

NOTES FROM THE CRICKET FIELD

Centuries at Burghley and Belvoir :: The Policeman's "Lot" ::
Veterans' Day Around Melton :: Swinstead's "Ducks" :: A
Sporting Parson :: Bourne's First Home Match

BY THE SPORTS EDITOR

Grantham found a batsman's wicket at "Bungalby Park by Stamford Town" on Saturday, and bowlers on both sides could make little impression.

Burghley went in first, and F. H. Standen scored a useful 93 before being caught by T. J. Macdonald, the Lincolnshire bat, off a bail by C. J. R. Smith. L. A. Clarke, the county player, "obliged" once again, carrying his bat at 79 when Skipper T. D. Ross gave the order for the return to the pavilion with the score at 211 for three.

Although Grantham lost Macdonald, the first wicket for nil—Ross snapping up a catch—they were at no time dismayed by the large Burghley total. F. Parker was well set—he scored a century and was not out when stumps were drawn—and the Granthamians gradually sent the figures up on the board until about 35 minutes before the close of play there was a chance of getting the 70 runs required to win.

However, with the fall of Appleby's wicket—he had been hitting vigorously—Grantham fell behind the clock and the game ended in a very even draw.

* * *

Grantham Saturday 2nd XI's match with Egerton Park, which was played in glorious weather on a fast, true wicket, proved fairly easy for them.

Egerton Park won the toss and decided to bat first, but they were early in trouble; the second ball of the first over was too good for H. Clift. J. Hanson, who followed, proceeded to score runs at a fast pace, his partnership with A. Barlow producing 48 runs. At that score, Hanson misjudged a ball which swung from leg and had his off stump knocked back.

The remaining batsmen, with the exception of Barlow, who played an invaluable innings, failed to produce anything like good form, and when Barlow fell to the wiles of H. Frankish the end came quickly. P. Munton kept wicket admirably, and was responsible for the dismissal of F. Gillett and Barlow.

Grantham opened in great style, H. Sellors treating the bowling with scant respect. His partnership with R. Edwards, who gave valuable assistance produced 73 runs in 20 minutes—some going!

C. Hatton and A. Robinson made another stand, and Egerton Park's total was passed with the loss of only three wickets.

P. Munton played a stylish game and when stumps were drawn he was undefeated, having scored 28.

* * *

Lee & Grinling's (Grantham) do not seem to be quite so good with the bat as they are on the soccer field. Welby beat them 32-22 on Saturday.

The old song runs "The policeman's lot is not a happy one." Don't you believe it!

Sergeant Curry, who plays for Grantham G.P.O. and Police, looked as cheerful as any good sportsman, at Barrowby on Saturday, where the Granthamians put the villagers in first.

Curry got six victims for 16, sharing the bowling with S. Wilson (four for 20), and then went to the crease as the third man and knocked up the top score of the match, 26, before he got his leg in front of a ball by A. Martin and was given lbw. Barrowby's total of 38 was soon passed, the visitors declaring at 90 for nine.

* * *

After, taking an hour to compile 40 runs, Belvoir Estates batsmen, opposed to Leicester Harlequins, opened their shoulders and in just over another hour were able to declare at 213 for a loss of four wickets.

J. Wildman, first man in, contributed 78 before his balls went flying, and this included 11 4's. The top scorer of the match was B. Grasse, who, after the Rev. R. L. G. Wright had been returned to the pavilion with one run up, went in and carried his bat with a tally of 101. Included in this were seven lovely 6's and eight 4's.

The Harlequins made a moderate start, and it was left to "the middle" men to do the damage. Harvey, with 58, seemed set for a hefty score when Maule whipped off his balls, whilst his partner, by name of Kinsey, scored 54 (not out).

The last wicket was claimed by G. Tongue, who made an exceptional one-handed catch on the boundary and sent Plummer back with a "duck."

HOW'S THIS?

Mustn't bowlers be suffering from broken hearts! They met the Nottingham Corporation Transport Department on Saturday, and one of the visitors stayed at the crease for 11 hours—and scored four, not out!

The Leadenham team, whose photograph is reproduced on Page Four this week, "traveled" to Beckingham, and ran out winners by 12 runs with a total of 63.

Beckingham commenced with steady cricket and looked set for a good score, but, when the ball was given to J. Cant, good bowling soon altered the situation. The visitors were all out for 50 runs, J. Cant taking five wickets for 12 runs and E. Kelley five for 21.

On going in to bat things looked black for Leadenham, five wickets falling for 18 runs, but C. Gadsby and G. Lawson put a brighter outlook on the game, and, with steady batting, C. Gadsby put on 22 runs and G. Lawson 15 before being parted. This sixth wicket, in fact, put on 29 runs.

* * *

With the exception of a blank here and there, few districts in Rutland are without a cricket club, and I am led to believe that in one or two instances several of the "blanks" next season will quite probably be filled, that is if efforts materialise this season in the way of raising funds, providing equipment, and other essentials.

In this connection, Greetham, I understand, will quite possibly make an effort next season to get a club going. It seems remarkable, doesn't it, that several villages, which boast of reasonably good and enthusiastic soccer sides, are unable to raise elevens during the summer.

* * *

APATHY AT GREETHAM

Reverting to Greetham, I am informed that two recent meetings for people interested in cricket were poorly attended, and it was finally decided that it would not be possible to form a cricket club this year.

The secretary still believes, however, that there are enough young men in the village who would eventually become good cricketers but, I am sorry to say, he has not the time to hunt them out. What a pity that they are not more fond of meetings! The difficulties of ground and finance might have been overcome, with the support which Greetham usually gives to any effort to promote sport.

Whatever happened, I wonder, in Oakham first XI's match with Market Harborough on the latter's ground? Not one of the Oakham batsmen was clean bowled! I am not sure whether to congratulate Oakham on their escape or whether to commiserate with them on the unfortunate series of catches which spelt their downfall, for no fewer than five batsmen were caught out, another was lbw, and the other was stumped! Certainly, it reflects creditably on the opposition's alertness.

I cannot recall another match in which Oakham figured where at least one batsman was not bowled.

C. Adcock appeared well set on the way to his century when he was caught by Pearson after knocking up a substantial 55, the top score for his side.

Only one other Oakham batsman managed to get double figures—R. J. Lubbock—and he, too, only just managed it, for he was caught just after his 10th run!

* * *

Cottesmore were heavily defeated by Lyndon by 157 runs to 65!

I see that the Rev. E. M. Guilford again tried his skill with the ball, but does not seem to have quite found his "length."

Mr. Guilford is like several other clerics in the district—a jolly good sportsman. Plays hockey—I think he has got his "Blue" for that—tennis and table tennis, and is "pretty hot" at the latter. Was once with the Very Rev. "Dick" Shepherd at St. Martin's-in-the-Fields, and is the worthy son of a former missionary in India, who now lives in Cottesmore, and was himself a keen cricketer, footballer and tennis player.

* * *

G. Bennett and J. Jones came to the rescue of Ridlington in their home match with Belton, adding 30 runs for the seventh wicket, after six men had received their "marching orders" with only 23 runs on the board.

Always a patient batsman, Jones played the correct game by keeping up his end, whilst his partner monopolised the scoring. Bennett's splendid knock of 36 comprised no fewer than 22 singles, five 2's and a 4, whilst Jones, who was last to leave, notched an invaluable 14.

It was indeed Bennett's "day out," for, when Belton visited the crease, he captured seven of their wickets for 28 runs—a capital dual performance.

Steve Owens, the Belton "speed merchant," was the most successful bowler for his side, securing five wickets for 22 runs but he was certainly not the "hot stuff" some of his opponents found him last season. The Belton batting lacked colour, and was particularly disappointing after their performance against Tilton-on-the-Hill the previous week, but they have some useful talent in the side, and should be doing real well ere the season is far advanced.

Incidentally, their new stumper, Edgar Betts, shows much promise.

Meeting North Witham, who scored 44, Market Overton were victorious by five runs in a slow scoring game.

Honours for the visitors were shared by R. Anyan and B. Stafford, their bowling undoubtedly winning the game. The visitors batted first, and after losing two wickets for 8 runs Stafford joined R. Anyan. The former, however, received a nasty hit, and during his temporary retirement two further wickets fell for an additional 14 runs. Upon Stafford's return, the score was carried to 39 before the partnership was broken by J. Mees.

The remaining five wickets fell for only 10 runs, R. Anyan having contributed 16, and "Mr. Extras" 10 to a total of 49.

J. Mees (four for 15) and S. Dunmore (three for 15) did most of the damage with

the ball.

A smart catch by R. Anyan saw S. Mees dismissed off the first ball bowled against Witham. This disastrous start was overcome by F. Lee and J. Featherby, who "piled" on 21 before the former was bowled by Anyan.

At this period, the game stood definitely in Witham's favour, for they needed 29 runs for the remaining eight wickets. The deadly bowling of Stafford and Anyan, however, beat them, and the score was carried to 44 when the last wicket fell.

Featherby batted extremely well for his 18 runs, he and R. Anyan being the only players to reach double figures.

R. Anyan (six for 13) and B. Stafford (four for 18) were responsible for Witham's dismissal.

THOSE DUCKS !!

Just as Swinstead's batsmen went out to bat against Swayfield on Saturday, four white ducks walked by the pitch. A bright schoolgirl remarked "There's four 'ducks' for Swinstead." Her forecast proved correct in one way, but, unfortunately for Swinstead, she underestimated the number by four, the total being eight for the match!

We don't profess to be superstitious, but when the same four white ducks returned from the pond by the same route Swayfield were batting and from then onwards wickets fell cheaply to the home bowlers!

SIX FOR TWO!

Corby cricket ground was the scene of an outstanding performance on Saturday, when A. Drummond, of Corby, captured six Little Bytham wickets for 2 runs.

"Ducks" were also in demand, and after a good opening the last five Corby men were returned for "round" figures. Little Bytham went one better than this; they had six non-scorers, only not in succession.

E. Pearson knocked up the highest score of the day—11 not out—this being two runs better than G. Adcock could manage. S. Windsor had a good spell during the homesters' innings, taking five successive wickets and the last one.

The highest scorer for Little Bytham was G. Hall, with 6, while the next highest was only three, by the last man in, C. Clayton. Little Bytham do not seem to be such conquerors with the bat and ball as in the winter game—not on this form, anyhow. Of their total of 21, extras amounted to 8.

The many spectators on the Egerton Park, Melton, watched intently on Saturday, when the last man for Player's walked in.

Egerton had made the respectable total of 124, thanks to a patient innings by A. Surtees (51), and a very useful one towards the tail-end by L. W. Webber (31), and only three more runs were needed to decide the match.

For an over or so only one run was scored, as Marriott and Cale patiently waited their opportunity. Then, off Hollingshead's bowling, Marriott secured 8 runs in one over and so decided the issue. A better, nor more even, game could not have been provided.

Although Egerton Park so narrowly lost, their chances of winning were once at a very low ebb, for, through Cale, who took five wickets for 16 runs, eight of the batsmen did not reach double figures. On the other hand, Butteriss gave the Nottingham team some anxious moments, and, considering the pitch was wearing, his figures of five for 38 were good. Other successful Melton bowlers were P. Hollingshead two for 15, Wood two for 26, and Winfield one for 30.

Patons and Baldwins brought off a splendid victory over Branston on the All-England ground at Melton—though they did not make an at all auspicious start—the first wicket fell for 3 runs, the second at 10, the third at 11, and the fourth at 26.

Then Leach and Hazelwood showed how the Branston attack should be handled and the Melton team were able to declare their innings, after the fall of nine wickets, at a total of 130. W. Hazelwood made 41 (not out) of these and Leach 38.

R. Garner, one of the visitors' opening batsmen, was out for a "duck," but Barker and Carter, 32 and 29 respec-

tively, took the total to 48 for the fall of the second wicket. Then a rot set in, the rest of the side offering sorry resistance to Broome's and Howitt's deadly bowling.

THE CUP THAT CHEERED

Desperately cautious in their Burrough League game with Kirby Bellars, Thorpe Sateville took one hour and 25 minutes in which to get 58 runs.

Then someone said "Tea," and, apparently, it was a cup that cheered, because in the next 35 minutes they sent up 46 runs, chiefly through A. Queenboro, who scored 31 of them and was still at the wicket when the skipper declared at 104 for six.

Khby seemed to crumple against the bowling of a Thorpe trio—E. Morris, A. Heard and R. Quinsee—whose 16 overs were sufficient; they were all out for 39. S. Brunell again being not out, this time with 11 to his credit.

The bat reigned supreme at Bourne, when the first XI, playing their initial home match of the season, entertained Sleatod, and only four wickets fell during the afternoon while 238 runs were scored—an average of nearly 75 per wicket!

Bourne made a very unpromising start, Smith being caught in the slips for one, while Galshorpe left at 17, after contributing 11.

This brought together Porter and Emerson, who, it will be recalled, pulled the game out of the fire for their side the previous week at Peterborough.

On Saturday they played another sound game, and it was not until the fourth ball of the last over that the partnership was broken.

Emerson played a rather defensive game, while his partner collected several 4's as a result of well-placed shots. Dropped at 40, Porter went on to complete his half-century with the total at 104, and when his colleague was taken at the wicket, he was still undefeated with 60 to his credit, 44 of these runs coming from boundary hits.

Emerson batted exceptionally well for his 23, and it was a pity he was dismissed with only two more balls to go. However, he had had the satisfaction of seeing the total increased by 95 runs and of knowing that, in company with his partner, they had twice rescued their side in successive matches with really fine cricket.

HOW THE MELTON CLUBS FARED

The whole of the teams in the Melton League fulfilled their matches on Saturday, and one of the results was a great surprise—Frisby lowered the colours of Scaford by a good win.

Thanks to a remarkable consistency on Frisby's opening batsmen's part, A. Pearce and G. Skinner particularly, the good score of 104 was amassed. Apart from Dunmore and Copley, the rest of the team did little in the way of helping the total. In atonement, C. Smith and Platts bowled well and three and four wickets for 25 and 21 runs respectively. A. Pearce secured the others.

In a very low-scoring game, the Woodworkers' side had an easy victory with a total of 53 runs. The Remount could only muster 23, and 18 of these were from the bat of S. Jackson! For the Midland Woodworkers, J. Moore bowled extremely well and took seven wickets for 12 runs.

Harby, last year's champions, are still going great guns—or bats. J. Mabbott, who is in fine form this season completed a useful score of 32 out of his side's total of 134 against Wycombe. J. Wilford, the left-hander, was not out with 37.

The Harby bowling was at its deadliest. The veteran, S. Furnidge, had the amazing result of seven "scalps," costing 3 runs apiece, while N. Furnidge, the speed merchant, polished off the remainder for 13 runs.

Despite the fact that Harby secured such a fine total, the Wycombe bowling was pretty good. The veteran, F. Bailey, for instance, had 10, overs, and, for 50 runs, took five wickets.

Thorpe Arnold, who this season are trying out a lot of young blood, lost easily to Holwell Village. But experience is dearly bought, and I am assured that when they have had a little more experience in the field they will be a useful

combination in the Melton League.

Yes, May 10th will be remembered as "Veterans' day, 1036," in the Melton League, for Alf Wright, of Holwell, took four wickets in 10 overs at a cost of 14 runs. Sam Furnidge, of Harby, seven in seven overs costing 28 runs, whilst Bailey, of Wycombe, in 10 overs, took five wickets at a cost of 10 runs each.

Against Stainby, at Wymondham on Saturday, E. Brown took three wickets in four deliveries.

**GRANTHAM WORKS
AT BELTON PARK**

**Cricket in Lovely
Surroundings**

**A FAIRLY EVEN
GAME**

BY OUR OWN REPRESENTATIVE

THE Clerk of the Weather was in a most favourable mood on Saturday, the glorious sunshine and cool breeze being ideally suited for cricket from the point of view of both the player and the spectator.

And as a spectator, I paid a visit to Belton Park, one of the most pleasant grounds in the district, where the home club entertained Aveling-Barford's XI from Grantham.

The serenity of the occasion must have adversely affected the Works men, or perhaps it acted as an incentive to the village club. At any rate, the latter were the victors by 80 runs to 58, but the issue was in doubt up to the ninth wicket.

The Granthamians went to the crease first, and were all out just before tea. H. Cant was the only player to face the bowling with confidence, and he made a neat 23, which included one of only two boundaries scored throughout the game.

It is curious to note that all the other batsmen made either two, three, four, or five. There were no "ducks," and no player scored just a single.

Captain W. G. Barford must have heard the rumour which has it that if anyone can hit the ball through the window of the nearby Belton House Lord Brownlow will reward him with five shillings, for as soon as he took his place at the crease he began to hit out. But to the spectators' disappointment and the fielders' delight, ball and bat never connected quite as Captain Barford intended them to do—and no windows were broken. Although the house is really "nearby," I think the batsmen themselves would describe it as being "far away."

HIS LUCKY NUMBER

R. Bland was like the Clerk of the Weather—in an inspired mood. Probably he considers six his lucky number, for in six overs (one maiden) he captured six wickets for the loss of only six runs.

E. Parnham and B. Dunk shared the rest of the "scalps," taking two for 10 and two for 16 respectively.

Dunk had the misfortune to pull a cartilage when he ran to catch a ball which Captain Barford had "skied" in his attempt to increase his score by six. He finished his over, however, after receiving attention.

A brilliant innings by A. Scothern was the feature of Belton Park's knock. Going in second wicket down, he attacked the bowling from the start, and driving to the off with considerable power he made 43 before leaving his wicket bare to a fast ball from F. Ball. His was the last wicket to fall.

His brother, J. Scothern, partnered him the longest, and made the second highest score for the visitors. He would probably have made more than eight had he not received a nasty blow on the bridge of the nose from a ball which pitched on a troublesome spot near the crease and "got up" quickly. He retired for a time before going back to finish his knock.

R. Sancto bowled with deadly effect, and he fetched three wickets in one over, two of them in two balls. His final analysis was four for 10 in seven overs (two maidens). G. Adson was not quite so successful, taking three for 21 in seven overs. R. Munns, J. Ayres, and F. Ball all captured one wicket each.

Reginald Cheetham, a 12-years-old lad of Belton, scored for the home club, and he performed the job very creditably.

The scores are detailed below:—

TODAYS TEAM

Grantham (v. Burghley Park): F. Parker, T. J. Macdonald, G. R. Appleby, C. J. R. Smith, M. E. Appleby, V. E. Sewell, C. G. Burch, J. W. Tilzey, S. Munns, R. E. Lee, F. Cullen; two first-class batsmen, C. Hatton; umpire, A. Musson; scorer, R. Musson. Start, 2.30.

LINCOLN SCHOOL MATCH
Lincolnshire Gentlemen
Visitors

Lincoln School had one of their most attractive matches of the season this afternoon, when Lincolnshire Gentlemen were their visitors in a one day match. The school have won this match for the past two years.

The Gentlemen included Colthurst (Normanby Park), Major C. Wilson, the former County captain; Cheales, the Skegness captain; Martin Shaw (Lindum), whose son was playing for the school, and Stamp, of Grimsby.

The school batted first, G. H. Parkes, son of the former Lincoln City F. C. manager, and Paul Fox opening the innings. Parkes fell to a catch by Stamp off Wilson's bowling before he had scored, and Foster left in similar fashion with his score at 2. Stamp again taking a catch off Wilson's bowling.

Hayward joined Fox, and the score was carried along usefully, but rather slowly, until Hayward was bowled by Chatterton with his total at 20. At lunch the school were 57 for 3.

On the resumption Macdonald was caught from a ball from Chatterton which kicked, before there had been any addition to the score.

In attempting to drive Chatterton Shaw was caught at cover point. Fox began to score at a slightly faster pace, and hit Cheales past mid-on to the boundary. A lucky shot for a single off the same bowler brought him to the half century after he had batted nearly 90 minutes.

The school total reached 100 after the innings had lasted nearly an hour and three quarters. Woodward played over a ball from Chatterton and was bowled without scoring. Dickenson came on in place of Cheales, and had an early success, bowling Fox in his first over.

Kirkby followed, being well taken in the slips off Chatterton's bowling.

LINCOLN SCHOOL LOSE

Lincoln School entertained Lincolnshire Gentlemen yesterday, the visitors winning by five wickets. The School have won this annual fixture in the last two seasons but Lincolnshire Gentlemen were more strongly represented this time, their batting being too good for the School. Fox had 59 for Lincoln School, and in addition took five wickets for 50. Details:

SERVICES FALL FIGHTING

Superior Power of the Lincoln Press GALLANT STAND FOR LAST WICKET

A LAST wicket partnership of 66 between Burkeshaw and Pte. Haynes saved United Services from an overwhelming defeat by Lincoln Press in the charity match which was concluded on the Lindum last night.

The Services made 143 in reply to 176 compiled by the Press on Wednesday. It was an exciting finish. The Services crack batsmen were unable to cope with the accurate bowling of Belson and Skermer, and when nine wickets were down for 77 it looked as though the game was as good as over.

Haynes managed to keep his wicket intact, however, while Burkenshaw laid on with the long handle. He hit good and indifferent length bowling alike, having six fours in his 52.

The only other batsman to offer any resistance was Pte. Galloway.

LENGTH AND SWING

Skermer and Belson, who opened the attack, bowled unchanged for a long spell. They both kept an accurate length, and swung and turned the ball in a manner which completely upset the Services batsmen.

The first wicket fell at 12, and until the fall of the seventh wicket, when 44 runs were on the board, the innings was very much in the nature of a procession.

Attale tried hard to put a different complexion on the game, but at 7 he mis-hit and Skermer stopped a high swinging ball in the slips for Hornsby to take the catch as the ball fell.

The County Hospital will benefit to the extent of over £4 as a result of the collection taken each night. Scores:

WRAGBY v. BARDNEY LINCGRAN II.

Bardney Lincgran II: F. Linton, D. Wilson, T. Knott, F. Easton, R. Seamer, E. Thacker, F. West, T. Rushby, L. Smith, K. Dixon, W. Bogg. At Wragby, 2.30.

ALD. PARKER CUP SEMI-FINAL

Welton Make Fine Start Against Nocton

Welton C.C. and Nocton C.C. met last night in the first night's play of the semi-final of the Alderman Parker Cup competition on the South Common, Lincoln.

Nocton won the toss and put Welton in, but this policy was not a great success as the cup-holders put together the useful score of 82, thanks mainly to a good innings of 36 not out by Drury and to some poor fielding by the Nocton team, Drury having at least five lives.

Welton opened very cautiously, only five runs being scored in the first five overs, but Lewis then began to open out and 25 runs were on the board before the first wicket fell. It was a good start, but after six runs had been added, A. Gilbert, who shaped very confidently, was run out.

At 35 two more wickets fell, and there were visions of a collapse, but Drury and Walker stopped the rot and the next wicket added 12 runs, mainly to Drury, who was not afraid of opening his shoulders, and a good stand for the seventh wicket realised 21 runs. Drury was again the most aggressive batsman, but after he lost Baldwin the end was in sight, and Welton were all out for 82. Drury well deserved the congratulations he received, as, although luck was with him, he played the right game in going for the bowling and taking full advantage of every loose ball.

The game is thus in a very interesting position, and a fine struggle is in prospect to-night.

THREE FOR NINE

Rowley Adds to Bowling Feats

Boston, the prospective visitors to Skegness Cricket Ground on Saturday, were compelled to scratch their engagement, and the Seasiders looked like having a blank day. However, Ingoldmells, who were due to entertain Alford, had to cancel the engagement owing to their pitch being flooded by a torrential rain-storm—which missed Skegness—and the outcome was that the Seasiders and Villagers agreed to play each other.

Skegness won by 94 runs. Geo. Rowley added to his season's fine bowling record by taking three wickets for nine runs.

**POLICE COLLEGE TEAM
AT LINCOLN**
Lincolnshire Gentlemen
Gain Lead

Lincolnshire Gentlemen led the Metropolitan Police College by 50 runs on the first innings in a two-day match which opened on the Lindum ground, Lincoln, yesterday.

Thanks chiefly to a fine knock of 61 by J. Spencer, the Lindum player, Lincolnshire Gentlemen totalled 177 in their second innings, and the Police College were 227 runs behind when they batted again.

Lee-road ground, 2.30.

With the Senior Clubs.

APPLEBY-FRODINGHAM STRENGTHEN LEAGUE POSITION.

By defeating Healing at Healing last Saturday, Appleby-Frodingham Works strengthened their position at the head of the Grimsby League. For the third match in succession they won with wickets to spare, Healing's total being passed for the loss of only five wickets. The home side batted first and made a disastrous start, losing their first six wickets for 20 runs. A. Wiseman (not out 29), S. Jose (24) and J. Wiseman (10) improved matters greatly, and when the last wicket fell had 92 runs on the board. For the Works' team, Pogson came out with the best analysis with four wickets for 22 runs, the remainder being shared by four other bowlers. Appleby-Frodingham found the Healing attack to their liking, and White (45) and Brown (25) contributed 70 runs between them. Only five wickets had fallen when Healing's total was passed.

The Works' "A" team entertained Ruston-Bucyrus, and like their seniors, gained a comparatively easy victory by three wickets. The Lincoln side batted first and were dismissed for 56 runs, and in reply Appleby-Frodingham collected 125 runs for seven wickets. Five players in the side reached double figures, the highest scorer being Pratt (33). Gowlett bowled well for the home side, taking five wickets for 17 runs.

SCUNTHORPE AT LINCOLN.

Scunthorpe Town visited Lincoln on Saturday to oppose Rustons in the Grimsby League and won easily by nearly 100 runs and two wickets. The visitors had first knock and in 2½ hours scored 165 runs for eight wickets, at which score they declared. Francis displayed good form in collecting 65 runs, and he was well supported by the remaining batsmen, five of whom passed the double figure mark. In reply Lincoln lost their first three wickets for six runs. Hall (20) and Brown (14) participated in a useful stand and took the score to over 50 for six wickets. The remaining four batsmen, however, were dismissed cheaply, and the whole side was out for 65, with half an hour left for play. Holt, Scunthorpe's captain, took three wickets for two runs, while other wickets were shared by Greaves, Alltoft and Roberts.

REDBOURN DEFEAT NORMANBY PARK.

An interesting game was played at Normanby Park last Saturday, when the home side had Redbourn Sports as visitors. The outstanding features of this match were two bowling performances, one on each side. Spencer, for Redbourn, dismissed six Normanby batsmen for 21 runs, and Knight, for Normanby, claimed a similar number of victims at a cost of 27 runs. Redbourn were the victors,

scoring 92 for 9 wickets in reply to Normanby's score of 77, passing the home team's score with five wickets to spare. Coulthurst (21) and Tomlinson (18) were the principal contributors to Normanby's score, while Watson (35) and Roberts (12), their two opening batsmen, were Redbourn's highest scorers.

SCUNTHORPE AND DISTRICT CRICKET LEAGUE.

THIS SATURDAY'S CHAMPIONSHIP MATCH.

The deciding championship match for the Dinsdale Cup, between Barnetby and Winteringham, winners of Divisions "A" and "B" respectively of the Scunthorpe and District Cricket League, will be played on the ground of Thos. Firth and John Brown's at Brumby Hall this Saturday. It is expected to prove a keen game, as both clubs have previously won League honours. Last Saturday the two clubs met at Barnetby in a friendly encounter, and Winteringham won by one run, but neither clubs were at full strength.

After the championship match this Saturday, it is hoped to play the "Champions v. Rest" game on August 29th, and the team to represent the "Rest" will be published next week.

A mistake occurred in these notes last week, when it was stated that Winteringham had three times topped Division "B." This should have read twice, for the Postal Staff were Division "B" leaders last year, losing the championship match to Barnetby. Winteringham headed the Division in 1934, the first season of the League, when they won the championship. This Saturday, therefore, the 1934 and 1935 championship clubs clash in the deciding match for the championship of 1936.

There were no League games last week-end, but this Saturday, the Division "B" programme will be concluded with a match between Crowle Brickworks and Redbourn Works. In Division "A" Appleby-Frodingham complete their fixtures when they entertain Messingham on the Brumby Hall ground.
