LANCING COLLEGE v. M.C.C.

Lancing College had their annual match with a strong M.C.C. team, yesterday, and, although beaten, gave a creditable display. They first assumed the defensive, R. O. Clark being the most successful run-getter. W. L. Gausson, going on late in the innings, captured two wickets for one run, while Geeson secured six for 42 and East two for 25. The first two M.C.C. batsmen came within two of the home total before a separation was effected. Afterwards, however, the visitors did not enjoy so good a time. At the close of play the visitors led by 71, and had three wickets in hand. G. L. Selby secured three wickets for 23, R. O. Clark two for 25, L. R. C. Sumner one for 15, and G. B. BRIGHTON POLICE v. WEST SUSSEX POLICE.

At Preston Park yesterday, Brighton Police met representatives of the West Sussex Police at cricket, in ideal weather. The Westerners went in first, but they failed to do anything very great. G. Holder's 15 was the highest score, next in merit being that of Blackman, 10. Both were dismissed by Lee, who altogether took 4 wickets for 19 runs. Tullett dismissed three for 12, and Hall 3 for 18. The best individual effort was in the score of G. Holder, who hit a splendid five. The whole were dismissed for a total of 53, and the Brighton men had hit up 17 for one wicket when an adjournment was made for lunch. On resuming, Barrow compiled 23, containing four fours and a three. Hillier also made a great stand. A four brought the score up to 52, and Hillier immediately made the winning hit. Score:—

The above is an annual match of some standing, and in consequence there was a considerable attendance at the luncheon interval at the "Crown and Anchor," Preston, where an adjournment was made. Among those present at the lunch were Captain Drummond (Chief Constable of the West Sussex Police), who presided, Sergeant Hall (Brighton), Superintendent Hooker (Steyning), Superintendent Welling (Midhurst), Sergeant Slade (Chichester), Sergeants Paine and Avis (Worthing), Sergeant Blackman (Horsham), Sergeant Marsh (Pulborough), and P.C. E. Jones (Brighton) in the vice-chair. An apology for the absence of Mr. W. B. Gentle (Chief Constable of Brighton) was made by Sergeant Hall, who explained that business engagements prevented his attendance.

BRIGHTON COLLEGE v. MERCHANT TAYLOR'S SCHOOL.

Played at Bellingham yesterday. Winning the toss, Brighton College started their innings at 11.30. Dover was caught when the score was 13; but H. Davies and Murdoch carried the score to 37 before Davies was out for a useful 27. Murdoch was eventually run out for a finely compiled innings of 51. The remainder of the Brighton wickets fell cheaply, with the exception of W. E. I. Read, who scored 43, and the last wicket fell at 219. At a quarter to four, the Merchant Taylors opened their innings with Greenhill and Roe. When the score was 12, three wickets fell, all secured by Baker in one over. Wickets continued to fall frequently, and the homesters were all out for 65. For Brighton College, Baker secured six wickets for 27, and Davies four for 31, while for Merchant Taylors, Burton took three for 22. Score:—

LOCAL CRICKET.

Midhurst cricketers were pleased to see the bowling success of Dan Hill on Saturday. Of late "Dan" appears to have been out of form, and the attack has fallen mainly on young Bartlett. Against the Soldiers from Chichester, however, "Dan" showed that he had only had a temporary relapse. His selection for the county second eleven against Essex II. has given much satisfaction locally.
