NOTTS. II. SLACK IN THE FIELD.

HARDSTAFF'S COSTLY MISS.

A capital day's cricket was provided at Titchfield Park, Hucknall, yesterday, when Notts. II. and Lancashire II. met in their return fixture in the Minor Counties Championship.

At the close Notts II. were 156 behind with six wickets in hand.

Notts. II. suffered by reason of a little slackness in the field. Had chances been taken, the visitors would have been dismissed for a modest total, but when Hardstaff missed a comparatively simple chance, with eight batsmen out for 140 runs, the ninth wicket partnership of Farrimond and Hodgson caused the greatest trouble, and set about the bowling to such purpose that 121 runs were added before they were separated. It was a bright stand, both batsmen laying on the wood. Hodgson had no fewer than eleven 4's in his 73, and Farrimond was unbeaten with 50 to his credit, including six 4's. Beattie and Latchford were the only two other batsmen to offer any great resistance, and it was Beattie's patient innings, when wickets were falling cheaply, that helped the visitors to recover.

Notts. II. started their innings magnificently, G. V. Gunn and Shipston playing the bowling with every confidence. Runs came fast, and with the total at 72 Gunn was caught at the wicket with only five short of 50. The rate of scoring slowed up considerably, and before the close Notts. II. had lost three more wickets for an addition of 27 runs.

Keeton hurt a finger badly in attempting a catch off Hodgson, and it is doubtful if he will be able to bat to-day. Score:—

THRILLING FINISH.

NOTTS. II. RACE THE CLOCK AT HUCKNALL.

UNABLE TO BEAT IT.

Cricket of a character which spectators like to witness was provided at Titchfield Park, Hucknall, yesterday, when Notts. II. found themselves in a race with time in the hope that they might turn the game with Lancashire II., in the Minor Counties Championship, into a win, after being in arrears on the first innings.

They missed their objective, however, by 18 runs, with four wickets still intact, and if the visitors took first innings points it was a moral victory for Notts. II. Lancashire only gave them just over two hours, including the extra half hour, in which to score 195 necessary for victory, and how gallantly the batsmen tried can be judged by their near approach to success.

Shipstone and Keeton had set the pace by rattling up sixes and fours and in three overs off Wilson they scored 44 runs. Wilson had previously bowled five overs and obtained two wickets for 2 runs. This running partnership put on 85 runs in just over three-quarters of an hour when Keeton was dismissed by a fine one-handed catch on the edge of the boundary off a lofty drive. It was a case that risks must be taken, but when Shipstone was out Harris was disinclined to take the chances. A little more enterprise on his part might have brought victory. This was the thrilling end of an excellent day's cricket.

"TAIL" WAGS.

When Notts. resumed their first innings at 6 o'clock the pitch had plenty of life in it with the action of the sun following a heavy overnight dew. Wickets fell fast but the ninth wicket partnership retrieved the position followed by a fine tenth wicket stand, and despite early disasters Notts. only finished 59 behind the Lancashire total. The captain (L. Kirk) played capably for his 52 not out which included two sixes and five fours.

Then Lancashire found themselves in trouble with the Notts. attack. Reddish quickly struck his form and had the batsmen guessing. He claimed six wickets for 39 runs and the visitors could only muster a total of 135. But they had carried on until after the adjournment, and thus Notts found themselves faced with the race with the clock already described. Score:—

NEW MEMBERS OF NOTTS. CRICKET ASSOCIATION.

Both the cricket teams of Messrs. Pearson's and the L.M.S. Sports Club were admitted to membership at last night's meeting of the Notts. Cricket Association, held at the Elite Café, Mr. F. E. Hushworth presiding.

It was decided to contribute £2 2s. to the Wilfred Payton Benefit Fund, and to present S. Deane, of the Notts. Unity Club, with the ball with which he performed the "hat trick" on Monday night. The same policy will be adopted in regard to all junior members who in future perform the feat in junior matches.

YOUNG GUNN SHINES.

**SPLENDID INNINGS AGAINST
YORKSHIRE II.**

SIX WICKETS FOR VERITY.

Notts. II. would have been in a desperate plight in their Minor Counties match with Yorkshire II. at Middlesbrough yesterday, had it not been for a sterling opening stand by Gunn and Keeton, who put on 86 before they were separated. This contribution to the Notts. total of 212 proved invaluable, as the tail wagged feebly.

The opening batsmen made their runs at a time when the wicket was treacherous after rain, and, in spite of the fact that the Yorkshire attack included Verity, the bowler who wrought such havoc in Yorkshire's first-class match with Leicestershire.

Gunn was not dismissed until he had scored 81, for which he played beautiful cricket. He made strokes all round the wicket, and scored his runs at a time when the attack threatened to get on top.

Keeton gave his partner useful support, while Verity made it clear that he was much too good for minor counties cricket, and his figures of six for 78 were better than they indicated. Score:—

THREE WICKETS.

NOTTS. II. LOSE TO YORKSHIRE JUNIORS.

VERITY DOES DAMAGE.

Yorkshire II. beat Notts. II. at Middlesbrough yesterday, by three wickets.

On resuming, Yorkshire's first innings soon ended, and Notts. held a lead of 81. Going in a second time, the visitors slumped, after four men had left, Verity taking five wickets for 17 runs.

On Yorkshire batting a second time Bedford hit lustily, and an easy win seemed likely until a rot set in. Verity and Chichester-Constable settled down, however, and knocked off the required runs. Score:

MINIATURE TEST CRICKET.

EASY VICTORY FOR WEST OVER EAST.

With the overnight West score of 29 for one wicket being advanced by only 10 runs for the loss of three more wickets, the East District had visions of a sensational victory on Lenton United's Ground last night, but a timely partnership of 47 by McLellan and Marshall dashed their hopes. The West District won with five wickets intact, and went on to compile 203 for nine, Marshall registering a brilliant 70, in which were nine 4's and one 6. Score:

OXFORD VISIT TRENT BRIDGE.

A CHANCE FOR YOUNG NOTTS. PLAYERS.

To-day Notts. have two fixtures to fulfil. The first eleven are for the first time to receive Oxford University at Trent Bridge and with Larwood, Geo. Gunn, Payton and Barratt resting a chance is offered some of the rising young players of showing their paces. Accordingly the younger Gunn, Copley and Reddish are to appear, the selected team being:

A. W. Carr, R. D. F. P. Bland, Whysall, Walker, Lilley, Staples (S.), Staples (A.), Voce, Gunn (G. V.), Copley, Reddish.

The second team visit Staffordshire II., at Stoke, in the Minor Counties' Championship, and the following will play: G. S. Robertson (capt.), R. C. Taylor, Barke, Oates, Keeton, Shipstone, Harris, Hardstaff, Knowles, and Wheat.

AMUSING INTERLUDE.

SHEEP INVADE PLAYING PIECE AT STOKES.

A showery and threatening morning at Stoke spoiled the gate yesterday, and caused frequent interruptions before lunch, but the afternoon was pleasantly fine. Though the wicket was fast, it always gave the bowlers a chance, and twenty-two wickets fell during the day.

Staffordshire had to take the field without Barnes, Lockett, Boon, and H. W. Homer, but they had rather the better of the day's play, securing a lead of 38 on the first innings. Smith, Ellerker, and Mayer all batted well, and the first-named was unlucky to be run out through his partner refusing a call for a short one. Both Oates and Harris made the ball swing, the former bowling Ikin with one he did not attempt to play.

Harstall played a sound innings for Notts., but could get no one to stay with him, Ellerker and Hollowood causing a collapse.

An amusing interlude before lunch was provided by about a dozen fat lambs, which bolted through the entrance door from the street, and galloped on to the field of play. For ten minutes they were hunted all over the field by players and spectators, before they could be driven off.

As the game stands, Staffordshire have a lead of 60 with two wickets down in the second innings. Score:

POLICY THAT FAILED.

NOTTS. SECOND TRY TO PLAY OUT TIME.

BEATEN BY STAFFORDSHIRE.

Staffs. defeated Notts. II. at Stoke just before half past six yesterday, after an interesting day's play.

Set to get 269 in three hours and forty minutes, including an extra half-hour, Notts. did so well that at 10 minutes to six they had 160 on the board with only four wickets down. They had then an hour and 10 minutes in which to get just over 100, but the attempt was given up and the batsmen set themselves to play out time. The policy was not successful for Harris fell in the slips and Knowles at the wicket, and a complete collapse followed against Ellerker and Taylor, so that extra time was not necessary. Keeton gave an excellent display, hitting 10 4's. Score:

MINOR COUNTIES TOURNEY

DENBIGHSHIRE OUTPLAYED BY LINCOLNSHIRE.

MACK HITS MERRILY.

Lincolnshire opened their Minor Counties programme against Denbighshire, at Gainsborough, yesterday, in brilliant weather and on a perfect wicket.

Lincolnshire won the toss, and Stamp and Loeffler faced the attack of Davies and Edgc. Davies quickly met with success, bowling Loeffler with the first ball of the match, and Stamp lost his wicket in the third over from Davies. Drakes and Turner made a stand, and Flutters, a local player, contributed a useful 14 before he was bowled by Morris, the old Derby County footballer. The visitors' bowling was heavily punished by Mack and Brockson, and the innings realised 281, which included 33 extras.

Denbighshire made a shaky start against the deliveries of Wilson, who took three wickets for 12 runs. Score:—

Denbighshire batted first but despite a fourth wicket stand by Morris and Starcup, who carried the score from 11 to 109, could only gather 158 runs. Oates got three cheap wickets at the beginning, and after lunch Reddish was in deadly form, taking the remaining six.

Notts. had 80 on the board for three when Hardstaff and Shipston came together. These two smote the bowling and at the close were within easy reach of a century. Score:

The following have been chosen to represent the West v. North, on the Meadows Ground on Monday and Tuesday next: E. A. Marshall, captain, (Lenton United), R. Timson (Players Athletic), D. O'Brien (Notts. Harrington), J. Gilding (Notts. Harrington), J. L. Swindall (Lenton United), H. Randle (Lenton United), S. Fisher (Lenton United), W. E. Reddish (Lenton United), J. S. McLellan (Old Nottinghamians), F. W. Trease (Old Nottinghamians), and R. N. B. Atherton (Old Nottinghamians).

AN EASY WIN.

Denbighshire No Match for Notts. II.

Notts. II. experienced little difficulty in beating Denbighshire in the Minor Counties competition fixture at Chirk yesterday, winning by an innings and 87 runs.

Shipstone and Hardstaff each recorded a century for Notts., while Lane and Reddish made a valuable stand for the ninth wicket. Reddish on two occasions hit the ball out of the ground. Notts. declared at 401 for nine, Denbighshire requiring 243 runs to avoid an innings defeat.

They made a very feeble reply, the only batsmen to do anything of note being Sykes and Edge. The former gave a polished display, and for two hours defied the Notts. bowlers to score 39. Edge and Morris put on 40 runs for the last wicket.

Reddish was again the most successful Notts. bowler, and his deceptive leg break frequently had the batsmen in difficulties. Oates kept a good length throughout the innings.

The West gained a comfortable victory over the North last evening, on the Queen's Drive ground, although the issue was in doubt with the fall of the seventh wicket at 102. Rickett (37), Tinson (26), Fisher (28) batted soundly, but chief honours went to McLellan whose 52 not out was a beautiful exhibition. Score:

DIFFERENCE OF ONE RUN.

CAMBRIDGESHIRE GET AHEAD OF LINCOLNSHIRE.

There was a most exciting and sporting termination to the first half of the Minor Counties game between Lincolnshire and Cambridgeshire, which opened at Skegness yesterday.

The visitors secured the first innings points by the narrow margin of a single run, the last wicket falling after Pask had given Cambridgeshire the lead with a boundary hit. Although the wicket was all in favour of the batsmen, only Frearson, among the Lincolnshire players, managed to make much headway. The young Skegness Club batsman narrowly escaped being run out in his first over, but, having survived this fright, he went on to make a faultless 82 with a variety of polished strokes, his contribution including ten 4's. Drakes was run out on a late call by Frearson, when apparently set for a big score.

The Cambridgeshire innings was marked by a fine seventh-wicket stand by Hobbs and Parfitt, who carried the score from 71 to 137. Hobbs is a nephew of the Surrey and English batsman.

THREE WICKETS.

CAMBRIDGESHIRE GET THE BETTER OF LINCOLNSHIRE.

Except for a sixth wicket partnership by Flatters and Mack, which yielded 47, Lincolnshire made a poor show in their second innings at Skegness yesterday.

Cambridgeshire had to fight hard for runs, and took three hours to get the runs for a three wicket victory. So completely were the later batsmen held that Lincolnshire looked like pulling off a win, but Dods missed a fairly easy chance by Parfitt, and the same player had another life in the same over. Nixon, of Skegness, who made his debut for Lincolnshire, bowled throughout the second innings, his 23 overs including 14 maidens.

FIVE RUNS AHEAD.

DERBYSHIRE SECOND LEAD NOTTS.

SIX WICKETS LEFT.

Close of play at Trent Bridge yesterday, where Notts. II. are entertaining Derbyshire II. in a two-day fixture, found the visitors in an advantageous position, being 5 runs on with only four wickets down.

Little interest was taken in the fixture, not more than 50 people passing through the turnstiles.

Notts. had first innings, and on a hard wicket could do no better than achieve 170. But for a fourth wicket stand by Cox, the home captain, and Hardstaff, who between them put on 109, the home county would have made a pitiful show.

Pope bore the brunt of the visiting attack, and came out with the excellent analysis of five wickets for 42 runs, whilst Armstrong was almost as good with four for 50.

Derbyshire set about their comparatively easy task at half-past three, and five minutes before stumps were drawn, had passed the home side's total for the loss of four wickets. Clarke had wretched luck in being run out when one run short of his half century. Four wickets were down for 99, but then Gilbert (22) and Beet (53)

R. O. Cox and Hardstaff (jun.).

carried the total to 175 without further loss. The latter played forceful cricket, and, although Cox rung the changes on his bowlers with frequency, they could not dislodge the pair, who in an hour put on 76. Score:—

COX'S TWO FIFTIES.

DERBYSHIRE SECOND TAKE THE HONOURS.

There was some interesting cricket at Trent Bridge yesterday, on the second day of the match between Notts. II. and Derbyshire II., and, though the game was drawn, the honours went to the visitors on the first innings.

Derbyshire, who had gained a lead of 5 the previous day, with six wickets intact, had everything in their favour with a batsman's wicket, but, with the breaking of the overnight partnership between Gilbert and Beet there was a collapse, the last four wickets only producing 6 runs. Altogether, the six wickets only added 34, which gave the visitors a lead on the first innings of 39. The partnership between Gilbert and Beet put on 92 runs, the latter playing with freedom and hitting eleven 4's in his 64, obtained in 75 minutes.

Notts., in their second innings, replied with 221 for six wickets declared, after 34 hours' batting, leaving the visitors a possible hour and three-quarters to get 183 to win. In the Notts. second innings, Gunn and Copley put on 75 before Gunn put up a simple return to Hutchinson. Cox gave a delightful exhibition, and for the second time in the match reached the half century, this time being undefeated. He reached the ropes five times. Copley, too, scored a perfect 50, which included nine 4's.

Derbyshire did not show any inclination to force the pace, and when the game was left drawn had scored 63 for the loss of only one wicket. Smith contributed a capital 52, which included eight 4's. Score:—

SECOND BENEFIT FOR PAYTON.

NOTTS. AND DERBYSHIRE TO-MORROW.

"GREAT LITTLE BATSMAN."

Compared with the Lancashire and Yorkshire cricket worshippers, Nottinghamshire folk are somewhat tardy in their recognition of services rendered.

It is to be hoped, however, that tomorrow, Monday, and Tuesday next, when the Champions meet Derbyshire at Trent Bridge, they will redeem any failures of the past.

They can do this by attending as a recognition of the services of Wilfred Payton, to whom the fixture has been allocated as a benefit.

Nottinghamshire cricket and cricketers find many places in the records of the greatest of all summer games, but when the time comes that Payton has to forsake the field of action for the easier role of spectator, his name must assuredly find a place on the long list of those who have brought honour and renown to the county of his birth.

It is hard to realize that this bronzed little man with the twinkling eyes, and the keenest sense of humour, can be on the eve of his 49th birthday. Father Time treats some people lightly, and he has been kind to Payton, although the records show that he was born at Stapleford on February 13th, 1882.

The song of King Willow provided the sweetest music to him, even as a boy, when Mr. Spencer, master of the Stapleford School, appreciating the lad's keenness and undoubted ability, set himself to give what instruction in the game that was within his power to impart. Thus at the age of 14, Master Wilfred Payton was playing for the Stapleford Town Second XI, and in his first match against Risleigh, scored 57 not out.

He rose to first eleven status, and the news of his achievements with the bat spreading further and

Payton.

further afield he was given a trial with the Notts. colts against Yorkshire colts at Wath. On that occasion Payton obtained 81, a performance which secured for him an appointment on the Notts. ground staff in 1905, and in July of that same year he made his debut against Kent at Trent Bridge. By a coincidence Joe Hardstaff, another of the county stalwarts, scored his first century in the same match, and Payton assisted him in a partnership of 96.

Since those days, the Stapleford man has proved one of the best and most devoted servants that Notts. have ever had, and at the present day, as he has been for many years, is one of the prettiest batsmen in the country to watch.

One celebrated critic has described him as "the finest batsman who never played for England." It is probably true for Payton has never had a chance of representative honours since some few seasons ago he was invited to take part in one of the "plum" games, and had to refuse owing to the fact that he had sprained his ankle whilst playing for Notts. against Sussex at Brighton.

HIS HIGHEST SCORE.

He was a member of the side which won the County Championship in 1907, and was one of the greatest helps in enabling Notts. to regain the title last year, when against Lancashire, at Trent Bridge, he made 169, the biggest score in his career.

To the end of last season, Payton had in 615 completed innings scored 21,137 runs for Notts., including 37 centuries. This year, up to and including Tuesday last, he has in 21 completed innings, compiled an aggregate of 645 runs, his best score being 109 against Surrey at Trent Bridge. He has never suffered the indignity of "spectacles," and has made a century against every first-class county except Essex and Somerset.

The Notts. Committee accorded Payton a benefit against Yorkshire at Trent Bridge in 1921, but it was not the success that it should have been. Now the public have a chance to make amends to a great little man, whose motto has always been county first, and self second.

Appended is a list of his many centuries for Notts.:

MINOR COUNTIES' TOURNEY.

GUNN AND HARDSTAFF BAT WELL AT MANSFIELD.

Owing to rain less than three hours' play was possible in the Minor Counties' match on the Mansfield Grammar School Ground yesterday between Notts. II. and Staffordshire.

In that time Notts. scored 130 for the loss of half the side—quite a good score considering that Keeton, who opened with Gunn, was dismissed for a single, and that at one time three wickets fell for the addition of as many runs.

Gunn stayed to score a bright 37, which included six 4's, and Hardstaff, Knight, and Knowles later took part in valuable stands. Score:—

FIRST INNINGS' POINTS FOR

NOTTS. II.

YOUNG GUNN SHINES WITH BAT AND BALL.

An extra half hour was played at Mansfield yesterday to give Staffordshire an opportunity of making 178 in rather less than two hours to beat Notts. II. Although Ellecker and Smith made a gallant effort to force the pace, the task was too much for them, and Notts. took first innings points.

A feature of the game was the all-round skill of the younger Gunn, who scored 37 and 47, and in the morning, when spin bowlers reaped a rich harvest on a drying pitch, took three wickets cheaply. Score:—

CRICKET AT MANSFIELD.

**NOTTS. COUNTY II. XI. v.
STAFFORDSHIRE.**

Rain marred the first day's play in this two days' Minor Counties Championship game, played on the Queen Elizabeth's Grammar School ground on Wednesday and yesterday. Only two hours and twenty minutes' play was possible on Wednesday and in that time Notts. scored 130 for the loss of five wickets, Hardstaff batting stylishly for 40 not out and the younger Gunn did well, claiming 37. The sun shone brilliantly yesterday and at the outset the wicket favoured the bowlers.

Hardstaff and Knowles went to the crease sharp to time, but the visiting skipper, Stanley Heath, and Gleaves had not arrived and two substitutes were called upon to field. The opening batsmen held their own for the first few overs, Hardstaff playing his usual steady game, taking no risks. Although his batting was largely confined to defence he was showing exceptional skill in placing the ball. Knowles straight drove Ellerker to the rails, but in the same over the Staffordshire bowler sent down a good length ball which the batsman nicked into the safe keeping of Green behind the stumps, giving Staffs. an early wicket with only five runs added to the Notts.' score. Lockett was in great form and his first four overs were maidens. He was swinging the ball in from the leg with fine effect and was bowling so cleverly that any attempt to hit him was almost fatal. At 11.20 the late arrivals relieved the substitutes. Ellerker made a brilliant attempt to take a catch off the bat of Hardstaff at cover point, but without success. Copley, who has been assisting the Notts. first eleven, was now at the wicket, and he was quickly off the mark while Hardstaff had settled down to play discreet and skilful cricket. The fates were against the latter, however, for when needing only 8 runs for his fifty, he played the ball into the hands of Ellerker to give Lockett his first success of the morning. The bowlers were now well on top and the Oldham professional with the last ball of his over brought about the downfall of Reddish—141 for 8. Copley made his runs soundly, mostly on the leg side, but the left-handed batsman, Wheat, who had filled the breach, was content to put up a stubborn resistance. Ellerker, who had the advantage of a strong wind, was turning the ball well. Copley punished any over-pitched ball severely and hit a loose delivery from Lockett for a six, to the delight of the spectators.

Green missed a glorious opportunity of dismissing Copley when he missed what appeared to be an easy catch. Ellerker made an unsuccessful appeal against Wheat for lbw., but in the following over Lockett claimed his wicket for a similar infringement. Copley, who made excellent drives on both sides of the wicket, was making valuable runs for the Colts, but the trouble was that he could not get anyone to stay with him, and at 12 o'clock the last wicket fell, Notts. being out for 169, having lost five wickets during the morning for the meagre total of 39 runs. Lockett was the bowler to take the honours of the attack, his analysis reading—31overs, 12 maidens, 62runs, 6wickets, a really fine effort considering the vagaries of the weather on Wednesday, which made the pitch so dead.

It was ten minutes past twelve when Staffordshire, represented by Ellerker and Woodhouse, began their reply.

Barke sent down the first over. He bowls at a good pace, but was well off the wicket and caused the visiting men little trouble.

However, the home side were not long before they commenced to send batsmen back to the pavilion and five were out before fifty was up on the board. The visitors did better later, but Gunn bowled well and dismissed three men for 17. In the end the side was out for 130. Notts. rattled up 138 for two, Gunn and Keeton scoring at a good pace and the closure was applied. Staffordshire had an hour and forty minutes in which to get 178, but the best they could do was to collect 118 for three when time was called. The fielding of Copley was excellent.

NOTTS. II. AT HUCKNALL.

YORKSHIRE II. RECOVER FROM A BAD START.

Owing to the heavy rain at Hucknall yesterday it was not possible to start the Notts. II. and Yorkshire II. match in the Minor Counties Tournament until 3.30 p.m.

Although three Yorkshire wickets fell cheaply, Broadhead and Swift adapted themselves to the conditions. The former was brilliant, and compiled 71, including seven 4's before he was bowled by Cox, who also claimed Swift as a victim. Turner, who remained undefeated for 39, also played an excellent innings. Score:

MINOR COUNTIES TOURNEY

NINE WICKETS FOR YORKSHIRE BOWLER.

HUCKNALL GAME DRAWN.

When Yorkshire II. continued their innings in the Minor Counties match at Hucknall yesterday, Turner again scored freely, and the innings realised 204.

Notts. II. started well, but they found runs difficult to get against the bowling of Fisher who claimed nine wickets for 75 runs. However they were able to save the follow-on, thanks to a little harvest of runs from Wheat and Oates.

Yorks. II. did not remain at the wicket for any length of time on going in again and with 74 on the board for the loss of one batsman they declared. In response Notts. II. made 78 for three and the match was left drawn. Score:

H. R. COX IN NOTTS. TEAM.

TO PLAY AGAINST MIDDLESEX AND WARWICK.

In the return game with Middlesex, which commences at Trent Bridge to-morrow and with Warwickshire next Wednesday, patrons are to have a view of a new and young amateur in H. Ramsay Cox, who has a bright future in first-class cricket.

H. R. Cox.

Cox, a member of Notts Amateurs, was in the Uppingham School eleven for two seasons, and he has made some good scores for Notts.

He compiled his first century when only 15, and, in addition to his undoubted qualities as a batsman, is a fine change bowler.

So far this season, in all matches, Cox has made over 1,000 runs.

FEW SPECTATORS AT ILKESTON.

**DERBYSHIRE II. MEET NOTTS.
SECOND STRING.**

The weather was dull and threatening, with occasional showers at Ilkeston yesterday, and the attendance at the Rutland Ground was poor.

Notts. won the toss, and sent in Derbyshire, whose early batsmen found runs hard to get. Twenty minutes were required to obtain a single, which cost two wickets. Elliott was batting eighty-five minutes for 5, but Beet displayed more enterprise in compiling 17. With nine wickets down for 63, matters did not look very well for Derbyshire, but a splendid stand by Taylor, an Ilkeston player, and Thorpe added 55 for the last wicket, and carried the total to 119.

Notts. had a couple of hours batting, less some ten minutes delay due to bad light and rain, and they put on 73 for the loss of four wickets. Shipstone was dismissed just on time by a brilliant one-handed catch by Gilbert. Score:

NOTTS. II. IN SIGHT OF MINOR COUNTIES TOURNEY VICTORY.

CURIOUS INCIDENT AT TRENT BRIDGE.

ON THE WRONG PITCH.

Notts. II. after the first day's play in the Minor Counties match with Denbighshire at Trent Bridge, found themselves well in sight of victory.

They dismissed the visitors for 48, and hitting up 108 for two declared, and at the close of play the visitors were 56 behind with only four wickets intact.

A curious incident occurred during the match. Shortly after lunch play was stopped by rain. Covers were put over the creases, and on being removed the stumps were erected. Play proceeded for fully ten minutes before it was discovered that the game had been resumed on the wrong pitch.

There was some fine bowling by Robertson, Moulton, and Robinson, when Denbighshire took first use of the wicket. With the exception of Sykes, the batsmen were all at sea, and within

G. V. Gunn.

an hour and a quarter the side had been dismissed. At least nine wickets fell, Findlay arriving too late to bat. Robinson finished with the remarkable average of three wickets for 1 run, while Moulton had three for 6, and Robertson two for 16.

Notts., too, did not make a good start, losing two valuable wickets for 11 runs. But with Gunn and Harris in partnership a different complexion was put on the game. While Harris was always cautious, Gunn was very free in action, scoring at a rapid rate all round the wicket. He was complete master of the attack and hit up 125, including nineteen 4's, without being defeated. He was at the wicket two hours and twenty minutes. His partnership with Harris, which was still intact at the declaration at the tea interval, occupied two hours, and put on 182 runs, of which Harris contributed a well played 59, in which he hit one 6 and three boundaries.

Denbighshire made an effort to save themselves in the second innings, and though Morris set the attack at defiance for an hour and ten minutes, scoring 52 before he was caught at cover-point, he could not get anyone to stay with him, and at the close six wickets had fallen for 89 runs. Score:—

INNINGS WIN FOR NOTTS. OVER DENBIGHSHIRE.

EXCELLENT BOWLING.

Heavy rain overnight so thoroughly soaked the ground at Trent Bridge that a resumption of play in the Minor Counties match between Notts. II. and Denbighshire was not possible until after lunch.

The visitors were in a hopeless position, requiring as they did 56 to avert an innings defeat with only four wickets to fall. These were quickly accounted for, and Notts. gained an easy triumph by an innings and 34 runs.

In the match Moulton took seven wickets for 18 runs, and Robertson five for a trifle under 8 runs each. Score:—

MINOR COUNTIES' TOURNEY.

BEDFORDSHIRE GET IN FRONT OF LINCOLNSHIRE.

At Grantham yesterday Lincolnshire had a weakened team, R. F. Franson, the Rev. H. Mack, and T. E. Drakes being absentees. They batted first and put up a poor show, being all out for 77. Dynes took three wickets for 2 runs and he finished with five for 20.

Dynes and Smith were Bedfordshire's first pair, and the partnership was not dissolved until just after the Lincolnshire's total had been passed. The cricket was, however, slow, for it took Bedfordshire two hours and twenty minutes to get 100. Worman bowled 44 overs for 63 runs and six wickets. Score:—

HEAVY RAIN AT GRANTHAM.

Heavy rain fell at Grantham during Wednesday night and practically all yesterday morning, and a resumption was not possible until after lunch. Bedfordshire with a lead of 103 and three wickets in hand continued their innings and totalled 220. Directly after Lincolnshire commenced their second venture a heavy shower drove the players in and the pitch was in such a sodden condition that it was decided to abandon the match. Score:

TOWN WITHOUT CRICKET CLUB.

CASTLE DONINGTON'S EFFORT TO FORM ONE FOR 1931.

The fact that there has not been a cricket club at Castle Donington for some years, brought an enthusiastic and largely attended meeting at the Church Schools to consider the proposal very encouragement.

Mr. Robinson, who presided, said it was a pity that a town the size of Castle Donington had no cricket club. There was sufficient interest to form a strong club, and he personally would give the proposal every encouragement.

It was stated that one of the chief difficulties which would have to be faced was that of a suitable ground.

A deputation was appointed to make investigations, and to report to the next meeting.

It was decided that the club should not be dominated by denominational or political interests, but should be known as a town club.

WON IN LAST MINUTE.

In a one-day match at Loughborough-road, yesterday, an extra half-hour was played. Bland was bowled by Richmond half-a-minute from time and the home side won by 141 runs. Score:

NOTTS. CRICKET REVIEW.

WHYSALL ALONE MAINTAINS HIS FORM WITH THE BAT.

HOW LARWOOD WAS MISSED.

In reviewing the Notts. season which ended yesterday with a victory over Worcestershire, the first thought must naturally be one of regret that the county, whose fame is carved indelibly on the records of the great summer game, have failed to retain the Championship which twenty-two years of striving gave into their possession twelve months ago.

Lamentations achieve no good results, however. It is far better to face facts and if the hard cold truth is faced, then Notts. failed because they were not quite good enough.

There may be those who will say that if Test match claims had not deprived the club of the services of Larwood, who is undeniably their best bowler, matters might have been very different. True, they might; but Notts. were not the only side that had to make sacrifices, and consequently the best thing to do is to look at facts as they are, and not as they might have been.

What are the facts then? Firstly, a study of statistics—which are wearisome things, but must be analysed where cricket is concerned—shows that in no department of the game were the county as successful as they were in 1929.

Whyssall.

Larwood.

Secondly, they forgot on more than one occasion the hope expressed by a prominent member of the Committee that Notts. would always go out to win, and not start with the idea of first of all making sure of first innings' points.

That policy may have been ingrained for years in Lancashire and Yorkshire cricket, but of Notts. something different was expected, and the barracking by the spectators at their slow progress, which was heard at several matches, was not good to listen to.

AN EXAMPLE.

The first game with Derbyshire at Ilkeston was a case in point. Had Notts. declared and given their opponents an hour's batting before lunch on a wicket that was unquestionably in favour of bowlers, a victory might have been recorded. As it was, they did not apply the closure until Derbyshire had really no possible chance of winning, and then, of course, the home county simply set themselves out to avoid defeat, and nothing else. In other words, a good finish was spoiled by the refusal to take a sporting risk.

Another factor which militated against the county's progress, and had a lot to do with a good many of the disappointments, was the deterioration in the standard of the attack, hailed as the strongest of any county in the country. Whereas a season ago three members of the side, played primarily for their bowling, took a hundred wickets each, not one has reached three figures this year. Never before has Larwood's value to the team been more exemplified than in the season just closed. He may not have achieved a great deal in the Test matches, but whenever he was absent from the county eleven the lack of sting in the Notts. attack could be sensed.

That was all the more noticeable because Voco's fast 'n-swingers did not meet with anything approaching the same success as was the case a year ago, and the left-hander found difficulty on what few occasions he tried to do so, is turning over to slow spin bowling. Barratt, too, had one of the leanest times with the ball that he has experienced for years past, and neither of the brothers Staples quite reached expectations, although the elder of the pair certainly came along with leaps and bounds at the finish.

DISAPPOINTMENTS.

Both batting and bowling can be dealt with later, however. The first part of the season's review should consist of an analysis of the matches played, lost, and won, and, looking at the results, it will be seen that Notts. won nine out of 23 county games played, were only beaten once, and drew on 18 occasions (taking first innings points in 10 games). The irony of it is that they yielded points to several counties over whom they were expected to triumph, the worst disappointments of all being the fixtures with Hants. at Southampton, Somerset at Taunton, Warwickshire at Edgbaston, and Northants. at Trent Bridge.

Against Hants., the only side to beat them outright, Notts.' failure was inexplicable. After winning the toss, they were all out for 69, their lowest score of the season, and in the end lost by five wickets in a finish that will long be memorable. On the second day the home county made use of the new rule which permits an extra half-hour if a finish is considered possible. The half-hour expired, and Hants. still required one run. To enable that single to be scored, A. W. Carr and his team had to remain overnight, and the following morning went on the field clad in their ordinary street attire.

Against Somerset, at Taunton, had fielding, which is one of the departments that Notts. have got to strengthen, was mainly responsible for J. C. White's team taking first innings points. In the case of the first fixture with Warwickshire, at Birmingham, and that with Northants. at Trent Bridge, weak bowling enabled the opposition to score more runs than anyone would ordinarily have dreamed of them getting.

It comes to this at the finish. Notts. lost once—namely, to Hants.—and were beaten five times on the first innings—by Surrey, Somerset, Warwickshire, Kent, and Yorkshire. Surrey were the only side to take five points away from Trent Bridge, and to Warwickshire fell the distinction of making the biggest score against Notts.—520. By a coincidence the County made their smallest and biggest totals against Hants.—69 at Southampton, and 511 for eight at Trent Bridge.

Friendly engagements were confined to the matches with Oxford University and the Australians. The former, who were paying their first visit in history to Trent Bridge, surprised their hosts by dismissing them for 216, and then scoring 513. Against the Australians Notts. piled up 433, the highest score made by any county off the Tourists' bowling, but the match was left drawn.

YOUNG PLAYERS TRIED.

PROMISING PERFORMANCES IN FIRST MATCH.

Leaving the fixtures and coming to the players we find that Notts. called upon the services of 21 players during the season, of whom six made their debut in first class county cricket, namely Copley, Reddish a gookly bowler, H. R. Cox, an ex-Uppingham schoolboy, S. D. Rhodes, a Mansfield amateur, Robinson, left arm slow spin bowler and Hardstaff, the son of their old professional.

In giving some of the youngsters a chance the committee adopted a very wise policy, and had no reason to feel dissatisfied with the results because if there was not a great deal of bowling talent revealed, S. D. Rhodes and Hardstaff showed undoubted promise with the bat. The amateur, who is a regular playing member of Sir Julien Cahn's eleven scored a glorious 68 not out in his first match, against Hants. at Trent Bridge, and a very useful 20 against the Australians. Hardstaff carried his bat for 53 in the second fixture with Lancashire—a great performance.

On the bowling side the best form was revealed by Robinson, who has a nice easy action and delivers the ball from a good height. Notts. will do well to persevere with this youngster because they had been sadly in need of a left-hander since Voco was mistakenly persuaded to forsake

his natural style and develop speed instead of science. There is still young Dennis Bland available, of course, and the ex-Shrewsbury boy is to be congratulated upon several good performances, but two shots in the locker are always better than one and Robinson may prove to be the man the county have long been waiting for.

George Gunn, junior, is another of the younger school who must find a regular place in the near future and he can be played both for his batting and as a change bowler. Of Copley it is difficult to know what to say. Except in the Oxford University match his appearances with the county were all in the capacity of substitute fieldman. In the field his work was unquestionably brilliant, so much so that the whole country acclaimed him when in the Test match at Trent Bridge he deputised for Larwood, who had been taken ill with gastritis. If only his batting or bowling were as good as his fielding what a find Copley would be.

WHYSALL'S RECORDS.

As has been pointed out previously neither the side's batting nor bowling were quite up to standard, only three players exceeding a thousand runs, and not one of the bowlers securing a hundred wickets. In the batting department Whyssall, who again headed the averages, alone maintained his form, topping the second thousand mark for the fourth year in succession. In recognition of his consistent displays he was picked to play for England against Australia in the final Test match at the Oval. It would be nice to say that he helped the Old Country to victory, but that unfortunately was not the case, because the Mansfield man failed in both innings.

For his county he played the part of a hero, saving them from disaster time and again, and on no fewer than eight occasions exceeded the hundred. His highest innings—it enabled him to establish a new personal record—was 248 out of 482 scored against Northants. at Trent Bridge in six hours and ten minutes, and including four 6's and twenty-five 4's, but the performance of which he was most proud was the scoring of the four hundreds in successive innings, two against Hants, and one each against the Australians and Warwickshire. This was the first time that any Notts. batsman had performed the feat.

George Gunn and Walker also completed a thousand runs each, but the veteran did not perform as well as usual, topping three figures on only two occasions. Still, at his age—51—he could not be expected to show the brilliance of old, and in the circumstances accomplished a very good performance. Incidentally, the veteran has now obtained over 30,000 runs in first-class cricket—another record for Notts.

Walker, when he made 165 not out against Middlesex at Lord's, obtaining the runs out of 330 in ten minutes under five hours, beat his previous highest total for the county, and participated with Payton in their record stand for the fourth wicket, 205 in three hours. He started the season rather badly, but found his form when matters were going badly with Notts. in mid-season, and was more than once the means of extricating the side from serious trouble.

PAYTON UNLUCKY.

Payton was, unfortunately, dogged by illness during the season, or he must have easily recorded a four figure aggregate. Once again, however, he revealed himself the right man in a tight corner, his 119 obtained against Sussex at Hove, when Notts. looked like losing on the first innings, being a particularly meritorious effort. In recognition of his 25 years' service to the county he was given the Derbyshire match as a benefit, and it is to be hoped that the subscription lists yield a handsome response because the match itself resulted in a loss of 11s. 9d.

A. W. Carr and Barratt had a disappointing season with the bat, but Lilley and the brothers Staples proved their value on many occasions, a notable performance being their great stand for the seventh wicket at Northampton.

On the bowling side the man who again carried off chief honours was Larwood, who wound up the season in such glorious style yesterday by taking eight Worcestershire wickets at a cost of a fraction over four runs apiece. He was wonderfully consistent all the season, and the averages, the one against Middlesex and his seven wickets for 57 against Warwickshire and his seven Bridge, were accomplished on a soft pitch which was hard he bowled quite as fast as ever he had done.
