Ten points for a win in a completed Two Day Match, and for a lead on the first innings in a One Day Match, provided the match cannot be played out.

Five points to the winner and three to the loser in a Two Day Match decided on the first innings.

Matches in which there is No Result on the first innings ignored.

When the match is a tie the points shall be equally divided.

For tie on first innings in an unfinished match, four points to each side.

As there was no result in the Challenge Match between Bedfordshire and Surrey 2nd at the Oval, on September 14, 15, 16, 1950, in which the scores were Bedfordshire 250, and Surrey 2nd XI 26 for 3 (rain preventing any play on the second and third days), Surrey 2nd XI automatically became the Champion County by virtue of Rule 16.

FRANK CROMPTON,  
Honorary Secretary, M.C.C.A.

## Review of 2nd XI Season—1950

In contrast with the County side the 2nd XI were extremely successful and only narrowly failed to win the Minor Counties Championship. Their final position was 5th though only .44 behind the winners, so close was the Competition. Their percentage of matches won was higher than any other Minor County.

This success was largely due to excellent team work there being no real stars, and what was more encouraging largely the work of the younger cricketers in strong contrast with the previous season. At full strength the attack was powerful with plenty of variety, the batting was even and the fielding keen. The elected Captain, Unwin, had a competent deputy in Spencer, while Clark, Faragher, and Lavers each captained the side with success once.

Evans headed the batting averages and was quickly promoted to the Senior XI. Unwin, Faragher, and Leiper came next while the heaviest scorers were Morris and Stanley with 500 runs each. Horsfall and West both scored over 200 runs. Centuries were obtained by Stanley, Faragher, and West, and both Morris and Rist had scores of over 90 to their credit.

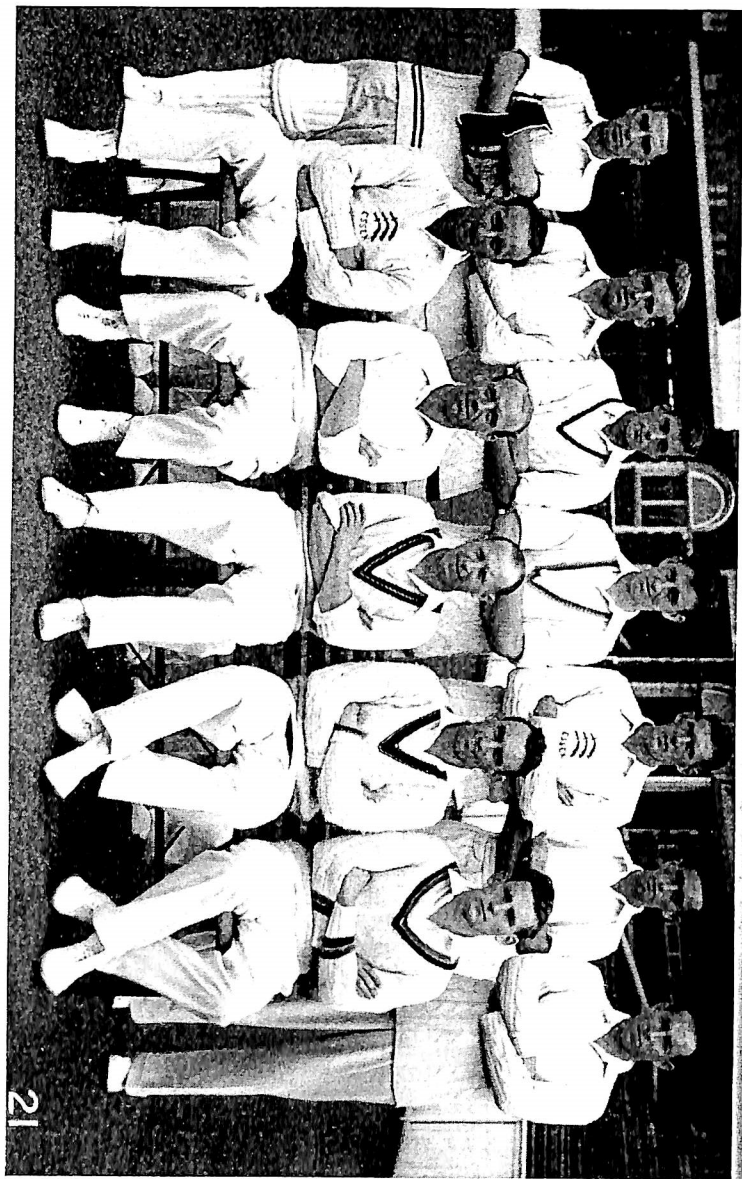

There were a number of useful fast-medium bowlers, all of whom were much the same standard and the opening attack was therefore strong. They included Kenny, Jerman, Skinner, Watkins, Barnes, Smith, Preston, and Leiper. The slow bowling consisted of Morris and Lavers (off-breaks), Greensmith and Hughes (leg-breaks), and Cousens as the slow left hander. Morris took most wickets, but Greensmith and Cousens both had 5 wickets in an innings three times.

The wicket-keeper was Taylor and his victims numbered 24. Generally speaking the catching and fielding were reliable and on some occasions reached a high standard, noticeably in the victory over Norfolk at Norwich.

2nd XI Caps were awarded to Evans, Cousens, Kenny, Skinner, Stanley, Taylor and West. Those who represented the County on one or more occasions included:—Cousens, Evans, Eve, Faragher, Greensmith, Jerman, Leiper, Levick, Morris, Preston, Skinner, Stanley, Taylor and Unwin who captained the County at Chesterfield against Derby.

The outlook for 1951 is possibly not quite so good on paper since none of the chief slow bowlers nor the wicket-keeper will be available. Cousens and Taylor are now serving in the R.A.F., Morris is no longer on the staff and Greensmith is expected to be playing for the County XI, but no doubt other young players will emerge to make their mark and healthy competition is a good thing.

The programme of 16 matches for 1951 is a heavy one and F. St. G. Unwin is unfortunately unable to spare the time to captain the side regularly. He will be succeeded by W. G. Spencer.

**REPORT OF THE COMMITTEE FOR 1950**

The Committee have pleasure in presenting their Report for the Season 1950.

During the year 10 Minor Counties Matches were played, 4 were won on the first innings, 4 lost on the first innings and 2 were lost. These results were disappointing and the lack of a first class spin bowler, preferably left-handed, evident at the beginning of the season, became more acute as the season progressed. The difficulty in players being able to find time to play in County matches was also felt. During the year no less than 22 players were called upon to play for the County.

Phillipson was our most consistent batsman; K. J. Earl, whilst not taking as many wickets this year as last, was again the backbone of the bowling, and Watson bowled very steadily throughout the season. J. A. H. Barratt's all-round performances were of considerable assistance and the fielding of G. Walton and K. G. Davidson was outstanding. K. J. Earl represented the Minor Counties against the M.C.C. at Lords and against the West Indies at Norwich, and it is clear from the Press comments and other information reaching us that a high opinion of him is held. Phillipson, who joined us this year, has been a great acquisition, not only as a cricketer but also as a coach, and his association with the Club during this his first year has been particularly happy.

The match against the West Indies was a great success and although the Indies won by an innings and 8 runs, play covered the best part of two days, the gate receipts being £871/19/0, of which the West Indies' share was £404/6/4. Appreciation was expressed by the West Indies side of the wicket and general condition of the Ground, which reflects great credit on Mr. Porter, our head groundsman, and his staff.

Although the weather during last year was exceptionally bad we again had very good support from the public and during the season 26,715 people paid at the gate to watch all matches.

The new stand was completed in time for the beginning of the season and there is no doubt that this has added materially both to the comfort of the spectators and the general appearance of the Ground. Towards the end of the season the concrete wickets were completed behind the stand, and full advantage of these will be taken during the season 1951. It is hoped that eventually, when building becomes practicable, it will be possible to cover these over and thus have all the year round practice and coaching. The effect of the new seating arrangements as a result of the Appeal Fund has brought about a considerable saving in repairs and renewals which should not now be necessary for several years to come.

During the season Mr. A. H. Jacobs of the Club & Ground Committee, together with the lady helpers, undertook to do the catering at the "Lambton Arms" for all matches. The result of their work was extraordinarily good and much appreciation was expressed by spectators as to the quality of the teas and snacks provided. The profit handed to the Club as a result of this was £254/0/6. A bar was also opened in the Pavilion and whilst the hours of sale were restricted, this extra amenity was much appreciated.

During the year further efforts were made to encourage young cricketers, and in this connection, Hunt, the new professional of South Northumberland, as well as Phillipson, has done great service, and the Committee's thanks are due to Messrs. G. Harbottle, R. H. Houstoun, A. V. Currie, R. Tompkins, and L. E. Liddell for their organisation and work in connection with the Public School boys' matches and trial games. The organised coaching scheme for junior members was not as successful as anticipated. The scheme was perhaps too ambitious and a revised one has been evolved for the coming year, which we hope will yield better results.

It is with great regret that the Committee have to report the death of Lord Ravensworth, a Vice-President of the Club. He took a very active interest in cricket in Northumberland and his cheerful personality will be very much missed.

During the coming year, due to the sudden change without warning, of Race Week, we are without a fixture on Race Wednesday and Thursday. Fixtures are made with County sides nearly a year ahead and we were due to play Staffs and Lanes II during Race Week. Whilst we have been able to bring forward the Staffs match, Lanes are unable, due to commitments, to alter their dates. The Committee have made every endeavour to arrange a suitable fixture for the vacant date, but up to the time of publication of this report have not been successful. Negotiations are, however, still proceeding and a game will certainly be arranged for these two days. No touring team will visit Northumberland in 1951.

The County Club and Ground First XI won the Northumberland League Championship for the third year in succession. R. Tompkins scored over 500 runs for the First XI and both K. G. Davidson and Phillipson have averages of over 50. The brunt of the bowling was again borne by R. O. McKenna, K. J. Earl, J. S. Oswald and D. V. Brims.

The Second XI played in the "B" Division of the League, and finished 6th.

The Third Team played in the "C" Division, finishing 2nd.

Friendly games were played on Saturdays and during the evenings.

These evening matches again enable members who could not always find time on Saturdays, to play.

The Wilson Knockout Competition Cup was won by Morpeth Cricket Club, to whom the Committee extend hearty congratulations.

The season's workings show a profit of £30/10/5, which together with the money allocated to the Club from Test Matches, gave a surplus on the year's workings of £281/2/8. It should be noted, however, that had it not been for the efforts of the Catering Committee and the Test Match receipts, there would have been a deficit of £335/1/4.

Membership continues to increase, the present figures being 1,093, and 13 subscriptions were outstanding at the end of the year. Unfortunately, expenses continue to increase also, although the match expenses this year were rather higher than usual owing to the additional expense incurred by reason of the West Indies fixture. The £6,000 target set for the Ground purchase and reconstruction appeal fund has now been reached and the appeal closed. There will remain in hand £1,033/15/3, which is considered sufficient to complete the reconstruction at present contemplated. In this connection the work done by Mr. J. P. Smith and Mr. A. H. Jacobs cannot be over-stressed. They have been almost entirely responsible for the raising of some £2,000 by special efforts.

The Committee also wish to record their grateful thanks to the Directors of The Samares Trust Ltd., who, on account of the work which the Club is doing to encourage young cricketers in the County, contributed £1,100 in all to the Appeal Fund.

The Committee's thanks are due to Mr. Porter and his staff, to the ladies who arranged and served the teas so successfully, to the scorers, umpires, Messrs. Price, Waterhouse & Co., auditors, the Press and all those members not named who so willingly helped to make the season a success.

SIR RALPH MORTIMER, O.B.E., J.P., Chairman.

F. C. CLAYTON, Hon. Treasurer.

GEO. H. MALLEEN, Hon. Secretary.

Ten points for a win in a Completed Two Day Match, and for a lead on the first innings in a One Day Match, provided the match cannot be played out.

Five points to the winner and three to the loser in a Two Day Match decided on the first innings.

Matches in which there is No Result on the first innings ignored.

When the match is a tie the points shall be equally divided.

For tie on first innings in an unfinished match, four points to each side.

As there was no result in the Challenge Match between Bedfordshire and Surrey II at the Oval, on September 14, 15, 16, 1950, in which the scores were Bedfordshire 250 and Surrey II, 26 for 3 (rain preventing any play on the second and third days), Surrey II automatically became the Champion County by virtue of Rule 16.
