

LOCAL CRICKET TIE

LANSDOWN & CHIPPENHAM AT COMBE PARK

DANN'S BRIGHT KNOCK

In most unsummer-like conditions and on a rain-soaked wicket on which runs were difficult to obtain, Lansdown and Chippenham finished with a tie at Combe Park on Saturday.

This result was reached only after the game had undergone big changes. When in reply to Chippenham's laboriously compiled 101, Lansdown lost six batsmen for 49 runs, the odds were on Chippenham winning.

Then came a most exhilarating knock by Dann, who showed that the Chippenham bowlers could be hit by collecting a six and seven fours in a quick innings of 48. When he left nine runs were needed for victory with two wickets to fall.

John made a few, but when Harding joined Dickinson, two were still required. The captain made it a tie, but the run brought Harding opposite Stevens, who bowled him first ball, so honours were shared.

Chippenham took two hours and 18 minutes to complete their 101; Lansdown, who were always scoring the faster, made their runs in an hour and a half.

Gotch and Hathaway batted with some freedom for Chippenham, but the other batsmen were not at all enterprising. On the other side, Dann overshadowed his colleagues and demonstrated that by taking risks runs could be made off accurate bowling which, with one other exception, kept the Lansdown batsmen to single figures.

DANN THE ALL-ROUNDER.

Dann, who was put on as second change, had the best bowling figures for Lansdown, four for 21. Griffen had a similar number of victims for 38, and John's two wickets cost him 25 runs. Moon had a few overs which yielded ten runs.

Stevens was Chippenham's most successful trundler. His first three wickets were obtained in a couple of overs without a run being scored off him. Dann spoilt his figures, but he came out with six for 42. Thompson had two for 31, and Sydee two for 11 runs. Tucker, who opened the Chippenham attack, was hit for 10 runs.

BY 40 RUNS Corsham Defeat Stothert and Pitts

At Newton on Saturday Corsham provided the opposition and won the match with Stothert's by 40 runs with about a quarter of an hour to spare before the scheduled time for drawing stumps.

Corsham batted first on a soft wicket, and hit up a total of 133 in reply to which the home team could make only 93.

Fido, who opened the visitors' innings with Newman, provided some entertaining cricket. In a comparatively short time at the wicket he made 31 runs, which included a couple of sixes off Perkins. He was eventually out to Perkins leg before wicket.

The first wicket fell at 31, Newman being the first to leave, but at 42 four wickets were lost. E. Gale came in at this stage, and adopted a policy of only making an attempt at loose balls. His individual score was 26, and at this total he was bowled middle stump by Hawkins.

Gilkes also had a bright innings, and was 27 not out. Perkins was unlucky in the field, dropping two catches, and failing to run out one player when the chances were odds on.

Stothert's met with disaster when they faced the Corsham bowler, Major Minnis. Coombes and Morris opened their innings, but both were out with only three runs on the board.

Nine wickets had fallen for a score of 55, five players having made "ducks." Perkins, however, made up for his bad patch of fielding by making a very good score of 55 not out. He came in after the second wicket was lost, and remained undefeated to the finish.

Bezer was last man in, and with Perkins, he made a great effort to stick there in an endeavour to force a draw.

Although he failed to do it, the partnership put on 38 runs before Bezer played forward to Major Minnis and was caught at mid-off by Newman after making 11 runs.

The feature of the Corsham attack was the fine bowling of the left-hander, Major Minnis. He is Corsham's chief bowler, and his analysis in this game was 8 wickets for 36 runs—a good performance.

A CRICKET DRAMA

HOW LANSDOWN WERE FORCED TO A DRAW

Notes by "Wiltshireman"

An attempt is being made to revive a mid-week football club in Chippenham.

At the moment, the would-be promoters are endeavouring to serve the necessary finance, and the effort will include a rummage sale to be held shortly.

It is hoped that sufficient support will be forthcoming to enable a team to be formed.

In that event it is intended to apply for admission to the Devizes Wednesday League.

A tie in cricket is a rare happening, and when it occurs on the ground of a strong club like Lansdown at Bath, the opposition—in this case, Chippenham—are to be heartily congratulated.

All the more credit goes to Thompson and his men because they were short of Webb, the regular wicket-keeper, who was ill, and R. A. C. Forrester.

It must have been somewhat in the nature of an ordeal for Swanborough, the second team 'keeper, to have to deputise on such a day, but he came through with "flying colours," and took Thompson's deliveries particularly well.

On a dead wicket and against very steady bowling—particularly that of Griffen and John—Chippenham, batting first, took two hours to muster 101.

It was laborious cricket, but it was the only policy on a day which was far from ideal summer weather, though the only rain experienced was during the tea interval, and a full afternoon's cricket was possible.

It was largely thanks to Hathaway, top scorer with 27, and Gpoch (24) that the visitors' total reached the three figures.

The Fun Begins

Anyhow, Lansdown had about an equal time in which to reply, and then the fun began.

Lansdown speedily lost six good wickets for 49, and defeat looked to be their portion when Dann came in and altered the whole aspect of the game in a short while. With a six and seven fours, he contributed a whirlwind 48 so that, upon his dismissal at 99, Lansdown, with two wickets still in hand, seemed almost certain of victory.

A single took the score to 100 when John was caught by Awdry off Sydee.

Harding, the home club's last man, played the last ball of the over safely, and this brought Dickenson, the Lansdown skipper, face to face with Stevens.

Dickenson took a single off Steven's first delivery, and then the bowler dismissed Harding, who was clean bowled with the very next ball.

As may be imagined, a drab game suddenly became charged with drama and excitement in the way that makes cricket so fascinating.

Stevens, although treated like Thompson with some severity by Dann, came out with the excellent figures of six for 42.

Sydee's couple cost 11, and Thompson had two for 31, 12 of which resulted from three successive fours by Dann.

Praiseworthy Fielding

Once again, the fielding of the Chippenham team was praiseworthy, little or nothing being given away, or the match would not have had such a happy ending.

To their growing list of victories the Westinghouse C.C. added last week-end the name of their own London Office team, who came to Chippenham for the annual encounter.

On a wicket not unaffected by the heavy rains of the previous week, Westinghouse compiled 110, and then put their guests out for four fewer than 40!

The debacle of the Londoners was due to the almost unplayable bowling of Cecil Hemmings (five for 16), and Cleverley (four for five), whilst E. Taylor captured the other two for six apiece—it should be noted that the match was twelve-aside.

Apart from Henson (20), there were no notably big totals in the Westinghouse score, but almost everybody did something, and the "tail wagged" to good effect. Brewer (14), Fred Hemmings (15), Hoey (10), and L. Roberts (12 not out) all gave useful support, and two other batsmen, Penny and Sharp, each contributed nine.

Noble was the only London player to reach double figures, and he only just did so.

Five of the visitors failed entirely.

Melksham Also Idle

Melksham C.C., in common with many other clubs, also had no game on Saturday, and the only subject of conversation among local sportsmen was—the weather.

Enthusiasts paid several visits to their ground this week, and at one time they were pessimistic about the ground's fitness for a game this week-end. However, hope is an attribute of a good cricketer.

The havoc that rain has played with fixtures lately makes the future games this season all the more interesting.

I notice that there is a home match against Clifford Bax's XI. next month, and a mid-week match at Melksham between the Queries and Clifford Bax's team a few days afterwards.

Of course there are several home and away games against neighbouring town teams to be settled, and the last game on this season's card is against Lansdown. This Bath team is probably looking forward to a revenge on the men who broke their run of victories.

Village Teams' Games

One or two of the village teams from the Melksham district managed to get a game last week-end. Great Chalfield, the manor of Major R. F. Fuller, who is president of Melksham C.C., was beaten by St. Mark's at Claverton Down by 21 runs, and Shaw and Whitley's game with Winsley ended in a draw.

The town bowls enthusiasts had better luck. They completed a fixture in the Bath and District League at Victoria Park, but their "better luck" was not good enough for they lost the match by 95 shots to 43.

One local man has been doing things in the sporting world this week which are well worthy of notice. I refer, of course, to Mr. C. L. Hall, of Beanacre Manor, who is captain of the Oxford University shooting team at Bisley. He has won numerous trophies for shooting, and his selection as

a reserve for the English team this week is a great achievement.

Mr. Hall began shooting at an early age, and he seems to be proving that old adage—true in any sport—that practice makes perfect.

A Trowbridge Defeat

It is not often that Trowbridgians are defeated at home at cricket, but they were on Tuesday evening. Of course it was not the real Trowbridge Town cricketers, but an equally "sporty" combination representative of that well-known firm, Messrs. Knees, of Trowbridge, who usually do well when the wicket is like a "carpet."

Their conquerors were the best cricketers that "The Bath and Wilts Chronicle and Herald" could muster, and they were "mustard," if a little "stereo-typed" in their methods.

Some were "mono-typed," but for them the "proof" of their worth was in the result, and when one Bathonian had made 16, a shout, "Stop Press" was heard.

Devizes Beaten

A fairly strong Trowbridge team defeated Devizes somewhat easily on the Trowbridge ground on Wednesday evening. Rodway, the keen hon. secretary of the Trowbridge club, "got going" well with the willow.

Supporters of the Trowbridge Club were disappointed when rain prevented them seeing Bath in action at Trowbridge on Saturday, as also must have been Joe Francis, the popular groundsman, as it was his benefit match.

Let's hope for Joe's sake "King Sol" attends the County Ground this Saturday, when Joe has the proceeds of the game with the Wilts Club and Ground.

Bill Smith will be bowling against Trowbridge on Saturday. He is a brother of the now-famous Jim Smith, who is with Middlesex. Bill can "sling 'em" and "swing 'em" nearly as good as Jim.

WARMINSTER WEDNESDAY v. WARMINSTER TOWN.

A large crowd saw an interesting game at Warminster on Wednesday evening. A close finish resulted, and when "time" was called the Town still wanted four runs to win. The Wednesday very sportingly agreed to another over being played, and a boundary stroke by Percy Hill enabled the Town to win with only six wickets down. A fine stand between Pike and Culverhouse for the Wednesday put on 44 for the fifth wicket. Pike went on batting confidently, and at the close of the innings he was undefeated with 44 to his credit. The Town batted consistently well, Bull and Hill (the latter 28 not out) showing good form. Scores:—

WEST WILTS LEAGUE.

Bearfield 2nd lost their first League match last Saturday, and this leaves Freshford the only unbeaten team in the competition. It is noticed, however, that Freshford have fallen in arrears rather seriously with their fixtures, and unless a few games are arranged in the week while the long evenings last, it is doubtful whether they will complete their programme. Let's hope the weather will be such to permit of these evening games.

Kemp & Hewitt's had another top-point victory, and this at the expense of the League leaders. Southwick added more points to their substantial lead in Division II., and on present form look like holding their position. Scores:—

SCHOOL CRICKET.

MELKSHAM LOWBOURNE v. CHIPPENHAM SEC. SCHOOL JUNIORS.

Through the kind invitation of Lieut.-Col. W. F. Fuller the above match was played in the beautiful grounds of Neston Park on Saturday. Parents of the players and members of the staffs of both schools spent a most enjoyable afternoon watching the fortunes of the game.

Chippenham won the toss and chose to field. It was soon evident that the batting side would have to struggle hard to get runs on what was decidedly a bowler's wicket. Missen batted well for Lowbourn and made 18, the whole side being dismissed for 27. Chippenham then opened their innings and scored seven before the loss of the first wicket, three more wickets quickly falling for four runs. Thomas played confidently and hit 15, and the whole side finished with a total of 39, thus having a first innings lead of 12.

The company was then entertained to a delightful tea under the lofty cedars, everyone forgetting for a brief while the excitement of the match. In their second innings Lowbourn made 45, Selman scoring most with 13. This left Chippenham with 34 runs to win. The first wicket fell for 0, but soon Thomas and Smith had the game well in hand, making 13 not out and 31 respectively. The final score was 52 for 2, and Chippenham won by 8 wickets. Scores:—

SPORTS NOTES.

FOOTBALL SEASON IN SIGHT.

News About Trowbridge and Chippenham.

There seems to be much more football news in the air at the moment, and as cricket proved another "wash out" last Saturday, perhaps we can whet the appetite of football fans. After all, the big ball season is now only a few weeks ahead, and most of the fixture lists have been completed. A full list of Trowbridge Town fixtures will be found elsewhere on this page—and what a programme it is! Exclusive of cup-ties, there are 84 league matches between August 20th and May 1st, 34 in the Western League, 22 in the Somerset League, and 28 in the Wiltshire League.

The extensive ground improvements which the club hoped to have carried out have had to be abandoned—for the time being at any rate—for such work is out of the question in view of the club's somewhat precarious financial position. The public appeal made a few weeks ago realised between £50 and £60, and it has been decided to expend this on the improvement of the worst patches on the Frome Road enclosure. There were two particularly bad patches last season—one in front of the grandstand, the other in the penalty area at the main entrance end of the ground. Work on this has already commenced, the groundman and other helpers having undertaken to lay the drainage and re-turf these areas. There is no doubt that the ground will have been greatly improved by the time the season commences, and the deep mud which handicapped players so badly last winter will, it is hoped, be remedied.

Mr. R. G. Gunstone, the Trowbridge F.C. secretary, in a chat this week, said several of last season's players had re-signed, but the forms were not being returned as well as he hoped. We understand, however, that the signature of a good goal-scoring forward is likely, which should strengthen the attack considerably. As regards last year's players supporters will be sorry to hear that Eric Evans, the Western League and County back, is contemplating becoming a spectator next season. Perhaps he will change his mind before the campaign commences, for he is certainly too good a player to remain in the grandstand. Reg. Webb has made an excellent recovery from his unfortunate accident (he fractured a bone in his foot) at the end of last season, but it is doubtful whether he will be able to take his place in the side for some time yet. There seems also to be a doubt about Eric Meaden, another of the club's County "stars," whose signature, we hear, is being sought by one or two clubs. Trowbridge supporters will, however, expect to see him in the gold and black colours of his old club when the season rolls round.

Efforts to bring about the amalgamation of Chippenham Town and Chippenham Rovers have so far failed. At the annual meeting of the former club last week Mr. E. A. Cruse, the president, expressed the opinion that amalgamation of the clubs was the only solution to bring about a much needed improvement in the standard of football in the town, and with this opinion many will agree, for the men of Hardenhuish and the men of Woodlands Grove would, we believe, be welded into one of the strongest amateur combinations in the county.

One day—perhaps sooner than expected—those who control the activities of the clubs will realise the wisdom of amalgama-

tion. Even now there is a strong desire by the Town to combine, but two or three of the Rovers' Committee are sticking to the system of splendid isolation. "I regret the Rovers cannot see eye-to-eye with us on this matter," said Mr. Cruse, who is making great efforts to bring about amalgamation. "I trust, however, that the day is not too far distant when the amalgamation will be accomplished."

By the resignation of Mr. B. Bulman, the former chairman, Chippenham Town have lost a stalwart worker and supporter. For nearly 30 years he has given his football knowledge and time to maintain the club's reputation as one of Wiltshire's best, and it is gratifying to know that at the annual meeting of the club last week Mr. Bulman was made a life member and vice-president. Mrs. Bulman has also been a great help to the club, especially in connection with the Supporters' Club. Whatever next season has in store we hope the Town will enjoy more successes than they did last year.

"Big Jim" Smith has been in the news very much since last week with his terrific hitting. In the match against Kent he scored 46 in 15 minutes! Off 13 balls he hit five 6's, two 4's, two 2's, and four singles, 18 of these coming in one over. Three of his titanic strokes sent the ball a considerable distance out of the ground. "Jim is a good shilling's-worth every time," remarked "Patsy" Hendren. We agree, every time. There are many who fancy Jim's chances for a place in the Australian touring side next winter. J. C. White, the famous Somerset and former England captain, who knows the Australian wickets well, includes Jim in his forecast of the Test team. "He is a great-hearted bowler, and can bowl for hours if wanted," he said.

Yet another Saturday's cricket was ruined by rain, when Trowbridge's match with the Wilts Club and Ground at the County Ground last Saturday had to be abandoned after the Club and Ground had scored 98 for two wickets. After heavy rain all the week, the wicket was slow and easy, and the visitors naturally took first innings upon winning the toss. As soon as Trowbridge went out to field slight rain commenced to fall and this continued until heavy rain set in about quarter past four, and the wicket was quickly saturated. Forrester was soon dismissed, but Ball and Hemmings gathered runs easily against an attack handicapped by the wet ball and the difficulty of obtaining a foothold. Ball left lbw to Keates, at 63, but Hemmings and Gotch were playing steadily and well when the end came. This match had been given to Joe Francis for his benefit in place of the Bath match, which had been washed out the week before, but he was again unlucky, the weather ruining any prospects of a good game.

Trowbridge visit Bath this week, while the 2nd XI. entertain Bath 2nds at the County Ground. P. Barber, who scored a fine century for Trowbridge against Lansdown last season, will be available for the rest of the season, and is included in the side to visit Bath. As Holes returns from his holidays this week, Trowbridge will be at full strength for this match and should give a good account of themselves. The 2nd XI. also have a good side out, though they will be without Lloyd, Payne and Snallum. The selected sides are:—Trowbridge v. Bath, at North Parade—W. Lovell Hewitt (captain), W. Hooper, A. J. P. Ling, A. E. Hurley, D. Ferris, N. Connor, W. Keates, A. A. Batley, D. M. Connor, C. Roles and P. Barber. Motor-coach leaves the Town Bridge at 1.30. Trowbridge 2nd v. Bath 2nd, at the County Ground at 2.15—S. E. Hewitt (captain), P. E. Rodway, P. G. Warren, P. J. Howes, J. Burns, W. J. Udy, R. L. Sturge, C. N. W. Blair, D. R. Taylor, G. Hussey and W. H. Winfield.

The West Wilts Cricket League Knock-out Cup Final takes place on Saturday August 1st, and once again, through the kindness of Mr. J. W. Henson, the match will be played on the Boys' High School ground in Wingfield Road, Trowbridge. Last year's finalists (Wingfield and Bearfield) are again the last pair in this season, and if they provide another game this year like the last final, those attending will enjoy a good afternoon's sport for the outlay of 4d. Bearfield are very keen on retaining the cup for another season, and if the trophy do not find its way back to Wingfield once more it will not be for the want of trying. The Management Committee's choice of umpires for this year's final has fallen on Messrs. F. C. Griffen and G. Hobbs, and the match starts at 2.15 sharp.

Propos the comments on the Surrey 2nd v. Wiltshire cricket match at the Oval last week, in which it was stated that Wiltshire gained their first success at the Oval, a correspondent writes: "This is not the first Wiltshire victory at the Oval. On June 7th—9th, 1924, Wiltshire won by 99 runs, and on May 30th and June 1st, 1925, Wiltshire won by 16 runs. Another notable achievement was in 1921, when Wiltshire scored 481 for 8 wickets, but could only manage to win on the first innings." This is quite correct, and the writer is indebted to the correspondent.

LACOCK'S THREE MATCHES.

The second week in July each year is practically cricket week at Lacock, and although very much interfered with by rain three games were concluded. The first was with Roundpond, when Lacock 2nd were out for 40. The visitors lost six wickets for 12, but the score was taken to 38 for nine, when the veteran, George Gerrish, went on to bowl. His first delivery scattered the last wicket and won the match by four runs.

The second match was just as exciting, Holt being the visitors. Holt knocked up 70, and Lacock lost five wickets for four runs. Then Henry Barnes and Bob Hayward got together, the former getting 33, which included seven 4's, and the latter 20, and 71 were on the board when George Gerrish came in. George got a four and his partner one. Then with extreme coolness Gerrish played the first ball and drove the next to the boundary. Lacock won by one run.

The last match was on Saturday, when the 2nd XI. met Somerford. Somerford scored 34, and between the storms Lacock scored 25, losing by nine runs.

The 1st XI. visited Swindon to meet the G.W.R., but little play was possible, the match being abandoned after the G.W.R. had lost three wickets for 21 runs.

WILTS CLUB AND GROUND v. ETON RAMBLERS.

Eton Ramblers brought a good side to oppose Wilts Club and Ground for the opening match of the week which ended in a draw. Rain on the Friday prevented play till after lunch, and then the Ramblers, winning the toss, batted. Their first four wickets went for 27 runs, but then Bewicke and Cartwright came together and the score mounted steadily. The century was passed, but one run later Cartwright was caught at the wicket. Soon afterwards Bewicke, who had made an invaluable 66, was bowled, and when play closed for the day the Ramblers had 125 runs on the board for the loss of seven wickets. On Saturday morning they batted for another 40 minutes, adding 22 runs. The Club and Ground started well, Butler batting confidently. Forrester was dismissed early, but Butler and A. L. Awdry scored merrily, and it looked as though they might well take the score past the hundred mark. At 92, however, Awdry was caught, and a few runs later Butler, who had made 67, was dismissed with a good catch. Then came a collapse, and three wickets falling for the addition of but one run, the score stood at 114 for 6. When the Club and Ground's last man went in six runs were still needed to equal the Ramblers' total. Lochhead and Thompson, batting steadily, got the runs, and a few to spare, but at 152 the Wiltshiremen's innings ended.

The Ramblers, batting again, went for the bowling in the hope of making a quick score and then getting the Club and Ground out cheaply on a wearing wicket. When 115 had been scored for the loss of two wickets the innings was declared, and the Club and Ground were left with 111 to get in 55 minutes to win. The task was too much, and when play closed they had scored 84 for the loss of six wickets. Details:—

ABOUT THE GAMES.

THE LEAGUE.

Although all the games last week-end were brought to a decision, in none of them was there more than one innings aside. In two games delays were caused by rain. Winterslow won easily against St. Mark's, and Cholderton gained an easy victory over Amesbury, so that the positions in the league table are unchanged. Winterslow are leaders with 18 points for nine games, and Cholderton come next with 15 for the same number of matches. Winterslow and Cholderton have three more games to play, and on the results will hang the championship. Winterslow have to play Harnham at home and away and Whiteparish at home. Cholderton have to meet St. Mark's at home, and Dean at home and away. On paper Cholderton appear to have the harder programme.

Several batsmen did well on Saturday, and five reached their 100 mark for the season, viz.: H. Jackman, R. H. Miles and E. Phillips (Cholderton), and J. Thorne and R. Dear (Winterslow). Jackman has played in 12 innings and scored 159 runs for an average of 13.24. His 68 on Saturday was his highest in the league. J. Thorne has played in 11 innings and made 156 runs for an average of 15.60. His 60 on Saturday was his highest score. R. Miles has played in only four innings and scored 128 runs for an average of 32. Against Whiteparish a few weeks ago he registered 74—the highest knock of the season. R. Dear has now registered 112 runs in 10 innings for an average of 12.44. E. Phillips has played in 12 innings and made 108 runs for an average of 9.00. L. Larkin (St. Mark's) requires but two runs to reach his century.

E. Phillips, of Cholderton, by his splendid performance on Saturday, has now secured 55 wickets, which is the largest number taken by a league bowler to date. His record reads: 100 overs, 21 maidens, 55 wickets, 211 runs, average 3.85. G. Hazzard (Winterslow) has taken 50 wickets, his record being 91.3 overs, 28 maidens, 160 runs, average 3.20. H. Rousell (St. Mark's) has secured 39 wickets for an average of 4.64. He has bowled the most overs, viz., 107, 30 of them being maidens. F. A. Killford (Amesbury) has taken 32 wickets and bowled 89.2 overs, 19 maidens; G. Burden (Harnham) has taken 29 wickets and bowled 57.2 overs, eight being maidens; G. Siggery (Harnham) has taken 27 wickets and bowled 52.3 overs, six being maidens.

Harnham visited West Dean on Saturday in their return fixture. Unfortunately rain greatly handicapped the players. The game, however, was very interesting and was not won till the homesters' ninth wicket fell. West Dean won by two runs.

The visitors' batting was scrappy and unimpressive, J. Cooke being the only one to face the bowling with any confidence, and he registered his highest score this season. He opened Harnham's innings with his brother Harold, and the score rose to 24 before they were separated. H. Cooke being smartly run out after notching but three runs.

John Cooke was eventually out to a catch off E. East's bowling after scoring 27, 18 of his runs being singles. Bacon batted well for a time, but a good catch by Dear dismissed him when he appeared set for a big score. When the visitors' fifth wicket fell the total was 39, but East and Clifford finished off the innings for only six more runs, the total being 45.

E. East, last season's champion bowler, touched good form. He had ten overs, three being maidens, and took five wickets for 12 runs. Clifford had ten overs and took three wickets for an average of 4.66. East's last three overs were maidens and he took three wickets.

Dean began badly by losing Dear in the first over with only one run on the board, Siggery clean-bowling him. Siggery followed by taking the next five wickets that fell in a short time for only twelve runs in six overs.

Tubb and Snell then made a stand that put on 13 runs, and to these two the homesters mainly owe their victory. The stand was broken by Plummer, who got Snell caught by Maggs, and H. Cooke got Tubb dismissed by a good catch by Lyne. The total was 47. The bowling of Siggery was a feature of Harnham's attack. He had 13 overs, of which five were maidens, and he took six wickets for an average of 3.33. The fielding of the visitors was very keen, no fewer than six catches being held.

Just as the match at Amesbury (where Cholderton were the visitors) was about to start a very heavy storm fell, which caused some considerable delay and made the pitch sodden, with the result that when Cholderton went in to bat the ball soon got wet and difficult to handle while the bowlers could scarcely get a foothold. The fielders also dropped several catches. To add to their troubles Amesbury had to bat at the time when the sun shone brightly and had partly dried up the wicket, which proved another handicap.

Cholderton opened their innings by scoring over 50 runs for the first wicket, Jackman and E. Phillips both batting confidently. Phillips was eventually bowled after scoring 21, which included four boundaries.

Jackman continued to bat in great form, treating all the bowlers alike, and he was not dismissed till he had registered 68, and then he was out to a catch by Killford. This was the biggest score he had ever made in a league game. Included in his total were one six and seven fours. Reg. Miles also batted in great style and was out lbw when but two runs short of his half-century. In his knock were five 6's and two 4's. With the total at 141 for four wickets Cholderton declared.

When Amesbury went to the wickets they were soon in difficulties with the bowling of Phillips. The whole side was out in 17 overs for 25 runs, no fewer than nine of them being dismissed by catches. Phillips came out with the fine analysis of 8 overs, 1 maiden, 13 runs, 8 wickets.

Winterslow, at home to St. Mark's on Saturday, gained an overwhelming victory, scoring no fewer than 136 for only eight wickets and then dismissing the Saints for 39 runs. Winterslow were minus Hazzard, B. Pearce and C. Rogers, three of their best players. Rousell, their captain, and Frank Heather, were notable absentees from the Saints' side, but even so their failure was surprising.

The outstanding display for the homesters was the batting of Jack Thorne who, after starting quietly by scoring six singles, severely punished the weak bowling and rattled up 60, his highest score in the league, which included no fewer than three 6's and five boundaries.

R. Dear also delighted the spectators. He made 33, which included three 6's and one boundary. In the first game against St. Mark's he scored 34, which then included two 6's. Horner and Thorne were together in a stand that put on 37 for the third wicket. A fourth wicket partnership between Thorne and Dear put on 40 runs.

In St. Mark's innings F. Macey scored 17, which included a 6 and a boundary and H. Chick, who reached double figures, also hit a 6. Batting a second time St. Mark's scored 38 for five wickets, Dymond and Larkin scoring 30 of these, the former being bowled when he had scored 19, two of his shots being boundaries. Larkin carried his bat for double figures.

To-morrow (Saturday) the final game in the Knock-out Cup Competition, between Winterslow and Cholderton, takes place on the Chafyn Grove School ground. Play commences at 2 p.m., and at the conclusion of the match the president of the league (Mr. Grant A. Singer, of Norman Court) will present the cup and medals.

FRIENDLIES.

On Saturday rain again interfered with the friendly matches, but as the storms were to a certain extent local, there were games which could be completed. Others had to be abandoned.

Breamore entertained Winterbourne, and in a low-scoring match won by 65 runs. Breamore, with a strong side, batted first, but lost Stanford before he had scored. Dommert and C. G. Hall in a second wicket stand put on 66, but with their dismissal came a collapse, and the whole side were out for 99. R. V. Bryant's leg breaks being the cause of the trouble. He took six for 21. Hall made 46, but he gave unaccepted chances and he was certainly lucky when the ball hit the stumps but did not dislodge the bails. When Winterbourne batted they lost both the Bryants before a run had been scored, and the rest of the side found it difficult to score off good length bowling. They were all out for 34. C. S. Hall taking 5 for 14 and H. J. Hall 3 for 16.

The Old Manor were the visitors at Farley, and rain robbed them of victory. Going in first they scored 55 for the loss of eight wickets and then declared. Farley, against the varied attack of Gray, Martin and Fagan, batted indifferently, and had only scored 23 for the loss of nine wickets when the game ended.

The Salisbury Gas Company proved too good for the Experimental Station's second string. Fielden paved the way for the Salisbury side's success with a nice 48, and he was backed up by Rideout, Seviour, Gregory and Wise, all of whom made double figures. The score of 114 was too much for the soldiers, who were all out for 50, Rideout, Mead and Edwards being the successful bowlers.

On Monday, Winterbourne scored a good win at home in beating the Wiltshire Queries by 14 runs. Batting first, they again started badly, and at lunch time had lost five wickets for 61 runs. Then Johnson attacked the bowling, and good fortune being with him, stayed to make an invaluable 38. B. F. White with 20, and V. Smith with 12 not out, enabled the side to return the respectable total of 147. Moloney bowled extremely well. In 20 overs, nine of which were maidens, he took five wickets for 27 runs. The Queries got off the mark well, and they seemed set for a certain victory. All the first four bats got double figures, Llewellyn in his 53 giving no chance. Whilst he and Rambridge were together things looked bad for Winterbourne, but Johnson once more came into the picture with a fine spell of bowling, dismissing both Llewellyn and Rambridge. The remaining men only scored four, and the side being out for 133, Winterbourne won. Johnson took five for 44.

There was some fine cricket at Bowerchalke, where the village side entertained a side captained by Mr. L. Combes, of Fovant, this always being an attractive holiday fixture. Bowerchalke were in great form, Gulliver scoring 117, Butler 68 and Tate 60, their total reaching 289. Despite this big score Major Dalziel came out with the good analysis of five wickets for 56. The visitors did not start well, Hollick and Major Dalziel both going cheaply. This brought E. Combes and Harris together, and they improved things considerably, Combes getting 73 and Harris 47. The rest of the side batted indifferently and the total only reached 153. Bowerchalke thus won by 136 runs. Gulliver completed a good day's work, taking five wickets for 51 runs, while Case took four for 23.

At Winterslow, Mr. W. E. Tyldesley Jones' team were the visitors and were dismissed when they took first knock for 48. Winterslow found the bowling so much to their liking that when they had scored 124 for the loss of three wickets they declared and put the visitors in again. But victory was not to come so easy, for, thanks to a fine 51 by J. C. Howard, Mr. Jones' team were able to put together 101. The 26 runs wanted to win were knocked off by the Winterslow men who did not bat in the first innings, and when stumps were drawn the village side had 90 more runs on the board for six wickets.

SPORTS NOTES.

PLENTY OF HOLIDAY CRICKET.

Wiltshire Clubs Paired in F.A. Cup.

Marvellous! The sun shone for many hours each day during the week-end, and cricketers were able to come into their own for about the second or third time this "summer!" About time, too, for not next week-end, but the one after, the football season opens. Still, there's no harm for those clubs who wish, and who have the opportunity, to extend their cricket programme for a few weeks.

Trowbridge had a busy, but not very successful, holiday programme. On Saturday they went to Weston-super-Mare with a weak team owing to the holidays, and duly paid the penalty, the home side gaining a comfortable victory. The visitors won the toss and batted first on a wicket which was surprisingly firm after the mud-heaps experienced in most matches this season. From the start things went badly, and only D. Connor, Ling and Hooper displayed any confidence against a keen and varied attack. D. Connor batted in good style, and looked well set when his slowness in regaining the crease after a smart throw-in resulted in his being run out. Ling, too, looked well set, when he was adjudged lbw in stepping out to Hawkins. It was left to Hooper to retrieve the situation, and he made a gallant effort to do so, but no one gave him any support, and the whole side was out for 73. Hawkins put up a good bowling performance in securing six wickets for 35 runs.

Weston-super-Mare began their innings none too well, Rigby being run out at 16, the result of some quick fielding by Ling. Collett left at 26, but then Hawkins and Hayward settled down to score steadily, and they stayed together until the Trowbridge total was passed. With the score at 91 for 4 wickets stumps were drawn, Hawkins being not out 34. The Trowbridge attack was rather limited, as Hooper was unable to bowl owing to a knee injury, but Batley and Keates maintained a steady length, and later Udy and Sturge, promoted from the 2nd XI., bowled very well, though Udy had a rather expensive first over.

Trowbridge visited Bridgwater on Monday of this week, when the Somerset side took revenge for the defeat they sustained at the County Ground on Whit-Monday, winning an enjoyable game by 86 runs. Bridgwater batted first, but fared badly before lunch, Batley and Keates bowling with great spirit, and when the lunch interval arrived they had scored 70 for five wickets, Cottle being the only batsman to make any prolonged resistance. However, he was soon out after the resumption, and when Tazewell was bowled by Batley the home side had lost seven wickets for 107 runs. But then Squibbs came in and immediately began to attack the bowling vigorously. Berry supported him well, and the score rose rapidly. When 76 runs had been added in 37 minutes, Squibbs was bowled by Keates, but the home side were now in a strong position. Squibbs hit three 6's and six 4's in an entertaining innings. After his departure Berry continued to bat well, but when he was out the end soon came, the innings realising 208.

With several players away on holiday, the Trowbridge attack was very limited and lacked variety, but Batley and Keates, who had to bear the brunt of the attack, bowled very well. Keates bowled 25 overs for 58 runs and six wickets, while Batley bowled 22 overs for 58 runs and three wickets. Facing the formidable Bridgwater total, the Trowbridge batting was not very good, even though Berry, the home slow bowler, gained some help from the wicket and bowled his slows very cleverly. Of the early batsmen only Hurley shone, and he batted freely for his 38. After his departure wickets fell quickly, though N. Connor dug himself in well and played a very sound innings. No one stayed with him long, however, and nine wickets were down for 97 runs, when Sturge came in and wielded the bat effectively if not very gracefully, and some entertaining play followed. Twenty-five runs were added before Connor was bowled

by Berry, Sturge carrying his bat for 13. Berry carried off the bowling honours, taking nine wickets for 39 runs—a great performance.

On Tuesday afternoon Knowle broke fresh ground by visiting the County Ground, Trowbridge. It was a slow and uninteresting match, Knowle delaying their declaration much too long to provide Trowbridge with a sporting chance of winning. The Knowle "skipper" played a very sound innings and eventually found himself nearing the century mark. Perhaps that had something to do with his failure to declare. Anyhow, he was clean bowled when he had scored 94. Hard lines! Trowbridge were much below ordinary strength, and they missed the services of a slow spin bowler.

Warminster gained a good victory over Swindon 2nd, thanks to the splendid batting of H. Cox. He scored 65 of the best runs, and when the opposition went to the wickets he captured five wickets for 33 runs. B. Hurt (30), S. Davis (47), and P. J. Popc (five wickets for 24 runs), also played a great share in Warminster's triumph.

Corsham's match against the Bristol Casuals was marred by the weather, a late start restricting each innings to one hour and 20 minutes. Corsham scored 82 for eight wickets in the time allowed, and the Casuals rattled up 152 for four wickets, although they started badly, losing two wickets for 12 runs. On Monday Corsham were in the winning ranks, defeating Cotham (Bristol) easily. The slow bowling of Major Minnis puzzled the visitors, who were all out for 90. At one time five were down for only 28 runs. The Major claimed seven of the wickets for 48 runs (16 of these being conceded in one over). In three games for Corsham he has taken 21 wickets for 110 runs. A feature of Corsham's innings was a splendid third wicket partnership by F. Gingell and A. J. Fido, who added 104 runs, Gingell scoring 86 and Fido 67.

A. G. Hurn, captain of Melksham C.C., met with an unfortunate accident in his club's match against Bath 2nd on Monday. He was attempting to take a catch when he slipped and dislocated his shoulder. Bath took first knock, but so well did C. Richards bowl that six wickets fell for 27 runs. There was an improvement later, but the innings closed for 80, Richards coming out with eight for 42. Melksham's chances of victory looked bright, but the wicket was trickier than it looked, and before they realised it Melksham were in a worse position than their opponents. The last wicket fell with the score two behind that of Bath. The teams entered on a second innings, and this time Bath declared at 99 for 8 wickets. Melksham went into the fray with the will to win, hitting very freely, and they won with time to spare.

This Saturday there will be another attractive match at the County Ground, Trowbridge, when South Wilts provide the opposition. South Wilts always bring a strong side for this fixture, and Trowbridge will also be well represented, though there are still several absentees. The selected teams are:—1st XI. (2.15)—W. Hooper (captain), P. Barber, N. Connor, W. Keates, A. A. Batley, D. M. Connor, P. E. Rodway, C. Roles, D. R. Lloyd, C. N. W. Blair, G. F. Snailum. 2nd XI. v. Lodway 2nd (away)—S. E. Hewett (capt.), P. G. Warren, W. H. Payne, J. Burns, F. J. Howes, R. L. Sturge, W. J. Udy, D. Mills, E. B. Saxty, A. Hamm, G. Husey. Motor-coach leaves the Town Bridge at 12.45.

Wiltshire C.C. are doing very well in the Minor Counties Championship despite interruptions by rain. So far they are unbeaten, having defeated Surrey 2nd at the Oval, and taking points for first innings lead against Kent 2nd (at Canterbury), Dorset (at Sherborne) and Surrey 2nd (at Bemerton). The remaining matches are against Berkshire and Kent 2nd at Swindon, and Berkshire at Reading.

WEST WILTS KNOCK-OUT CUP—FINAL.

BEARFIELD v. WINGFIELD.

A late start, a short spell of play, then a long wait owing to rain, and a much smaller attendance than usual, were factors in this game at the Trowbridge Boys' High School on Saturday which took away much of the glamour usually experienced at finals of this competition.

Winning the toss Wingfield put Bearfield in to bat, which proved to be of great advantage to Bearfield, the wicket, as was only to be expected, cutting up rather badly, and Wingfield having to bat in failing light, the game finishing just before 9 p.m. The batsmen on both sides showed much restraint, only half-a-dozen boundary strokes being made in Bearfield's total of 134, while Wingfield's aggregate of 65 contained three boundaries. Assisted largely by W. Heytesbury's score of 87 was replied to with 48 runs by the visiting batsmen, of whom R. Deacon and K. Grearson (12 each) were top scorers. G. Pinchin (4 for 29), R. Deacon (3 for 23) and J. Besley (3 for 31) shared bowling honours for Westbury.

WILTS COUNTY MENTAL HOSPITAL v. SWINDON CENTRAL MISSION.

Played at the County Mental Hospital on Saturday. Batting first, the visitors scored 140 runs, chiefly due to F. Gray and R. Wells, who scored 39 and 48 respectively. The Hospital found run-getting very difficult, and were dismissed for 59 runs. E. Butler took five Hospital wickets for 16 runs and A. Minto three for 32. Scores:—

CHIPPENHAM v. CLIFFORD BAX'S XI.

Chippenhams were beaten by Clifford Bax's team on Friday, but not as heavily as at one time appeared probable. Chippenhams batted first and began to lose wickets rapidly, so that R. Henson, who was sixth out, left when the total was 32. B. W. Henson, who went in No. 4, was not so easily dislodged, but he did not find a safe partner until Northover (No. 8) joined him. The two then batted well, Northover getting his but well over the ball in convincing style. So much did this pair pull the game round that when Northover (whose score had outstripped Henson's) was seventh out, the total was 118—the partnership had thus added 86. Henson left at 130. A big score by A. Platts, and a useful contribution by Henderson, enabled the visitors to pass the Chippenhams total; they went on until they had 173 for nine wickets. Scores:—

SPYE PARK 1st XI. v. DEVIZES 2nd XI.

At Spye Park a very pleasant game ended with Spye Park the winners. Players always look forward to these games between Devizes and "Spey" as the former are a very sporting side. A good game generally results, and very often there is not much between the two. The Devizes team won the toss and batted first, but the Spye bowlers held the upper hand, and the visitors were all out for 40 runs. Spye Park, thanks to a good stand between A. Hunt and R. Goddard, made 107. These two batted well, as also did R. Bryant, and the Devizes total was passed with only one wicket down. Late in the Devizes bowlers held the upper hand. Scores:—

CRICKET AT NESTON PARK.

Boys Under 13—South Wilts v. North Wilts.

The annual boys' (under 13) cricket match took place at Neston Park, Corsham, on Monday before a large and distinguished gathering. North Wilts batted first, and at lunch had made 93 for four, thanks mainly to a fine innings by Mitchell, who had then contributed a sound 61 not out. Wickets fell more quickly in the afternoon, however, and the whole side was out for 134, Mitchell going on to make 65, including ten 4's. Codrington also batted well for 27. South Wilts could not do much against the bowling of Bampfylde (four for 26); they were dismissed for 73, D. Awdry being top scorer with 18. In their second venture, North Wilts were able to declare at 63 for eight (Bampfylde 32), leaving their opponents to get 115 to win. When stumps were drawn at 6.30 the South Wilts score stood at 39 for 4, and thus a most interesting match ended in a draw. Scores:—

SATURDAY

SOUTH WILTS v. BOURNEMOUTH AMATEURS

The match between South Wilts and Bournemouth Amateurs at Bemerton, on Saturday, was drawn. South Wilts batted first and scored 184, and Bournemouth Amateurs were 89 for 8 wickets when stumps were drawn.

Captain Lockhart and Hollick opened the innings for South Wilts, but after seven runs had been scored Hollick was dismissed 1 b w to Leake. Then Combes joined Lockhart, and the score rose to 58 before the former was out. Nineteen runs later Lockhart was clean bowled by Tuttle for 53, and in his score he had hit two 6's and four 4's. Another stand was made by Salmon and Blake, and it reached 48 runs. The innings closed at 184, Tuttle having taken 5 wickets for 48 runs.

Bournemouth opened disastrously, losing their first wicket for no runs. Seven runs later the second wicket fell. None of the batsmen seemed to settle down to Salmon's bowling. Bournemouth managed to play out time, and stumps were drawn when they were 89 for 8. Salmon took 6 for 81. Scores:—

SPORTS NOTES

CRICKET

In a friendly match at Harnham on Saturday, Salisbury Electric Light Co. drew with Salisbury Gas Co. The Electric Light Co. batted first. A. Jones scoring 46 and A. Horlock 20 towards the team's total of 108. Gregory took 6 for 31. The Gas Co. lost three wickets for 19 runs, but S. Mead with 47 and D. Dunford 22, took the score to 70 when Dumford was bowled. When stumps were drawn the Gas Co. wanted 18 runs to win with four wickets in hand.

Dinton defeated Bemerton by eleven runs at Bemerton on Saturday. Bemerton scored 30, and none of the batsmen reached double figures. Wright bowled well and he took 8 wickets for 19 runs, and this included a hat-trick.

Bowerchalke scored an easy victory over Radnor Hall at Bowerchalke on Saturday. Radnor Hall scored 88 runs, of which Grant made 38 not out. Tate took 4 wickets for 20 runs. Parker was not out 86 and Webb made 24 for Bowerchalke, who closed with a total of 130. Hawtin took 3 for 25.

In League cricket on Saturday, Amesbury scored a decisive victory over Whiteparish. This was their first win of the season. A. Rolfe (42) and A. Hahner (42) were the chief contributors to Amesbury's total of 137. Both batted brilliantly, and together made a stand of 50.

Most of the Whiteparish batsmen were troubled by the bowling of Banks and Kilford, and they were all dismissed in twenty overs for 61 runs.

St. Mark's did not do well against Harnham on Saturday, and their first innings was a poor affair. Against the Harnham batsmen the St. Mark's attack made little effect, and in the second innings nine bowlers were used.

In a further round of the South-Western District Surveyor's Cricket Shield Competition, Salisbury P.O. entertained Winchester P.O., at Britford-lane, on Thursday, the 6th inst. The match ended in a victory for Salisbury by 12 runs. It was a bowlers' game, and Salisbury, batting first, made 82. Fighting hard, A. Horne took 7 Winchester wickets for 1 run, a record bowling feat in Salisbury P.O. cricket. A bigger effort than ever is being made this year to bring the shield to Salisbury.

SALISBURY CRICKET LEAGUE

KNOCK-OUT CUP FINAL

WINTERSLOW BEAT CHOLDERTON

The meeting of Cholderton and Winterslow in the final of the Knock-out Cup Competition of the Salisbury and District Cricket League attracted a large crowd to Chafyn Grove School ground, Salisbury, on Saturday. The weather was perfect, and Winterslow defeated Cholderton, to retain the cup.

Winning the toss, Winterslow took first knock, and sent in E. Sheppard and W. Russell; W. Miles, a fast bowler, and E. Phillips, a medium left-hander, sharing the attack. Both batsmen began cautiously, the former scoring three runs off Miles' first over, and Russell snicking Phillips for a single. With only nine runs on the board, Sheppard was dismissed by Phillips, who held a sharp return off his own bowling, and five runs later he got Russell caught by Bundy.

Ben Pearce and Hazzard made a stand for about ten minutes, but with the score at 17 Hazzard was out to a splendid catch by Waite right on the boundary line. The next two wickets, those of Jack Thorne and B. Pearce, fell cheaply, and five men were out for 31. The dismissal of Pearce, who was run out, was the result of an extremely smart return to the wickets by W. Miles. He had batted twenty minutes for his double figure score.

The turning point of the innings came when Winterslow's captain—L. Rogers—joined R. Dear. From the outset Rogers "got going," and the first ball from Jackman he drove to the boundary. He then hit Phillips for a six, and in Jackman's next over he got another six and a boundary. Dear, in addition to keeping his end up, made several nice shots. With the total at 68, Rogers' innings was ended by a very clever one-handed catch by M. Jenkinson, who fell down in the effort, but managed to hold the ball. Rogers was batting 22 minutes for his 36 runs, and his courageous batting had put his side in a winning position. The partnership put on 37 runs.

Dear continued to bat very steadily, and with W. Thorne the score was taken to 87, when Dear was clean bowled by Phillips for 15 runs. He had been at the wickets 43 minutes. In the same over Phillips bowled H. Pearce for the only "duck" of the innings. The next batsman scored but one run, but Thorne continued to keep up his end and carried his bat. Winterslow's total was 98, which had taken them 1 hour and 26 minutes to get.

Five bowlers were put on, but E. Phillips was the most successful. He bowled 9 overs, 2 being maidens, and he took 5 for 23 runs. Jenkinson had 5.5 overs, and claimed 2 for 14 runs. The fielding of Cholderton was exceptionally good, nothing being given away.

CHOLDERTON'S POOR START

Harry Phillips and Jackman opened Cholderton's innings, and Hazzard and H. Pearce shared the attack. Disaster soon set in, as with only six runs scored Phillips lost his wicket. He hit a ball from Hazzard only a few yards and ran a single, and then called his partner for another impossible run and paid the penalty. His brother, E. Phillips, came in to partner Jackman, and he began by hitting a boundary off Hazzard, while Jackman also secured a boundary. It looked as if a big score was on the way, but an extra good ball shattered his stumps, and two good wickets were gone for only 15 runs in as many minutes.

M. Jenkinson joined Jackman, and the score rose to 24, when Hazzard clean bowled Jackman. He was top scorer for his side with 14, which included three boundaries. Jenkinson scored a boundary off Hazzard, but this was the extent of his run-getting. Reg Miles, who has been scoring heavily of late, disappointed his supporters, scoring only a single, and Hazzard added to the Cholderton supporters' discomfort by clean bowling Whitter for a "duck." Six wickets were gone for only 26 runs.

Waite and Plank stayed the rot for a time, and there appeared a likelihood of a good stand, as both were steady, but when the

total had reached 38 Waite was caught in the slips. The next two wickets fell with only an addition of 10 runs. Plank continued to bat confidently, and when Wilfred Jenkinson, Cholderton's last batsman, came in they made a good stand. Plank was eventually clean bowled by Hazzard after scoring 12, the second biggest score of the side. He was batting 22 minutes. The innings lasted 1 hour and 29 minutes, and Cholderton's total was only 55.

Hazzard and Hedley Pearce bowled unchanged. The former had 8 overs, and took 6 wickets for an average of 8.33, 5 of his victims being clean bowled. Pearce had 7.4 overs, 2 of which were maidens, and he claimed 3 wickets for 16 runs. Winterslow's fielding was good.

Batting a second time with a lead of 48 runs, Winterslow lost their first 4 wickets for 17 runs. Jack Thorne and Rogers then put on another 17 for the next wicket, when Thorne was well caught after scoring double figures. Reg Miles dismissed Dear with a clever catch, and 6 wickets were down for 32, at this period there appeared some chance for Cholderton. W. Thorne then joined Rogers, and the pair of them scored freely off all bowlers, Rogers, as in the first innings, giving another "fireworks display," and in his 38 were included two 6's and three 4's. Thorne rattled up 26, and in his knock was a six and three boundaries. The partnership put on 53 runs, and completely dashed Cholderton's hopes of victory, the final total being 121.

Seven bowlers were put on, and E. Phillips came out best with 5 for 28 in 8 overs. Bundy had 5 overs and took 3 wickets.

The ground was lent by Mr. H. L. Whythead, and Messrs. A. Mitchell and B. Rattue were the umpires. Scores:—

PRESENTATION OF CUPS AND MEDALS

At the conclusion of the game the players and spectators gathered around the pavilion, where the presentations were made by the President of the League (Mr. Grant A. Singer), who was accompanied by Mr. T. Herbert Gray and Miss Gray and the Hon. Secretary of the League (Mr. F. J. Hart). The Chairman of the League (Mr. J. Drake) was unavoidably prevented from being present.

Mr. Singer, in presenting the cup to Mr. L. Rogers, congratulated Winterslow on retaining the trophy. He also handed medals to all who took part in the match. The President said that on this, his first, visit to a cup final he thoroughly enjoyed the match. It gave him great pleasure to be president of the League, and he looked forward in the future to seeing many more such finals.

The Secretary thanked Mr. Whythead for lending them the ground for that game, and also the championship final on Saturday, September 5th. He also thanked the President for presenting the cup and medals, and also Mr. Gray for his ever-ready willingness to do what he could for the League. He also extended thanks to Mr. R. Read, one of their vice-presidents, for giving them the ball used in the match. Mr. Hart finally paid a tribute to the umpires for the splendid way they had conducted a very exciting game, and also congratulated Winterslow on their success in retaining the trophy.

The Secretary was thanked for his services to the League by Mr. Gray.

SOUTH WILTS CRICKET.

INNINGS VICTORY OVER THE SURVEY COMPANY.

South Wilts entertained the Survey Company (Larkhill) at Bemerton on Saturday and won by an innings and 80 runs. The home team batted first and, after losing three wickets for 63 runs, Harris and Smith-Rewse added 84 for the fourth wicket, Harris hitting nine fours and Smith-Rewse five. Pearce and Lockhart also batted well, and the innings was declared closed with 200 for the loss of seven wickets. The visitors collapsed before the bowling of Pearce and Moloney, and were all out for 42. Moloney took six wickets for 29 runs and Pearce three for 11. The side fared little better in the second innings, being dismissed for 78. Beale, Wilson and Knapp offered most resistance, but Blake claimed five wickets at a total cost of 32 runs, and Davis took three for seven in six overs. Scores:—

WILTSHIRE QUERIES WIN AT BEMERTON.

South Wilts entertained Wiltshire Queries at Bemerton last week and were beaten by 133 runs. The visitors batted first and Hurn scored 73 in about an hour, gaining valuable assistance from Ormiston and Wort. Later Hylton Stewart scored a fine 57 not out. C. H. Standford bowled steadily and took three wickets for 27. Saward, Combes and C. S. Hall were the only home players to offer much resistance to the bowling of Llewellyn, who took six wickets for 51. THE LEAGUE.

Saturday's matches settled the champions for the season, and the honour, as last year, again, goes to Winterslow, who, incidentally, won the knock-out cup a few weeks ago. The winners of the batting and the bowling averages cannot be decided till after Saturday, September 12th, as there is still one more match to be played—West Dean v. Cholderton.

The defeat of Cholderton at home by West Dean came somewhat as a surprise, and robbed the homesters of the chance they had of equalling Winterslow's points. However, as runners-up, they will meet Winterslow in the final to-morrow (Saturday), on the Clafyn Grove School ground, at 2.15 p.m., and at the end of the game the cup and medals will be presented by Mrs. Whythead.

The following are a few of the best batting averages. R. Miles (Cholderton), 7 innings, 154 runs, average 25.66; O. Rogers (Winterslow), 6 innings, 110 runs, average 22.00; J. Thorne (Winterslow), 11 innings, 158 runs, average 15.80; H. Phillips (Cholderton), 14 innings, 189 runs, average 14.53; L. W. Rogers (Winterslow), 15 innings, 172 runs, average 14.33; H. Plank (Cholderton), 13 innings, 126 runs, average 14.00.

Fine bowling by G. Hazzard (Winterslow) has greatly strengthened his position. His record reads:—
121.3 overs, 35 maidens, 224 runs, 64 wickets, average 3.50.

E. Phillips' (of Cholderton) record is as follows: 116.3 overs, 25 maidens, 248 runs, 61 wickets, average 4.06. Cholderton have one more game to play, but Phillips needs to do some sensational bowling to overhaul Hazzard's record.

Winterslow brought their programme to an end with an overwhelming victory over Whiteparish, who found great difficulty in raising a side, being minus six or seven of their regular team. They are to be commended on their plucky fight against overwhelming odds.

In addition to the homesters making their highest score of the year, one or two players greatly improved their averages. Ronald Dear ran into top form and carried his bat. He is the first batsman to pass the 200 mark, and his 70 not out is the second highest individual score of the season. His record reads: 15 innings, 2 not outs, most in innings 70, runs 206, average 15.84.

Cholderton met West Dean for the first time on Saturday and a sparkling game took place. The fielding on both sides was exceptionally good, Dean touching their best form this season. Their bowling was also good.

The homesters took first knock and began with the brothers Harry and E. Phillips, but neither was able to take any liberties with the bowling of E. East and Clifford, and it was twenty minutes before the first wicket.

Whitter was active for a time, and looked set for a big score, when, in attempting a drive off East's bowling, he was cleverly caught by Tubb after making 14 runs. The second wicket fell at 37, and the third at 39.

Dear was then put on to bowl, and his express deliveries proved difficult to play and pegged the batsmen down, Harry Phillips being the only player to negotiate them safely. Reg Miles batted well for a time and appeared likely to make a big score when Tubb again brought off a good catch to dismiss him.

Phillips, who had been at the wickets 42 minutes, was the next to leave, through getting his legs in front of a straight one from East. His fine defensive play steadied the side at a critical time.

The remaining batsmen failed to settle down, and the last five wickets fell for 20 runs. A good catch by East dismissed Plank, and another fine effort on the boundary by Parsons got rid of Coster. The hardest catch was that by Snell, who held on to a terrific drive from W. Miles at close range. The total was 71.

Dean began in good style, C. East and J. Parsons both batting confidently, and for the first time this season E. Phillips failed to take a wicket, having 19 runs hit off him in three overs. The first wicket put on nearly 30 runs, East, before being lbw, scored 21, and Parsons 18.

Whitter bowled well and several wickets fell cheaply. Tubb and Snell then got together and set up a sturdy defence, completely sub-

duing the bowlers until Cholderton's score was passed. Snell made 14 and Tubb 3. The score was taken to 79 when the innings closed.

With 90 minutes left for play, Cholderton made 64 for 5 wickets and then declared, leaving Dean to get 57 for victory. Dean lost a couple wickets cheaply, but Snell and Tubb defied the bowlers until Tubb got caught. An appeal against the light was made and granted, and so the game finished with Dean winning on the first innings of a grand game played in a real sporting spirit by both sides.

Will secretaries of clubs that have finished their programmes please send in their final batting and bowling averages, also the number of overs and maidens, to the league secretary at once!

ABOUT THE FRIENDLIES.

While footballers were labouring under appalling football conditions, cricketers forgot the approach of the Winter season and several keen games were played in Salisbury and the district. Pitton, at home to Winterslow, lost by 15 runs. The visitors batted first, and good batting by Gowers, Horner and Hardy enabled them to total 65, in spite of steady bowling by Collins, who took half the wickets. Pitton found the bowling of Waters too much for them, and they were dismissed for 50 runs, Hill being the only player to reach double figures. Waters took six wickets at a small cost.

Bemerton narrowly escaped defeat against the Old Manor at Bemerton Lodge. The Old Manor batted first and declared with 152 for five wickets, Shurmur scoring 48 and Hall 39 not out. Engleheart took three wickets for 29 runs. Oliver, with 51, was the only Bemerton player to master the bowling of Gray, who took six wickets for 22 runs, and when stumps were drawn the visitors required 41 runs to win, with only one wicket to fall.

Dinton, at home to Harnham, won by 14 runs. A stand between Horrell and Bratcher was mainly responsible for the home total which reached 93, Horrell scoring 24 and Bratcher 17. Harnham tried eight bowlers, A. Bennett being the most successful by taking three wickets in five overs for five runs. Cooke, Bacon and Elliott all batted well for Harnham and H. Cooke and Dunfield were associated in a last wicket partnership. The remainder of the side failed before the bowling of Mason and Wright and the last wicket fell with the score at 79. Mason took four for 33 and Wright claimed three for 28.

Bowlers were on top in the match between Radnor Hall and Farley at Farley where the visitors won by 18 runs.
