

EVESHAM'S OPENING MATCH

TEWKESBURY WIN COMFORTABLY

Evesham made a rather mediocre start to the season on Saturday when, on their own ground, they lost to Tewkesbury by 37 runs.

Winning the toss, Tewkesbury batted first on an easy wicket and Evesham did well to get them out for 115. Their first wicket produced 26 and although two more men left with the addition of only two to the score, runs were afterwards obtained at a steady rate.

H. Robbins and N. Pulley, two medium right arm bowlers, kept a good length and took five for 35 and four for 15 respectively. A new recruit, R. Ingles, of Broadway, a slow left arm bowler, also maintained his length, but bowled with little luck and came out with the analysis of one for 32. Evesham's fielding showed a welcome improvement on last year and Dunn, a new wicket keeper, shaped well.

Evesham could only muster 78 in reply to the visitors. They were unfortunate to lose E. G. Righton, who was run out through a misunderstanding, with only nine on the board and although S. H. Johns, the other opening bat, played carefully he was third out, having scored but four. F. Dunn and R. Randall, in a short-lived partnership, took the total from 27 to 51 for the fifth wicket but two more men were dismissed at this total. The eighth wicket partnership between H. Robbins and L. T. Phipps produced 22, but the remaining batsmen could muster five only.

For Tewkesbury, D. Martin, who turned the ball considerably, took 5 for 33, J. Gilbert 3 for 17, and W. T. Mustoe 1 for 24.

ALCESTER GAIN EASY WIN

DUMBLETON'S POOR BATTING

Alcester and Ragley visited Dumbleton, on Saturday, and gained an easy victory by 122 runs.

Dumbleton had first use of the wicket, but made a poor show against the bowling of the brothers F. and E. Bunting, and were all dismissed for 46 runs, W. Launchbury scoring half of the total. F. Bunting and E. Bunting bowled unchanged with much success, taking seven for 22 in 5.6 overs, and three for 23 in five overs (one maiden) respectively.

Alcester passed their opponents' total before the fall of the second wicket and when stumps were drawn they had scored 168 for the loss of five wickets. R. Hewlett (43) one of the opening pair, almost equalled Dumbleton's score on his own and five other batsmen reached double figures.

Dumbleton tried seven bowlers, the wickets being shared by J. Slatter (1 for 13), E. Pulley (1 for 14), H. C. Meadows (1 for 38), F. Whatcot (1 for 10), E. Hopkins (1 for 21).

VALE'S SECOND DEFEAT

Bourton Vale suffered their second defeat of the season on Saturday, when they lost to their Winchcombe visitors by two wickets. Batting first, the Vale found run-getting nigh impossible against the fine bowling of T. Headlam, who in 15.3 overs, seven of which were maidens, took seven wickets for 11 runs. The only man to stand up to his bowling was S. Hughes, who was caught out after making 26, the side being out for a total of 72.

Winchcombe, who were well served by H. Greening, A. Marshall and G. E. Arthurs, knocked off the runs for the loss of eight wickets, their total at the fall of the eighth being 91.

A. Marshall (2 for 3) and G. E. Arthurs (1 for 10) also bowled well for Winchcombe. Vale bowlers were T. Garne (1 for 2), F. J. Hitch (2 for 26), L. Hill (2 for 28), R. Hitch (1 for 10) and F. Simmonds (1 for 21).

FIVE WICKETS FOR FIVE RUNS!

Twynning gave an excellent display on Saturday by beating the visiting side, Corse Lawn, by three wickets and 58 runs. Twynning batted first and knocked up 102 for seven, of which S. Healey contributed 51 not out. He was given good support by S. Schofield (13), A. Clements (19), and G. Hone (10). In spite of the considerable total, however, F. Cole (Corse Lawn) managed to take four wickets for only 20 runs, while L. Dudfield, W. Spry and O. Johnson captured one each for 15, 29, and 54 respectively. Corse Lawn had a chance of victory when O. Hartland scored 13, and F. Cole 16. But they failed to keep it up, and gave way under the pressure of S. Healey's excellent bowling. Corse Lawn was eventually dismissed for 44. S. Healey claimed five wickets for one run each, and C. Merrick two wickets for two runs. A. Schofield had two for seven, and A. Sowden one for 11.

MATCHES CANCELLED

The game arranged between Tewkesbury "A" and Evesham "A" was cancelled owing to Tewkesbury's ground being unfit due to Friday's heavy rain. The match between Longdon and Moore Cricket Club was cancelled owing to the latter being unable to raise a team.

CAPTAIN'S TEAM BEATEN

Bushley commenced its season on Saturday with a match between the captain's (E. E. Bisley) eleven and the sub-captain's (C. Walker) team, and after a pleasant and exciting game resulted in the latter team (although a man short) winning by one wicket and five runs. The captain's team went in first, and half the side was out for 33. S. Hunt was in good form, however, and contributed 22 (including a 6 and two 4's). The last man (J. W. Day) scored a valuable 14, and the team was dismissed for 85. C. Fowler was in good form with the ball, and captured the first four wickets for 15 runs; F. Mayo had three for 12; and P. Townsend three for eight. P. Hart and W. Barnes opened the account for the sub-captain's team, and thanks to the latter, 32 was on the board before a separation was effected. Thirty additional runs were on the score before the next wicket fell, and the fielding side looked like being beaten very badly. However, a slump took place and the following six wickets added 28 only. But this was sufficient to gain victory. Barnes contributed 40 not out, including five 4's; and J. F. Fowler scored 17. E. E. Bisley, for the captain's eleven, captured four wickets for 23, and J. W. Day, three for seven.

OVERBURY BEATEN AT HOME

Overbury and Buckland and Laverton opened their season on Saturday when they met at Overbury, the visitors winning by 12 runs. Batting first, Buckland knocked up 73, G. Hacklett hitting a useful 38. Overbury could only muster 61 in reply despite a stand of 22 by W. Powell. For Overbury, A. Perks captured four for nine and E. Stanley four for 32, the Buckland bowlers being R. Bryant (4 for 21), H. Green (4 for 26), and J. Collis (2 for 12).

Scores:—

RIPPLE WIN BY NINE RUNS.

Ripple entertained Worcester Nomads on Saturday, and in a low-scoring match, won by nine runs. It was definitely a bowler's match, as is revealed by the analyses.

Ripple gathered 44 runs, to which J. Duncan contributed 14. Of the other players, only one failed to score, and thus the runs were fairly evenly divided.

For the Nomads, R. Short and R. Griffiths took four wickets each for 17 and 25 respectively.

W. Willshan made a determined effort to give his team victory, and had scored 17 when he was bowled by E. Butler. Apart from this the batting of the visitors was poor, and the account was closed with 36 only on the board.

F. Devereaux was the chief cause of this debacle, as he captured four wickets for only five runs. Butler took four for 15, and F. Page two for 13.

HASFIELD AND TIRLEY LOSE FIRST GAME

Hasfield and Tirley opened their season on Saturday by being defeated at Norton by one wicket and 19 runs.

The visitors, who took first knock, began moderately well, T. Dudfield and D. Barnes scoring 19 between them. The scoring rather sagged after this, and five wickets were down for only 27 runs. L. Bond contributed another ten, and on the remaining batsmen being out, the visitors closed their innings with a total of 44 only.

Norton's victory was in no small measure due to the 23 runs contributed by A. Bradshaw, because no other player with the exception of A. Maycott (12 not out) reached double figures. The issue was put beyond all doubt with three wickets in hand, and the Norton score closed at 63 for nine.

For Norton, F. Wheeler had the splendid analysis of six wickets for 10, L. Gardner capturing the remaining four for 14 runs.

No fewer than seven bowlers were tried by the visitors, of whom G. Dildcote was most successful with four wickets for nine; J. W. Bartlett had three for 12, and W. Steward and T. Dudfield one each for eight and nine respectively.

FORTHAMPTON C.C.

As it was found impossible, owing to lack of players, to carry on Forthampton Cricket Club this season, the fixtures have been cancelled. At a meeting of members on Wednesday evening, an inventory of the spoils cricketing materials was made, with a view to their being disposed of, but it was stated the club was only in abeyance, and it was hoped that it would be re-started in the future. Meanwhile, it was decided that the assets of the club should be invested in the hands of one or more trustees, so that, if revived, it would have a sound financial basis.

ANOTHER VICTORY

Old Bristolians Easily Defeat United Banks

SCHOOLMASTERS, who have become one of the strongest sides in local cricket, recorded another victory on Saturday, when they beat St. George at the County Ground by six wickets.

St. George batting first made a disastrous start, and lost six wickets for 32, but staged a fine recovery. Two of the young batsmen of the side, A. Poole and G. Green, scored 96 runs in a seventh wicket partnership, and the St. George total, due to their efforts, reached 136.

A peculiar feature of the innings was that every player was clean bowled. The bowlers who did the damage were F. Gollidge, who took six for 38 runs, and G. Dewfall, who had the other four for 30 runs.

Schoolmasters hit off the necessary runs for the loss of four wickets, and A. R. Curtis was top scorer with 55.

Clifton were concerned in an interesting finish which was totally unexpected. At Henbury they were set only 122 runs to get to win by Trowbridge, and started in such a confident manner that at one stage of the innings the score was 90 runs for one wicket and an easy victory seemed a certainty. Then D. Ferris, a clever leg-break bowler, began to get to work, and wickets tumbled so that when the eighth wicket fell runs were still needed.

RUNS SECURED

Hastily the 10th man had to change back into his flannels and put on his pads and go unexpectedly out to bat. The runs were secured all right, thanks to some sound batting by P. C. Awdry, and Clifton won by two wickets.

K. C. Kinnersley and J. F. Robinson had given the Clifton Club a good start, each scoring a half-century. Clifton dismissed Trowbridge for 121, J. L. Taylor taking six wickets for 22 runs.

Cardiff brought a strong side to oppose Imperial at Knowle, but they gained little advantage over the home side and the match was drawn. In a big partnership for the fourth wicket, N. K. Contractor and E. M. Pullen scored 146 runs. Cardiff declared at 216 for four wickets. Contractor hit seven fours in his 89, and Pullen had 14 boundaries in his 86 not out.

Imperial made a poor start, losing three wickets for 42 runs, but then N. R. Poole (68) and A. W. Reed (26) effected a recovery, and put on 77 runs for the fourth wicket. At the close Imperial had made 164 for six wickets.

Despite a good innings of 58 by H. J. H. Alpass, the Bohemians could not avert defeat at Bridgwater, where they were beaten by 105 runs. The home side scored heavily, putting up a total of 237 for seven wickets, declared, to which the Bohemians replied with 132.

CONSISTENT BATTING

There was consistency in batting by the Old Bristolians at Tyndall's Park, where they scored 291 for four wickets, declared. The six batsmen who went in all scored

over 20, with the best innings coming from P. Hazard and J. W. Box, who got into the seventies.

To that big score the United Bank made a spirited reply, but they were dismissed for 146, which left the Old Bristolians the winners by 145 runs.

There were many interesting features in the game at Stapleton between the local side and Bedminster, although the match was drawn with honours even. In the first place, Bedminster put together the good total of 215 runs, due mainly to a fine knock of 61 by W. Carr.

J. Howse, the Stapleton wicket-keeper, had the distinction of taking part in the dismissal of half the Bedminster side. He made two catches behind the wickets, and stumped three batsmen. Altogether he had a good match, for when Stapleton went in he scored 66. A similar number was hit by F. J. Weeks, and at the close the home side were 182 for eight wickets.

Knowle secured a creditable win at home on Saturday, when they beat Stinchcombe Stragglers by 88 runs. There was some good bowling by B. Williams, who took six wickets for 53 runs, but despite this, the two Knowle batsmen, W. G. Essex and E. Hathway were in brilliant form, and both recorded half-centuries. This built up the home side's score of 186 for nine wickets declared. Stinchcombe Stragglers were dismissed for 98.

THORNBURY TRIUMPH

Once again W. Harris and R. Mayo were in great form with the ball for Thornbury, and their fast attack put Flax Bourton out for 80 runs. Of that total A. E. Robinson was responsible for 51. Thornbury easily hit off the runs and went on to score 228 for nine wickets, R. Mayo being top scorer with 64, retired.

Westbury-on-Trym scored 166 when at home to Weston-super-Mare, but it was not big enough, and the visiting side won by four wickets. Making his first appearance, Norman Thompson was responsible for a particularly fine innings for Westbury, hitting a six and six fours in 51. It was G. Hunt who had as much to do with Weston winning this game, for he scored 74 out of his side's total of 173 for six.

One of the most convincing wins of the day was secured by Bristol Y.M.C.A. when at Golden Hill, beat the Optimists by seven wickets.

The Optimists put together a total of 135 despite the deadly bowling of R. Clark, who took six for 40 runs in eight overs. The Y.M.C.A. batsmen were in excellent form, with C. J. Axe 46, V. R. Davies 60, and H. Hooper 41.

Although they were given just over two hours to beat Lansdown's total of 114, Bath found runs hard to get, and in an exciting finish were only two runs behind. In the last over of the day Bath needed seven runs to win, but could only make three, Ruddick being caught off the last ball when he attempted to hit a six.

SPORTING MEMORIES

Bristol Cricket of Long Ago

CLIFTON RUGBY HISTORY

(By A.G.P.)

THE Gloucestershire team are having a wonderful season and the strange part of the cheerful aspect of things is that they have got to the second position in the championship table without having once had the supposed advantage of batting first.

And the most encouraging feature of the season's results is that the successes have been won very largely by the side generally rather than the dominating form of one or two men.

To-morrow the XI. will be at Worthing. Sussex are due for a come back. Will this be the occasion? For a good many years past Sussex has more often than not been well on top in their games with Gloucestershire.

Mr Frank Pratten has been good enough to let me have a look at the Clifton Rugby Club's minute books for their first and second seasons, 1872-3 and 1873-4.

The first secretary was W. J. G. Lovell and presumably the minutes are recorded in his handwriting. And beautiful writing it is—almost copper-plate.

The original list of members and their addresses are set out in full. They include many familiar names—Willerforce, Tribe, and Frank Wills, who later became Sir Frank, being among them. No Bush's appear. J. A. and R. E. were at that time playing for Bedminster and joined Clifton when the first club in Bristol broke up.

There is, by the by, a newspaper report of a match between Clifton and Bedminster stuck in the book. It took place at Bedminster on November 16, 1872, and was won by the home team, with the score:—Bedminster, 9 rouges, 6 touch-downs; Clifton, nil.

The report states that the touch-downs were secured for Bedminster by S. W. L. Llewellyn, G. H. Pepler and W. H. Brown. The last named was for many years chairman of the Bristol Cricket Association and father of W. S. A. Brown, a fine player for Gloucestershire under Dr. W. G. Grace and Gilbert Jessop.

Bedminster's success is somewhat discounted by the fact that all their 20 players turned up but bad weather kept seven of the Clifton men away. A post-script adds that the Clifton secretary could not get the names of the Bedminster 20. What a pity!

In a return game that season Clifton won by 3 rouges to nil. A third game gave Clifton the victory by 2 tries, 3 rouges and 3 touches in goal.

Further reference to these old books will be made.

JAMES CRANSTON

A reader of this column sends a cutting from the 'Birmingham Post' which appeared under the heading "Fifty Years Ago." It has reference to a fine old Gloucestershire cricketer—James Cranston.

The paragraph stated:—"If any of our readers have aught against the Warwickshire Cricket Club Committee, and would wreak a deadly revenge, let him murmur in their ears the one word 'Cranston.' The result is instantaneous paralysis. Three years ago Mr James Cranston dropped the residential qualification under which he had for several years played for Gloucestershire. He had been distinctly the best left-handed batsman of the day. He had a birth qualification for Warwickshire. The committee played him three times, twice against Surrey and once against the Australians, and then dropped him, almost contemptuously. This year he has again a qualification for Gloucestershire, and has been eagerly welcomed to the team. He has come off in every match, and his batting, so far, has been quite one of the features of the season."

"Jimmy" Cranston will be well remembered by old cricketers in this district. He was in great form in the season to which the 'Birmingham Post' referred.

Against Surrey at the Oval, he scored 111 and at Brighton, against Sussex, 130. Just afterwards he played for Westbury against the United Press on a pitch at the County Ground with a ridiculously short boundary. Four balls were lost in one over bowled to him by the writer of these notes!

S. A. P. KITCAT

Another good old Gloucestershire cricketer is brought to mind by an inquiry as to when S. A. P. Kitcat first played for the county and in what year did he take part in a grand partnership with Dr. W. G. Grace.

The reply is 1892 as the date of his first appearance for the county, and 1896 when he made 77 not out against Sussex at the County Ground.

That innings will surely remain in the memory of Mr Kitcat, as it does in the writer's and many others. It was the April Bank Holiday game, and glorious weather. Dr. W. G. Grace won the toss and, batting all day, was 193 not out at the close.

The next day five wickets went down for very few runs and when Kitcat came in there was only one man—Roberts—to follow. But the young amateur played a brilliant innings of 77 not out while his famous captain raised his score to 301 and the total was advanced from 355 to 550.

That match, which Gloucestershire won by an innings and 123, and in which the great Prince Ranjitsinghi scored 38 and 54 for Sussex, will always remain in my mind as the best holiday match at the County Ground during the past 50 years.

Mr Kitcat had another memorable experience with Dr. W. G. Grace. He was in the team during that wonderful May, 1895, when the "Old Man" made cricket history by scoring 1,000 runs before the month was over. At Gravesend, when Dr. Grace was in the field the whole of the three days, his best partner in making 257 runs was S. A. P. Kitcat, who played a fine innings of 52, when other members of the team, except Jack Painter, found runs hard to get.

Mr Kitcat played his last game for Gloucestershire in 1899. He is remembered as a most attractive batsman—not a stylist but possessed of a sound defence and a hard hitter when the right ball came along.

FOUR GRACE BROTHERS

When the Bath and West Show was on the Downs in 1864, our proprietors issued a supplement to the ordinary 'Daily Press' for June 15.

In one corner of this old newspaper I came across the scores of a cricket match in which four of the famous Grace brothers, Henry, Alfred, W. G., and Fred, took part.

The game was Hanham v. Stapleton, and it was played at Pudway Hill, Rodway.

William Gilbert, who became the champion of all cricketers, and Henry played for Hanham, and Alfred and Fred (then 14) for Stapleton.

Young Fred had taken four of the five wickets, including those of W. G. and Henry, when rain stopped play.

Fred Grace was the best bowler in the famous family. When only nine years old he took 13 wickets in a match—all grown men.

CRICKET MATCHES

Fine Century by R. C. Robinson for Flax Bourton

RUNS were fairly plentiful in local cricket in Bristol and district, on Saturday, but in some cases bowlers returned excellent figures.

In the match at Golden Hill between Y.M.C.A. and Bedminster, which was drawn, over 400 runs were scored. When stumps were drawn, the Y.M.C.A. wanted eight runs to win, having made 198 for seven wickets, declared, in response to Bedminster's 205 runs for seven wickets, declared.

Bedminster took first knock and were indebted chiefly to L. Champeny (53), and R. J. Simons (42 not out). The Y.M.C.A. had an hour and threequarters in which to get the runs, and collected the first 100 in just under the hour. H. Rowlands was in fine form with 52 not out, while C. J. Axe (45), D. C. Johnson (33), and V. R. Davies (25), batted exceptionally well.

A fine century by Rupert C. Robinson, who hit up 101, not out enabled Flax Bourton to declare at 210 runs for five wickets, and was largely instrumental in his side's overwhelming victory against Stoke Bishop.

Stoke Bishop were tumbled out for 43 runs, by J. Lansberry, who came through with the remarkable analysis of seven wickets for 11 runs.

STINCHCOMBE BEATEN

United Banks journeyed to Stinchcombe, and easily accounted for the home team by eight wickets. Stinchcombe went in first, but were dismissed for 38 runs, G. Crossman being top scorer with 22. The damage was done by A. C. Tanner, who took seven wickets for 35 runs.

United Banks lost two wickets for 14 runs, but with M. Arnold and Tanner together Stinchcombe's total was passed. Tanner had a wonderful match, following up his splendid bowling with a great half-century.

There was an intensely thrilling finish to the match between Bridgewater and Imperial at Bridgewater, the home team winning by four wickets off the last ball of the game.

A. H. DERRICK.

Bridgewater started steadily, P. Thorn and D. Norton scoring 31 and 25 runs respectively, and then came a hurricane innings by A. M. Pearce of 67 runs in 28 minutes, including 11 fours and a six. While Pearce and K. Cotham (31) were together 83 runs were added.

Schoolmasters scored a fine victory over Taunton, on the latter's ground, by six wickets. Taunton went in first and made a strong start, S. Wigginton making 31 and H. Fear, 34. Taunton declared at 129 runs for nine wickets.

GAME ENDS IN TIE

Schoolmasters got off the mark with a grand opening partnership and secured their runs easily. S. G. Wills played a fine innings of 90 and A. R. Curtis scored 47.

It is not often that a tie occurs, but such was the result at Coombe Dingle, in the match between Bohemians and Frys.

Frys batted first, and thanks to A. Woolacott (64, not out), and L. H. Carter (36), they totalled 130. Then the Bohemians made a poor start, losing two wickets for a few runs, but A. Bull (21), C. R. Lucas (38), and H. J. Alpass (34), pulled things round. However, the bowlers got on top again, and with the last pair together it was anybody's game.

Amid great excitement R. F. P. Holloway levelled the scores, but in attempting the winning run, the last man was run out, and the game ended at 130 runs apiece. P. W. Setchell, and R. D. French took four wickets for 28 runs, and three for 21 respectively, for Bohemians.

Stapleton went over to Long Ashton and inflicted a heavy defeat on the Somerset side, by nine wickets. H. N. Curwen bowled so well for Stapleton, that Long Ashton were all out for 115. Curwen taking six wickets for 35 runs.

CLIFTON WELL BEATEN

Stapleton were never in any sort of trouble with the bat, and passed their opponents' score for the loss of only one wicket. F. Weeks was undefeated for a brilliant 57.

Making his first appearance this season, for Westbury, E. H. Staddon scored 20, not out, and took four wickets for 22, and so helped materially in his side's easy victory over Clifton, at Henbury. Westbury took first knock, and totalled 146.

Clifton cut a sorry figure before the bowling of Staddon and R. C. Phelps, and were tumbled out for 74, of which J. W. Burrough contributed 46!

The Optimists beat Claverham by 33 runs at Blaise Castle. C. F. Bolt scored 43 for the Optimists, out of a total of 115, and in reply Claverham could only total 62 runs.

In a benefit match for George Hunt, the Weston-s.-Mare groundsman and player, Weston beat Chard by 88 runs. Consistent batting by Weston enabled them to declare at 191 runs for five wickets. G. Hunt scoring 37, and W. W. Birtill 58. L. C. Hawkins and Hunt bowled so consistently, getting six and four wickets respectively, that Chard were dismissed for 103 of which H. F. Gollop made 32.
