

FINCHLEY

AGAINST TIME

Finchley visited Herne Bay on Saturday and at the end, fighting against time, achieved a splendid victory. Herne Bay batted first, but were all at sea against the slow bowling of F. Allen, who took six of their wickets. The side was out for 70 runs. Finchley did not shape much better, but were saved by the good innings of G. E. Williams. When batting a second time Herne Bay collapsed until Swann and Liddle came together. They declared with 129 runs on the board and eight wickets down. Finchley were left with 25 minutes for batting and 65 runs wanted for a win. L. W. Newman and R. M. Davison made the necessary runs. Davison did some big hitting for his 45.

A CENTURY FEATURE OF A TWO EVENINGS MATCH

On the evenings of June 9th and 10th, Finchley entertained Hornsey Grange at Arden Playing Fields. The visitors had first knock and Cleary showed form, compiling 77 runs. Though three wickets went cheaply there were some useful stands, and with the score at 200 for six, the visitors declared. This substantial score did not deter the Finchley batsmen. P. Nelson and R. Davison each exceeded the half century and then G. Williams achieved the century. Finchley went on to score 267 runs, losing seven wickets.

FINCHLEY MUNICIPAL

Rain having washed out Saturday's games, only one game was contested by the Municipal during the week-end, Half Hour A.C. being the visitors on Sunday. Batting first, they had over 50 runs on the board for the loss of one wicket, then followed the quick dismissal of batsmen till the last two men, who made a good stand, adding over 40 runs. The Municipal failed to force the pace in the opening stages of their innings and had to be content with a draw, scoring 98 for 8 against the required 121, B. Smithson being not out 37.

FINCHLEY RAMBLERS

On Sunday, Finchley Ramblers visited Old Johnians and a double innings match resulted in a draw, the home side having the first inning's lead. Overnight rain had left the wicket favourable for bowlers. The Ramblers, batting first, were dismissed for a poor score. Old Johnians were ahead at the fall of their 8th wicket. They batted one more than their opponents, as 12-a-side had been arranged and the Rambler's 12th man did not put in an appearance. In the second innings, the Ramblers scored 94 for 6 and left the Old Johnians three-quarters of an hour in which to get 55 runs for an innings win. An attempt was made to get the runs, but wickets fell quickly and the batsmen had in the end to play carefully.

CHRIST'S COLLEGE

On Wednesday, June 10th, Christ's College journeyed to Grove Park to meet their old rivals, Mercers, and an interesting game was anticipated, although the weather conditions were not promising, a sky full of shadows and rain threatening all the afternoon.

Fry and Jewers opened for the College and again made a useful opening stand, forty-nine runs being on the board before the partnership was broken.

Batting slightly over two hours, with an interval for tea, Christ's College declared with a total of one hundred and sixty-five for five, a very useful score against a strong side.

The College so far this season are proving themselves a very capable all-round side. In this match all those who batted recorded double figures against a real good bowling side. Mercers took no risks, playing the bowling with great care.

They scored fifty runs in seventy-five minutes and when stumps were drawn their total was sixty-three for two wickets. Gellatly secured the two wickets at a cost of seventeen runs.

GOLDERS GREEN v. MINISTRY OF AGRICULTURE AND FISHERIES.

Golders Green won a very exciting game on Thursday last, when they beat the Ministry of Agriculture and Fisheries with only a few minutes to spare. The visitors batted first, and thanks to Illingworth (93) were able to declare at 188 for 8. Phelps was the most successful bowler in taking 4 wickets for 72 runs. Golders Green were left with about an hour and three-quarters to get the runs, and thanks to some really splendid batting by Witchell (95 not out) and Lovesay (53), they scored 107 before the first wicket fell. They were rather behind the clock then, but Witchell and O'Callaghan, by some spirited hitting, managed to score the required runs with a few minutes to spare. Scores:—

BROAD HERO OF HANWELL'S MATCH

At Hanwell.—Townsend Park 107; Hanwell 159.

An excellent bowling performance by Broad, 7 for 48, was followed by a fine stand by McKeand and Ayres, who put on 62 for the sixth wicket and turned the game in Hanwell's favour.

McKeand's innings included nine fours and three sixes—a really "hurricane" knock.

Perivale Match Ends in Tame Draw

At Perivale.—Ealing Dean, 181; Old Rutlishians, 140 for 4.

Ealing Dean scored 181 after being 81 for 7, thanks to fine innings of 80 by Pearce, well backed-up by A. Castle, 37, and Girdlestone, 25 not out. Blake bowled well for the Old Boys, at the beginning of the Dean's innings. Swinging the ball late, he had all the early batsmen in trouble.

Left with two hours to get the runs, the O.R.'s made no attempt to force the pace, and the game ended in a tame draw.

Wycombe House's Highest Score This Season

At Osterley. Wycombe House 275. Neasden 83.

The home team avenged their narrow defeat on Neasden's ground. Leegood, Kerin, G. Pike and J. Gudgin all batted well for Wycombe House, who ran up their highest score of the season, and were not dismissed till the total had reached 275. Mole did best with the ball for the visitors. Neasden were all out for 83, only Brown, Fyffe and Collier being able to cope with the good bowling of Kyte and Ashley. The home team were easy winners by 192 runs.

POOR FIELDING IN G.W.R.'S MATCH WITH POLY.

At Castlebar Park.—Polytechnic, 197 for 7; G.W.R., 108 for 7.

The second meeting of these teams resulted in a draw once again.

In two and a quarter hours the visitors ran up the respectable total of 197 for 7, before declaring, leaving G.W.R. roughly two hours to bat. The home side have only themselves to blame for having such a score put up against them. The fielding on and off the ground was disappointing, with one or two exceptions. Seldom have G.W.R., noted for their keen fielding, failed so badly.

A serious attempt was made to get the runs, and the game fizzled out in a draw.

STRONG WEST MIDDLESEX SIDE

LOSE TO RAILWAYMEN

At Castlebar Park. West Middlesex 64 for 9, G.W.R. 92.

The visitors won the toss and elected to bat on an easy-paced wicket. They included in their side young Nevill, who was so successful at Lord's last week against the Young Amateurs, and Ward, who has been awarded his county cap for Suffolk.

They fared none too well against some steady bowling. Sixty-four was a poor score on such a wicket, and, unfortunately, West Middlesex were let down rather badly at the last moment.

G.W.R. did not bat much better, and although winning by 5 wickets, there was very little enterprise.

TWO SCHOOLBOYS WIN MATCH AGAINST HARLESDEN

At Corfton-road.—Ealing, 191; Harlesden, 171.

Ealing were weakly represented in their match with Harlesden. R. Felton, B. J. A. Lowe and L. Thompson were away at Worthing, playing for Middlesex II., and D. W. Jones and E. Ingram were on holiday. However, a very interesting and exciting game resulted in a win for Ealing by one wicket, thanks to a splendid last-wicket stand by two schoolboys, K. Denning, of Hurstpierpoint, and K. Hinge, of Durston House.

Harlesden batted first, scoring 171 all out. Scott bowled very well, taking 3 wickets for 21 runs, in 15 overs, seven being maidens. K. Hinge also bowled well, and should develop into a good all-round cricketer.

Ealing soon made light work of their task, and at the tea interval had scored 102 for 2 (Scott 47, Bagnall 44). After tea a collapse set in, Ealing losing 7 more wickets for an addition of only 54 runs. K. Hinge, the 13-year-old schoolboy, was last in, with 18 runs still required to win, and so well did he bat that he and K. Denning knocked off the runs, amid great excitement and cheers from the spectators. The two boys had put on 35 runs before K. Denning was caught for a beautiful 37. K. Hinge made 19 not out, a very fine effort.

Preparations are going ahead for the charity match between Jack Durston's England XI, and a representative Ealing side of 16 men. It will be played at the Corfton-road ground on September 16 in aid of Ealing Hospital. The Ealing team has not yet been decided, but a very good match should result. Tickets (adults 1s., children 6d.) can be had from Ealing C.C. or the Hospital. It is hoped to provide seating accommodation for all ticket holders.

Hibbert and James Brentham's Opening Partnership Experts

At West Drayton.—Brentham, 189 for 6; West Drayton, 79.

G. Hibbert and C. James, opening the batting for Brentham, made another good start, and were not separated until 68 runs had been scored. This follows 102, 121 and 47 put on by these two in the three previous opening partnerships.

At 68, G. Hibbert was caught and bowled by Turnbull for 24, and C. James, was out soon after for 41. Consistent batting followed, and Brentham declared at 189 for six wickets. West Drayton never recovered from early failures, and were all out for 79. F. Hender (4 for 33) and H. Knowland (3 wickets for 2) being the most successful bowlers.
