

## Hereford Liberal C.C.

The Hereford Liberal Cricket Club had a very successful season last year, and they have been encouraged to run a couple of teams this season (Thursday and Saturday). The fixtures that have been arranged by their hon. secretary (Mr. W. J. Parrott) are very satisfactory, and some nice "outings" are in store. Up to the present, the practice has not been progressing as well as it might be, but generally speaking this is always the case—teams do not put their hearts into the game until the season has well started. Several meetings have been held, and useful officers appointed, so that the season they have now entered upon should be as successful as the last one was, and, if this is the case, no one will be able to grumble. There are still a few Thursday fixtures open, and the hon. secretary would be glad to hear from any teams who could fix up matches. The fixtures are as follows:—

## Lugwardine C.C.

The Lugwardine Club has an interesting list of fixtures, including one with Cardiff City Y.M.C.A. for August Bank Holiday. A fixture on this date at Lugwardine Court, the seat of the president of the Club (Sir H. A. Croft, Bart.), always draws a good attendance, and given fine weather, the fixture this year should prove no exception to the rule. There was a prospect of a match with Cardiff St. Mary's on Coronation Day, with whom on previous occasions several fine games have been witnessed, but the local arrangements for the day precluded the possibility of this fixture. The team will be composed much as last year, but it is interesting to note there will be several additions of young players. The fixtures are:—

May 13.—Withington, Away.  
 May 20.—Hampton Court, Away.  
 May 27.—Holmer, Away.  
 June 3.—Liberal Club, Away.

 Aug. 12.—Brockhampton, Away.  
 Aug. 19.—Froome Valley, Away.  
 Aug. 26.—Post Office, Home.

## Withington C.C.

The cricket season at Withington is being looked forward to with interest, and the ground at White-stone is receiving every attention, and has for some time past. Mr. Mauvan, the energetic hon. secretary of the club, has arranged a strong list of fixtures, and the prospects of the coming season are as favourable as they ever have been. The players available will be much the same as last year, with the possible addition of one or two "colts." The fixtures are:—

May 6.—Froome Valley, Away.  
 May 13.—Lugwardine, Home.  
 May 20.—Colwall, Home.  
 May 27.—Canon Froome, Away.

 Aug. 26.—Holmer, Away.  
 Sept. 2.—Allensmore, Home.  
 Sept. 9.—Tupsley, Away.

## Tupsley and District C.C.

This is a newly-formed club, having for its nucleus the few remaining players of the old Constitutional C.C. (which has been wound up), and augmented by the addition of fresh players and an infusion of young blood. The committee have arranged with Mr. Morris, of the Field, for the use of his ground for net-practice and matches. A good fixture list has been arranged. Practice nights are on Tuesdays and Fridays, and the opening game is on Saturday next, May 6th, with a Married v. Single match, when the committee will be pleased to see any players who think of joining the club. Altogether a successful season is anticipated. The fixture list is as follows:—

May 6.—Opening game, Home.  
 May 13.—Brockhampton, Home.  
 May 20.—Froome Valley, Home.  
 June 3.—Withington, Away.  
 June 10.—Lugwardine, Home.

 Aug. 26.—Hampton Court, Home.  
 Sept. 2.—Hampton Court, Away.  
 Sept. 9.—Withington, Home.

## Holmer C.C.

Holmer hope to have a very successful season, as most of the old players will be available, and there has been a considerable influx of new members. Mr. C. Smith is the hon. secretary, and he has secured an admirable list of fixtures. Mr. T. Goodwin is captain, and Mr. H. Hollington sub-captain, whilst the treasurer is the Rev. F. H. Tuke, and the Committee consists of Messrs. T. Barton, H. Thorne, H. Richards, F. Dutton, and the Rev. J. Haynes. Mr. A. Davey has kindly consented to be the President for the ensuing season, and the vice-presidents include Mr. W. R. Bulmer, Mr. E. Bond, Dr. Butler, Mr. W. H. Heywood, Mr. H. Hollington, Preb. M. Hopton, Capt. Legge, Mr. W. Pre. Col. Scobie, Mr. O. Croft, Mr. Jas. Thorne, Mr. G. Thynne, Mr. W. Townsend and the Rev. F. H. Tuke. The fixtures are:

May 6.—Leominster, Away.  
 May 13.—Eardisley, Home.  
 May 20.—Garnons, Away.  
 May 27.—Lugwardine, Home.

 Sept. 2.—Froome Valley, Away.  
 Sept. 9.—Garnons, Home.  
 Sept. 16.—Married v. Single, Home.

## Froome Valley C.C.

The Froome Valley Cricket Club members have made up their minds for a very successful season, and there is no reason why this should not be the case. Mr. R. Braithwaite is the hon. secretary, and he is to be complimented on the list of fixtures that he has compiled. Mr. H. P. Foley is the president, and the vice-presidents are the Rev. A. G. Jones, the Rev. M. R. S. Onslow, Mr. H. K. Foster, Mr. Wm. Griffiths, Mr. W. H. Taylor, and Dr. J. H. Wood. The captain is Mr. P. H. Foley, and the sub-captain Mr. H. J. Dent, and there is no doubt that these are very popular selections. The treasurer is Mr. Foley, the auditor Mr. J. Toyn, and the committee is composed as follows:—Mr. P. H. Foley, Rev. A. E. Green-Price, Mr. P. E. Bradstock, Mr. R. Braithwaite, Mr. H. J. Dent, Mr. H. K. Foster, and Mr. H. Griffiths. The ground, which is situated at Stoke Edith, is in good condition, and there is no doubt that the "dark blue and whites" will have a pleasant season. The fixture list is as follows:—

May 6.—Withington, Home.  
 May 13.—Ross, Away.  
 May 20.—Tupsley and District, Away.  
 May 27.—Eastnor, Home.  
 June 3.—Holmer, Away.

 June 17.—Lugwardine, Away.  
 June 24.—Ludlow and South Shropshire, Home.  
 July 1.—Ledbury, Away.  
 July 8.—Colwall, Home.  
 July 15.—Eastnor, Away.  
 July 22.—Tupsley and District, Home.  
 July 29.—Ludlow and South Shropshire, Away.  
 Aug. 5.—Ross, Home.  
 Aug. 10.—Falcon Touring Club, Home.  
 Aug. 12.—Withington, Away.  
 Aug. 19.—Lugwardine, Home.  
 Aug. 26.—Colwall, Away.  
 Sept. 2.—Holmer, Home.  
 Sept. 9.—Hampton Court, Home.

Holmer continued their victorious career on Saturday at Widemarsh, when they defeated Hampton Court in no uncertain fashion. The visitors went to the wickets first, and when the first man was out 11 runs had been registered, and four runs later the second batsman retired to the pavilion. The bowling of Cripps and Thorne for Holmer was very deadly, in spite of the fact that the pitch did not give them much assistance, and four wickets had fallen for 25, 6 for 30, 4 for 46, and the whole innings was finished for 59, only W. Thorne and the Rev. W. Wolfenden making double figures. Thorne took six wickets for 25 runs, and Cripps four for 31. When Smith and Goodwin opened the Holmer innings they played brightly, and before the former was dismissed 38 runs were on the board, he having claimed no less than 21 of them by sound cricket. Then H. Thorne came forward, and he was as successful with the bat as he was with the ball, for in a short time he had compiled 38, scoring one 5 and 17, amongst other hits. The second wicket fell for 119. T. Goodwin still remained master of the bowling until he hit one ball rather badly and was caught by Poulton off his own bowling. He played brightly, and his hits included 100 and eight 4's. A. N. Astbury and J. H. Wood played out time, when the total was 149 for six wickets.

The Liberal Club had their colours lowered rather early on Saturday. They entertained Withington at home, and the visitors, aided by bad fielding on the part of the Liberal players, managed to score 100 runs. Wright and Heal bowled well, and were not backed up smartly by the men in the field, some very bad "misses" being witnessed. The score did not look very formidable, but soon altered the tale, for he bowled with deadly accuracy that seven wickets fell for 27 runs. The first three wickets fell without a run being scored, and seven were down for 10. A good stand was then made, the score being increased to 24 for the next wicket, and on the 25th. Nothing further was scored, and the Liberals had to retire in the minority by 74 runs. There are no "notable performances" to be noted in the batting side at any rate! Wright and Heal made 28 between them, leaving 100 runs for the remaining nine men, including extras. There were seven "ducks."

Hereford Post Office have little to congratulate themselves upon over their visit to Holme Lacy. They went to the wickets first, and only scored 22 runs. The bowling was well shared by the Holme Lacy men, for, truth to tell, it was almost impossible to bowl for any length of time. Holme Lacy passed the figure against them for the loss of the second wicket. Bryant and Menzies batted for their scores (21 and 20 respectively), and the total was scored by the whole side was 22.

Upton and District had a very enjoyable outing on Saturday last, when they played their return match with West Malvern, winning easily. The match was a bit fiery, and the ball flew about considerably. The main feature of the match was the bowling of T. V. R. Wilmshurst, who took 10 wickets for 6 runs, the home team being quite unable to cope with his deliveries. Owing to the achievement West Malvern only scored 26 runs, and he had to fight hard for his 10. T. V. R. Wilmshurst and compiled 71 by good cricket. He bowled very well.

Upton and District met with more than their match on Saturday, when they tried conclusions with Ludlow and South Shropshire. The journey to Ludlow was much enjoyed by the Herefordshire men, but the cricket might have been more to their taste. They went in first, and, after beginning brightly, they never recovered, and were all out

for 82, no less than 20 of the total being "extras," and no other individual score reached anything like that total. The Shropshire men, who had been very smart in the field, showed that they knew the way to use a bat, and Leominster were given a time at leather hunting, the like of which they have rarely experienced before, for no less than 119 runs were scored for six wickets. Faircloth batted admirably, and claimed no less than 119 of the total by brilliant cricket. He knocked the bowling all over the field, and scored rapidly. G. W. Marston had 50 to his credit ere he was bowled by Howell, Baker was not beaten when he had scored 47, Foster hit 30 in a very short time, and Leake made 27. The whole of the batting was first-rate, and out of the seven men who went to the wickets for Shropshire, only one failed.

Froome Valley played at Ledbury on Saturday, and they had a strong team in the field. Ledbury won the toss and commenced their innings with Berkeley and Lance, and after the former had made 18 he was bowled by Dent. James was leg before after playing well for 16, and Corington and Davies added 16 and 15 respectively before they were defeated. The other wickets fell cheaply, for

the batsmen could not get on at all with the bowling of Foley and Dent, and the innings closed for 96. Froome Valley started with E. Griffiths and P. E. Bradstock, and runs came freely. The score reached 32 before Griffiths was caught, after making 35 by good cricket. Foster, the Worcestershire player, came in first wicket down, and started punishing the bowling severely. The score had reached 173 before Bradstock, who had made 67, was caught by James. Foster left at 185, after making 65 in his characteristic style, and then the bowlers soon finished the innings, the net result being 199 runs.

Eastnor were at home to Bromesberrow on Saturday, and won comfortably by means of good cricket, Phillips playing well for 36. Altogether they made 121, and in the face of that total the visitors had little hope of winning the game. They failed in their attempt, and were all out for 29, thanks to the splendid bowling of Winter and Court.

In the Ross League on Saturday, Ross second XI. were in such fine form at home, that they knocked up nearly 200 runs (196) for six wickets, against Bishopwood, the chief scorers being Willden (59), Thomas (74), Price (20), and Meredith (29). The visitors managed to play out time for the loss of six wickets, but their total runs was only 78, and time saved them a very bad defeat.

Ross were so much superior to the Monmouth Grammar School on Saturday, that they dismissed them twice for 82 runs, and made 117 themselves for one out. Ellis bowled marvellously for Ross, and in the two innings took twelve wickets, whilst Jeffery had the best batting average, making 40 runs.

Ruardean, who were on their own ground on Saturday, defeated Mitcheldean by a small margin. The home team batted first and only made 58, Bruce taking six of the wickets. Mitcheldean did not do so well, and were dismissed for 41 runs, Whittington taking six wickets for a very low average.

Upton Bishop were defeated at Perrystone by 27 runs, after a good game. The homesters knocked up 38 runs, mostly with the help of Lord (21), Thornley (31), and Alexander (17), whilst Upton Bishop only replied with 61. It can be said that Thornley won the match, for in addition to making 31 runs, he bowled seven of his opponents.

Colwall met the Royal Grammar School, from Worcester, on Saturday, at the Recreation Ground, Colwall, and after a pleasant game victory came to the home team, for whom Tossell played a brilliant innings of 109, which included nineteen 4's. For the visitors Hobson played a steady game for his 25, and Mr. Chessall hit five 4's in his bright score. Tea was kindly given to both teams by Mr. W. H. Lawton. The school were handicapped by several of their best men being away at Windsor. G. Woodhead took three for 27 runs, and C. Evans one for 1.

Bromyard were severely handicapped in their match on Saturday with Tenbury in having to make the journey without their crack bowler, J. P. Yorall, and consequently suffered a heavy defeat. The visitors' batting was much below standard, and with the exception of Elwell, who kept his end up a good length of time for ten runs the batsmen gave a very miserable display, and were dismissed for 47. Bromyard opened sensationally when Tenbury went in to bat. From Tandy's first ball Morton was given marching orders. This, however, proved to be only "a flash in the pan," for when the brothers Baldwin became associated they sent the ball in all directions, "W.J." lifting Elwell out of the field for six twice in an over. Before a separation could be effected, these two players had won their side the game. Sampson played a delightful game, also being not out at the finish for 23.

A correspondent writes under the headings: Local Cricket League. Does this encourage sport? "I was present at a cricket match at Perrystone Court on Saturday afternoon last, between Perrystone Court and Upton Bishop, in the Ross and District Amateur League Competition. From the commencement of the play it was noticeable that players on both sides were most anxious to secure a victory. Perrystone batted first and scored 88 all out. There was more than an hour and a half left to play, but although (through, I believe, the kindness of General Clive), tea was ready on the ground the home captain led his men at once on to the field ready to continue the game without even allowing the customary ten minutes' interval, and in the space of six minutes from the close of Perrystone's innings two Upton Bishop batsmen were at the wickets. Now what I complain of is the unsatisfactory and unsocial conduct of the home team in leaving the visitors no time to have tea. Tea-time in these village cricket contests has always been to me an enjoyable twenty minutes or so, when players of opposing sides can have a friendly chat on things cricket or otherwise. I take it that where tea is provided it is an "unwritten law" of cricket that an adjournment should

be made for that purpose by both teams, and I think conduct such as I have described does not tend to encourage sport and pleasant games, which is, after all, what we expect in cricket. In closing I may add that I am a supporter of 'The Bishops,' and have always found them a thorough sporting side. Although they have oftentimes tasted the bitterness of defeat they have taken them in the proper spirit, and I am sure can set an example to some teams in that respect. There is nothing of the 'win, tie, or wrangle' about them. The result of this game was that Perrystone won by 27 runs when only three minutes from time."

There is something to be said from the point of view of my tea-loving correspondent, but in first-class spectacular cricket, of which I have been compelled to endure a good deal, the tea interval has a most baneful influence, contributing materially to induce that feeling of "sloppiness" which needs no encouragement among cricketers. Perhaps in the country village it is different, and with an invitation tea waiting it would have been difficult to get me out into the field again without refreshment. But after all is said and done I have more than a sneaking regard for the keenness of Perrystone. Enthusiasm is the very salt of sport and, while there is much to be said against too much of the pot hunting fever being infused into our grand old summer game, a little more interest in the result of a game, such as a league contest invokes, would often be a good thing.

BY IMPRESSIONIST.

Herefordshire fared rather badly in their fixture with the Newport Club on the Hereford Racecourse on Saturday, losing by 103 runs. The visiting eleven first defended the wickets, and at the luncheon hour had lost four men for 113 runs. Up to this time Grassott had bowled with some success, and two of the Newport "reds" had been dismissed. One, however, in Silverlock, remained, and he owed his return to the wickets after lunch to his lucky stars and to Howlow, the home captain, who failed to hold a simple catch when Silverlock was 33. The seriousness of this mistake was proved by that professional knocking up seven over the century. He packed admirably, and after lunch never gave a chance until he was caught behind the wickets. It is often in such many fears, and is not the first big innings he has scored against Herefordshire. Rainford's 30 was also obtained by means of bright batting, and Stedman, the visiting captain, declared when he was bowled by Croft for 30, and when eight wickets had fallen for 271 runs.

With nearly three hours in which to exceed this total, Herefordshire's chances of success were not rosy, and with Stedman and Silverlock bowling well, it was soon evident a draw was the only thing to play for. Howlow and Rainford's partnership, however, was soon dissolved, and Phillips partnered Levisk for a few minutes only, the former being bowled by the second ball he received. Grassott and Levisk stayed the rest, their partnership realising 62. The former supplied a well merited score of 55, and Levisk luffed prettily for his 20. For the rest, Rainford, who took Stedman's place, proved too much, and was out for the moderate total of 103. A remarkable feature of the match was the number of extras against Herefordshire, they being no less than 82. In the field the home team were slower than their opponents, and the helplessness of Herefordshire's defeat is attributable to slackness in this respect.

Tisbury and District were at home on Saturday to Holmer, who, unfortunately, only brought a weak team, and were badly beaten. The visitors took first knock, but were all out for 22, including four for an over. The home team at first did not do much better, losing five wickets before the evening lit was made. Afterwards, either the batting improved or the bowling deteriorated, the last five wickets putting on 87 runs. Included in this was a well hit not out innings of 48 by S. W. Lloyd, by which were won T. V. B. Wiltshire and A. Watkins divided the bowling honours taking five for 13 and four for 9 respectively. Tisbury, I hear, have an open date on Saturday next, July 29th, and would like to arrange a game with a local club.

Considering the strength of the Ludlow and South Shropshire Club and the handsome entry they gave Hereford County the other day, the boys of the Hereford Cathedral School may be heartily congratulated on the good fight they put up against them on the Wyggeston ground on Saturday. The club had first knock, and Douglas played well for 61, when he had to retire hurt, the innings finally being declared closed for 108 for seven wickets. The School made a very bad start, losing three wickets for 15, but C. E. H. Thomas (43) and G. Millward (33) came gallantly to the rescue, and at the close of the game the total stood at 148 for four wickets—honours ours. On the same day Monmouth Grammar School defeated Monmouth by 44 runs. L. Edwards and G. Osborne contributing 57 and 50 respectively to a total of 101.

In paying their first match with Gloucester this season on Saturday, Ross came in for a severe defeat at the Spa. The home eleven had choice of innings, and taking advantage of a special wicket, which meant a great deal to the batsmen, they came at a great pace, but, however, were without Gross, B. next, and Thomas, but so well did the Gloucesterians command the Ross bowlers that no less than 200 runs were hit up for the loss of only five wickets. W. Freeman (34) and I. George Romans (6) not out) were instrumental in obtaining the highest individual scores. Each of the Ross bowlers tried was treated practically alike, and those that were successful in obtaining wickets had to pay rather dearly for them in the shape of runs. The Gloucester batsmen were declared at 206 for five, which left Ross about two hours to bat. Gloucester had a delightful change of view in their bowling, and, as will be seen by the scores, Pyle and Freeman did nearly all the damage with the ball. Very creditable scores, however, were registered by W. P. W. Jeffrey, C. Montgomery, and A. Ashton, but the eleven were unable to play out time, and their venture closed with the score at 121.

A good all-round performance by R. Perkins gave Wiltshire an easy victory over Hampton Court by a goodly number of runs and wickets. Perkins was not content to be the "four corners" but he was not but did a good deal of his own work. His figures are worth producing:— 8 overs, 6 maidens, 5 wickets, 4 runs. Whatever chance Leominster may have had against Tisbury was lost through dropped catches. This form of error is often very expensive as Leominster found to their cost on Saturday. W. F. Baldwin, who scored 121 against them, was missed for an early run in the innings. Thus Tisbury after discussing Leominster for 80, were enabled to repeat with 186 for two wickets, a victory which is somewhat in the nature of a surprise. I have also to record the fall of Peoria Valley in the hands of Eastbury. Two wickets were all they got, and the Valley was not at all strong by any means. For all that Eastbury did very well to come out and defeat their powerful opponents by 18. Their bowling was smother, and they deserved to win.

One of the most exciting games that has been witnessed on the racecourse was played on Wednesday between the North and South Herefordshire Hunts, for the game was won and lost with the last ball of the match. The North Hunt went to the wickets first and thanks to W. P. Levick knocking up 135, R. Brown 34, W. Brocklehurst 31, and Capt. Umfreville 24, the score of 284 was on the board when the last wicket fell. On the South going to bat A. P. Nicol added 108, by some fine shot, while N. Bennett (21) and P. Bennett helped the score on considerably. At this stage the North Hereford men had given a match up for a draw, but a change came, with three balls to go, only one wicket to fall. The last ball was sent down, and brought, with a big hit, put the sphere to rest. It was then a matter of win or lose for the North Hunt, but Courage was not wanting, and held the ball amid much excitement, thereby winning the match for the North men.

The match between the Past and Present of the Cathedral school was played on Friday afternoon, and resulted in a good win for Present. The School commenced well, but Hopewell knocked up 33 before he was bowled by Grasset, and was ably supported by Millyard, who collected 25. C. B. Gordon added a well-played 26 to the score, and at the conclusion of the innings 203 were on the board. The extras reached a startling figure, for they meant that 58 runs were added to the total. The "Past" commenced well, for Dalhousie knocked up 23 very quickly. Grasset, however, was the man who helped the team to put up a better fight, for his 51 were needed, as also were the 55 runs compiled by Griffiths. However, with the total at 189, the game ended. Barnett bowled splendidly during the attack.

There is no doubt about the fact that the Liberal Club had a day "out" on Saturday, when they met the Hereford Post Office team at Widemarsh, and there is also no doubt about the fact that the Post Office had a day "off." They went to the wickets first, but never before this season has there been seen such a procession of surprised and uncomfortable batsmen. Noakes and Lord went out first, and commenced the innings, but against Heal they could do nothing. He has never been in such form before, and clean bowled Noakes when he had scored only one run. Pearce was sent home with a "duck" to his credit, and he was not the only one to suffer this fate, for no less than seven "ducks" were recorded. The whole innings only produced 19 runs, but the worst of it all seems to be the fact that a Liberal Club reserve man made the highest score (10), and he was not out! Deducting this score, and four extras, the ten Post Office men claimed five runs between them. The fall of wickets makes very interesting reading, and it was as follows:— 1-1, 2-1, 3-6, 4-5, 5-5, 6-6, 7-6, 8-11, 9-12, 10-19. Wright and Heal did all the bowling, the former taking two wickets for seven runs, and Heal eight for eight. When the Liberals went to the wickets runs came freely, though the first man was dismissed without breaking a "duck." Crockett and Wright laid about them in a happy mood, and each boundary seemed to make the Post Office men wriggle, and they must have thought how easy it all looked, and wondered why it was they could not do likewise. There was not a failure after the first man, and the score stood at 152 for the loss of eight wickets. Dowers made 30 not out in sound cricket, Crockett 22, Wright 24, Welsh Taylor 12, W. J. Stephens 16, and Kinners 17.

There was a large attendance, including a good proportion of ladies at Widemarsh on Saturday to witness the return match between Leominster and Holmer. Holmer were able to field a representative team on the field for the first time for several weeks. Leominster won the toss, elected to bat and sent Kilroy to open the venture. Runs came freely, and with 18 on the board, Hankinson was bowled by Thomas. Eastment, who followed, did not stay long. Hollington bowling with a beautiful ball. Train then joined the attack, who was playing rather shakily, and took the score to 52 when Kilroy was bowled by Cripps for 33. Colley was bowled by Thorne in the slips with 12 runs, but on Morrow joining Train, the score mounted slowly to 113, when Cripps bowled the former for a well played 23. Train continued to bat steadily, but at 130 made a faulty stroke and was caught by Dutton. His 57 helped him an hour and a half, and he hit eight fours. With 167 on the board for the loss of seven wickets, the visitors declared, leaving Holmer 70 minutes to bat. They started with Thorne and Goodwin, but with only two runs registered, Thorne was bowled for a "duck." Dutton then joined Goodwin, and despite changes in the bowling the pair scored freely until Dutton in attempting a leg hit, missed the ball, and was caught by Davies for an excellent 34. The Rev. F. H. Tuke and Goodwin then played out time, and Holmer had 78 runs to their credit for the loss of two wickets. The Rev. Perb. Hopton kindly provided tea in the pavilion which was much appreciated.

Bromyard, on Saturday, with a very depleted side, gained a splendid victory over Whitbourne on the latter's ground, when in reply to the same total of 51 they responded with 70 for the loss of 5 wickets. Whitbourne batted first, and the only batsman to face the bowling of Colwall (who it was pleasing to see back in the team after his illness) was Reynolds, who registered 17 by good cricket. For Bromyard three played a cool game for a faultless 19, and Albut (a visitor to Bromyard), exhibited good form for 11, whilst J. A. Bouckley and Addyman made some splendid hits in their contributions of 21 and 16 respectively.

Things are looking up with Tupsley and district, the club having won two matches during

the past week. On Thursday they played the Excelsiors at The Field, and won by 14 runs, though had a catch given early in the game been held, the issue might have been different. I must congratulate the home skipper on having at last made a good score, for hitherto he has had no luck, and I hope this will encourage him to do still better. On Saturday Holme Lacy brought over a weak team, and paid the penalty, the bowling of W. E. Morris proving too good for them, aided as it was by good fielding.

Colwall seemed to be distinctly superior to Withington on Saturday, for they scored 175 for the loss of six wickets, against Withington's 88 for eight. Colwall started first, and in spite of the attempts of the fielders, the score kept increasing. Mitford was dismissed cheaply, but with the advent of Onslow a great change came about. Kings made 23 before being bowled by Stiles, and then Evans came, and he and Onslow gave the visitors the time of their lives in running after the ball. They treated the bowling with scant courtesy, and made 105 runs between them, Onslow having 73 to his credit before he was caught by Morgau, off Edwards, and Evans 32, Morgan again being responsible for the catch. When these two players were out, no really great things were done, though Kings and Toswill played out the time allowed by their captain, both making 13. Withington did not fare well to begin with, but Stiles and Bird stayed the downfall, the former making 30, and the latter 20. To have accomplished this much, the players are to be congratulated, for the bowling of their opponents was very deadly. Time alone robbed Colwall of an easy victory.

Hampton Court visited Lugwardine on Saturday, in unsettled weather. Hampton Court went to the wickets first, and knocked up 84 runs, of which Morris made 38 not out. The fielding of Lugwardine was very smart. Gower bowled well, taking 5 wickets for 22 runs. Lugwardine opened their innings with Ough and Emerson, who quickly took the score to 39, when Ough was unfortunately run out after making a useful 17. When Woods went to the wickets runs came very quickly, and the visitors' total was soon passed. They took the score to 117, when Woods was caught by Evans for a well played innings of 42. Emerson soon followed, being bowled by Morris for 52. Time was called with Mr. O. G. S. Croft not out 3, and M. Payne not out 6, leaving the locals winners by 46 runs and 7 wickets to fall.

Froome Valley had a very enjoyable time at Ludlow on Saturday, and this somewhat made up for the disappointment felt at their rather bad defeat. On paper, 124 compared with 231 does not look very well, but when considered from the point of view of the positions of the two teams, the performance of the Froome Valley players was most praiseworthy. Ludlow and South Shropshire is a team that will only condescend to play really good elevens, for they have a capable eleven, and Froome Valley have reason to be proud that their fixture was accepted. Turner (23), Forton (19), Griffiths (31) and Roberts (10) did well with the bat, and helped materially towards the compiling of the 124 runs for which their team was responsible. It was unfortunate that Froome Valley was not thoroughly represented, or they would have had more than this number of runs to their credit. Ludlow and South Shropshire scored heavily, Faircloth being responsible for 101 out of a total of 231. He gave a brilliant display of fine cricket, and the only mistake he made was when he had scored 11, giving a hard chance in the slips. Levick made 39, Leake 26, the Rev. H. F. Hastings 29, and Marston 42 not out. When nine wickets had fallen rain came on and prevented the innings being concluded.

Eardisley and Garnons had a very interesting game at Eardisley, but there were very few notable performances, except in the bowling achievements. The batting of both teams was a distinct failure, for twenty-two men, and two lots of "extras" only accounted for 81 runs. But if bowlers shine, batsmen fail, and so it is only fair that the distinctions should be shared. Garnons batted first, and Davies and Gwyther bowled with such effect that the result was almost like skittles, they shared the "pins" between them. Eardisley did not have a very

hard task set them, and probably that was the reason they did not extend themselves, but they only made 57 runs. Drummond, Taylor, and Hall carried off the bowling honours, though I have not the averages. They must have been very low.

Orleton visited Kingsland on Saturday to play the return match. Singularly, neither of the matches finished. When Kingsland visited Orleton they made 95, but owing to a mishap to one of the Kingsland players the game was not resumed. Last Saturday Kingsland having scored 111 for six wickets, a severe thunderstorm came over, causing the players to adjourn. The opportunity was taken for having tea, kindly provided by Mrs. Campbell, of the Rectory. By this time, the storm having apparently passed over, it was decided to resume the game, but almost immediately on the players going out another great storm of lightning and rain caused them to hurriedly seek shelter. At six o'clock play again commenced, but after three wickets had fallen, it was decided to give up as the light was very bad. G. Williams, a young player of promise, did well with the bat, making some very good strokes all round the wicket.

Kington visited Presteign on Saturday, and an excellent game ended in a win for the home team by 118 runs. Kington batted first and were dismissed for 70 runs. For Presteign George (pro.) took six wickets for 30 runs, and Stedman four for 33. The feature of the Presteign innings was the brilliant play of George, the professional, who added 92 to the total by means of excellent cricket. In the course of his innings, he only practically gave one chance, and that a hard one, which was not taken, and his innings included a number of threes and fours, and a six. W. Restall came next with 33, which were well compiled and included some vigorous hits, and T. Lewis made twenty not out. M. Kemp (19) was the only other member of the team who reached double figures.

Topsy brought a strong team to Widemarsh to meet Holmer on Saturday. Holmer was short of T. O. Thomas and W. Wolfenden. Topsy sent in Wilmshurst and Weedon to face the visitors. The former, after being bowled before scoring, put on 25 prior to being bowled by Thorne. Watkins, who followed, had been out to the first ball he received, but after scoring two he was out and Thorne. Weedon was next out for a well-earned 21, but on Wiltshire and J. Britten he associated, the score was taken from 37 to 41. Wiltshire, who played a quiet confidence game, obtained his 25 in good style, but then gave five chances in his 45, the first of which his score at five. With the total at 40 for 7 wickets, Topsy declared, leaving 10 minutes for an hour and half to bat. The first wickets fell cheaply, but on Cripps and coming together there seemed a prospect of Holmer forcing a win, but Cripps was bowled for a brilliant 57, compiled with 100 runs. Included in his figures were one five and nine fours. Powell and Levason took 20 and 120, at which total both were out. Topsy batted nicely for his 35. Buriton was bowled at 126, and 8 wickets were down for the total, but Hayes and Hollington played out the score being 127 for eight wickets. Topsy and District played their return match with Holmer on Widemarsh Common last Saturday, but owing to a very late start (9.15) the game ended in a draw, which was greatly in favour of the visitors, the home team wanting 22 to win and only two wickets to fall. Well-played innings by Cripps alone saved them from being badly beaten, a second time by Topsy and District. Good cricket was shown all round, and I may congratulate the visitors on being, I believe, the only club that has not been beaten by Holmer so far this season. I would here draw attention to the very late starts and early finishes in these half-day matches, thereby often preventing a club from gaining a well deserved victory. If teams cannot start till 9.15 or after, why not play on after accordingly, especially in mid-season, when the light is often good till 7.30? Generally speaking, the home team are the last to put in an appearance.

Withington went over to Stoke Edith on Saturday to meet the Froome Valley team. Prins and Lister too good for any liberties to be taken. Griffiths and Foster being soon out for five each. Bradcock got hurt after being bowled, and Griffiths (H. R.) could do but little owing to a broken finger. Haycock and Topsy with 12 and 14 respectively, were the only others to do anything, and the innings ended for 51. Froome Valley had a very weak team, which included six beginners. Morgan and Watson started for Withington, Morgan being 22 before being out. Watson after taking the scoring till Lister joined, the latter retiring for 24. Watson carried out his bat for 97, and bad judgment on the part of his friend prevented his getting the coveted 100. Watson gave several chances (5), which were badly missed; in fact, no one appeared able to hold a catch. Watson, who is a member of Froome Valley C.C., did good service for Withington, and although he won the game for Withington, he thoroughly deserved the applause which greeted his return to the pavilion.

Malvern had more than they bargained for at Ledbury on Saturday. They went to the wickets first, but against the bowling of Williams could do very little, the whole team only making 62 runs, including nine extras. Williams bowled with wonderful success, taking nine wickets and catching the tenth man. His average was an exceedingly good one. Only Campbell and Lloyd-Evans did anything with the bat for Malvern, the former making 15, and the latter 16. No other member of the team reached double figures. When Ledbury went to face the bowling, Berkeley was caught after making two, and Barratt sent back when he had made 11, but, on James becoming associated with Hayes, runs came freely, and they scored no less than 115 between them, the latter claiming 82. Phillips made 34, and Williams followed up his success with the ball by making 15. For six wickets, 195 runs were on the board.

Ross did splendidly against Monmouth on Saturday, at Ross, beating them very soundly. The home team sent out Thomas and Bevan to face the bowling, and they did very well, Thomas collecting 42 runs in fine style before he was beaten, and Bevan 24. Two men were then got rid of cheaply, but Cutfield stayed until he made 59, at which point the innings was declared closed, Cutfield being still unbeaten. Montgomery made 43 quickly, before being caught, and extras (25) brought the whole total to 211 for six wickets. This total was reached in a comparatively short time. Monmouth could not get hold of the Ross bowling, when they batted, and were all out for 84 runs, being extras. Shuttleworth was the only man who made anything of a show, his share amounting to 26.

Colwall and Eastnor were well matched at Colwall on Saturday, and the visiting team only just avoided defeat. The Colwall team batted first, and when their score stood at 184 they had lost eight wickets being down. C. Evans made 36 of this total in his best style, and E. Woodhead 34, whilst F. Croome was not out for 25. Eastnor opened well, W. Maddox getting 40 runs before being sent back, and Court 24. E. Browning made 20, but no other player did much. With eight wickets down the total was only 167, but time robbed Colwall of victory.

Great interest was taken in the return League match between Upton Bishop and Ferrystone, played at Upton Bishop on Saturday last. The visitors were the toss, and batted first, but the splendid bowling of Thornely and Lyndon, jun., the home team failed, with the exception of E. A. Baldwin (21) and W. A. Perrystone (9), the total being 31. It must be remembered, however, that Upton Bishop only had eight men to their opponents' eleven. On Perrystone going in to bat F. G. Phillips and Lyndon shared the bowling, which was very good, the former taking four wickets for nine runs, and the latter five for 22. The finish of the game was very exciting, for on the last man there were three runs were still required to win. These were hit off by H. Phillips, and a very pleasant game ended in a win for the visitors by the narrow margin of two runs.

A match between Holme Lacy and Allensmore took place at Holme Lacy on Saturday, and resulted in a win for the home team. Menzies bowled well for the home team, and took the last four Allensmore wickets in the final over of the match, and great excitement was evinced when he bowled the last man with the last ball of the match. He took eight wickets for 16 runs. It is not often that a cricket match has such an exciting finish as this one had, and it would undoubtedly be all the better for the game if there were more. Excitement is attractive, and if a game is at all exciting it cannot help being popular. Holme Lacy would like to arrange fixtures with any Saturday team, either home or away matches, as they have all the remaining Saturdays open. Mr. H. Reeves, The Gardens, Holme Lacy, is hon. secretary, to whom all correspondence should be addressed.

Great interest has been aroused in cricketing circles in Leominster by two incidents which occurred at Burton Court on successive Saturdays. On August 5th Hampton Court visited Burton Court taking with them T. Eckley, of Leominster, a promising bowler. While he was bowling, Mr. Thornely, one of the batsmen, "backing up" from the bowler's end, and the bowler eventually stumped him by bringing his hand back instead of delivering the ball. On the following Saturday, Leominster visited Burton Court, and they, too, took Eckley with them, and the same thing happened, Mr. Thornely being the victim. "I remember," writes a correspondent "seeing the thing done on the Grange some years ago in a match against Presteigne, Mr. Philip Davies, I believe, being the bowler. There are two opinions about the action. One is that the action is in accordance with the rules of cricket and that the bowler is justified, and the other that although it is in accordance with the rules, that it is an unsportsmanlike way of dismissing an opponent. It would be interesting to know if this is ever done in first-class cricket."

There is no doubt the man is out who is caught out of his ground in the way described. It is not "nice" perhaps, to take a wicket in that way, but if we are going to play the game in that spirit, then the fielding side should not take advantage of the accident to a man who slips while running between the wickets; in fact, all sorts of absurdities would ensue if the little mutual considerations which adorn the game were carried too far.
