**BOURNEMOUTH TEAM v. MR. BEDDINGTON'S TEAM.**—A very pleasant match was played at Bere Regis on Bank Holiday. Following the precedent of the last three years a team came over from Bournemouth, captained by Mr. Beddington, to oppose an eleven got together by Mr. Bedford. This year's match will be remarkable in years to come for the long stand made by the first two batsmen on Mr. Bedford's side. Messrs. Peel and Dwight put on no less than 204 runs for the first wicket—a feat not often accomplished anywhere, but probably a record for so-called village cricket. Mr. Bedford entertained the players and many other friends to luncheon and tea. The game was witnessed by a concourse of spectators that would have surprised the military critic who wrote in these columns a short time ago.
