OXON LOSE TO BUCKS BY TWO RUNS.

OXON LOSE TO BUCKS BY TWO RUNS.

The first of the two matches between Oxfordshire and Bucks was continued at High Wycombe on Thursday. The first day's play, which is referred to in our Sporting Notes, went all in favour of Bucks. Oxford with three wickets in hand being 111 in arrears. So well did Phillips, Alington and Howells play, however, that the score reached 166. Alington and Howells, the latter of whom hit brilliantly, put on 51 for the last wicket, and both played extremely well. Going in a second time Bucks were dismissed for 76, thanks to the fine bowling of Burrows, who in 12 overs took six for 26. After lunch the County captain took five wickets for two runs, all clean bowled. Thanks to this great performance Oxfordshire were left with 115 to win. Two were out for 24, but Burrows and Walters betted so well that the score was taken to 63. After Burrows's dismissal Walters continued to play well, but having made 40 he was brilliantly thrown out from the deep field in attempting a third run a stroke of bad luck. Twelve were then required for a win. Stradling came in to play with great confidence, and he and Waklin added a valuable ten. At this point Wakeln had a go at one well up, missed it and was stumped-Bucks winning a desperately exciting match by two runs. Walters's innings was the best he has played for the County, and the unlucky manner of his dismussal undoubtedly cost Oxfordshire the game. Score:

After their desperately close and exciting finish against Bucks at High Wycombe, the County commenced their third game in the Minor Counties Cricket Championship against Berks, on Friday, on the Christ Church ground. The attendance was again fairly satisfactory, albeit the "gates" are nothing like so large as they ought to be, considering the capital form of the team. No doubt A. P. F. Chapman was a big attraction. Cricketers look upon the old Light Blue as a coming international, and it is worth going a long way to see him at cover-point and at the wicket. The Berks captain won the toss, and his side made 206. At the start the Oxfordshire howlers did well, having four out for 75. Then Chapman found two useful partners in P. F. Remnant and Woodburn, and the score was 16 before the sixth wicket fell. It was not a big score, but then the fielding was keen and the lowling never losse. Thomas, who made a most successful debut, and Wakelin each took three wickets, and Masterman four. Burrows met with no eurcess, but his work was much better than none for 40 suggests.

The Oxon batting, with one notable exception, was poor. Hinde certainly bowled well at the start. He has a lively delivery, comes quickly from the pitch in to a right-handed bateman. Phayre, Phillips and Thomas were the most useful partners to Burrows, whose 60 was the effort of a class bateman. The situation demanded that the Oxfordshire captain should exercise cantion, but when the loose ball came along Burrows punished it as it deserved. His driving was powerful, and he once hit a half-volley from Rearne into the House Rugger ground. First in and hast out he was batting, roughly, two hours. I doubt if a more preseworthy innings will be played for the County this season. Berks had to play one over before tumps were drawn for the day, and left off 78 to the good with all their wickets in hand.

The cricket on Sam day was even more interesting, and the result remained in doubt up to the end, which came at about 5.30. At the outset Oxon wiped off a me of the deficit, having four of their opponent; out for 45. The dismissal of Chapman is writh commenting on, and was due to a cuto move of the part of the Oxfordshire captain. Chapn a had been turning. Thomas to leg, and 1-trrows suddenly put a fieldsman there to close the spot. Chapman promptly put a ball into this fieldsman's hands and so took the bat Burrows laid for him. Having dismissed Chapman the County bowlers had some hope of geting rid of the rest of the side cheaply. Unexpected resistance was offered by G. G. M. Bennett, the old Magdalen player, and Woodburn, who put on \$6 for the fifth wicket. Both batsmen were missed, and the County fielding was hereabout not so smart as on the first day. When once the partnership was ended the innings soon closed, Burrows, after lunch, taking two wickets for four runs, while Thomas finished off the innings by clean bowling Shaw and Hinde. Burrows's analysis was six for 49, and Thomas's 4 for 30. In the match the City bowler took seven for 49, good work which should make his position in the team secure. He kept a capital length, and though he does not describing him as a bowler of pace.

Oxfordshire were set 234 to win. They again made a bad start, losing Ostrehan, Jerram and Burrows for 32. The captain was bowled by a "yorker," to which he played inside. Walters and Regers, two of the young school, then became associated, and for a time played well. The score mounted steadily. It rose from 32 to 81, when Regers foolishly threw away his wicket he going right out to Hawksworth. He probably reasoned that be this time be had a good sight of the ball and that he was entitled to play his natural forcing game. It was a lapse, common to a young cricketer. Unfortunately, it was the beginning of the end for the County. Phayrosoon left, but Philips stayed in while 40 were added, and was then caught at the wicket Masterman and Stradling, who, like Ostrehan, are quite out of luck, failed, and eight were out for 163. Meanwhile Walters was playing like a book, and as long as he was there, Oxfordshire still had a chance. The hopes of the home supporters rose again when Thomas came in to partner Walters. The newcomer scon settled down and the score gradually mounted. Every ball was closely watched, and each run applanded. Thomas made a number of good forcing strokes, but at 190 he just dragged his foot in going out to Woodburn and was stumped. With his dismissal the County still required 22 to win. This was not an impossible feat for a batsman of the experience of Wakelin, but unfortunately for Oxfordshire Wakelin's batting has temperarily left him. He made one and was caught, and lerks won by 35 runs. Walters carried his hat for 81, one of the best innings he has ever played. Lost year Walters was little more than a hard hitter, with a good eye. During the winter monther—please note this all young cricketers who aspire to County fame—Walters concentrated on improving his defence. Wisely he has asked for advice and has not hern alove taking it. I believe he owes a great deal to the tuition of Elmer Cotton, who has always believed in his young pupil. The success of any player who takes the trouble to improve hi

The wicket at Banbery on Bank Holiday was, after inspection by the rival captains and the two umpires, pronounced unfit for a Second-Class Counties match, and it was agreed to play the return game against Bucks, on an Oxford ground, on August 20 and 21. In order not to disappoint the large crowd which had assembled, each aide had an innings, and judging by the frequent aphad

plause the cricket was much appreciated. Bucks went in first and scored 132. Burrows did not utilise his fast bowlers, and Phillips (4 for 52) and Wakelin (6 for 45) did all the damage. Philips had the highest and best nock, Oxford had scored 128 for 9 at six o'clock when stumps were drawn. There was a lively partnership between Burrows and Masterman, both of whom hit very hard, and the Oxfordshire captain threw away his wicket in an endeavour to make the winning hit in the last over.

It is hoped to secure the Merton ground for replayed match.

The County side at Shipton to-day and to-morrow is: M. Burrows, J. C. Masterman, A. H. Phillips, J. L. S. Vidler, M. Swabey, E. Hartley, R. Hartley, E. Cotton, S. C. Wells, C. Walters, and Wakelin, Reserve: R. A. Phayre.

The County are desirons of playing a City side, on the Merton ground, on St. Giles's Fair Day. Regotiations are in progress.

The death of Peter Rogers has caused genuine and general regret in cricketing and bowls tircles. He belonged to an earlier generation, but there are plenty still living who played with him when he was in his prime. Feer many years he, and his equally-famous brether. "Brusher." were the stock howlers of Oxford-bire County, the one a good foil to the other. Peter was slow, with a break both ways—on a sticky wicket he was as difficult as Rhodes and es full of wiles—and "Brusher" fast-medium, with the swinging, rotary action of the true be wher. Not once, but many times they disposed of the strongest county sides—and in those days Oxford-bire met Stafordshire and Worcestershire for moderate totals, and they were regarded as the strongest pair possessed by any Second Class county. It was the Rogers, Kings and the Burrins who made Oxfordshire cricket, and they all hailed from Cowley, who years ago had a cricket team probably second to none to any village in England. It later years Peter, of course, played for North Oxford, both at cricket and bowls, and he had many friends in this club. Apart frem his cricket he was the medel of what a professional should be. His views were sound, he was always willing to listen to others, and his experience and askice were of inestimable value to the young player. Personally, I have never heard anyone speak an ill word about him; and this is, perhaps, the highest tribute one can pay to nis memory. There was nothing vindictive in his character, he was incapable of a mean word or action, and one can say this about very few professional cricketers. That he will be missed gow without saying, but though he has bowled his last held his memory will always be kept green by his wonderful cricket record, by his staunch character, and by his family name, which, happily, is likely to be carried on for at least another generation. His death is undoubtedly one of the indirect causes of the war. He was accer quite the same man after the death of mis son Bert, who showed such high promise of mainta

The first division of the League took a back seat on Saturday, only one match being layed-between the Servants and Abundon. This was the Berks Club last fixture but one, and although they were beaten on Bank Holiday, they have secured a total of nine points out of six matches, and so qualify to meet the winners of Section "A," at Abingdon. There is, happily, no doubt about their being the best side in their Section. The Servants were shot out for 83, Vidler, the old Oriel Blue, taking nine wickets for 28, in 12 overs and two balls. He was quite invincible, Allen made 22, Perry 20 and Tarker 16. I note that the Servants "dug out" two of their veterans. Abingdon replied with 152 for 7, Stacey and Randolph being well to the fore.

On Bank Holiday the Pavlova went under to the Y.M.C.A. by 66 runs, but Vidler was not playing. Farnell and Ostler put up 102 for the first Association wicket, and the score, plus 51 extras! reached 198. The Pavlova lost their first two wickets for four, and despite the stubborn batting of Randolph and Johnson were dismissed for 132. The Young Men have, indeed, been a thorn in the side of the Pavlova this season, and, in fact, are the only team the Abingdon men have had to fear. Greenwood (3 for 26), Ovenell (2 for 13), and Thomas (2 for 20) did the bowling. The League will be in full swing again on Saturlay.

A meeting of the Executive of the League unanimously upheld Headington's claim against Thame on July 28. It will be remembered that Thame refused to play after 7.30, although the rules stipulate quite clearly 8 aclock. The committee regard this as an important rule for avoiding draws, and Thame's plea of ignorance could not be accepted. They consequently forfeited the one point at issue, Headington having both. This decision gives Morria Motors a two-point lead.

The second round of the Airey Cup was played on Saturday, and was productive of some close and exciting games. The City did well to beat Morris Motors, and so remove one of the favourites for the final. The Police and Victoria got through by the skin of their teeth, but North Oxford had an easy task. They are the youngest and to my mind best side left in.

Oxford had an easy task. They are the youngest and to my mind best side left in.

The cup-tie on the Merton ground between Morris Motors and the City "A." fluctuates considerably. For instance, the Motor purple get off the mark very hadly, losing their first five wickets for 22 Ward, who had gene in first, saw all five go down, and as may be imagined he had few opportunities for playing his usual game. The later batsmen did much botter, and with Badger, Skinner, Rattersby and Jewell all getting into louble figures, a total of 105 was the result. Ward was highest scorer with 24, and Radger made 21. Chief damage was done by young Jack Cotton, who in twelve overs took six wickets for 43. Under the family influence he may well become first howler to the club in a few years time. The City set about their task in consident fashion with Swabey and Will Cottor, and when the hity went up with the two still together the fate of Morris's was scaled. Four runs later, lowever, Cutton was bowled, at 76 two further wickets fell, and at 92 three more. Thus a complete change came over the game, the City with our wickets fell, and at 92 three more. Thus a complete change came over the game, the City with four wickets in hand still wanting 14 runs. A useful stand ensued between Boulton and Howells, and the Metors total was equalled. Then two further wickets went down before the winning run was made, the City total eventually reaching 124. The victory was thoroughly deserved, but some of the Motors team made a great mistake when they went out to field under the impression that they were a beaten side. No match is lest till it is over, however bad the odds look on paper. Harley and Stone carried off the Motors' bowling honours, and the City are indebted to Swabey and Cetton for their first wicket stand. The City will be strengthened in the next round by the return of Davies and

The County were engaged on Friday and Saturday at Shipton, where Herts provided the opposition in the Minor Counties Championship. Oxon were fairly well represented, though football claimed Walters, as it did Grimsdell from the Herts side. Burrows won the toss and sent in Wells and Ernest Hartley. The latter was taken early in the gully, but Burrows joined Wells, and these two put a brighter complexion on things, and when Burrows left, after complining 24, Elmer Cotton, and then Vidler, each coupiled 30, and so helped Wells to lay the foundation of a very useful total. Unfortunately, the tailend bats are not in form, and though several very useful double figures were recorded no further great stand was made, and the whole side was out for 259. Wells eventually fell to Lisemore, after having made 114—a very fine innings indeed, during which he showed wonderful patience and restraint when necessary, and also scored well all round the wicket. Wells always gives one the impression of taking great pains with his batting, and he is an object lesson to many younger players in close watching of the ball. Wells only gave two possible chances, and the innings will rank as one of the best things he has wone in Oxfordshire cricket. Lisemore bowled well for Herts, taking 6 for 51.

When Herts went in Bunter—the Carinthian footballer—accompanied Burton to the wicket, and so well did these two bat that runs came pretry freely, and the former was not got rid of till his score stood at 66, while Burton's share was 44, both falling to Vidler. Lisemore and Titchmarsh added 53 between them, and then for a while the Oxon bowlers got on top, Cowley, Halsey and J. Hunter being cheaply disposed of the but a stand by Thorley and Reid caused a lot of trouble. Reid was eventually out to Wakelin for 126, but Thorley stayed in to hit up 50, and Hytton-Stewart and Priscell also added nearly 40 for the last wicket, and with "Mr. Extras" contributing 38, a till of 321 rewarded the Herts men.

All the Oxon bowlers were expensive, with the exception, perhaps, of Wakelin, whose two wickels cost 36 runs. Walters and Thomas would have been useful, withe Swahey was hardly a success behind the sticks. Of course, it is asking a good deal of a young player to take bowless of Burrows's pace on a card wicket in their first county match. The truth is that when Ostrelan is not available the County need an afficient substitute.

The Oxonians' secon1 knock produced come hard hitting. Wells le' carly on, but Burrows made some fine drives in his 30, and Ernest Hartley batted very well indeed for his 43. It was left to Vidler, however, to place his side in quite a good position. The old Blue layed on to some purpose, and when at 238 for 7 Burrows declared, Vidler's share was 90 net out—a very fine effort. When, at the close of the day, Herts went in to get 187 Burrows howled with deadly effect, and when stumps were pulled up Herts had lost 6 for 73, and the Oxen captain claimed five of these at small cost. The match was left drawn, but Herts got the points on the first innings.

The County were at Reading, opposing Berks, on Monday and Thesday, thus commencing a week's tour. A. P. F. Chapman was included in the Berks side, while Walters and Thomas reappeared for Oxon. Berks won the toss, and though Burrows and Thomas got rid of Stokes and Remnant quite cheaply, and Chapman came in to lose Bennett at 67—Bennett's share was 44—so steadily did the Oxon bowlers perform that runs came slowly, and Chapman should have been caught off a lofty drive. After taking an hour to get 50 (hapman got three sixes, but with his score at 83 Chapman fell in playing back at Burrows and in so doing removed a bail. A truly unlucky way of getting out. Stevens stayed to get 52, and received valuable help from Woodburn and Kefford, the latter making 49. Hearne, the Radley "pro.," got 21, and the innings eventually closed for 30. Burrows took 4 for 91, Thomas 3 for 81, Wakelin 2 for 52, and Masterman 1 for 57.

When Oxon went in they started hadly, losing Phayre without a run up, and after 35 minutes only 10 were up. At 27 Oxtrehan left, and at 50 Ernest Hartley left for an excellent 25. Eurrows and Cotton both failed, but Walters collected a most useful 20, and was out lbw when well set. Wells and Masterman got a few, but the whole side was out for 101.

No less than 208 behind Oxon followed on, and No less than 208 behind Oxon followed on, and put up a most creditable and determined fight. E. Hartley and Wells put up 64 for the first wicket, and when Hartley was bowled his share was 37. Wells, batting soundly, made 58, but it was loft to Burrows to make a truly remarkable effort to put the County in a stronger position. By magnificent cricket he compiled 134, and aided by Ostrehan (23), Thomas (22) and Wimble (32) eventually the fine total of 364 was reached, leaving Berks with 157 to get to win.

Thanks largely to another fine knock by Chapman, who got 62, and was well supported by Remnant (29) and Woodburn (20), Berks eventually won by three wickets. Burrows and Wakelia bewled finely to achieve a fine fighting finish, and one that brings great credit to Burrows and his team.

The score of the Herte match at Watford will appear, if possible, on our last page,

Hard wickets have been the order of the day and bowlers were crying out for rain. Scoring has been heavy even in some of the country matches, as a glance at the scores will show. Quite a number of centuries figure in our "Roll." and it is certain that many local batsmen will look back with a great deal of personal satisfaction on their performances during this dry period. The semi-finals of the Airey Cup are down for decision on Saturday and, provided these ties are played under these conditions and cup-tie fever does not play havee with "form," these should be some good scoring. The City Police are playing North Oxford on the Christ Church ground, while the Victoria have a stiff proposition to tackle in meeting the City II, on the splendid Merton pitch. One fears to prophesy, but it looks likely that the City II, and North Oxford may have to fight in the final tie, but cricket is a funny game, and we shall nave to "wait and see," especially as some rain has come at last.

In the premier division of the League the Church Army Press on Saturday visited the Trinity ground to meet Headington, when the Printers carried off the spoils easily by eight wickets. Headington have failed lamentably this year in batting, and this game proved no exception. They were all shot out on a fast pitch for a paltry 79, of which George Coppeck claimed 50 not out, carrying his bat right through the innings. Tommy Gurl (2 for 4h and Trafferd (7 for 3h bowled very well indeed. A good knock of 3h by George Fletcher, and useful scores by G. Glanville and B. Buckingham, saw the Press final score read 85 for 5.

For their League I. game against the City "A" the Clarendon Press were weakly represented on the Merton ground on Saturday. Among others, Fathers, Davis and Wright were away and their attack suffered. To add to their troubles their opponents won the toss and proceeded to krees up a score of 266 for 3, when they declared. Thomas and Davies had 97 up for the first wicket, the former hitting in lusty fashion for 71, while Davies got 43 and Clarke 24. Then Collett and Dickenson got together and subscribed 109 between them. Collett hitting six fours in his 45 not out, and Dickenson nine boundaries in his 64 not out. The Press collapsed before Thomas and Smart, the latter taking 5 for 4.

Bicester were in great form in their League match at Bicester against a rather weak Summertown side. So well did Philpott, Hehday and Price bat that at 207 for 5 the closure was applied, and when Summertown's turn came Clifton and Holiday shot them out for 65. Holiday took six wickets, but his figures are not given.

Thame failed to produce their best form when opposing Morris Moters at Oxford on Saturday. The Motors went in first and hit up 201. They had to thank Millin mainly for this satisfactory score, and also Bullock, whose share was 44. Both these players are very attractive to watch owing to their free styles, and Millin, in particular, can use the long bandle to some purpose. Smith bowled well for Thame and had good figures 6 for 32. When Thame went in, so well did Stone and Millin bowl that wickets fell did Stone and Millin bowl that wickets fell did Stone and Millin bowl that wickets fell wapidly, and with the exception of the left-hander W. Kirlfand, who claimed 47—no one did much, and three for 36, Stone 4 for 38, and Harley 2 for 10

On the Hertford ground South Oxford met the College Servants in League I., and a drawn game resulted. The South Oxford balsmen nearly all got runs, despite good bowling by Field, who took 6 for 74. Saunders, Stroud, Best, Parton and Watts all exceeded the twenty, and with "Mr. Extras" weighing in with second score—33—a total of 208 resulted. The earlier Servants bats did not get going, and it was left to Field and Parker to make a stand. Parker is one of the young brigade, and looks like developing into a real good bat. His share was an excellently compiled 46, while Field carried his bat for 58. When stumps and the match were drawn the Servants total stood at 167 for 5.

In Division I. Cowley easily heat the Victoria by scoring 219 to 99. Cowley had to thank the brothers Sturges, Munt and Bird for giving them so good a total, while when the Victoria went in Guy Sturges bowled with such effect that victory was never in doubt. Guy Sturges's figures were 7 for 54, while the Rev. A. Wyers took four for 55 for the losers.

It is not often that two centuries are recorded in a single local match, but when South Oxford and North Oxford met on Thursday week, on R.N.C. ground, Ryd carried his bat for 103 for the latter, and Aubrey Best claimed 100 not out for the South Ward team.

Good batting by Price, Williams and Turner, and the bowling of Wyatt and Gurney gave North Ogford a win over the R.A.F. at Milton on Saturday. The Northerners made 143, and the Airmen 51. Price and Williams carried the score from 34 go 102 for the sixth wicket.

Two men—Arthur Clinkard and H. Walker—can look back with some satisfaction to Cowley St. John's victory on Saturday over Littlemore Hospital. The Hospital, batting first, could only ruise 91, of which Payne claimed 32, and Clinkard's analysis showed 7 for 36. When the Jacks went in Harry Walker actually claimed 87 out of 156, only two others claiming double figures, James took five wickets for the losers.

Horspath did well to run Cuddesdon College to a margin of 23 runs. The College by consistent butting got 130, to which the "little village" re-plied with 107, Hedges and G. and D. Walker doing well.

After their defeat by Herts by ten wickets, as reported in our last issue, Oxfo:dshire journeyed on to Cambridge, where, on Fenner's, on Friday and Saturday they were engaged in a Minor Counties Championship match with Cambridgeshire. The County a out a very good side, as Thomas and Ostreha, were both available, and winning the toss Oxfo.dshire preceded to place themselves in a very strong position. Wells and Phayre gave the side an excellent start, the former making 54 and the latter 37, while Burrows followed in to but up a fine 52. There were other useful contributions, Ostrehan getting 41 and Wimble 41 not out, the net result boing a fine total of 287.

Total 118

Total 125

When Cambridgeshire went in, with the exception of Hinde, Lilley and Leek no one made any headway against the excellent bowling of Masterman and Wakelin, the latter taking five wickets at slight cost, while Masterman claimed three victims, and Burrows and Thomas one each. The whole side were sent back for 125, and so had to follow on.

They fared very little better in their next venture, though Woolstan (30) and Smith (32) tried hard to pull the game round. Waselin, Masterman, Thomas and Burrows all bowled very well, and Waselin bowling the last man at 118 Oxfordshire were left with a handsome victory by an innings and 44 runs. After their hard luck in several games this turn of fortune's wheel was as welcome as it was deserved.

County's Minor Championship matches was decided, on Trinity College ground. Unfortunately Oxon could not place their best side in the field. Swabey was again brought in as wicket-keeper, while Harry Walker, of Cowley St. John, was also included, and others to figure in the side were Eade and Draper. On the first day there was a fair attendance, but nothing like what it ought to have been. When will Oxford people recognise that if the honour of their county is to be upheld they must support the County Club in every possible way, and it is very disappointing when, match after match, sees such a poor "gate."

On the first day Bucks made 169. They started rather badly, losing Adams and Pitchford cheaply, but Jackson and Payne did better, and the later batsmen responded well, Franklin, Fletcher, Beard and Newbury all getting useful secres Wakelin bowled ve y steadily, and took 6 for 58. Swabey kept wicket very well, sumping Jackson and only letting a couple of extras.

Oxon's first innings opened badly and no real stand against the bowling of ILizelton and Edwards was made fill Walters and Alington got together. Walters played good cricket for 18 32, as did Alington for 19. Though Wakelin, Phayre and Cotton got doubles the innings closed for 111-58 runs to the bad. Hazelton bowled very finely indeed, and mixing them well had everybody guessing, and came out with the file analysis of 7 for 55.

When Bucks went in again so well did Lade and Burrows bowl that had it not been for Payne, who made 47 and defied the attack for a long while, Bucks would have been out for a very low score. He received some assistance from Fletcher, who m. le 26, but the whole side were out for 143. The 'exon captain-Burrows-had 3 for 23, and Eac. 4 for 41.

had 3 for 23, and Eac. 4 for 41.

Set 202 to get to win Oxon were faced with a stiffish task. The order of going in was altered a little, and Cotton and Walters—after Hartley had been given out 'bw with a very doubtful decision—subscribed 41 between them Then Burrows, who was playing very confidently and made some nice test, found a partner in Alington, and whole it see two were together Oxon had just a chance of pulling the gime round. However, with 131 up Alington was taken off Edwards low down at backward point for a very plucky \$3-ax\$, invaluable knock Burrows did not survice his partner very leng, as in trying to drive Hazelton he was booked for a fine 39-a resounte, determined inning. Phayre hit up 15, and Walker Latted pluckly at the chee, the end came with Eade out first ball from a scier off Edwards with the total at 158, so that Oxon lost by the narrow margin of \$5 runs. Edwards and Hazelton divided the wickets, the former taking six and the latter four.

On Fair Monday and Tuesday, on the Merton ground, a most interesting match between Past and Present Oxfordshire Cricketers will be played for the benefit of the County C.C. funds. It is hered that Tom Shepherd, Bowell and Brown will play, and some good cricket should be witnessed. The gate is only 9d, for adults and 4d for logs, so that, given fine weather, there should be a good attendance.

A glance at the County C.C. averages, which appear in another column, certainly shows that there was rather a tail to the batting. Wellis is practically top with 442 for nine innings, and Capt. Burrows, who played more innings than anyone else on the side, is virtually next with 322 for 15 innings, and an aggregate of 451 runs—the highest. Walters and L. Hartley come next, with 23.3 and 23.0 respectively, and there is no doubt that Frank Hartley was greatly missed. So fine an all-rounder can ill be spared from the side, On turning to the bowling, here, again Captain Burrows comes out top, with 41 wickets at a cost of 16 runs apiece. Thomas has been very useful when he could play, and claims 16 for 17.3; while Wakelin, who bowled—like his captain—well over 200 overs, has 35 for 17.9. Masterman, who did well at Cambridge, took 17 at an average of 19.4. The side has been hone too lucky, and the average runs per wicket scored for and against shows only a tractional average in their opponents favour. The number sected against was the average 20.36, and for the County, 2.883 for 143 wickets, average 20.36. With all the great amount of cricket that is played in Oxford, on such excellent pitches, the County should, 11 preoperly supported, one day occupy a position worthy of its traditions.

The popularity of the Airey Cup was further evidenced on Saturday, when good crowds turned up both on the Christ Church and Merton grounds to witness the semi-finals of the competition. On, Christ Church the Police opposed North Oxford—a very youthful side and a capital game chound with plenty of sustained interest. The Bobbies made a disastrous start, as they lost both James and Cox with only four runs up. Gurney was bowling very steadily, though Allison did not seem to get his proper length, and gave way to Wyatt. Mussey and Norridge were now together, but with 18 up Wyatt bowled the Police captain with a real beauty. Parker came in to join Norridge, who at 40 fell to Gurney, and then Leach and Parker, by more forceful methods, carried the store to 61, when Parker was caught by Halliday, off Wyatt. Six were then down for 70, and at 83 and 85 the seventh and eighth wickets fell, D. I. Allison making a nice left-handed catch in the gelly to dismiss Leach. Rulfe made a few good hits at the close of the inning, which realised the moderate total of 105. North Oxford are to be congratulated on their excellent fielding and catching, and Gadney kept wicket pluckily. Gurney took 4 for 42, and Wyatt 4 for 34.

When North Oxford went in Wyatt and Illiday gave them a very fair start against the lowling of Cex and Parker. At 24 Cex lowled Wyatt, and at 27 defeated Axtell. Halliday stayed to collect 25, but it was left to D. I. Allison to show the best form. Batting with great confidence and putting a lot of power into his strekes. Allison stayed to make 39-top score, However seven wickets were down for 98. Cex bowling very well indeed, but then Bayliss and the younger Allison got going and added 50 between them, the game being continued till the last North Oxford wicket had tallen at 157. Bayliss got 23, and Allison—a left-hander who can pull—27 not out. Cox took 4 for 58, Parker 3 for 37, and Massey 2 for 43. Cex's figures were much bester till after the match was won, when Allison hit him rather hard.

much bester till atter the match was won, when Allison hit him rather hard.

On the Merton ground the other semi-final was between the City "A" and the Victoria. With the exception of Swabey—who was missed early on behind the wicket and stayed to get 69—and Edwards (39), no one did a very great deal with the Victoria bowling, English. Bateman and Wyers bowling well. The total eventually reached 145 not a great score on so perfect a pitch. The Victoria started bodly, losing Voodley quite early, but Gray and Bateman added 36 between them, and after English had gone Beer collected 20, and Couling 23, but when Frenen, the last man, was bowled the total had only resched 111—34 runs behind. A protest was holged by the Victoria against Swabey's eligibility, which came before the O.C.A. Combettee on Wednesday evening, when Mr. Claude Rippen presided ever a meeting of the Executive Committee. The Victoria's point was that, as a neighber of Oxford University. Mr. Swabey had rest the residential qualification required by Rule 9. The City contended that Swabey was not a member of the University when he played in the Airest Cup having finished his course on July 1. The committee were not satisfied that the City had proved him to be properly? Qualified, but, in view of the ambiguity of the last sentence of Rule 9, were rot prepared to award the game to Victoria. They therefore ordered the match to be re-played on Saturday (to-

In League I. Headington visited the Church Army Press, on Wadham ground, when the Printors, who were a man short, made 173. T. Gurl, Glaaville, States and J. Fletcher all getting runs. When Headington went in they failed badly, with the exception of Gurl (32) and G. Coppock (19), and were all out for 90.

Cowley had out a poor side on Lincoln ground on Saturday, when they opposed the Jacks in Division I. H. Walker and Draper gave their side a capital send off, and when Leslie Walker joined his brother runs came pretty freely. Harry Walker had the satisfaction of making 107 not out, and at 201 for four Cowley St.

John declared. When Cowley went in, with the exception of the veteran Bird and P. Regers, the others did little, the whole side being sent back for 108, King taking 4 for 18, and H. Walker 5 for 14.

The Clarendon Press sprang a bit of a surprise on Saturday when, aided by some good all-round cricket by Davis, they beat Bieseter in Division I. The game was played on the Balnod ground, and Bieseter, going in first, could only raise the moderate total of 118 against Davis and Nurser, the former taking 6 for 52 and the latter 4 for 35. Holliday, Montgomery and Adams showed the best form for Bieseter. The Printers lost a wicket early, but Piper and Davis soon put the result beyond doubt, Piper carrying his bat for 70, Davis's share being 30, the Printers' total at the close being 120 for 3. This defeat does not affect Bieseter's position as winners of their section.

Summertown, thanks to a fine knock by Frank Hughes of 94, gave the City a very fair game in Division I., on the Keble ground. Hughes's 94 out of a total of 163 was a fine performance. Dickinson bowled finely for the City, claiming 7 for 44.

As the outcome of the season's play in the First Division Abingdon Paylova, Morris Motors, licester and Cowley St. John will contest the semi-finals to-morrow.

North Oxford first eleven were at home on the St. John's ground on Saturday to Lechlade. Going in first the Northerners did not fare any too well against some excellent bowling by Pudwell and Wiskefield, the former claiming 6 for 56, and the latter 3 for 36, and the whole side were out for 124. When the Gloster side went in good batting by Meade (38 not out) and Bowley, the City footballer, who carried his bat for 68, gave Lechlade a win by eight wickets.

Warneford Hospital had a funny experience on Thursday week against Headington. Grant, with his lobe, simply routed the Headingtonians, and taking 7 for 22 they were all out for 39. The Hospital innings was even more extraordinary, as Stringer taking 7 for 9 sent them all back for 18!

Good batting by Ward, Kempster and Lawrence, and some excellent bowling by Watts, enabled South Oxford to beat Kidlington on Saturday by 54 runs. South Oxford totalled 148, and Kidlington 94.
