A J Silverlock hit 23 x 4s, and Capt. F L Giles hit 12 x 4s.

Missing: Ground details; Foss; Umpires; Debutants; First day score. Who was the Monmouthshire captain and wicket-keeper?

Monmouthshire bowling analysis (1st innings); Fall of the 2nd Monmouthshire wicket; Who bowled the no-balls in the Monmouthshire innings?

May need checking: Extras in Monmouthshire innings are given as 49 in the manuscript, but the breakdown adds up to 40 (40 is probably correct as this makes the batting add up); Carmarthenshire bowling adds up to 350; M Stratton in Wisden; Capt. MONMOUTHSHIRE'S GREAT WIN.

CARMARTHEN BADLY COLLAPSE.

Monmouthshire declared at their overnight total at Abergavenny on Tuesday, and Carmarthen again did badly against fine bowling by Gordon Phillips. James batted nicely, and Ike Evans playing skilfully was undefeated at the close. Carmarthenshire's batting was very lacking in dash, and they appeared shy in hitting at Silverlock. Monmouthshire won easily by an innings and 209 runs. Scores:—

WARWICKSHIRE v. DERBYSHIRE.

Played at Edgbaston on August 4, 5 and 6. Warwickshire won by 143 runs.

In their last home match of the season, Warwickshire scored 279 on Thursday and got three Derbyshire wickets down for 61. Charlesworth followed up his recent good scores by one of 89. Forcing the game well, he made the runs in 150 minutes and hit a 6 and eight 4's. Kinneir and Byrne also were seen to advantage, and Baker took out his bat for a serviceable 42. After Derbyshire had lost three wickets for 34, Sale and Cadman added 27 without being separated ere stumps were drawn. Matters went much in favour of the home side on Friday, and at the end of the day they were 276 runs on with four wickets in hand. For some time Derbyshire favored badly, the total being only 120 when the ninth wicket fell. Ten runs were then wanted to save the follow-on, and Forester and Humphries, rising to the occasion, put on 87 by vigorous cricket: the former hit a 6 and seven 4's in his plucky and meritorious display. Warwickshire, going in again, made 204 for six wickets before stumps were drawn. Lilley, hitting a 6 and eight 4's, made 67 in 110 minutes, whilst Quaife, batting steadily, was in for nearly two hours and a-half for 60: together they put on 85 for the third wicket. During the innings Morton obtained his 100th wicket of the season. On the third morning the innings closed for 221, leaving Derbyshire 234 to win—a task they never seemed likely to accomplish. At lunch half the side were out for 57, and after the interval Foster bowled in great form and Warwickshire won easily. Score and analysis:—

NORTHANTS v. LANCASHIRE.

Played at Northampton on August 4, 5 and 6. Lancashire won by an innings and 112 runs.

During the three hours and a-half that cricket was possible on Thursday the visitors (who included four players named Tyldesley in their team) made 284 for five wickets. Makepeace was bowled at 19, but, following his dismissal, Tyldesley (W.) and Tyldesley (J. T.) added 155 for the second wicket in 105 minutes, and the latter and Sharp 77 for the third in 45. Tyldesley (J. T.) made his 124 out of 242 in two hours and three-quarters and hit ten 4's: he hit brilliantly all round the wicket, especially to the off, but was badly missed by Haywood in the long-field when 5. On Friday play was restricted by rain and halt to less than half-an-hour, during which time Heap and Hornby added 30 runs off the nine overs sent down. First thing on Saturday the innings was declared closed. To a certain point Northants did fairly well, three figures going up in their first innings with only four men out. But the side were out for 114, despite Thompson's admirable batting for two hours and a-quarter. In the follow-on they were got rid of in two hours and 20 minutes for 88, Heap, although hit by Smith for 20 runs in an over, taking nine wickets for 43. In the whole match he dismissed fourteen men for 43 runs—a good day's work. Score and analysis:—
