

DURHAM NEED 114 TO SAVE FOLLOW-ON

Four Wickets To Fall

Durham had all the worst of a cold day's cricket at Norton yesterday.

Staffordshire, batting first, compiled 294 and when Durham went in they lost six wickets for only 81 runs and now require 114 to save the follow-on with four wickets standing.

Smith and Hollowood gave Staffordshire a good start by putting on 51 for the first wicket. Three men were out for 67, but with Smith and Clarke together, the score was taken to 176 in 90 minutes. Of these runs, Smith has contributed 116, including nine 4's.

Batting altogether three hours, he gave only one chance. At 96 he should have been run out. Bailey, who otherwise helded well, made a wide return to Austin who threw at the wicket and missed it with Smith yards out of his crease.

When he had made 63 Smith was confidently appealed for by Austin for a catch behind the wicket, but the umpire decided in the batsman's favour.

Austin kept wicket splendidly and only gave away one bye.

Clarke was the victim of the new ball at exactly 200, being finely caught by Townsend, the Durham captain, low down at mid-off from a hard drive.

He batted 100 minutes for his 51, whereas Crump made 44 in 50 minutes, hitting five 4's and a six.

Eight men were out for 251 and then Shardlow and Broderick quickly added 49. Shardlow had two 4's and a six off Grigor in one over and hit other two 4's. The innings lasted 235 minutes.

Throughout the innings the Durham bowlers had never impressed, although it must be said that the wicket did not give them any assistance.

Durham went in at 5.12, and Townsend was batting confidently (he had hit three fine 4's) when he put a short one into square-leg's hands. Beresford, who had scored ten singles, was deceived by a straight-pitched ball from Ikin.

Bailey batted well in his first county appearance and stayed 64 minutes. Manners failed and Latchford played on in the last over.

Crump has so far bowled 11 overs for eight runs and one wicket.

DURHAM DEFEATED BY SEVEN WICKETS

Carr's Big Hit

Durham lost to Staffordshire at Norton yesterday by seven wickets.

They commenced play with six wickets down for 81 in their first innings in reply to Staffordshire's total of 294.

Carr hit a glorious six through a window in the waiting-room of the railway station which adjoins the ground, but was soon out to a fine one-handed catch on the longfield boundary by Shardlow.

Grigor showed excellent defence and Austin and Herbert made a gallant stand of 30 for the last wicket, carrying the total to 133, scored in 160 minutes.

Durham followed on 161 runs behind and went in again at 12 o'clock. Townsend and Beresford again gave them a good start, putting on 63 for the first wicket, of which the captain scored 41 in 46 minutes.

The two Philadelphia players, Beresford and Barron, were together when the lunch interval arrived with the score at 82.

Barron scored 21 in two successive overs off Stubbs—four 4's, 3, and a 2—chiefly by pulls or drives. He was beaten after the partnership had added 54.

Beresford was fourth out at 131 after playing a very fine innings of 41 for which he was batting 110 minutes.

Grigor and Carr put on 30 for the seventh wicket, Carr's 20 occupying him only 17 minutes. Grigor's 30 not out, a fine effort, lasted 72 minutes. He showed a grand defence, but was not afraid to hit out.

The innings closed for 215, made in 31 hours, and left Staffordshire to get 55 runs.

STAFFORDSHIRE won by seven wickets.

CENTURY OFF DURHAM BOWLING

325 for Six at Westoe

Unless there are "fireworks" this morning when Durham resume their innings against Yorkshire II. at Wood Terrace, South Shields, the match will probably be drawn.

The position when stumps were drawn last night was that in response to the Yorkshire total of 325 for six wickets declared, Durham, in 90 minutes' batting, had scored 73 runs for the loss of one wicket—Townsend's.

Townsend, who is 13, was missed by Wilson at first slip, but without addition to his score he was bowled by Cawthray.

The wicket admittedly favoured the batsmen, but full allowance being made for this, the Durham bowling looked very moderate indeed.

Yorkshire occupied 4hr. 45min. over their score and declared at 5.20 p.m. They took 1hr. 5min. for their first 50 and 2hr. 5min. for the first hundred. The lunch score was 84 for 2, and the tea score 246 for 4.

G. A. Wilson, who was at the wicket three hours, hit seven 4's and a six, and when he left, caught behind the wicket, he had scored 109 of the 164 runs on the board.

BERESFORD 136

Durham Top Yorkshire II.'s Big Total

Durham did well to take first innings points in their drawn match against Yorkshire II. at Wood Terrace, South Shields, yesterday.

Set to get 326 to beat the Yorkshire first innings total for six wickets declared, they increased their Wednesday night's total of 72 for one to 374, the innings ending at 3.30.

Yorkshire began their second innings at 3.52—badly—Glen bowling Wilson, their first innings century maker, for eight.

At 4.10 rain stopped play. The teams were out again at 4.45, but after Watson and Weatherill had raised the score to 28 for one, rain ended the match at 5.5.

Durham's hero was J. H. Beresford (Philadelphia), who, making his first century in county cricket, batted four hours 40 minutes for 136 runs.

Beresford was Durham's sheet anchor.

He went in at 6.5 p.m. on Wednesday, and, 12 not out when play was resumed yesterday, stopped the rot in company with Manners when five wickets had fallen for 175 and Durham were in danger of following on.

Their sixth wicket partnership yielded 91 runs, but this was not the biggest stand of the match, Parnaby and Beresford putting on 95 for the second wicket, which fell with 125 runs on the board.

Following Parnaby's departure Durham had a bad 20 minutes—Collin, Bailey, and Barron going, while Beresford had a real "let off" at 58 when, the score at 192, Crick missed him by fumbling the ball behind the stumps.

The luncheon score was 214 for five, and on resuming Beresford got his century with the score at 265. Manners left a run later, and Carr, who succeeded him, turned Hamer to leg for a single to send the 300 up at 3 o'clock.

At 3.15 Beresford drove Hamer for four to pass the Yorkshire total, and Durham had then batted 5hr. 5min. Beresford left at 3.25, stumped in playing forward to Tomlinson. His 136 included eight 4's.

Big hitting by Carr delighted the crowd. His 52, made in 37 minutes, included two 6's and six 4's.

Tomlinson, the Yorkshire left-hander, had seven wickets for 116 runs.

YORKSHIRE II.—1st Innings (G. A. Wilson 109, Beaumont 58, Cawthray 88 not out), 325 for six, declared.

MATCH DRAWN.

DURHAM 23 RUNS BEHIND Last Pair In

Durham left off an interesting day's cricket 23 runs behind with one wicket standing in their match against Lancashire II, at Blackfynes yesterday.

This was a much better position than at one time seemed likely, for with only 31 runs scored Parnaby, Beresford, Collin and Townsend were back in the pavilion.

Adamson and Barron put a better complexion on the game by adding 46. Both were out lbw and with Ferguson falling seven men were out for 103.

Carr then hit 25 in 13 minutes including four 4's. A capital stand by Manners and Olsen followed, 51 being put on in 36 minutes.

Barron's innings ended when he had been in 45 minutes—a most valuable effort. Adamson also batted well for 90 minutes and Manners has so far been in 100 minutes.

Durham's score of 185 for nine was distinctly good in the circumstances, but this, however, happened after Lancashire II, who were put in, had scored 208 in 190 minutes.

Townsend bowled Place with his third ball, and four were out for 81, but two good stands by Husband and Parkin and Parkin and Garlick carried the score to 174, and the last two wickets added 33.

PARKIN'S BRIGHT 50

Parkin's was the brightest innings. His 50, scored in 63 minutes, included seven 4's. Just before he was well caught by Adamson he was missed by Manners, fielding short slip, off successive balls from Carr.

The bowling of both sides was steady throughout the day without being brilliant. Bowes took his first two wickets for three runs, had three for seven, after which 37 runs were hit off him.

DURHAM'S GREAT VICTORY In Last Over of Extra Time

BLACKHILL THRILLS

Durham gained a great victory over the hitherto unbeaten Lancashire II, at Blackhill yesterday, by two wickets in the last over of the extra time.

When two runs were wanted to win Manners had out the last ball of the previous over for two, but the umpire called one run short, so when the last over was called one run was still required for victory.

Ferguson missed the first two deliveries, but pushed the third to the off and Manners responding, they ran a sharp single to give Durham their first win of the season.

The start was delayed until 12.30 owing to the wicket being saturated with overnight rain. Manners was out in the second over after scoring a single, to make Durham's total 186, obtained in 190 minutes.

With a lead of 22 Lancashire went in and lost Davis and Whitworth for 25, but Place and Wilson quickly sent the score up to 94, when Place was bowled by Collin. He had been in 90 minutes for his 51.

After this there was a slump in which Glen was the chief factor, obtaining three wickets in ten balls for only one run.

Seven men out for 98 was a distinct change in the situation. The last pair, Roberts and Birtwell, put on 30 to make the total 148, scored in 2½ hours.

112 IN 65 MINUTES

Durham went in at 4.10 to get the 171 required to win. At the tea interval the score was 59 for three, thus 112 were still needed in 65 minutes, including the extra half hour.

Townsend played a fine innings for 34, made in 65 minutes. Adamson (also playing splendid cricket) found a capital partner in Barron, who scored 25 out of 32 (five 4's and a three) in 18 minutes. Adamson and Collin added 32 for the next wicket to make the total 133 for five.

Adamson, seventh out at 153, played a fine innings, getting his 66 runs in 105 minutes.

Thirteen were still needed when Ferguson joined Manners, and the pair rose to the occasion.

Mention must be made of the fine bowling of Glen and Collin.

CARR'S MERRY INNINGS

Grigor "Spell" Before Follow-On Was Averted

Durham looked like finishing up having much the better of the day's play in their match against Yorkshire II at Redcar yesterday, for after scoring 254 they had six Yorkshire wickets down for 104, but Beaumont and Brummitt remained until the close, and so far have added 53, saving the follow on.

Winning the toss, Durham, after a shaky start on this early tricky wicket-losing Townsend and Beresford, both bowled by Hargreaves for only 24 runs—battered until almost 4 o'clock to complete 254.

Parnaby and Adamson put on 55 in 61 minutes, and Barron assisted Parnaby in an even better stand, realizing 67 in 37 minutes. Parnaby was fifth out at 171 after batting faultlessly for 21 hours to make 67.

Collin got 80 in 34 minutes, while Carr, to the evident enjoyment of a large crowd, was in one of his merry moods.

He opened with a three and his next two scoring shots were 6's.

When he was out he had scored 47 in 37 minutes. Besides his two 6's he had six 4's and was splendidly caught off a terrific hit on the long-on boundary.

Hargreaves bowled almost throughout and took six wickets for 110 runs.

Yorkshire were shaping quite well until Grigor, who had done so well against Northumberland, went on with the score at 51 for one.

In his first five overs he had three wickets, for only eight runs and four wickets were then down for 70.

Herbert and Carr each took a wicket and the score was 104 for six when the stand came. Grigor's three wickets have so far cost him 36 runs.

DURHAM WIN BY 86 RUNS

Carr's Fine Spell SPINNERS' WICKET AT REDCAR

Durham secured their third successive victory of the season when they beat Yorkshire II, by 86 runs at Redcar yesterday—a victory which raises their percentage in the minor counties competition to 58.33.

Yorkshire II., who overnight had scored 157 for six, in reply to Durham's total of 254, were out in 35 minutes for an additional 18 runs, making their total 175 in three hours.

Herbert and Grigor each took a wicket in their first overs, and Grigor finished up with five for 42, hitting the sticks three times.

Durham commenced their second innings with a lead of 79, and this, considering the state of the wicket, was deemed most useful.

The pitch, which had never been favourable to batsmen, was very responsive to spin; but when Durham lost their captain, at five, it was through a bad misunderstanding between Townsend and Parnaby, which cost the former his wicket.

The best partnership in the innings proved to be the 30 put on for the fourth wicket by Adamson and Barron, the latter scoring 29 in half an hour.

The total was then 61 for four, and after Collin and Carr were caught on the boundary, Grigor and Close were out off balls which popped up (74 for 8).

Adamson, who prior to lunch had scored only 16 in an hour, hit out, and ninth to leave at 103 made 40 in 80 minutes, hitting a great six to long on and four 4's.

Durham's total reached 103, made in 125 minutes, and Hargreaves, the fast bowler, finishing with 5 for 53, had 11 for 163 in

Austin's wicket-keeping, more so under the conditions, was remarkably good.

DURHAM won by 86 runs

JACK CARR

the match. G. A. Wilson, the amateur, made the most of the wicket with his left arm spinners, bowling 17 overs for 21 runs and taking three wickets. He had seven successive maiden overs.

Yorkshire II. went in at 2.47 requiring 183 to win. Wilson and Cawthray gave them a capital start by scoring 61 in 35 minutes for the first wicket.

But afterwards Carr and Grigor bowled so grandly that the side were out for 35 more runs, the innings concluding for 96 in 90 minutes.

The losers' last four wickets fell for five runs.

Carr—five for 14 in 8.5 overs actually, and first three for a single run—took five for 26 with his off-spinners on a pitch of the glue pot variety, and Grigor brought his match "bag" up to nine for 87 by taking four for 45 second innings.

Grigor has secured 19 wickets for 152, average eight, this week in county matches.

TWO AUSTRALIAN CENTURIES AT ASHBROOKE RECOVERY AFTER POOR START FOG HOLDS UP PLAY

About 6,500 people saw the Australians put on 380 runs from 2.30 to 6.30 yesterday in a game which was in two definite phases, the first when Durham looked like making a very fine show and the second in which the Australians pulled themselves together and knocked up 380 for five wickets after having been as poor as three for 97.

The start was delayed owing to fog, which made it impossible to see across the ground and, even during the game there were wisps of mist constantly coming over.

The brightest spot in the match was magnificent hitting by C. L. Badcock, who in 81 minutes scored 100, which included one six, ten 4's and some extraordinarily long hit singles.

Prior to that S. G. Barnes had reached his century in 118 minutes which included 12 fours, but he piled many more up afterwards in reaching 140 not out. Barnes really stopped the good work of the Durham bowlers, but he was very shaky indeed at the start against Grigor.

Badcock, however, never put a foot wrong, and in his compact, workmanlike style was really delightful to watch, his drives through the covers and dainty placings just short of leg for well run singles being features.

Barnes was also strong on the leg side, having developed this part of his game by assiduous practice while recovering from his injury. He became so enthusiastic towards the end that he actually threw his bat after one ball.

McCabe, who captained the side in the absence of Bradman—an absence which, to put it very mildly, caused much disappointment—decided to open the batting himself with Brown. Herbert bowled the first over promisingly, a good maiden with plenty of fire, and Grigor showed in his first over that McCabe was vulnerable to spinners. Brown got going first with some nice shots to the covers and occasional glides, but McCabe was never quite at home, and soon both players could truthfully be said to be fighting for runs.

McCABE'S FALL

McCabe played several rather peculiar cuts off Grigor, and after getting a four in this way tried another, missed, and hit his wicket with the score at 66.

Hassett came in and looked aggressive at once, but when he saw Brown, only two short of his 50 and the score at 93, play a ball lamely into Carr's hands from Grigor's bowling, he seemed to close up with White as partner.

Neither was comfortable and Hassett was next to go with only three runs added, Grigor getting him caught and bowled with a really peculiar ball which had both the batsman and the wicket-keeper groping for it.

Then came Barnes to join White, and together they put up the 100. Barnes might have been run out when he was in the singles, a wide throw-in destroying the fine chance Austin would have had had he got the ball.

Next ball he nibbled round the sticks from Carr, was beaten by the next and altogether was so uncomfortable that a century was the last thing he appeared likely to get.

At 167 Carr successfully appealed for l.b.w. against White and Waite came in to join Barnes. Waite was painfully slow and poky, especially against Grigor, but Barnes had really got going by now and some of his leg side shots were certain boundaries as they left the bat.

Durham's fielding at this stage was

S. BARNES, whose 140 not out was a feature of the day's play at Ashbrooke yesterday.

patchy, some brilliant and some very poor. The infield was extremely fast, and with Barnes keeping the ball on the bottom the impetus was tremendous as he hit viciously all round the wicket. Gradually the score rose and a real stand was being made. In 54 minutes Barnes reached his 50 and Waite was still plodding along. At 210 Townsend brought back Herbert with the shine still on the new ball, and with the first delivery he got Waite, Adamson making a fine catch at short slip. Waite had contributed an invaluable 34, which looked slow against the strong play of Barnes. Badcock joined him and the rest of the play became something of a slaughter.

BADCOCK AGGRESSIVE

With the coming of Badcock there was a change in the whole atmosphere; it was charged with aggression and even violence.

The little fellow began steadily to overhaul Barnes, and when the latter had got his 100 in 118 minutes Badcock had been with him only half an hour and had passed his own half century.

He picked his shots so coolly, moved his feet without any effort, and drove with such precision that no one grudged him the opportunity of making such a fine century at the home county's expense. Indeed, towards the end the chief interest was in whether he would beat the clock to it. In the very last over he reached three figures with a finely executed on drive for two.

It was interesting cricket all day, but, obviously, after the success of Grigor and Carr, Durham needed bowlers of the same type rather than the fast stuff with which the Australians seem so much more at home.

It was equally obvious that to try some tempting want-to-be-hit bowling from Parnaby is no use against this class of batsmen. They thrived on it.

Grigor had the greatest success, but Carr bowled equally well with less reward. At one period Carr was almost unplayable and most of his runs were

knocked off towards the end by men who had already consolidated themselves and hit everything.

It is presumed that Australia will declare to-day and send Durham straight in. The start is timed for noon. Yesterday's receipts were £190 and the paying attendance was 4,284 adults and 950 boys, which with members will probably work out at well over 6,000.—W. L.

AUSTRALIANS PUT DURHAM OUT TWICE IN DAY

CARR'S BATTING BRIGHT FEATURE

TWO BOWLERS SHARE 20 WICKETS

At Sunderland yesterday the Australians, as anticipated, declared at their overnight score of 380 for five wickets and proceeded to put Durham out twice in about three hours' play and win by an innings and 179 runs.

Those who like to see big hitting would be disappointed, excepting when Jack Carr was in, but to those who can enjoy subtle bowling by first-class men they would find much to admire in the wiles of Fleetwood-Smith and O'Reilly, who took all the wickets between them—ten each in the match.

It only needed a careful watch through the glasses to see that Durham batsmen were playing bowling which has skittled out better sides than they are supposed to be, although it must be said that there were occasions when the batsmen did not realize that a loose ball from an Australian is very much like a loose ball from anyone else.

Too many played back to the ball instead of going out at it and very often after they had played two or three similar balls with confidence. Still, it is good bowling which makes them do it.

Townsend and Parnaby opened the first innings and both played McCormick and Waite very nicely, the fast bowler looking very innocuous indeed. It seemed to confirm this view when McCabe made

Yesterday's bulletin regarding Chipperfield, the Australian, who is in a Dundee nursing home recovering from an operation for appendicitis, states he had "a very good night and is making progress."

precisely the same change in his second innings, taking them off for O'Reilly and Fleetwood-Smith when again the opening bats played them easily enough, in this case Parnaby and Beresford.

There was a big change when O'Reilly came on at 31. Run getting slowed down and batsmen were puzzled. With Fleetwood-Smith at the other end the game altered entirely and soon the expected happened, Parnaby getting in front of one of Fleetwood-Smith's fairly straight ones after dodging a succession of amazing breaks both ways. He had batted steadily for Townsend to make the running, but the latter succumbed to O'Reilly, clean-bowled. His best two shots were fours off Fleetwood-Smith.

At 35 Beresford went, Fleetwood-Smith breaking one right across from the off and taking the stumps in a bunch, a real masterpiece.

Meanwhile, Adamson had been feeling his way with both bowlers and when he got Fleetwood-Smith cleanly for four he looked well set. Barron had joined him and also batted promisingly but he nibbled at O'Reilly and Walker got him behind the sticks. Collin came in and cut Fleetwood-Smith for four straight away and Adamson scored a boundary from him similarly. Next ball, however, Fleetwood-Smith cleaned bowled him when the score was 56 for the five wickets. Carr came in to cheers.

He played the first from Fleetwood-Smith very cautiously but hit the next for four, got the bowling and hit O'Reilly for four, clean missed two, then scored a couple when Hassett dropped him. Collin had collected a couple of

L. O'B. Fleetwood-Smith.

fours from Fleetwood-Smith and things looked much better.

Then, just before lunch, Collin fell to a vicious yorker from Fleetwood-Smith which appeared to swing right in. After lunch Carr immediately raised the score from 75 towards the 90 with three characteristic 4's, Grigor having come in and gone for one in the meantime. Carr's last four was followed by his being clean bowled, but in six shots he had scored 21 out of his 29 and made 100 fairly certain.

Glen drove O'Reilly gloriously for 4 to pass the 100. Glen got another and was caught easily off O'Reilly's tempter and Herbert came in, rattled up four in quick style, was out, and Durham finished with 105 and had to follow on.

Fleetwood-Smith had claimed six and O'Reilly four wickets in this short innings.

Townsend put Beresford in with Parnaby to open, and matters went much as before, McCormick being quite easy and "no balled" four times before being taken off. Waite was never troublesome. Both Durham men looked much more confident against the wreckers of the first innings, but O'Reilly succeeded in an appeal for l.b.w. against Beresford, a decision not at all popular.

The skipper came out and at once pulled Fleetwood-Smith for four, while Parnaby hit two fours off O'Reilly, one a fine shot through a keen field. O'Reilly smiled and took middle stump next ball.

Adamson and Townsend together played cautiously, and when the latter was

caught and bowled O'Reilly there was a real roar of protest from the crowd opposite mid-wicket, and certainly the ball seemed to come off the bottom. Adamson was bowled all ends up by Fleetwood-Smith just after. Barron got a single and Collin a couple while Carr stood waiting to get the bowling.

Then came more fireworks. Carr's first four was so classy a cut that everyone was astonished and the field crept in so Carr produced one of his very own, high over their heads, for another four and with a couple just missing the boundary mark he had ten in one over from O'Reilly.

Austin then departed and Carr now faced Fleetwood-Smith.

He sneaked two, got the bowling back again and hit Fleetwood-Smith for two 6's and a single, 15 in the over, and Fleetwood-Smith applauded and pointed in wonderment to the curious places Carr had hit him for sixes.

Another couple off O'Reilly and then he was caught in the long field by Waite after getting another 29 runs in double quick time. Glen scored a fine boundary and was bowled and the innings ended four short of the 100.

It was all very interesting and Carr's knocks a feature. Many said he showed the bowling could be hit, but Carr is a law unto himself and orthodox batsmen simply cannot hit bowling by O'Reilly and Fleetwood-Smith—they must play it though, perhaps, not quite so respectfully as some did.

The attendance yesterday was 1,667 adults, 508 boys and with club members probably about 3,000. The gross takings were £197.—W. L.

DURHAM CAPTAIN'S CENTURY

Herbert's Best Bowling

Durham finished off in a capital position in their return match against Staffordshire, opening at Walsall yesterday, for after dismissing the home county for 135, themselves had scored 267 for six wickets, to finish up 132 runs ahead, by the close.

David Townsend, the Durham captain, on winning the toss took the risk of putting Staffordshire in to bat on a wicket which appeared likely to assist the bowlers.

His action was early justified when four of the Staffordshire players were back in the pavilion for only 23 runs. Clarke, the captain, and R. Smith added 32, when Smith was out to a fine catch in the gully by Carr after batting eighty minutes for his 27.

When Herbert, who had secured a wicket in his first over, was switched, he knocked the leg stump yards out of the ground in beating Clarke, who was in forty minutes for his 29.

Herbert put up his best performance this season, taking five wickets for 39. Carr also bowled well and Briggs, the new wicketkeeper, showed up well.

Townsend and Parnaby made 60 for the first Durham wicket while Townsend and Beresford added 137 for the second wicket.

The Durham captain reached his 100 out of 180 in 150 minutes and was out 19 runs later. He hit 10 4's in a stay of 160 minutes and played grand cricket for his second minor counties century this month. Beresford stayed in 112 minutes.

Carr hit three 4's in his first over and made 23 runs in 20 minutes, and Maynard Gibson showed good form for 50 minutes.

DURHAM WIN IN LAST OVER

EXCITING FINISH WHEN SET TO SCORE 99 RUNS

Durham beat Staffordshire at Walsall last night in a most exciting last over finish—with four balls to go—by five wickets.

Durham started the day's play in rather threatening weather, but the afternoon turned out beautifully fine, and the wicket appeared to be in good run-getting condition.

Durham's remaining four wickets added only 28 runs, of which Gibson obtained 23. He was caught on the square-leg boundary in attempting to reach his 50. He hit seven 4's in a fine innings of 47 scored in 65 minutes.

The total was 295, scored in 250 minutes, and Staffordshire were 160 behind.

They lost R. Smith in Herbert's first over, but Ikin and Patterson added 95 for

added 36 for the fifth wicket. Carr, scoring 31 in 13 minutes, hit three 4's. STAFFORDSHIRE—1st Innings (Herbert 5-39), 135.

JAMES BERESFORD, who played an important part in Durham's success at Walsall last night.

the second wicket. Patterson was bowled by Close first over after lunch.

Deighton next proved a good partner for Ikin and they added 84, the total then being 179, when Ikin was caught in the longfield by Beresford off Olsen, who had Deighton l.b.w. next ball.

Ikin hit 13 4's in his score of 110, obtained in 160 minutes.

When he was in the fifties, Briggs missed an easy chance of stumping him, and Carr missed a hard return.

Herbert sprained his ankle before tea, slipping in a bowler's pothole, and left the field. Lawrence Handy, who was with the team, fielded as substitute.

The score at tea was 240 for eight, and the innings closed for 258, scored in 250 minutes.

Durham wanted 99 to win in 53 minutes, including the extra half-hour.

Townsend and Parnaby put on 32 for the first wicket while Carr and Beresford

TOWNSEND CENTURY FOR DURHAM

But Lancashire II. In Front

Durham had much the worst of yesterday's play at Old Trafford, for after being dismissed for 185 they only had seven of Lancashire out for 268. They are thus 83 behind.

David Townsend hit his third century of the season and it was a pity he was not better supported by the Durham batsmen.

Going in first, Townsend reached 51 out of 69 with a hook for six in an hour. At lunch time he was 99.

Sixth out at 155 for 105, scored in 130 minutes, he had played delightful cricket. His only chance was when 91 to slip.

Parnaby and Adamson played on. Close was bowled off his pads.

It was unfortunate for Herbert and Durham that the ankle he injured at Walsall had not responded to treatment.

Harry Gibbon, now professional with Bacup, took his place and bowled Greenhalgh in his first over. He went in late because his kit had not arrived.

Parkin and Place made a fine stand for Lancashire. Parkin, scoring with great freedom, reached 50 out of 67 in an hour, and the hundred went up in 90 minutes.

Place batted laboriously, but hitting Olsen for a six and a four in one over,

DAVID TOWNSEND, Durham captain, scored his third century in successive minor counties matches at Old Trafford yesterday.

reached his 50 in 105 minutes. He was second out 163 after batting 160 minutes for 69.

Parkin, missed by Carr (40) and Collin (74), both in the slips off Close, got his hundred in 140 minutes out of 176. Altogether he batter three hours for 119, was fifth out at 221, and hit 15 4's.

PARNABY SIXTH DURHAM CENTURY-MAKER

Gibson's Grand 98

Thanks to splendid batting by Parnaby and Gibson, Durham made a grand recovery in their match with Lancashire II. at Walsall yesterday.

In reply to Durham's first innings total of 185 Lancashire overnight had scored 268 for the loss of seven wickets.

When play was resumed yesterday Carr, early on, took two wickets with successive balls, but Deighton assisted Higson to add 33 for the last wicket, and the innings closed for 305, obtained in 250 minutes.

Durham, 121 behind, went in at 11.40 and lost their first five wickets for 113, before which Parnaby had retired hurt after Bowes had hit him in the ribs for the third time.

He returned and with Maynard Gibson put a different complexion on the game by adding 155 in 150 minutes, of which Gibson, by delightful free cricket, scored no less than 98, which included 14 4's.

He had hard luck in not reaching his century, Bowes catching him off a hard pull at short leg.

This stand undoubtedly saved Durham the game.

Carr was soon bowled then Close assisted Parnaby in a stand of 68, of which Close, by bright cricket, contributed 43 in 30 minutes. Olsen and Parnaby were still together when stumps were pulled up at quarter to six.

Parnaby, making his first century in Minor Counties cricket, was batting altogether three hours 50 minutes in his very fine innings of 118 which included one 5 and 11 4's.

Durham's total of 388 for eight was their brightest of the season and Parnaby's century was the sixth scored by a Durham batsman this season and must be a record.

The match petered out in a draw with Lancashire gaining points for first innings lead. Durham's percentage is 58.33 and they have obtained 28 out of a possible 48 points.
