

V. C. BAYLIS HITS OUT IN VAIN

Rain Causes Another Draw At Beaconsfield

15 TO WIN.

THE match between Beaconsfield and Northwood at Northwood on Saturday was interfered with by rain and consequently had to be left drawn.

V. C. BAYLIS

Northwood batted first, and after about half an hour's play a heavy storm held up the game for over an hour. On resuming, Saxon and Price took part in a good stand which enabled their side to declare with 121 for 6 on the board. Beaconsfield were left with just under an hour to get the runs, and most of the batsmen lost their wickets in an effort to score

quickly. V. C. Baylis, however, played a fine knock, but although he rattled up 69, including eleven fours and a six in about half an hour, Beaconsfield still required 15 to win at the close.

BEACONSFIELD IN THE DOLDRUMS

Boddy Brothers Prevent Complete Collapse

DEVONIANS WIN

BEACONSFIELD were easily defeated by London Devonians at Wilton Park on Sunday by 104 runs. The home team's batting broke down very badly and but for a good stand by the brothers Boddy the total would have been even more depressing. "C.H." made 34 and "C.G." 40 out of a total of 93.

London Devonians passed this score with only one wicket down, G. Lisle, J. Taylor and H. B. Benham all batting attractively but none of the later batsmen stayed long against some brilliant bowling by V. C. Baylis and the side were all out for 197. Baylis had the fine analysis of 5 for 26 and in addition had the satisfaction of accomplishing the hat-trick. Scores

WYCOMBE'S GAME ABANDONED

Baker Scores Quickly Against M.C.C.

RAIN AGAIN

HIGH Wycombe's match on Saturday with M.C.C. on the London Road ground was washed out by rain after High Wycombe had made 66 runs for the loss of two wickets.

Play was started at 11.45, but at 12.30 rain intervened. Play was resumed in the afternoon but finally, at ten minutes to four the match was abandoned altogether.

L.G. Baker scored 43 of the total of 66. He batted stylishly and confidently in spite of the difficult conditions and his innings included six fours. After a quick knock, he was caught by Gascoyne off Swanton.

Tomkins also batted well for High Wycombe to score 14 without being defeated. S. T. Theed was out for a "duck," bowled by Kingsley, and Morgan played out with Tomkins, scoring one run before the game was abandoned.

Swanton was the most successful M.C.C. bowler, bowling nine overs, five maidens, and taking one wicket for 8 runs.

THIRTEEN OUT FOR "DUCKS"!

Bowlers Skittle Batsmen In W. M. Pierce's Game

EDWARDS IN FORM

NO fewer than thirteen players were out for "ducks" in a low-scoring game between W. M. Pierce's Conference XI and Odney, at Odney, on Sunday.

On a very sticky wicket, Young, the Middlesex county slow left-hand bowler, for Odney, and Frank Edwards of Bucks and Meluish of M.C.C.—both of them left-hand bowlers—were almost unplayable and wickets fell rapidly.

W. M. Pierce, the High Wycombe wicket-keeper, took a strong Conference side down and play was always interesting, the game ending in a draw.

In their first innings Pierce's team totalled 39, principal scorers being W. Southall (8), Ray Tompkins, who batted throughout the innings from first wicket for only 11 runs, E. Beeson, who hit two fours in a short and lively knock of nine, and W. W. Smith (3).

Six players failed to score against the bowling of Martin, who took five wickets for 17 runs, and J. Young, who had five for 15.

Odney, in reply, were all out for 43. S. R. Young, first man in with A. C. Barrett, hit up 12, and J. T. Webster saved the side from first innings defeat by scoring 17 not out for the last wicket.

Edwards claimed six wickets for 23 runs for Pierce's XI, and Meluish—the two of them bowled unchanged throughout the innings—claimed 4 for 18.

Sporting Bid For Victory

In their second innings, the conference team compiled 46 for six wickets before declaring. L. G. Baker scored 15 for the first wicket and S. Morgan was second highest scorer with 11. Martin and Young each had three wickets.

W. M. Pierce's bold bid for victory did not succeed. A. C. Barrett lost his wicket with only three runs on the board and the second wicket fell at 13, but S. R. Young (9), J. C. Partington (9) and J. M. FitzRoy (13) enabled Odney to score 38 for the loss of seven wickets.

Edwards took 6 wickets for 13 in Odney's second knock and Meluish had one for 24.

Chorley Wood won the toss, but their batsmen failed against some excellent bowling by Darvell, Rance and Roberts, being out for 92. Chesham then knocked up 141 runs for the loss of only 3 wickets in about 1½ hours.

LITTLE MARLOW IN GREAT FORM

Stokenchurch Skittled Out In Quick Time

RESERVES JUST FAIL

RAIN delayed the start of Stokenchurch's home game with Little Marlow and Bourne End on Saturday until after five o'clock and then the game had to be played on a newly marked out pitch. On winning the toss Smith elected for his side to bat first. Although the wet conditions should have favoured run-getting, most of the batsmen were in difficulties with the bowling of Johnson and Lane until the arrival of Pass, and his 25, obtained out of 34, while the last two wickets were obtained did much to raise the total to 74.

Although having only ten men the home batsmen, despite the state of the ground, looked upon the task of passing that score as a light one, but they were quickly disillusioned. In Gammon's first over he had A. H. Butler caught at the wicket and Agar l.b.w.

Pepper obtained H. W. J. Butler's wicket l.b.w. in his first over, off which Johnson hit a four. Gammon bowled Elston for a duck in another maiden over and while Pepper was keeping runs down at the other end, he continued taking wickets until he had 6 for 14; while Pepper finished off the innings by bowling Strange to have 3 for 8. One extra making a complete score of 23. Bowling analysis: Stokenchurch—W. Johnson 19-8-31-0, H. Butler, 4-1-0-0, Lane 14-3-31-4. Little Marlow and Bourne End—Gammon 6.1-2-14-6, B. Pepper 6-1-8-3.

HIGH WYCOMBE II MASTER THAME

Fountain's Catch While Sliding On His Back!

KEEN IN FORM

THE recuperative powers of the Thame ground were shown on Saturday when High Wycombe 2nd XI arrived at 2.15 p.m. in pouring rain. The rain stopped at 2.45 and play began just after 3 p.m.

Thame won the toss and batted first. H. G. Page, Lewis and Dickety bowled well and the home side were all out for 81. Fountain brought off a remarkable catch at extra cover to dismiss Blay, sliding on his back for yards through the mud. Keen and Brand opened, and got the runs without being separated, Keen batting attractively to get 57 quick runs (nine fours). The rest of the innings was of the "hit or miss" variety, and Wycombe's innings ended at 186 for 7 wickets. Scores:—

Bledlow Ridge visited Prestwood last Saturday, and after an exciting game defeated the home side by one run.

After a late start the Ridge made 42. Reg Loveday and G. Feasey batting well on a soaked wicket, for 13 and 9 respectively. Prestwood's score was 41, Ron Loveday taking 4 wickets for 4 runs, and L. Feasey 4 for 11.

**Claydon And Avery Set
Great Haseley A Problem**

ANOTHER WIN

BLEDLOW pulled off another big win on Saturday against Great Haseley. Losing the toss, they dismissed Haseley for 111, and knocked these off for the loss of two wickets. Curriell and Shrimpton batted finely for Haseley and put on 63 runs for the fifth wicket. The tail refused to "wag" however, and the remaining four wickets fell for 15 runs.

Strathdee and Smith opened well for Bledlow but the best batting of the day came with Claydon and Avery together. Both batsmen "collared the bowling" and their running between the wickets was first rate. This partnership yielded 89 runs before Claydon stopped a straight one with his pads with 63 runs to his credit. Scores:

SPORTS GOSSIP

By "ONLOOKER"

HIGH Wycombe Borough Police cannot claim so successful a cricket season as in past years. But they have not had the best of luck. Several of their matches were lost by the narrowest of margins. Against St. Albans the other week they lost by only three runs.

One disappointment has been the failure of Brown to find his usual good form. In past seasons, Brown, a naturally talented cricketer, has been one of the team's mainstays but this season he has lost his form completely.

Another enthusiastic cricketer, J. Edmondson has in part made up for the loss by consistently good batting throughout the season. He scored 62 against High Wycombe Chemists, 49 against Windsor and 45 not out last week against St. Albans.

A Matter of Figures

An error in arithmetic prevented Edmondson from claiming his half century when the Borough Police met Windsor. High Wycombe delayed their declaration until Edmondson had reached his fifty—or, at any rate, until the scorer said he had reached his fifty.

When his score was checked up after the innings, it was found he had made only 49!

Edmondson learned his cricket with Bacup, the Lancashire League professional side. He played for the second eleven as an amateur.

Bradbury Does It Again

Police Constable Bradbury, of High Wycombe Borough Police, has again proved his versatility in sport, this time by reaching the finals of both the snooker and the billiards tournament organised by the borough force.

The billiards competition is for the cup given by Councillor G. H. Brocklehurst and the snooker is for Mrs. Crippwell's trophy.

Bradbury beat Strathee in the billiards final on Tuesday. His opponent in the snooker final is P.C. Secker, who was injured the other week, and who is still in hospital.

Chief's Sporting Gesture

Both the snooker and the billiards tournaments have produced keen play throughout and they should now remain popular "annuals."

Chief Constable W. T. Jones, who is a particularly good billiards and snooker player and was quite likely to have carried off both trophies, sportingly withheld from entering this year, the first year of competition for the new cups.

The competitions, by the way, have been handicapped and the efforts of the handicapping committee have caused a good deal of amusement.

Played Fred Perry

Tennis is the latest game to be introduced to High Wycombe Borough Police sporting activities. They are hoping shortly to arrange a match with Redfords Sports Club.

Several of the Borough Force are accomplished tennis players. One of them, noted alike for his modesty and versatility, once played against no less important a player than Fred Perry in the semi-final of a national competition.

It was ten or eleven years ago, in the semi-final of the *Evening News* Gold Cup tournament. Perry, then a rising young amateur, won 6-0, 6-1 and went on to win the Gold Cup.

Poor Start For Bucks

Buckinghamshire's undistinguished start to their campaign in the Minor Counties tournament disappointed many of the county team supporters who were looking forward to a repetition of the success of a couple of seasons ago.

Hertfordshire proved to be Bucks' bogey team at the start of last season. Rain has played its part as well in damping enthusiasm this year.

One welcome feature so far apparent in the Bucks side, I am told by *The Bucks Free Press* correspondent travelling with the team, is an improvement in the fielding.

Birtwell, particularly, stopped many hot shots at silly point in the game against Bedfordshire.

Another Wycombe player, Ray Tompkins is among those chosen for the county team for to-day's match against Oxfordshire at High Wycombe.

Father and Son Play Together

Father and son wield bat and ball together in several High Wycombe and district teams. Latest to make their debut in the family tradition are Britnell senior and junior of Stokenchurch.

When Stokenchurch met Little Marlow and Bourne End on Saturday, E. T. C. Britnell, the High Wycombe Grammar School player, made his first appearance for the Stokenchurch team. In the same team was his father, E. Britnell, for many years a Stokenchurch stalwart of many sports.

Britnell senior scored 7; Britnell junior only one.

Another interesting feature of the Stokenchurch—Little Marlow game was the achievement of S. Gammon, Little Marlow's consistent bowler. By taking eight wickets for 25, Gammon brought his total number of wickets for the season up to 100.

Solemn Festival

It was a pity High Wycombe's holiday game with the Indian Gymkhana on Monday, a game which usually attracts one of the largest crowds of the season, should have produced such slow scoring and uninspiring batting.

In six hours actual playing time, the two sides scored only 305 runs between them.

It was certainly extremely difficult for batsmen to get any help from the pitch but in any case it was an unnecessarily solemn festival.

There was excuse for High Wycombe beginning carefully and scoring only 55 before lunch—55 in an hour and a half. By 4.30, Wycombe had increased their total to 205 for 9 wickets, when they declared.

The Indian Gym, too, batted dourly and stolidly and they took nearly two hours to make 105.

One of the Indian batsmen hit a six—but was out immediately afterwards. Another highlight was a sparkling catch by "Noah" Hawes, off his own bowling.

In Father's Footsteps

R. R. Britnell, the High Wycombe Cricket Club secretary, was a proud man on Monday. He saw his son, P. R. F. Britnell, making his first appearance for the High Wycombe premier team, bat stylishly and confidently for 34 not out.

P. R. F. Britnell is certainly following his father's fine example on the cricket field. But whereas "R. R." was principally a bowler, "P. R. F." is a better batsman.

As a member of the High Wycombe Royal Grammar School team a couple of years ago, P. R. F. Britnell frequently played wicket-keeper, but since then he has developed a good style as a fast-medium bowler. He secured one wicket for High Wycombe against the Indian Gymkhana on Monday.

Wycombe Team of the Future

Britnell is now at London University and he has won his college colours at both football and cricket. Recently he passed his examinations in modern languages.

On Tuesday, Britnell also turned out for the High Wycombe second eleven against the Wycombe League side. He was with his former Wycombe Grammar School colleague, R. Dickety, who has done well for several Wycombe teams.

In Britnell, Dickety, Emery, Fountain, Slatter, Aldridge and one or two others, all Old Wycombians, High Wycombe have the nucleus of a useful team for the future.

INDIAN GYMKHANA MASTERED

L. G. Baker In Form
Again For Wycombe

BRITNELL SHINES

HIGH Wycombe gained a decisive victory over the Indian Gymkhana on Monday by 109 runs.

Wycombe had the advantage of batting first and Tompkins and Brand put on 32 for the first wicket. L. G. Baker proved to be in his best form, and his valuable innings of 70 included eight fours.

There was a partial collapse in the middle of the innings, but P. R. F. Britnell, in his first appearance for the Wycombe first team, batted stylishly to score 34 not out. The innings closed at 210 for nine wickets.

Hawes and Mogford were in good form with the ball, and the Indian Gym. batsmen had to treat them with great respect. Their first two wickets fell with the score at eleven. Three wickets were down for 14, and four for 24.

Liverz and De Zoysa made a stand for the sixth wicket, and Puri, who was undefeated at the close, improved the position with a bright innings of 34, but the team were all out for the small total of 101. Scores—

BATSMEN FAIL AT BEACONSFIELD

Weakened Team Beaten
By Old Citizens

ALL OUT FOR 66

NO cricket was possible at Beaconsfield on Saturday or Sunday, but the weather relented somewhat on Monday and the annual Bank Holiday whole-day fixture with the Old Citizens was carried out without interference.

The home side, however, were not able to put a very strong team into the field and once again the batting broke down rather badly, Beaconsfield mustering only 66 runs in reply to the Old Citizens' 105. N. L. Walker was the visitors' top scorer with 29, while R. H. C. Croxford and V. C. Baylis both reached the twenties for Beaconsfield, and C. G. Body was the most successful bowler with 4 for 20.

The brightest cricket of the day, however, took place after tea when each side had an hour's batting each, Beaconsfield just winning by three runs with the scores 117 to 114. Scores:

STOKENCHURCH GET A BEATING

A. C. Humphrey's XI Have
A Decisive Victory

Stokenchurch were beaten by A. C. Humphrey's XI at Stokenchurch on Tuesday. On winning the toss Lane decided that his side should bat first. It was soon evident that run getting was going to be a difficult matter. After Butler and Ashby had obtained 13 the latter was bowled by Rixon (Lacey Green) and from then onwards wickets fell cheaply. The advent of Burnham (Flackwell Heath) was disastrous, from a Stokenchurch point of view, as in seven overs he had taken that number of wickets at a cost of three runs. The total score for the whole side was a meagre 35. Johnson had the scratch teams batsmen in difficulties from the start. From his third ball Burnett had to return to the pavilion without having scored and with three runs on the board James shared a similar fate. Meakes and Lacey then made a stand which produced 28, but from then to the end of the innings the desperate struggle for runs continued. Eventually a total of 80 was reached before Humphrey became Johnson's last victim. With an hour remaining for play it was decided that each side should have a half-hour knock, the result of which that the home team had 52 for 5 wickets and the scratch side were all out for 37. HILL SHINES FOR GERRARDS CROSS

Skipper Carries His Bat For 66

OLD PRIORIANS BEATEN

GERRARDS Cross entertained Old Priorians in their annual Bank Holiday fixture, and were the victors in an extremely interesting game.

The visitors won the toss and elected to bat first, a tactical error which cost them dearly, as the wicket, dried on top by sun and wind, did all that the bowlers asked, with the consequence that at lunch time six wickets had fallen for only 70 runs.

Eventually the whole side was out for exactly 100, Southam having done the principal damage by taking five wickets for 29.

Hill and Langstone gave the home side an excellent start, and Southam carried on the good work by indulging in some powerful hitting, and the opponents' score was passed with six wickets in hand. The remaining eight batsmen only made 14 between them, but the principal interest centred on Hill, who, having opened the innings, carried his bat for an exceedingly fine 66 not out, which included 8 fours and a six, and it was unfortunate that he could find no ore to stay with him, as he had every prospect of attaining the coveted three figures. Scores:—

ANOTHER WYCOMBE GAME ABANDONED

High Wycombe's game with North Middlesex on Saturday was abandoned at lunch-time after only an hour's play.

Rain prevented play for some time in the morning but eventually Tompkins and H. G. Brand went out to open the innings for High Wycombe at 12.30.

At 1.30, when the score was 35 for no wicket, rain came on again and the match was abandoned. When stumps were drawn, Tompkins had made 27 of the 35 and Brand 8.

Others in the Wycombe eleven were S. T. Theed, P. Slatter, J. Jackson, E. Beeson, H. R. Jones, N. R. Hawes, P. R. F. Britnell, H. Mogford, and W. M. Pierce.

Stokenchurch Put Up A Stern Resistance

HOLIDAY GAMES

HIGH Wycombe 2nd XI, visitors to Stokenchurch on Monday, totalled 223. The home team soon lost A. Butler and Britnell for four runs, but H. Butler and Johnson proceeded to add 41 before the former was bowled by Ricketts. Hunt, too, helped in a stand which put on 34 for the fifth wicket, and Johnson continued his happy knock until he reached 50 with a well hit six. Seven runs later he was well caught by Theed. Walker (15) was the only other player to reach double figures and the innings closed for a total of 129.

The Wycombe team started badly by losing Bugg, Fountain, Underhill and Adams for 46 runs but Theed and Pierce put them in a good position with a fifth wicket stand of 80. The home total was passed before the sixth wicket fell and continuing until the innings was finished Pierce, Ricketts, Baker, Dickety, and Kimber all obtained double figures and the final score was 233. Little Marlow Beaten

Little Marlow and Bourne End entertained Stokenchurch on Saturday. The rainy weather made it necessary for these teams to play their game on another than the prepared wicket for the second week in succession. On winning the toss Smith decided that his side should have first knock. Throughout the innings the batsmen were never comfortable against consistent bowling by Lerner and Johnson. Only Waggett made any stand while a total of 46 was being compiled.

Unlike the debacle of the previous week the two Butlers opened the Stokenchurch innings confidently and they had put on 32 runs before H. Butler got in front of a straight one from Waggett. While A. Butler was scoring fairly freely E. Briggell had to be content with singles. Johnson, too, had to adopt a restrained role and Wickens was the only other player to stay any time. The innings which was notable for the first appearance of E. T. C. Britnell, the High Wycombe Grammar School player in the same team as his father, ended for a total of 94, and by capturing eight wickets Gammon accomplished the rare feat of having taken 100 during the current season. BRILLIANT BOWLING FOR PRINCES RISBOROUGH

Orchard and Stallwood Too Good For Stone

Princes Risborough were at home to Stone on Saturday and the game was remarkable for the fact that F. Orchard (6 wickets for 3 runs) and W. Stallwood (4 wickets for 3 runs) put Stone out for a mere 14 runs, the lowest score against Princes Risborough in the club's history. Risborough scored 88 for 8 wickets declared, thus winning by 74 runs.

Although overshadowed by the performance of the bowlers, R. C. Wood again gave a good display in scoring 41 not out.

For their match at Frieth to-morrow, Princes Risborough hope to have the assistance of R. Anderson, who plays for Blackpool in the Ribblesdale League and is on holiday in the district.

The home side batted first and made a bad start losing 6 wickets for 18. E. Lacey joined J. Meeks and the pair brought the score to 47 when Lacey was out for a valuable 8. The total was brought to 93 and J. Meeks gave a good display for 43 not out. J. Pursey 13 and E. Darvell 8, also batted well. Dance took 5 for 31.

BLEDLOW HIT UP A DOUBLE CENTURY

Claydon And Strathdee Go For Bowling

BLEDLOW met Slough II at home on Saturday and had to be content with a moral victory in this all-day match. Winning the toss, the home match on Monday at home against Slough II. Winning the toss, the home batsmen took full advantage of a perfect wicket, and an interesting race took place between Strathdee and Claydon as to which would complete the half-century first.

Strathdee, however, had the mortification of being bowled when one short of the mark. Claydon continued to bat soundly, and found a useful partner in P. Smith, jun. Claydon was eventually drawn out of his crease and was smartly stumped by King.

FLACKWELL HEATH TO SEARCH FOR GROUND

Last Match On Present Pitch Won By Visitors

Flackwell Heath were at home to Marlow Working Men's Club on Saturday, and the match resulted in an easy win for Marlow Working Men by 66 runs. Marlow won the toss and elected to bat on a wicket which had just had heavy rain on it and therefore was very easy. They succeeded in reaching 105 thanks to two batsmen who made 80 of the total. E. Moore scoring 53.

Heavy rain destroyed pitch prepared for the match and another had to be hastily made. Marlow Working Men certainly had the best of the wicket, for when Flackwell Heath went in to bat the wicket showed signs of life and four of the Heath batsmen played on. This was probably the last match on the present ground, for building operations commence this week.

Good bowling by G. H. Baker and R. Dickety and a sound innings of 43 by N. H. Theed enabled Wycombe 2nd XI to gain a creditable win over London Brick Company on Saturday.

London Brick Company won the toss and batted first, the brothers Corkett quickly putting on 40 for the first wicket. The side then collapsed, G. H. Baker bowling well throughout and R. Dickety started badly, losing 4 wickets for 20 runs, but eventually recovered to win an interesting game by 38 runs. Scores:

WARMAN HITS OUT AT "THE DUCKS"

Decisive Victory For Beaconsfield

WESTON THE HERO

AN interesting game was seen at Wilton Park on Sunday when Beaconsfield entertained The Ducks, the home side recovering from a bad start to win by 30 runs, thanks almost entirely to a fine innings by D. G. Warman.

The Ducks batted first and put together a total of 100, K. McCanlis being top scorer with 33, while V. G. Baylis had the best bowling analysis with 3 for 8.

The home side, with 7 wickets down for 70, looked very much like being beaten, but L. Weston then came in to give Warman useful support, and these batsmen not only won the game for their side but added sixty valuable runs before Weston was out. Warman went on to score a fine 77 before being last out with the total at 136. Scores:

The visitors, in reply, were all out for 68, the majority of the batsmen failing badly against King's off-spinners after C. H. Boddy and H. G. Tidy had made a good stand for the first wicket. Scores:—

GERRARDS CROSS MISSED CHANCES

Old Finchleians Batted
Briskly

WON BY 86 RUNS

GERRARDS Cross met Old Finchleians, at Gerrards Cross, on Sunday. Old Finchleians won easily, their innings being notable for a sterling innings by Parker, some tedious defensive batting by Gellatly, an entertaining knock by P. R. Turner, and some indifferent fielding by Gerrards Cross.

With two hours in which to score 144, however, the home team seemed to have a good chance, but one or two of the early batsmen rather gave their wickets away and the later batsmen seemed quite incapable of going for the runs. Scores:—

ICKENHAM "TAIL" WAGGED MERRILY

But Gerrards Cross Won
By Six Runs

The match between Gerrards Cross and Ickenham played at Ickenham on Saturday resulted in a win for Gerrards Cross by six runs. The Ickenham innings was distinguished by the courageous hitting

of the last two men in—E. Flavell and R. Sims—who raised the score to 97 after the astute captaincy and brilliant fielding of Gerrards Cross had dismissed nine men for 67 runs, Bastin taking 8 for 37 in nine overs, three of which were maidens. Gerrards Cross had scored 75 before the third wicket fell, but lost five more men before winning the game. Scores:—

FAST BOWLER WRECKS BLEDLOW'S HOPES

"Band Of Bachelors" Gain
Narrow Win

The bowling and fielding of both teams reached a very high standard at Bledlow on Sunday and batsmen found run getting a slow job. The visitors, the Band of Bachelors C.C. on winning the toss elected to bat and had to thank B. H. Walters for holding the side together with a first class innings.

Smith and Fairbrother once more demonstrated their bowling qualities, the former taking 5 for 41 and Fairbrother 5 for 60. Wilford bowled brilliantly for the London Club, only Clayden, Edmonds and Strathdee really feeling comfortable when facing him. Scores:—

WICKETS TUMBLE AT STOKENCHURCH

24 Runs Reverse For
Monks Risborough

BATTING COLLAPSES

REMARKABLE cricket was witnessed when Monks Risborough met Stokenchurch, at Stokenchurch, on Saturday. A fine long throw by H. Butler hit the stumps to dismiss Dewes, who opened for Risborough. Short was bowled by Johnson with five on the board, and Travis was caught off Larner with four more added.

Turner and Blamey were both out with the total at 12, and Patterson followed them six runs later. Fickling helped to add a further six before the seventh wicket fell at 24.

Hinton and Wheeler made the best stand of the innings and the final total was 62. Wickets were cheap too, when

Stokenchurch opened. A. H. Butler left at 1, E. T. Britnell at 4, Lane at 6, Johnson and A. Butler at 10, E. T. C. Britnell at 19, and Larner at 23. Then Hunt and Walter "dug themselves in" for an eighth wicket stand, and they took the score to 65 before the latter was bowled by Short. The innings closed with the score of 86. Scores:—

Batting On Down-Grade

One of the features of club and county cricket in South Bucks this season has been the poor standard of batting. There have been fewer first-rate batting displays on the London Road ground, fewer centuries and fewer examples of forceful hitting.

Batting has been the weak feature of the Buckinghamshire team this year and has caused their downfall in most of the matches. L. G. Baker, the Wycombe man, has shown as good form as any member of the side and Aubrey-Fletcher, Bushy and Powell have occasionally showed flashes of the batting we used to get a year or two ago.

From High Wycombe's point of view, the brightest feature in this respect has been the distinct promise of some of the younger players. P. R. F. Britnell, son of the Wycombe secretary, R. R. Britnell, revealed himself a batsman of great promise in his holiday appearance and achievements of others of the younger school have given good grounds for hopes that there may be a revival in the batting department in a year or two.

High Wycombe's game on Saturday against Beaconsfield was set aside as a "benefit" for "Laddie" Page, former High Wycombe and Bucks county all-rounder, and Wycombe groundsman for many years.

Unpiring in a succession of holiday matches on the London Road ground and preparing the pitch for Wycombe and county games, Page has had a strenuous time lately, and his occasional "benefits" have been well earned.

But these meetings between Beaconsfield and High Wycombe no longer attract the crowds they used to and there was only a comparatively poor attendance, although Saturday provided the first real summer weather of the year.

Championship Hopes

The cricket match on Saturday between Downley and Wycombe Desboroughs is likely to have an important bearing on the Wycombe League championship.

Downley spoiled their chances by failing against their strongest rivals. The Desborough's shock bowlers, George Tapping and "Chic" Vickers, once more paved the way to success.

The Desborough's are now running strongly for the championship.

In the Chesham League, Holmer Green are potential champions. With several games still to play before the close of their campaign, they need only one more victory or a draw to make sure of the championship.

BOOKER WIN BY 37 RUNS AT LACEY GREEN

Lacey Green, playing at home on Saturday, lost heavily to Booker, the scores being 31 and 68. Booker batted first. None of the Lacey Green batsmen reached double figures, R. Murcott taking 6 wickets for 17 runs and T. Patey 4 for 6. Scores: BOOKER.

A. J. JAMES HITS FAULTLESS 100

Beaconsfield Draw With Stragglers

BRILLIANT BATTING

SOME brilliant batting was seen at Wilton Park on Sunday when Beaconsfield entertained The Stragglers, a high-scoring game resulting in a draw.

Beaconsfield batted first on a fast wicket and thanks mainly to a magnificent century by A. J. S. James, they put together 250 for 6 wickets before declaring. James batted in faultless style and his 136 contained no fewer than 22 fours.

The Stragglers, in reply, made 196 for 7 wickets, B. H. Belle, the Essex and Oxford batsman, proving a stumbling block to the home bowlers. He was undefeated at the close with 95 to his credit, and including 3 sixes and 12 fours in his fine knock. Scores:

HAWES AND BALL SAVE WYCOMBE

Ninth Wicket Stand Foils Beaconsfield

EXCITING WIN

A FINE ninth-wicket partnership between Hawes and J. Ball enabled High Wycombe to gain an exciting victory over their neighbours and old rivals, Beaconsfield, in the return match between the teams on the London Road ground on Saturday.

Norman Hawes was in great all round form. It was largely his accurate bowling that dismissed Beaconsfield for so small a total as 121 on a wicket which favoured the batsmen. James, who scored a century on Sunday, was out for a "duck," and after the dismissal of Tidy, the former Wycombe Grammar School batsman, who played well for his valuable 46, there followed a startling collapse against Hawes and Ball.

The last six batsmen added only ten runs to the total and the whole team were out for 121, Hawes taking 5 for 54 and Ball, who made a welcome re-appearance in the Wycombe team, 4 for 30.

Baker was again in good form with the bat in the Wycombe innings, but four batsmen were out cheaply in the middle of the innings, and there was doubt at one stage whether the home side would manage to pass Beaconsfield's total.

When Hawes and Ball became associated however, doubts were quickly set at rest. They scored 75 between them, and enabled the home team to compile 188. Scores:

HEFTY HITTING AND QUICK WICKETS

Stokenchurch Defeat Wycombe "A"

LARNER IN FORM

A FEATURE of the match at Stokenchurch on Saturday between the home club first eleven and Wycombe "A" was a spectacular catch by W. Johnson. V. Plumridge made a hefty drive for what appeared to be going for a certain six well over the boundary fence. Johnson raced to the boundary, and with his back against the fence made a catch high up with his left hand.

Remarkable Catch

Stokenchurch won the match by 31 runs. Wycombe "A" won the toss and their captain, A. Janes, decided that his side should have first use of a good wicket. Robertson was run out by smart work between the two Britnells with the total standing at 3. Then Nash and Bradley put on 36 for the second wicket stand.

At that stage Lerner came into the picture. He had bowled twenty-two balls to have 13 scored off him without success, his next ball resulted in a wicket and his fourth over was finished by a single being scored. In the fifth and sixth overs he had three wickets in each and altogether finished up with 8 wickets for 9 runs in nine overs. Plumridge, the last man out was hitting out to improve the total, when he was well caught by Johnson, leaning against the boundary fence, and holding a catch high up in his left hand, thus making a wicket instead of a six.

Home Batsmen Fail

The home batsmen made an inauspicious start, and lost three wickets for 13. Britnell and A. Butler then put on 21. Johnson left five runs later, but Hunt helped Britnell to pass the Wycombe total. After that no appreciable stand was made, and the whole team was out for 94.

A happy, care-free knock of half an hour each team, resulted in Wycombe scoring 54 for 8 wickets and Stokenchurch just doubling that total for the loss of one wicket.

Bowling analysis: Stokenchurch—Johnson 0 for 25, H. Butler 0 for 3, Lerner 8 for 19, Walker 1 for 11. Wycombe "A"—Douglas 4 for 32, Janes 6 for 25, Simpson 0 for 20. Scores:

FINE FIELDING AT GERRARDS CROSS

A. J. Lane's XI Unable To Force A Win

STYLISH BATTING

GERRARDS Cross drew with Mr. A. J. Lane's XI on Sunday in one of the most enjoyable games of the season. Apart from the opening pair and the last two men, the Gerrards Cross batsmen treated the visitors' bowling with exaggerated respect, although their magnificent fielding allowed the home side to take no risks. Lane's XI, with 25 minutes less time to bat, made a good effort, thanks largely to G. Hibbert's stylish and confident batting. Scores:

RISBOROUGH FOILED BY THE CLOCK

Whitfield Hits Well Against Vauxhall Motors

Vauxhall Motors were the visitors to Whiteleaf on Saturday. Winning the toss, they elected to bat first and a feature of their batting was the consistently good form displayed by each batsman in turn. E. G. Russell and J. Wheatley were looking for runs all the time, and Monks Risborough were lucky to dispose of Russell. Vauxhall Motors declared with 163 for 8 wickets.

By playing on until 7.15, Monks Risborough were given nearly 1½ hours to get the runs. They started badly, losing their first two wickets for 10 runs, but Whitfield who was able once more to turn out, and Boswell took the score to 73 before the next wicket fell. Whitfield was the fourth to bat and he played an excellent innings for 53, which included nine 4's.

When Fickling and R. W. Hinton were together runs started coming quickly but the effort to beat the clock was started too late, and although Fickling obliged with eight 4's and one glorious 6 in his 40, Monks Risborough only reached 152 for 5 wickets at the call of time. Scores:

SLOUGH JUST FAIL IN RACE AGAINST TIME.

SLOUGH v. POLYTECHNIC.

On Saturday last Slough journeyed to Chiswick, where they met the Polytechnic, the game being played under ideal weather conditions.

The Polytechnic batted first, on a perfect wicket, and it was soon apparent that runs would come easily. Both Ogilvie and Dolman batted steadily until 42 runs were scored. Dolman was then bowled by Lund (fresh from county honours). Dixon then joined Ogilvie, who by now was batting very well. The score rose rapidly, but at 117 Lund bowled Dixon, who had only scored 18 of the 76 added for the partnership. With the arrival of Friggs, all bowling was treated alike, and in 15 minutes another 27 runs were added. At this point Ogilvie's fine innings was closed, when he was adjudged to have stopped a straight ball from Lund with his pads. His 76 runs were scored in two hours, without giving any chance, and his main hits were six fours. Burrows now joined Triggs, and with both men attacking the bowling, the score quickly rose, Burrows hitting Lawson for a six. At 206 the innings was declared closed, with the loss of only three wickets, all of which were secured by Lund, who bowled very steadily until all bowling was hit unmercifully towards the close.

Slough were left two hours in which to get the runs, and they had a setback when they lost Southall at 17, after he had made a confident start. With Lawson in, Wilmot monopolised the scoring, for when the total had reached 55, Lawson had only scored four. He was then bowled by a fine ball from Burrows. C. Robey now joined Wilmot, and both batsmen set about their task with a will. With runs coming quickly and easily, victory was nearly within reach when C. Robey, who had previously hit Dixon for a six, was out, l.b.w., at 117. He had batted very well for his 42 runs out of 62 added in 30 minutes. Meanwhile Wilmot had been scoring in his best style, and had completed his individual 50. V. Robey was soon out, and Holliman and Wilmot took the score along to 151, when Wilmot was unexpectedly bowled by Dixon. Wilmot had batted in his own free and delightful style, and his 79 runs, scored in 80 minutes, included 11 fours. Holliman also made a gallant attempt to force a victory, but with C. W. Dixon bowling so well, Slough had to be content to defend their few remaining wickets to make a draw, after a very fine attempt to bring off a victory. Mention should be made of the bowling of Dixon, whose six wickets only cost him 34 runs, and until he was put on to bowl Slough had a definite chance of victory.

STOKENCHURCH IN GOOD FORM

Osberton Radiators Were Well Beaten

JOHNSON'S 6 FOR 8

BOWLING for Stokenchurch at Oxford on Saturday, against Osberton Radiators, J. Johnson took six wickets for eight runs. Having won the toss, the home side batted first. Collett and Hope started in promising manner, but at 23 the former was beaten by a good ball from D. Johnson, and three runs later a smart return by Hunt resulted in Hope being run out.

Roper and White were both caught with the totals at 44 and 55 respectively, and then Hopkins, who had an average of 102, (111 for once out against Stokenchurch teams in two innings earlier in the season) stayed a long time to score 8. J. Johnson had the batsmen in difficulties all the time at this stage, and his final figures of 6 wickets for 8 runs will no doubt encourage him to greater efforts in another season or two.

Valuable Partnership

The Stokenchurch innings started quietly, and with 11 on the board H. Butler was caught at the wicket. Messenger left at 23, and Sears 2 runs later. Britnell sen. and A Butler put up one of their best partnerships by adding 71 before the latter was caught from a mis-hit while attempting to force matters, and when Johnson had scored 6, the time limit was reached, and a pleasant game finished in favour of Stokenchurch by 38 runs, with six wickets in hand. SOUTHERN SECTION NALGO CUP

High Wycombe Share The Honours

IN the final of the Southern Section of the Nalگو cup competition on Saturday at Basingstoke, High Wycombe Nalگو drew with Basingstoke and will hold the trophy for six months.

The game was played on the spacious Thorneycroft's sports enclosure and several well-known local players assisted the home side. W. Pocock, the Basingstoke wicket keeper, knocked up 94 in the previous round, and Wycombe were indeed lucky when Collier got him lbw. before he had scored. Pocock is also a Basingstoke player.

As will be seen from the bowling analysis, Butler, Thurlow, and Pearce took chief honours in bowling.

Wycombe commenced batting at 6 o'clock, and played to 7.45. The start was very modest four wickets falling for 2. Wright (49) being given out lbw. However, Simpson, who had bowled 20 overs in the Basingstoke innings, gradually got on top of the bowling.

With the valuable assistance of Tanner 21, and later Fowler. The score was taken to 105 for 7 wickets when stumps were drawn.

There is no doubt Simpson's fine innings of 56 not out saved the game and put Wycombe in a creditable position. The later stages of the game was played in semi darkness. Simpson hit 3 fours, and Fowler had a mighty hit for 6 in his innings. Scores:

AMAZING CRICKET AT GERRARDS CROSS

Beaconsfield All Out For Twenty-Four

GREAT BOWLING

THERE was some amazing cricket at Gerrards Cross on Saturday, when Beaconsfield, at full strength, were dismissed in fourteen overs for a total of 24 runs.

The visitors won the toss and elected to bat on a wicket which, although affected to a certain extent by rain, was of a nature to favour the batsmen rather than the bowler, but Bastin cleverly adapted his action to the conditions, and the slightest chances offered by the batsmen were instantly accepted.

The first seven wickets fell to catches, the one-handed effort by Harding in the slips which dismissed James being particularly fine. Dodd "bagged" two at his customary position, in dangerous proximity to the batsmen's boots, and at one time the score board read 10-6-10. Bastin's figures were eventually 6 wickets for 14 runs, including the "bat-trick," and Harding's were 4 wickets for 6 runs, truly great bowling!

Beaconsfield fought back, however, dismissing Hill and Bodkin for only 8 runs, but most of the remaining batsmen did not find the attack unduly troublesome and rattled up a score of 153, just to show that runs could be made on the same wicket. The principal scores were made by Lovell, who's 48 not out was a very fine piece of work, and Dodd, who helped himself to four 4's in his 26.

Saturday's performance, following the defeat inflicted on the Beaconsfield ground earlier in the season, represents a record, as this is the first time that Gerrards Cross has succeeded in bringing off the "double" against their old and redoubtable opponents. Scores:

TIDY'S CENTURY

H. G. Tiddy, playing for Beaconsfield against Hanwell Traders at Perivale on Wednesday last week, scored 103 not out.

After a tense struggle the homsters managed to play to a draw. Beaconsfield batted first, and, thanks to Tidy, were able to declare at tea-time with the score of 194 for 6, leaving the homsters 10 minutes less batting time, but they were content to play for a draw, even when at one period they had the match well in hand. Then they lost grip of the game and had to fight hard to save the game in the end. Scores:—

GERRARDS CROSS LOSE TO THE JESTERS

Visiting Side Gives A Fine Display Of Batting

On Sunday last Gerrards Cross were defeated by The Jesters, who brought down one of their usual strong sides.

Gerrards Cross batted first but were unable to make much headway against some good length bowling by Ribiero, and were all out for just one short of the hundred. Of this total Dodd scored 37 by very attractive batting and the only other double-figure contributors were P. H. P. Lovell and Southam, with 13 each.

The Jesters opened very confidently and the spectators were given a display of really polished batting by P. J. Tyndall, who did not give a chance in making his 51, and H. Killick, who is a brother of the well known cricketer, the Rev. Killick. The Gerrards Cross score was passed with eight wickets in hand and the rest of the batsmen hit out merrily, Ribiero in particular causing some amusement with his "skyers" under which the fieldsmen circled more or less unsuccessfully.

This match had been set aside as a beneft match for the groundsmen, E. Southam. Apart from the excellent wickets and improved outfield for which he has been responsible throughout the season, Southam has been of great assistance to the club with his slow bowling and general usefulness with the bat. Scores:
