As the two top Counties had played each other in the Competition, Bedfordshire could not exercise the right to challenge the top County and Buckinghamshire accordingly became Champion County pursuant to Rule 13,

FRANK CROMPTON,

Hon. Secretary M.C.C.A.

567.

On reflection, the season was far from unsatisfactory, although a golden opportunity was missed when we failed to consolidate on an excellent start. The fact that Alec Johason, the Ashington professional, played in only five games was, I am sure, the turning point. He is an excellent all round cricketer, and we could not afford his absence. Jack Van Geloven did not therefore have an experienced opening bowling partner, although it is hoped that Ian Moir and Adrian Francis will make the grade.

Francis played his first games for the County, and gained some valuable experience which is needed to take wickets against batsmen who are much more capable than those generally encountered on Saturday afternoons. Raymond Swain of Plyth also made his debut, and had the distinction of making 57 against Cheshire in his first match. He has proved he has an excellent temperament, and if he continues to apply himself to the game, he will be a valuable member of the County side in the future.

The season past, saw Harry Henderson play his 250th game for Northumberland. It is improbable that this record will be beaten, and Harry's enthusiasm is illustrated by the fact that in spite of a very bad injury in the Staffordshire match, he did not miss a single County match. Good luck to him, and the 'debutants', in 1970.

NOTES Suffolk bowling 2nd innings Hargreaves - In the notebook 5 overs are clearly marked as Maidens but are wrongly totalled as 4. I have corrected this. S.C.C. Handbook incorrectly shows 4 Maidens but EADT shows 5 Maidens correctly.
