## BOLLINGTON CRICKET CLUB

### ANNUAL DINNER.

The annual dinner in connection with the Bollington Cricket Club was held at the Turner's Arms, Bollington, on Saturday evening, and was a great success. About sixty, which is a larger number than usual, sat down to the excellent spread provided by the landlord (Mr C. Woodhead). Afterwards a concert was held, over which Mr G. H. Swindells, captain and treasurer of the club, presided. Amongst others present were the Rev. A. H. King (the vicar), Mr E. L. Hoyle, Mr J. A. Wanklyn, Mr C. Slater, Mr N. Irving, Mr R. H. Owen, Mr G. Beaver, Mr J. Wilson, and Mr J. W. Woollam (hon. sec.).

The toast of "The King and the rest of the Royal Family" having been duly honoured,

The Chairman apologised for the absence of Mr E. L. Oliver, Mr F. F. Grafton, and Mr H. S. Clave, who regretted their inability to be present.

The Vicar proposed the toast of "The Army, Navy, and Auxiliary Forces." Before he came to the dinner he was wondering in what way the toast was connected with the Cricket Club. However, he had arrived at the conclusion that cricket and the Army and Navy and the Auxiliary Forces were very great factors in developing the mental and the physical well-being of the men of the country. (Hear, hear.) He trusted that the Bollington Cricket Club would be even more prosperous than it was last year, and that he would be allowed to take some personal interest in it himself. (Hear, hear.) Referring to football, the speaker said the other week he kicked off for Bollington, and then was obliged to go to a meeting; but he afterwards heard that three players had been suspended for fighting. (Laughter.) He trusted his connection with the Bollington Cricket Club would not have a similar result. (Laughter, and hear, hear.) Reverting to the toast, the Vicar said it was very important that every young man should devote his services to his king and country instead of doing nothing. Some of those present would no doubt read the results of the day's football, and they would see that forty and fifty thousand people had been present at a certain football match. He maintained that it was essential that every young man should employ his spare time in drilling and physical exercises, thus fitting himself to be called upon in time of stress and emergency. (Hear, hear.) Cricket was a healthy game, and should be taken more interest in, because every man learned "to play the game." (Hear, hear.) He had to couple with that toast the name of Captain Haigh, who was doing a great work in connection with the younger branch of the auxiliary forces in the form of the Church Lads' Brigade. He (the Vicar) hoped the auxiliary forces in that parish would increase, and also that the junior branch would prosper, as he was sure it must do under the leadership of Captain Haigh. He had pleasure in proposing the toast. (Applause.)

Mr C. H. Haigh, captain of the Bollington C.L.B. briefly responded.

### "SUCCESS TO THE BOLLINGTON CRICKET CLUB."

In proposing this toast Mr Wanklyn said they were sorry their President was not amongst them to receive their grateful marks of appreciation and good will. The results of the year's working had been very disappointing owing, of course, to the fact that their old friend, the rain had poured down in buckets full on them on their sports day. It started raining in the morning last year, and the year before, and they could not expect the crowd to come down to the Happy Valley on a wet day. He thought

they were going to alter this, because they had got Mr Woollam as secretary again. (Applause.) He congratulated the club most heartily in having persuaded such an energetic man as Mr Woollam to resume the secretaryship, and he wished to couple his name with the toast. (Applause.) Now they had got him again their success was assured. One might just point out why Mr Woollam was a successful secretary, and why he was always successful in everything he did. It was simply because he was energetic. He did think that the lack of this quality was a defect of a good many people. They would never be successful unless they put energy into their work. (Hear, hear.) Mr Wanklyn concluded with an appeal for more subscriptions and begged to submit the toast. (Applause.)

In response, Mr Woollam thanked them for the way they had drunk the toast, and also Mr Wanklyn for coupling his name with it. He (Mr Woollam) rather thought their worthy chairman would have responded as he (Mr Woollam) had been out of office for the last three or four years. The reason he had again taken over the secretaryship of the club was because he could not bear to see it going down, though this was not from any lack of energy on the part of the two previous secretaries. In Mr Harrop and Mr Comberbirch they had two hard working men, but unfortunately they had had shocking sports days. Last year rain started about twelve o'clock, and continued for the rest of the day. In spite of that they took £80 or £90 at the gate, and if they could only have a fine day this year he was sure their sports would be a huge success. After they had been working for such a long time prior to the sports, it was very disheartening indeed when the rain came on and spoiled everything. After referring to the death of Mr Collier—whose cup attracted such huge entries—and also Mr Turner, the Secretary went on to speak of the excellent ground they had got, and surprised all present by stating that the improved condition of the ground and surroundings was entirely due to Mr F. F. Grafton, who had given the Council £200 to spend as they thought fit. (Applause.)

Mr E. L. Hoyle proposed the toast of the Cheshire County Cricket Club. He had been wondering why he had been selected to propose this toast, and the only conclusion he could possibly come to was that cricket was one of the few sports in which he had not disgraced himself. (Laughter.) The County Cricket Club was a cause in which they were all interested, and their interest in it was only second to that in their own local club. They were all Cheshire men, either by birth or adoption, and they all of them desired to see Cheshire occupy an honourable place in county cricket. (Applause.) He wished to couple with the toast the name of Mr Stanley Turner, who had represented Bollington on the Cheshire team. They all wished well to the club, and he hoped they would not only occupy good positions in the League, but become the champion county in England. (Applause.) He asked them to drink to the health of the Cheshire County Cricket Club.

Mr Stanley Turner, in responding, said he was afraid Mr Hoyle's remarks were a little previous. As one of the suffering martyrs who appeared to represent Cheshire (laughter)—he might say they had distinguished themselves, but with low scoring. He referred to the match to be played on the Bollington ground between Cheshire and Yorkshire second, and said the County had given them that match without any asking. (Hear, hear.) He hoped that when the match was played Bollington would show their appreciation by turning up in good numbers. (Applause.)

The Chairman proposed the health of the Patrons and Subscribers, and in response Mr Owen referred to the Club's financial position. He wanted them to "go up one" in their subscriptions, and place the club on a sound financial footing. He had always taken a deep interest in the club, and his first subscription was given to the Shrigley Vale Club 30 years ago. If the club went down it would be a great calamity, and if those present could only get a subscriber each the club would be kept alive, and the villagers would be entertained to healthful recreation every Saturday. (Applause.)

On the proposition of Mr N. Irving, seconded by Mr J. Wilson, a hearty vote of thanks was accorded to the Chairman for presiding.

During the evening songs were rendered by Messrs A. S. Turner, H. Comberbirch, W. Maguire, G. H. Swindells, J. O. Warburton, and the Vicar. Mr Fox recited, and Mr David Cole presided at the piano.

HOOLE v. FRODSHAM.

Hoole Wednesday received a visit from Frodsam on Wednesday, and defeated them by 6 wickets. The afternoon was an ideal one for cricket, and on Frodsam winning the toss and going in to bat were all dismissed for 90 runs. F. Ashworth was the only batsman who offered any resistance to the splendid bowling of Messrs Woods and Dodd, his contribution of 60, although a great effort for his side, was marred by his presentation of 3 catches, which were not accepted. Messrs Woods and Dodd took three wickets for 21 runs, and 5 for 27 respectively. Hoole started in brilliant fashion, Messrs Roberts and Barker putting on 44 runs for the first wicket, before Barker was caught, on Messrs Tomlinson and Woods coming together at the fall of the third wicket at 74, soon knocked off the necessary runs, both playing good cricket.

**ST. PAUL'S v. BROOMHALL.**

St. Paul's were entertained by Broomhall on Saturday, and after a very pleasant game, ended in a tie of 34 all. Owing to the storm, the wicket was on the soft side, which made the scoring very difficult, the bowlers having everything their own way. Broomhall batted first, but against the bowling of J. Evans, J. Brown alone showed any resistance, the bowlers' average reading 6 wickets for 13 runs. On St. Paul's going to the wickets, J. Evans 10 and A. Moss 11 (not out) batted very well, and as two players had to leave early to catch their train, the visitors were only able to bat 9 men, and were all out for exactly the same total as their opponents, three of St. Paul's being run out.

## BIRKONIAN'S DEATH IN SOUTH AFRICA.

### INTERESTING CAREER OF MR. T. R. BRETHERTON.

Many sincere regrets were expressed when the news reached England of the death of Mr. Thomas Roughhead Bretherton at Bloemfontein, South Africa. Mr. Bretherton, who went to South Africa about fourteen years ago, was well known in sporting circles in Birkenhead, having been a particularly fine cricketer.

Information regarding Mr. Bretherton's career has been kindly forwarded by "Our Orange River Colony Correspondent" (as he styles himself), Mr. Gilbert W. Hesketh, late of Cloughton Higher Grade School, who is now a prominent consulting engineer in Bloemfontein.

Mr. T. R. Bretherton, who was 38 years of age, died very suddenly at about nine o'clock on May 15th at his residence, "The Bungalow," First-street, Bloemfontein. The news of his death came as a great shock to his many friends, for very few knew of his illness. In fact, he was at his office on the previous Saturday morning, and was then apparently in good health. The immediate cause of death was hemorrhage. He was attended by Dr. de Kock, and his old friend and fellow sportsman, Mr. C. G. Frichardt, was present at the last. Deceased leaves a widow to mourn his untimely death.

MR. T. R. BRETHERTON.

Mr. Bretherton was one of the most familiar figures in Bloemfontein, and also one of the most popular. A native of Lancashire, he was the fourth son of the late Mr. J. H. Bretherton, of Whiston Hall, Lancashire, and of Crabwall Hall, Cheshire. He is a brother of Colonel H. W. K. Bretherton, V.D., the popular commanding officer of the 4th Battalion Cheshire Regiment (the "Greys"). Mr. Bretherton was educated at Chester, under private tutorship, at King's College. On terminating his studies he joined his brother, afterwards becoming connected with Messrs. Higgins and Porter, stockbrokers, of Liverpool. He was with the latter firm for four years, when a breakdown in health caused him to go abroad, and he went to South Africa, turning his eyes to Bloemfontein, where he started business as sharebroker, estate agent, and insurance agent. Bloemfontein boasted few better sportsmen than Mr. Bretherton, for in almost every branch he either took an active part or was keenly interested.

Before going to South Africa Mr. Bretherton was intimately connected with sport in and around Birkenhead. He was particularly fond of cricket, and for three years played for Cheshire (as well as his brother Jim), and was chosen in 1883 to play for Liverpool and District against the all-conquering Australians. He also played for Birkenhead Park and Rock Ferry. A keen follower of hounds, he acted as whip to the Cheshire Beagles and hunted with the North Cheshire hounds.

He was accompanied to South Africa by his sister, who remained with him until his marriage. At the outbreak of the war with the Boer Republics they experienced exciting times. Mr. Bretherton was commandeered to fight for the Boers, but fortunately managed with his sister to board the last train which left Bloemfontein for Nampop and Queenstown. His sister left for the South, while he rendered excellent services for the English in the remount department at Nampop. His knowledge of horses was an important factor, and was of great service to the English officials in the department.

After the war he returned to Bloemfontein. He was a member of the Ramblers' Club, and was a member and steward of the old Bloemfontein Sporting Club from its inception till incorporated in the Orange River Colony Turf Club. Mr. Bretherton was of a sunny, genial nature, and was immensely popular both in business and in sporting circles. To many who remembered him while in Birkenhead his death will be keenly regretted.

The funeral was attended by a large number of townspeople, and at the funeral service at the cathedral there was a representative attendance, including Mr. D. Wilkie (representing His Excellency the Administrator), Sir Andries Maasdorp (Chief Justice of the O.R.C.), Mr. J. A. Ashburnham (Resident Magistrate), Mr. W. Murgson (Registrar of High Court), Dr. De Kock, Dr. A. B. Ward, Mr. H. F. Blume, K.C., Attorney G. A. Hill, Messrs. G. A. Pichardt (Ramblers' Club), L. Richardson (Secretary Club), C. P. Beck, P. J. Faure, H. L. Frichardt, H. Hagan, Barclay Lloyd, Attorney Evenwell, D. Murray, J. Davidson, H. Botha, J. Elliott, A. Johnson, J. Elkington (Bethlehem), B. Holmes (Kaffir River), Gilbert W. Hesketh (representing Birkenhead, England). A number of the Tompo Garrison were present, including Lieut.-Colonel Dallas, Commandant, School of Musketry; Major Moore, Chief Instructor, School of Musketry; Major Home, the Carabineers; Captain Sadler, the Carabineers; Lieutenant Kidd, the Carabineers; Lieutenant Norris, the Carabineers; Lieutenant Blackburn, the Carabineers; Lieutenant Anstruther, the Carabineers; and a great many others.

# CRICKET NOTES.

BY "UMPIRE."

Another wet Saturday played havoc with local fixtures. Birkenhead Park were looking forward to a useful victory on the serious wicket of the Northern club, but unfortunately the heavy downpour of the afternoon spoiled every anticipation, and the match was performed cancelled. New Brighton were due to receive Oxton, but play was impossible on account of the wet state of the wicket. Rock Ferry, however, met and defeated Bootle on foreign soil, and there is evidence that the Ferrytes are very keen, despite the fact that high scoring is somewhat foreign to the South End club.

The positions in the Liverpool and District Competition are as follows:—

	P.	W.	L.	D.	Pts
Birkenhead Park	7	0	0	1	13
New Brighton	10	1	2	4	12

## MATCHES PLAYED

## BIRKENHEAD ST. MARY'S A. v. BIRKENHEAD ST. MARY'S THURSDAY.

The Thursday members of the St. Mary's club were in great glee on Thursday evening when they defeated the Saints "A" by a long shot. There was a distinguished company present and many old players were on the fringe of the "square," chief among whom was E. Jones, a well-known wicket keeper of the early "nineties." Herbert Peachey was there too, dressed in the orthodox coat of an umpire and interest was maintained up to the last ball of the match. The winners showed good form, especially Hodkinson, who hit splendidly for 90 runs. Score:—

Cholmondeley batted first, compiling a total of 60, Messrs. Smith and Jones making 14 and 11 runs respectively. Shenton bowled very well, particularly at the start. Upon going in to bat, Malpas began disastrously, and were only able to evict 44, of which number the gallant captain obtained 18 in good style, and was undefeated at the finish. Coffin and Jones bowled very well, the former taking six wickets for 27 runs.

## BUCKLEY 2nd v. HALKYN 1st.

On Saturday Buckley journeyed to Halkyn to play their return match. Halkyn intended letting Buckley have the privilege of opening their new ground, but the wet weather which prevailed earlier in the day prevented them doing so. Halkyn batted first, and reached 38, Rowlands taking five wickets for seven runs, Bellis two for one, and Davison three for 12 for Buckley. Tattenhall visited Tarporley on Saturday last, and in spite of the woulter a most enjoyable game was played. The homeists turned out a very strong side, and winning the toss decided to bat. A disastrous start was made, for three of their best wickets were down for 13 runs. J. Daine and Dr. Noyce then became associated, and it was mainly due to their persistence that the score eventually reached 69. Dr. Noyce was top scorer with 19, whilst J. Daine obtained 11. The only other batsman on the Tarporley side to touch double figures was J. Hunt (10), who lived matters up considerably whilst he remained. W. E. Jones bowled exceedingly well for Tattenhall, taking six wickets for 31, and even these might have been reduced but for occasional slackness in the field. Tattenhall commenced in a most promising manner. T. W. Rowley and H. A. Bramble knocking off 30 of the required runs before the latter was bowled. Later, L. N. Jones joined Rowley, and with both men hitting freely the score quickly rose to 62 before a separation was effected, Rowley being bowled when his score was 22. L. N. Jones soon obtained the necessary runs, and contributing to hit on but soon gathered 28, when he was unfortunately run out, the total reading 66 for six wickets. The visitors thus won a very interesting game.

An interesting cricket match, which had been arranged by the mayor (Mr. J. Sautford), was held on Wednesday on the ground of the Wrexham County Schools between the schools eleven and a team selected from the members and officials of the Corporation. ### GREAT MOOR v. CHEADLE.

At Dialstone Lane, on Saturday in glorious weather. W. A. Pickford and F. Bennett opened the innings for Great Moor to the bowling of Sam Brown and Harrison. Off the first over Bennett obtained a single and Pickford a couple. Following this the latter batsman cut Harrison to the boundary for four. Bennett scored several singles, bringing the score to 10. With the score at 13 Pickford struck out to a short pitched ball from Brown and was easily caught by McDonald at mid-off. Bennett was settling down to some steady hitting. After raising his score to 15, however, Brown often had him in difficulties, and in the next over he spooned a ball into

Jackson's hands, Harrison being the bowler. Hartley came next, and he had a narrow escape, almost playing a ball into Jackson's hands, the ball just dropping short of the fielder. Whalley, who had been in batting a long time for his single, had his wickets disturbed by Brown, with a well pitched ball, the third wicket thus falling at 22. Wild now joined Hartley. A loose ball from Brown was smartly placed to the rails by Hartley, whilst the next ball was similarly dealt with by Harrison being the bowler. Wild had been lashing out very freely, and after scoring thirteen, which consisted of three fours and three singles, he was clean bowled by Harrison. (44-4-15). Woodall had only scored a single when he was caught by Brown from the bowling of Harrison. Chiefly by singles Hartley and Parsons raised the score to 60 at which score Parsons was clean bowled by Dr Jackson, who had taken the ball from Harrison. For the addition of nine runs Hartley, who had scored 18, was dismissed by Jackson. Dr Nevitt and W. Smith both scored 11 runs each, the last wicket falling with the score at 95.

Cheadle made a very disastrous start, three wickets falling quickly for 16 runs. However, a timely stand by Harrison and Marriott put a very different complexion on the game, raising the score to 64 before the partnership was broken, Peter McLachlan securing Marriott's wicket from his first ball on going on to bowl vice Whalley. Dr Jackson and Harrison then raised the score to 76 when Harrison was unfortunately run out. His score of 41 was a fine effort, for although he played cautiously, he made many very fine strokes, hitting three successive fours from Dr Nevitt's bowling. F. Warburton now joined Dr Jackson, and between them they hit off the necessary runs. Dr Jackson then retired and H. Heywood came out to bat, stumps being drawn when Whalley secured Warburton's wicket with the score at 116 for six wickets.

### THORNTON HOUGH v. BUCKLEY SECOND ELEVEN.

Buckley second eleven journeyed to Thornton Hough by train on Saturday, and had a most enjoyable time.  
 The home team batted first on a perfect wicket. Rev. T. L. Burrows and Mr. J. D. Lever opened splendidly, both batting very nicely, and were not separated until 78 runs were reached, when D. Griffiths cleverly caught Rev. T. L. Burrows, off Dawson, behind the wicket. Buckley went on better after this, but Mr. Lever remained until his score reached 92, when he was caught by J. Lamb, off A. Hughes. Mr. Anderson also reached double figures before he was bowled by J. H. Bellis. The whole side were dismissed for 149.  
 For the visitors Mr. Hughes captured four wickets for 29, J. H. Bellis four for 32, Dawson two for 37, J. Lamb, A. Griffiths, and W. Parry also bowled.

With one and a quarter hours to bat, and wanting 150 to win Buckley had a hopeless task. H. Lamb and H. Davies opened, and batted cautiously against Moore, Lever and Burrows. Dawson was dismissed when he was six. Next came A. Hughes, who scored 16, the score was now 41. J. H. Bellis then joined Lamb, and was bowled for 11 by Burrows, when 11 had been reached. Lamb was the next victim to Burrows, when his score was 39. T. Griffiths and W. Parry were not out, making nine and five respectively, when the score had reached 100. The time arranged to draw being up the home team had to be content with a draw. Score:—

### TATTENHALL v. BUNBURY.

The above teams met at Tattenhall on Saturday. This match always creates a vast amount of interest, and the game on this occasion was more eagerly looked forward to than ever, for Tattenhall are at yet undefeated this season, while Bunbury have only lost one match during the past two years. The visitors batted first, on a very fast wicket. The batsmen appeared to be totally deceived by the pace of the ball, for the score had only reached 35 when eight wickets were down. Haynescroft then joined Ward, and together they piled on the score until 80 appeared, when the former got out. The innings closed for 101. Ward, who went in second wicket down, was last man out, having played a great innings without giving a chance. His score of 46 represented practically half the runs for his side, and all were obtained at a time when things were going badly with them. L. N. Jones captured five wickets for 25, and W. E. Jones four wickets for 36. Tattenhall commenced with K. F. Robotham and W. E. Jones. These two set about the bowling in such a masterly fashion that the result was soon fixed beyond doubt. The century appeared in an hour, and the visitors' total was passed without the loss of a wicket. Tattenhall gaining an easy victory by ten wickets. Jones and Robotham continued to score freely, and it was not until the total had reached 156 that a separation was effected, Jones being caught in the long-field. The retiring batsman had played a brilliant innings, and his score of 106 represented his first century this season. At the close of play seven wickets were down for 271, Robotham being still undefeated, and his contribution 87.

FRODSHAM v. ASTON HALL.

These two neighbouring organisations met on Saturday afternoon, on the Athletic ground, Frodsham, to contest a friendly fixture. The weather was favourable, and the home team, winning the toss, elected to take the first knock, F Ashworth and W. Davies going in. The first-named was soon sent to the right-about by Jeacock, his contribution being nil. Spencer followed on, and after scoring a solitary one he was returned to the pavilion by means of a straight one from Carter. J. Lawless then assisted Davies to take the score to 18, when the latter fell a victim to Carter. Then Dr. Selby added 8, and T. Gorst, Hankinson, and C. Booth assisted in taking the local team's score to 69. Jeacock took five wickets for 37, Carter four for 21, Farrington one for 1. The visitors made a most disastrous start, losing two wickets in the first over for none. Carter, however, made a bit of a stand, and succeeded in registering 16 runs, but he received no assistance whatever from his club mates, the innings closing for 25. Gorst, for Frodsham, was very deadly with the ball, taking six wickets for 8 runs, whilst Spencer took three wickets for 17. Scores:—

GREAT MOOR v. HEATON MOOR.

On Saturday Great Moor entertained Heaton Moor at Mile End Lane, and after an exciting low scoring game, just won by two runs. The home team batted first, and started very disastrously, four wickets falling for 13 runs. However, the Brothers Parsons got together, and by some excellent cricket added 32 runs for the first wicket before the younger brother was bowled by Lever for a valuable 19. However, W. Parsons did not remain long afterwards, for with 15 to his credit he was bowled by Mitchell. A Jackson afterwards added a useful 11, but the side was soon disposed of, for 69.

Heaton Moor started upon their apparently easy task in fairly good style, for after the first wicket fell for one run, the score reached 29 before the second wicket fell, Wild getting Robinson caught behind the wicket for 17. Howarth took the ball from Goodwin, and in his third over succeeded in an appeal for lbw against Booth with 34 on the board. The next wicket fell at 48, and Heaton Moor were thus only 19 runs behind with four wickets down, but in his seventh over Howarth obtained three wickets for no runs, just missing the hat-trick, and he obtained the last two wickets in his next two overs for the addition of one run, the visitors

thus being dismissed for two runs less than the home score. Howarth bowled excellently, getting seven wickets for 16 runs in 8 overs and 2 balls. Scores:

## BANK HOLIDAY MATCH.

### CHEADLE HULME v. STOCKPORT.

The first eleven of the Stockport C.C. visited Cheadle Hulme on Monday to play their usual Bank Holiday fixture, and going to the wicket first both Fallows and Tyler opened very slowly. Teather and Cooke were the bowlers, and it was not until the third over that anything was done. The captain had obtained a single, and then Tyler brought a delivery from the Cheadle Hulme pro very prettily to the square leg boundary, and this he followed with a long drive for one. Fallows played a cautious game, but Tyler struck out with freedom. On several occasions, however, when he evidently intended to drive, he only half hit the ball, which dropped at his feet. The bowling was good, and the score rose very slowly indeed, but after a series of singles Tyler commenced to slog the attack. He on-drove Cooke for four, and the next ball travelled well on the leg side; a single only had been run, however, before Bazley returned it from near the rails, with the total at 25 Tyler skied a ball, and presented Bazley with a good chance in the outfield, but he misjudged the ball, and allowed the batsman a new lease of life. With 34 on the board Teather was taken off in favour of Smeaton, and Shawcross took the place of Cooke, but the change was ineffective; in fact, the score began to rise more rapidly, Tyler getting in some really good scoring strokes. The home captain only allowed Smeaton to send down a couple of overs before he again brought Teather into action. Tyler reached his half-century as the result of a splendid on-drive off the Hulmeites' pro, the ball dropping in a neighbouring garden.

With the total at 75, Tyler raised a ball, and was caught near the rails by Smeaton. Cragg was the next man in, and then some slow scoring was witnessed for a time. Cragg, however, batted well, and slowly drew level with Fallows, several times placing the ball within a few feet of the rails. With the total at 128, Fallows misjudged a ball from Moul, and his balls were removed.

Oldham opened very slowly, but after a time he slogged several balls sent down by Teather, but with his score at 11, he misjudged a ball which broke in to leg, and was bowled. Stockdale was only at the wicket a few minutes before he hotly returned a ball from Moul with a stinger, and was well caught by the bowler. May opened his account by bringing the first ball he received well round to the rails on the leg side, but had only added another single when he skied a ball, and was caught by Marsden when the score stood at 185 with nine wickets down the innings was declared.

Hunt and Moul opened the Cheadle Hulme innings to the bowling of Williams and Archer, and with but nine on the board the latter completely beat Moul with an excellent ball, which took the middle stump. After this the batting was more of a defensive nature, and in consequence the score rose but very slowly. Williams was sent back to the pavilion with a "duck." Marsden had only two to his credit when he was caught and bowled by Archer, and then Hunt, who had scored twelve, was stumped by Tipping. These early disasters made matters look black for the home team, but when Teather and Howarth came together there was a good rally, and the score rose at a greater speed in consequence of some good placing by both batsmen. Williams was taken off in favour of May, and after a time the change had the desired effect, for the new bowler completely beat Howard with a good ball. Cooke was also bowled by May before he had opened his account. After this some very slow play was witnessed. Teather was caught by Archer off May's delivery after he had recorded 20, Bazley was clean bowled by Archer with 18 to his credit, and J. Shawcross, the last man in, was stumped before he had opened his account.

### HEATON MOOR Y.M.C.A. 2nd v. ST. AGNES' (BIBCH).

Played at Burnage on Saturday. The visitors were weakly represented, and would have made a very poor show, but for the fine partnership of E. Bucknow and H. Lees, which put on 34 for the fifth wicket. Their bowling, too, was of a very poor quality, excepting E. McQuone and H. Lees, who took four wickets for seven and three for five respectively. ### BRAMBALL SECOND XI v. CHEADLE SECOND XI.

At Bramhall. Cheadle batted first, Platt following up his previous week's success by another good score of 54. Garner was also to the fore with a capital 24. With 1 1/2 hours to play Bramhall went for the runs, and so well did McClery (30), Cowley (12), and Darrah (21), begin, that 70 was soon signalled. With three wickets falling cheaply the game took another turn, but Habishaw (21), and Lawrenson (20 not out) added 38 for the ninth wicket. With 12 wanted the last pair were at the wickets, but Bramhall could not quite sustain the effort, and a most exciting finish resulted in a victory for Cheadle by two runs. ## SATURDAY'S MATCHES.

### SALE V. STOCKPORT. GREENHALGH'S BENEFIT.

Played at Sale on Saturday, the match being set apart for the benefit of Greenhalgh, the Sale professional. Sale were at full strength, but Stockport were without Torkington, May, and Lister, whose places were filled by Goodall, Horner, and Oldham, of the second team.

Stockport won the toss, and sent in Fellows and Tyler to oppose Hewetson and C. R. Hartley. Off the first ball of the match Fellows gave a difficult one-handed chance to Mills at third slip, but the fielder failed to retain it. After ten had been hoisted, mainly as the result of singles, Tyler made the first boundary stroke of the innings, but the next ball but one was well caught at point by A. Stockton. The rearing batsman claimed eleven of the 14 scored. J. C. Cragg filled the vacancy, and opened his account with a couple on Hartley, whom he again hit for two. Two to Fellows brought up the twenty, and runs continued steadily. With 34 on the board Cragg, who had made 7, gave an easy chance, which was not accepted, to the Sale captain, E. Stockton, Hartley being the unlucky bowler. At 48 the first bowling change was made, E. Stockton superseding Hartley, and at the other end Greenhalgh went on for Hewetson, and with his second ball dismissed Fellows, who had made a useful 22.

Stockton, after scoring two, gave a difficult chance to Woods in the long field, but the fielder, who had some ground to make, failed to gather the ball. When he had made five the batsman was caught by Hewetson off Greenhalgh. With eight runs added Cragg played on to Greenhalgh, the outgoing batsman's contribution being 18. Oldham quickly hit up 18 and was then caught and bowled by Hewetson. Baker after making four, was missed at cover point by Wild, and should have been run out Greenhalgh knocking down the stumps before he had gathered the ball.

The century was hoisted after an hour and 40 minutes play. Baker and Williams at this time being associated. These batsmen made an excellent stand, and a useful addition to the score. Williams left with the total at 125, being caught behind at wicket off Hartley's bowling. Baker, who at this time had made 28, was joined by Goodall, who last week, playing with the second eleven against Bowdon 2nd, hit up 58. Baker had the satisfaction of reaching the half-century, but at this figure was bowled by the Sale captain. Goodall, after contributing 20, was caught and bowled by Greenhalgh. The innings closed for 176. Greenhalgh was the most successful of the Sale bowlers, his five wickets being secured at a cost of nine runs each.

The Sale innings were opened by H. A. Thomas and G. A. Batty. Williams and Archer being the bowlers. When Batty had made six he put one up in the slips out of the reach of Archer. Runs came steadily, Thomas making several boundary strokes. At twenty-six Batty was well caught in the slips by Williams off Archer, and with but five runs added, Thomas fell to a fine single handed catch at cover point by Fellows, the batsman having made 18. Hartley had only made two when he was beaten by Archer. A. F. Stockton and Woods stayed together while 33 were added, the former being then bowled by Williams. With the addition of seven runs to the score, Mills fell a victim to Archer. Matters were now going badly for Sale, for at 77 Jones was bowled by Williams, and with but one run added Hewetson spooned one up from Archer, and the bowler running up had no difficulty in making the catch. Greenhalgh and Woods improved the outlook for Sale somewhat, but at 94 Woods played on to Williams, who with 13, next ball dismissed the Sale captain, nine wickets being down for 94. Woods is of the vigorous type of batsman, and indication of the excellence of the attack is afforded by the fact that his 25 included 17 singles. Better on in the Sale innings there appeared an likelihood of anything but a draw, but there was just a possibility now that Stockport might snatch a victory in the few minutes play which remained, even though the last batsman, Wild, is one of the best on the Sale side. Greenhalgh put one up in the slips out of Barn's way in the last over but one, but the two kept their wickets intact, and when pumps were drawn Sale had made 97 for nine wickets. Archer and Williams had bowled unchanged, the former securing five wickets for 56 runs and the latter four for 25. Scores:

### STOCKPORT SECOND XI. v. SALE SECOND XI.

Stockport Second had several of their regular players away on Saturday when they met Sale Second at home, the absentees including Howard, Slack, Sowerbutts, and J. Lister. The visitors were well represented. Stockport opened the batting with L. Emery and S. Heydon, to the bowling of Kelsall and Crawshaw. Emery displayed good form, and got most of the runs, but at 23 he lost the company of Heydon, who was too slow at a fast Yorker from Kelsall. Hayes had one or two smacks, but he was never certain with his strokes, and at 36 he was well taken behind the wickets by Cooper, off Crawshaw. H. Granger opened well with a good square leg hit, but unfortunately for the home side Emery, who looked like making runs, returned one to the bowler, and Hollins in attempting a splendid foolish run, was run out before he had scored, four wickets being down for forty-three. Firth commenced to score straight away, and with a pretty stroke through the slips sent up the 50, the innings having been in progress 45 minutes. Firth put Crawshaw to the leg rails, and Granger collected 4 off Kelsall through the slips. Runs were coming much faster than hitherto, both batsmen playing with confidence. At 58, Thorner went on for Crawshaw, and off his first ball Granger gave a chance in the long field, but it was not taken. At the other end, S. Broadmeadow went on for Kelsall. Granger, with a drive for 4, sent up 70, then turning his attention to the other bowler, drove the ball straight to the pavilion rails. In attempting to repeat the stroke, he was caught in the long field off Thorner, and retired with a capital 30 to his credit.

Firth continued to get runs in good style, and punished both bowlers. E. Granger caused the 100 to be put on the board with a cut to the rails. At 102 James, a left-hander, went on for Broadmeadow. Three runs later Granger was bowled by Kelsall, who had superseded Thorner at the pavilion end, and with two added Firth, who had scored 30 by good cricket, was caught at point off James. The remainder of the innings was soon finished off for a total score of 123. Sale made a very bad start, losing a wicket with only one run on the board, and four for 20. The victory seemed to be well within Stockport's grasp, but Kershaw and H. Crawshaw batted well, and were together for some time, before Kershaw was howled for an invaluable 66. Five runs were still required when the eighth man came in, but these were soon knocked off, and afterwards the bowling came in for severe treatment.

## BOOTLE v. BIRKENHEAD PARK.

### BLACKBURN'S 100 WICKETS.

The feature of the last match on the Park card was the record established by G. Blackburne, who is the first amateur connected with the club to secure 100 wickets in a season during the past decade. The match with Bootle ended in a draw. There were, however, some curious features. A huge box kite dropped on the pitch during the Park innings, and foot-balls from an adjoining field caused a flutter in the cricketers' dove-cote. Score:-

**LOCAL CRICKET NOTES.**

[BY "COVER POINT"]

**KNUTSFORD'S LAST MATCH.**

The Knutsford Cricket Eleven did not wind up the season in anything like the fashion that their supporters anticipated they would. Their last match—that at Heaton Mersey last Saturday—proved disastrous to them, for they were beaten by 22 runs and a wicket to spare. Still, on the whole, the locals have had a very satisfactory season, and it takes an exceedingly good eleven to beat the Mersyites on their own enclosure. Knutsford's failure was brought about by rather poor batting, combined with good bowling by the home-side's brunders, particularly J. Sawyer, who was in deadly form, and took seven wickets at a small cost. Morris and Harry Todd opened Knutsford's venture, they having won the toss, and the game opened in sensational manner, for Todd was once more clean bowled by the first ball sent down. This is the third occasion this season that Todd has experienced this unfortunate occurrence, and it is curious to think that prior to this season he had only been bowled once before in his life by the first ball he received. Such, however, are the fortunes—or misfortunes, whichever you like to call them—of the game. Morris was out at 10, and then, two runs later, Ball departed for a duck. A stand, however, was made for the fourth wicket, Daniel being chiefly responsible for the fact that the score was taken from 20 to 69 before "Sandy" Bebbington was bowled by Sawyer for four. At 74 Daniel departed, and thenceforward wickets fell cheaply, although Atkins hit well, and defied the bowling for some time, compiling 28 before being beaten and bowled by Sawyer. The last six wickets fell for the addition of 22 runs. Altogether Knutsford totalled 95.

**A NEAR SHAVE.**

Although Knutsford had done rather badly in the batting line, the Heaton Mersey men had a narrow shave of doing even worse, for eight wickets were down for 66 runs and nine down for 94. But the home batting was better than that of their opponents, for no less than six of their eleven managed to reach double figures. Hayward (21), T. Sawyer (17), Halden (16), and Robinson (not out 27) were the ones who did well for their side. To Robinson, however, chief honours are due, for I doubt whether, in the event of his being a failure, Heaton Mersey would have won—they would more likely have lost by a good margin. Simpson obtained three wickets for 48 runs, A. Smith three for 46, A. Dick two for 11, Daniel one for 3, and Sandy Bebbington none for 5. Scores:

**A SUMMARY OF THE SEASON.**

During the season that has just closed it is interesting to know that out of 23 matches played by the team nine were won, four lost, and ten drawn. 3,022 runs were scored for the club for 190 wickets, giving an average of 15.8 per wicket, and 2,766 runs were scored against the club for 189 wickets, an average of 14.6 per wicket. The highest score the club made was 223 for seven wickets against Winnington Park, and the highest total against the club 275 for five wickets by Broughton. The lowest total of the club was 65 against Timperley, and the lowest against 46 by the Northern Zingari. The highest individual score was made by Harry Todd, who just reached three figures against Manchester University, and the highest individual score against the club was made by J. R. Smith, of Broughton, who compiled 137. The first eleven averages are as follows—

**OBITUARY.**

**MR WILLIAM LISTER, J.P.**

**FORMER MAYOR OF STOCKPORT.**

**WELL-KNOWN BUSINESS MAN.**

It is with regret we have to announce the death of Mr William Lister, which took place at his residence, Norwood Villa, Lowfield-road, Stockport, about 2 a.m. on Tuesday morning. Mr Lister had been ill since Easter, and went away for a holiday to the Canary Islands. On the return voyage he caught a chill, and became worse. Since his return home Mr Lister had been attended by

Dr. Rayner, but he never recovered from the attack, and died as stated. The deceased, who was 65 years of age, leaves two sons and two daughters, and the news of his passing will be received with regret by a large circle of friends and the townspeople of Stockport generally.

The late Mr Lister (in partnership with his brother, Mr Richard Lister), succeeded his father, the late Mr John Lister, in the business of a drysalter in Lord-street, and in which he was actively interested up to the time of his death. The deceased, who was a native of Stockport, married Miss Wakefield, a Stockport lady, in 1868, who died in 1897, leaving him a widower, with four children.

**HIS PUBLIC WORK.**

Mr Lister, although of a modest and retiring disposition, for many years had taken an active part in public affairs, in which his shrewd and sound business qualities served him well. In 1889 he was returned to the Stockport Town Council, together with the late Mr Jonathan Noden and Mr Robert Redfern, for the Middle Ward, and three years later was allowed a "walk over." After a re-arrangement of the Wards Mr Lister was returned as a representative for Spring Bank Ward, and was elected an alderman of the borough in 1901, and in 1902 Mr Lister was elected Mayor, filling the office for one year. His term of office as Mayor was a somewhat stormy one. Mr Lister was chairman of the committee charged with the important duty of bringing into operation the Education Act of 1902. Just before the election of Mr Lister the disastrous fire took place at the Vernon Cotton Mills on November 5th, 1902, in which nine operatives lost their lives and 30 were injured. Two funds were raised in the town at the time, including the "Echo" Shilling Fund, and another was opened by Mr Lister as Mayor. The two funds were amalgamated and during the time the mill was being rebuilt and the operatives were out of work, the fund was administered by a committee; the then Mayor taking a prominent part in it. The balance of the fund was invested for the benefit of the widows and children of the men who were killed at the fire, and Mr Lister, as the Mayor, with Mr Astle, Editor of the "Echo," were appointed trustees. This fund is not yet exhausted, and payments are still being made, but a

vacancy in the trusteeship has been occasioned by the death of Mr Lister.

It was also during Mr Lister's Mayoralty that a town's meeting was called at the Court House to consider the various clauses in the Corporation Bill, the proceedings being of a protracted and heated character, as also was a special night sitting of the Council. Certain clauses in the Bill were negatived at the town's meeting, but Mr Lister, as Mayor, won for himself golden opinions for the fair and impartial manner in which the meetings were conducted by him.

During Mr Wm. Lister's Mayoralty in 1902, his daughter, Miss Annie Lister, officiated as Mayoress with dignity and grace.

Mr Lister was appointed a borough magistrate in 1906.

In religion, Mr Lister was a member of the Portwood United Methodist Church, with which his father was also associated, and the deceased has held office in the Connexion, being hon. treasurer when the New Connexion Conference was held in Stockport. Mr Lister was also interested in P.S.A. work, and had been chairman of the Portwood United Methodist Chapel for many years.

In politics Mr Lister was a Liberal, being one of the leading members of the Stockport Liberal party. In addition to having been chairman of the Central Reform Club, he was for many years treasurer of the Stockport Liberal Association, and a member of the "400."

The late Mr Lister retired from the Council in 1904, together with other Liberal aldermen and councillors, when the Conservatives went into power, and he never sought to re-enter the Council after that time.

The deceased was connected with a number of companies in the town, including the Ark Mill, and was chairman of the Stockport Hat Supply Company.

Mr Lister was a member of the Stockport Licensing Committee.

Flags are flying at half-mast at the Borough Court House, the Hat Supply Company's Works, Central Reform Club, and other local buildings.

The interment takes place to-day (Friday) at the Stockport Borough Cemetery. A funeral service will be held in Mount Tabor Chapel at 11-15 a.m., prior to the interment at 12 o'clock.

**MAGISTERIAL REFERENCE.**

At the Stockport Police Court on Tuesday, Mr T. Kay, the presiding magistrate, made sympathetic reference to the death of Mr Lister. Mr Lister he said was Mayor of the town in 1902, and from 1889 to 1904 he served the town as a member of the Corporation. He did valuable work on several committees, he dignified the bench to which he was elected, and his advice was always esteemed, whilst his public speeches were characterised by good sense and sound judgment. He did much for the welfare of the people of the town, and in religious and P.S.A. work he took a prominent part. Their sympathy went out to the family. They could say of him -

His life was gentle,  
And the elements were so mixed in him  
That nature might stand up  
And say to all the world,  
This was a man.

Mr Helm, speaking on behalf of the gentlemen practising in the Court, said that they had the opportunity of judging the gentlemen who sat on the bench, and they had always found that in Mr Lister they had a magistrate who gave most careful attention to any matter that came before him. He had been associated with Mr Lister in many matters outside that Court, and he was always unostentatious, sympathetic, and charitable.

**THE SERVICE.**

The service, which was of a solemn nature, was conducted by the Rev. W. H. Lockley, assisted by the Rev. W. J. Crossley, suitable music being played by Mr J. W. Bray, who presided at the organ.

The Rev. W. H. Lockley said that as a memorial service had been arranged to take place on Sunday morning in the church with which Mr Lister had been connected, it was not necessary for him to say much that morning. They were going to lay aside the remains of a good man and true, a man of simple tastes and blamelessness of life. He was a man of sterling worth and solid character; he was not a man given to much speaking, but the few words he did speak were always weighty. There was a word which had a considerable modern tendency, the word "pushful" or "pushfulness," but Mr Lister was not a man of that description, he was of a quieter order. If his words were not many, they were wise words; they came from a sound man, and as he (the speaker) thought of him he was reminded of those still waters that not only ran deep, but which also best reflected the stars. He had the interests of the town at heart, and faithfully served it in

the capacity of mayor, alderman, and magistrate, and in many other offices. He was connected with many associations and organisations; he wrought well according to the gifts which God had given him, and he had well earned the rest which God had now given him. He was a loyal and faithful son of the Stockport circuit, which he represented in confidence. He was treasurer for the trust at Portwood; three years ago he took a foremost part in the founding of the new church at Edgeley, and to the end he was its friend and its treasurer. As he had seen Mr Lister so regularly in his place at Portwood Chapel, he had thought of Goldsmith's village preacher, who "never changed, nor wished to change his place." He had been associated with the church from his earliest days. Nowadays character told more and more; character was power, and in Mr William Lister they had that power.

**AT THE CEMETERY.**

The cortege afterwards proceeded to the Borough Cemetery, where it was met by the Mayor (Alderman A. Briggs), the Town Clerk (Mr R. Hyde), the Borough Treasurer (Mr H. Grundy), Alderman A. Johnson, J.P., Mr H. A. Johnstone, J.P., Councillor S. Brewster, Mr John Bateman, Mr Charles Carrington, Mr Edward Turkington, and other gentlemen.

The service at the graveside was conducted by the Rev. W. H. Lockley. The last solemn rites were very impressive, and witnessed with mournful and sympathetic interest.

**PROPOSED NEW CHURCH ROOM.**

**BAZAAR IN AID OF THE BUILDING FUND.**

A four days' bazaar was opened on Wednesday by Lady Forbes Adam in the Stadium Rink, Northenden, in aid of the fund that is being raised for the erection of a new Church Room. The objects of the bazaar are fully set forth in the bazaar booklet, in which the Rector (Rev. Lowry Hamilton, M.A.), chairman of the Bazaar Committee, states:—

Nine years ago exactly, on coming to Northenden as rector of the parish, there appeared to be at that time two needs which stood out as of paramount importance. One of these brooked no delay. Northenden was rapidly increasing in population; new houses, new streets, were springing up in our midst, and it was evident that action must be taken, and at once, to provide an addition to the church burial ground. It is now rather ancient history, but none the less a gratifying

Rev. LOWRY HAMILTON.

memory, that the scheme of extension by voluntary effort was determined on, and carried through, at last, with complete success.

The secondary need appeared to be more of the character of a luxury than a pressing necessity, but now the time has come when we may set about laying the foundation of this much needed room.

The old Church Room has done in its time, excellent service. It is an ancient building. In the course of years it has become somewhat gloomy, and as it now stands quite out of proportion to the requirements of our increased and still increasing population.

The new room, when it is built, will carry on the old name, and will be available—let this be clearly understood—for various kinds of parochial meetings, concerts, lectures, gatherings, etc., social and serious, which are held from time to time.

It is widely and generally acknowledged that the need of such a building is most strongly felt. Therefore, starting with a good cause, a popular object, and a real need, the promoters of this bazaar ought to feel confident that they will have the generous and loyal support of practically all our parishioners. Further, bazaars on the scale of this undertaking, in Northenden, are not of frequent recurrence. Many years have elapsed since the last call was made on the generosity of our friends, and many years will probably pass before another such call comes round again. A record rally should, therefore, mark with signal success this effort to establish a fund for the building of this room, universally regarded as the chiefest need, at the present time, in the parish. It is a matter of congratulation, and no small satisfaction, to feel that we are not grappling with the incubus of a debt (as is so often the fate of bazaar workers), but that we hope to see, as a result of our labours and self-sacrifice, in the near future of a building that we may feel proud to have borne our share and part in erecting.

Buildings are expensive, and good buildings are very expensive. We want a building that will stand the test of time, and the more money that is generously found for this purpose, the better the building, and the sooner we shall see it rising in our midst. We have now a population in the parish of Northen-

den of well over 3000 people. If one in three of that population spend or give £1 to the bazaar's fund we shall be in a position to set about the work! The organisers have been working hard and working well to secure success. It remains for the general body of our parishioners and friends to back up their

efforts, and if all will do their share the bazaar will be crowned with the happiest results.

The stallholders are as follows:—Pottery, Photograph and Picture Stall.—Mrs Tutton, assisted by Miss Tutton, Miss Cicely Chalmondely, and Miss Shakespear.

Thanks are due to Mr G. Livingstone for the use of the stadium Rink, free of charge, also to Messrs Price, W. Brickell, and Torkington for the putting up of the stalls, free of charge; and to Mr Foster, who has put in extra lighting for the occasion.

The Bazaar officials are:—Reception Committee, the Parish Church and Shadow Moss officials; advertising and entrance committee, Messrs J. S. Bailey, Widdowson, Bowring, Littlewood, and Dickinson; stewards, Members of the Parish Church choir, and others; joint treasurers, Messrs E. C. Tomlinson and A. H. Baycraft; committee, Rev J. A. Duff, Dr Munro (president), Messrs Menzies, Leach, R. H. G. Tutton, Kiernan, R. S. Clark, A. Neild, Mountain, and Chappell.

**THE OPENING CEREMONY.**

The bazaar was opened on Wednesday afternoon by Lady Forbes Adam in the presence of a numerous gathering. The Rector (Rev. Lowry Hamilton, M.A.) presided. Amongst those present in addition to the stallholders and other ladies, being Mrs Hamilton, Mr and Mrs L. E. Tutton, Mr K. H. G. Tutton, Rev. J. A. Duff, B.A., Dr Boycott, Dr Munro, Mr John Faulkner, Mr I. Davenport, J.L., Mr Widdowson, and others.

The Rector, in introducing Lady Forbes Adam, said: It is my pleasing and happy duty to extend to you from all who are interested in the parish of Northenden a most hearty welcome as opener of our bazaar to-day. If you only knew the many silent blessings that have gone out to you from those who had to organise this bazaar, you would feel amply rewarded for your kindness in coming to aid us. The object of our bazaar, like every other bazaar, is to raise as much money as possible by fair and free trading; but what this money we hope to raise will be spent on is to provide for our many parochial and social needs a better, larger, and more comfortable room than we possess in the present old Church Room. Northenden has grown rapidly, and this need is becoming more and more felt among us every day. The chance of meeting that need, or of going a long way towards it, is now being given to the parishioners, and it is my great ambition to see this building in our midst while I have the honour of being Rector of the parish. There are many pleasant incidents connected with a bazaar (as well as the reverse), but to look

on the pleasant side, among them we may number your presence here to-day, and though this is not the moment to dwell on this particular point, the goodwill, good-temper, keenness, and loyalty of all our splendid workers. One regrets the fact that local trade may suffer a little through a bazaar at this time of the year, but here in Northenden it should be remembered that seven years have elapsed since a bazaar of this kind was held, and I think I may safely promise that another long period will elapse before a venture is made on this big scale again. Lady Forbes Adam, I feel sure if we only knew the numberless calls and invitations that you have to help out parochial efforts of this kind we would be astonished. We consider, therefore, that we are greatly honoured in Northenden, and most sincerely thank you for your interest and presence with us to-day. I trust that you may long be able to continue your many acts and deeds of kindness, which are associated with your name in this county and neighbourhood.

Lady Forbes Adam, on being called upon, said the generous way in which all appeared to have come forward to help, was, she hoped, a good augury for the success of the bazaar. She had much pleasure in declaring the bazaar open for business, and hoped it would prove a great success. (Applause.)

Mr L. E. Tutton, in moving a vote of thanks to Lady Forbes Adam, said they were greatly indebted to her for honouring the bazaar with her presence and help.

Dr Boycott, in seconding, said that Lord Rosebery, addressing the students of the Liverpool University on Monday, said that what we wanted in our country and in our history was action, not speeches. He believed if Lord Rosebery had been present at this bazaar he would have said "We want money, not speeches." He (Dr Boycott) could, however, endorse all that had been said by their Rector and Mr Tutton as to their indebtedness to Lady Forbes Adam for coming amongst them to open the bazaar. It was for an excellent cause, a parish hall being greatly needed in the village, and all the more praise was due to ladies like Lady Adam for coming forward, from purely unselfish motives, and helping them.

The vote having been carried, Lady Adam bowed her acknowledgments, and was presented by Miss Hilda Faulkner (daughter of the Rector's Warden) with a magnificent bouquet of pink carnations, made and given by Mr Alfred Price.

**SECOND DAY'S OPENING PROCEEDINGS.**

The Bazaar was opened on Thursday by Mrs Tutton, of Wythenshawe, in the presence of numerous visitors.

In introducing Mrs Tutton, the Rector said: It would be an impertinence on my part to talk of introducing the opener. Mrs Tutton needs no introduction, and she knows full well that she stands here as a friend among many friends. It is true that it needed no little persuasiveness to induce her to stand on this platform, but we give to her a warm welcome, with our assurance that by doing so she has given us real pleasure. "I do not want to go down to posterity as the great bazaar opener." One might go down with a worse character and title. The date of the old church room is 1840. It is Trust property, and the trust must be upheld. There has been no difficulty in the past, and we need fear none in the future, as to the use of that room. There has been little or no restrictions put upon meetings and other gatherings held within its ancient and now bulging walls. We have in our parish no fewer than four important buildings, two schools, a working men's club, and the old church room. In each case, I think I am right in saying, the building has been given by the owner of Wythenshawe. Memory and gratitude are often short lived, and I am glad of the opportunity of showing and that of acknowledging that we owe a debt of gratitude to the past and to the present Squires of Wythenshawe. And I now add our warmest thanks to Mrs Tutton for standing in the position that she finds herself at the present moment.

In declaring the bazaar open for the day's sales Mrs Tutton said she had great pleasure in being present to assist them in their laudable effort to raise the funds necessary to erect a building suitable for the various purposes connected with the church and parish. She hoped their efforts would meet with abundant success.

On the motion of Mr John Faulkner, seconded by the Rev J. A. Duff, a hearty vote of thanks was accorded Mrs Tutton.

It was announced that the takings on the first day amounted to £260.

## Cricket Club. The Season's Record.

The season closed last Saturday of the Arpley organization will hardly compare favourably with that of last year, when the Warringtonians had a most successful time of it going through the West Lancashire League without a defeat, whilst in the ordinary engagements only one match was lost. The inability of the club to raise anything like representative teams in many of the later matches has been a very sore point, and there is no doubt that in several of the games where moral victories have been gained a different tale would have been recorded had the representation been in accord with the club's reputation.

The season opened full of promise, and so well did Warrington do at Newton, Warrington Park, Boughton Hall, and St. Helens Recreation, all away, that hopes were entertained of another long sequence of successes. The cold weather experienced at this portion of the campaign had, however, its effect on several of the players, and notably was this the case in that of Cresswell who for many matches was compelled to return home and the Arpley side had to rely upon the amateur talent. It was hard luck at Manchester and the dismissal of the strong side at headquarters for the paltry total of 82 was about one of the best performances of the season. In this game, the club had the assistance of the Rev. Eather Lawson and he proved himself a rare good bowler, but, unfortunately, he was unable to play in any of the other matches.

The club have also been in the unfortunate position of being deprived of the services of their skipper, Mr. B. Silcock, who has been in failing health more or less all summer. His loss has been felt severely for not only is he an able captain but a valuable batsman, and one capable of dissolving any dangerous partnership. Mr. Richardson has, however, stepped into the breach at an opportune time and has ably led the team.

The highest aggregate score made by the Warringtonians was 201, for the loss of seven wickets, at Ashton-under-Lyne, and the match was noticeable for a fine not out innings of 122 made by T. Wright, who easily heads the batting averages. The highest score made against the Warringtonians was that of Manchester, a strong side including several of the county professionals making 218 for the loss of six wickets. Warrington's lowest aggregate was 56 against Sale, whilst they dismissed Boughton Hall for 46. This match played on Thursday, June 16th, being noticeable for a fine bowling performance by W. Bennett who secured nine wickets for eight runs.

In all 24 matches were arranged and of these six were won, five lost, seven drawn and the game at Chester with Boughton Hall ended in a tie. Four matches have been marred by bad weather and a mistake in the Stockport game at Arpley caused the records to be erased from the first class averages. It may be stated that Wright in this game made 132 not out. The Warringtonians have lost 146 wickets for 1,058 runs and dismissed 158 batsmen for 1,822 runs. The bulk of the bowling has fallen on the shoulders of W. Bennett, the Rev. H. Gray and Cresswell and the returns below will show at a glance, the good work they have done.

The results for the season are appended:—

**DUKINFIELD CRICKET CLUB.**

**THE ANNUAL MEETING.**

**THE CLUB'S BRIGHTER FUTURE.**

The 40th annual meeting of the members of the Dukinfield Cricket Club was held on Friday at the Commercial Hotel, Ashley-street. Mr. George Heathcote, the president, occupied the chair, and there was a crowded meeting, among those who were present being Comtee Alderman C. H. Booth, Messrs. Joshua Hurst (secretary), John Thorpe (treasurer), J. W. Jackson, J. Hall, Percy Wagstaffe, G. H. Taylor, J. O. Lawton, and Joshua Garrod.

**THE SECRETARY'S REPORT.**

Mr. J. Hurst (secretary) read the annual report as follows:—  
The report we have to place before you, from a cricbeting standpoint, is not a gratifying one. As you all know, we are at the bottom of the league table. We have gained the distinction of winning the wooden spoon for the second time since we joined the league. This is to be deplored. (Hear, hear.) Still your committee is not dispondent, for we believe the players at our disposal are capable of better results. (Hear, hear.) The weather, as per usual with us, was very unfavourable, for out of fourteen home matches in three there was not a ball sent down. Several others were very much interfered with, including our home match with Ashton, which means to us if not played a very serious loss. (Hear, hear.) The first team, out of 28 matches, won 4, lost 16, drew 8. The second team, out of 23 matches, won 11, lost 4, drew 7. This is just the reverse of last year, but still a very creditable performance for our second team. (Hear, hear.) In the averages, first team, Mr. Ed. Heaton again heads the list in batting. He played 20 innings, not out 2, total runs 480, average 25.53 per innings. (Applause.) Mr. S. Horrocks comes second with 12 innings, 16.9 per innings. (Hear, hear.) In bowling, Mr. E. Hobson is at the top with 70 wickets at a cost of 11.90 per wicket. (Applause.) In the second team Mr. H. Halstead heads the list in batting with 12 innings not out 2, total runs 299, average 22.90 per innings in bowling, Mr. J. Hopwood leads the list with 2 wickets at a cost of 13.40 per wicket. You all know that we have just held a very successful bazaar, and I take this opportunity on behalf of the committee, of thanking all the members who have in any way assisted us in that grand effort. (Hear, hear.) I trust we shall not rest until we see good parishes on our ground, which is so essential to the welfare of our club. (Hear, hear.) During the year we have lost two of our most promising supporters and valued members in Mr. C. Lingard and Mr. Percy Wallwork. Your committee have appointed Mr. T. Poynton as professional for the coming season, and we trust that the young players will take encouragement from his tuition, as we all know him to be a very good coach. (Hear, hear.)

Mr. Heathcote proposed that the report be adopted, which was seconded and passed.

**THE FINANCIAL STATEMENT.**

Mr. John Thorpe, the treasurer, explained a few of the items which appeared in the balance sheet. The £21 for work on the ground was for various kinds of labour, such as boardings, and repairs to boardings, etc.

Alderman Booth asked about the subscriptions in arrears of £21.

Mr. Thorpe said they had about £35 all told, and he considered that there would be £21 good, or perhaps over.

A question was asked about the stationery, and printing and advertising being £5 more than last year.

Mr. Thorpe replied that there had been more general meetings summoned; they had had extra members' cards printed, which had cost 30s.

Mr. Lawton thought the arrears last year were £18. How much of that £18 was recovered and he also wanted to know how much of the £21 would have been collected?

Alderman Booth asked if the £21 subscriptions covered more than one year?

Mr. Thorpe replied that the £21 would be knocked off with the transfer of the bazaar fund. Mr. Lawton again put his question, and Mr. Thorpe said that about £8 pounds had been recovered.

Mr. Wagstaffe: Are there several subscriptions outstanding for several years?

Mr. Thorpe: There is no ordinary member who owes more than three years.

Mr. Ernest Ashton, an auditor, said it had been a great pleasure to him to go through the accounts. There were some things which struck one as rather awkward from an auditor's point of view, as there were items from a few shillings to £10. The accounts were on a sound basis and he could say that they were a correct index of what had been presented to him. Mr. Lawton asked for the £20 odd for work done on the ground to be explained; it was rather a big sum considering they had a professional. The treasurer read a detailed list of the items in this account.

The auditor's report was accepted. Mr. G. Heathcote proposed that the balance sheet be accepted. Mr. J. Garrod seconded and it was carried.

Mr. Heathcote proposed that Mr. Percy Wagstaffe be the president of the club for the coming year. Mr. J. Garrod seconded, and it was carried unanimously. Mr. Wagstaffe took the chair amid applause.

**THE NEW PRESIDENT'S SPEECH.**

Mr. Wagstaffe thanked them sincerely for electing him as president. He would do his utmost for them and he would welcome any suggestion that might be made to him for their betterment. Everything would be put before them as clearly as possible. He had had some experience of the cricket club in connection with the bazaar, and he could safely say that as chairman of the bazaar they had not a single hitch with anything in connection with that event. That was something out of the ordinary run of the cricket club. He would do his best in the future and he could not do any more. (Applause.)

On the nomination list for the position of treasurer there was only one name, that of Mr. Ernest Ashton, and he was accepted unanimously.

Mr. Heathcote moved that Mr. Frank Webb be secretary, and this was seconded by Alderman Booth on the understanding that Mr. Hurst had declined to stand again. The resolution was carried.

The committee was elected as follows: Messrs. John Stafford, G. Heathcote, G. H. Seel, W. Leuning, H. King, J. W. Ashton, and J. Hurst.

It was suggested that an auditor be appointed, who was independent of the club and it was moved that a professional auditor be elected. This was seconded by Mr. Sanderson. Mr. Garrod asked about the cost of such an audit. Mr. Wagstaffe said that when the committee got working it would not be a very great undertaking for any auditor to go through the accounts and certify as to their being correct. He did not think it would cost more than two guineas, and it would be more satisfactory from every point of view. He thought the committee should have power in regard to the appointment. Mr. Osh objected to such an appointment being made. When they had no money they had no professional auditor, but now they had money they wanted to spend it.

An amendment was moved by Mr. Kellott that the public auditor be dispensed with and that two members of the club be appointed. The amendment was put, 21 being in favour and 20 against the amendment.

Mr. Lawton moved that Mr. C. H. Sykes and Mr. Basil Baine be elected auditors. Mr. Heathcote seconded. It was then announced that Mr. Sykes had tendered his resignation and the name of Mr. Ellis Williamson was substituted. These were carried unanimously.

Mr. T. Heaton proposed that Mr. Sam Horrocks be captain of the first team, and Mr. Heathcote seconded. This was agreed to and also that Mr. W. Holt be vice-captain. Mr. Arthur Williams was elected captain of the second team.

Dr. Frost spoke about the selection of the teams. They had had gentlemen in the past on the committee who might be business men, but who perhaps did not know very much about cricket. He advocated a small committee of men or a sub-committee to select the teams for the different matches.

In the past it was known that the names were put into a box. That was a bad system and he would like to suggest to the committee that they take this matter seriously into consideration, and appoint a small selection committee of gentlemen who understood the game.

Mr. J. O. Lawton proposed a vote of thanks to the retiring officers for their services. He said they had done their best to carry out their various duties.

Alderman Booth, in seconding, as one of the oldest members of the club along with Mr. Lawton, had seen the good and ill fortunes of the club for many years past. They were in a better position since the bazaar than they had been for a good many years, and they were hopeful that their efforts would bear fruit on the cricket field and in other directions. He hoped they would get more members and that the players would endeavour to do their best. The efforts of the teams had not met with the success they deserved. He thought when they got the new pavilion it would be an inducement to the people of Dukinfield to subscribe to the funds. They were indebted to the officers of the club for their services during the past 12 months and particularly Mr. Thorpe and Mr. Hurst. The club had been in debt and they might congratulate themselves that they were retiring from office now that the club was fairly on its feet, and he hoped the new officers would put their shoulders to the wheel and bring the club back to what it was in its most palmy days. (Applause.)

Mr. Wagstaffe supported the resolution, and it was passed with applause. Mr. Thorpe and Mr. Hurst briefly replied.
