**CHEESHIRE COUNTY CRICKET.**

Cheshire played Notts II. on the Crowe Alexandra ground on Wednesday and Thursday. There was not a large attendance, but some interesting cricket was displayed. The weather was fine, and although the ground is one of the best in the county, the recent heavy rain had rendered it rather soft. Cheshire were the first to bat, and E. Osborn, the famous Crowe Alexandra skipper, was got out for 3, being caught between the slips, much to the disappointment of his many friends. Wild made a good innings for 19. Moorhouse (Crews) played splendidly for 22. F. Bennett (Crews) stuck gallantly to his charge, hitting up the handsome score of 30, while Mason made a capital innings for 25, and L. Hales was good for 19, running up 14 for three hits. At luncheon time the score was 93. When the score reached 100 there was much enthusiasm. Notts tried frequent changes of bowlers. Cheshire was batting for 2 1/2 hours, and the score for their first innings was 166. Play was throughout interesting, and the result was regarded as very creditable. Notts followed on. The innings was opened by James and Armstrong, who were faced by Barker and Mason. At 19 James was stumped. Lee, who went in, was nicely taken by Mason in the slips from Barker. Iremonger, who followed, was quickly disposed of, and the score stood at 36 for three wickets. Stapleton retired with a duck. Half the wickets were down at 27, the scoring being pretty nearly on the same lines as Cheshire, who lost half at 58. One hundred was reached after about an hour and a quarter's play, Whysall having contributed 45. He assisted to take the score to 112, when he was caught by Hunter. The Cheshire bowling became very effective, and Notts terminated their innings with 123 to their credit. At a quarter to six o'clock Cheshire opened their second innings. Moorhouse played a nice game for 23, and Potter was batting well for 39 (not out), when the match was suspended for the day, just before seven o'clock. Cheshire had then lost three wickets for 71. **YESTERDAY'S PLAY.**  
Owing to rain play was not resumed yesterday (Thursday) until 2.45. The wicket was wet and slippery. Potter, who left off on Wednesday with 30 to his credit, took up his stand, and with Hunter took the Cheshire score to 141, when Lee got the better of him, his wicket falling for 7. After this separation a rest in, and the remainder of the wickets fell for five runs. Notts commenced their innings at quarter-past four, Mason and Barker, Armstrong succumbed to Mason's first ball, Hales coming off with a very fine catch. Lee and James had a fairly profitable partnership, both hitting out exceedingly well. Moorhouse was put on the bowling, and the batsmen became very cautious, only hitting at certainties. At five minutes to six time was up, and the innings closed with Notts only six wickets down for 105.

MINOR COUNTY CHAMPIONSHIP

CHEESHIRE v NOTTS II

BRIGHTLY BOWLING BY LEE

No definite conclusion was arrived at in the match between Cheshire and the Notts. Second Innings at Crewe yesterday...

Play was not resumed until nearly three o'clock, and then Peter and Hunter, the energetic batsmen, further strengthened Cheshire's position by putting on 70...

Robert played smartly for his 70, supported by clever batting against good bowling. The Notts attack might have been varied with greater advantage...

Lee bowled brilliantly, and in four overs took four wickets for 17 in a run. In his first over he took four wickets for six runs...

Armstrong was out with the first ball sent down when Notts went in again, but James and Lee scored at a brisk pace until the latter offered a tame return...

Innings fell previous to Hunter's slow break, but in the last forty minutes Whyhall gave an attractive display, his well-placed off drive being his most productive scoring stroke.

When play passed Notts were 74 behind with four wickets in hand. Score—
