

SECOND TIE IN SUCCESSION

Yorkshire Council Coincidence: C. Nuttall Takes 7 for 11

Denaby and Cadeby have played two home matches in the Yorkshire Council and the second, against Scarborough, finished like the first, in a tie—a remarkable sequence. And although such was the result, the spectators and players were not aware of it. They thought that although the match was drawn, Denaby had actually scored one more run, but when the scorers checked their totals, they discovered that both sides had similar scores.

For the loss of 12 wickets nearly 500 runs were scored, Denaby declaring at 243 for four. Their chief scorer was E. Wainwright, who, after being missed when 14, went on to score 97. Three other players also reached or topped the 50.

Champion, the veteran slow bowler, felled a fine Altofts bid for victory in the match between Altofts and Leeds Zingari. Set to get 214 to win in just over two hours, Altofts, finally led by Bednall, who compiled a polished 68, appeared to be rushing to a spectacular success when Champion was brought on. In six overs Champion conceded 43 runs, but he had the satisfaction of claiming five wickets. Zingari, who won by 16 runs, were also greatly indebted to Jackson, a newcomer, who made 119 in two hours.

Glass Houghton gained a striking victory at home against Knaresborough, for after Knaresborough had declared at 188 for seven wickets, Glass Houghton passed this score with the loss of only one batsman. Almond, with 57, was top scorer for Knaresborough, but the batting honours were carried off by T. Didlock, who hit up a brilliant unfinished 107 for the winners. His strokes included five sixes and ten fours.

Seven Wickets for 11 Runs

South Kirkby Colliery's victory by 10 wickets over Featherstone was mainly attributable to the deadly bowling of C. Nuttall, who took seven wickets for eleven runs in thirteen overs, seven of which were maidens. Nuttall, was ably supported by S. Johnson, who took the last two wickets for four runs in two overs and four balls. Only one batsman on the Featherstone side (P. Moxon 18 not out) reached double figures, and the innings was over in an hour. Fifteen minutes sufficed for H. Walsh and J. Smart to pass the Featherstone total.

A bright batting display by H. Perkins was largely responsible for Thornhill being able to declare against Elsecar with a total of 232 for eight wickets. The Elsecar batsmen were unable to make much headway, only Lax (not out 45) showing confidence, but Thornhill were deprived of what appeared to be a certain victory by the time limit.

An astonishing collapse by Firbeck Main was seen at South Elmsall, where Frickley Colliery won by 80 runs. Three Frickley men, A. Ward (48) and T. Smith (44), who had an opening partnership of 71, and L. S. Dyson (43) batted well, while C. Burkinshaw was at the wicket only ten minutes for his 31, hitting two 6's, and two 4's in one over. Firbeck's opening pair J. Hutchinson (36) and H. Sherwin (30) put on 65, but the next four men added only nine runs, and the last three the same number, the team being out for 133. Frickley's slow bowler, A. Ward, did the damage by taking five for 30.

Rossington Main struck winning form with a comfortable home victory against Hemsworth. The Main side lost three wickets for 27, but Griffiths pulled matters round, and his 56 included six boundaries. Kelley, who was ninth in, provided a lively interlude, making 33 in a quarter of an hour, including a six and four boundaries. Webster had a splendid spell of bowling for Rossington and took six wickets for 31.

Wadsworth, the ex-Doncaster Rovers and Scunthorpe footballer, was in good form with the bat for Rawmarsh when they defeated Brodsworth by 92 runs. He made 54, the highest score of his side, in a total of 201. Earnshaw's six wickets for 29 was a big help in Brodsworth's defeat.

SLOW SCORING IN SYKES CUP

Three Ties Continued To-night

ELLAND'S BIG WIN

Sixteen Huddersfield League clubs took part in the preliminary round of the Sykes Cup competition. Of the eight games, only five were brought to a conclusion, and the unfinished matches will be continued this evening. Elland, Shepley, Thongsbridge, Slaithwaite and Kirkheaton are the clubs who so far have made certain of their passage into the first round on June 13. Elland gained a smashing win at Primrose Hill, Shepley lost only one wicket in passing Almondbury's modest total of 61, Thongsbridge smartly trounced Broad Oak whom they dismissed for 95, Slaithwaite beat Meltham by four wickets, and Kirkheaton had a nine wicket victory over their neighbours. The games to be continued to-night are:-

Golcar v. Huddersfield, Lockwood v. Marsden, Rastrick v. Paddock.

Slow scoring was a feature of the Slaithwaite v. Meltham game. Replying to Slaithwaite's 186 for six wickets, Meltham made only 28 in the first hour. J. Hirst, one of their opening pair, batted an hour for four runs, and A. Carratt was 35 minutes before making his opening single. Meltham took three hours for their 136.

Apart from the Cup games, there were four League fixtures, two in each section. In Section "A" Linthwaite visited Lascelles Hall to gain by a margin of over 100 runs their first victory of the season, and to inflict the season's first defeat on their hosts. Bad light put an end to the other game between Holmfirth and Bradley Mills. In Section "B" Armitage Bridge, the "wooden spoonists," won their first game, gaining a wicket victory over Dalton. The other match in this division, between Meltham Mills and Honley, was drawn.

The highest individual score was made by A. Carter (Elland), who reached 89 not out against Primrose Hill. G. Kaye (Thongsbridge) was undefeated for 86 against Broad Oak, and B. Brooke (Holmfirth) carried out his bat for 81 against Bradley Mills. Bowling feats were rare. The best was that of J. Stead (Linthwaite), who took 7 Lascelles Hall wickets for 33.

# FEAST OF RUNS IN HEPWORTH CUP

## Gildersome Total Sets Up a New Record

### "FIREWORKS" AT METHLEY

The first round ties for the Hepworth Challenge Cup, produced plenty of thrilling cricket in spite of the cold wind and threatening skies, and the enthusiastic few who turned up to watch the games were pleasantly excited.

At Methley, the visiting North Leeds bowlers were soon successful, the first four home batsmen making only 30 runs; but the Rev. J. H. L. Phillips, a prominent Rugby Union footballer, indulged in some big hitting to rally Methley's score. In quick time, he scored 13 boundaries in an innings of 73, and then came the "big moment" of the match when N. Grayson, number nine in the batting order, took the crease. He belaboured the North Leeds bowling to such purpose that Phillips's merry innings lost much of its glamour. Grayson pulled and drove delightfully, and in 70 minutes reached his 100, which included 76 runs from boundaries. Methley in the end totalled 281. North Leeds were confident that their batting was strong enough to make a fight of it; but Grayson (3 for 4) and R. Elliott (5 for 13) bowled superbly, and North Leeds were out for only 66 runs.

A. Cooper (87) and H. Hunt (40) batted in confident mood for Leeds Police at Hensley, and put on 97 runs for the first wicket; but T. A. Booth, the veteran Leeds all-rounder, caused a collapse, and the Police were all out for 164, Booth claiming seven for 27. Leeds won by three wickets.

L. Carter, of Middleton Park, dismissed half the Lofthouse side for 18 runs, but A. Pope, hit out for a brisk 30 runs, and the Lofthouse innings reached 93. Middleton Park had five wickets in hand when they passed this total. Calverley had an even bigger win when they received East Ardsley, who made 163. A. Dibb then scored a polished 50 and Calverley won by seven wickets.

Good all-round bowling enabled Shadwell to beat Rothwell by a three wickets margin, R. F. Charge (3 for 16), G. W. Horner (3 for 9), and W. Bates (3 for 23) dismissing the home side for 80.

Two bowlers each had five victims in the Kirkstall Educational-Woodhouse match at Meanwood, but neither of the Skirrows, who have done wonderful things for Kirkstall this season, "came off." Kirkstall totalled 146, F. Thompson taking five wickets for 38 runs, and then J. Barron had a spell to help in the dismissal of Woodhouse for 123, claiming five for 45.

A new record was set up for the Hepworth Cup by Gildersome, who put together 319 at Castleford, this exceeding by one run the previous record held by East Leeds. Gildersome batted four and a half hours, Newell and Coupe being associated in a stand which realised 184 runs for the second wicket. Newell missed his century by one and Coupe was seven short. In such a large total C. Tyson's bowling analysis of six wickets for 70 must be counted a meritorious performance. Castleford had replied with 10 for the loss of one wicket when the game was adjourned until to-night at 6.30.

## EXCITING FINISH IN CENTRAL LEAGUE

### "Last Over" Rule Not Known

In the Leeds Central League, E. G. Crofts, of Hunslet, maintained his recent outstanding form by taking eight wickets at East Leeds, where the home side were dismissed for 77. Crofts' eight wickets cost 28 runs. Hunslet won by seven wickets, J. Bottomley making 40.

A century second-wicket stand by H. Jagger and F. Spence enabled Holbeck to declare at 199 for three at Birstall. Jagger was not out for 87, and Spence was run out for a stylish 69. W. Armitage, for Birstall, replied with 83, and in the closing stages of the match enthusiasm ran high. The wickets continued to fall, and the score to rise towards the Holbeck total, until in the last over only six runs were required for victory.

Spence's second ball of the last over claimed the seventh wicket, and after the players had left the field at the order of the umpires, who said there was not time for another batsman to go to the wickets, the rule was read which states that the "last over shall be completed." So the players took the field again and the over was completed—Birstall making a draw with 194 for seven.

Burmantofts and Hunslet Nelson between them topped the four hundred mark at Low Road, the visitors winning by six wickets, after Nelson had declared at 205 for four. G. Billington (74) and D. Langley (73 not out) made 116 runs for the fourth wicket for Nelson in just short of two hours; but after an indifferent start, R. B. Moss, E. Munro and M. A. Crowther improved

Burmantofts' score with some grand hitting, for their side to bring off a meritorious win.

## NORTH YORKS. AND S. DURHAM LEAGUE

### Champions Still Without a Win

Still without a win, Norton, last season's champions of the North Yorkshire and South Durham League, met with their fourth defeat at Blackhall, where the home team won with nine wickets to spare.

The only Norton batsman to face the bowling with any degree of confidence was P. V. Hall, a left hander, who contributed 30 to his side's total of 67. Bowling unchanged throughout the innings, Jack Carr, the Blackhall professional, shared the bowling honours with N. Herron, another left hander, who had the slightly better analysis of five for 31. Carr took five wickets for 33. Herron also had the distinction of winning the match with a beautiful six hit off the first ball of G. Carter's first over.

Synthonia at Billingham put Middlesbrough in on winning the toss and brought about the Borough's first defeat of the season. P. H. Hull and the chemical workers' professional, Morgan, played a large part in the five wickets victory, each taking four wickets for 21 and 27 runs respectively. Thornaby secured a seven wickets win over Darlington R.A. All of their six bowlers got wickets, Harold Pearce coming out best with three for 26, and the railwaymen's total of 89 was speedily passed.

Fortunes fluctuated to a marked extent in the game between Bishop Auckland and Redcar, which Redcar won with five wickets to spare after C. Groves (44 not out) and W. K. Pickering (45 not out) had rescued them from a seemingly hopeless position. Bishop Auckland scored 112 after losing their first five wickets for 37. Morfee, the Redcar professional, was in great bowling form and in spite of a stand between Nichol and Garmonsway, his final figures ran out at eight wickets for 45 runs. The Auckland bowlers, White and Nichol, started in style, and Redcar lost their first five wickets for 24. Defeat seemed certain when Groves and Pickering played themselves carefully in and afterwards hit the bowling all over the field.

The match between Darlington and Guisborough at Feethams was spoiled by the rain. Guisborough were out for 166, the feature of the innings being contributed by F. W. Bawdon, who reached 50 in exactly an hour. Darlington had made 33 for three wickets when play was abandoned.

## FOURTH DEFEAT OF CASTLEFORD

### Two Games Finish Close on Time

## IN YORKSHIRE LEAGUE

Gaining an easy win over Halifax, Rotherham maintained their hundred per cent. record in the Yorkshire League, the only club to keep this distinction, for King Cross who have played a match more could only draw with Sheffield United.

Leeds had an easy game at Doncaster and won by eight wickets. Doncaster had three men out for 9, Hague taking the wickets for four runs. The best Doncaster batting was by A. Luke (21) and W. Smith (21), but Doncaster were all out for 92. S. O. Walmesley took three for 16, P. Brayshaw three for 31 and W. Hague four for 35. Leeds lost C. N. Corry with only two on the board; but R. Parkinson and T. Booth took the score to 67 before Booth was caught for 41. Walmesley hit a quick 22 not out, and Parkinson was also undefeated with 28 when the runs were hit off.

Castleford suffered their fourth successive defeat at Barnsley. A. Whitehead had a six and ten fours in a brilliant innings of 64, and E. Howarth batted soundly for 84 for the home team. Despite Barnsley's big score, W. Webb (Castleford) had the fine figures of six wickets for 43. Reg Allen gave an attractive display for Castleford in collecting 63, but Barnsley won a few minutes before time. E. P. Robinson, the County colt, took three wickets for 34.

Whitwood Colliery won their first match in the League at the expense of Wakefield; but there was only time for one more over when the winning runs were obtained. Whitwood were short of four of their regular players, but Crozier and Henson bowled so steadily that Wakefield could not force the pace, and when it came to time to declare, their total stood at 171 for 9 wickets. Whitwood made a poor start, losing three wickets for 23; but Tordoff and Brooks put on 74, Brooks contributing 42, and later Mason assisted Tordoff to add a further 47 runs. Mason was unbeaten with 27 when Whitwood won with two wickets in hand.

York accomplished a fine performance in beating Hull at Anlaby Road by three wickets. There was a batting collapse in the second half of the Hull innings, due to excellent bowling by L. Hutson (5 for 33) and H. Harrison (3 for 26). Rain twice interrupted play during York's innings, and against bowlers handicapped by a wet ball the York batsmen hit with splendid resolution. H. Wheatley played a spirited innings for 38, and H. Harrison made an invaluable 27 at a critical point.

## SURPRISE DEFEAT OF UNDERCLIFFE

### Lean Day for Bradford League Leaders

#### THE FIRST CENTURY

Two of the four leading teams in the Bradford Cricket League, Undercliffe and East Bierley, were defeated. The other two, Bradford and Windhill, who are now joint leaders, secured draws.

The first century of the season was made by J. Swift, of Windhill, in the match with Bradford, at Park Avenue. Swift scored 125. Windhill, batting first, declared at 211 for 5. Bradford made a gallant attempt to pass the score, but they were beaten by the clock. J. R. S. Raper scored 97, including one six and nine fours, and Bradford had reached 193 for 9 at the close.

Keighley beat East Bierley by 23 runs. H. Keeling contributed 67 towards Keighley's total of 158, and East Bierley were out for 135. H. Jefferson taking 6 for 18. Undercliffe suffered a surprise defeat. Batting first, they were out for 110, and Eccleshill passed the score with five wickets in hand. T. A. Jacques took five for 41 for Undercliffe.

The best bowling performance of the day was in the match between Saltaire and Bankfoot. Saltaire made 147 and, greatly assisted by T. Mawson, who took seven for 22, they dismissed Bankfoot for 69.

There was an exciting finish to the match between Spen Victoria and Brighouse which ended in a tie. Spen Victoria were out for 194, and Brighouse, with three wickets in hand, had scored 194, when the time limit was reached. For Spen Victoria J. Pomfret scored 63.

**HARROGATE'S BEST FOR 7 YEARS**

**Brothers Share Addingham Wickets**

**YORKSHIRE COUNCIL**

Two brothers, A. and J. Laycock, took all the Addingham wickets in a Yorkshire Council match at Harrogate yesterday, when the home team won by six wickets.

Arthur Laycock made the ball turn very sharply, and his seven wickets cost 10 runs. His brother took the rest for 11 runs, and Addingham were all out for 23.

Harrogate, after losing four wickets for eight runs knocked off the runs in 25 minutes to score their quickest victory for seven years.

**132 Balls—16 Runs**

Slow scoring in matches between Lancashire and Yorkshire paled into insignificance compared with the kind of cricket Featherstone served up in their local "derby" with Pontefract.

In 22 overs, only 16 runs were scored, and this total would probably have been smaller but for the fact that Burgoyne, who had bowled four overs for one run, had to come off lame. He resumed later.

Featherstone finished with 116 for 6, and rain stopped further play.

**A "5 for 2" Spell**

Brodsworth Main appeared well on the way to victory over Hemsworth yesterday when rain caused the game to be abandoned.

The Hemsworth innings collapsed when McPherson a right-arm medium bowler, took a second turn with the ball for Brodsworth. In 19 balls he took 5 wickets for 2 runs. His analysis for the innings was 5 for 15. S. Butler took 4 for 26.

Hemsworth made 97, and Brodsworth had replied with 14 for none when rain stopped play.

**AIREDALE AND WHARFEDALE LEAGUE**

Showery weather interfered with holiday cricket in the Airedale and Wharfedale League yesterday. Green Lane in their return match with Guiseley had to be content with a draw after establishing themselves in a winning position. They scored 156 and Guiseley had responded with 74 for 6 when stumps were drawn.

Rain was also a spoil-sport in a game at Horsforth between Horsforth Hall Park and Earby, and the game ended in a draw.

**AIREDALE AND WHARFEDALE CUP FINALS**

At the meeting of the executive committees of the Airedale and Wharfedale Cricket League last night the League Cup final between Yeadon and Ilkley was fixed to be played at Otley on Saturday, July 18. The final of the Wharfedale Evening League Cup competition is to take place next Tuesday and Wednesday evenings at Yeadon. The finalists are Burley and Horsforth Hall Park.

**EAST LEEDS WELL PLACED**

Defeating Hunslet last night by 19 runs, East Leeds strengthened their position at the head of the Leeds Evening League. With two matches to play they lead by as many points, and cannot be passed. Holbeck gained an exciting win by one wicket over Leeds at Elland Road, while Burmantofts suffered their sixth reverse in eight matches at the hands of Kirkstall Educational.

**Yorkshire and Lancashire Draw at Headingley**

Ideal conditions favoured the annual match between Yorkshire and Lancashire Constabulary at Headingley yesterday. Among those present were Colonel F. Brook, D.S.O. (H.M. Inspector of Constabulary), Mr. T. Rawson (Chief Constable of Bradford), Mr. F. Pritchard (Chief Constable of Dewsbury), Mr. F. Swaby (Assistant Chief Constable of Leeds), Mr. H. H. Herman (Chief Constable of York), Mr. A. K. Mayall (Chief Constable of Oldham), Mr. Looms (Chief Constable of Blackburn), and Alderman Jonas Pearson (Lord Mayor of Bradford).  
 Mr. Frank Swaby presided at the luncheon in the absence of the President, Major F. S. James (Chief Constable of Sheffield). Colonel Brook welcomed the Lancashire visitors and Mr. Mayall suitably responded. The Chief Constable of Leeds (Mr. R. I. Matthews), was unavoidably absent. Superintendent Beasley was responsible for the excellent arrangements.

The match ended in a draw, Lancashire being in a strong position at the end, having declared their innings closed at 170 for 9, and securing 8 Yorkshire wickets for 108 when stumps were drawn. Details:—

L. N. Constantine, the Lancashire League professional, gave one of his brief but breezy displays when he played against East Bierley at East Bierley yesterday. The match was for the benefit of Edwin St. Hill, East Bierley's coloured professional.

East Bierley scored 182 for the loss of six wickets. Dawson made the highest score—a well-hit 52 not out. The visiting eleven replied with 134 for four when rain caused the match's abandonment.

Constantine delighted the crowd by hitting six 4's off six balls. He was caught in the longfield when attempting a seventh 4.

**Whitkirk Fail to Break Hepworth Cup Record**

Only three overs were possible last night in the Hepworth Cup semi-final between Calverley and Whitkirk. The Whitkirk innings, however, which stood at 409 for 6 was quickly brought to a conclusion, the last four wickets falling for the addition of only five runs. Brown, taking three of these for two runs.

Whitkirk thus failed to beat the existing record score of 417 made in a Hepworth Cup match by Farnley Ironworks. The game will be continued to-night.

**Knight's "Hat-Trick" For Brighton**

Craven Gentlemen, at Ilkley yesterday, collapsed after being in a good position against Brighton Prestonville, and were beaten by 21 runs.

Brighton Prestonville scored 90, C. B. Atkinson taking five wickets for 39 runs.

Craven Gentlemen started their innings well, and the fourth wicket fell at 74. The remaining wickets fell very quickly against the bowling of G. Knight, who, with his last eight deliveries, took four wickets for one run, and achieved the "hat-trick" with his last three balls. Craven Gentlemen, who batted one short were all out for 78.

LEEDS EVENING LEAGUE

Kirkstall Educational Batsmen in Difficulties

In spite of a plucky fifth-wicket stand between Carlton (24) and Adams (22), Kirkstall Educational fared disastrously in their home match in the Leeds Evening League last night against Leeds and were beaten by 108 runs. They could total only 89, and apart from Carlton and Adams, only one other batsman reached double figures.

A. C. Rhodes, the former Yorkshire colt, had another good match with half the Kirkstall wickets for 34; but the deadliest bowling came from Stones, who, in 6.4 overs, four of which were maidens, took three wickets for three runs.

SPORT AT PUBLIC SCHOOLS

Craven Gentlemen's Matches This Week-end

ST. BEES' GOOD CHANCE

Another Disappointing Season for Stonyhurst

The Craven Gentlemen, who take a greater interest in school cricket than any other Northern club, pay their annual visit to St. Bees and Stonyhurst this week-end. St. Bees will be met in a two-day fixture starting this afternoon, and Stonyhurst will be played on Sunday.

This, incidentally, will be Stonyhurst's last important match of the season, which has again proved a disappointing one. Only two games were won in 1935, and since then they have lost their best batsman, R. St. Lawrence, and their best bowler, E. I. Coupland. This year Stonyhurst have again won only two matches, and they are hardly likely to improve their record against the Craven Gentlemen, who dismissed them for 55 runs on their last visit.

The Cumberland School, on the other hand, have enjoyed perhaps their best season for many years. The only side to defeat them have been the Cheahrs Wayfarers, and with a varied attack and batsmen of the calibre of their captain, T. J. Cowen, and D. N. F. Kempston, who made a brilliant 89 at Giggleswick a month ago, they have every chance of repeating last year's victory over the Craven Gentlemen.

Denstore, another successful eleven, conclude their season with a game against the Masters to-morrow, though the Wrekin match may be re-arranged for the last week of term, and other Northern fixtures include Worksop's game against Catterick Garrison, and Ashville's visit at Pocklington.

On Sunday, in addition to the game at Stonyhurst, there is the annual match between the Free Foresters and Ampleforth. The Foresters will be led by the Yorkshire Second eleven captain, Colonel R. C. Chichester-Constable, who was himself a member of the Stonyhurst XI before the War.

ST. BEES entertained Vickers Sports Club, Barrow, and a draw resulted. The early part of the School's innings was marked by a good partnership between Hardy (26) and Rickerby (20). A collapse followed, Kempston falling for the first time this season, and six wickets fell for 70. Akam made a valuable 21 including three fours, and Browne, who had batted steadily, put on 31 for the ninth wicket with Smith. Browne's excellent 34 not out enabled Cowen to declare at 145 for 9 wickets. Postlethwaite bowled well to take 4 for 31. Vickers started well, Nutton and Craske putting on 40 for the second wicket. Nutton batted particularly well for his 37. After his dismissal Vickers lost wickets quickly in going for runs and had lost eight wickets for 103 at the close of play. Halstead bowled very well for the School, and deserved his five wickets for 38. Cowen took the other three for 34.

WORKSOP lost to Notts Club and Ground by 100 runs. Unfortunately, owing to examinations the School were without P. E. Warburton, and it was the lack of an extra bowler to force home an advantage gained by excellent work by G. Martyn and P. E. Rhodes after lunch that cost them the match. It was a game of fluctuating fortunes. The School started well, getting both Winrows out quickly, but Jones made a brilliant 50, and at the interval, the visitors were 77 for 3 wickets. Immediately after lunch, G. Martyn and P. E. Rhodes caused a collapse and 7 wickets were down for 96. At this point, the amateur skipper, J. K. Lane, was joined by Johnson. It was obvious that the two bowlers were in need of a rest, and the change bowling looked somewhat innocuous, although W. S. P. Ward was steady. Johnson soon began to hit hard all round the wicket, and the pair added 75 for the eighth wicket, Johnson getting 57 in about 40 minutes. The innings closed for 186. The club with nine professionals in their side carried

rather too many guns in the bowling for the school, and Winrow (R.) proved very difficult to play. W. J. P. Walker (31) batted well, as did D. Coleman and P. A. Kingston, but the side were all out for 88, Winrow having 7 for 47 runs.

# STRIKING FEATS IN COUNCIL

## ANOTHER CENTURY BY RICHARDSON

### Scarborough Captain's 143 in 95 Minutes

#### MITCHELL MAIN FOILED

Five of the first six clubs in the Yorkshire Council were engaged yesterday, and three of the first four were successful—Rawmarsh, at Swinton; Scarborough, at home to Brodsworth, and South Kirkby against Frickley Colliery.

Mitchell Main and Allerton Bywater could only draw their matches and lost ground in the championship race.

Scarborough's victory was quite the outstanding performance of the day, and was marked by a hurricane innings by Richardson, the club captain.

Richardson is in wonderful form this season. On Saturday he made 113 against Sheffield Collegiate, and yesterday he was unbeaten for 143, made in the amazing time of 95 minutes.

#### 92 By Boundaries

The Brodsworth bowling was flogged to all corners of the field, Richardson's innings including two 6's—one sending the ball out of the ground—and 20 boundaries. For Yorkshire Council matches this season, Richardson shows the remarkable average of 90.8 runs per innings.

Scarborough won by eight wickets yesterday. After dismissing Brodsworth for 187, they knocked off the runs for the loss of only two wickets.

The visitors would have fared badly indeed had it not been for an invaluable 78 by Mountford, which included a 6 and nine 4's.

Rawmarsh had the stronger set of bowlers at Swinton, and won by 46 runs. They batted first, Hukin, who opened the innings with Mellor, being top scorer with 44 out of the total of 130. Swinton offered little challenge, and were dismissed for 84, Wilkinson making 35.

#### South Kirkby's Fight

South Kirkby had to fight hard against Frickley Colliery before they eventually won by three wickets. Frickley were put out for 91, and South Kirkby appeared to have an easy win in sight, but fine bowling by J. Newman made them go all out. Newman captured six of the seven South Kirkby wickets for 52 runs.

Left with only one and threequarter hours in which to score 172 to win, Mitchell Main had got to within four of that total when time was called. This was against their local rivals, Brampton.

Mitchell Main would probably have maintained their winning sequence had their innings not been interrupted by showers.

Brampton scored 171, and Mitchell Main replied with 168 for 5. L. Burkinshaw giving a capital display for 72. J. Wroe, a player recently promoted from knock-out cricket, made 36, which included seven 4's and a 6.

#### Walshaw Stands Firm

A big innings by J. H. Walshaw for Glass Houghton foiled Allerton Bywater's bid. Battering first, Allerton Bywater made 212, but their bowlers had not sufficient time at their disposal to dismiss the home side, who, when time was called, had lost only five wickets for 128, Walshaw carrying his bat for 76.

The figures of the first four clubs in the table are as follows:—

	P.	W.	L.	D.	Pos.	Points	Per cent.
Heckmondwike	14	12	1	1	56	49	87.50
Rawmarsh	13	12	1	1	60	49	81.66
Scarborough	14	10	1	2	56	44	78.57
South Kirkby	13	9	1	3	52	39	75.00

\* Includes one tie.

A good bowling performance was registered by W. R. Maddocks, of Sheffield Collegians. Playing against Bentley on the latter's ground, he took eight wickets for 54 runs.

Bentley were dismissed for 178, and the Collegians won by four wickets. E. G. Goldie scored 89 of their runs. L. Bunting was top scorer for Bentley with 67.

Hickleton, at home to Wath, gained a runaway victory by 143 runs. Batting first, the home men hit up 206 and then declared with only six wickets down, Rutledge making 70 and Yardley 34.

#### Rain-Ruined "Derby"

Wath could do little against the bowling of Feirn (five for 32) and C. Probert (four for 11), and were all out for 63, only two men reaching double figures.

After the local "Derby" at Featherstone, with Ackworth as visitors, had been twice interfered with by rain, a terrific local storm (Pontefract, two miles away, was not affected) put an end to further play.

Bramley, who has shown very consistent form this season, played a fine innings for 40, and G. Johnson, the Hunslet Rugby League half-back, who is having a great season, was not out 27 when play was stopped at 143 for 5.

## ROTHERHAM AND HULL DRAW

### Yorkshire League Leaders Hard Pressed

There was an exciting finish to the clash at Rotherham yesterday between the two tops clubs in the Yorkshire League—Rotherham and Hull.

The home club won the toss, and took the risk of sending Hull in to bat. When Voase, one of the opening batsmen, was dismissed without scoring, the venture seemed likely to succeed, but a big second wicket stand between Hampshire (38) and Hopper (41) completely changed the course of the game.

Hull were able to declare with 145 on the board for the loss of eight wickets, and, in the end the leaders had to struggle hard to save the game.

When time was called, Rotherham were still 54 behind with only one wicket to fall. Hampshire took four wickets for 48 and Stainrod three for 37.

#### Shepherd's Century

D. A. Shepherd, of Leeds, scored a faultless 101, including 10 4's, in two hours, against Sheffield United at Headingley, out of a total of 209 for 6 declared.

With S. Robinson, the Leeds League player, as his opening partner, runs came quickly and the pair made 85 for the first wicket. L. Windsor, another Leeds League batsman, helped Shepherd in a second wicket stand of 55.

In Sheffield's reply, L. N. Bedford opened his shoulders and hit out lustily, but was beaten by the clock in his race for a century with the visitors' score at 152 for 3. Bedford hit 10 4's and two 6's.

Doncaster Town gained their second successive victory when they entertained Whitwood Colliery.

Doncaster batted their allotted time of two and a half hours, and scored 173 for 8, thanks largely to a fine innings of 83 by G. Hutchinson.

Whitwood were put out for 128, Hutchinson following up his performance with the bat by taking 4 wickets for 43 runs.
