the innings closing for 90. Gossop took 4 wickets for 26, and Cole 5 for 32. St. Peter's lost R. C. Lynch at 13, but G. E. L. Graham and I. D. C. Morrison took the score to 56, when Graham was caught, having made a fine 36. Another wicket fell at 83, then H. A. S. Hobson, and J. A. Wright passed the Canadians' total in a good stand of 59, taking the score to 142, when three wickets fell in quick succession. J. A. Wright (49) and E. R. Gossop (40), carried the score to 212 when the match ended.

In a very low scoring game the Old Peterites beat the School by 26 runs. E. R. Gossop bowled Smithson when the O.P.'s score stood at 2, and at 21 Lockwood was bowled by H. P. Cole. Three wickets fell quickly, Ruddock being brilliantly caught by Graham at silly point. G. Troop and J. M. Atkinson had advanced the total to 62 when the latter was stumped off Cole. The remaining batsmen were dismissed for only 8 runs, the total being 70. St. Peter's went in on a wicket which had become very tricky. Runs came very slowly against the bowling of Mann and Lockwood. Wickets fell with regularity and the School were all out for 41. Mann took 5 wickets for 18 and Lockwood 5 for 20.

AMPLEFORTH had much the better of a drawn game with the Canadian team, declaring at 262 for five wickets. The tourists had their last pair at the wicket and were 157 behind when time arrived. The School lost two wickets for 20, but J. Greenish, the left hander, played a very good innings of 44. C. Ryan contributed 32, G. Garrett 24 and R. Cardwell 26 not out. The feature of the match however, was a dashing 103 not out by A. Mahony. He had some good fortune in being missed more

than once, but his innings was a very good one, including some fine drives, and he hit the loose balls very hard indeed. A. P. Coté looked a good left arm bowler and took 3 wickets for the Canadians. Their ground fielding was good, but the catching was weak. There was a delay owing to rain, and when the Canadians went in to bat, they found runs difficult to obtain. L. Gunn played an excellent innings of 50 not out, driving well through the covers, and M. Douglas shaped well for 20. When time was called they had lost nine wickets for 105. C. Ryan and C. Walter were the most successful bowlers with 4 wickets for 36 runs, and 3 for 17 respectively.

WORKSOP drew with Hirst Wood's XI, declaring at 193 for nine wickets and dismissing five of their opponents for 134. J. B. Teale and D. Collinge started confidently for the College and put on 32. P. E. Rhodes (59) batted extremely well and got good support, particularly from W. J. P. Walker who made a quick 27. Hirst Wood proved the most successful bowler with three wickets for 39 runs. The visitors had an early shock, for with the score at 17, E. J. H. Dixon, the Oxford Blue, and D. F. S. Simplot were both caught at the wicket off J. R. M. Tomkins, who was making the ball turn quickly. E. W. King made a useful 50 and D. E. Jowett (29) and R. A. S. Fairfield (20 not out) hit well. P. E. Rhodes took his 70th wicket of the term and again bowled steadily, while J. R. M. Tomkins took 3 for 39 runs.

DURHAM wound up their season with a ten wickets victory over Fenham Garrison. Fenham were all out for 97, Orwin taking 8 wickets for 38. The fielding all through was brilliant. The School knocked off the runs without the loss of a wicket, Buttler 36 and Cunningham 42. The School won the Palmer Grand Challenge Cup with the first crew (P. Greenfield, C. G. Ferguson, G. Gilbertson, R. P. M. Bell, and G. A. Fulton) at Tyne Regatta.

LEEDS G.S. drew their last match with the Old Boys. Their opponents scored freely off a weakened School attack, and five wickets only were down for 215 when the innings was declared. A. Mawer scored a fine 102. Leeds were left with time to force a victory, but they started badly, losing three wickets for 16 runs. D. Warburton and F. J. Morley put on 112 before Morley was run out for 39, and the four more wickets fell in half an hour. The School just managed to save the game, the closing score being 148 for 8. Warburton carried his bat for 72, his innings including 12 4's.

WAKEFIELD G.S. drew with the Old Savilians. The Old Boys were given a good start by A. Guest (81), and T. H. Corden (34), but the later batsmen fared badly, and the side were all out for 176, Southerington taking 4 for 34. He performed the "hat-trick" by dismissing Guest, T. R. Birkinshaw, and E. Haigh. The School failed completely to cope with the bowling of E. J. Varley, who came out with remarkable analysis of 8 for 15 in seven overs, and only Brockwell reached double figures. The innings closed for 37, and going in again they did little better, losing seven men for 50. This time E. Skelton did the damage, taking 6 for 4.

STONYHURST Golf Championship was won by D. M. Rooney, who beat R. H. Pently in the final by one hole. Pently led by three holes at the end of the first round, but Rooney squared at the fourteenth and took the lead at the fifteenth; the last three holes were halved. Rooney's score for the second round was three over bogey.

SILCOATES finished their season with a match against the Old Boys, who won by 34 runs. The Old Boys scored rapidly, Thompson making 45, and Sharran 21. Then there was a collapse, the innings closing for 137. Croft took 4 wickets for 20. The School did not start very well, and only Barrett (20) and Bennett (17) made a respectable score. King took 4 for 36, and Wainhouse 3 for 17.

**MACAULAY'S NEW POST Lancashire League Appointment**

George Macaulay, the former Yorkshire player, will take part in Lancashire League cricket next season. He has signed for Todmorden, succeeding Fred Root, the old Worcestershire player, who has signed a contract with Lowerhouse, another Lancashire League club. Macaulay, who is at present in South Wales playing for Ebbw Vale, will be 40 in December. He played for Yorkshire from 1920 to 1935. He took 24 wickets in his first season and 101 in his second. Macaulay's best season was 1925, when he took 211 wickets for 15 runs each. In the 15 seasons he took 1,773 wickets for Yorkshire for 30,292 runs, at an average of 17.08, and scored 5,759 runs in 318 completed innings, his average being slightly over 18.

Macaulay played for England against Australia at Leeds in 1926 when with Geary he shared in a century partnership, and he was capped five times against South Africa, taking part in the 1922-3 tour and playing in one Test against them in 1924. His benefit season was 1931, when a sum of £1,633 was raised, and in recognition of his services the Yorkshire Committee last year made Macaulay a grant of £250.
