

PENZANCE v. HAYLE.

HUNT'S AMAZING CENTURY.

A glorious afternoon favoured T. Peters' benefit at Penzance, on Saturday afternoon. With the counter attraction at Camborne, there was not a large crowd present when Rust won the toss for Penzance, and elected to take first knock against Hayle, the visitors for the occasion. Hayle are at present the "wooden spoonists," but they are in their first season in senior cricket, and are always quite capable of a surprise. In any event, they always play keen, bright cricket, and Penzance could not afford to take matters lightly if they were to retain their premier position in the league.

Haye and Barnicoat opened the Penzance attack, to the bowling of James (fast-medium) and Cock (slow). The start was steady, but Haye soon showed a liking for the slow bowler. James was bowling well and coming off at a good pace, whilst the Hayle ground fielding was very keen, with the field well placed.

Barnicoat out James for four, but in the same over he fell to a glorious one-handed catch by Coombe at mid-off. The fielder juggled with the ball, and held a very difficult chance. 21-1-20. A period of slow play ended when Haye got an inside boundary off James.

Nicholls got one boundary, but the cricket was generally very slow. Haye survived two appeals for lbw., the second a very confident one.

Shaw Baker came on for Cock, and off his second ball Haye was caught by Cock in the slips in endeavouring to hook the new bowler. The ball appeared to curl off his bat, and went round in a circle over the wicket-keeper's head. 40-2-22.

With the total unaltered, Nicholls was snapped up behind the stumps, and Penzance were by no means well placed.

Shaw Baker's slow ball had to be treated with great respect, whilst James continued to keep an excellent length. Rust, the home skipper, was easily caught and bowled by the wily slow bowler at 51 for a single.

Williams joined Hunt, each batsman taking a four off James. The total had only advanced to 65, when Baker deceived Williams, who put up a "dolly" to Hill, who made no mistake.

A FINE STAND.

Peters came next, and received warm applause. P. Lello came on for James, and Hunt snicked one over slip's head. Then this batsman began to set about the bowling, and registered two four's and a grand 6 over the pavilion. Hunt had now taken command, and was hitting all round the ground, sending up the hundred with a grand straight drive. Hunt landed another six off James, and sent up his own fifty. His magnificent hitting had put an entirely different complexion on the game.

Peters, meanwhile, was very steady, and displaying neat touches, despite being unwell and having to have a runner. J. Cock was injured when trying to catch Peters, the ball striking him in the face. He was forced to retire, William fielding as substitute.

Hunt sent one clean into the road, and, receiving sound support from Peters, the 160 went up without further loss. Fours simply flowed from Hunt's bat, mingled with an occasional six, and it was impossible to set a field for him, though Williams failed to hold a hard chance in the deep, which was bad luck for the visitors.

Soon after Hunt completed a superb century with a couple of fours off Baker. Peters left with the total at 189, having shared in a stand of 124. Hunt had the luck of the brave, and was again dropped, but then he left to Pearce with the score at 197. He scored 116 in exactly an hour.

Michael, rightly endeavouring to force the pace, was bowled, but Body and Russon added useful runs, both being stumped in hitting out.

Hunt's magnificent innings, which, by the way, contained no fewer than 4 sixes and 14 fours, undoubtedly saved Penzance. For Hayle, Baker returned

the best analysis, but James deserved better figures than he was finally credited with, and W. Cock was very steady.

The visitors' fielding was keen, though their catching was at fault on one or two occasions. The wicket-keeping was distinctly good, and the whole side never flinched as the score mounted.

HAYLE COLLAPSE.

With J. Cock injured, Hayle were in an unfortunate position, as he is not only one of their best batsmen, but also opens their innings. The start could not well have been worse, for Baker, Pearce, and P. Lello were back in the pavilion with only 9 on the board, and half the side had gone for 17, May keeping an impeccable length with his slows, and proving very difficult to play.

Kendall hit very hard for 26, whilst W. Cock defended well, and this pair added 36 before May got through Kendall's defence.

Body came on for Hunt, and the tail offered little resistance, the last wicket falling with the score only 63, leaving W. Cock not out for a very well-played 16. Incidentally, J. Cock very pluckily attempted to bat with his head heavily bandaged, though he was very quickly caught.

May returned truly wonderful figures on a wicket which one would have thought might not be to his liking, his eight wickets being obtained for only 25 runs. Scores:

A. Angwin top-scored for St. Just, reaching 58 out of a score of 137. Austin bowled well to capture 6 wickets for 49.

Falmouth could score only 95, of which Trenoweth notched 31 before he was unfortunate enough to be run out. Scores:

PENZANCE IN VINTER CUP FINAL

EASY VICTORY OVER ST. EARTH.

Penzance entered the final of the Vinter Cup when they defeated St. Erth at the St. Clare ground on Thursday evening, before a very good crowd.

Though outplayed, St. Erth never gave up, and a feature of the match was their undaunted enthusiasm.

Winning the toss, the visitors were very soon in trouble against Hunt and Body, and half the side had gone for a mere 23 runs, only L. Nicholas (15) offering any resistance to the bowling of Hunt and Body. Eight wickets fell for 28, but the last two wickets added a hard-hit and plucky 20 runs, Bunn collecting 15 not out.

Hunt's five wickets cost 22 runs, Body having a similar "bag" for 19. Both bowled well, and the latter should be of great assistance to the attack, particularly on hard wickets.

Rust and Cyril Nicholls reached 31 before the Penzance skipper was beaten by a good ball from L. Nicholas. Nicholls left at 41, but then Hunt and Barnicoat took command, and advanced the score rapidly to 97. Hunt had two 6's and five 4's in his 40, whilst Barnicoat hit very hard for 42 not out. The final score was 134 for five wickets. The St. Erth bowling and fielding were alike keen, and never flagged. Scores:

HAYLE TROUNCED AT PENZANCE.

A sparkling innings by H. H. Hunt, who scored 116 runs in an hour, was the outstanding feature of Penzance's easy County League victory over Hayle, at Penzance, on Saturday. Penzance won by 170 runs. The match was a benefit for Peters. Penzance lost five wickets for 65 runs, and none of the batsmen showed any confidence until H. Hunt came in, and when joined by Peters he played havoc with the bowling. This pair added 124, of which Peters made 25. Hunt scored freely with powerful shots all round the wicket. In an hour he scored 116, including four "6's" and fourteen "4's." The Penzance innings closed for 239. Hayle were unfortunate, as J. Cock, one of their best batsmen, misjudged a ball while fielding and received a nasty blow in the eye, which necessitated his going to hospital. Bowling for Hayle, C. Shaw Baker took five wickets for 50. Hayle made a disastrous start, their first three batsmen being out with the score at nine, and half the side had gone for 17. Kendall and W. Cock added 36, but nobody really mastered May's slow deliveries, and the visitors could not bat with his head bandaged, but he was soon caught. C. May returned the exceptionally good analysis of eight wickets for 25 runs. Scores:

FINE STAND FOR REDRUTH.

A feature of Redruth's County League victory over Troon, at Redruth, on Saturday, was the first wicket partnership between G. C. Willis (71) and K. Nicholls (49), who put on 120 runs before being separated. Both batted freely all round the wicket. After their departure Troon met with some success, but R. R. Choak hit strongly, and his 31 included two "6's." Howard batted well for 19 and helped to raise the score to 236. Bowling for Troon, L. Berriman took four wickets for 36 runs. L. Lawry four for 98, and L. Nile two for 46. Troon started badly, losing three wickets for a mere eight runs, and half the side were out for 42, but, thanks largely to a sound innings of 42 by M. O. Bolitho and a hard-hitting 26 by Carter, the visitors' total reached 106. Choak bowled exceedingly well for the winners, and in 12 overs took seven wickets for 38 runs. Palmer claimed two for nine. ST. JUST WIN AT FALMOUTH.

Falmouth's play was far from up to standard when St. Just defeated them by 137 runs to 92 in a County League game at Falmouth. Lacking the services of W. N. Dornin and C. Kendall, who were assisting Cornwall, the team was generally off form, and after St. Just had batted steadily for a fair 137, Falmouth gave a poor show. Austin's splendid slow bowling was largely responsible for keeping the visitors' scoring down. He secured six wickets for 49 runs, the best score for St. Just being that of A. Angwin, who was caught out after an excellent knock for 58. J. Trenoweth scored 31 for Falmouth. Scores:

CONSTANTINE CAPTAIN'S KNOCK.

By the margin of 200 runs to 87, Corn-Electric Power Co. were defeated by Constantine in a Junior League game, at Constantine, on Saturday. Features of the home innings was the splendid fighting innings by A. Keith Murray, the captain, who made 52, and the forcible hitting of H. Cole, who quickly knocked up 56 runs. Bowling for Constantine, G. Williams took four wickets for seven runs, and, for the losers, J. Roberts claimed six for 62. Scores:

MAWNAN KNOCKED OUT.

Truro, the original holders of the cup, easily defeated Mawnan, in the semi-final of the Vinter Cup knock-out competition, at Mawnan, on Thursday, and thus qualified to meet Penzance in the final, which will be played on a neutral ground. Batting first, Truro obtained 156 runs for five wickets, and Mawnan were dismissed in 23 overs for 90 runs. Bowling for Truro, R. W. Edmonds claimed four wickets for 33. Atkinson four for 45, and R. C. Farnworth one for five. For Mawnan, M. Simpson returned the best analysis with two for 31. Scores:

MADRON v NEWBRIDGE.
A West Penwith match between Newbridge and Madron was played on Saturday afternoon on the home ground and resulted in a draw. The weather was far from good on account of fog, it being almost impossible to see the ball at deep field. Newbridge batted first, and when the telegraph read as 25 for 4, a stand was made by F. Hosking, who contributed an unfinished score of 48. Trembath (Penzance County School) also made some fine shots and a neat 17, not out. The skipper then declared at 9 for 97. This was rather late for Madron, who just batted on to time, and closed at 14 for 3.

W. Semmens, bowling for Madron, took 4 for 34, and O. Hollow, 3 for 33. For Newbridge, O. Grenfell took one and F. Hosking one.

TRURO WIN VINTER CUP FOR SECOND TIME

Truro won the Vinter Cup for the second time in five years when they defeated Penzance in the final at Camborne, on Tuesday. Each innings was restricted to 26 overs. Truro scored 136 for the loss of six wickets, Penzance replying with 112 for the loss of eight wickets at the end of their overs. A magnificent innings of 89 not out by F. S. Fox laid the foundations of Truro's victory, and it was regrettable that Fox, when acting as wicket-keeper, was struck over the eye by a fast ball and had to leave the field for medical attention. Truro, batting first, lost two wickets for 12 runs, but a stand between W. H. Pearce and F. S. Fox took the score to 40 before Pearce was caught by Peters off May for an invaluable 17 runs. Fox began to attack the bowling in masterly style and Truro's rate of scoring, which had hitherto been moderate, increased considerably. Fox reached his fifty in quick time and then proceeded to hit boundaries with the greatest possible ease, including one beautiful six off May. With one hundred runs on the board Fox scored even faster and was particularly strong on the leg side. At the end of their overs Truro had reached the respectable total of 136 for the loss of six wickets, scored in 65 minutes. Fox hit one "6" and 12 "4's," and scored his runs in 55 minutes. Set to score at a rate of five runs an over in the falling light, Penzance had a difficult task in front of them. Edmonds struck the first blow for Truro when he clean bowled Peters, the professional, with the third ball of the innings. Barnicoat and Rust stayed to add 54 runs, when the latter was run out for 28. Truro's bowling was very steady and the Penzance batsmen were finding it difficult to get the ball away. Barnicoat made a valiant effort to score quickly, but he could get no one to stay with him. The quality of the Truro bowling and fielding was shown by the fact that Barnicoat, who made 58 runs, hit only two "4's." Bowling for Truro, G. Hawke captured five wickets for 37 runs and R. Edmonds two for 37. For Penzance, May took three for 66. Scores:

TRURO.—W. H. Pearce, c Peters, b May, 17; G. Hawke, run out, 6; A. Atkinson, run out, 0; F. Fox, not out, 89; R. Edmonds, b Hunt, 7; G. L. Tonkin, at Runson, b May, 6; Dr. B. L. Nicholas, b May, 4; E. T. May, not out, 7; total (for 6 wks.), 136.

Michael, b Hawke, 0; H. Body, b Edmonds, 3; C. J. Russon, not out, 4; W. Richards, not out, 4; extras, 4; total (for 6 wks.), 112.

Mr. L. T. Polglase, secretary of the County Cricket League, said that was the fifth year of the competition, and he did not see any lessening of interest in it. He thought the clubs and spectators enjoyed the evening matches. They were delighted to see present Mr. H. W. Vinter, of Truro, the donor of the cup. (Applause.)—The Rev. J. Britton, vicar of Roskear, presenting the cup to the captain of Truro (Mr. G. L. Tonkin), said he was sure they all enjoyed the delightful games in the competition. He congratulated Truro on winning the cup for the second time. (Applause.) They were extremely sorry that Mr. Fred Fox, who played a splendid innings, received a nasty knock, and they hoped he would speedily recover. (Applause.)—Mr. Tonkin said he was proud to receive the cup, although he confessed they did not anticipate being victorious that evening. They regarded Penzance as the best all-round team in the county. He complimented Penzance on the sporting game. They were indebted to Mr. Fox, whose splendid innings won the cup for Truro, and they regretted his unfortunate injury. He praised the whole of the team for their enthusiastic and sound play. (Applause.) Mr. Tonkin proposed a vote of thanks to the Rev. J. Britton for presenting the cup.—Mr. S. Rust (captain of Penzance) said they had had a really good game and he congratulated Truro on their victory. On behalf of the Penzance club he expressed sympathy with Fred Fox in his injury. Penzance were out to win the County League cup, and although they had a good side, they had been beaten by a better side that evening. (Applause.)

HELSTON FAIL AT HOME.

In the match between Helston and St. Just, at Helston, on Saturday, 13 of the 14 wickets which fell were clean bowled. Helston took first knock, but the home batsmen failed badly against the bowling of Hicks and Hattam, the first six wickets falling for 19 runs. Thanks chiefly to a plucky innings by R. Sturgess (15), who was the only batsman to reach double figures, and aided by useful contributions from the "tail-end," the home side eventually reached 69. Rain held up play after tea, but when St. Just were able to bat they lost their first four wickets for 28 runs, all of them being clean bowled by Lovelock at a personal cost of six runs. The saturated and slippery turf handicapped the Helston fast bowler, and Hattam and Hicks, becoming associated at the fall of the fourth wicket, after surviving a very shaky start

against Lovelock, carried the score past the Helston total without further loss, Hattam being 34 not out. Bowling for St. Just, J. Maddern secured four wickets for 11 runs, R. Hicks four for 16, and J. Hattam two for 12. For Helston, Lovelock secured four for 18. Scores:

MAWNAN BATSMAN'S 500 RUNS.

A prolific run-getter for Mawnan, H. Pascoe reached his 500 runs this season, on Saturday, when playing at Truro in a Junior League game. Starting with 450 runs to his credit, he quickly knocked out 50 to reach his 500, and six runs later he was bowled by Hambly for 56. R. Shakespear 24, G. Benney 18 and A. Christophers 16 helped to compile a total of 156. Bowling for Truro, S. J. Pearce took five for 46, K. Hambly three for 40, M. Elliott one for 50, and T. Mills one for six. Truro replied with 89, the top scorers being M. Elliott 15, D. Anstis 14, T. Mill 14, and B. Hawke 10. For Mawnan, M. Simpson took four wickets for 18 runs, E. Cornwall two for 14, F. Second Truro (St. John's) Scouts maintained their unbeaten record, on Friday evening, when they defeated 1st Kenwyn Scouts, on the Treyew-road ground, by 23 runs. Batting first, St. John's scored 55 runs, the chief contributors being Roberts 21 and J. Hendra 20. F. Rose was in devastating form for Kenwyn, taking eight wickets for 24 runs. GOOD BOWLING AT CAMBORNE.

An evening match at Roskear, on Thursday, resulted in Camborne 2nd XI, defeating the Electric Works by 20 runs in a Junior League game. Camborne opened badly with five wickets down for 20 runs, but, thanks to L. Hodge, who scored 39 not out, the total reached 69 for the loss of eight wickets. The visitors found the bowling of E. Holman difficult to play, and he captured seven wickets for 22 runs. The visitors were dismissed for 69 runs. Scores:

REDRUTH TRIUMPH OVER CAMBORNE.

Camborne entertained Redruth, on Saturday, in a return County League game, but lacked the services of C. V. Paul, G. Holman, K. Hosking, and F. Rogers, whilst Redruth were short of Harry and H. Colwyn. Owing to a shower of rain the start was delayed, and Camborne, who batted first, were dismissed in two hours for 91 runs. L. Hodge, of the reserves, batted steadily for over an hour for 10 runs, and Bates was also in good form. J. S. Palmer, who took four wickets in one over, including the "hat trick," bowled the whole of the innings, capturing seven wickets for 33 runs in 22 overs.

Redruth set out at 615 to pass what appeared only a moderate total, and the opening pair started confidently and ran smartly for singles, but Rogers met with his first success at eight, and Hodge cleverly stumped Paul at 19. Rashleigh bowled for Mill, and at 30 Rogers batted McKenzie. Mill resumed bowling at 37, but Palmer hit all the bowlers cleanly, and the score rose rapidly. One of his hits nearly cleared the Dolcoath property adjoining the ground. With the total at 80, Bates bowled, and with the score at 90 Howard and Williams were sent back. Bradley made the winning hit when six wickets were down, and then Palmer was bowled by Bates for a forcible 43. The century was hoisted, and Bradley scored freely at the close. The game was abandoned, with the total at 135 for nine wickets. W. Rogers took five wickets for 66 runs, and Bates three for 26. Scores:

James next joined Baker, and with the addition of only 10 runs Baker was well caught by Gibson for a splendid 48. H. McIntyre and J. B. James now came together in a good stand and took the score to 178 before J. B. James was bowled by J. Maddern for 33. J. CAMBORNE GO UNDER TO TRURO

The return League match between Camborne and Truro was played at Roskear, on Saturday, when Truro, thanks mainly to Atkinson, their professional, who scored a splendid century, ran up a total of 231 for seven wickets and declared. The professional's innings of 100 not out included three "6's" and eight "4's." A really delightful innings. Bates took three wickets for 48 and Mill two for 47. Half the Cam-

borne side were out for 28 runs, and up to this point the bowling had not been hit, the batsmen simply making singles. Tressider and F. Rogers made a stand and carried the score to 48 for the sixth wicket. F. Rogers was caught at the same total, and, with the light failing, Atkinson had the home batsmen in trouble. The fifty was hoisted at the end of 14 hours' play, and Edmonds bowled a wide to increase the score. W. Rogers and Rashleigh were Camborne's last hope to play out time—nearly three-quarters of an hour. Atkinson bowled a wide and Rashleigh pushed the score along to over 70, the biggest stand of the innings, but was caught after getting 14. Mill was bowled without scoring and the innings closed for 80. Atkinson took six wickets for 34 runs. Scores:

Richards, who got 40 runs. Bowling for Mr. Martin's team, R. H. Lashbrook took four wickets for 39 runs, and H. B. Daniell three for 32. For Mr. Clark's side, E. S. Kendall secured four for 15, P. SENNEN WIN RUNCIMAN CUP.

There was a large gathering of cricket enthusiasts from all parts of West Cornwall at Gulval, on Thursday, to witness a thrilling game between St. Ives and Sennen in the final of the Runciman Cup knock-out competition. With half the maximum of 25 overs gone the score read 18 runs for five wickets, and later 27 for six wickets, and 32 for seven. But amidst great excitement the St. Ives score was passed without further loss and Sennen's total reached 53. C. Walker returned the analysis of six wickets for 13 runs. Major John Daniel presented the cup to the winners.

There was a remarkable bowling performance at Townshend on Saturday, when L. Mitchell, for the home side, dismissed seven Penzance batsmen for 6 runs the visitors being all out for 14. There were six "ducks."

REDRUTH NARROWLY BEATEN

An unexpected last-wicket stand for Redruth nearly prevented Truro from beating them in the County League fixture at Truro, on Saturday. Truro knocked up 149 runs, and when Redruth had nine wickets down for 102 runs it looked as if Truro would win fairly comfortably, but Ken Williams and Partridge, the left-hander, had other ideas and in a stubborn stand lasting over an hour they took the score to within 17 of the home total before Partridge was out i.b.w. to Atkinson, the professional, whose benefit match it was. Redruth were not at full strength, being without the services of Tom Harry, their professional, and J. S. Palmer, who were playing for Cornwall at Penzance.

Truro lost five good wickets cheaply. G. Hawke, however, with E. T. May, brought up the 50. Both batsmen gradually got on top of the bowling, and despite several bowling changes runs came freely. With the total at 78, May played a ball from Gribble on to his stumps after he had scored 15 valuable runs. Hawke continued to hit strongly but when within six of his half century he was caught at cover point by Jennings off Williams. He hit five "4's." R. Farnworth and G. L. Tonkin proved stubborn and added useful runs until Farnworth was bowled for 20. Truro's total reached 149 runs, a good recovery in view of the bad start they had made.

Redruth started badly, losing three wickets for a mere 15 runs. R. W. McKenzie (25), R. R. Choak (12) and W. J. Harris (13), improved matters, but seven wickets were down when A. Gribble came in to hit hard and often before he was bowled by Farnworth for a useful 12. At 105 the ninth wicket fell, but Truro's hopes of an early win were dashed by bowled his slow spinners cleverly to tempt the batsmen and an aggressive field was set, but the pair by dour defensive play slowly brought the total to within striking distance of Truro's before Partridge was dismissed. Bowling for Truro, E. C. Farnworth captured four wickets for 36 runs, R. Edmonds two for 14, Atkinson two for 20, and S. Woodman two for 25. Redruth's most successful bowlers were K. Williams, with four for 19, and R. R. Choak three for 44. Scores:

DEVON DEFEATED

CORNWALL COLTS WIN HANDSOMELY

In a two days' match with Devon Colts, at Exeter, on Wednesday and Thursday, Cornwall Colts won handsomely by four wickets.

Devon, batting first on an easy wicket to the bowling of Daniell (St. Austell) and Hodge (Mawnan), opened cautiously. The wicket was unresponsive to fast bowling, and a change saw Kendall (Penryn) bowl Oxenham with a leg break at 28, but favours in the field enabled the score to proceed to 78 when Hodge got Gidley leg before for 21. Harries continued to bat steadily, but when he got 55 he was well caught by Hodge off James (Bodmin C.S.). Frequent bowling changes, during which Armstrong (Redruth C.S.) bowled steadily, were made, but with the score at 100 for six wickets a big total seemed likely. A sensational collapse, however, followed Kendall taking the last four wickets in three overs for the addition of only 11 runs.

Cornwall opened promisingly, but soon after the dismissal of D. Thomas (Penzance) for 39, batsmen were dismissed quickly and seven wickets were down for 59 runs. P. P. Thomas (Truro Cathedral School) and Daniell then engaged in a splendid eighth-wicket partnership for 49 runs. Daniell played a valuable part in this, defensively and with great restraint, stopping the rot to enable Thomas to contribute a magnificent 63 before he was unfortunately run out. His score included eleven "4's," many of which were brilliant shots to leg. Cornwall finished 30 runs behind on the first innings.

Early success fell to Cornwall in Devon's second venture, Harries being dismissed by a catch at forward short-leg off Hodge for one. With four wickets down for 39 runs and five for 62, there followed a sixth-wicket stand. At the luncheon interval Devon were 137 runs on with five wickets in hand, but the slow bowlers, Kendall and James, once more achieved sensational success, tumbling out the five remaining wickets in 20 minutes for the addition of only 17 runs, thereby leaving Cornwall 155 runs to win. Kendall bowled well, taking five for 32, his match record being 10 for 76. James took three for 24 and Hodge one for five.

Cornwall lost Richards (Redruth) with only four runs on the board, but D. Thomas and A. Johns (Troon), settling down quietly, eventually took command. Both hit with great power and Thomas, in particular, with two "6's" and five "4's" in his 53 out of 78, batted with precision all round the wicket. Armstrong, after opening well, missed at 113 and was caught by Daniell, fielding as sub., but at the tea interval Cornwall, with 114 runs for three wickets, seemed safe for a win. At 119, however, half the side was out, Johns's 40, although not chanceless, being a valuable contribution. With the sixth wicket falling at 136, J. C. Williams (Penzance) and D. M. Payne (Wellington School) took no risks, each batting as the occasion demanded. Eventually, with an hour to spare, Payne off drove Rowe for "4" for the visitors to win handsomely by four wickets. Williams, the Cornish captain, being 22 not out, Oxenham took three for 25 for Devon.

Promising Talent

The match revealed some promising talent, every member of the Cornish side contributing in full measure in some department to its success. The fielding, however, was perhaps a little disappointing at times. It was essentially a slow bowlers' wicket, and it was gratifying to Cornwall that they came off so splendidly in this match. BOWLERS ON TOP AT PENZANCE.

Penzance, who were already assured of the leadership of the western section of Cornwall County League, secured a home victory over Truro by 24 runs, on Saturday, but not before Truro had given them several shocks. Batsmen had a poor day and scores were low, Penzance hitting up 90 in reply to Truro's 66. Truro could do very little against the bowling of Hunt and Peters, and were all out for 66. H. Hunt returned the excellent figures of six wickets for only 16 runs. Peters took four for 45.

At the start of the Penzance innings it looked as if the home team were going to be skittled out even more cheaply than were Truro. With the total at only four, three batsmen were dismissed, Ellis and Rust stopped the rot and took the score to 24, at which total they both lost their wickets. Penzance were in a poor position at the tea interval, having lost five wickets for 24 runs, but after tea Barnicoat and Hunt obtained runs at a good pace. Hunt hit a couple of "6's" and Barnicoat batted very soundly. Hunt was missed on the boundary when he had made 15, and he went on to take the score past the Truro total. Barnicoat made 18, but the last four Penzance batsmen all made "ducks." Hunt, who hit another "6," was unable to reach his 50, for when Penzance were dismissed for 90 he had made 47 not out. Alford was in good form with the ball for Truro and took six wickets for 43 runs. Atkinson took two for 14 and Farnworth one for 32. Scores:

CENTURY AGAINST CHOUGHs.

Truro's annual all-day match with the Cornish Choughs, at Truro, on Friday, ended in an overwhelming win for the home side by 280 runs (for seven wickets declared) to 111. A feature of the Truro's batting was the fine foreing innings by E. K. Scott, the county player, who was undefeated when stumps were drawn with 132 to his credit. The Choughs started in a confident manner, and, thanks chiefly to a delightful innings of 45 by H. C. Barton, had 95 runs on the board for the loss of four wickets. R. S. Alford, the ex-Devon County Colt, playing for Truro, brought about a collapse, and the remaining six wickets fell for a mere 38 runs. Alford did the "hat-trick," and his final analysis was four wickets for 22 runs. Atkinson took three for 21.

Truro lost three wickets for 55 runs, but a hard hitting partnership between Atkinson and E. K. Scott produced 56 runs in quick time, and when Atkinson was caught he had scored 56, which included six "6's" and four "4's." Scott continued to bat freely and reached his century quickly. When stumps were drawn Scott had net three "5's" and twenty "4's." Scores:

The visitors were weakly represented fielding with only 10 players, six of which were regular members of the team. Batting first, Truro were given a splendid start, a second wicket partnership by S. Pearce and A. Thomas adding 112 runs. The former was stumped after a fine knock for 72 runs, and Thomas had the misfortune to be run out after scoring 58. G. Nosworthy (38) was also in good batting form, and the innings yielded 213 runs. The best of the visiting bowlers were C. Rockett, three for 54, and J. Roberts, three for 73.

The Electric Power Co. registered 50 runs for the loss of two wickets when M. Elliott was given a turn with the ball.
