

COLTS OPEN THEIR SEASON.

Day in the Field Against Council Side.

(By Our Own Representative.)

SOUTH KIRKBY, Monday.

The members of the Yorkshire Second Eleven have started their season's work with a day in the field, and the indications are that their opening match with the Yorkshire Council will end in the usual draw. There will have to be some very unusual play to-morrow to bring the game to a definite ending, for the wicket which the South Kirkby groundsmen has prepared especially for this game, has been a batsman's delight to-day, and the odds are all in favour of it causing the Council bowlers as much work to-morrow as it has created for the Colts to-day.

The larger wicket is being given a trial—but the pitch has been brought to such a state of perfection that it does not seem that the size of the wicket has mattered. At all events the earlier Council batsmen got runs when they wanted them. Harry Bedford, the Barnaley player, who has been a member of the Colts' side for two or three seasons, played in the Council ranks to-day, and had the distinction of making the top score of the innings. He started slowly, but later he used his bat as he did a season or two ago when he played several really fine innings for the Colts, and he was fifth out with 72—he hit seven 4's and one

5—out of 191 to his credit. Brighter innings were those of Phillips, the Otley batsman, and Davidson, who, like Bedford, has played with the Colts. Davidson got his 40 runs in something like three-quarters of an hour, while Phillips, with his 39, was the first to show that runs could be got comfortably on this wicket.

Verity, who is to play with Yorkshire against Sussex at Huddersfield on Wednesday, is a left arm slow to medium bowler from Rawdon who has improved a deal since he went into Lancashire League cricket. His first spell to-day revealed some exceedingly good work, but later he was hit freely. Hall, the York fast bowler, suffered before tea, but afterwards took five wickets for 20 runs.

The Colts' fielding has been good with the ground work of Greenwood, the Huddersfield amateur, outstanding. Buller, the Colts' wicket keeper, is to have a trial with the county along with Verity. He plays with Hunslet in the Leeds League, and his work this afternoon has been cool and competent. Scores:—

COLTS' MATCH ENDS IN DRAW.

Young Council Bowler's Success.

(By Our Own Representative.)

SOUTH KIRKBY, Tuesday.

The Yorkshire Second Eleven's opening fixture with the Council has ended in the customary draw, but the match, which, in view of the promise shown by youngsters on both sides will be reckoned to have thoroughly justified itself, got nearer a decisive ending than has been the case with those games in recent seasons. This afternoon the bowlers got the upper hand on a wicket which yesterday was altogether in favour of the batsmen, and in the last two and a quarter hours' play this evening no fewer than fourteen wickets fell.

The domination of the attack is shown by the fact that 23 wickets have been taken to-day, and 11 of them have been captured by Morton, of Castleford, whose bowling has overshadowed everything else in the match. Morton had Grimshaw caught by Maroney last night, he captured Broadhead's wicket with the third ball to-day, and after that, except for one spell, he was always the master. His bowling was chiefly responsible for the Colts' first innings total falling 88 short of that of the Council, and his work in the second innings almost gave the Council the victory.

In the first innings he claimed half-a-dozen wickets for 46 runs in 22 overs, and in the second innings he took the first six Colts' wickets for 21 runs in 11 overs. He bowled seven men, and the ball which beat Fisher was good enough to beat almost anyone. Morton, who is 20 years old, has only had one full season in club cricket. He has a very easy action, takes his right arm well over, and sends down a fair paced ball which is fast off the pitch. He can swing a new ball, and is a young man of whom a deal more may be heard.

The feature of the Colts' first innings was the work of Halstead, a young right-hand batsman from Todmorden, who went in at the fall of the second wicket and carried out his bat for 40. It was a good innings for a first game with the Second Eleven, and it was entirely due to him that his side saved the follow-on. He defended soundly and got his runs well.

The Council, in their second innings, lost seven wickets for 35. Fisher, the Barnaley left-arm bowler, took four wickets for 24, and Smalles, a newcomer from Harrogate, three wickets for 11, and then the Council captain declared, setting the Colts the task of scoring 123 in an hour and a quarter. With Morton bowling so effectively they never looked like getting the runs, indeed they had to fight to save the game. Grimshaw and Greenwood were the men who stopped the fall of wickets. Scores:—

LANCS. II. RETRIEVE A BAD START.

Centuries by Farrimond and Horridge.

After opening in such auspicious fashion as to capture two wickets without a run scored, and the third with the total only ten, the Yorkshire colts were kept in the bald for four hours by their Lancashire opponents at Old Trafford yesterday. Not only did the Lancashire colts make a complete recovery, but were in a position to declare their innings at the tea interval with the total 375 for 9 wickets.

For this satisfactory position, Horridge and Farrimond were entirely responsible. Coming together when seven wickets had fallen for 100 runs, this experienced pair took such toll of the Yorkshire bowling as to indulge in a partnership which produced 243 runs in a two hours 20 minutes. During their partnership, practically every other hit was a boundary. Farrimond having no fewer than 25 such strokes in his faultless 134, while Horridge reached the rails 16 times in his 126.

It was beautifully free cricket, Farrimond's century occupying him no longer than an hour and 40 minutes, while that of Horridge just exceeded two hours. All else throughout the day was dwarfed into insignificance, but throughout all, Verity never lost his accuracy or length, and with three wickets for 63 runs was the most successful Yorkshire bowler.

Facing this total, Broadhead and Bedford gave Yorkshire a fair start by scoring 21 for the first wicket before Broadhead was lbw. Eight runs later Bedford was brilliantly run out, but an hour and 30 minutes batting produced 100 without further loss. Halstead reached 50 in 65 minutes, but Greenwood failed by one run to emulate the feat. The third wicket stand put on 111 in 80 minutes, and at the close Yorkshire were 225 behind with 7 wickets to fall. Scores:—

COLTS' MATCH ENDS IN A DRAW.

Yorkshire's Good Reply to Big Lancashire Score.

The minor counties match between Lancashire and Yorkshire ended in a tame draw at Old Trafford, last evening, with Lancashire taking three points for leading on the first innings by 36 runs. Each side completed an innings, and the 19 wickets produced 714 runs, an average of about 37 per wicket. Apart from one or two individuals on either side, the standard was not high, the bowling being mediocre, and the fielding loose for the most part.

Overnight rain delayed the resumption of the Yorkshire reply, in which three wickets had fallen for 150 runs, but the wicket remained slow and easy, and there never appeared to be much prospect of a definite finish. Halstead, 86, and Fisher, who carried out his bat for 74, were the Yorkshire batting successes. Each had eight fours, but the brightest display of the innings was provided by the captain, Major R. C. Chichester-Constable, who lifted Horridge for six, and hit up 35 in 40 minutes.

Hodgson, who takes the place of R. Tyldesley in the Lancashire team to meet Sussex today, was the only bowler to meet with real success, his six wickets costing 115 runs. Monday's partnership of 243 between Farrimond and Horridge is a record for the eighth wicket in any grade of Lancashire County cricket, and a minor counties' record in addition. Scores:—

NOTTS II. SCORE WELL. FINE VICTORY FOR THE COLTS.

Despite Some Fine Bowling By Verity.

A fine bowling performance by Verity on a wicket scarcely expected to give him anything approaching full help, was the best feature of the Yorkshire second team's performance against Notts II. at Middlesbrough yesterday. The only Notts batsman to meet Verity with any degree of confidence was Gunn (G. V.), who made an excellent 81. Verity lured his opponents with seemingly harmless deliveries, and caused them to play into the hands of his fieldsmen. He also managed to mix his deliveries very effectively, and certainly impressed those judges who were to be found among the small company of spectators.

Morton, a new-comer from Castleford, was tried for his fast bowling. His opening spell did not bear fruit, but when he went on again after lunch—the pitch, after the rain and sun, appeared to help him a little—he secured three fairly cheap wickets. Another new-comer to the team, B. Sellars, of Keighley, was brilliant in the field, as also was Buller, the wicket-keeper.

Gunn subsequently troubled Yorkshire with the ball. Throughout the day the wicket appeared to be getting more difficult, and Yorkshire were certainly the under dog at the end of the day. They will have to stage a fine recovery to prevent a Notts victory, for they are 100 behind on the first innings with only three wickets to fall. Scores:—

Verity's Big Part in Defeat of Notts. II.

The Yorkshire II. v. Notts II. match at Middlesbrough had a remarkable ending yesterday, Notts being beaten in the extra half-hour by three wickets. This was a happening no one expected earlier in the day, for Yorkshire's remaining three wickets only go the side to within 71 of their opponents' first innings total of 212. When Notts II. went in a second time, however, they found Verity even more deadly than on the previous day. He had the batsmen guessing all the time, and the extent of his success is shown by the following figures: 19.5 overs, 11 maidens, 17 runs, 5 wickets.

Eleven wickets for 85 represents a good match return for the Middleton professional. His work yesterday definitely turned the game in Yorkshire's favour, although credit is due to the excellent fielding of the side and to Morton for an inspired after-lunch bowling spell, when, as on the previous day, he got all his wickets.

Broadhead, who opened the Yorkshire innings with Bedford, was out in a peculiar way. Robertson bowled, and his ball went from the bat to first slip, where the catch was dropped. The umpire put up his finger, Broadhead hesitated, the umpire spoke to Robertson, apparently asking him for the grounds of his appeal, and then again signalled out, when Broadhead went. The official explanation is that the ball first of all struck Broadhead's pad and then his bat, and that he was given out leg before.

Ten for one was not a good start, but Bedford and Sellars faced the position coolly, and in two hours the pair brought victory within sight. Then, with the score turned 150, both men departed, being victims to Gunn, who had been brought into action rather late. Bedford only gave one chance, a skier to short leg. Sellars played sound cricket for his 49—a very satisfactory first match for the Keighley man.

With the dismissal of those men, a big change came over the game, and six wickets were down for 156, but Verity and his captain, Major R. C. Chichester-Constable, displayed no signs of nervousness, and carried the score to the required total. Scores:—

EASY VICTORY.

Yorkshire Gentlemen Win First Match of Tour by an Innings.

Yorkshire Gentlemen gained an easy victory in the first match of their Southern tour, beating Sandhurst Wanderers by an innings and 75 runs at Sandhurst yesterday. Splendid bowling by J. Elmhurst won the visitors their success, his aggregate for the match being 10 for 56.

Resuming 245 behind with four wickets down, the home side were out by lunch for 122, only M. Walker and Cowley facing the bowling with any confidence. Apart from Elmhurst, who took three wickets in one over, Wells-Coles' off-breaks gained him four wickets for 17.

Following on 171 behind, the Wanderers collapsed badly against Elmhurst's googlies, and were out in 90 minutes for 96, M. Walker again being the only successful batsman. Scores:—

YORKSHIRE BOYS' FEAT.

Son of Former Captain Gets Ponsford Out.

The story of how a young Yorkshire boy, the son of a former Yorkshire captain, got Ponsford, the Australian cricketer, out, was told yesterday.

The previous day the Australian players visited Downside School, near Bath, where they indulged in practice. Members of the School eleven and some County players did the bowling, and while Ponsford was at the wicket the School wicket-keeper, Harold de Tenthay O'Kelly, caught him off the bowling of Hugh Radcliffe, the 19-year-old captain of the School.

He is a son of Mr. F. J. Radcliffe, who was captain of the Yorkshire XI. from 1909 to 1911. He lives at St. Trinian's Hall, Richmond, Yorkshire, and is the grandson of Sir Joseph Radcliffe, of Ridding Park, Follifoot, Harrogate. Hugh Radcliffe's three brothers are all keen cricketers, the eldest being captain of the Sandhurst XI. Hugh has been in the Downside XI. two years, and succeeded to the captaincy this year.

Mr. D. C. F. Burton, another ex-captain of Yorkshire, has been coaching at Downside, but young Radcliffe owes something to the enthusiasm and coaching of his mother. When he was a small boy of even she used to take him into Kensington Gardens and, contrary to regulations, practice with a hard ball.

LEEDS LEAGUE TEAM.

After the North v. South match at Burmantofts last night, the following team was selected to represent the Leeds League against the Huddersfield League at Parkside on Wednesday next in a match in which the larger wickets will be used:—H. Brook (East Leeds), captain; H. Lee (Holbeck), S. S. Shepherd (Holbeck), L. Winsor (East Leeds), J. Speak (Hunslet), W. Newton (Hunslet), W. Robertson (Pudsey Britannia), H. Gascoigne (Burmantofts), R. Parkinson (Whitkirk), S. Buller (Hunslet), W. Maskill (East Leeds). Mr. A. Ripley will be the Leeds umpire.

COLTS' BOWLING HIT.

Northumberland Score 381 at Newcastle.

When rain stopped play for the day in the Northumberland and Yorkshire II. match at Newcastle, yesterday, Yorkshire were faced with the possibility of defeat, or at any rate of losing first innings points. In four hours and fifty minutes, Northumberland put together a total of 381, and Yorkshire lost two wickets for four runs, thus winding up in arrears of 377 with two of their best batsmen, Broadhead and Bedford out. The first named turned the first ball sent down into short leg's hands, and Bedford was bowled by the last ball of the same over, a most depressing start from which they will find it difficult to recover.

The Yorkshire bowling compared unfavourably with that generally associated with the second string of the "Colts" and the Northumbrians took full toll. Back folding, too, was responsible for several runs being given away, and one definite chance was missed in the slips.

The lack of a fast bowler of quality was made apparent by the ease with which Northumberland's opening pair scored, and except for later in the innings when Shackleton had a good spell, there was little evidence of the ball beating the bat. Bruce, who has been making big scores in league cricket, had the satisfaction of scoring 117, and so contributing considerably to Northumberland's largest post-war total. Bruce missed little on the leg side, and drove with power. He reached 51 out of 86 in 55 minutes, completed his 100 out of 146, and was batting in all for two hours and a quarter. The first wicket put on 115. Scores:—

WEAK BATTING BY THE COLTS.

Northumberland's Victory at Newcastle.

At Newcastle yesterday Northumberland beat Yorkshire II. by an innings and 143 runs, the game ending at 5.25. Yorkshire resumed in the morning, requiring 278 to avert the follow-on, but they only totalled 119 and had to go in again in arrears of 262. They were again dismissed for 119 curiously enough, and never recovered from a bad start made in both innings.

Hetherington, who always troubled the Yorkshiremen, and Maconachie were destructive agents. Hetherington, overnight, had taken two wickets for three runs, and this morning four wickets were down for twenty-two, Hetherington claiming the wickets of Halstead and Grimshaw. Shackleton and Turner offered strong resistance for eighty minutes, during which time they increased the total by 76 runs, but as soon as they were separated, wickets fell quickly. Actually, the last five men failed to score a run between them, and Turner had the distinction of carrying out his bat for 71, which occupied him seven minutes under two hours, and was an excellent effort.

But for Turner and Shackleton, Yorkshire would have been in a sad way indeed, for the other nine batsmen made but eleven between them. Turner drove and cut well to secure eleven fours, and while never able to take liberties with Hetherington, scored well from the other bowling. Hetherington came fast off the pitch, and the ball popped about a good deal. He had eight for twenty-nine, and followed this up by taking 5 for a similar number of runs in the second innings, so wound up with eleven for fifty-eight in the match.

Maconachie started Yorkshire's second innings' troubles by bowling Bedford and Halstead with eleven on the board, and Hetherington got Broadhead leg before at the same total. Shackleton stayed with Grimshaw half an hour, and then Grimshaw and Turner were together 65 minutes to add forty-three, but despite useful efforts by Downes and Goulder, the innings was over after lasting two and three-quarter hours. Maconachie bowled very fast to take six wickets for thirty-three, and Hetherington had eighteen maidens out of twenty-seven overs. Turner had to leave a runner owing to a leg injury, but was again top scorer with 25. Scores:—

YORKSHIRE COLTS' STIFF TASK,

292 Behind Durham with 5 Wickets Down.

With a first innings total of 369 Durham gave Yorkshire Second a stiff proposition in the Minor County Championship game which commenced at South Shields, yesterday. At the close of play Yorkshire had replied with 77 for the loss of five wickets.

The feature of the Durham innings was the great display by Carr, who scored 127. He struck out vigorously, taking many chances, and twice he narrowly missed being caught. His partnership with Hammond enlivened an otherwise dull innings. Altogether Carr hit 4 sixes and 18 fours in three minutes over an hour, scoring four boundaries in one over, before he was cleverly caught by Downs off Morton. The Yorkshiremen's fielding was smartly executed, the sun troubling them somewhat.

It was late in the day when Yorkshire went to the wickets. Three wickets were down for 44, after which Halstead and Turner made a stand. At 76 Halstead was smartly caught by Hammond and the next ball disposed of Turner. Scores:—

COLTS OVERWHELMED.

Durham Successful by an Innings and 186.

Yorkshire Colts suffered an overwhelming defeat at South Shields yesterday when they were beaten by Durham by an innings and 186 runs. It was unquestionably Howell's day. The Shields professional was so deadly with the ball, that he was practically unplayable, only Morton, who carried his bat out for 27, making any sort of a stand against him. Yorkshire were in a pretty bad position overnight, and any hope of even forcing a draw quickly faded, for the remaining five wickets of the first innings only produced 23 runs. Howell was right on the mark, and continued his disastrous bowling when Yorkshire followed on.

During the morning Howell took four wickets for 14 runs, and in the second innings got seven for 27. Hutchinson, who partnered him practically throughout the day, was not so deadly, and Morton drove him out of the field and to the boundary. The rest of the batsmen, however, gave a miserable display. In a match played at Wrexham, yesterday, for the benefit of W. Payton, the Notts County cricketer, a Yorkshire Council side scored 212 for 6, declared, and the Notts Bassetlaw League 170 for the loss of 9 wickets.

COLTS OUTPLAYED AT BIRKENHEAD.

Batting Failures on Perfect Wicket.

Yorkshire Colts were very badly outplayed in the first day's play of their match with Cheshire at Oxton, Birkenhead, yesterday. Their batting failure was inexplicable, as the wicket was perfect when they opened their innings, although it crumbled somewhat later. The bright display by the Cheshire batsmen showed that there was nothing serious, the matter with it. The Colts simply did not get going, and entirely failed to do themselves justice.

The Cheshire captain changed his bowling effectively, and there was no semblance of a stand. Bedford and Halstead, for the second wicket, were together for three-quarters of an hour, during which time 35 runs were put on. Later, Turner, going in at the fall of the fourth wicket, batted steadily, but none of the other batsmen could resist the attack of Wilson, who, with the exception of a short spell early on, bowled uninterrupted through the whole of the innings.

Turner was undefeated at the end with 23 not out. At the lunch interval the Yorkshire score was 89 for six, and on the resumption the last four wickets fell in a few minutes for the addition of seven runs. Wilson came out with the splendid analysis of six wickets for 25 runs.

Batting of better stamp and more in keeping with the wicket and the ideal conditions was seen when Cheshire went in. The first wicket produced 77 runs on the part of Hodgson and W. E. Jones, in as many minutes, before Hodgson was leg-before to Morton, his share being 32. Another wicket fell before the Yorkshire score was passed, but two useful partnerships, in both of which Jones was prominent, followed.

Jones batted attractively, scoring freely all round the wicket. He reached his century in just under three hours, the score then standing at 194, but after adding another three he fell a victim to Turner. Included in his 103 were 9 fours and 3 threes. Scores:—

CENTURY AND 11 FOR 70.

Wilson's Big Part in Defeat of Colts.

With five good wickets down for 42 runs, the prospect of Yorkshire Colts making a substantial score in their second innings against Cheshire, in the Minor Counties Championship match, which was concluded at Oxton, Birkenhead, yesterday, seemed far from rosy.

An innings of 42 by Broadhead, coupled with a timely stubborn and profitable run-yielding stand by Fisher and Smalles, however, put an entirely different aspect upon the game, and in the end the respectable total of 184 was netted. Despite this, the Colts were beaten by an innings and 94 runs.

Fisher contributed a faultless 46 not out, and Smalles, whose rate of scoring was on the rapid side, was clean bowled by Wilson for 49. Buller also plied his bat to some purpose and netted 18.

Continuing Cheshire's overnight score of 244 for six wickets, Wilson and Dutton demonstrated complete mastery of the Yorkshire attack. Dutton scored 52, while Wilson carried out his bat for a superb 103, in addition to which his bowling analysis for the two Yorkshire innings was 11 victims for a total of 70 runs. Scores:—

M.C.C. IN YORKSHIRE.

Craven Gentlemen Behind on First Innings of Ilkley Match.

A team representing the M.C.C. which is touring Yorkshire opened a two days match with the Craven Gentlemen at Ilkley yesterday. With fairly consistent batting the M.C.C. made 212, T. E. W. Brinckman (38) and C. A. Rowlands (31 not out) being the top scorers. The Craven Gentlemen responded with 114, and found the bowling of Waghorn, a former Sussex County player, decidedly puzzling. He took 5 for 48. In their second innings the M.C.C. had made 51 (C. A. Rowlands 30 not out) when stumps were drawn.

AMPLEFORTH DRAW.

Grieve's Fine Display Against Liverpool.

Ampleforth College narrowly escaped defeat in their home match with Liverpool C.C. The visitors batted first and declared at 235 for the loss of nine wickets.

The College made an excellent start, but the later batsmen failed badly, and at the close of play were 84 behind with but one wicket to fall. C. F. Grieve gave a great display, being dismissed when only 15 short of his century.

WILFRED RHODES TO COACH.

At Harrow Next Season.

Wilfred Rhodes, the famous Yorkshire cricketer, has accepted an engagement as coach to Harrow School next season, when, according to his previously expressed intention, he will have retired from county cricket.

The engagement will be for three months of the summer term. Harrow has a staff of several coaches, and those at present engaged include Jack Hearn, the elder, and Bale, late of Worcestershire.

It is an interesting coincidence that George Hirst should be at Eton and Rhodes at Harrow, the cricket rivalry between the two famous public schools being traditional.

JACQUES LEAVING YORKSHIRE.

Colne Cricket Club, who are members of the Lancashire League, have engaged as professional for next season Thomas Alexander Jacques, now professional with the Leeds Club. Jacques is well known in first-class cricket. He played for Yorkshire as an amateur two seasons ago and accomplished some good performances. He is a fast bowler and a man of fine physique, standing six feet.

This season he has taken 43 wickets at a cost of 9 runs each; he is also a useful batsman, and having only been once out, has an average of 47. Last season, as professional for York, in the Yorkshire Council League, his figures were 306 overs, 1,110 runs, 96 wickets, average 11.68. The new professional is 26 years of age.

CRAVEN GENTLEMEN LOSE.

Covell's Fine Bowling for M.C.C. at Ilkley.

The M.C.C. beat Craven Gentlemen by 129 runs in their annual two days match which concluded at Ilkley yesterday. The M.C.C. led by 98 runs on the first innings, and carried their overnight total of 51 for three wickets to 155 for six declared.

Covell was in fine bowling form, and against him the Craven Gentlemen could only score 124 in their second innings, though A. P. Leavey made a very stubborn stand. Covell took eight wickets for 74 runs. Scores:—

YORKSHIRE COLTS LACK CONFIDENCE.

Dismissed for Meagre Total of 48 by Cheshire.

A wicket that played none too easily, combined with remarkably good Cheshire bowling, brought about the collapse of Yorkshire II. at Thornaby yesterday in their minor counties match with Cheshire. Five wickets fell for 19 runs, and the innings closed for 48. Cheshire had scored 54 for the loss of one wicket at the close of play, which occurred prematurely at six o'clock owing to heavy rain.

Dennis, the Cheshire professional, made his medium-paced deliveries get up nastily. Broadhead and Chichester-Constable both nicked break backs, and were smartly taken behind the wicket. Wilson bowled going away balls to a leg trap. His great sly was a ball that got up high and quickly. Phillips and Shackleton were both victims of it, and Bedford was bowled by a really good ball.

Against such an attack none of the Yorkshire batsmen was ever comfortable. Halstead was doggedness, relieved only by an occasional neat stroke on the leg side. He fell to a smart catch by Jefferson. J. A. Richardson, who have been scoring freely for Sleights, Guisborough and Scarborough, was repeatedly troubled before he sent one up in the air from Dennis. If the wicket seemed quite lively the outfield was completely dead. The first boundary came after 35 runs had been scored.

What Yorkshire lacked was someone willing to jump out and hit Wilson. Their batsmanship was unduly stunted, even in view of the conditions. There was only a score of spectators who had but poor entertainment between the showers which ruled all day. Scores:—

COLTS AVERT INNINGS DEFEAT.

Turner Bats Pluckily Against Cheshire.

Owing to a timely contribution of 49 by Turner, Yorkshire II., at Thornaby yesterday, were able to avert an innings defeat by Cheshire. They scored 135, which left Cheshire 33 to win, the latter accomplishing this with six wickets to spare.

Cheshire's bowlers, Dennis and Wilson, again bowled finely. Wilson varied his spin more than in the first innings, and used his leg-trap less. Dennis was consistently dangerous, and occasionally found a perfect ball turning from the leg stump to the off. Cheshire owed nearly half of their total of 151 to Eyre and Wilson.

Hall bowled well, and Smith soon overcame an early tendency to put down a short ball, going away. His four wickets cost him 53 runs, including a lucky one, Twemlow dislodging a ball in pulling him to the leg boundary. The Scarborough amateur, Richardson, failed both times with the ball. His one wicket cost 35 runs in 12 overs. Scores:—

CRICKET BETWEEN THE SHOWERS.

Minor Counties Score Well at Old Trafford.

LANCASHIRE'S WEAK SIDE.

(From Our Special Correspondent.)

OLD TRAFFORD, Wednesday. Lancashire stepped aside from the path of County cricket to-day, when as was the case a year ago, they occupied one of their blank dates by a match with a team chosen by the Minor Counties. The value of such a fixture, however, is considerably reduced by the fact that certain of the sides are closed to the selectors by the current progress of games in which the Yorkshire, Nottingham, Cheshire, and Staffordshire sides are engaged, which withheld a number of players who might otherwise have appeared here. As it was, the eleven had to be made up largely of representatives of the southern counties, with one from Durham, and two from Lancashire itself, one of them, Horridge, a member of the ground staff at Old Trafford.

The County authorities, too, took the match fairly lightly, resting Ernest Tyldesley, Watson, and Macdonald, but Richard Tyldesley rejoined the team after his experience in the Test match at Headingley, and Hallows was again included, after being absent for three matches, along with Latchford, who is one of the County's young school of professionals, and a boy of whom John Tyldesley has a high opinion.

As was the case last summer, the play was greatly cut up by rain after a start at two o'clock, the cricket being largely made up of brief snatches between showers, which kept the wicket and the ball wet. In all, the active periods amounted to no more than two hours twenty minutes, and play was not calculated to entertain the small attendance very highly.

W. T. Cook, a left-handed batsman, who has played a number of times in previous seasons for Surrey, and is now captain of the second eleven, had a capital knock, in which he showed strong driving power, in addition to some facility on the leg side. Most of the others, however, made but a poor resistance to bowling that offered no serious problem, and in one spell before the second interruption Hopwood took three wickets for four runs, two with successive balls, at which point four wickets were down for 57.

GOOD PARTNERSHIP.

After the third suspension, however, Cook found a very capable partner in Dobson, the Durham left-hander, who showed a strong partiality for the pace bowling, and between them the two completely turned the game. Cook reached his fifty in ten minutes under two hours, and, although he lofted his drives a lot, and had narrow escapes, his stroke play was generally well timed.

The unfinished partnership, in which Dobson had a hand, lasted seventy minutes, and in the time 88 were scored by free cricket. Finally, this much-interrupted day's cricket ceased at twenty minutes to six, when the light became so bad that it was impossible to continue.

During the day it transpired that Booth, the all-round player, who has been on the Old Trafford ground staff for five years, but has only just begun to find a footing in the county side, had intimated his intention to sever his connection with Lancashire, and was about to sign a contract with East Lancashire at Blackburn, but I understand that the county authorities contemplate consideration of his case, which may result in his staying. At present the agreement with East Lancashire only requires his signature. Scores:—

MINOR COUNTIES LEAD.

(From Our Special Correspondent.)

OLD TRAFFORD, Thursday. Lancashire have not lost a county match this season so far, but they fared so badly to-day in their game with the Minor Counties that defeat is by no means distant. If they are to avoid it they will have to play a different type of cricket from that which saw them finish up 23 in arrears on the first innings. During the completion of their opponents' batting, they did not appear to take their work any too seriously, even though Hopwood and Richard Tyldesley bowled throughout the hour and a quarter, that the innings stretched out to, for the latter experimented a great deal, and for the most part tossed up high pitched slow balls that gave away many runs, otherwise he would have come out with a better record than five wickets at an average cost of over 14, all of which he took this morning for 41.

Hopwood bowled in more orthodox fashion and had he not been badly used by his field, his figures of four for 43 would have been considerably more flattering. Three catches were missed, two of them very simple ones.

The overnight stand of Cook and Dobson, which had been the one bright spot in the Minor Counties' innings, did not run much further, but in all it raised 110 in 95 minutes, before the Durham man literally shattered his wicket in attempting to cut a slow ball. He had played good, if not instructive cricket, in helping Cook, who was in for two hours and 30 minutes. The latter's innings was rather patchy, but it was always entertaining, and most of his ten fours were hearty drives. He was missed twice in the same place, short leg, first when 16, and then at 76.

None of the others made any resistance worth the name, and the outstanding six wickets fell for 71 runs, but this was little worse than Lancashire's experience when they went in, Brindley and Smith bowling so well that in twenty-five minutes before the adjournment, only nine were scored, and in the further two hours between lunch and tea, six wickets went down for the total of 83.

The Lancashire batsmen, indeed, showed little liking for Smith's rising deliveries, the Wiltshire man varying his out swinger by straight balls that lifted quickly. Hopwood was hit several times on the body, and though he was the highest scorer during this period of the innings, he got a number of his runs off the edge.

BRILLIANT FIELD WORK.

The Minor Counties' bowlers were excellently supported, and not only were three splendid catches taken in the slips, that by Hartley being positively brilliant, but Inge, who is now graduating at Oxford, stumped Iddon first ball beautifully on the leg side.

Hallows actually spread two scoring strokes, a four and a single, over an hour and five minutes, and did not score at all for half an hour following the interval, while two hours' batting produced no more than 68. This kind of thing did not put Lancashire's cricket in a high light, and only stouter batting by Eckersley, Farrimond and Tyldesley saved the innings from something approaching collapse.

Farrimond again illustrated his value as a batsman, particularly when runs are wanted, and the last wicket put on 45 in half an hour, but it did not prevent the Minor Counties from entering upon their second innings with a lead which was extended during the twenty minutes that remained, to one of 37 without loss. Scores:—

FINE BATTING BY BROADHEAD.

Yorkshire Colts Recover After Bad Start.

Notts second and Yorkshire second commenced their game in the Minor Counties championship competition at Hucknall, near Nottingham yesterday. Rain fell all the morning, and there appeared slight prospect of any play, but the downpour ceased suddenly at one o'clock, and the wicket, drying rapidly, a commencement was possible just before half-past three.

Winning the toss, Yorkshire batted first, opening with Broadhead and Bedford to the bowling of Oates and Bland. The start was disastrous, three wickets falling for 27 runs. Bedford was taken at the wicket with only one scored, whilst Sellars, having made on fine drive off Bland, was easily run out.

Halstead was completely beaten by a " Yorker," but Swift assisted Broadhead to put a better complexion on the innings. The fifty was sent up in fifty minutes, and the hundred was signalled in an hour and thirty-five minutes.

Broadhead made some splendid drives and leg hits off Bland and Gunn. He completed fifty out of eighty in an hour and twenty-five minutes, but lost his partner after their stand had realised eighty-three in fifty minutes, the fourth wicket falling with the total 110.

Broadhead was fifth to leave, seventeen runs later. His stay extended over two hours, and he batted in admirable style, his innings being without mistake. His 71 included 7 fours.

After his departure three more wickets fell in an hour and ten minutes for fifty runs, only Turner batting in anything like form. He made some excellent strokes, mostly in front of the wicket, and was never at a loss with the bowling.

He had his bat in hand at the close, which did not take place until seven o'clock, when Yorkshire had, in three hours ten minutes, scored 187 for the loss of eight wickets. Scores:

FISHER IN DEADLY FORM.

Captures 9 Notts II. Wickets at Hucknall.

Yorkshire Colts succeeded in gaining the first innings points in their Minor Counties game with Notts Colts at Hucknall yesterday, and made a bold bid for victory. They had two wickets outstanding when the game was resumed, and these realised 17 in half an hour, the innings closing for 204 after lasting three hours and forty minutes.

Turner, who went in at the fall of the fourth wicket, carried out his bat, his stay at the wicket extending over two hours, during which period 94 were scored. He gave an excellent display, making capital leg hits, and his 53 included 5 fours. Harris, a medium pace right arm bowler, performed well, taking five wickets at the cost of just under six runs each.

Gunn and Keaton gave Notts a good start, scoring 53 in under forty minutes, but Gunn then returned the ball to Fisher, and six runs later Keaton was caught at the wicket off the first delivery from Smith, who had just gone on in place of Turner. The remaining batsmen shaped indifferently when opposed to the bowling of Fisher, and upon Oates, the last man, joining Wheat, five runs were still needed to avert the follow on. The pair faced the situation resolutely, and put on 33 in forty minutes. The innings occupied three hours, and Yorkshire were left with a lead of 72.

The Barnsley professional, Fisher, bowling unchanged throughout the innings, had the splendid record of nine wickets for a little over eight runs each. His left arm in-swinging deliveries had all the batsmen in difficulties. The other left arm bowler, Smith, had only 12 runs hit off fifteen overs, while the fast bowler, Hall, was hit for only seven off ten overs.

Yorkshire opened their second innings with Sellars and Swift, and the latter, having left at 16, Sellars and Turner made merry. Turner hit 22 in one over from Bland, three beautiful drives, each for six and another drive for four.

The score was raised to 74 in fifty minutes, and Major Chichester-Constable then closed the innings, leaving Notts II. with 147 to get to win. They scored 78 in an hour and twenty-five minutes, and stumps were then pulled up, leaving the match drawn. Scores:—

ARMY AND NAVY MEET AT LORD'S.

Brilliant Fielding the Feature of the Day.

The annual match between the Navy and Army at Lord's, this year restricted to two days, was begun in cheerless weather, on a soft wicket yesterday, but a full day's play was possible. The Navy, who were somewhat weakly represented, batted first and made a poor start, three wickets being down for 44.

Lt.-Comdr. Gornall and Maj. Brooks batted well, the latter, who was at the wicket for two hours and 20 minutes, hitting 6 fours. The innings yielded 213 in three and a half hours, the wickets being shared by six of the seven bowlers tried.

The Navy fielding was brilliant, and Capt. Wilkinson and Lt. Dynes took more than an hour to reach 50. Both were out at 56, the former falling to a fine catch at slip, and two other wickets fell at 80. L. H. Bean and Capt. Burrows added 32 in half an hour, half the side being out for 112.

At the close of play the Army were 78 behind with three wickets in hand. Altogether during the day nine catches were made at slip, a surprising feature on a dead wicket. Scores:

NAVY WIN WITH THREE MINUTES TO SPARE.

Thrilling Victory Over the Army at Lord's.

With three minutes to spare, the Navy gained a fine victory over the Army at Lord's by 102 runs, the last three wickets falling in the course of three overs. The Army only added 21 runs to their overnight first innings score, Lt.-Comdr. Woodrooffe coming out with five wickets for 10 runs a piece, while Lt.-Comdr. Glenister took 4 for 23.

With a lead of 57 the Navy again scored well, Sub-Lt. Parkhurst running up 53 in 45 minutes and Major Brooks supplementing his first innings of 77 with a vigorously hit 71. In two hours and 50 minutes they totalled 222, leaving the Army to get 230 to win in three and a quarter hours. Lt. Dynes had an analysis of 5 for 60.

Half the Army were out in 50 minutes for 54, the bowling and fielding being of a high standard, but Lts. Dyne and Grimston carried the score to 110, while Captains White and Walford defended stubbornly. A wet ball, caused by heavy drizzle, handicapped the bowlers, an 54 runs were added in 50 minutes. HEPWORTH CUP FINAL.

Selection of East Leeds Club Ground.

At the meeting of the executive committee of the Leeds Cricket League at the Griffin Hotel, Leeds, last night, it was decided that the final for the Hepworth Cup should be played on the ground of the East Leeds club on Saturday, August 16.

Hunslet have won their way to the final, but Burmantofts and Pudsey Britannia have to finish their semi-final which was started last Saturday. It should have been resumed on Monday and carried on last night, but rain has interfered, and the arrangement is that it shall be continued on Monday evening.

One of the Leeds representatives on the committee suggested that it might be well if the Headingley ground was appointed the permanent ground for the final for the Hepworth Cup, and a resolution to this effect was carried.

The Wood Cup final will be played on Saturday at Holbeck. North Leeds "A" and Pudsey Britannia "A" are the finalists, and a start will be made at 2.30.

Matches postponed on account of the cup-ties have been rearranged as follows:—August 5, Methley v. Hunslet; August 12 and 13 (evenings), Leeds v. Pudsey Britannia; September 6, Gildersome v. Burmantofts.

EXCITING PLAY AT REDCAR.

Four Yorkshire Colts Out for Two Runs.

After a somewhat slow beginning, an exciting day's cricket developed in Yorkshire II.'s last match with Durham at Redcar yesterday. Durham reached 142 for five wickets, but were all out for 156, four wickets falling at the same total after a drying wind had begun to affect the pitch.

The Colts began even more sensationally than Durham had collapsed, losing the wickets of Broadhead, Sellers, Bedford, and Turner with only two runs on the board, and with one wicket to fall are 114 runs behind.

There had been heavy rain and a hailstorm in Redcar on the previous afternoon, and the wicket was still very soft when play began at mid-day. Hall and Fisher opened the bowling to Adamson and Ferens, the Durham captain, and despite the lifeless pitch were treated with respect for some time, the heavy outfield also keeping down the rate of scoring. Ferens remained for two and a half hours to be fourth out at 114, but Moore and Dobson hit out more brightly.

Then came a remarkable change in the game, the fifth, sixth, seventh, and eighth wickets falling at 142, and the ninth at 143. Richardson juggled with the ball, making three attempts and was at one elbow on the ground before he caught Moon. In Fisher's second over from this, and again in the slips, Richardson caught Ward, very neatly this time. In the next over, which was his fourth successive maiden, Turner got Hardy caught by Major Chichester-Constable, and Jennings rounded off the spell by stumping Carr off Fisher, in the over which followed. One run later Jennings caught Howell off Fisher's bowling. The innings, however, did not completely fizzle out. Hutchinson and Ellis decided to die fighting, and Hutchinson's contribution was a lusty clout for six, off Turner. The innings closed at 4.30, after an exciting half hour.

Fisher took all his wickets during his second spell with the ball, and 29 of the 34 runs against him were hit before he had any success. Backhouse also had two spells, and was better in the first spell, when the wicket was easiest. He had one run hit in his first over, his next two were maidens, another run was hit off the first ball of his fourth over, and the next ball bowled Gibbons. He got his second wicket in a spell of 12 overs after lunch. Turner had only one turn with the ball, and was at once difficult to play.

In addition to the drying wind there was a little sunshine as the Colts went in to bat. The effect was soon apparent. In Ellis's second over, which was a maiden, like his first, he took Broadhead's wicket with the first ball, and that of Sellers with the last. Only one run had been scored, off Howell. In his third over Ellis bowled Bedford, with two runs on the board, and Howell took Turner's wicket at the same total.

Backhouse and Richardson looked like making a stand, but had only taken the score from two to 12 when Backhouse was Ellis's fourth victim. Durham were thoroughly on their toes, and this effective bowling was backed up by keen fielding. Richardson and Fisher tried hard to pull the game round, hitting anything at all loose, but Ellis was in great form, and, bowling unchanged, made full use of a wicket that was now definitely tricky. Ellis used to be on the Lancashire ground staff, and now plays with Durham City. At the moment has analysis read:—

SPLENDID RECOVERY BY COLTS.

Durham Drop Points for the First Time.

(By Our Own Representative.)

REDCAR, Thursday.

Yorkshire's Second Eleven made a splendid recovery in the Minor Counties' Championship match on the Recreation ground here to-day, and had the satisfaction of being the first side to cause Durham to drop points in this season's competition.

Durham, who had a percentage of 100—the result of five victories in five games—seemed certain to retain it when play was resumed this morning. In reply to their first innings total of 156 the Colts had only been able to score 42 for 9 wickets. The young Yorkshiremen's effort ended at 47 and they had to follow on.

The wicket, which turned so decisively in favour of the bowlers yesterday afternoon, played queerly again this morning, and the Colts' second innings opened so disastrously that there seemed every likelihood of their failing to equal their first innings score, and of the match being over before lunch. Broadhead was caught behind the wicket before he had scored, and, with only seven runs on the board—six of them had been got by Sellers—Bedford and Turner followed him back to the pavilion, also without scoring. Backhouse was out with the total 8, and it seemed that Ellis, who in the Colts' first innings took seven wickets for 19 runs, and A. Howell, who, on this ground a few years ago on a very similar sort of wicket caused the Colts a deal of trouble, would go right through the side.

Ellis had two wickets in his first two overs without a run being scored off him, and the attack had complete command of the position until Sellers began to settle down. He played a brave innings and was never afraid to hit out. With the Scarborough amateur, Richardson, he took the score to 26—an invaluable stand this as things turned out—and then with the wicket recovering in an astonishing fashion he found the right partner in the Barnsley left-hander, Fisher. They carried the score to 94, removed the possibility of an innings defeat, and set the Colts on the way to a most honourable draw.

GREAT PARTNERSHIP.

Sellers scored his 53 out of 94 in just under two hours, and then with the wicket playing as easily as it did at the start of the Durham first innings, yesterday, Verity and the Colts' captain, Major Chichester Constable, carried the score from 104 to 246 in merry style. This seventh wicket partnership was as bright an affair as the Colts have had this season.

Verity got to his half-century in 92 minutes—he welcomed it with a mighty pull for six, lifting the ball out of the ground—and the Major, who made his top score of the season, passed his 50 in under an hour and a half. The result of the rally was that Durham had to bat again, and when they started their second innings they needed 152 for victory, and had ninety minutes in which to obtain the runs. Adamson and Gibbon got 25 in the first quarter of an hour, but Fisher and Turner bowled well enough to check the scoring. Still, 90 runs were obtained in just over the hour. Durham were going for the runs, and when Gibbon fell a victim to Verity, Carr, a hitter, was sent in to see what he could do. Verity quickly accounted for him, however, and with the fall of his wicket stumps were drawn, and Durham had to be content with first innings points. Scores:—

REVIEW OF THE COLTS' SEASON.

Lack of Consistency in Batting.

NEWCOMERS' PROGRESS.

(By Our Special Correspondent.)

Those who regard the work of the Yorkshire Second Eleven purely from the standpoint of the results of their matches in the Minor Counties' Championship competition will find complete justification for a comment that the season has been far from what it might have been. One match only has been won, against four lost, and first innings points have been gained once and dropped twice. The other two matches—with Lancashire's Colts at Halifax and Northumberland at Rotherham—were washed out by rain.

The result of the season's campaign is that the Colts are said to be in as low a position in the Minor Counties' Championship as ever they have been; but this notwithstanding, there is reason for satisfaction in the fact that some of the young men who have been tried with the Colts have made distinct progress, and that others, newly introduced, have revealed the right sort of promise.

The winning of the Minor Counties' Championship never has been the aim of the Yorkshire Second Eleven. The side exists for the sole purpose of finding and developing youngsters for the first team, and the Minor Counties' Championship is consequently used merely as a sort of a school in which these young cricketers can be tested and trained. This is a point which must never be overlooked if a fair impression is to be gained when contemplating the work of the Second Eleven.

The weakness of the side this season has been in batting, and this has been as surprising as it has been disappointing, in view of the extraordinary promise which young men of the stamp of Broadhead, Bedford, Shackleton, and others showed last season and the season before. On occasions they have shown the form they are known to be capable of, but their lack of consistency has affected the success of the side. A comparison of the averages of the Colts' leading batsmen this season with those of recent years shows just how much the batting has fallen away—there has not been a century scored by a member of the side this season.

CAPTAIN'S SATISFACTION.

When I talked on the season's work with Major R. C. Chichester-Constable, the Colts' captain, he found chief satisfaction in the bowling, the fielding, which has been maintained at a high level, and the play of several of the newcomers. Among the most promising of these newcomers to the side has been A. B. Sellers, an amateur from the Keighley district; J. A. Richardson, who has scored many runs for Scarborough in Yorkshire Council cricket this season; Halstead, of Todmorden, a likely batsman; and Morton, a young bowler from the Castleford district, who did well enough in one or two trials to rouse hopes that he will progress in the right way.

Sellers, who, like F. E. Greenwood last season, has set a fine example in the field, played a sound innings for 53 against Durham in the closing match—his determined stand did much to save the match with the Colts—and in this game Richardson, a batsman with a good style, did his work well at the right time. This was a match, too, in which Verity distinguished himself with the bat and ball. It may be, of course, that the season will be remembered mainly as that in which Verity returned to the Colts' side to advance quickly. Verity's form with the first team has, one imagines, just about lifted him out of the ranks of the Colts.

Another slow left arm bowler who might, the Major thinks, be given an extended trial next season is Backhouse, who is on the ground staff at Lord's. Of Fisher, the Barnsley all-rounder, Major Chichester-Constable has a high opinion, and Cyril Turner, the young Sheffield United professional who has been with the Colts for five or six seasons now, has been as reliable and consistent as ever. Hall, the Colts' fast bowler of last season, has done quite well again, and has proved his ability with the first team as an emergency man.

Altogether 22 young men have been tried with the side, and, while some of them have not fulfilled the high hopes their work last season aroused, there can be no doubt that there are cricketers of more than ordinary promise among them. Of the keenness and enthusiasm of the young men who have been tried, the Colts' captain speaks highly, and it is good to know that their behaviour on and off the field has been just what is expected of members of Yorkshire's Second Eleven.
