

**MINOR COUNTIES
CHAMPIONSHIP.**

Surrey 2nd v. Wiltshire.

Thanks chiefly to a splendid innings of 110 by E. H. F. Fuller, Wiltshire established a big first innings lead in this match at the Oval on Monday and Tuesday, despite Geary's fine bowling. Wiltshire again had the best of the cricket on the second day, and followed with six wickets down for 214. However, Surrey prevented a definite result, and Wiltshire took first innings points. A feature of the match was the bowling of Smith for Wiltshire, who altogether took eight wickets for 77. Scores:—

WEST WILTS LEAGUE.

Westwood, the first division leaders, won comfortably their home match with Holy Trinity, though the villagers received several shocks at the commencement of their innings, four wickets going down for eight runs. W. Hobbs and F. White brought smiles to the faces of Westwood's supporters, however, when by excellent play they scored 45 for the seventh wicket. The innings closed at 98, to which Trinity replied badly, the brothers Hobbs having matters practically their own way in bowling.

Hinton Charterhouse batsmen were falling like ninepins against the Bradley bowlers until E. Withers arrived and showed how to use the "long handle." He rattled up twenty in quick time, but after his dismissal the bowlers had revenge and the whole side was out for 40. Even more disastrous was Bradley's reply, Withers and C. Colborne skittling the side out for 13 and R. Bennett carried his bat through the innings for four.

A splendid not out innings of 50 by W. Gerrish was a feature of the match between Leigh Leather Works and Broughton Gifford on the former's ground which ended in a surprise victory for the visitors. Thanks to a capable batting display by H. Preator (23) and remarkable bowling by T. Moore (8 for 5) Wingfield gained victory by seven runs over Chapmanlade.

In the second division Bearfield continued their winning way, this time at Freshford's expense. S. Gliddon played a great role in his side's triumph, making 30 runs and taking eight wickets for 14 runs. Rode were successful in a home match with Trowbridge Wesleyans and Neston Institute proved easy victors over Bratton, F. May taking 4 wickets for 5 runs. G. Jones played a hard-hitting not out innings of 21 for the victors.

Two games in the third division finished with only one and two runs separating the respective sides. Hilberton defeated Chapmanlade 2nd by 53 to 51. D. Phillips contributing 19 to the winner's total, and Winsley, by 33 to 32, secured the verdict over Monkton Farleigh.

LANGLEY BURRELL v. DERRY HILL.

Played at Langley on Saturday and resulted in a win for the home Club by 15 runs.

ARTHUR NEWMAN'S BENEFIT.

Wiltshire's return match with Surrey 2nd, to be played at Bemerton, Salisbury, on August Bank Holiday and the following day, will be Arthur Newman's benefit match, and everybody hopes it will be a bumper, for "Arthur" is popular on every ground where he has appeared. He commenced his career as a "pro" as long ago as 1902, with the Lansdown (Bath) Club, and joined the M.C.C. staff three years later.

In all classes of cricket he has scored over 70 centuries, and taken 3,000 wickets. His biggest innings was 201 not out, for Lansdown, v. Trowbridge, in 1904, and his best for Wiltshire 176, against Kent 2nd at Swindon. He took 121 wickets in this same match, and has performed this feat on six occasions for the county. He has five times played in representative games for the Minor Counties. XI. Since 1927 he has been cricket coach at Stowe School. Altogether he has been playing regularly for Wilts for 28 years, and for 354 innings has a batting average of just over 25; while his bowling record is 561 wickets in 4,187 overs, for 9,263 runs,—an average of 16.47.

This is a splendid record, and "Arthur" has plenty of cricket left in him yet.

Result: Chilcompton 77; Writhlington 132 for five wickets.

SECONDARY SCHOOLS CUP—Semi-Final.

BRADFORD-ON-AVON v. TROWBRIDGE BOY'S HIGH SCHOOL.

This game, abandoned on the previous Friday when Bradford were in the favourable position of having scored 68 against 40 for 8 by their opponents, was replayed on the County Ground on Tuesday. Batting first, the High School fared badly and had lost eight wickets for 38 when a good stand by Thomas and Payne saved the situation. This pair doubled the score in a short time. Replaying, Bradford batted confidently and at one time needed only 18 runs for victory with four wickets in hand. However, the last men were not equal to the occasion and the innings closed at 87. Batting a second time the High School scored 70 for 8 before stumps were drawn—and thus won on the first innings by 13 runs. Scores:

SALISBURY CRICKET WEEK.

During Salisbury Cricket Week, which concluded yesterday, the Wiltshire County Club entertained three clubs in two-day matches at the South Wilts Club ground at Bemerton. Rain marred the matches on Saturday and Wednesday, and prevented play on Tuesday. On Friday and Saturday Wilts Club and Ground entertained Eton Ramblers; on Bank Holiday Wiltshire played Surrey 2nd XI.; and on Wednesday and yesterday Wiltshire met Berkshire. On Saturday selections were played by the band of the Wilton branch of the British Legion, and on Bank Holiday the second band of the 2nd Battalion the King's Royal Rifle Corps was in attendance. The Corps' buglers at full strength played "Retreat" after the close of play.

WILTS CLUB AND GROUND v. ETON RAMBLERS.

The opening match against Eton Ramblers resulted in a draw. Wiltshire batted first on an excellent wicket, and a good start by Butler and Forrester gave the side confidence. Wilts scored 375 runs for the loss of five wickets and then declared. A feature of the innings was the fine batting of P. N. S. Creek, who made 109 not out. The commencement of his innings was a trifle unsteady, but when he had settled down he scored at a good rate and dealt confidently with the Ramblers' bowling. He only gave one chance, a difficult one. The Ramblers replied with 231 runs in their first innings and followed on. They required 144 runs to avoid an inning's defeat, and when stumps were drawn they had scored 147 for eight wickets. The Wiltshire bowling was uniformly good. Scores:—

WILTSHIRE v. SURREY 2ND XI.

A large number of spectators saw the beginning of the Minor Counties' Championship match on Bank Holiday between Wiltshire and Surrey 2nd XI. This match was Newman's benefit. Owing to rain there was no play on the second day, and Surrey won on the first innings. The start was delayed owing to rain, and when Wiltshire went out to bat the wicket favoured the Surrey bowlers. Butler and Fuller opened the Wiltshire innings, and treated the bowling of Geary and Lock with caution; only ten runs were scored in the first half-hour. Later, Butler twice put Lock to the boundary, but when the score had reached 27 Fuller was caught and bowled by Lock. Butler played well, and was the only player to reach double figures. He scored 53 before being dismissed by Lock. The other wickets all fell cheaply owing to deadly bowling by Lock and Geary, and the home side's total was 94. After a rather weak start the Surrey men batted consistently, and the last wicket fell with the total at 163. Wilson was the top scorer. He compiled 63 runs before being caught behind the wicket by Nash off Fitzgerald. Scores:—

WILTSHIRE v. BERKSHIRE.

Rain prevented Wiltshire's fixture with Berkshire being played. On Wednesday, play was only possible for half-an-hour, when Wiltshire scored 12 runs without loss—G. S. Butler not out 6, and E. H. F. Fuller not out 6. As the result of heavy rain during Wednesday night and yesterday, the match yesterday was abandoned.

CRICKET WEEK

COUNTY TEAMS AT BEMERTON.

The annual "Cricket Week" began on the South Wilts Cricket Ground at Bemerton on Friday, and concluded yesterday (Thursday), having been unfortunately interfered with by wet weather. On Saturday the band of the Wilton British Legion played selections of music, while on Monday the second band of the 2nd Batt. King's Royal Rifle Corps were in attendance and their bugles finely played the Retreat at the close of play.

WILTS CLUB AND GROUND V. ETON RAMBLERS.

On the first two days, Wiltshire received a visit from the Eton Ramblers. The visitors won the toss, and sent Wilts to the wicket. G. S. Butler and R. A. C. Forrester made a steady stand against the bowling of B. M. Franks, Major Cartwright and Captain Burrows. At the end of an hour, however, Franks secured the first wicket, Butler falling to a catch in the slips by Cartwright. The score then stood at 90. Forrester was joined by C. E. Awdry, and together they carried the total to 147, when Forrester was caught by Wintonington off Cartwright. Ling next proceeded to the wicket, and with the score at 151 for two wickets, lunch was taken. With the score at 245 for four, Creek and Ashfield piled on the runs. Creek completed his century in less than two hours, and Ashfield was stumped for 42. Wilts declared at the tea interval with a total of 375 for 5 wickets.

The Ramblers started badly, Leese being dismissed by Stanford, with only one run on the board. The second wicket was lost at 45, and with only one more run, the third wicket fell. The tables turned, however, when Gosling and Burrows came together, and they were still batting when stumps were drawn. On Saturday morning their partnership was soon broken when the score had reached 115. Field, Marsham and Burrows made a good stand, but a heavy shower of rain prevented more than half an hour's cricket before lunch. Captain Burrows then took his total to 59, before being dismissed, after which the side practically collapsed, being all out for 231.

Following on, they required 144 runs to save an innings defeat, and had three hours in which to get them. Taunton and Gosling batted first, the former being caught by Creek after ten minutes play. Three wickets fell for 30 runs, but subsequently the runs increased, and the innings defeat was saved with two wickets to spare. Scores:—

WILTS v. SURREY 2nd XI.

On Bank Holiday there was a large attendance to see Wilts play Surrey 2nd XI. The number of spectators present was very gratifying in view of the fact that the proceeds were for Newman, the Wilts professional, who has well served the county team for 28 years. Owing to the rain on Sunday night and early Monday morning, the start was delayed till 12.15, when Wilts, having won the toss, decided to bat. Butler played a magnificent game, making 53 in spite of a very soft wicket, which the spin bowlers exploited to the full. Lock being extremely difficult to play. He took 6 wickets for 57 runs. The side was all out for 94. When Surrey went to the wickets they found runs hard to get, until Squires was joined by Wilson, and they made a good stand, Wilson getting 63 runs and Squires 31. The only other notable score was R. W. Skene's 32 not out. He gave a difficult chance to Awdry, but then settled down to delightful cricket. When stumps were drawn, Surrey had compiled 163, giving them a lead of 69. Rain prevented play on Tuesday, so Surrey won on the first innings.

A collection made for Newman on the ground amounted to over £12.

WILTSHIRE v. BERKSHIRE.

On Wednesday the visitors were Berkshire, but unfortunately the rain seriously interfered with play. Only the two batsmen who opened for Wiltshire, Butler and Fuller, did any scoring and they had each made six (not out) when it became necessary to finish for the day. Yesterday (Thursday) the wicket was so saturated and the showers so heavy that play was impossible and the match was accordingly abandoned.

DEVIZES 2nd XI v. FROME 2nd XI.

After a lapse of one season this fixture was continued on Saturday last when, at home, Devizes 2nd XI won by 19 runs. Winding the loss, Devizes started badly in losing five wickets for 18 runs, but Traylen (27) and Reeves (23) had a good stand together, and stylish batting in a last wicket partnership between Rothery and Jones took the total to 92. Beachem, 6 for 42, and Clark 4 for 47 bowled unchanged for Frome. The feature of the visitors' innings was the effort of their captain, W. Barrett; going in third wicket down, by hard hitting he at once tried to turn the fortunes of the game, but he did not receive adequate support from the later batsmen, and, when the last man had been cleverly stumped by Dix, was left not out with 28. Reeves handled his limited attack skilfully, he himself taking 4 for 33, Jenkins 2 for 28, and Haines 4 for 0. Scores:-

WILTSHIRE v. KENT 2nd.

Wiltshire won their first match of the season at Sittingbourne on Tuesday, when they gained a decisive victory over Kent 2nd by ten wickets. Wiltshire batted first, but their acknowledged batsman put up only a moderate performance, and it was left to the bowlers, Fitzgerald (F. W.) and Smith (W. A.) to pile up the runs to a total of 243. Fitzgerald, who went in eighth wicket down, was top scorer with 62, and Smith was unharmed at the close with 56. Curiously enough the same thing happened to Kent, their opening batsmen falling badly, W. H. Levett at ninth wicket, and Blunden (last man) scoring 35 not out and 35 respectively. They followed on 130 runs in arrears, and in their second innings made 137, thanks chiefly to T. A. Pearce, who scored 59. E. H. F. Fuller and E. M. Nash knocked off the runs without separation. For Wiltshire C. E. Awdry had the excellent average of 5 for 29 in the first innings and 4 for 69 in the second. Scores:—

WEST WILTS LEAGUE.

Match Finished in Semi-Darkness.

The enthusiasm displayed by clubs in this competition is remarkable, for whether it should be raining or the light be bad, if there is any chance of playing a match to a finish the task is attempted. On Saturday Rode fulfilled two matches, the first of which did not commence until well into the afternoon, and when the second was finished it was only with extreme difficulty that play could be followed. Such enthusiasm in indeed a genuine interpretation of sport at its best. Rode's afternoon engagement was a visit from Bearfield, which ended in a win for the Bradfordians, despite a "hat-trick" performance by J. Moore for Rode. At 6.15 Freshford came on to the field, and taking first knock scored 32. Rode replied grandly, and despite the gloom succeeded in exceeding their opponents' total by 11 runs.

North Bradley won an exciting match by four runs against Broughton Gifford, R. Sorine and H. Mortimer shinning for the losers, and D. Bristow and W. Gingell for the victors. Wingfield, winners of the Knock-out trophy, caused a sorry collapse of Holy Trinity's batsmen on the Bythesea Road ground, F. Moore taking 4 wickets for 5 runs and F. Woods 5 for 7. Trinity had six "ducks," and Wingfield did not shine at batting, but managed to score 28. Burns took 7 wickets for 12 and Clark 3 for 12.

Westwood's early batsmen were in splendid form against Chapmanlade, O. Hillier being responsible for a capital 33, and Farley, White and L. Hobbs followed with excellent contributions. The visitors were well beaten in the end. Shaw travelled to Westbury minus several usual players, but managed to win a very keen match by a few runs, the bowling on both sides being good. A long fifth-wicket partnership by E. Clifford and E. Blagdon, for Bratton, was the feature of this club's home engagement with Monkton Farleigh, them taking five wickets at small expense, and then going in ninth wicket and scoring 23 not out, the highest contribution of the match. Scores:—

Hilperton continued their winning way at Southwick's expense, and Neston achieved a commendable victory at Winsley. F. May, for Neston, displayed his splendid all-round capabilities at small expense, and then going in ninth wicket and scoring 23 not out, the highest contribution of the match. Scores:—

WESTBURY-ON-TRYM v. TROWBRIDGE.

An exciting win for Westbury-on-Trym by two runs was the result of this match at Combe Dingle on Saturday. The wicket was very tricky, and the home bowlers derived considerable assistance from it, dismissing Trowbridge's early batsmen in remarkable fashion. Six wickets went down for 10 runs, at which stage R. Jones and P. E. Rodway came to a timely rescue and averted a debacle. This pair, by careful play, raised the score to 53, Jones scoring 34 (three 4's and six 2's) and Rodway carried his bat for 14. The innings closed at 64. Westbury's batsmen experienced the same difficulties from the rain-affected wicket, and lost two good batsmen for nine runs. A third wicket partnership improved matters, however, and six were down for 64. Then came a tense situation as four wickets fell without any addition to the score, the last player coming in with the score level. D. Ferris and A. Batley put everything they knew into their bowling and the fielding was superb, but amidst general excitement two runs were scored before the last wicket fell. Ferris claimed 5 wickets for 23, Hooper 3 for 20, and Batley, who bowled three overs, had 2 for 2. Nine batsmen failed to score during the match. Scores:—

C. Murray-Shirreff, formerly of Melksham, hit two 6's and five 4's. S. Hole supported him well with a capital innings of 39. Melksham made an effort to get the runs, but after O. W. Hurn and K. TROWBRIDGE 2nd v. HOLY TRINITY.

This match, commenced at the County Ground on Wednesday in last week, was intended as a two-evening fixture, but no play was possible on the second day owing to heavy rain. Trinity scored 38, of which Vandell hit 15, D. R. Lloyd taking 7 wickets for 21 runs. Pitts had 3 for 11. After Trowbridge had drawn level with their opponents' total, for the loss of 3 wickets, stumps were drawn, rain denying the Town team of victory. C. Treasure took two of the three wickets for four runs. Scores:—

CORSHAM v. CLIFFORD BAX'S XI.

This popular fixture was played at Corsham on Saturday and attracted a large attendance, the weather turning out fine. Amongst those present were Field Marshal Lord Methuen, Lt.-Col. A. C. and Mrs. Nicholson, and Major and Mrs. Travers. Winning the toss, the home side started disastrously against the left-handers, Peters and O'Donnell. Powell left without a run on the board, and Newman and Riddle had gone back with the score at 10. Holder, Colman and Head had also retired when the score reached 26, of which Holder claimed 16. The veteran J. J. Fido made a short stay, but the bowling was on top. When he left at 38 there was a possibility of the side being out for 50, but R. Gale filled the breach, and without taking undue risks the score gradually mounted up, and when Gale was dismissed the score had reached the more respectable total of 85. Cook made the score 103 with a drive to the boundary, but before another run had been added Gingell was dismissed after a meritorious performance, his score, under the conditions, being worth much more.

When the visitors started McKwan left at 3 and Henderson at 14. O'Donnell and Knox-Shaw then made a stand and took the score to 49, when the partnership was broken, Powell bowling Knox-Shaw, and one run later O'Donnell was caught. At 59 Waugh was run out, and at 65 Peters was bowled. It was only the steady play of Platts, who with Clifford Bax, took the total from 65 for 8 to 94 for 7, and brought victory within sight. Bax was bowled at that total, but Lowe came in and saw Corsham's total parved, the visitors winning a very good game by three wickets. Scores:—

SPYE PARK v. LACOCK 2ND.

At Spye Park, Laocok 2nd lost by 27. The Spye Park men ran up a very good score of 90, C. Oakford carrying his bat through the innings for 25. B. Jefferies, for Laocok, took 7 wickets for 28 runs. Laocok replied with 63, A. Bannerman being top scorer with 24. W. Hunt, an old Laocok player, who never plays for Spye Park, bowled well, taking 4 wickets for very few runs.

TROWBRIDGE 2ND v. AVON SPORTS (MELKSHAM).

Trowbridge batsmen had a happy time in this match at the County Ground on Saturday, scoring 221 for nine wickets before declaring. Even so they did not win, as the visitors' last pair succeeded in remaining together until stumps were drawn, although there were only 81 runs scored. Trowbridge did not commence their innings well, Hewett leaving at 5, but sound play by Ralton and Lloyd raised the score to 75 before Vowles got Lloyd caught by Price. Ralton was clean bowled after making 42, S. Ferris made 17, and then followed some delightfully free hitting by G. F. Snaflum, the total scoring from 101 to 170 before he left. His 55 runs included a 6, seven 4's and two 3's. Avon's reply was full of promise, the first wicket scoring 47 runs, but at this stage a chain of failures made the score 27 for 5. F. Burchell deserves commendation for the gallant way he had deavoured to stem the tide of disaster, and though he succeeded in defying the bowlers his colleagues enjoyed only short stays. Time arrived, however, before the bowlers could capture the last wicket, Burchell carrying his bat for 30. Blair and Pitts bowled well, taking 4 for 18 and 3 for 10 respectively. Scores:—

MINOR COUNTIES CHAMPIONSHIP.

WILTSHIRE v. KENT 2nd XI.

Wiltshire performed the "double" against Kent 2nd XI., when, on Friday and Saturday, at Bemerton they defeated them by four wickets. It will be remembered that Wiltshire were victorious over the same side on Monday and Tuesday of last week by ten wickets. Kent were dismissed for 93 in the first innings, Bull (53) and Fairservice (15) being the only batsmen to reach double figures. Smith (J.) was the most successful bowler, having an average of six wickets for 34 runs, while Smith (W.) secured four for 24.

Wiltshire's score only exceeded Kent's by 15 runs on the first innings and to the score of 108 A. J. P. Ling (81), Smith (W.) (21), E. H. F. Fuller (12) and C. E. Awdry (10) were the chief contributors. Watt took four for 29.

In the second venture Kent fared little better, scoring 102, the chief scorers being A. G. Hill (28, not out), Hubble (20) and T. A. Crawford (14), while Newman took four wickets for 10 runs and Smith (J.) four for 28.

Set to get 88 runs to win, Wiltshire lost six wickets cheaply, E. M. Nash (11) being the highest scorer of the first six batsmen. A. J. P. Ling (35, not out) and R. W. Awdry (22, not out) carried the score past that of Kent, however.

CLUB MATCHES.

WILTS CLUB AND GROUND v. OLD WYKEHAMISTS.

Old Wykehamists visited the Wilts Club and Ground at Trowbridge on Monday and Tuesday, and the match was drawn.

After a fine first wicket stand by Baldock and Stevens, which realised 141, the remainder of the visiting side collapsed badly, only C. E. Awdry and E. P. Awdry making double figures, and the whole side was out for 201. Smith had the remarkable bowling average of five wickets for 11 runs.

Wilts Club and Ground gained a lead of 54 on the first innings, and of the total of 255, A. F. W. Humphrys scored 53, A. J. P. Ling 50, G. S. Butler 46, H. G. Mitchell 25 and R. W. Awdry 20. For the Old Wykehamists, Badham was the most successful bowler, taking four wickets for 50 runs.

The Old Wykehamists scored 146 for six wickets in the second innings, of which total W. F. Baldock compiled a fine 64 and was undefeated when stumps were drawn. Others who reached double figures were C. E. Awdry (22), R. G. Tindall (20) and P. H. C. Badham (14). Of the six wickets which fell, Forrester secured two for 17 runs.

WILTS CLUB AND GROUND v. GLOUCESTER GYPSIES.

This two-day match was played at Melkham on Wednesday and Thursday of last week, and resulted in a win for the Wilts Club and Ground by six wickets, despite the fact that the home side were 49 runs in arrears on the first innings. The Gypsies compiled 182 runs, of which R. G. Tindall hit an excellent 114, A. F. W. Humphrys 24 and C. F. C. Letts 18. No other batsman reached double figures. Butler was the most successful bowler, taking four wickets for 18 runs.

G. S. Butler (63) and E. H. F. Fuller (14) made a good first wicket stand for the Club and Ground, but the only other batsman to reach double figures was A. J. P. Ling (12), and the innings closed at 133. Tindall was also successful with the ball, he taking five wickets for 36 runs.

The Gypsies were less fortunate in the second innings, and were dismissed for 116, A. F. W. Humphrys (28), C. F. C. Letts (28), J. T. Newman (14), and J. L. Stanton (10) being the chief scorers. Butler again did well in bowling, securing four wickets for 59 runs, while Gilbert did even better, taking four for 20.

Set to get 166 runs to win, the Club and Ground accomplished the task somewhat easily, the Gypsies' score being exceeded with only four wickets down. Each batsman, with the exception of A. G. Archer (four, not out), reached double figures, G. S. Butler (47), R. A. C. Forrester (47 not out), and E. H. F. Fuller (25) being the highest scorers. Of the four wickets, Stanton took two for 29.

E. Salter and B. Lidbury made a good start for Melksham, but the feature of the game was a sparkling display by K. Muggleworth, who, despite many bowling changes ran up a fine total of 102 not out, which included one six and 19 4's. Melksham eventually won a pleasant game by five wickets.

BOX 2nd XI. v. DEVIZES 2nd XI.

At Box on Saturday, Devizes Second Eleven met with a heavy defeat. Batting first, Box compiled a total of 125, to which A. Hinton contributed 32 (including seven 4's), W. Benjamin 26, and Chaffey 20. Jenkins took three wickets for 29 runs, Haines two for 24, and Rothery two for 15.

After tea, Devizes collapsed completely in their first innings, being all out for 32. Only the Captain and the Vice-Captain offered any resistance to the bowling of W. Benjamin, who took seven wickets for 15 runs. Compelled to follow on, however, they did much better. Baker began with a score of 25, but with eight wickets down one run was still needed to avert an innings defeat. Reeves and Hall then took the score to 129 without further loss, the former getting 40 not out and the latter having two 5's in 15 not out.

AVON SPORTS CLUB (MELKSHAM) v. WEST LAVINGTON SPORTS CLUB.

Played at Melksham on Saturday, this game resulted in a win for the home side by four wickets and 20 runs. A disastrous start was made by the West Lavington Sports Club, J. Shore being dismissed in the second over with no runs scored, while two wickets fell for five. J. Hillier and G. Lye, however, somewhat retrieved the bad start and added 52 for the third wicket. Hillier hit five 4's and a three in his 34, the highest score of the match, while Lye's 15 included a three. H. F. Hindell (12, with two 4's) and N. J. Nutland (13, including two 4's) were the only other batsmen to reach double figures and the innings closed at 92. The successful bowlers for the Avon Sports Club were Bollen (three for seven), Young (six for 32), and Wiltshire (one for 36).

The home side began as badly as the Lavington team, Pike clean-bowling E. Young with the second ball of the innings. C. Avon and S. Peters settled down, however, to make a good second wicket stand, 22 being on the board for that wicket, Peters hitting 15 (with two 4's). Avon went on to make a fine 30 (including four 4's). E. Bollen made a good 22 (including four and a three). "Mr. Extras" contributed no less than 33, this being chiefly due to the fact that bye boundaries were counted as four in and the score at 112, stumps were drawn. Hindle took one wicket for one run, Lye three for 20, Pike one for 20, and Hillier one for 24.

Mr. Clifford Bax's Tour.

Mr. Clifford Bax, whose new play "The Venetian," is soon to be produced in London, again brought his touring cricket team to Wiltshire this year. He lived, before the War, at the old Manor House, in Broughton Gifford, and it was from thence that, in 1911, he began the series of cricket tours of which the one just finished has been conspicuously successful. The tourists won six matches, drew two, and lost only to Melksham. Mr. Alec Waugh, the novelist, began with a brilliant 65 at Box, but failed to maintain his form. Unfortunately, Mr. Arnold Bax had to be absent from two of the games because of the rehearsal and performance of his First Symphony at the Queen's Hall, in London. The other members of the team stole a march on him by listening to the broadcast of the concert while sitting in their hotel. Mr. Bax expects to bring his team again in 1931. It will then have been playing in the district for twenty years. The scores were:-

MELKSHAM v. O. BAX'S XI.

C. Bax's team paid their annual visit to Melksham on Saturday, when they were decisively beaten for the first time during this year's tour. Batting first, they made the respectable score of 103. R. K. Henderson had hard luck in just missing the half-century. A. Platts and B. W. O'Donnell also batted well. K. Muggleworth took four wickets for 63 and E. Salter three for 42. Melksham's early batsmen found runs hard to get against good bowling, but 41 were scored when the first wicket fell. E. Salter, as usual, giving a polished display. K. Muggleworth started hitting boundaries as soon as he came in, and the scorers were kept busy. In his best score of the year—102 not out—he hit one six and nineteen fours, 82 from boundaries. He took risks, and had some luck, but never gave a real chance. A big crowd enjoyed his batting as much as if it had been a test match. E. Crawshaw supported him well, and had one six in his contribution of 26 not out. A. D. Peters took all five wickets that fell. Only 70 runs were scored by Melksham in the first hour, but the second produced 120. Scores:-

CHIPPENHAM AND TROWBRIDGE DRAW.

Played at Trowbridge on Saturday, an even draw resulting. Thanks to several useful scores and a sound 48 by H. G. Awdry, the visitors ran up 108 for 8 wickets and declared. When Trowbridge went in, they quickly lost several wickets, and with six down for 38, there seemed every prospect of Chippenham obtaining a victory. Wickham, however, played admirably for 57 not out, and, with Connor, added 74, and saved the game, the score when time came being 112 for six wickets. Scores:—

DEVIZES 2nd XI v. BOX 2nd XI.

At Box on Saturday Devizes 2nd XI met with a heavy defeat. Batting first, Box put together a total of 124, to which A. Hinton contributed 32 (including seven 4's). W. Benjamin 26, and Chaffey 20. Jenkins took three for 29, Haines two for 24, and Rothery two for 15. After tea Devizes collapsed completely in their first innings, being all out for 32. Only the captain and vice-captain offered any resistance to the bowling of W. Benjamin, who took seven for 15. Compelled to follow on, however, they did much better. Baker led off with a score of 25, but with eight wickets down one run was still needed to avert an innings defeat. Reeves and Hall then took the score to 129 without further loss, the former getting 40 not out, and the latter having two fives in 15 not out. Scores:—

DORSET v. WILTSHIRE.

Wiltshire gained another fine victory on Wednesday and Thursday last week, when, at Bridport, they defeated Dorset by an innings and 111 runs. Batting first, Wiltshire compiled the large total of 380, and only three batsmen failed to reach double figures. Three batsmen scored over half-a-century, these being R. A. C. Forrester (69), A. J. P. Ling (67), and G. S. Butler (64). The bowler for Dorset with the best average, was Weld (two wickets for 19 runs), while Brockway took four for 64.

Dorset made a great effort in the first innings, but could score no more than 171, the chief scorers being Brockway (48 not out), R. D. Busk (26), Knight (27), R. S. Thompson (23), and E. H. Weld (16). For Wiltshire, Smith (W.) took three wickets for six runs.

Compelled to follow on, Dorset collapsed completely, and only two batsmen reached double figures, viz. Brockway (16) and R. S. Thompson (18), but the plucky stand was of no avail. There were no fewer than five ducks, and the innings closed with the amazingly low score of 48. Butler was chiefly responsible for Dorset's downfall, he having the fine average of five wickets for ten runs.

WILTSHIRE v. DORSET.

Wiltshire played their last match of the season at Trowbridge on Friday and Saturday, when they entertained Dorset. Wiltshire again did well, winning on the first innings by 144 runs. Dorset batted first, and scored 165 runs, Brockway being the highest scorer with 40, other useful contributors being J. I. Outram (39), G. C. Tovey (28 not out), and R. D. Busk (23). Smith (J.) took five wickets for 50 runs.

Wiltshire began well, R. W. Awdry (27) and G. S. Butler (69) giving their side a fine start. F. N. S. Creek was the highest scorer of the game, however, compiling an excellent 124, and when the innings was declared closed with the score at 309 for nine wickets, he was undefeated. C. E. Awdry scored a useful 35 and E. M. Nash 23. Brockway, for Dorset, took five wickets for 108 runs.

Dorset fared little better in the second innings, and lost five wickets for 108 runs, of which total only Knight (56) and R. D. Busk (16 not out) reached double figures. Thus when stumps were drawn Dorset required 41 runs to avoid an innings' defeat. Of the five wickets which fell, Smith (J.) secured four for 37 runs.

CLUB MATCHES.

DORSET (UNDER 19) v. WILTSHIRE (UNDER 19).

In this match, played at Blandford on Monday and Tuesday of last week, Wiltshire gained a decided advantage, for Dorset, with four second innings wickets to fall, needed 45 runs to avoid an 'inning's' defeat. When Wiltshire's prospects of a win were very bright, however, rain stopped play, and the match, which went decidedly in Wiltshire's favour, was drawn. Wiltshire compiled the large total of 314, to which J. R. Wheeler contributed the highest score, he hitting a glorious century (104). The next highest scorer of the game was H. Johnson, who went in to bat at eighth wicket down. He scored no less than 78. Other fine scores were made by M. Llewellyn (40), H. G. Awdry (32), and A. G. Awdry (32).

Faced with such a huge total, Dorset scored 158, of which the following were the principal contributors: — B. McCall (85), D. Dennis (33 not out), R. J. Moore and — Oxford (25 each), E. Lillington (14), and D. Sedgewick (13).

In their second innings, Dorset's wickets began to fall cheaply, and when rain stopped play six wickets had fallen for 111, of which total 92 were made by B. McCall (32) and J. Yeatman (60, not out).

HANTS HOGGETTS v. WILTSHIRE (UNDER 16).

On Thursday Wiltshire boys under 16 played Hants Hoggetts at Andover, and won somewhat easily by six wickets.

The home team batted first, but except for R. Pugh none of the batsmen reached double figures and were all dismissed for 80, of which Pugh made 53 not out.

Wiltshire soon passed the home team's total, and went on to score 100 for four wickets, all the batsmen but one reaching double figures.

WILTS CLUB AND GROUND v. SOMERSET STRAGGLERS.

The Wilts Club and Ground met Somerset Stragglers at Trowbridge on Monday and Tuesday. The match ended in a draw, but at the end of the match the home team had a decided advantage as the visitors were still 91 runs behind with only one wicket in hand.

The Wilts Club and Ground batted first, and, thanks to some fine batting by R. A. C. Forrester and R. W. Awdry, who made 71 and 102 respectively, compiled the good total of 249. The visitors' batting was somewhat uneven, and at the close of the innings they were 51 runs behind. Seamer (53), Nesfield (42), and Pepper (43) batted well, but the remainder of the team faded away. Gilbert bowled well, taking five wickets for 52 runs.

In the second innings another brilliant display was given by R. W. Awdry, who followed up his century with a splendid 81 not out, thus enabling the home team to declare with the score at 137 for five. The feature of the visitors' second innings was the fine century by Baldock, who made no less than 108 out of the total of 147, no other batsman succeeding in withstanding the fine bowling of Fitzgerald (four for 32) and Forrester (three for 13), and the home team was extremely unlucky to have victory snatched from their hands by lack of time.

WEST WILTS LEAGUE.

**Spencer-Moultons Win Division II
Championship.**

The victory of Spencer-Moulton's 2nd over Rode last Saturday definitely settled the destination of the second division championship. The Bradford team have displayed splendid form and are worthy champions of their section. Competition in the other two divisions is still exceedingly keen, and it remains for the season's concluding games to decide who will be champions of Divisions I. and III.

Broughton Gifford are making a bold bid in Division I., and their victory against North Bradley strengthened their position, especially as Leigh Leather Works came a severe cropper against Westwood. In this game B. Hobbs showed how to hit the stumps, by taking five wickets for four runs. Chapman-slade have found their form late in the season, but nevertheless the ten points garnered from Holy Trinity's visit were very welcome, and leaves them with a chance to escape being wooden spoons. Bowlers displayed their superiority in the match at Wingfield, where Hinton Charterhouse paid a welcome visit, the home team gaining the verdict by two runs. Scoring was very low, E. Withers taking 5 wickets for 9 runs and Colborne 4 for 16 for Hinton, and for Wingfield F. Moore had 5 for 5 and F. Woods 4 for 18.

Freshford were again the losing side against Westbury, for whom Cook bowled well in taking half the wickets. J. Day again distinguished himself as top scorer for the winners. In the third division Hilperton strengthened their position at the head of the table by a ten-points verdict over Chapman-slade second eleven, and Neston Institute, Hilperton's rivals for honours, accounted for Southwick on the latter's analogy. At Winsley E. Watts made a useful score for Monkton Farleigh, the latter taking seven points. Scores:—

WEST WILTS LEAGUE.
Second Division Championship
Settled.

Although Broughton Gifford easily gathered all ten points from their match with Leigh Leather Works 2nd last Saturday, they are still uncertain of the championship. Westwood are also keen on the honour, and a victory last week-end still keeps them in the running, as they have two games against Broughton's one to play. Broughton's present lead of eight points will mean that Westwood's last two games will need to be substantial victories to enable them to achieve their objective.

After a very enthusiastic tussle Hilperton Institute celebrated their return to competitive cricket this season by capturing the championship of Division III., with Neston runners-up. Hilperton played with splendid consistency, only losing one fixture out of twelve.

Features of last Saturday's first division games were North Bradley's excellent recovery against Chapmanslade, which turned impending defeat into victory, and Westwood's narrow win over their neighbours, Wingfield. In the former match D. J. Bristow was the hero of Bradley's innings, getting 20 not out in a total of 40, and then taking eight wickets.

In Division II. Wesley Road Wesleyans' victory over Shaw and Whitley was noteworthy. H. Green took six wickets for 12 runs against Shaw, and I. Woods (4 for 16) and Webb (3 for 13) shared the bowling honours for the losers. Spencer-Moulton's 2nd and Rode had a thrilling game on the latter's ground, which resulted in victory by two runs for the Bradfordians. Scores:—

COL. R. W. AWDRY'S XI. v. MR. C. E. AWDRY'S XI.

Several players of distinction participated in this two-day fixture at Trowbridge on Monday and Tuesday, the result of which was a draw. Col. Awdry's eleven included F. Lee (Somerset) and H. A. Gilbert (who has frequently assisted Worcestershire), and C. E. Awdry's team contained M. A. McCannils, R. W. Skene and J. A. Nunn (Oxford Blues), and D. Russell, a Middlesex county player. A feature of the match was the splendid batting of G. S. Butler for Col. Awdry's side. In the first innings he hit 96, and 86 in the second. Fitzgerald was also in fine bowling form for his side, clean bowling five batsmen in C. E. Awdry's second innings for 37 runs, his victims including Nunn and McCannils. There was a remarkable incident during this innings. F. W. How endeavoured to hit a ball from Fitzgerald to leg. He missed, and the ball struck his pads and went on to the stumps, but failed to dislodge either of the balls. A thrilling catch by Hall at second slip from a tremendous hit by Millikan is also worthy of mention. The fielder hit the ball into the air and took it as it descended. When stumps were drawn C. E. Awdry's XI. were 59 runs in arrears with three wickets to fall. Scores:—

WILT8 (Under 19) v. BERKS (Under 19).

Wiltshire gained a remarkable victory at Reading on Wednesday and Thursday, after being forced to follow on 168 in arrears, they eventually won the match by 35 runs. The batting in the second innings was wonderfully consistent throughout, only two batsmen failing to reach double figures. Wiltshire owed a great deal to the bowling of Muggleworth in the first innings, who took 8 wickets for 57 runs, and in the second innings to Wheeler, who took 3 wickets for 5 runs. In this innings Wheeler's first four overs were maidens, during which he did the "hat-trick." Scores:—

TROWBRIDGE v. WESTBURY-ON-TRYM.

Trowbridge were having decidedly the worst of matters when stumps were drawn in this game at the County Ground on Saturday. Against good fielding and frequent bowling changes Westbury's first pair scored very slowly, but their careful play paved the way for severe punishment on the tired bowlers by later batsmen. F. Hoary and E. Staddon scored 48 in a third wicket association, the former having four 4's and five 2's in a score of 41. E. Dayer, who joined Staddon, secured runs with exceptional freedom, passing his colleague's score before being bowled by Laverton at 53, including eight boundaries. Staddon was unbeaten with 47 when the innings was declared closed. Trowbridge were soon in difficulties, W. H. Payne being the only one to defy the bowling for long. Six wickets fell for 52 runs, but A. H. Dunn and D. Connor held the fort until the close, the latter showing excellent form. The pair advanced the score to 91 before stumps were drawn. Scores:—

Stothert's declared with eight wickets down, and Trowbridge lost their first wicket at 24. D. R.
