

SPORTS GOSSIP

(Conducted by "Beverley.")

A GREAT SOLDIER-SPORTSMAN.

Owing to the death of General R. M. Poore, a tall and familiar soldierly figure will be much missed on the sports grounds of Bournemouth and district. He was one of the most notable soldier-sportsmen of his time.

From the time when he first played for the county—in 1898—until his death he maintained the greatest interest in the County Cricket Club, and he has been a vice-president for many years.

He will be particularly missed by young players who he was always willing and eager to help by valuable advice. Wherever he went on the cricket fields, he could always be seen demonstrating to a player how a stroke should be made and his coaching classes at Dean Park, usually held during April for the past seven years, had been the means of setting many ambitious boys on the right road to cricket fame.

FAME AS CRICKETER.

By his great performances at cricket, Gen. Poore gained national prominence. He jumped into fame in 1899. His military duties in India and South Africa had prevented him from playing much in this country before then, but his name became known to English cricketers by reason of his fine batting against Lord Hawke's team in South Africa in the winter of 1895-96.

He scored the only hundreds against the tourists—112 at Pietermaritzburg and 107 at Durban—and played for South Africa in all three test matches. In 1897-98, when he was in Natal, he made 1,600 runs, which included nine centuries.

He came home in 1898, and, being qualified for Hampshire, played in 11 matches for the county in that season. His enormous height and reach—he stood 6ft. 4in.—soon enabled him to make some big scores, and with an aggregate of 659 runs and an average of 34, he was third in the county averages for that year.

REMARKABLE SEASON.

In the following season he met with remarkable success. With an aggregate of 1,551 runs, he averaged 91 runs in first-class cricket, while his average for Hampshire was 116. In a match against Somerset that season he scored 104 and 119 not out, and in the return fixture he made 304.

This stood as a record individual score for Hampshire for 38 years, R. H. Moore surpassing it last year with 116 against Warwickshire.

General Poore made six other hundreds for Hampshire in that season, three of them in successive innings—his centuries against Somerset at Portsmouth being followed by 40 against Lancashire at Southampton.

RECORD WHICH STILL STANDS.

On the occasion of his record-breaking score of 304 at Taunton, General Poore, with Capt. Wynyard (who made 26), put on 411 runs for the sixth wicket. This still stands as a record partnership for Hampshire.

After terminating his county career, General Poore continued to play in representative matches and the best club cricket, and when he was in his 8th year, he hit three successive

centuries for M.C.C. during a West Country tour. Right up to last season, he was playing in local cricket.

Besides cricket, Gen. Poore also excelled at golf, and until recently he played regularly at Broadstone, the course of the Dorset Golf Club, of which he was a member.

SKILL IN OTHER SPORT.

He was also a good footballer in his younger days, playing for Old Carthusians in an English Cup-final. He was a crack polo player, won tennis championships in India and Africa, and on four occasions was Best Man-at-Arms in the Royal Naval and Military Tournament, his skill as a swordsman being unsurpassed.

His three successive centuries for Hampshire were made in the same fortnight of June, 1899, that saw him play in the winning team of the Inter-Regimental Polo Tournament and become in addition the Best Man-at-Arms at that year's Royal Tournament.

He was a member of the 8th Hussars polo team which won the Inter-Regimental tournament twice in India and later repeated its success in England.

HANTS C. AND G. SCORE FREELY.

Batsmen were on top in the match between Hants Club and Ground and the Portsmouth and Southsea Club. There were 459 runs scored and only seven wickets fell.

Arthur Holt, scoring a good many of his runs on the leg side, hit a not out century—126—and "Don" Walker and Lloyd Budd also batted very well for 75 and 58 not out respectively. Club and Ground declared at 266 for two, but the visitors saved the game by scoring 193 for five.

Rather curiously, J. P. Parker, who used to play in the county eleven, scored exactly Holt's figures—126 no out. He was the outstanding batsman in the visitors' side, for

Colonel Yeo's 32 was the next best.

Walker did some bowling. A left-hand batsman, he bowls right-hand, and throws in equally well with either hand.

Cricket Cameos

STILL UNBEATEN.

**New Milton's Distinction In
The League.**

MOORDOWN'S FINE FEAT.

**Dean's Century Brings About
Electric's First Defeat.**

New Milton are now the proud possessors of the only unbeaten record in the Bournemouth and district League, but they had a nasty shock against Hannington-road and it looked at one time as if they would go under. Although Hannington could muster only 55 it was a big enough total to make the eastern section leaders go all the way. They were able to win with the help of a last wicket stand which put on 22.

Hannington had only two batsmen who reached double figures, Weatherburn and Rochester. The former opened the innings and made 18, and the latter went in at the fall of the sixth wicket at 39 and scored 13 of the last 16 runs, carrying his bat. Church bowled through the innings and took three for 25, while Scott and Whitcher shared the other wickets. Each claimed two victims in an over, and they finished with three for 18 and four for 11 respectively.

A deadly spell of bowling by Rochester brought about New Milton's collapse. In three overs he dismissed four men at a personal cost of three runs, and half the side was out for 25. At this stage Rochester had sent down eight overs for nine runs. Cook and Church improved the position after the sixth wicket had fallen at 26, taking the score to 47, but the ninth man was out at 52, Rochester having got two more quick wickets. That

G. DEAN
(Moordown.)

meant that four were wanted for victory and Crowhurst and Gates saw that they were obtained, the innings closing for 74. Rochester, bowling unchanged, sent down 16 overs for 24 runs and six wickets.

**Southbourne Fall to
P.O. Engineers.**

Post Office Engineers gained an unexpected but nevertheless well deserved victory over Southbourne by 36 runs. The Engineers mustered 128, of which Shadbolt (24), Waite (39) and Bolt (27 not out) made the bulk.

It was a good performance on their part to recover as they did, for their opening pair went without a run on the board. Shadbolt and Waite put on 41 for the fourth wicket and Waite and Bolt 25 for the seventh. Leslie bowled well to take six wickets for 30 runs.

Southbourne seem to be suffering from lack of batting practice, and only Mills and Leslie showed any con-

idence, although Hayes helped Mills to add 36 for the second wicket. These three batsmen contributed 70 out of a total of 92. Waite bowled well to take five for 28 in 16.5 overs, and in one very effective spell he took four wickets in 2.2 overs without a run being scored off him.

**Remarkable Bowling
by Barrow.**

Some inspired bowling by Barrow was responsible for Corpus Christi's dismissal for 17. Opening the attack, he took four wickets in his second over before a run had been scored off him. Only one was on the board, and that a leg bye.

These wickets were taken with the first, second, fourth and fifth deliveries, and he had another great chance of a hat-trick in his sixth over. He got a wicket with his first ball and two more with the fifth and sixth. Clark, who opened the innings, carried his bat for 11, and he and Lane were the only ones to score. Barrow's full figures were:

O.	M.	R.	W.
6.5	4	4	8

Mudford knocked off the runs without loss and finished with 144 for seven wickets, Dare (40) and E Noyce (34) being the chief run-getters. The best partnership was that between Dare and P. Harrison, who put on 41 for the fourth wicket.

Boscombe Liberals also had a big win over Bournemouth Y.M.C.A., who failed in batting and were put out for 23. It was a parallel game to that between Mudford and Corpus Christi, for the Y.M.C.A. lost their first four wickets without a run on the board. Marchant getting three in his first over with the first, fifth and sixth deliveries. He and Dean each took five wickets for eight runs.

Green and Douch put on 55 for the Liberals' first wicket and everybody got runs afterwards, stumps being drawn with the score at 145 for eight wickets. Douch had four fours in 28, Green a five and two fours in 25 and Stone one six and four fours in 31.

**Dean Beats Electric
on His Own.**

Moordown, struggling all the season, must take pride of place in the western section for their very fine win over Bournemouth Electric, who thus lost their unbeaten certificate. It was really Gordon Dean's match for he hit a brilliant century—the second played in the league this season—and brought off a fine bowling feat.

Dean, who is a keen airman and holds a pilot's licence, opened the innings and set about the bowling from the start, although he lost two partners while 29 were being scored. Then he was joined by Farmer, who was content to keep his end up, and they put on 87, of which Farmer's share was 18.

Dean, a very aggressive batsman with a good style, galloped along to his century, getting into the nineties with a six and reaching three figures with a boundary. He was eighth out at 145, his last 23 runs coming from seven strokes. He hit two sixes and fifteen fours. The innings closed for 168.

Only Kingman and Gowenlock appeared at home against the bowling of Dean and Macklin when Electric batted, and Dean dismissed the latter with a great slip catch, going full length to hold a ball that was travelling fast. Pollard and Chapman adopted stonewalling tactics at the end of the innings, but Young broke the partnership with his "slow" and the side was out for 83. Dean, bowling unchanged, took half the wickets for 32 runs in 16 overs.

**Low Scoring by
Villagers.**

Corfe Mullen, without Tollerfield, could do little with the bowling of Bowmakers and were well beaten by 68 runs. The villagers were put out for 42, chiefly by Dodds, who took six for 20 in eight overs, and these runs were knocked off for the loss of three wickets. Furnival and Clark put on 22 for the first wicket, and Richards got a bright 32 after the game was won.

West Moors were another side to be put out for a low score, Hamworthy skitting them for 26 in 18.3 overs. They made a bad start, Dennis getting two wickets in the first over with only one scored, and they never recovered from it. Dennis finished with six for 10 in 9.2 overs, and Beaumont claimed the remaining four for 14.

Hamworthy lost three wickets while knocking off the runs, but a fifth wicket stand between Rigler and Pascoe took the score from 36 to 123. Pascoe claimed 60 of the 88 put on, hitting seven fours. Butler afterwards helped Rigler to add 46 in an unfinished stand, the latter being 55 not out when stumps were drawn. He hit six boundaries. West Moore tried ten bowlers, and Green resorted to an over of lobbs without success.

Repeat Win Against Sports Club.

Bournemouth Sports Club were beaten by the Deanery at Fleming Park, Eastleigh, by 75 runs—the margin by which the Southampton club was successful at Kinson a month ago. The home side, on a lifeless wicket, gave an uneven display of batting, but mustered 124 before declaring after two and a quarter hour's batting.

The Sports Club found run getting even harder and when the first wicket fell after 42 minutes only 17 runs had been obtained. Treherne, who bowled throughout the innings, Summers and Hollingsworth got on top of the batsmen and nobody was able to get set, the side being put out for the meagre total of 59.

Ealing were beaten in the return match at Kinson by 47 runs, the last ball of the match capturing Ealing's last wicket. Batting first, the Sports Club found runs difficult to get owing to the accuracy of the bowling and the sodden state of the outfield. Weaver was outstanding with the bat and got 64, the innings being declared at 174 for four wickets.

Left with two hours batting, Ealing lost a wicket to the first ball of the innings and Felton, the Middlesex amateur, went at 21. While Walker was there runs came quickly, but when he was dismissed for 50 Ormiston got on top and he took the last Ealing wicket with the last ball of the match. A feature of the game was the brilliant wicket keeping of A. Fookes.

Poole Park Succeed With Last Ball.

The last ball of the match also brought Poole Park victory at Bovington against the Garrison by three runs, Speer bowling Foster when the soldiers needed four for victory. Poole Park made 133, Forrest (29) and Way (25) being the top scorers.

The Garrison lost two for two and half the side was out for 80. With 131 on the board and only seven wickets down it looked an easy thing for them, but Lieut. Scrafton was then run out after playing a fine innings of 75 (11 fours), and it proved the turning point, the last three wickets adding only four runs.

A splendid century by Packard, of Herrison, was the feature of their game with Poole Park. He had four sixes and 12 fours in 107 and the innings was declared at 190 for four wickets. Poole Park managed to stave off defeat, having scored 123 for nine wickets when stumps were drawn. The two "old hands," Cosh and Medhurst, were then together.

Poole Park won the Poole Knock-Out Shield, beating Bournemouth Gas Works in the final by 38 runs. Honey and O'Brien laid the foundations for Poole Park's score of 113 for six wickets, putting on 93 for the first wicket. O'Brien was run out for a good innings of 35 and Honey carried his bat for 66, a splendid innings. The Gas Works lost half their wickets for 12 runs, but Griffin and Porter hit hard and improved the situation, the score being 75 for eight wickets when the limit was reached.

Heavy Reverses for Sports Club XI's.

Bournemouth Gas Works proved too strong for Bournemouth Sports Club 2nd XI, and won by 86 runs. The Gas Works batted 117 minutes before declaring at 118 for nine wickets and the Sports Club were put out for 32 in 57 minutes by Manuel and White. The

former was particularly deadly and he took six wickets for three runs in four overs, finishing with seven for 18. The Sports Club had six men out for seven runs. Green, the former Gas Works player, stayed 53 minutes and carried his bat for 23.

Kinson also gained a big victory over the Sports Club 3rd XI by 163 runs. Slade and Everett put on 52 for Kinson's second wicket, the former retiring at 60 and the latter at 50. The later batsmen made merry at the expense of a tired attack, and the total reached 209 in two hours and a quarter. The Sports Club were always in difficulties against the

bowling of Joliffe and Everett and were put out for 47.

Shroton were put out twice and beaten by an innings and 14 runs by the Old Parkstonians, who batted first and scored 116. Reynolds made an excellent 51. Shroton were dismissed for 43 in their first innings, Foden taking five for 14 and Gillett five for 18. Batting a second time, they compiled 59, S. Ewins taking six wickets for 25 runs.

Unenviable Distinction for Swanage.

Swanage, opposing Wareham in the Wareham League, set up a record—not to be envied—by being dismissed for 15 runs, one fewer than Stoborough's effort a few weeks ago. Batting first, Wareham did not make a very impressive show, and only H. Welsh (10) reached double figures in a total of 54. Bowling honours were shared by B. White and M. J. Pitfield, the former having figures of 13o. 4m. 16r. 5wks., while Pitfield took four for 30.

Swanage opened disastrously, "Eddy" Baunton taking the wickets of Hunt and Hixson (K.) with the second and third balls of the first over, without a run being scored. Five wickets went down for three runs and nine for 11, the innings closing for 15. Six batsmen were dismissed without scoring. "Eddy" Baunton returned the following remarkable figures:—
7.3o. 3m. 7r. 7wks.

Wareham, apparently, did not think they could dismiss them so cheaply again, for going in a second time they batted until the drawing of stumps, when, with eight wickets down they were 191 runs ahead, H. Welsh and C. Baunton being the top scorers in the second innings with 38 runs apiece.

By low individual, but consistent scoring, Kingston scored 72 runs at Sandford. By contrast, eight of the home side compiled only 12 runs between them, but the remaining three, T. Biles (26), E. Talbot, jr. (23), and L. Parsley (18), obtained sufficient to give Sandford the points. A. Portt took seven wickets for 33, and C. Dorey, three for 22, to dismiss Sandford, for whom G. Nichol (five for 23) did best.

Leaders Gain

Easy Win.

Carters, visiting Eloxworth, gained a comfortable victory to remain at the head of affairs. Batting first the leaders lost three wickets for 13 runs, but then E. Bristowe was joined by T. Charleston and the pair put on 83 runs. Following their dismissal A. W. Shiner and W. Hatchard carried on the good work, and when 150 runs were on the board for the loss of six wickets the closure was applied. Charleston's contribution was 48, Bristowe made 46, and Shiner 25 not out.

Eloxworth made a poor beginning, losing two wickets without a run scored, and it was not until Sawyer

and Cuff came together that any resistance was offered to the bowling. They added 41 runs in a valuable partnership. No other batsman was happy against the bowling of Tremain and the innings closed for 77, of which Cuff claimed 32 and Sawyer 30. Tremain bowled extremely well, his figures being:—

O.	M.	R.	W.
15	5	20	8

Continuing their winning way Morden had little difficulty in taking the points against Lytchett and Upton. They reached a total of 108, (W. Oocomore 23, J. Farquharson 22, O. Green 22, and B. Crocker 13), and dismissed the home side for 53 (W. Kerslake 15). Bowling for Morden, Farquharson took three wickets for 10, Crumpler three for 13 and Short three for 14. J. Singleton did best for Lytchett, taking three for nine, Kerslake had three for 26 and S. Sims three for 41.

ATTRACTIVE BATTING

PERRY STREET WIN AGAINST CHARD CONSERVATIVES.
Twenty overs each were agreed upon when Chard Conservative Club visited Perry Street on Monday. Perry Street won an attractive game.
Curtin (28) and Faira, who hit a six and four 4's in his 48, put on 79 for the visitors' first wicket. Faira, who required a runner, was "run out" just after, but in an endeavour to get runs quickly four more wickets fell for another 17 runs. A feature of the innings was the fielding of Hawker for the home side.

Perry Street lost two wickets fairly cheaply, but thanks to productive third and fourth wicket stands (Mellor, Morris and Hoare), the visitors' total was passed with four overs to spare. Mellor hit seven 4's in his 58. Scores:—

ASTONISHING COLLAPSE

YEOVIL RESERVES ROUTED BY COMPTON HOUSE

Compton House gained a comfortable victory over Yeovil Reserves at Yeovil Town Ground by 105 runs.

The visitors won the toss and took first knock on a drying wicket. They had an early disaster, Clapp being bowled by Pullen at eight. Sharland came in, and soon got going, but lost Dibben at 29. On F. Cole joining Sharland some good hitting was seen. The score had been carried to 92 when Cole left for a well hit 28, including a nice six. Sharland was bowled by Spinner at 95 for a splendid knock of 43, which included four 4's and one six. Three wickets fell for an addition of two runs, but Priddle and J. Woods took the score to 131 for nine, when the innings was declared closed. Bowling for Yeovil, Pullan (6-36) and D. Spinner (3-29) were the most successful of the six bowlers tried.

Yeovil collapsed in startling fashion, having four wickets down for one run, and being dismissed for 26. W. Jewell (7) was top scorer. F. Cole (7-10) and J. Woods (3-11) bowled unchanged.

DECISIVE WIN BY YEOVIL.

ROWLAND'S GOOD BOWLING AGAINST UNITED SERVICES

BRIGHT KNOCK BY MITCHELL
A very pleasant game between Yeovil and United Services at Portland, ended in a decisive win for the visitors. Yeovil were without some of their regular players, but the form shown by those who stepped into the breach augers well for the future of Yeovil cricket.

The Services batted first, and against the bowling of Riddle and Eastment, runs came easily, if slowly. Fifty were on the board without loss, and the home side looked set for a big score.

As soon as Rowland put himself on to bowl at one end, and replaced Riddle by Dimon the whole aspect of the game was altered and in quick time these two bowlers routed the batsmen. Backed up by good fielding, they succeeded in disposing of the home side for an additional 40 runs. Rowland's figures were six wicket for 22 runs in 84 overs.

Yeovil's fielding was again good, and Mitchell, behind the wickets, did his work efficiently. "Charlie" Eastment made two very good catches, and White one.

A SHOCK.

With such a small total to face, Yeovil's task seemed easy, but they received a shock when Seward was out for one run, caught on one of the worst balls imaginable. Riddle and Mitchell then took the score to 48 before the former was well bowled. Loney failed to score, but before the next wicket fell Yeovil had won.

Mitchell's 66 was a remarkably fine effort against steady bowling, and he should make, with Seward, the "opening pair" that Yeovil's captain has been looking for.

It was pleasing to see Meech back in a Yeovil side once again, and it is hoped he will be a regular playing member of the Club.

Mason, with two wickets for 24, was the Service's most successful bowler. Harper also bowled steadily, and at one time had the Yeovil batsmen in trouble, but it was not his lucky day.

Scores:—
United Services.—Farquhar, c Mitchell, b Rowland, 36; Eastment, c Eastment, b Riddle, 18; Symonds, c White, b Dimon, 9; Mason, b Rowland, 3; Harper, run out, 0; Hall, c Eastment, b Dimon, 1; Mansell, c Mitchell, b Rowland, 10; Mould, c Loney, b Rowland, 6; Wraith, b Rowland, 11; Mobsley, not out, 8; Patch, b Rowland, 0; extras, 2; total, 94.

COUNTY OFFICIALS v. CHARMINSTER

Batting first against Charminster, County Officials though given a fair start by Wightman and Shacklock, saw wickets fall cheaply. Grinter steadied them with 11, but they were all out for 55. Charminster kept on Denham and Wakely throughout, and they had five wickets each.

Charminster started badly, and after the fall of their seventh wicket for 24, no more runs were added. Staple and Swaffield were in deadly form, and Swaffield finished with 6 for 9, Staple getting the remainder for 8.

POST OFFICE v. CHARMINSTER

In a re-arranged game against Charminster, played on Monday, Post Office lost further ground. Charminster batted first, and given a terrific start by Pate, who stayed the innings for 56, they had 103 for 7 at the end of 20 overs. A second wicket stand which put on 42 runs, disheartened the Post Office, and Pugh, with 4 for 52, was the only bowler to make any impression.

Post Office started badly, and had five wickets down for 21, but Woolford made a grand effort to pull them round, hitting

a quick 25. R. Blandamer's 18 not out helped along the score, but they were all out for 70. T. Legg was in great form, taking 5 wickets for 11.

BREWERY v. POST OFFICE

Brewery continued their winning way by an easy victory over Dorchester Post Office on Wednesday. Apart from Bugler, none of the Post Office side could cope with the bowling of Burt and Westcott, and they were all out for 34. They made a bad start, lost Woolford for 2, and even when Bugler came in he could find no one to stay with him. Westcott finished with 5 for 11, and Burt had 4 for 20.

Brewery opened shakily, but after Westcott had pulled them round they won easily, thanks to a late stand between Sheppard and Caddy, who had 25 apiece. Of their 82, 68 was made by three men.

Dorchester Evening League Beaten

WAREHAM'S WIN IN LAST OVER

Dorchester and District Evening Cricket League visited Wareham on Monday evening to oppose the Wareham and District

League in a game of 20 overs a-side. A keenly fought and interesting game followed, the home side eventually winning in the last over of the game, and thus avenged the defeat they sustained at Dorchester last season.

Dorchester batted first and lost H. Stevens off the fourth ball sent down. Three wickets were down for 20, but then a stand between Guy and Stickland realised 43, before the former was caught by Croft off Dorey for a fine knock of 48, which included two sixes and three fours. One run later Stickland left with 16 to his credit. No one offered much resistance afterwards, and at the call of time eight wickets had fallen for 94 runs.

Wareham lost four wickets for 32 runs, but Pitfield and Short carried the score to 55, when the former was bowled for 16 by Westcott. The association of Short and Charleston saw the score taken to 97 when Short was run out for a valuable 36.

Portland, Longbredy, and Working Men Set Up Fresh Records

Day Out for the Legg Brothers

MORE RECORDS HAVE BEEN BROKEN IN THIS LEAGUE OF SHOCKS. WEYMOUTH WORKING MEN'S CLUB, THOUGH FAILING TO BEAT GODMANSTONE'S LOW-SCORING RECORD OF THREE, WERE SKITTLED OUT IN SEVEN OVERS—THE LOWEST YET—BY LONGBREDEY. THEY SCORED 6.

THEN PORTLAND RED TRIANGLE, IN SO DECISIVELY BEATING H.M.S. OSPREY, MADE THE LEAGUE'S HIGHEST SCORE SO FAR, AND THEIR OWN SINCE 1929. THEIR 206 OCCUPIED THE FULL 40 OVERS—ANOTHER "FIRST TIME" EVENT.

Longbredy and H.M.S. Osprey played the first tie in the league's history, scoring 98 each, and the Legg brothers, playing for Stratton, not only took all Godmanstone's wickets, but shared the five catches.

Kington Park lost further ground in the Dorchester section, and Rampisham take second place. Portland, with a lead of seven points, seem to be running away with the Weymouth section.

Longbredy v. Working Men

Weymouth Working Men batted the shortest innings in the records of the League on Saturday, when they were skittled out by Longbredy in seven overs. Their total of six was made by three men; the others had "ducks." Longbredy made a bad start, losing three quick wickets, but thanks to A. Clarke (20), R. Foote (17), and R. Roper (14), they reached 75. For Longbredy Clark had five for three, and Foote three for three.

Working Men tried eight bowlers, of whom Abbott (three for 20), Bailey (2 for 12), and Coles (2 for 16).

Red Triangle v. H.M.S. Osprey

Osprey did not have out their strongest side. Portland Red Triangle made their highest score since 1929, and the highest ever made since the League was formed. They were also the first team to bat out the full 40 overs.

J. G. S. Stone made a welcome return to form with a grand 76, and left-hander Andrews hit out strongly to finish with 27. Osprey began fairly well, and Beardshaw made a useful 27. Ellison and Wiles,

however, came on late, and they made the wickets fall. Osprey finished with 67, Ellison taking five for 14, Wiles 2 for 17, and Read 2 for 10.

Gas Company v. Rampisham

Rampisham pushed Gas Company from second place in the Dorchester Section by a narrow away victory. Bellinger and Woolford were the mainstays of the Dorchester side, taking the brunt of the batting and bowling. Bellinger's steady 38 was followed by a "bag" of 8 for 27, while Woolford, after making 13, had 2 for 16.

For Rampisham Stroud made a valuable 31, the only double-figure score, and followed it up by taking 4 for 9. Rampisham finished with 90, topping Gas Company's score by 14. For the Mid-Dorset side Ellison had most success with the ball, taking 4 for 35.

Stratton v. Godmanstone

The Legg brothers were well to the fore again, sharing all the Godmanstone wickets. T. Legg had five for eight and F. Legg 5 for 26. In addition T. Legg caught two men off his brother's bowling. F. Legg returned the compliment, and his brother also had one man caught and bowled.

Stratton batted first, and thanks to an early stand between Kelly and F. Legg, finished with 100. For Godmanstone Woodsford took 6 for 31. Godmanstone could not stand up to the bowling of the Legg brothers, and though Morgan started well with 13, they were all out for 40.

Longbredy v. Osprey

The first tie in the history of the League. Longbredy, batting first, put up 96, thanks chiefly to the batting of A. Clarke, who had 34. He was well supported by Foot. Fudge was in good form with the ball for Osprey, and finished with 6 for 26. Burgess had three for six.

H.M.S. Osprey were given a grand start by Burgess, and seemed set for a win, but despite grand late scores by Marsh and Loughron, they finished with identically the same score as Longbredy. Clarke took six for 42 and Hounsell 3 for 21.

Narrow Win Over Blandford

RUNS CAME SLOWLY

A fortnight ago Blandford beat Dorchester by nine wickets on the North Dorset ground. It was a very different tale on Saturday, when Blandford lost the return match by eight runs and one wicket after a game in which it was unusually hard to get runs. Without achieving any spectacular analyses, all bowlers kept a good length, and batsmen had to work hard for runs.

Blandford batted first and lost their first wicket at 15. Wyatt and Jones took the score to 42 before they were separated, and then Jessop, coming on fresh, took two quick wickets to rattle the Blandford side. Wills and Pope came together, however, to make a stand, but the side were all out for 105. Jessop had taken five for 30.

Stanford and Bugler began well, but the early wickets fell at little costs, and six were down for 66. Templeman came in to make an invaluable 27, but with their last pair in Dorchester still needed three. The score slowly mounted to 113 before the last wicket fell.

Cup Games

KINGSTON PARK V. WINFRITH

In the semi-final of the Dorset Junior Cup (Div. 11) Kingston narrowly lost to Winfrith. They won the toss and elected to bat first. Thanks to a stand between Skipper Harry Childs and F. Alderman, they looked like getting a formidable score, but after these two were parted wickets fell regularly, and they finished with 71.

In reply Winfrith lost three quick wickets, but Kingston repeated their mistake of last year's match by missing Mortimer at eight. He went on to get 27, and with useful scores from Whittle and King Winfrith just topped the home side's score. They now meet wither Broadway or Beaminster in the final.

RECORD SCORE FOR RED TRIANGLE

DEFEAT OF PORTSMOUTH AMATEURS

Fresh from a big victory over East Coker, Portsmouth Amateurs were heavily defeated by Portland Red Triangle yesterday. The Triangle's first wicket fell at 45, the second at 86, and the third at 186, and shortly afterwards they declared at 218 for 5. Their previous best score was 215 some years ago. J. S. Stone, with 77, had his best score of the season and hit 11 4's, Baker having eight in his 55 and Ralph Stone four in his total of 19.

Portsmouth lost three wickets cheaply to Ellison, but Foyle proved an obstacle to further progress before he was the victim to an ill-judged attempt to run. Ellison had most of the Portsmouth wickets but Baker, Andrews, F. Read, and J. Stone had little success with the ball, and it was not, until Ralph Stone was tried that more wickets fell. In 2.4 overs he took 4 wickets for as many runs, and the visitors were out for 117.

PRESENTATION OF CUP AND MEDALS.

The cup and medals were presented by Mrs. H. Hussey, wife of Major H. Hussey (president of the Crewkerne Town Cricket Club).

Mr. Gus Kloer (the donor of the cup) introduced Mrs. Hussey, and said that the only thing he was worried about was that "The Nibs" kept on winning the cup.

(Laughter.) He thought next season they would have to consider placing a handicap on them. They were all pleased to have Major and Mrs. Hussey present, for they appreciated to the full their interest in the game, and what they did for cricket in Crewkerne.

Mrs. Hussey then handed the cup to Mr. E. Hyde (captain of "The Nibs"), and medals to the players. She congratulated both teams on the splendid game they had provided.

Major Hussey thanked the promoters of the competition for having asked his wife to present the cup and medals, and said she was greatly honoured to have done so. He was pleased that a Crewkerne team had won the cup, but he would like to congratulate St. John's Gym on the sporting game they had played. The only thing he had to add after the delightful evening's cricket they had all enjoyed was, "Why go and see test matches." (Laughter.)

HOSPITAL CARNIVAL GAME.

Mr. Hyde congratulated St. John's Gym on the very excellent game they put up, "up to a point." He thanked all the teams that had entered the competition, and also the spectators who had turned up at the matches. He added that a game was being arranged in connection with the Crewkerne Hospital Carnival in about three weeks' time, and he hoped they would all come along and support it.

Mr. Hyde called for three cheers for the losing team, which were heartily given.

The Captain of the St. John's Gym team congratulated "The Nibs" on their victory, and expressed thanks to Mrs. Hussey for presenting the cup and medals, and to Major Hussey for the interest he had shown in the competition.

Cheers were given by the St. John's Gym players for the victors.

MINOR COUNTIES CRICKET.

DORSET TAKE POINTS AGAINST WILTS.

Dorset took points for first innings lead in their opening Minor Counties championship match against Wilts, which concluded at Sherborne on Thursday last week. The home side made 307, adding 41 to their Wednesday night score, and they managed to dismiss Wilts for 267.

The Wilts skipper, W. Lovell Hewitt, who has played in the side for 17 years, made a valiant effort to put Wilts on top, and he had made 81 when he skied a ball from A. Badham, and was caught by Toffy at square leg.

Hewitt shared in a 71 runs partnership with A. J. May, who got 52 runs, and A. E. Lloyd had also scored 52 when he played a ball on to his chin and was caught behind the stumps. His chin was badly cut, and he had to receive medical attention.

However, despite this good beginning, Wilts' tail flopped, and Taylor, who was Dorset's steadiest bowler, with three for 51, closed the innings with successive balls.

W. Smith, the Wilts fast bowler, was his side's best attacker, with five for 104.

TABLES TURNED ON YEOVIL

Weymouth, although below strength, on Saturday turned the tables on Yeovil at Lodmoor, and beat them by 6 wickets.

Baskett (20) resulted in a total of 63 at the fall of the second wicket, but the side was all out for 112. Three figures would not have been reached, however, but for a bright display by Bishop, last man in, who received only four balls, which produced 0, 4, 4, 6! W. G. Lock had the excellent bowling analysis of 8.2 o.—1 m.—38 r.—8 w. S. E. Fieldgate took the other two wickets for 19 runs.

MARTOCK KNOCK-OUT COMPETITION

SPARROWS LTD. WIN HARRY HEBDITCH CUP

In the final of the Martock Knock-out Competition on Thursday Sparrows's Ltd., who defeated Hebditch Ltd., became the first holders of the silver challenge cup presented by Mr. Harry Hebditch.

The "Sparrow" team batted first, and after a rather feeble start pulled up, and eventually scored 62 (L. Hayson 24, R. Montague 11). The Hebditch team, in spite of a desperate stand, were only able to make 47 (K. Warry 13).

At the conclusion Mr. Harry Selwood (chairman of the Martock Club) said it was the first time in the history of cricket in Martock that there had been a cup competition, and he thought it a splendid idea to assist the funds of the Martock Cricket Club. As a result of the competition approximately £10 was raised, and they were grateful to their friends who had made this possible. Mrs. Harry Hebditch had always been one of their best friends, and they were grateful to Mr. Harry Hebditch for giving them a cup, which could be competed for every season. Mr. Selwood concluded by thanking all the teams who had competed, and also Mr. W. Broome, South Petherton, and Mr. D. J. Thomas (East Lambrook) for umpiring.

Mrs. C. G. Helyar, in the absence of Mr. and Mrs. Hebditch, presented the cup to Mr. E. H. P. Sparrow, Captain of the "Sparrow" team, who thanked Mrs. Helyar, and Mr. Hebditch for providing the trophy. Mr. S. Keel (captain of the Hebditch team) congratulated the winners, and as a member of the Martock Club, thanked all supporters.

YEOVIL'S POOR DISPLAY

EASY WIN FOR WEAKENED WEYMOUTH SIDE

Weymouth, who were weakened by holiday calls, entertained Yeovil on Saturday, and took full revenge for the defeat Yeovil had inflicted on them the previous week.

Yeovil batted first, and with a fairly strong batting side, should have made a useful score, but bad judgment in running resulted in no fewer than four of the side being run out. The remainder were over cautious.

The only stand of the innings was between R. Southcombe and L. White, who added 31 runs for the fourth wicket. Large had the best analysis of the Weymouth bowlers taking three wickets for 12 runs in 6½ overs.

REFUSED TO TAKE RISKS.

With over two hours in which to knock off the 71 runs necessary to win the Weymouth batsmen refused to take any risks. They lost their first wicket with only five on the board, and then Chislett and Mallows put on 45 runs for the second wicket, in 75 minutes. Chislett batted well, if slowly, and before he was bowled by Collard he had made the game safe for his side.

H. Mallows batted slowly and took an hour and twenty minutes to score eight runs. Savage and Windhurst then knocked off the runs necessary to give the home side victory. Scores:—

Axminster Rovers won the Axminster Knock-Out Competition for the first time when they defeated Axminster Builders in the final on Wednesday evening. The Rovers reached the final last season, but they were then defeated by Axminster Carpet Factory. This year the Builders knocked the Carpet Factory out.

It was a keen game, in which the scoring was not as swift as is usually the case in these games. Nevertheless, the Rovers, who batted first, knocked up 81 in the hour for eight wickets. L. Thresher, J. Mellors, and W. Sweetland each scored more than 20, but the "tail" was weak. Bowling honours went to J. Grinter (4 for 16) W. Wilmington (2 for 29), and C. Moulding (1 for 37).

The Builders failed to give any outstanding batting performance, none of the players reaching double figures. A striking feature of the innings was that there were no less than 28 extras conceded. L. Thresher and W. Sweetland bowled unchanged, and took four wickets for 20 runs and five for 16 respectively.

After the match the cup was presented by Mr. S. O. Gill to P. Thresher, the captain of the Rovers. Mr. Gill paid a tribute to the sporting nature of the game, and said it was only right that the Rovers should win it after being in the final last year. Mr. Harry Mitchell, captain of the Builders, congratulated the Rovers on their success. Scores:—

FIVE WICKETS—SEVEN RUNS

YEOVIL BOWLER'S ACHIEVEMENT

HEAVY DEFEAT FOR WEYMOUTH

M. Rowland carried off the honours by taking five wickets for seven runs when the seaside eleven visited the West Hendford Ground at Yeovil on Saturday week. Weymouth's total of 89 was passed by Yeovil for the loss of four wickets, and the home team went on to make 113 for eight.

Winning the toss, Weymouth batted first, but with only three runs on the board Windhurst was unlucky enough to play a ball on to his wicket. When Lloyd joined Cunning he at once attacked the bowling, and the score rose rapidly. He had made 40, including seven four's, before he was very well caught at the wicket off a ball which lifted quickly, and the second wicket, fell at 59.

At this point Rowland went on for Riddle, and disaster swift and sure befell Weymouth, who lost the next five wickets for the addition of only five runs. Rowland's average at this point was five overs, four maidens, one run, five wickets. Before the close Green hit out at the bowling, and his 14 runs were made up of three four's and a two. The Weymouth innings closed at 89, with Rowland's final average 5-7.

YEOVIL'S EASY TASK.

With an abundance of time in which to make the runs, Yeovil started upon their task sedately, and against very steady bowling by Savage and Green runs came slowly. The first Yeovil wicket fell at 30, when Pickford was caught in two minds and clean bowled by Savage. Riddle and White failed, but Seward went on his way serenely, all the bowling coming alike to him.

The Weymouth total was passed for the loss of only four wickets, and the boundary which gave Seward his fifty also tied the score. Yeovil went on to score 113 for eight. Seward making sixty-six.

Of the Weymouth bowlers, Windhurst was the most successful, taking three wickets for 14 runs. Although not as fast as in his heyday, he still bowls with plenty of life, and it would probably have been better for his side if he had put himself on earlier in Yeovil's innings.

Casuals Win Evening Cup

CLEMENT'S FINE BOWLING

Takes 8 O. G. Wickets For 9

Casuals won the Dorchester Evening League Cup by defeating Old Grammarians in the final on Thursday. To the Casuals' exact century for the loss of only eight wickets, Old Grammarians could reply with but 58, thanks to the magnificent bowling of Clement, who took eight for nine.

Clement's bowling was certainly the best performance in the Evening League this season, and this player received hearty congratulations from Mr. G. H. White, secretary of the Dorset branch of National Playing Fields Association, who handed the cup to Cleverton after being introduced by Mr. K. W. Abbott, chairman of the League.

Cleverton won the toss for the Casuals and Clapp and Harding gave them a good start, being particularly severe on Lock, on the leg side. Twenty was up before the first wicket fell. Good slow bowling by Baunton kept the runs down and Harding gently turned one ball straight into Broom's hands at short leg. Stickland replaced Lock, and Hammond, in trying a big shot to leg, was bowled off his pads. Bennett did not stay long, and when Orledge left five wickets were down for 39.

Gundry took the long handle to Baunton and, ably assisted by Clement, took the score to 72 before the next wicket fell. Good running between the wickets in the last three overs brought the total to 100.

Old Grammarians opened with Baunton and Bugler, the former starting the score with a nice shot to the boundary off Clement, but in this bowler's second over he had his leg stump knocked down. Stickland joined Bugler, and immediately called him for a very risky run, and a smart pick-up by Harding resulted in the wicket being thrown down with Bugler a yard out of his crease.

Clement was bowling exceptionally well and Jeffs had the misfortune to receive a fast yorker for his first ball. Four wickets were down for 16 and then Stickland proceeded to hit out at Savage and runs came a little quicker.

At 35 there was a further collapse and a plucky innings by Templeman enabled the Old Grammarians to pass the 50, but when their last wicket fell they were still 44 runs behind.

TO-NIGHT'S EVENING LEAGUE GAME

Wareham and District League

SWANAGE BEAT WAREHAM

Swanage 2nd XI. visited and beat Wareham in the local league on Saturday by 50 runs. This win followed six successive losses and might easily affect Wareham's chance of the championship.

M. J. Pitfield captained Swanage in W. F. Snook's absence. The side made a poor start. Both Hunt and Wellstead were dismissed with only eight scored and two further wickets fell for another 20. White was then joined by Pitfield and the total was taken to 103 before Pitfield was caught by Galpin for 46 out of 75 (eight fours). White did well to score 43 and the last wickets added another 48, bringing the total to 155 runs.

Wareham made an even worse start as C. Baunton was run out before a single run had been scored and Bailey went at four. Two further wickets fell at 18. Cottee and Galpin added 25 before the latter was stumped for 15 and then Welsh came in and the score was taken to 80 when he was caught on the boundary for 25. Cottee was run out a couple of runs later. Rogers and Coombes carried the total to 95 when Coombes was caught. Draper was bowled after hitting a 4 and a 6 and Rogers was caught off the first ball of Hixson's next over.

Ranston Evening League

BLANDFORD II. WIN EVERY GAME

Blandford II. are champions of the Ranston Evening League this season, having won every game in the series and are eleven points ahead of their nearest challengers, Shaftesbury.

This was largely due to the excellent bowling of T. Sibley, who has taken exactly 50 wickets in the 10 games played.

Some excellent games have been played during the season, the margin in some cases being very small. Shroton ran the winners to their nearest game, the difference being six runs. They met a team composed of the "Rest" at Blandford on Thursday evening and won comfortably by 28 runs.

After the match the chairman of the League (Mr. G. C. Mitchell) handed the winners the cup and medals and congratulated them on their success, and especially mentioned T. Sibley's feat in taking so many wickets for them.

Mr. G. L. Beach briefly replied for the Blandford Club, and Mr. C. Jackson thanked the chairman for making the presentation and remarked how all the games had been enjoyed and played in true sporting spirit.

RAMPISHAM V. DORCHESTER GAS CO.

Rampisham go to the top of the Dorchester section of the League as a result of their win over the Gas Co. Downs 11, Coles 11, and Chivers 10) were mainly responsible for the villagers' good score of 61. The Gas Co. made a bad start from which they never recovered. Their innings closed at 43. Marley, with 19, was their top scorer. For Rampisham Stroud 3 for 11, Downs 4 for 13, and Ellis 2 for 16, and for the Gas Co. Bellinger 6 for 30 and Kerl 4 for 26, returned the best averages.

UPWEY V. H.M.S. OSPREY

There was another low scoring match at Broadway where the home team defeated H.M.S. Osprey by only seven runs. For this victory they have to thank Nash who not only scored 16 but took seven wickets for only 12 runs. Harris took 2 for 13 while for the Osprey Marsh took 5 for 17 and Burgess 5 for 11.

His brother took 2 for 15. Charminster's innings closed at 19. Stratton did not find it easy to make runs but made sufficient to beat their opponents' very low score. Wakely took 5 for 9.

COUNTY OFFICES V. RAMPISHAM

Rampisham sprang a surprise in their match with the County Offices at Dorchester. They owe their victory mainly to C. Stroud, who scored half their runs and Ellis who bowled well to take six wickets for sixteen runs. The villagers' total was 65 runs, Stroud making 33. For the County Offices Crocker took 3 for 13, Batten 3 for 16, Clare 2 for 12, and Riggs 2 for 17. The Officials could only make 41 runs, Hennibury with 13 being top scorer. Bowling for Rampisham—Ellis 6 for 16 and Downs 4 for 16.

CATTISTOCK V. RAMPISHAM

In this local derby at Cattistock the home team turned the tables on their near neighbours and incidentally became the first village team to bat the full 40 overs. The Rev. A. Deane and R. Tompkins batted well on Saturday, the former making a careful 44 runs before being unfortunately run out. The handsome total of 93 runs was reached before the last wicket fell. **COLTS: MATCH AT
DOWNSIDE**

**GLAMORGAN AND SOMERSET IN
DRAWN GAME**

CENTURY BY CLIFT

The match between the Somerset Colts and Glamorgan Colts played on the Downside School ground, ended on Thursday in a draw.

Somerset had gained a lead of over 100 runs with four wickets in hand, at the end of the first day's play.

Glamorgan won the toss and elected to bat first. Off the first ball sent down Clift was caught. Wickets fell steadily and at lunch-time seven batsmen were out for 71, of which Barnett had made 21. Soon after the resumption Barnett was dismissed without adding to his score, and the innings closed at 95, top "scorer" being Mr. Extras, 25.

Somerset Colts were given a good start, and Smith and Hingley took the score past Glamorgan's total before Smith (52, five fours) was bowled at 97 by Clift. With the score at 105, Hingley, who batted well for 47, was caught by Marsh, off Kempson, and at 121 there was another bowling success, while two more wickets fell for the addition of only two runs. The next wicket saw 24 runs added quickly, but this partnership between Goldie and Freeman was terminated when the latter was run out as the result of a smart throw-in.

Goldie was joined by Hack and at the close of the day's play they were undefeated, Goldie being 38 not out and Hack 27 not out. The Somerset total was then 205 for six.

GLAMORGAN'S STAND.

Yesterday (Thursday) Somerset carried their score to 244. Goldie and Hack both being only three short of their half-centuries.

Glamorgan Colts, batting a second time, made a remarkable stand, thanks largely to the efforts of Clift, who scored 135 before he was caught by Smith off Holmes. At 290 for five they declared their innings closed. Batting a second time, Somerset Colts had lost eight wickets for 99 when the match ended. Scores:—

ST. JOHN'S GYM LOSE TO BORSTAL

GOOD BOWLING BY BOTH SIDES

The boys of the Borstal Institution, Portland, entertained St. John's Gym, Yeovil, on Saturday, the home side winning by 29 runs.

Borstal batted first, and scored 110, Beard (36) and G. Smith (17 not out) being the best batsmen. R. Stone (8-26), J. Spinner (1-26) and G. Raymond bowled well for the visitors. R. Stone's eight wickets included the "hat-trick."

The matting trick was a big handicap for the Gym. The balls, at times, rose head high, and except for L. Easton, who carried his bat for 24 not out, R. Warren (12) and D. Cook, little opposition was made to the bowling. Sheedy (1-19), Baker (3-27), Smith (2-6) and Stone (4-5) shared the honours. Stone's last four balls took three wickets for no runs. Scores:—

LAST TWO WICKETS TAKEN IN ONE OVER

ILMINSTER'S NARROW WIN AGAINST BARRINGTON

Four minutes from time, Ilminster, at home, defeated Barrington by 14 runs.

Batting first, Ilminster declared at the tea interval with 178 for six wickets. Good bowling, with frequent changes, made the rate of scoring, at times, very slow. Fairs took an hour and 40 minutes to make his 36. Turvill and Taylor were more aggressive, the former hitting a six and four 4's in his 26, and the latter five 4's in 23 not out. J. C. Davie played a very fine innings of 58, which included a five and eight 4's.

Barrington had just under two hours in which to get the runs, and after losing a wicket with the third ball, played cautiously. After the fifth wicket had fallen at 89, Barrington fought back, and Crosland and H. Summerhayes made victory possible. The latter left at 135, after which Crosland got busy. When he was 89 he was eighth out to a great drive, which Taylor took right on the boundary. In making the catch he fell backwards against the hedge, but held the ball high. Crosland appealed to the umpire, but was given out.

There was an exciting finish. Davie taking the last two wickets in one over.

YEOVIL BEATEN BY 8 WICKETS

DROPPED CATCHES HASTEN DEFEAT AT WESTON-SUPER-MARE

BRIGHT BATTING BY SEASIDERS
Yeovil's first visit to the Weston-super-Mare Club ended disastrously, for they were beaten by eight wickets. The Weston captain won the toss, and as there was a stiff breeze blowing he decided to give his bowlers the use of the new ball, and sent Yeovil in to bat.

Yeovil's start was a poor one, and with only 19 runs on the board both Mitchell and Seward were out. Riddle and Southcombe considerably improved the situation, and the next wicket did not fall till the total was 60, when Southcombe was caught in the slips. Six runs later Riddle was caught and bowled by Hayward.

In scoring 39, Riddle had a go at all the bowling, and met with a fair amount of luck. L. White was the only other batsman who offered any real resistance, and at the close he was still unbeaten with 36 to his credit. His score would have been quite a lot bigger if he had run between the wickets more quickly.

WESTON HIT OUT.

With less than two hours in which to get the runs, Weston decided to hit out, and it was soon evident that Yeovil's bowling strength was not enough to hold them. J. Priddy hit hard and often, but with the score at 25 he offered a simple catch. Balchin misjudged it, and Priddy showed his appreciation by going on to make 46. Birtell was out shortly afterwards, and then Warr and Hunt knocked off the remaining runs.

As it was George Hunt's benefit, it was appropriate that he should knock the winning hit, but his innings was marred by several easy chances. Warr's 60 was a very bright affair, and contained one six and nine fours.

The only bright spot in the Yeovil fielding was the very fine catch on the edge of the boundary by which Colliard dismissed Priddy. G. Mitchell did not allow a single bye, and his "keeping" is improving rapidly.

Yeovil.—W. Seward, lbw, b Priddy, 6; G. Mitchell, b Priddy, 4; J. Riddle, c and b Hayward, 39; R. Southcombe, c Priddy, b Hunt, 14; L. White, not out, 36; S. Balchin, b Hunt, 11; K. Weston-super-Mare.—J. Priddy, c Colliard, b Eastment, 46; W. Birtell, run out, 22; L. Warr, not out, 60; G. Hunt, not out, 31; extras, 1; total for 2 wickets, 160.

Bowling.—Weston, J. Priddy, 5-29; G. Hunt, 2-43; S. Hayward, 2-16. Yeovil—Eastment, 1-18.

SEVEN RUNS VICTORY

OLD CREWKERNIANS JUST BEAT ILMINSTER 2ND XI.

Old Crewkernians gained a narrow victory on Saturday over Iminster 2nd XI on the Crewkerne School ground by seven runs.

Old Crewkernians batted first, and with 15 runs on the board Bargery was caught off G. White. D. John and W. Isaacs then put on 20 runs before John was clean bowled by White, who then bowled J. Holland off his pads, and proceeded to dismiss K. Bartlett and Isaacs when the latter had made a sound 22. White, who was coming off the pitch with some pace, had the excellent analysis at this stage of five for 16 in ten overs. His figures were somewhat spoiled, however, by some lusty hitting on the part of R. Rendell (17) and J. Gibbs (18), who took the score to 77 before Rendell was run out through a smart return by W. Miller. The innings closed with the score at 90, White taking the bowling honours with 5-30.

Iminster made a poor start, Palmer and Miller being out with the score at 14. Wickets fell at regular intervals until the score was 39 for six, when a change came over the game, W. Clarke and D. Coombes adding 29 runs for the seventh wicket. Coombes made 25 in a few minutes, including a six and three fours. Clarke defended stubbornly, but the latter batsmen proved incapable of hitting off the runs required, the last wicket falling at 83 in an exciting finish. The bowling was shared by R. Rendell 4-23 and B. Bargery 4-22.

Next Saturday on the School ground the Old Crewkernians have an attractive fixture, when Somerset Stragglers provide the opposition.

CHARMOUTH'S PLUCKY FIGHT

ST. AUSTELL WANDERERS WIN BY 8 RUNS

Charmouth entertained St. Austell Wanderers in an all-day match on Wednesday, which the visitors won, after a very exciting finish, by eight runs.

St. Austell's won the toss and elected to bat, and at the start it looked as if they were going to pile up a big score, but when the total had reached 26 Bugler got Sweet's wicket (lbw). Then St. Austell's slowly went on till lunch, when the score stood at 71 for 7 wickets. After the luncheon interval the visitors could only add 14 runs to their morning's score to complete their innings—85.

Charmouth went in full of confidence but hopes were soon damped when they lost both Clayton and Turner, their opening batsmen, for seven runs. After that wickets began to tumble, and Charmouth were all out for 33 runs at 4.30 p.m.

After tea St. Austell's, batting a second time declared at 51 runs for 3 wickets, thus leaving Charmouth with 104 runs to win. This, from the home team's point of view, was practically impossible. Charmouth fought gamely and needed only eight runs for victory when Bugler, their eleventh man, was caught on the boundary by Braddick. Scores:—
